THE CISCO DAILY PRESS

COMBINED WITH CISCO DAILY NEWS AND CISCO AMERICAN AND ROUND-UP, NOVEMBER 1, 1937.
DAILY NEWS WAS ESTABLISHED IN 1919.

CISCO—One of the healthiest areas in U.S.A. with a countryside devoted to blooded cattle, hogs, sheep, peanuts, cotton, fruits, feeds, poultry, gas, oil; two railroads; Bankhead highway; huge concrete swimming pool; bass and crappie fishing; Municipal Airport.

VOLUME XXVI.

CISCO, TEXAS, SUNDAY, MARCH 10, 1936

NUMBER 133

WHITE HOUSE HUNTING TROPHY takes on a new appearance after the newspaper reporters finish with him. Mounted deer head in the press room of the White House becomes a laugh after the "gentlemen of the press" did a make-up job on him. Proud buck looks prouder.

Coal Miners to Ask Shorter Week, Higher Wages and Royalty of \$60 Million

K. H. Pittard Died Saturday; Funeral Monday at 4 P. M.

K. H. Pittard, 63, a resident of Cisco since 1919, died at Graham Sanitarium at 2:45 Saturday afternoon from a heart attack. He had been seriously ill for two weeks.

Mr. Pittard, known to his wide circle of friends as "Pitt," had been a representative of the Southwestern Life Insurance company since he came to Cisco. Energetic, painstaking and always affable, he was highly successful in his chosen work. His passing will be sincerely regretted by a very large number of Cisco people, as well as many in other sections of Eastland county.

Born Nov. 16, 1882, at Pulaski, Tenn., he was married to Miss Anna Laurie Hardeman, Dec. 27, 1910, in the town where he was born. They came to Brownwood, Tex., in 1911 and remained there eight years, coming to Cisco in 1919 and residing here continuously since that time. He had been a member of the Methodist church since early childhood, but had attended the First Christian church during his residence here.

Mr. Pittard was an active member of the Masonic lodge, belonged to Cisco chapter 190, Royal Arch Masons; Cisco Council 128, Royal and Select Masters and was past high priest of Cisco Masonic chapter, as well as past three illustrious masters of Cisco Masonic council.

Survivors are the bereaved wife, his mother, two brothers and a sister. His mother, Mrs. Charles C. Pittard, one brother, T. S. Pittard, and the sister, Mrs. S. W. Zeigler, reside in Pulaski, Tenn. The other brother, R. S. Pittard, lives at Des Moines, N. M.

The funeral will be held at 4 o'clock Monday afternoon at First Christian church, with burial in Oakwood. Other details of the last rites had not been completed late Saturday.

By United Press.

WASHINGTON, Mar. 9. — President John L. Lewis of the United Mine Workers — AFL — will renew his demand for a \$60,000,000 annual royalty on soft coal when bituminous wage negotiations begin here next Tuesday, it was learned here tonight.

The disclosure came as the UMW and producers prepared for what appeared to be shaping up as the most protracted and bitter struggle over coal mine working conditions in many years.

The demand for what Lewis calls "labor's participation royalty" is reported to be one of the three major issues to be presented to the coal operators.

The others are for a general wage increase, coupled with a reduction of the present 54-hour work week and bargaining rights for supervisory employees.

75 High School Students Inspect Boss Glove Plant

By LELA LATCH.

As a grand finale for the unit on "How We Are Clothed," the general science classes of Cisco high school visited the Boss Glove factory, Monday. Seventy-five pupils from three classes made the trip by bus, under the direction of Lela Latch, science teacher.

Each student wrote an individual report of the visit and an excerpt from Sutton Crofts' story reads as follows:

"I learned that they receive their cotton materials for making gloves in big bales. The white cloth from which the hand of the glove is made is laid in forty thicknesses on a revolving belt, on a bench-like table. An electrically-operated cutting machine cuts forty layers of cloth at one time. The machine cuts the fingers, thumbs, palms and backs of the gloves, which the workers sew together. The scraps from the cutting machine are baled and sold for salvage.

"The sewing of the gloves is done by women operating very fast sewing machines. After the top part of the glove has been made to fit the hand, the cuff is added. There is also a machine which cuts this blue band the correct length and doubles it, ready for sewing on a specially built rotary machine.

"Thus far the glove is finished wrong side out. Then it is conveyed to a machine where it is turned and assorted for the right and left hands. Finally, they are examined for rips or irregularities, pressed and boxed for shipment."

Billy June Anderson gave this general resume of the factory:

"The Boss Glove factory in Cisco produces 12,000 pairs of gloves daily and employs 100 workers. Our guides, Mr. Nolan Cutler and Mrs. Glenn Poyner, showed us the time clock with the card of each employe punched for the day. They explained the pro-rata basis of shipping the gloves to the stores and stenciled some boxes for us to see.

"Then we went to the chamber of commerce, where we saw 65 different types of work gloves, which is the reduced line that Boss manufactures. It interested me very much."

HATTON W. SUMNERS BLASTS DEMOCRATS AND REPUBLICANS FOR ENCROACHMENT ON STATE RIGHTS; WILL QUIT OFFICE

WASHINGTON, Mar. 9. (AP)—Rep. Hatton W. Sumners, D., Tex., 70-year-old champion of states rights, tonight announced his retirement from congress with a blast at the federal government for making "vassals of our states and dependents of our people."

Sumners said he will retire at the end of his present term, after 34 years in the House.

He has no definite plans, but he made it plain he would be available to anyone who wanted to help the states "regain their sovereignty and reestablish their power."

In a bitter statement, Sumners assailed recent administrations—both Democrats and Republicans—for encroaching upon the rights of the states.

Sumners first was elected to congress in 1913 and began his gradual rise to chairmanship of the House Judiciary Committee, a position he still holds.

It was in this capacity that he gained nationwide attention for his successful fight on the late President Roosevelt's plan to expand the 1937 Supreme Court of "nine old men."

LANHAM TO RETIRE.

FT. WORTH, Mar. 9. — After 28 years of continuous service as congressman from the 12th district of Texas, Fritz G. Lanham of Fort Worth Saturday announced in Washington that he will retire at the end of his present term. His name will not be on the Democratic primary ballot this summer.

Corpus Christians Build House For Maimed Vet in Day

CORPUS CHRISTI, Tex., Mar. 9. (AP)—Three hundred carpenters flashed their hammers, saws and levels today to build a home for Pfc. T. J. Jarvis, who lost both legs while fighting in the army.

It was officially "Jarvis Day" in Corpus Christi under a proclamation by Mayor Robert T. Wilson, who turned out with many other citizens to watch as the carpenters worked to erect the house and turn it over to the painters at the end of the day.

The craftsmen donated their services after Jarvis' fellow workers at the Taylor Refining company contributed money for the house and lot.

Rep. Sam Russell Will Not Run for a Fourth Term

Rep. Sam Russell of Stephenville announced Friday from Washington that he will not seek reelection to congress. The announcement came as a surprise to Cisco friends.

Mr. Russell served in World War I and began practicing law in 1919. That same year he was appointed county attorney of Erath county. In 1924 he was elected district attorney and after two terms in this office was elected district judge.

He served three terms as district judge and then in 1940 was elected to congress from the 17th Texas district. He was re-elected in 1942 and 1944.

McCanlies, Stark and Slaughter in Commission Race

S. H. McCanlies, J. W. Slaughter and Tom E. Stark Saturday authorized the Daily Press to announce them as candidates for city commissioners, subject to the wishes of Cisco voters at an election to be held April 2.

All three men are well known and highly esteemed as good citizens and good business men.

Mr. McCanlies was born in the county and has lived in Cisco practically all his life. He owns and operates the OK Rubber Welding plant. Mr. Slaughter came here from Tulsa 15 years ago and was with Rockwell Bros. Lumber Co. until he recently joined Mason Pee as joint owner of the Home Supply company. Mr. Stark has been a Cisco resident since 1919 and is in the real estate business.

City commissioners whose terms are soon to expire are Charles J. Kleiner, H. S. Drummright and A. D. Anderson. They, too, are good business men and have made excellent records while in the city's service. Whether they will offer for re-election is not known to the Daily Press.

Red Cross Appeal to Ciscoans Is Now in Progress

The annual appeal of the American Red Cross in Cisco was under way Saturday with all employes in the city furnished the campaign envelopes in which they are asked to report the contributions of their employes and firms, and with teams of workers poised to begin a canvass of the residential areas Monday morning.

The residential canvass is being organized and directed by Mrs. W. W. Wallace, and the teams in this section of the drive will go out from the chamber of commerce office Monday between 9 and 10 o'clock.

Charles Graham is chairman of the business and industrial section of the appeal.

Fred E. Craig, St. Louis, field representative of the National Red Cross, who has recently returned from foreign service with the 16th Armored Division, will be here Monday to confer with the teams which will carry out the residential campaign and also to assist in other features of the drive.

CARDINAL GLENNON DEAD.

DUBLIN, Mar. 9. — John Joseph Cardinal Glennon of St. Louis, 83, died at the home of President Sean O'Keley today, just 15 days after Pope Pius XII gave him the ceremonial red hat as a prince of the Roman Catholic church. The beloved cardinal's body will be returned to the United States. It was understood that it will be interred in a special crypt which had been constructed in St. Louis Cathedral for his final resting place.

Senior Scout Post Entertained Parents at Supper

Post 62, Senior Scout unit in Cisco, entertained their parents at supper Wednesday night, says Jim Ewell, scout reporter. Jay Warren, chairman of the social committee, presided and presented a very interesting program.

Talks were made on senior scouting by Dr. H. C. Brown of the Lions club, Robert Mitchell and Eddie Jackson, the latter post leader.

Dr. Brown presented the post charter in a well received talk and six scouts received their apprentice awards. They were Lee Stiles, Jay Warren, Jim Ewell, Edwin Jackson, George Fewell and Frank Strawn.

Those present were Mr. and Mrs. E. L. Jackson, Mr. and Mrs. Robert Mitchell, Mr. and Mrs. I. D. Strawn, Mrs. Jay Warren, Dr. H. C. Brown, Mrs. R. F. Blackstock, F. G. Strawn, George Fewell, Jim Ewell, Edwin Jackson, Jay Warren, Frank Strawn, Bill Johnson and Lee Stiles.

BREAK GROWS AS REDS SAY U. S. VIOLATED BULGARIAN AGREEMENT MADE IN MOSCOW

WASHINGTON, Mar. 9. (AP)—State department officials said tonight the United States will stand firm in its newest diplomatic wrangle with Soviet Russia — a sharp difference of opinion over reconstruction of the government of Bulgaria.

The new dispute found relations between the two countries strained as never before since they became war-time allies.

Differences over situations arising in Manchuria and Iran are unresolved, and Russia has exhibited a strong lack of enthusiasm for this country's position regarding the Franco government of Spain.

The Bulgarian incident appeared to stem from widely-varying interpretations placed by the two countries on the words agreed to by the Big Three foreign ministers in Moscow.

Last night the Moscow radio broadcast a note delivered 24 hours earlier to the United States in which Russia accused this government of violating the Moscow document.

It said that agreement did not state that the terms under which the opposition leaders entered the Bulgarian government must be acceptable to both sides — only that they should be suitable and should work loyally with the government.

Those present were Mr. and Mrs. E. L. Jackson, Mr. and Mrs. Robert Mitchell, Mr. and Mrs. I. D. Strawn, Mrs. Jay Warren, Dr. H. C. Brown, Mrs. R. F. Blackstock, F. G. Strawn, George Fewell, Jim Ewell, Edwin Jackson, Jay Warren, Frank Strawn, Bill Johnson and Lee Stiles.

(Cisco Daily News Files)

Only a week after it had seen its president, R. L. Poe, buried, the Cisco chamber of commerce comes to the close of its fiscal year tomorrow evening. At that meeting the terms of five directors will end. At that meeting also the election of secretary and office staff will occur, according to custom. The election of a president and the organization of the board itself, however, will await the appointment of five new directors by the city commission from among 15 nominations submitted by the board. Dr. Charles Hale, vice president who has become president of the chamber, is one of the five whose terms expire. Others are T. J. Dean, H. S. Drumwright, C. P. Cole and W. H. LaRoque. Directors with two more years to serve are S. H. Nance, Dr. C. C. Jones, J. E. Caffrey, Charles Sandler and R. L. Poe (deceased). Directors with one more year to serve are E. P. Crawford, P. P. Shepard, F. D. Wright, W. W. Wallace and W. K. Johnston.

Alex Spears, cashier and executive officer of the First National bank for a number of years was elected president of the institution at the annual stockholders meeting yesterday afternoon, Jan. 9. The bank in December, had de-

clared its second semi-annual dividend of 6 per cent. It is entering the new year in perhaps the best condition of its history with more than \$8,000,000 on deposit, and in such a liquid state that it was admitted to the federal bank deposit insurance fund without even the formality of the special examination of the deposit corporation required by law. Resolutions of respect were passed in the recent death of R. L. Poe, president of the bank. Dr. F. E. Clark, E. R. McDaniel and W. W. Wallace were elected vice presidents; E. J. Poe was elected cashier, taking the office of the place which Mr. Spears had held; and Vance C. Littleton and Lucile Huffmyer were elected assistant cashiers. Directors were re-elected as follows: Alex Spears, Dr. F. E. Clark, E. R. McDaniel, W. W. Wallace and E. J. Poe. In a recent report, the bank showed that it had assets of \$892,852.57, of which \$221,105 was in loans and discounts, \$115,300 in United States government securities, \$102,175 in other stocks, bonds and securities, \$172,259.02 on reserve with the federal reserve bank, and \$191,639.96 in cash. Demand deposits held by the bank total in excess of \$800,000.

Billie Bob Carswell, son of Mrs. R. B. Carswell, celebrated his sixth birthday Saturday, January 6, with a party in his home in Humboldt from 3:30 to 5 o'clock. Games were played and following that a program was presented. After the program Billie Bob opened his birthday gifts and thanked his guests. An ice course was enjoyed by 19 little girls and 7 little boys. Billie Bob had for his guests Misses Helen Jean Cunningham, Polly Ann and Catheryn Mae McDaniel, Virginia Lee McNeely, Gloria Graham, Betty Shepard, Betty Sara McCarrell, Betty Lou and Janice Petty, Jean Booth, Betty Slicker, Billie Jean Jones, Gloria Henson, Doris and Jeanie Jamison, Linda Fee, Bobbie Lee Miller, Joan Bearman and Patsy Lois McCrea and Masters Pat Fee, Donald Albright, Malcolm Locke, Tommie McMurray, Melvin Sandler, Yancey McCrea Jr., and Ford Hubbard.

THE REALIST.

I SPEAK to those who must no longer turn their eyes away from truth, nor stop their ears to fateful thunder. I stoke the mind's inferno. Out of slumber to the wakeful fears. Of here and now. (The newly sheathed sword rusts quietly, the homing soldier waits. To touch his foot to land his blood has bought. The word relaxes at the peaceful gates.)

Old troubles fester in the East, the North. The unrelenting future comes again. White towers topple, dust and flame roll forth. To touch the tinder of the human brain—I tell you, Peace goes well with watchfulness. And War is close beside us where we rest.

The strains of Mendelssohn's wedding march were heard as the bride entered on the arm of her uncle, Rev. E. H. Steyer, who gave her in marriage. Her gown was of white ninon voile over taffeta, made with three-quarter length sleeves and rounded neck-line. Her finger tip veil fell softly from a halo of white flowers. She carried a bouquet of white gladioli showered with sweet peas. Miss Edna Lou Prange, sister of the bride, was maid-of-honor and wore a gown of yellow net over taffeta. Her bouquet was of lavender stock. Miss Verna Prange, bridesmaid, wore a gown of blue taffeta and carried a bouquet of American Beauty stock, Little Judy Karou, niece of the bride, flower girl, scattered flowers before the bride. Carl Reich, brother of the bridegroom, acted as best man. Mothers of the bride and groom wore corsages of red rosebuds.

A reception in the home of the bride's mother followed the ceremony. The three-tier wedding cake, topped with miniature bride and groom, centered the table. The traditional first slice was cut by the bride and groom, after which Mrs. Henry Karou served the guests. Mrs. E. H. Steyer presided at the punch bowl. Others assisting with the serving were Miss Lorna Steyer, Sue Mobley, Bertha Reich and Mrs. J. S. Mobley. Miss Edna Lou Prange was in charge of the bride's book. Out-of-town guests were Mrs. Henry Karou and daughter Judy, Pembroke, Ontario, Can.; Rev. and Mrs. E. H. Steyer, Miss Lorna Steyer, Dallas; Miss Edna Lou Prange, Midland; Miss Sue Mobley and Joe Bentley, Archer City; Mr. and Mrs. Orville Hillberg and daughter, Abilene; Mrs. H. Bonke, Plainview; Mr. and Mrs. Albert Hohertz, Mr. and Mrs. Alvin Stephens and family, Tye, Texas. Mrs. Reich was reared in Cisco and graduated from Cisco high school. She has been office assistant for Drs. Clark & Ball for the last three years and will continue in that capacity. Lieutenant Reich is on terminal leave, and expects to soon receive his discharge. He recently returned from overseas. After a wedding trip to Canada the couple will be at home at 1500 E avenue, Cisco.

Mrs. W. C. Hogue, Mrs. Jack Lauderdale, Mrs. Robert L. Martin, Mrs. Bill Mitcham, Mrs. Ray Royall, Mrs. Paul M. Woods and Miss Polly McDaniel. The house was made gay for the occasion with decorations of cut flowers and blossoming potted plants. A color scheme of rose and pink was carried throughout the rooms and the dining table, overlaid with Normandy lace cloth, held a lovely floral centerpiece of pink carnations. Appointments were of silver. Guests were met by Mrs. C. H. Fee and Mrs. Alex Spears, who introduced the honoree and her mother Mrs. John W. Russell of Fort Worth. Mrs. Jack Lauderdale presided at the bride's book. They were then shown to the dining room for refreshments. Members of the house party took turns in serving the visitors with refreshments. Approximately 150 guests called during the hours which included the following from out-of-town: Mrs. John W. Russell, Mrs. H. B. Taliaferro, Mrs. C. B. Williams, Mrs. Ernest Bosl, Mrs. Guy Price, Mrs. Gayland McKinney, Mrs. Tom Bonner of Fort Worth; Mrs. Cyrus Frost Jr., of Eastland.

Reich son of Mrs. Oscar Reich, of near Cisco at Grace Lutheran church, Sunday, March 3 at 5 p. m. Rev. G. T. Naumann officiated in the single ring ceremony before an altar of greenery, spring flowers and white gladioli. For pre-nuptial music "Largo" was played softly on the organ by Miss Dolores Witt, Miss Witt and Miss Norma Prange, cousins of the bride, sang "Oh Perfect Love."

Why Don't We Have Lumber FOR HOME BUILDING?

There are plenty of trees, plenty of lumber mills, but very little lumber for Home Building. WHY? Here are the simple facts behind the lumber shortage—these facts are stopping Home Building: 1. Over 50% of our lumber was once cut by small mills. Thousands of these mills were put out of business during the war by OPA ceiling prices. OPA still clings to wartime policies and these mills are still out of business. 2. OPA's blind "hold the line" policies, plus lack of enforcement, have led to the development of a huge Black Market in lumber. "Black Market" lumber is lumber that costs the people more money than they would pay if lumber were flowing to them through the normal channels of distribution—the retail lumber dealer. 3. Wartime ceiling prices made it profitable for the lumber manufacturer to cut sizes of lumber suitable for war uses, but not suitable for home construction. As OPA continues this unrealistic policy, manufacturers continue to cut lumber sizes which are unsuitable for home construction. In some cases premium prices granted by OPA encouraged production of lumber not usable for Home Building. Proper peacetime adjustments have not yet been made to encourage production of home construction lumber such as flooring, ceiling, siding, millwork, plywood—all essential items in home construction. This situation affects all lumber production. 4. The manufacturers of lumber have been provided with a hidden premium on export lumber. The OPA has made it more profitable to produce lumber for export to foreign countries than to produce lumber for home construction. These are merely examples from the lumber field which indicate the type of OPA action that is blocking the production of home building materials in many fields. The fact remains that homes cannot be built by any industry or Government agency without materials. Homes cannot be built without lumber—whether that home be wood frame, brick, concrete, or stone. The lumber and building material dealers, and the contractors of the nation can build all the homes needed—if they have the materials. But the flow of materials must be unblocked. Only increased production of building materials can solve the so-called housing problem and the unrealistic pricing policy of OPA is the biggest present block to increased production! Any government program that does not FIRST remove the obstacles blocking production of materials will simply add additional difficulties to the problem facing the building industry.
