"I am able to say that Hitler died on April 30, between 2 and 3 p. m.," Kempka testified.

## Senior Group of Presbytery is at Lake Cisco Now

The Senior camp of Mid-Texas Presbytery is in session at the Presbyterian encampment grounds at Lake Cisco this week, July 1-6. This is an annual affair for these Presbyterian young people. The Pioneer group of the presbytery, 82 in number, spent last week at the camp.

Thirty-three young people are attending the camp, with Files Valley and Sweetwater with the largest representation of six each; Graham, Hillsboro, San Angelo are next with three each; Abilene, Fort Worth, Carlsbad, Brownwood and Talpa are represented by two each; Haskell and Handley have one each.

Gerald Ferguson of Graham has been elected camp president. He is a senior and plans to go to Mexico Military school and Texas A. & M. and major in petroleum engineering.

Rev. Eugene E. Wood, pastor of First Presbyterian church at Hillsboro, is the camp director.

Others assisting him are Rev. Stuart Rohre of Cisco, business manager; Rev. John Mueller of Coleman, Bible teacher; Mrs. Charles H. Clark, secretary of First Presbyterian church of Hillsboro, nurse and teacher; Rev. Steve Cook of Ballinger, director of athletics; Dr. B. O. Wood of San Angelo, vesper speaker; Miss Lena Clausell, acting director of religious education of Mid-Texas Presbytery.

Mrs. Isa Johnson of Cisco is the camp cook. Recreational activities such as boxing, swimming, baseball, pole pillow fighting and other activities will be high points at the camp, with only a few educational features.

The boys will camp on the picnic grounds in the park. They will bring most of their food from home and a cook has been employed.

Other county agents to participate will be Ralph Lindsey, Palo Pinto; N. R. Watkins, Breckenridge; W. M. Emmons, Albany; A. R. Grote, Jr., Baird.

## JESTER BE HERE EARLY JULY 12TH

Beauford H. Jester of Corsicana, now thought by many to be the leading candidate for governor in a field of thirteen aspirants, will arrive in Cisco at 8:15 a. m., July 12, for a thirty-minute speech.

The visitor's sound truck will be stationed in the street just north of Laguna Hotel, in order to take advantage of the shade provided by the building at that hour of the morning.

L. A. Warren of Cisco has been asked to introduce Mr. Jester and has agreed to do so.

Friends of Mr. Jester, former University of Texas regent and a four-square member of the Texas railroad commission, are asked to keep the day and hour in mind and be present to receive him in a manner befitting a good Texan and a Cisco guest.

Mr. Jester will speak in Ranger at 4:15 July 11, at Eastland at 8 p. m. the night of July 11 and will spend the night there. From Cisco he will go to Baird for a speech at 9:30 a. m., July 12.

## Fiery Bilbo Runs Far Ahead of All Four Opponents

JACKSON, Miss., July 3. (AP)—Mississippi voters today appeared to have endorsed Sen. Theodore G. Bilbo for a third term, but it was still possible that he would be forced into a runoff.

Bilbo held a lead of more than 38,000 votes over his nearest opponent, Tom Q. Ellis, but his majority over all four was only 2,719.

## Mrs. Nina Headrick is a Cisco Visitor Today

Mrs. Nina J. Headrick of Sweetwater, candidate for congress from this district, is a Cisco visitor and called at the Daily Press office this morning.

She will speak at Rising Star at 3:30 this afternoon, will spend tonight at the Laguna hotel, here, and will proceed to Eastland tomorrow. Mrs. Headrick plans to spend the remainder of this week in Eastland county. She met Mrs. A. J. Olson and Mrs. N. A. Brown.

MRS. NINA HEADRICK.

long-time co-workers in the State Federation of Women's clubs, this morning, and plans to meet other Ciscoans before her departure.

The visitor, widow of the late J. Roy Headrick, well known West Texas cattleman, is now serving her fourth term as a member of the board of directors of the Eastern Star home at Arlington, being vice chairman of the board.

In 1937 she was chairman of the women's division of the Democratic executive committee of the 1940 congressional district. In 1940 Mrs. Headrick served as supervisor of the federal census for this congressional district and traveled more than 10,000 miles in the district while training and directing the census enumerators.

**AUSTIN MILK UP.** ACSTIN, July 3. — The retail price of milk went up 2 cents a quart to 18 cents here today.

By United Press.

WASHINGTON, July 3. — Sen. Robert A. Taft today accused the administration of fostering a buying rush which would spur prices upward and support demands for revival of price controls.

Taft issued a statement shortly before entering a Senate Banking Committee session called to tackle the entire question of renewing price controls.

The Republican and Senate Democratic Leader Aiken W. Barkley of Kentucky already have exchanged tentative suggestions for a bill which would be acceptable to both Congress and the White House.

"Chester Bowles and others of the Truman administration are issuing hysterical statements to force a buying rush, and thus a sudden price increase, as propaganda for their OPA position," Taft said.

"If they continue along this line of virtually urging people to rush out and compete for what goods are on the market, in fear that prices may be higher tomorrow, they will be guilty of a crime against the American people."

The Banking Committee finally received today stop-gap legislation to revive OPA until July 20. But Taft said Republicans would ask the group to go to work on a permanent bill based on the measure vetoed by Mr. Truman last week.

The Senate has decided to work on a permanent extension bill despite House approval of the stop-gap measure.

## Vet Organization Has Largest Insurance Business

Veterans contemplating conversion of their GI insurance to the 20-payment plan should be sure they can pay the relatively high premiums in the future, the Veterans Administration warns.

The 20-payment plan is the most costly and, so far, the most popular of the permanent insurance plans offered by the government, said Earl L. Jolly, contact representative from the Mineral Wells VA office. Since all NSLI policies issued prior to January 1, 1946, do not have to be converted until eight years from date of issue, veterans should not be hasty in converting to any permanent plan, Jolly added.

The greatest number of lapses has been among those choosing the 20-payment plan, he said. Too often, he explained, veterans over-estimate their earnings and are unable to keep up the premiums.

"The veteran should first be reasonably certain about his economic status before he converts to any permanent type of insurance," Jolly pointed out.

"When he believes he is in a position to convert, he should exercise a good deal of judgment and take sufficient time to analyze his insurance needs."

"He then should select the type of insurance that will best adapt itself to his individual requirements, considering both protection for his family and financial ability to pay the premiums."

As of May 31, nearly 300,000 veterans had converted their GI insurance to permanent plans. Of this number, 165,000 chose 20-pay life; 33,000 30-pay life; and 32,000 ordinary life.

In addition, there were some 60,000 conversions that had not been tabulated.

Legislation now pending in congress would permit conversion of NSLI term insurance to additional types of permanent insurance. Most veterans, wisely enough, Mr. Jolly believes, are continuing to pay term premiums on their insurance, waiting for a more favorable moment to change it to a permanent form.

With almost 50 billion dollars of insurance protection outstanding, the Veterans Administration is now handling the world's largest insurance business.

## Bird-shot Treatment Would Have Stopped Rioters

GATESVILLE, Tex., July 3. (AP)—Home-made hooch was partially blamed today by Col. R. G. Dunn, commandant of the North Camp Hood Disciplinary Barracks, for the riot of 200 army prisoners Saturday night.

Six of the prisoners, some of the army's toughest criminals, were in solitary confinement today, Col. Dunn said, for their part in burning buildings, stoning guards and trying for a break.

**GILMER IN RUNOFF.**

## Man Badly Bruised Cisco Plans to When His Horse Decorate Streets Rolled Over Him For Homecoming

W. M. Isenhower, one of Cisco's good citizens, is recovering at his home here from a painful accident at his ranch near Dohan, Monday. While riding a horse, the animal stumbled and Mr. Isenhower alighted, hoping to help the animal regain its feet. However, the horse fell, knocking Isenhower to the ground and rolling over him.

A Wesley Isenhower, who was some distance away, hurried to his father and found him unconscious. The young man rode to where they had parked their car and, after the elder Isenhower had regained consciousness, brought him to Graham sanitarium in Cisco for treatment.

An x-ray examination showed no bones broken, but he was badly bruised and suffered for several hours from the severe shock.

**OVERRIDE RUSSIA.**

NEW YORK, July 3. (AP)—The United Nations Atomic Energy Commission today overrode objections of Soviet Delegate Andrei Gromyko and agreed to conduct its business by a simple majority of seven, rather than the two-thirds majority urged by Russia.

Cisco streets will be decorated for the Homecoming celebration of August 11, 12, 13, under the plan adopted by the American Legion. The Legion will enlist the cooperation of all merchants in this plan, which will give a gala atmosphere—and a proper atmosphere—to the city during the three-day festivities.

Contributions from merchants ranging from \$2.50 to \$5, depending on footage, will be requested to finance the decorations. Solicitation will begin this week.

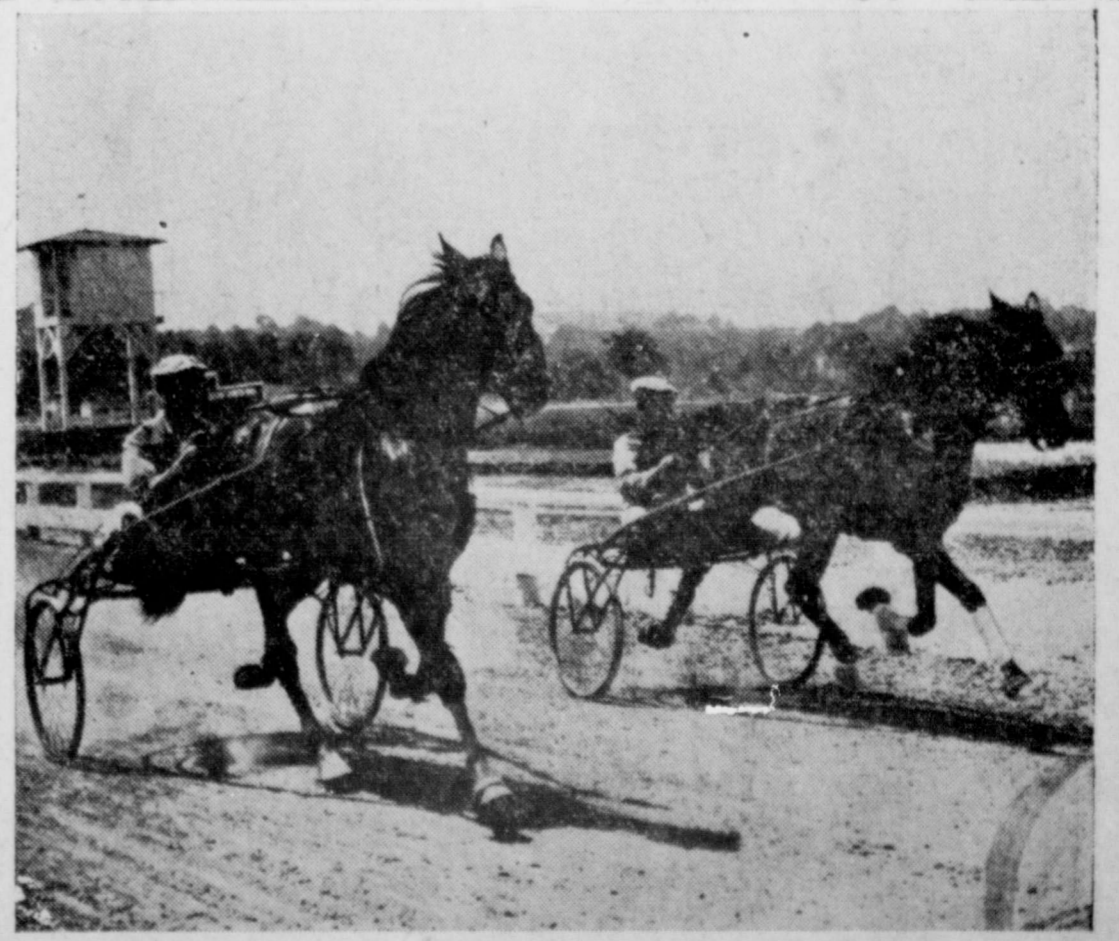

The scheme of decoration calls for dressing up D avenue from Third to Fourteenth street in streamers, flags and bunting. Out-runners from this main stream of decorations will include Ninth, Eighth, Seventh and Sixth streets in the business area.

The decorations will be put in place at least a week before the opening of the celebration, in order that the fullest advertising benefits may be obtained.

WOMEN'S CHALLENGE.

More than three thousand American women who gathered in Chicago last week for the General Federation of Women's Clubs' convention heard international leaders emphasize the duty of women to keep the peace.

The new British ambassador to the United States, Lord Inverchapel, praising the war contribution of Britain's seven million women, said: "Women fought for peace, and want to keep it."

Secretary of the Soviet Embassy, Mme. Koltsova, in the name of all Soviet women pled for "strengthening the bonds of friendship that we may all live together as one family of nations."

This is an irrefutably logical challenge to the world's women who, through the ages, have borne the consequences of battle without

any voice in the causes. Club women of America, organized, intelligent and with considerable leisure time, could find no better subjects for their programs than studies which would forward international knowledge and understanding.

ATTITUDE TOWARD RUSSIA.

There is a new note of plain speaking regarding Russia. It is reported frankly that Molotov wants Trieste added to Soviet-dominated Yugoslavia because thereby Russia will gain an Adriatic port, second best thing to a coveted Mediterranean toehold.

The deal by which American troops are to be withdrawn from Italy in return for Russian troops withdrawn from Bulgaria is criticized. Why should more consideration be given Axis-inclined Bulgaria than, say, Czechoslovakia or Romania, which came in with the United Nations at great loss of life?

Though England, China and the United States favor the four-power 25-year disarmament pact for Japan, Russia has not expressed herself. She did reject and belittle a similar plan, suggested by Secretary Byrnes, for Germany. If Russia does cooperate in such a scheme for Japan, there will be no disposition on the part of the other three powers to tolerate the play for Soviet domination that has been going on in Germany.

No one wants to foment anti-Russian sentiments. But on the other hand, the world is getting tired of Russian cockiness that disrupts all conferences set to form the peace.

DENTAL PROGRESS.

An experiment in checking tooth decay is going on simultaneously among school children in Newburg, N. Y., Grand Rapids, Mich., and a county in south-eastern Ohio. Children between seven and 15 are having half of their teeth treated with fluoride in a six-month study conducted by the United States Public Health Service under Dr. D. J. Galagan, dental surgeon.

As an out-growth of war-time tests on service men, it was discovered that fluoride, administered in limited amounts, prevented tooth decay, particularly in immature teeth. This study attempts to confirm such experiments.

"DO YOU LOVE ME" TECHNICAL HIT MUSICAL DUE HERE.

Hailed as the once in a lifetime, love-time musical romance, "Do You Love Me," 20th Century Fox's brilliant Technicolor hit starring Maureen O'Hara, Dick Haymes and Harry James opens Thursday at the Palace Theater.

The song-and-thrill-packed story of a girl who said "Yes" once too often presents Maureen O'Hara as a shy, bespectacled and conservative music school dean who comes to town in search of a guest conductor but becomes "littivated" instead. One thing leads to another when Harry James falls in love with her and Dick Haymes takes the words—and music—right out of his trumpet.

Four new song hits including "I Didn't Mean A Word I Said," "Do You Love Me," "Moonlight Propaganda" and "As If I Didn't Have Enough On My Mind" are introduced by Dick Haymes and Harry James and his Music Makers. The film was directed by Gregory Ratoff and produced by George Jessel.

### WOMEN CHURCH GROUP ORGANIZED CIRCLE.

The Cisco circle of Women's Auxiliary of the County Episcopal Church was organized Tuesday afternoon at the home of Mrs. Don Choate, with Pat Murphy, representative of the diocese of Dallas, assisting.  
Mr. Murphy opened the meeting by leading the group in prayer and then outlined a suggested program of activities for the year. Officers were elected as follows: President, Mrs. Don Choate; vice president and program chairman, Mrs. Chas. Roberts; secretary, Mrs. Sutton Crofts; treasurer, Mrs. Buck Overall. Mr. Murphy then turned the meeting over to Mrs. Choate.  
It was voted to meet twice monthly in Cisco and to hold joint meetings with the Eastland and

Ranger circles of the auxiliary several times a year. The name chosen by the group was "St. Anne's Circle," reviving the name of an early Episcopal circle which was organized in Cisco.  
Immediate problems were discussed and it was voted to cooperate with members from the other towns in serving a box luncheon following the service next Sunday, at which Bishop Mason of Dallas will officiate.  
After the business meeting, refreshments were served to the following members: Mmes. C. A. Gross, Charles Roberts, Robert Beale, Buck Overall, C. E. Paul, A. R. Westfall Jr., E. E. Jones, Don Choate, Sutton Crofts and Pat Murphy.

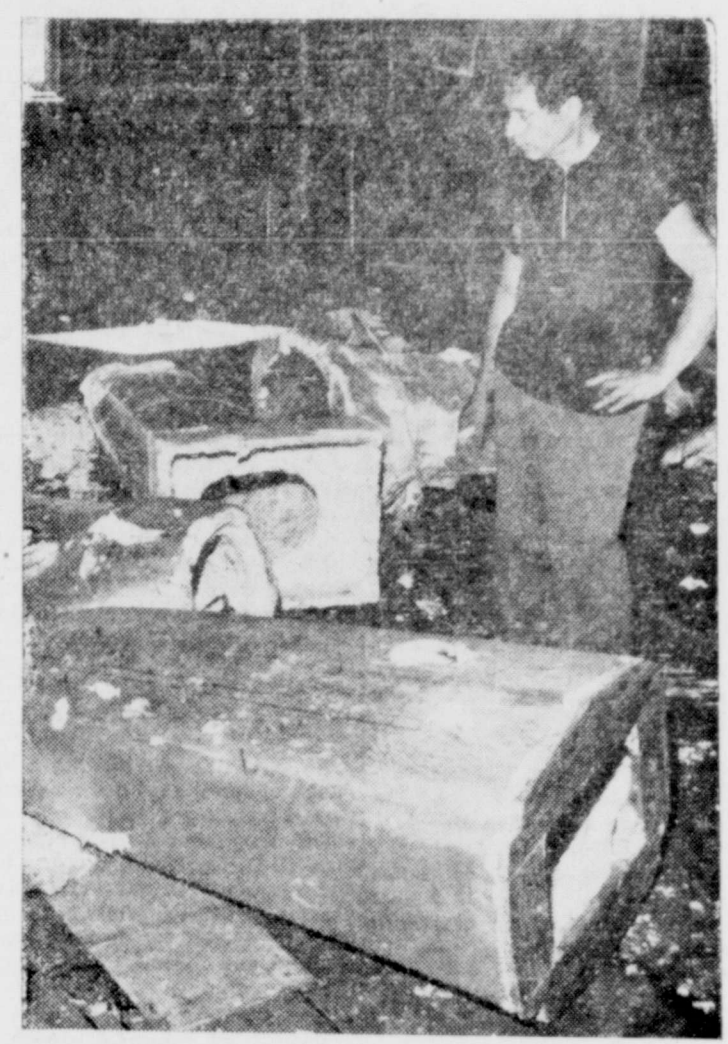

**HARVESTERS CLASS IN C. P. COLE HOME,**  
Mrs. C. P. Cole was hostess Monday night when members of Harvesters Sunday school class of which she is teacher, met in her home for business and social meeting. Mrs. Barton Philpott presided and opened the meeting with prayer by Mrs. Cole.  
Minutes of previous meeting were omitted, due to absence of the secretary. New officers were elected for the next three months, as follows: President, Mrs. Walton Baum; first vice president, Mrs. Frank Ratliff; second vice president, Mrs. Steel; secretary, Mrs. J. A. Ferrell; assistant, Mrs. Jay Warren; associate teacher, Mrs. C. C. Harris; reporter, Mrs. Jay Warren. The business meeting was closed by prayer and a social hour was enjoyed.  
Members wore their dresses backward as had been requested which caused much fun, as did their childhood photographs, which had been brought for inspection. Some of the photos were considered a good likeness to the adult into which the child had grown; others did not show a resemblance to the owner now. Two of the group, Mrs. Cole and Mrs. R. H. Williams reneged on the unique wearing of their dresses.  
Refreshments of punch and cookies were served by the hostess to Mrs. Walton Baum, Mrs. D. D. Westfall, Mrs. J. A. Ferrell, Mrs. C. C. Harris, Mrs. Jay Warren, Mrs. R. H. Williams, Mrs. Barton Philpott, Mrs. Ray Judia, Mrs. W. L. Pippen, Mrs. Steel, and a visitor Mrs. D. C. Harper.

**SURPRISE PARTY FOR ELLA GWEN WADDELL.**  
A surprise birthday party was given Monday evening by Mrs. James Waddell, honoring her daughter Miss Ella Gwen Waddell on her 15th birthday. The house was made festive with bouquets of seasonal cut flowers arranged attractively about the rooms used for the occasion.  
Guests arrived promptly at the appointed hour and when the honoree, who had been sent on an errand, came in and saw her friends gathered there, she was indeed happily surprised.  
A lovely decorated birthday cake which centered the lace covered dining table, was cut by the hostess and was served with ice

cream to the group. They were then taken in cars to Eastland where they saw the evening feature at the picture show. A "Happy Birthday" was indeed spent by the honoree and her party of friends.  
Those present were Misses Ella Gwen Waddell, Betty Jo Thurman, Wilda Dunn, Anna Belle Trigg, Frances Surles, Earline Steel, Doris Johnson, Margie Warren and the chaperone, Mrs. James Waddell.

**Many Never Suspect Cause of Backaches**  
This Old Treatment Often Brings Happy Relief  
Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.  
When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.  
Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
