### Lou Ann Witkowski New 4-H Gold Star Girl

Miss Lou Ann Witkowski, 15-year old daughter of Mr. and Mrs. Leo Witkowski of Nazareth, was named Saturday night as 4-H Gold Star Girl of the year.

Miss Witkowski, a sophomore in Hereford High School, won the honor on the basis of her outstanding record in 4-H work during the past year and she was recognized before a crowd of several hundred by Mrs. Sybil Stringer, County Home Demonstration Agent.

Among Miss Witkowski's accomplishments in 4-H work are "outstanding achievements, leadership and contributions to the County 4-H program." This includes seven years in 4-H work, seven demonstrations this year, vice president of her community 4-H club, co-vice president of the county 4-H Council, represented county and District at state meets twice, in the dress revue and giving a demonstration on safety. She is the second Witkowski daughter to win the gold star. Her sister, Rita Sue, was awarded the star year before last.

Also at the program Aaron Hutto and Miss Witkowski recognized thirty-four adult leaders who represented 86 years of service.

Bob McLean of the First State Bank was awarded the Friend of 4-H plaque. It was pointed out that the bank had printed 4-H calendars for fifteen years, that Mr. McLean was co-chairman of the 4-H recognition committee and had sponsored and contributed to all county 4-H events.

Nazareth 4-H was awarded a purple seal and Mulkey was awarded its second purple seal. Flagg received a red seal.

### Sugar Meeting Tickets Available at CofC

Tickets are available in the city office of the Castro County Chamber of Commerce to the area meeting in Hereford Tuesday to discuss future legislation relative to the sugar act, which will be a major issue in the next session of Congress. Price of the ticket shall include a barbecue dinner and the bull barn in Hereford, will be \$3.50 each. Tickets should be purchased by Saturday.

The other major avenue is through state programs administered within the county which provides regular income for pensioners, dependent children, infirm, crippled and the like. The County fund as such does not have a program for regular support.

During the winter months there are persons mostly Latin and Negro who can't find work and who appeal to the judge for assistance.

"I would estimate that three-fourths of these cases are honest and deserving," Judge Wilson said this week. "But the remaining one-fourth are just trying to get something for nothing."

Those who do manage to tap the county treasury for grocery money find the pickings slim. Judge Wilson does the Welfare money out based on the number of children and other factors, but any one charity payment is unlikely to exceed \$10, and many are less. Ordinarily if work is not to be found the person seeking charity will return in a week's time for another handout.

### Coach Names Football Film Donating Firms

Dimmitt Football Coach J. D. Covington said this week he would like to express his appreciation publicly to local business firms for donating \$80 each for filming football games during the season.

Filming was by Stanley Schaeffer and the firms sponsoring the movies were Hays, Implement Company, First State Bank, Taylor-Harrison Agency, Five-Point Gin, Dimmitt Wheat Growers, D & Aerial Spray, Castro County Grain, Bruegel Elevator, Kirkpatrick Sales Co., and Dimmitt Gin Company. The movies were shown to the public and were used also as training films.

### Dalhart Blasts Bobcat Title Hopes With 44-22 Drubbing Friday Night

The Dimmitt Bobcats wound up their 1961 season in second place in Conference 1-AA after a sound drubbing Friday night by Dalhart 44-22.

The loss stunned Bobcats fans who had expected the toughest encounter of the Conference season but not a 22-point deficit. The Bobcats, trailing 36-0 at the half were able to score three times to Dalhart's one in the final quarter but this was meager consolation.

Except for the score, the two teams were fully well matched, statistically. Dalhart had 23 first downs to Dimmitt's 18; gained 293 total yards to the Bobcats 245; and penalties were 50 yards for Dalhart to 45 for Dimmitt.

It was the big game of the year in the Conference. Both teams were undefeated and untied in loop play. An unlikely loss by Dalhart to Tulla this weekend would give Dimmitt a tie for the championship but the Wolves have already won the right to represent the conference in bi-district. Tulla lost to Canyon last week 27-20. After coming to Dimmitt with an undefeated record, Tulla must defeat Dalhart or wind up just short of last place ahead of Friona.

Dimmitt's record for the season: Dimmitt 20.....Abernathy 6 Dimmitt 8.....Lockney 12 Dimmitt 8.....Hereford 14 Dimmitt 8.....Floydada 12 Dimmitt 6.....Muleshoe 0 Dimmitt 6.....Denver City 25 Dimmitt 16.....Canyon 0

Dimmitt 20.....Tulia 13 Dimmitt 54.....Friona 12 Dimmitt 22.....Dalhart 44

In Dimmitt's wintry cold Friday night game with Dalhart, the Bobcats were unable to score in the first quarter. Hard hitting Dalhart halfback Tommy Ledbetter scored all but one of the Wolve touchdowns for the night, topping off a brilliant performance with Dalhart's last-half touchdown in the third quarter. The Bobcats came back fighting desperately in the second half but could not overcome the heavy deficit. James Cowell, Dimmitt half-back, led the Bobcat attack in the second half, scored early in the third quarter, capping off a 59 yard drive. Dick Nelson scored later by adding the final two yards to a 30-yard drive. Dimmitt's final tally came when Gene Bradley broke loose for four yards at the end of a 68 yard drive.

Dimmitt loses thirteen men by graduation this year. Among those returning next year will be Jim Rateliff, Roy Battles, James Cowell, Gary Morrison, Jim Cossert, Oliver Spencer, Johnny Stanford, Jimme DiCuffa, Robert Daniels, Mike Burkett, Jim Aldridge, Leland Moore, Glenn Boozer, Jimmy Killingsworth and Michael Calvert. Seniors are Gene Bradley, Donnie Nelson, Kelton Cates, Aaron Hutto, Kenneth Odum, John Nino, Dwight Cathy, Jimmy Chavers, Charley Flores, Mickey Waggoner, Wayne McClenney, and Wayne Meacham.

**A RARE BIRD**—This tremendous bird, identified early this week as a young eagle, was about noon Saturday by Bobby Rawls, 15, (left). Eagles are virtually unheard of in this county. Bobby Rawls was not planning to shoot the bird but it attacked the youth as he was hunting with a shotgun. Bobby reported he tried to beat the eagle off, but it kept coming back. The youngster laid down on his back in a draw near his home at Arney, hoping eagle would go away but was forced to shoot while the bird was settling in on him less than eight feet away. A large hole was blown in the eagle's breast by what was Bobby's last shot that he had been saving for a rabbit. Shown holding the bird with Bobby is his father, C. Rawls who farms the Homer Herring place 14 miles northeast of Dimmitt. "He nearly scared to death," Bobby said this week. The bird weighed 8 pounds and was 6½ feet from wing to wing tip. His massive beak and claws were obviously effective weapons. Young R had no idea why the bird chose to attack him. —staff photo

### 109-year-old Mother of Local Woman Succumbs

Sara Jane Owen, 109, mother of Mrs. Grace Lloyd of Dimmitt died Sunday night at the Confederate Home in Austin.

Mrs. Owen, a former longtime resident of Kent County, would have been 113 years old a month and a day from her death.

Funeral services for Mrs. Owen were conducted in Austin on Tuesday.

She was born in Falls County, Texas, on Nov. 30, 1851. Her father was John J. Long and he came to Texas from Tennessee to be a rancher. Her mother was Elizabeth Halton from Virginia, and Sara Jane had an older sister.

John Long went back to fight for the Confederacy.

Later, Sara Jane was to recall in detail what she and her mother and sister did during the long, weary years of the Civil War.

They materially aided the cause of the Confederacy through the knitting, spinning and weaving of both cotton and woolen garments for its soldiers, and by aiding and comforting the wives and widows with small children.

Mrs. Owen later taught school in the little one-room country school where she had learned her own lessons. She married Samuel Owen, a Confederate soldier.

### Real Needs Must be Shown to Receive County Welfare Grants

hardest things an elected official has to face," Judge Wilson said. "It's so easy to be fooled and the natural inclination is to help everyone and to give them enough that they can live comfortably until the day they go. But it's tax money and it's our obligation to be careful with it. I'm afraid if we ease up just a little it could get out of hand in a hurry. As it is we feel like we're doing all the deserving applicants expect. If they are not deserving it doesn't matter anyway."

The county does not help transient families or bums, referring these instead to the Salvation Army Red Cross or other agencies. "We for by the county where the family is destitute. "The county has an arrangement for burial with the local funeral home when the family can't pay for it. That's one thing that has to be taken care of because anyone you go about it there are some costs involved and if the family doesn't have any money somebody has to help out."

"This welfare work is one of the
