Jester Leads for Governor; Runoff With Rainey Sure

CROSSLEY SEEMS TO HAVE WON

By United Press

DALLAS, July 27. — The next governor of Texas will be Beauford Jester, former farm boy, or Dr. Homer F. Rainey, baseball-player educator and Baptist pastor, it appeared definite tonight in mounting returns from a hectic statewide Democratic primary election.

Tabulations pyramiding in from the Panhandle to the Gulf Coast after record voting — featured by a flood of Negro ballots — also made it plain that it will take a runoff election on August 24 to decide the final winner.

The curly-haired and handsome Jester — member of the oil-regulating Texas Railroad Commission — said tonight as 11 p. m. official returns showed him with a lead of nearly 21,000 votes, that a runoff appeared certain.

Dr. Rainey, deposed head of Texas University and champion of academic freedom, also conceded a runoff and said in a statement to United Press that he would win "a triumphant victory."

Others in the 12-man race were trailing far behind, but the two leaders were so close on a percentage basis it seemed definite neither could capture a clear majority and the nomination — which in the Texas portion of the Solid South means election.

Overshadowed by the madcap political show which featured the race for the governorship, U. S. Sen. Tom Connally, veteran Senate Foreign Relations expert, won renomination tonight by an overwhelming majority.

Jester, 53, a small city lawyer and radio station owner, who started life on a Texas farm, was ahead from the first precinct on.

His plurality mounted during the night, but he clung to around 39 per cent of the total votes counted without change.

Rainey slipped to 22.9 per cent of the total at 11 p. m. but the 11.6 per cent gained by third-running Atty. Gen. Grover Sellers and the nearly 9 per cent held by Lt. Gov. John Lee Smith and war veteran Jerry Sadler throughout the tabulations, made it almost certain Jester could not gain 51 per cent of the final total.

MONROE, Ga., July 27. — The number of police cases under treatment here rose to 93 Saturday with the admittance to City-County hospital of Thomas Robert Lauderdale, 9, son of Mr. and Mrs. Charles Lauderdale of Sunset. Admittance of the child brought to 20 the number of patients from outside of Tarrant county who are being treated here.

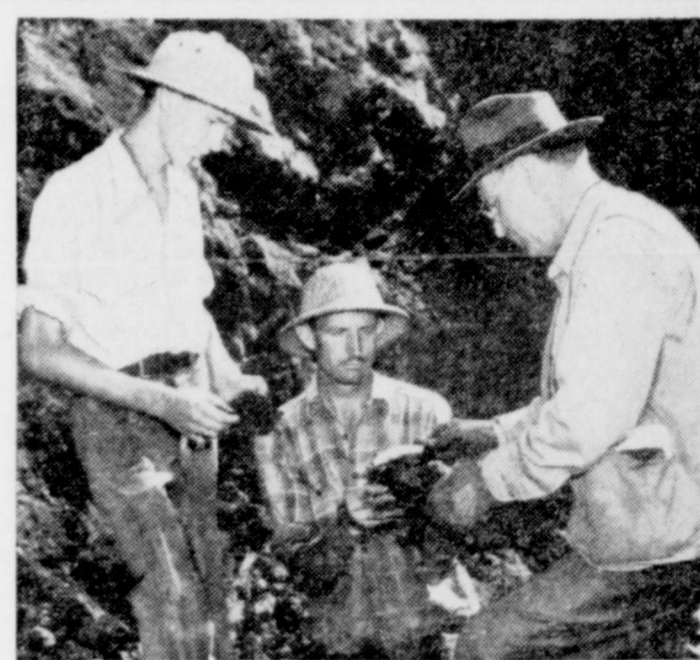

FT. WORTH, July 27. — The number of police cases under treatment here rose to 93 Saturday with the admittance to City-County hospital of Thomas Robert Lauderdale, 9, son of Mr. and Mrs. Charles Lauderdale of Sunset. Admittance of the child brought to 20 the number of patients from outside of Tarrant county who are being treated here.

WASHINGTON, July 27. — It's safe guess next tax legislation will reduce rates, despite president's threat of higher taxes if necessary to combat inflation.

Republicans already are promising 20 per cent tax cut next year, and Democrats will have to compete lest Republicans ride that issue to point of forcing president to veto popular tax relief measure.

One possible Democratic proposal: Permit married couples in all states to divide earnings for tax purposes, as is already done in community property states.

Look for GOP fall campaigns to drop customary "Communist" charges against Administration. Party strategists say if that line wouldn't work against Roosevelt it certainly won't against Truman. Republicans will try hard to develop campaign arguments from current war frauds investigation.

SKULL HUNTING IN CALIFORNIA—Only this is the skull of a saber-tooth tiger, and it's been preserved in tar pits near Los Angeles for 50,000 years. It was the first major archaeological discovery in the pits in 30 years. Finders are, left to right, David Packer, James Shelton and Chester Stock.

Westiders Will Vote as Unit in Co. Convention

West Side Democrats did not hold a convention Saturday afternoon, but at City Hall Fred Grist, precinct chairman, called the meeting to order promptly at 2:30 and then stepped aside as per custom.

Tom Stark was unanimously elected chairman after Judge Eugene Lonkford withdrew his name for that position.

Chairman Stark then appointed the following committees: Resolutions — F. D. Wright, W. J. Armstrong and Oscar Cliett.

To Select Delegates to County Convention — F. E. Shockley, Yancey McCrea and Karl Armstrong.

Resolutions Adopted. 1. That we oppose the re-establishment of the FEPC.

2. That we oppose the efforts of the CIO-PAC to dominate Texas politics.

3. That we favor the right of the Democratic party to exclude Negroes from the primary elections.

4. That we favor the immediate termination of all unnecessary budget items that were created as war measures, and reduction of unnecessary governmental expenditures.

5. We favor the right of any citizen to work at a job of his own choosing, without being required to belong to any organization against his will.

6. We condemn the strife now existing in the Democratic party in Texas, as well as the efforts of the so-called New Deal Democrats or the Texas Regulars.

7. That our delegates to the county convention be required to vote as a unit.

8. That we endorse the national Democratic administration.

Delegates Named. F. D. Wright, Mrs. C. C. Jones, R. L. Ponsler, J. M. Flournoy, Judge Eugene Lonkford, Will St. John, W. J. Armstrong, Oscar Cliett, Mary Jane Butts, Connie Davis, Mr. and Mrs. J. Harry Reynolds, Fred T. Grist, R. E. Grantham, Tom B. Stark.

Alternates — F. E. Shockley, Edward Lee, Karl Armstrong, Yancey McCrea, Luther McCrea, Arch Bint, Henry Stubblefield, Charles J. Kleiner, Doc Cabaness.

Prices of Autos Restored to the June 30 Level

WASHINGTON, July 27. — Ceiling prices of both new and used automobiles are restored to June 30 levels, OPA announced Saturday, although higher prices on new automobiles will be issued shortly.

Pending announcement of new price schedules, all transactions must conform to the June 30 ceilings "even in case where the buyer agreed during the interim, when price controls were off, to pay in excess of the ceiling and make a down payment," the agency ruled.

Ceilings of used cars were dropped 4 per cent as of July 1, a reduction which became effective automatically with the OPA revival act. This was the regular semi-annual reduction to take account of depreciation.

The forthcoming ceiling on new cars — which some officials estimate will advance prices approximately \$100 on popular price models — are based on a requirement of the new law restoring dealers' pre-war profit margins which OPA had reduced.

OPA Administrator Porter predicted the new price law will "prevent a runaway inflation" but warned that some prices — particularly of clothing — are going to climb.

Bevins III; Atlee to Substitute at Paris Conference

PARIS, July 27. — The twenty-one nations which won the war in Europe assembled tonight in an atmosphere overshadowed by the sudden news that illness is preventing Foreign Secretary Ernest Bevin of Britain from attending Monday's opening session of the peace conference which will fix the terms of peace for Italy and four Axis satellites.

Prime Minister Clement R. Atlee is coming in Bevin's place.

Bathing Beauty US. Note to Reds Revue of Aug. Should Give Them 12 Shaping Up Food For Thought

The Bathing Beauty Revue to be staged at Lake Cisco the night of August 12, in connection with the Homecoming celebration, is whipping into shape rapidly and should be one of the celebration's most interesting features, said Mrs. Lewis Starr, revue chairman. The affair will begin promptly at 7:30 o'clock.

The first part of the program, said Mrs. Starr, will be a Kiddie Revue, with a large number of Cisco children between the ages of three and seven as participants.

The second part will be the revue for young ladies and a number of Cisco business houses will be represented by local girls. There will also be girls from several of the surrounding towns.

Those merchants and business men who have not been contacted by the Revue committee, and who wish to have an entry in the revue, are asked to telephone Mrs. Starr. Any girl wishing to take part in the revue may also see Mrs. Starr or phone the chamber of commerce.

WASHINGTON, July 27. (U.P.)—Russia today stood indicted by the United States for stripping large quantities of food and industrial equipment from Hungary and of being largely responsible for the present economic chaos in the Balkan nation.

In a blistering, 1500-word note made public last night, the State Department accused Russia of refusing to cooperate with British and American representatives on Hungarian matters.

The Soviets also were charged with sacking most of Hungary's foodstuffs for the Red army, and of removing \$124,200,000 worth of Hungarian industrial equipment.

The note was handed to Russian Foreign Minister V. M. Molotov by U. S. Ambassador to Moscow Walter Bedell Smith.

It was the second American note on the Hungarian situation, the first having been delivered on March 2.

The March note asked for immediate Russian cooperation with the British and American representatives in Budapest, and the new note made the same request.

OPA Board to Decide by Aug. 21 About Key Foods

WASHINGTON, July 27. (U.P.)—President Truman today named the three-man decontrol board that will exercise final authority over the revived but weakened OPA.

Under the new OPA bill, the board will decide by Aug. 21 whether key foods go back under ceilings.

Mr. Truman's appointees on the board — subject to confirmation by the Senate — were Roy L. Thompson, of New Orleans; Daniel W. Bell, former undersecretary of the treasury; George H. Mead of Dayton, Ohio.

Chairman Robert F. Wagner, D., N. Y., of the Senate Banking committee, scheduled a hearing for Monday on the president's nominations.

"It looks like a good board," Wagner said. "The president must have had quite a time getting them to serve."

Price Administrator Paul Porter said he was "gratified" at the president's appointments to the board.

CONGRESS QUILTS AUG. 2.

WASHINGTON, July 27. (U.P.)—The 79th Congress tonight set its sights on Friday, Aug. 2 as its final adjournment date to allow members to hit the campaign trails or relax at home in the first extended congressional vacation in almost seven years.

Broker Obtained War Property Reserved for Vets

WASHINGTON, July 27. (U.P.)—Benjamin Field, a prominent figure in the Senate war profits investigation, was asked by another congressional committee today to explain how he obtained surplus war property supposedly reserved for veterans housing.

At the same time, the portly public relations man was cited again by the Senate War Investigation Committee — this time in connection with evidence that a Detroit firm reportedly sought a war contract through Field's Washington "brokerage" office.

Byrnes Will Seek World Peace Based on the 2 Charters

WASHINGTON, July 27. (U.P.)—Secretary of State James F. Byrnes left by plane for the Paris conference today with orders from President Truman to seek a world peace "founded on the Atlantic Charter and the United Nations Charter."

Mr. Truman's personal plane the Sacred Cow, took off from National airport at 11:20 a. m. CST., to carry Byrnes, his wife and ace diplomatic advisers to the 21-nation parley.

On the face of the county returns at 1 o'clock this morning it appears that Crossley has been elected county judge over Hart by some 300 votes.

DALLAS, July 27. — The next governor of Texas will be Beauford Jester, former farm boy, or Dr. Homer F. Rainey, baseball-player educator and Baptist pastor, it appeared definite tonight in mounting returns from a hectic statewide Democratic primary election.

Tabulations pyramiding in from the Panhandle to the Gulf Coast after record voting — featured by a flood of Negro ballots — also made it plain that it will take a runoff election on August 24 to decide the final winner.

The curly-haired and handsome Jester — member of the oil-regulating Texas Railroad Commission — said tonight as 11 p. m. official returns showed him with a lead of nearly 21,000 votes, that a runoff appeared certain.

Dr. Rainey, deposed head of Texas University and champion of academic freedom, also conceded a runoff and said in a statement to United Press that he would win "a triumphant victory."

Others in the 12-man race were trailing far behind, but the two leaders were so close on a percentage basis it seemed definite neither could capture a clear majority and the nomination — which in the Texas portion of the Solid South means election.

Overshadowed by the madcap political show which featured the race for the governorship, U. S. Sen. Tom Connally, veteran Senate Foreign Relations expert, won renomination tonight by an overwhelming majority.

Jester, 53, a small city lawyer and radio station owner, who started life on a Texas farm, was ahead from the first precinct on. His plurality mounted during the night, but he clung to around 39 per cent of the total votes counted without change.

Rainey slipped to 22.9 per cent of the total at 11 p. m. but the 14.6 per cent gained by third-running Atty. Gen. Grover Sellers and the nearly 9 per cent held by Lt. Gov. John Lee Smith and war veteran Jerry Sadler throughout the tabulations, made it almost certain Jester could not gain 51 per cent of the final total.

PEOPLE AFRAID TO TALK.

MONROE, La., July 27. (U.P.)—Gov. Ellis Arnall today offered rewards up to \$10,000 for the "mob of desperadoes" which lynched four Negroes near here Thursday. A state official seeking the killers said he was "up against a stone wall because the people are afraid to talk."

934 POLIO CASE.

FT. WORTH, July 27. — The number of polio cases under treatment here rose to 93 Saturday with the admittance to City-County hospital of Thomas Robert Lauderdale, 9, son of Mr. and Mrs. Charles Lauderdale of Sunset. Admittance of the child brought to 29 the number of patients from outside of Tarrant county who are being treated here.

Legislation to Cut Tax Rate Is Thought Certain

WASHINGTON, July 27. — It's safe guess next tax legislation will reduce rates, despite president's threat of higher taxes if necessary to combat inflation.

Republicans already are promising 20 per cent tax cut next year, and Democrats will have to compete lest Republicans ride that issue to point of forcing president to veto popular tax relief measure.

One possible Democratic proposal: Permit married couples in all states to divide earnings for tax purposes, as is already done in community property states.

Look for GOP fall campaigns to drop customary "Communist" charges against Administration. Party strategists say if that line wouldn't work against Roosevelt, it certainly won't against Truman. Republicans will try hard to develop campaign arguments from current war frauds investigation.

House and Shivers Neck and Neck for Lieut. Governor

DALLAS, July 27. (U.P.)—Returns to Texas Election Bureau at 11 p. m. from 83 out of 254 counties in the state, including four complete, show totals for the following candidates in Saturday's primary:
Lieut. Governor — House 37,665, Mills, 9,786, Shivers 39,354, Walker 8,015, Winfree 18,496.
Attorney General — Daniel 59,871, Neff 56,803.
Railroad Comm.—Coker, 20,882, Culberson 61,263, Lyons 5,864.
Agriculture Comm.—Chambers 17,806, Hill 15,411, J. E. McDonald 31,595, R. E. McDonald 21,878.

Congress, 17th Dist.
Five out of 12 counties — Blanton 1,410, Bradbury 1,293, Burleson 1,339, Headrick 745, Herring 551, Miles 1,140, Sandefer 668, Wagstaff 840.

TIDELANDS BILL APPROVED.

WASHINGTON, July 27. (U.P.)—The House today gave its final approval to the controversial Tidelands Title bill, sending it to the White House for action by President Truman.

AUTOMOBILES, believe it or not, prompted this picture. Gwen Jones, a secretary to the Kaiser-Frazer Corp., Willow Run, Mich., plant, looks over some upholstery fabrics which she probably figures would make a nice fall frock.

Bathing Beauty US. Note to Reds Revue of Aug. Should Give Them 12 Shaping Up Food For Thought

The Bathing Beauty Revue to be staged at Lake Cisco the night of August 12, in connection with the Homecoming celebration, is whipping into shape rapidly and should be one of the celebration's most interesting features, said Mrs. Lewis Starr, revue chairman. The affair will begin promptly at 7:30 o'clock.

The first part of the program, said Mrs. Starr, will be a Kiddie Revue, with a large number of Cisco children between the ages of three and seven as participants.

The second part will be the revue for young ladies and a number of Cisco business houses will be represented by local girls. There will also be girls from several of the surrounding towns.

Those merchants and business men who have not been contacted by the Revue committee, and who wish to have an entry in the revue, are asked to telephone Mrs. Starr. Any girl wishing to take part in the revue may also see Mrs. Starr or phone the chamber of commerce.

OPA Board to Decide by Aug. 21 About Key Foods

WASHINGTON, July 27. (U.P.)—President Truman today named the three-man decontrol board that will exercise final authority over the revived but weakened OPA.

Under the new OPA bill, the board will decide by Aug. 21 whether key foods go back under ceilings.

Mr. Truman's appointees on the board — subject to confirmation by the Senate — were Roy L. Thompson, of New Orleans; Daniel W. Bell, former undersecretary of the treasury; George H. Mead of Dayton, Ohio.

Chairman Robert F. Wagner, D. N. Y., of the Senate Banking committee, scheduled a hearing for Monday on the president's nominations.

"It looks like a good board," Wagner said. "The president must have had quite a time getting them to serve."

Price Administrator Paul Porter said he was "gratified" at the president's appointments to the board.

CONGRESS QUITS AUG. 2.

WASHINGTON, July 27. (U.P.)—The 79th Congress tonight set its final adjournment date to allow members to hit the campaign trails or relax at home in the first extended congressional vacation in almost seven years.

WASHINGTON, July 27. (U.P.)—Russia today stood indicted by the United States for stripping large quantities of food and industrial equipment from Hungary and of being largely responsible for the present economic chaos in the Balkan nation.

In a bristling, 1500-word note made public last night, the State Department accused Russia of refusing to cooperate with British and American representatives on Hungarian matters.

The Soviets also were charged with sacking most of Hungary's foodstuffs for the Red army, and of removing \$124,200,000 worth of Hungarian industrial equipment.

The note was handed to Russian Foreign Minister V. M. Molotov by U. S. Ambassador to Moscow Walter Bedell Smith.

It was the second American note on the Hungarian situation, the first having been delivered on March 2.

The March note asked for immediate Russian cooperation with the British and American representatives in Budapest, and the new note made the same request.

Broker Obtained War Property Reserved for Vets

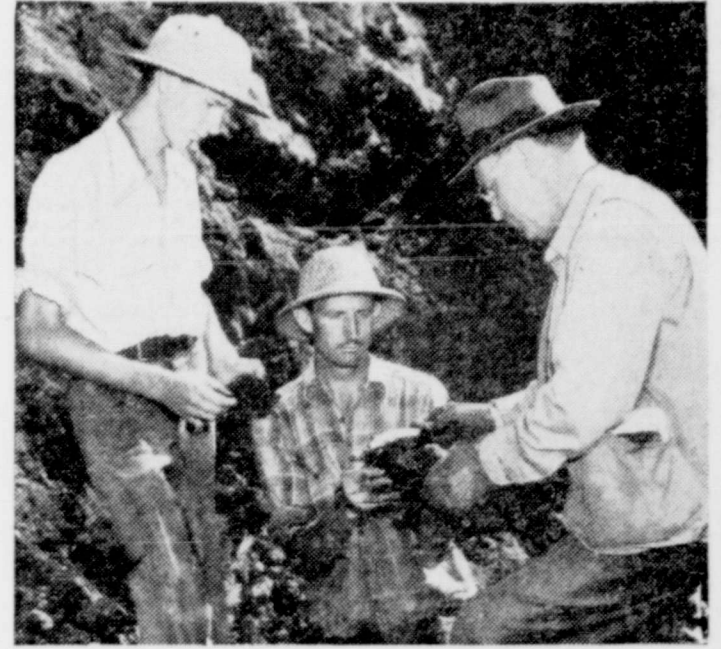

WASHINGTON, July 27. (U.P.)—Benjamin Field, a prominent figure in the Senate war profits investigation, was asked by another congressional committee today to explain how he obtained surplus war property supposedly reserved for veterans housing.

At the same time, the portly public relations man was cited again by the Senate War Investigating Committee — this time in connection with evidence that a Detroit firm reportedly sought a war contract through Field's Washington "brokerage" office.

Byrnes Will Seek World Peace Based on the 2 Charters

WASHINGTON, July 27. (U.P.)—Secretary of State James F. Byrnes left by plane for the Paris conference today with orders from President Truman to seek a world peace "founded on the Atlantic Charter and the United Nations Charter."

Mr. Truman's personal plane the Sacred Cow, took off from National airport at 11:20 a. m. CST, to carry Byrnes, his wife and ace diplomatic advisers to the 21-nation parley.

SKULL HUNTING IN CALIFORNIA—Only this is the skull of a saber-tooth tiger, and it's been preserved in tar pits near Los Angeles for 50,000 years. It was the first major archaeological discovery in the pits in 30 years. Finders are, left to right, David Packer, James Shelton and Chester Stock.

Westiders Will Vote as Unit in Co. Convention

West Side Democrats did not hold a convention Saturday afternoon, but at City Hall Fred Grist, precinct chairman, called the meeting to order promptly at 2:30 and then stepped aside as per custom.

Tom Stark was unanimously elected chairman after Judge Eugene Lonkford withdrew his name for that position.

Chairman Stark then appointed the following committees:
Resolutions — F. D. Wright, W. J. Armstrong and Oscar Cliett.

To Select Delegates to County Convention—F. E. Shockey, Yancey McGree and Karl Armstrong.

Resolutions Adopted.
1. That we oppose the re-establishment of the FEPC.

2. That we oppose the efforts of the CIO-PAC to dominate Texas politics.

3. That we favor the right of the Democratic party to exclude Negroes from the primary elections.

4. That we favor the immediate termination of all unnecessary bureaus that were created as war measures, and reduction of unnecessary governmental expenditures.

5. We favor the right of any citizen to work at a job of his own choosing, without being required to belong to any organization against his will.

6. We condemn the strife now existing in the Democratic party in Texas, whether brought about by the so-called New Deal Democrats or the Texas Regulars.

7. That our delegates to the county convention be required to vote as a unit.

8. That we endorse the national Democratic administration.

Delegates Named.
F. D. Wright, Mrs. C. C. Jones, R. L. Ponsler, J. M. Flournoy, Judge Eugene Lankford, Will St. John, W. J. Armstrong, Oscar Cliett, Mary Jane Butts, Connie Davis, Mr. and Mrs. J. Harry Reynolds, Fred T. Grist, R. E. Grantham, Tom B. Stark.

Alternates — F. E. Shockey, Edward Lee, Karl Armstrong, Yancey McGree, Luther McCrea, Arch Bint, Henry Stubblefield, Charles J. Kleiner, Doc Cabaness.

Prices of Autos Restored to the June 30 Level

WASHINGTON, July 27. — Ceilings of prices of both new and used automobiles are restored to June 30 levels, OPA announced Saturday, although higher prices on new automobiles will be issued shortly.

Pending announcement of new price schedules, all transactions must conform to the June 30 ceilings "even in case where the buyer agreed during the interim, when price controls were off, to pay in excess of the ceiling and made a down payment," the agency ruled.

Ceilings of used cars were dropped 4 per cent as of July 1, a reduction which became effective automatically with the OPA revival act. This was the regular semi-annual reduction to take account of depreciation.

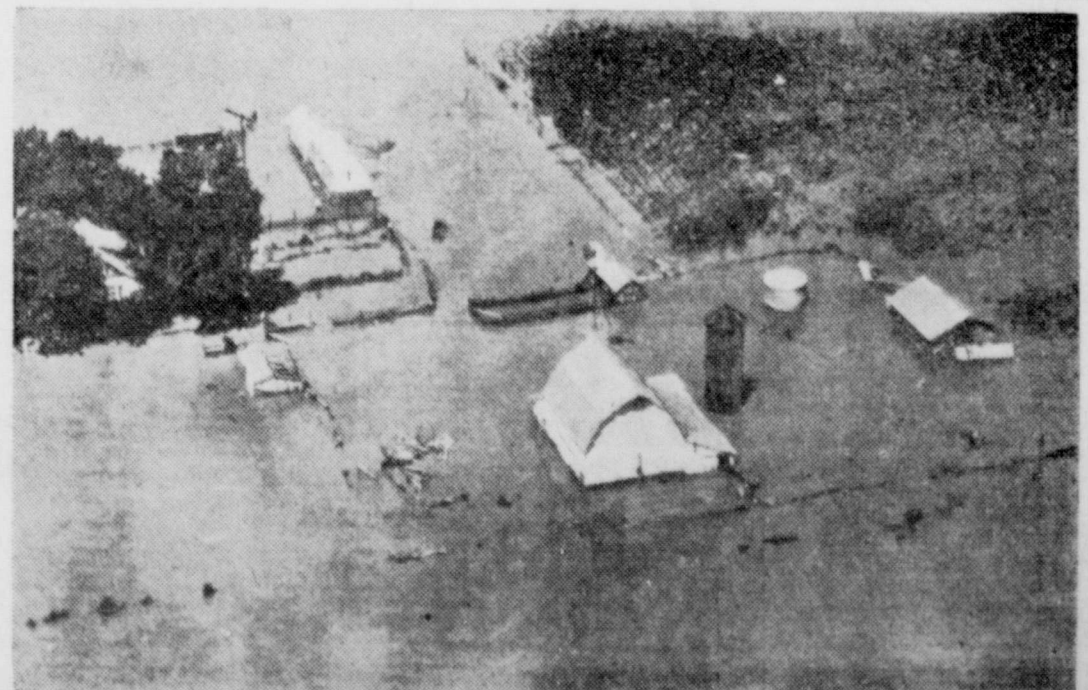

The forthcoming ceiling on new cars — which some officials estimate will advance prices approximately \$100 on popular price models — are based on a requirement of the new law restoring dealers' pre-war profit margins which OPA had reduced.

OPA Administrator Porter predicted the new price law will "prevent a runaway inflation" but warned that some prices — particularly of clothing — are going to climb.

Bevins Ill; Atlee to Substitute at Paris Conference

PARIS, July 27. (U.P.)—The twenty-one nations which won the war in Europe assembled tonight in an atmosphere overshadowed by the sudden news that illness is preventing Foreign Secretary Ernest Bevin of Britain from attending Monday's opening session of the peace conference which will fix the terms of peace for Italy and four Axis satellites.

Prime Minister Clement R. Atlee is coming in Bevin's place.

IT'S WET DOWN THERE—A flash flood which followed a seven-inch rain at Albia, Ia., left this farm isolated in a temporary lake. Five deaths were reported in the flood's wake in Monroe, Appanoose and Marion counties in Iowa.

PARTNERSHIP.

Did you ever have a joint checking account with somebody? They can be handy things sometimes. So can a tin of gasoline in the basement, but both are extremely dangerous. All parties concerned must, of necessity, have a cooperative understanding about how a joint checking account is to be used, how fast and for what purpose. Otherwise, one party's error might cause the other one trouble, no end.

I wish all the taxpayers in the United States could realize that they have a joint checking account with Uncle Sam. Moreover I wish they might suddenly wake up to the fact that everything they have is in this joint account. If Uncle Sam's stubs are not balanced, or if Uncle Sam's checks are not all numbered, Mr. Taxpayer is certain to have to make it good personally when something "bounces."

A Joint Account.

It is high time now for some constructive thinking about the taxpayer's partnership with government. America has no mysteriously far-away colonies from which savage natives send precious metals, furs and gems in return for dime-store jewelry. The only way any administration in the United States can increase treasury income is by taxation. They spend and we pay. That's the story.

Government can assess taxes to the amount of what government needs, or thinks it needs, and that's a matter of judgment. During the war our executives spent money faster than it came in, running the country's debt to 268 billion dollars. However wisely the debt was contracted, it will never be any smaller until government officials begin spending less than they collect from the people by taxation.

Balance the Budget.

There is considerable doubt whether those who spend and those who pay have a cooperative understanding about their joint account. They ought to see eye-to-eye. Victory was cheap whatever it cost in money, but the unpaid portion still has to be met. Moreover the country's best economists think now is the time to start paying off the debt, while nearly all of us are earning good pay. Recently I saw a summary of proposed federal spending for the next 12 months, a work-sheet from

the 1947 budget, currently being considered as certainly as figures can be depended upon to tell the truth. It calls for an outlay of 35.1 billion dollars to come from 31.5 billion of revenue — just 3.6 billion dollars in the red. Such a shortage need not exist.

Stay in the Black.

The deficit can be offset two or three times by economy. Most of the expense items can be deflated some. Such obligations as social security, veterans' benefits, refunds and the interest on public debt are fixed. They can't be cut. But there are seven other general classifications of expenses that ought to be deflated about 50 percent, all told. If this over-draft can be avoided it's a duty.

Proposed expenses that ought to be lowered are these:

Items might be cut.	From To
National defense	\$16.0 \$8.9
International finance	1.7 0.2
Aids to agriculture	0.5 0.3
General public works	1.1 0.7
General government	1.6 1.1
Suppl appropriations	0.9 0.7
Proposed legislation	1.5 0.0

ROHRE, Minister.

"Can We See the Bible Alike?"

Many good people think it impossible for all to see the Bible alike and be members of the same church. This idea is contrary to the New Testament. Jesus surely did not pray for the impossible, yet He prayed that all believers might be ONE. (Jno. 17:21). This UNITY was to be in this present age too, for it was to result in causing the world to believe in Christ! Therefore to advocate Denominationalism (divisions) is to OPPOSE the fulfillment of the Lord's prayer. DIVISION among professed followers of the Lord is a breeder of infidelity! The skeptic has judgment enough to know that God does not authorize one group to immerse and at the same time authorize another group to sprinkle folk. The same God does not teach one group that a child of God can sin and be lost, and at the same time smile with approval on a group which teaches the impossibility of Apostasy! God is the author of the many present day religious groups which hold doctrines that are conflicting and confusing to one another. 1 Cor. 14:33 could not be true, for it says, "GOD IS NOT THE AUTHOR OF CONFUSION." The Bible severely condemns DIVISION. (1 Cor. 1:10; Rom. 16:17), and urges us to all "speak the same thing." All who are children of God are led by the Spirit. (Rom. 8:14). But since there is only Spirit, all who are led by the Spirit are led to do and be the same thing. If not, why not? (This article continued next week. Save this.)

CISCO TO HAVE BIGGER and BETTER LAUNDRY

Since coming to Cisco two and a half years ago, it has been our policy to serve our customers to the very best of our ability.

Cisco and surrounding territory have been good to us, and their patronage and loyal support has enabled us to expand until our present quarters are inadequate. So, it is necessary that we move to better serve you in the years ahead.

We do not promise a better quality of Laundry Work, because we feel we already give as good work as can be found. Otherwise, we would not be satisfying such a large number of customers in Eastland, Putnam, Baird and Rising Star, through which we run a route weekly. We also have laundry shipped to us from Pecos and Sweetwater each week.

For the quality of work that brings us this good business we give credit to our 24 employees, who work with all interest toward GOOD SERVICE.

However, with sufficient room to add more modern equipment as rapidly as it can be secured, we believe we can give a QUICKER Laundry Service.

The new location is at 103 West Ninth street.

We will appreciate your patronage in the future.

MISS LEUNG GUEST SPEAKER AT MEETING.

A missionary meeting was held at First Baptist church Friday evening honoring Miss Fung Ping Leung of Canton, China, who was in the city as a guest of circle four of the women's missionary union. Miss Martha Graves presided as master of ceremonies, introducing the speaker and directing the program.

A splendid musical program by Mrs. Ben Krauskopf's class was heard preceding Miss Leung's address. Miss Graves then introduced the guest speaker in a few well chosen words and a large group of church women listened attentively while Miss Leung told of her native country and people. She is a recent graduate of Baptist Southwestern Seminary, Fort Worth, taking her degree in the religious education department. She also has a master degree from George Peabody College, Nashville, Tenn., and before coming to America had graduated from the Baptist high school for girls at Canton. Miss Leung stated that her mother, an aunt and two of her sisters were also graduates of that institution. She plans to return to China in August and will teach in the Baptist girls' school of Canton.

A free-will offering was taken for Miss Leung at the close of the address.

Following the meeting a reception was held by circle four in a basement auditorium of the church. Punch was laded to the group by Misses Gene Grantham and Bonnie Jean Wilson. Piano music was furnished throughout the reception by Miss Louise Nor-

and others were present at the splendid affair.

BILLY KENDALL HONORED BY PARTY.

Mrs. W. S. Kendall honored her son Billy Kendall with a party Tuesday afternoon which celebrated the sixth birthday of the honoree. After the guests were welcomed they were invited into the dining room to view the decorated birthday cake, topped by six candles, which centered the dining table. The young guests encircled the honoree and sang the happy birthday song to him. The gift packages brought by his friends were opened and the gifts were displayed for all to see.

Outdoor games then entertained the children for a period following which they were served punch and birthday cake by the hostess. Favor

vors of candy were given to each child.

MRS. A. G. GARY HOSTESS TO CLASS.

Mrs. A. G. Gary was hostess Thursday evening when Ruth class of First Baptist Sunday school met in her home for regular business and social meeting. Mrs. Frank Aycock presided and opened the meeting with prayer; minutes of previous meeting were read by Mrs. J. T. Richardson Jr. Plans were made for full attendance record and it was decided to fill a sunshine basket for the son of Mrs. Adams, teacher of the class.

During the social hour refreshments of home-made ice cream and cake were passed to Mrs. Victor Lawson, Mrs. Frank Aycock, Mrs. J. T. Richardson Jr., Mrs. Marguerite Pittman, Mrs. Richard Turknett, Mrs. H. H. Calloway and Mrs. Gary.
