What Britain, the U.S.S.R. and the U.S.A. spent on the war

PRICE OF VICTORY—The chart above, based on countries' material incomes, gives the amount expended by the "Big Three" throughout the years in the prosecution of the war. It was released in London. Since each money bag represents 10 per cent of national income, the tremendous burden on the economies of Great Britain, Russia and the United States can be seen.

US Long Distance Telephone Service Paralyzed

By United Press

NEW YORK, Jan. 11. — Long distance telephone service across the nation was paralyzed and local service curtailed at many points today.

And there was no immediate prospect of an end of picketing of telephone exchanges in key cities of 44 states.

Preparing to leave for Washington to attend a conciliation meeting called for 4 p. m. by Secretary of Labor Lewis B. Schwellenbach, Ernest Weaver, president of the striking association of communications equipment workers (Ind.) said:

"Picketing has begun and will continue until this thing is settled."

The Southwestern Bell Telephone company today obtained a temporary court injunction against pickets at the company's exchanges in Dallas, one of seven Texas cities where Western Electric strikers had thrown up picket lines to cause disruption of long distance service.

Warned by Judge William Cramer of the 116th district court, the injunction ordered the Association of Communications Equipment Workers Union to withdraw its picket lines from the telephone company's Dallas plants.

New Kensington, Pa. — A strike of 4,500 CIO workers closed the Aluminum Company of America works here today 90 hours before the union's scheduled nationwide walkout against the steel aluminum industries.

PITTSBURGH. — The CIO United Steel Workers today told Timken Roller Bearing Co. that it would accept a 20 cent an hour wage increase in settlement of its wage increase demand. The original demand was 25 cents.

"Sink All Japanese Ships" Order Issued By Halsey

WASHINGTON, Jan. 11. (U.P.)—A task force went toward Wake Island under Adm. William F. Halsey, Jr., several days before Pearl Harbor, had orders from Halsey to "sink every Japanese ship they found," the Congressional Pearl Harbor Committee learned today.

The disclosure was contained in a bulky document containing testimony of Adm. Husband E. Kimmel before the three previous investigations of the Dec. 7, 1941, disaster.

The deposed navy Pearl Harbor commander told the navy's investigating board that the task force, which was ferrying planes from Hawaii to Wake, consisted of the aircraft carrier Enterprise, three heavy cruisers and a squadron of destroyers.

Recent Dominant U. S. Navy Now Unfit For Fight

MIAMI, Jan. 11. — Admiral Chester W. Nimitz told Associated Press managing editors last night that demobilization had left the Navy unfit to fight only five months after Japan's defeat.

"The saving grace is there is nobody who threatens to fight us at this time," said the chief of naval operations.

"You all want your boys home as quickly as possible," said Nimitz. "I am wholly sympathetic with the natural desire, even if it is more emotional than practical. The fact remains, however, that it leaves the Navy at this moment unfit to fight."

DENY ALLEGATION.

HONOLULU, P. I., Jan. 11. (U.P.) Staff members of the Hawaiian edition of the Stars and Stripes denied today a war department statement that their newspaper had used the term "Public Enemy Number One" in reference to Secretary of War Robert P. Patterson, Jr.

Russia Ready to Step in If U. S. Abandons China

DALLAS, Jan. 11. — America stands dangerously close to losing the peace in Asia after winning the war with Japan, Dr. Walter H. Judd, Republican congressman from Minnesota, warns.

Dr. Judd told members of the Community Course at McFarlin Auditorium that American shipboard Asiatic policy is almost tantamount to an invitation to Russia to step in as the dominating outside nation in China.

"We fought Japan for four long years to prevent an outside nation from dominating China," Dr. Judd charged. "Are we now to shirk our international duty, withdraw and permit another nation — Russia — to dominate 450,000,000 Chinese?"

Dr. Judd, who was introduced by Congressman Hutton W. Summers, declared that Russia would not step aggressively into China. "Russia seeks no territory in which another country is firmly seated—but she stands ready to move into any seat which is vacant," he said. "If we vacate our seat in China by withdrawing our support from China's Nationalist Government and Generalissimo Chiang Kai-Shek, Russia will not have to push her way in—the Chinese Communists will invite her."

A strong, independent and friendly China is vital to America's western security, Dr. Judd believes. "In China, America stands on the threshold of its biggest diplomatic victory—or defeat. We have consistently stubbed our toes in our Asiatic dealings from 1922 until Pearl Harbor. We cannot permit ourselves to stub our toes again—not after four costly years of war."

Charred Bodies of Three Officers Found in Germany

FRANKFURT, Ger., Jan. 11. (U.P.) U. S. army intelligence sources announced today that the charred bodies of three military government officers, apparently victims of vengeful Nazis, had been found in the ruins of their burned dwellings at Passau on the Danube.

An intelligence spokesman said authorities believe the officers were murdered by Nazis out to do whatever they could to avenge the U. S. army which swept through south and west Germany.

Lobo Basketeers Beat Ranger and Remain at Top

RISING STAR, Jan. 11.—A. Z. Myrick, Cisco, was appointed conservation leader of the Cisco group by the board of supervisors of Upper Leon soil conservation district and supervisors will look to him for assistance in carrying on the program of the district. Through Mr. Myrick, farmers in the Cisco group can receive information and assistance from the district and soil conservation service.

The Cisco Lobos, playing without the services of Stanley Williams, center, showed repeated comeback power to squeeze out a one-point victory over the Ranger Bulldogs and stay on top of the district basketball conference race at Ranger Thursday night.

The game, which they took 31 to 30, by virtue of Harrelson's last second free throw, after a field goal by the same lad, makes it three victories and no defeats for the Cisco boys in the 9AA race.

The Ciscoans kept the spectators on their feet in a frenzy of excitement as they staged a scoring spree to overtake a ten-point lead and win by a nose in the last four minutes of play. Ranger took the front early, sinking the first field goal and going ahead 18 to 12 at the half-time. The Cisco boys pulled up even with a volley of goals as the second half opened, but Ranger once more shredded the Cisco defense to advance their lead to 28 to 18 as the game moved to within four minutes of time.

Once more the Cisco lads tightened and broke loose with a scoring rally of their own to tie the count at 28-all. The game soared to a climax of excitement as, within a minute and a half, Ranger again took the lead with a field goal. The Lobos clicked with a swift passing attack that worked the ball to within range and Harrelson counted in a long, beautiful shot that tied the count once more. He was fouled while shooting his last basket and with two seconds of play left, he dropped the pitch through the hoop for the decisive point.

Harrelson was high with 15 points. The Lobos play Morton Valley in the invitation tournament at Ranger this afternoon at 4:30. If they win this game they will meet Brownwood this evening in the semi-finals. These tournament games are non-conference. Starting lineup last night for the Lobos was Harrelson and Smith, guards; Ford, center; Noble and Sauls, forwards. Pence and King were substitutes.

SMITH VOLUNTEERED. DETROIT, Jan. 11. (U.P.)—Gerald L. K. Smith, American First party leader, said today he volunteered to appear before the House of Representatives Un-American Activities committee. A committee spokesman said today in Washington that Smith had been ordered to appear Jan. 30 for questioning on activities of the party.

Dr. F. E. Clark got off to a good start on his conservation plan by planting twenty acres of vetch with small grain and fertilizer. Members of the work unit of office of soil conservation service, Rising Star, assisted the farmers of the Cisco conservation group by locating seeds, demonstrating the proper method of inoculation of legume seeds and giving advice on rates of sowing seeds and fertilizer.

For further information concerning the Upper Leon soil conservation program, see Mr. Myrick, T. G. Caudle, Cisco, or the soil conservation service at Rising Star.

Charles Wende has made a conservation plan with the district and will sow his cover crop of hairy vetch and speltz this spring. Wende's plan also calls for terracing, fertilizing, crop rotation, pasture improvement.

Rudolph Schaefer is also cooperating with the district and has planted a cover crop of vetch and barley. Two terrace lines have been laid off by E. R. Day, engineer of the soil conservation service, Rising Star. Mr. Schaefer plans to construct these terraces with his plow and farm tractor. An easy method of constructing terraces will be demonstrated on this farm as soon as the weather permits.

Mr. Myrick sowed 45 acres of hairy vetch, abuzzi rye and fertilizer for a winter cover crop on all crop land at his home place. He expects the rye and vetch to furnish excellent grazing from early spring through June. During the summer months he will have sweet sudan and clover for his temporary pasture. On another place, Myrick planted rye and vetch to harvest for seed and fertilized all his small grain with commercial fertilizer. He also constructed three terraces with his tractor and plow and built up some old terraces that had unsatisfactory grades and outlets.

Wallace Smith, manager of the Palace and Texas theaters, has adopted a plan whereby some Ciscoan will secure a free admission ticket to either of the local theaters. The plan is very simple and is as follows:

Each day, on one of the advertising pages, the Daily Press will print the name of some individual. The name, and the name only, will be enclosed in a small box. When clipped from the paper by the person designated and presented to the ticket office, there will be no charge for the admission.

Ernest Patterson H. J. Wills, 83 Former Ciscoan Died Suddenly at Bates Hotel Home

Mr. and Mrs. B. W. Patterson of Eastland were Cisco visitors today and while here Mr. Patterson informed the Daily Press of the death of Ernest Patterson, former Ciscoan, who passed away January 4 at his home in Springville, Ariz., where he had resided for more than 40 years.

Ernest Patterson, son of the late Mr. and Mrs. John F. Patterson of Cisco and brother of B. W. Patterson, was 69 years of age. He was reared in Cisco and visited here regularly during the life of his parents. He is survived by his wife and burial was in Springville. Deceased served in the Arizona forest reserve service for many years, or until his retirement a few years ago.

Influenza Is On the Increase in Texas Says Board

AUSTIN, Jan. 11. — The weekly morbidity report of the Texas health department today showed influenza still unchecked in the state.

For the week, additional cases brought the total to 11,510 compared with 10,660 a week earlier. Cameron county in the lower Rio Grande valley with 770 cases led.

ACCORDION MODEL—Though this car folded up like an accordion after being hit by a truck at Uniondale, L. I., the driver, Robert Pfeiffe of Babylon, L. I., was unhurt. Car spun out of control when engine froze and spun around in road. When Pfeiffe went to get help, a truck smashed car.

NUMBER 2,000,000—The two-millionth serviceman to return from the Pacific, S/Sgt. Irving Feldman of Worcester, Mass., is boosted to the shoulders of T/4 Jake G. Millbauer of Baribou, Wis., left, and Cpl. Adam C. Korgen of Rochester, N. Y., after the Navy transport USS Garrard docked in San Francisco. Feldman, a member of the 775th Tank Battalion, served 18 months overseas.

Check Swindler Gets 270 Days in County Jail

ABILENE, Jan. 11. — On three complaints to which he pleaded guilty V. B. Adams was sentenced to 270 days in jail for check swindling in county court by Judge Wiley Caffey Thursday. He was given 30 days sentence on each complaint.

Milton A. Gryder, Watsonville, Calif., pleaded guilty to aggravated assault with a motor vehicle and was fined \$100 and costs. Gryder drove a car which skidded into one driven by Rev. D. S. Neel, Merkel Presbyterian minister, Wednesday, causing serious head injuries to the latter. The collision occurred six miles east of Merkel on highway 80.

Howard C. Kelgard, service man, pleaded guilty to possession of whiskey for purpose for sale and was fined \$100 and costs.

EQUAL OR UNEQUAL?

R. Clarence Ogden, in Scottish Rite Bulletin: I was startled to read recently that "Men are created unequal physically, mentally and spiritually, but are not destined to remain so."

That "all men are created equal" has been so long and generally accepted as a primary truth that it is reassuring to learn there are still those who understand that our forefathers were speaking politically and not biologically.

"Every man," someone has said, "is as lazy as he dares to be." Are

all men created equally lazy? Or is it that all men are not equally daring? For one reason or the other all are not equally industrious.

The desire to obtain something for nothing, anthropologists tell us, is a common human characteristic. Swindlers use that desire almost exclusively in taking advantage of their dupe.

Reading the other day the words of a police official, "In my experience, every bunco game used as bait a promise of something for nothing," I questioned the spelling of the word "bunco." The word was found in Webster's International Dictionary spelled "bunco," but preceding appears the word "buncombe." The definition is interesting: "Speechmaking for the gratification of constituents, or to gain applause; anything said, written or done for mere show; insincere public action or speech."

The success politicians have been gaining of late by promise of something for nothing — the public applause given to such promises as "Security from the cradle to the grave" and "Freedom from want" and "Free medicine" and the like — would appear to prove that most of us are created equal at least in our desire of something

MRS. J. D. LAUDERDALE HOSTESS TO GROUP.

Mrs. J. D. Lauderdale was hostess in her home on Park Drive Tuesday afternoon when group three of women's council, First Christian church, met for its regular meeting. Mrs. James Haynie, group leader, presided and opened the meeting with the devotional, "What is Life's Purpose?" by Mrs. J. F. Benedict, who used as scripture basis verses from the Book of Matthew and Philipians.

Prayer was offered by Mrs. Haynie and Mrs. J. D. Browning brought the missionary lesson, "Christians at Work in Congo." A period of silent prayer was held for the foreign missionaries at the close of the lesson.

During the business session it was decided to gather clothing for needy people in Europe. Routine business was transacted and the meeting adjourned by all repeating the missionary benediction.

Refreshments were passed to Mrs. J. F. Benedict, Mrs. James Haynie, Mrs. Joe Tullis, Mrs. J. D. Browning, Mrs. H. T. Huffman, Mrs. R. L. Clark, Mrs. John Stiles, Patty Nell Haynie and Mrs. Lauderdale.

FIRST BAPTIST WNU HAD MISSION PROGRAM.

Women's missionary union of First Baptist church met at the church Tuesday afternoon for monthly missionary program, with circle four in charge. The meeting opened with group singing of "We've a Story to Tell to the Nations," led by Mrs. Ina Pyle Martin, with Mrs. W. W. Fewell at the piano. In the absence of Mrs. J. V. Heyser, who is out of the city, Mrs. Algie Skiles directed the program on the "Dawning of a New Year" and gave the watchword, "Look Unto Me and Be Ye Saved, All ye Ends of the Earth, for I Am God — There is None Else."

Mrs. A. D. Estes brought the scripture devotional and program parts were given by the following: Mrs. E. J. Poe, Mrs. Ina Pyle Martin, Mrs. W. M. Isenhower and Mrs. Fred Grist.

Those present were Mrs. W. W. Fewell, Mrs. Ina Pyle Martin, Mrs. E. J. Poe, Mrs. W. D. Hazel, Mrs. F. E. Shepard, Mrs. O. J. Russell, Mrs. Roy Morrison, Mrs. O. L. Mason, Mrs. A. B. Cooper, Mrs. Fred Grist, Mrs. Algie Skiles, Mrs. G. B. Langston, Mrs. A. D. Estes, Mrs. W. M. Isenhower and Mrs. W.

How to be a Business Hero

The forward-looking executive who is the first to see and advocate the tremendous strategic advantages of a plant, branch plant or warehouse in the new industrial Southwest is bound to win the approbation of his firm.

The Southwest is "open country" for business enterprisers... a bustling land where markets, materials and manpower meet. Here is to be found every advantage for industrial expansion—vast and varied reserves of raw materials, power, water, fuel—willing labor, sharpened by wartime skills—rich home markets.

COOPERATION

The cooperative partnership between the Katy and the people of the Southwest is furthered when you "Travel Katy—Ship Katy."

The Man Who Missed the Bus---

... occupies a somewhat comparable position to the one who did not get an abstract when he bought the place. He needs an alarm clock! We find most sellers who believe they have a good title will gladly furnish an abstract if one is requested when the sale is made. Every buyer should get an abstract first, have it examined, and if the title proves good both buyer and seller will be on safe ground and good friends thereafter.

A Vital Message To Men Who Feel Old

Why not regain the vim and vitality you once enjoyed?

If life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have slowed down your vim, vitality and youthful pleasures, here is a simple method that may change your whole outlook on life. Just ask your druggist for CASELLA stimulating tablets. Take as directed on label. Don't feel old and worn out at 40, 60 or more. Take these tablets regularly until you feel that you have regained the pleasure of living you once enjoyed. Why be discouraged? Why not try CASELLA tablets and regain the vim and zest of a much younger man? There is nothing harmful in these tablets. They contain Celery seed, Thiamin Chloride, Passion Flower, Iron. Ask your doctor or druggist about this formula. **MANER'S DRUG STORE.**

ATTENTION! DISCHARGED ARMY VETERANS

You may still be able to enlist in the Regular Army and retain your grade at time of discharge, and also receive a generous enlistment bonus, regardless of the fact that your discharge may be more than 20 days old, if you meet the following requirements:

- Honorably discharged from the U. S. Army.
- Physically eligible for enlistment.

You may do this through the Enlisted Reserve Corps provided you act promptly as follows:

- If now in the ERC, you initiate request for a call to active duty within 85 days from date of discharge and before 24 January 1946.
- If not presently in the ERC, you apply for enlistment in the ERC within 81 days from date of discharge and before 22 January 1946, and upon acceptance immediately initiate a request for a call to active duty.

If these time limits are met, and upon arrival at the Reception Center, you immediately request discharge for the purpose of enlistment in the Regular Army, you will have been enlisted by 31 January 1946 and will retain your grade and be eligible for the enlistment bonus. You will not be qualified for a reenlistment furlough.

If you are presently in the ERC you may retain your grade regardless of length of time since discharge, provided you initiate request for active duty before 24 January 1946, however unless enlistment is accomplished within 90 days from discharge you will not receive the bonus.

For necessary forms and further information, see the nearest U. S. Army Recruiting Station at the address below.
Act promptly.
