### SHEEAN, OBSERVER OF WORLD AFFAIRS, SAYS RUSSIA SURE TO TAKE OVER IN GERMANY

DALLAS, Feb. 21. — Terming James F. Byrnes and Ernest Bevin "the two worst foreign ministers that the Twentieth Century has yet seen," Vincent Sheean declared America utterly lacks a foreign policy at a time when such a policy is our chance for survival.

In a Southern Methodist University Community Courses lecture liberally salted with biting sarcasm, at McFarlin Auditorium, the noted foreign correspondent and novelist also predicted that American apathy in foreign affairs and insistence of getting its soldiers home would force the early withdrawal of troops from Germany.

"Russia will finally take over," he predicted, "there is going to be a terrific yell from this country that can be heard through interplanetary space."

An observer of world affairs for a quarter century, Sheean said the necessity for the Army's getting out of Germany and getting out fast is already understood, though not official.

He added that the French will replace the Americans but that the experiment would result in chaos and disorder as a similar one did after the last war.

Unless the nations are to repeat the history of the post-World War I years, the United States and Russia must work out a method of co-operation, Sheean said. He was pessimistic about the chances, he added, because of the apathetic attitude of the American public, press and officials.

"If we don't unite, then it is clear that some of us won't be long alive — or it may be all of us and the planet as well. Such a thing is no longer in the realm of comic strips."

Sheean said that the novel situation in which two extra-European and extra-oriental powers had become arbiters of the earth had made Americans a confused people. The confusion, he said, has communicated itself to their leaders.

### J. B. Williams of Gorman Is Candidate for Sheriff

J. B. Williams of Gorman is a candidate for sheriff of Eastland county and the third man to enter the race. Williams was born and reared near Gorman and is the son of the late R. H. Williams, long-time resident of that section of the county. He served nearly three years in the navy during the late war, entering the service in May, 1943, and being discharged in January of this year. Prior to entering the service he was constable of Precinct 5 at Gorman, having been appointed to this office by the commissioner's court in 1940 to fill out the unexpired term of the late Aaron Bryant. He was elected to the place at the following election and served until he resigned in 1943 to enter the navy.

His statement follows: "To the Voters of Eastland County: I am today announcing my candidacy for the office of sheriff of Eastland county, subject to the action of the Democratic primaries. In seeking this office I am not unmindful of the great responsibilities that will be mine should I be elected to assume them.

"It is my firm belief that during the next few years the office will be called on for more than it has in the past, to combat the wave of crime that is today spreading over the land.

"The office of sheriff should be filled by a man who is young enough to attend to the strenuous duties at all hours of the day and night, and at the same time by a man old enough to have acquired mature judgment, sound discretion and levelheadedness. No man should assume the responsibilities of this office who does not possess good judgment and discernment and know when and where and how to use force and arms in enforcing the laws of the state. These means should be used sparingly and not at all if it is possible to avoid them. At the same time, should their use become necessary, the sheriff should not hesitate to use all means at his command in combatting crime.

"I have had several years experience as a peace officer and I believe I am old enough and have judgment and experience enough to fill the office capably and to your entire satisfaction.

"I am 36 years old, married, own and maintain my home in Gorman and have spent my entire life in Eastland county, with the exception of the years I served in the navy. I was born at Gorman in 1910, where my father, R. H. Williams, lived from 1900 to the time of his death in 1943.

"If elected, I pledge strict enforcement of all the laws and faithful observance of their mandates.

"It is my purpose to make an active campaign and I shall try to see every voter personally and solicit your vote and influence. In the meantime, I ask a careful investigation of myself and of my qualifications for this office and earnestly solicit your consideration for county clerk. Sincerely, J. B. WILLIAMS."

### Scranton Basketball Tournament Was Fine Success

SCRANTON, Feb. 21. — Before a crowd of 600 cheering fans, Coach Overall and his Cisco high school basketball team defeated Scranton Class B high schoolers Saturday night in the final game of the two-day tournament held in the high school gym here—59-22.

Cisco basketballers gained a 12-point margin in the first five minutes of play and were never threatened after that.

Cisco had defeated Cross Plains and Albany in previous games to climb the bracket and into the finals. Scranton, which has been strong in the Class B division this season, defeated Oplin high in the quarter finals, 32-7, and won over Cisco Junior College boys, 31-22, in the semi-finals to plop their way into the finals and challenge Cisco high for the championship.

Shorty Pittman, six foot three-inch Scranton center, Rhyne and Boland, forwards, and Thompson and Morgan, guards, stated they were never defeated by better sports than the Cisco high school boys.

The Eula high school girls, under the coaching of W. T. Gassiot, were first place winners in the girls' bracket. To climb their bracket into the finals they defeated the Cisco Junior College

### girls by a score of 33-21. To win the semi-finals in the girls' division they defeated the Oplin high school girls by 36-11 and thus became first-place winners in the tournament.

Mrs. Odom and the Bayou high school girls lost their initial game, but came back fighting to defeat Scranton high school girls in the consolation semi-finals and later winning the consolation trophy by defeating the Cross Plains girls.

The following were voted by the judges as all-tournament players: Girls all-tournament team: Broom, Cisco Junior College; Miller, Eula; Poe, Scranton; J. ## BRITAIN IS READY TO USE FORCE

By United Press

BOMBAY, Feb. 21. — British authorities rejected a conditional surrender offer from mutinous Indian seamen barricaded in Bombay's castle barracks today and ordered Loyal Army troops to storm the mutineers stronghold.

Shortly before midnight Thursday, long columns of armored cars and trucks rolled up to the barracks and began disgorging hundreds of British Tommies and Indian Regulars in full battle dress.

The troops deployed around the barracks and prepared to attack if the Rebels persisted in their refusal to surrender unconditionally.

Civilian rioting spread new terror through the city as inflamed mobs raged through the streets attacking police and smashing shop windows in a defiant gesture for support of the beleaguered mutineers.

Cisco First Presbyterians are on the lookout for a permanent pastor and a number of men and women from the local church visited Brownwood recently, heard Mr. Salyer and were much impressed.

The Brownwood minister and his wife, said Mrs. W. F. Watson, earned a very enviable reputation with the people of Brownwood and the soldiers at Camp Bowie during the war by their untiring attention to the men in camp, their courtesies including entertainment of large numbers of the soldier boys in the Salyer home from time to time.

Mrs. Salyer is well known to many local Presbyterian ladies for her work in the mid-Texas presbyterial.

## SUCKER BAIT.

There has been more downright drivel peddled in behalf of the misnamed Fair Employment Practices Act than for any piece of political hocus-pocus in many years.

The Act seeks to make employers hire more Negroes. Oratorical politicians wave the flag, talk about the Atlantic Charter and the Four Freedoms, and tell how we fought this war to bring freedom and equality to the world. As a matter of fact, the large majority of Americans entered the war purely as a matter of self defense against fanatical Nazis who planned to invade this country and take away our innumerable inherent liberties, and NOT for the purpose of acquiring additional liberties.

FEPC exploiters don't say that the Fair Employment Practices Act which would force an employer to hire a Negro, would not require the same employer to hire a white person or a Negro if he refused to join some specified labor union.

There is no longer any freedom for a white laborer, or a Negro laborer, to earn a living in the United States in basic industries unless he first pays labor organizations for that privilege.

Why should congress talk about a fair employment act for a white man or a colored man, and then, by legislation or lack of legislation, prevent a man getting a job? It has remained for Senator Mil-

lard Tydings of Maryland to bring the hypocrisy of the Fair Employment Practices Act into the open. He seeks to make the bill at least honest in its purpose by urging its senatorial sponsors to carry out fully and logically their professed principles by supporting an amendment making it illegal to deny a job to any man because he is not a member of a union.

How can an act be called a fair employment act unless that is done?

Senator Tydings' suggested amendment would bring back a man's constitutional right to earn a living in the United States without paying for the privilege, and leave him free to join or not join any organization he sees fit.

There should be no discrimination against any workman merely because of his race, creed, political or labor affiliations.

## Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of liquid Barconate (formerly called Barcon Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonful twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.
