BEST GARDENERS among Castro County's 4-H'ers, announced at the end of the County Youth Fair Saturday, are (from left) Steve Acker of the Nazareth 4-H Club, who won the Champion Young Gardener title; Mike Tischler of the Flagg 4-H Club, second; and Norman Acker of the Nazareth 4-H Club, third. If there is a vegetable of any kind that can't be grown to perfection in Castro County, you wouldn't have known it Saturday from looking at the youngsters' displays.

4-H Youth Fair competition keen

Stephen Acker of the Nazareth 4-H Club was named the champion gardener and Coby Gilbreath of the Flagg 4-H Club captured the champion farmer title in the County 4-H Youth Fair Saturday in Dimmitt Junior High School gymnasium. COMPETITION was keen as youths from the county's eight 4-H clubs competed with their best farm products, garden products, baked goods, canned foods, household linens, clothing, and rabbits. To win the top individual honors, Acker compiled the most points with his garden vegetable entries and Gilbreath earned the highest number of points with his field-crop products. Runners-up in the champion

gardener competition were Mike Tischler, second place, and Norman Acker, third. In the champion farmer contest, Norris Cole placed second and Heidi Bruegel was third.

TWENTY-SIX 4-H'ers entered 170 items in the field-crop and vegetable divisions. Judges were Dr. Frank Petr, area agronomist from Amarillo, and Randall County Agent John Brazzill of Canyon.

Twenty-eight girls and boys entered exhibits in the crafts, clothing, baking, canning and household linens divisions. Entries were judged by Nelle Albrecht, home demonstration agent from Spearman.

The top three point-scorers in these divisions were Patti Hochstein, first; Agnes Acker, second; and Elaine Acker, third. All three are members of the Nazareth 4-H Club.

Stanley Reed

Services held for Stanley Reed, 20

Funeral services were conducted Monday afternoon for Stanley Reed, 20, who died at 5 p.m. Friday at his home at 728 Oak St., the victim of a brain tumor.

LAST RITES were held at 3 p.m. in the First Baptist Church of Dimmitt. Officiating was Dr. Raymond Perkins, pastor, assisted by Rev. M. A. Pennington, pastor of the Northside Baptist Church. Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

Born Oct. 30, 1950, in Ridgecrest, Calif., Mr. Reed moved to Dimmitt from Borger in 1964 with his parents. He graduated from Dimmitt High School in 1969 and attended West Texas State University in Canyon, where he was a member of Kappa Alpha fraternity. He was a member of the First Baptist Church.

He is survived by his parents, Mr. and Mrs. M. J. Reed; a brother, Steven Joe; and a sister, Debra Sue, all of the home; and his grandparents, Mr. and Mrs. Walter Reed of Oklahoma City and Mr. and Mrs. Roy Carr of Borger.

ACTIVE PALLBEARERS were Billy Whitten, Rex Sheffy, Pete Stewart, Elvis Barker, D. H. Malone and Darless Goolsby.

Kappa Alpha fraternity brothers from West Texas State University served as honorary pallbearers.

District Judge John T. Boyd sentenced four men to prison terms Monday after revoking the probations of three of them.

THE FOURTH man, Truman Sims, 21, of Muleshoe, received a three-year prison term after waiving Grand Jury indictment and pleading guilty to forgery and passing worthless checks.

By waiving indictment, Sims became the first man to voluntarily bypass Grand Jury action under a new state law intended to speed up the court process. Had Sims not chosen to give up his right to a Grand Jury review of his case, he could not have been tried until next month, when the next Grand Jury convenes here. He has been awaiting trial here since Sept. 1 after being convicted on similar charges in Hereford.

PRESIDING in a courtroom that is still being remodeled, Judge Boyd also sentenced Edward Glen Chester, Jimmy Walker and Joe Mario Lopez to the state prison at Huntsville after revoking their probations.

Chester, 53, received three years on a charge of driving while intoxicated (subsequent offense). He had been on probation on a DWI charge since May, and pleaded guilty Monday to violating the terms of his probation.

Walker, 25, is to serve three years at Huntsville also for violating his probation. He was originally convicted in January of theft by false pretenses.

LOPEZ, 18, was sentenced to two years. He was on probation after being convicted earlier this year of assault with intent to kill in connection with a pool-hall shooting in Dimmitt. His probation was revoked after he pleaded guilty Monday to driving while intoxicated.

NFO members are convention-bound

Wreck victim now out-patient

George R. Lopez Jr., Dimmitt youth who has been hospitalized in Amarillo since July 4, when he was thrown from an overturning car near Hereford, is now allowed to come home on weekends.

HE IS a patient at the Bivins Rehabilitation Center at High Plains Baptist Hospital. He is in Room 217-A of the center.

Lopez was seriously injured when a car in which he was a passenger overturned three times on US 385 north of Hereford.

Four men get prison terms

FIRST DOWN—Dimmitt's Nati Anes races to a first down after grabbing a Jerry Matthews pass in the fourth quarter of Friday night's season opener against Muleshoe. The pass play carried to the Muleshoe 45-yard line before the Mules'

Gary Lackey pulled Anes to the ground. This pass play, and a later one featuring Charlie McLean, paced the Bobcats to their final touchdown. The Bobcats lost the gridiron lid-lifter, 16-18, to the ball-controlling Mules.

Young Farmers take area honors

Two Dimmitt men won the top individual awards Saturday night at the annual awards banquet of the Area 1 Young Farmers in Muleshoe.

RICHARD HUNTER captured the area's Star Young Farmer award, and Area President Danny Bruton was announced as the Outstanding Area Officer.

Hunter, who won the Dimmitt chapter's Star Young Farmer title last December, will now advance to the state competition. In winning the area title Saturday night, he already is recognized as one of the top five Star Young Farmers in the state. Runner-up for the area title was Larry Hausmann, member of the Springleake-Earth Young Farmers.

Hunter farms some 1,800 acres northwest of Dimmitt which he rents from Mrs. Rachel Hunter, Jackson Richardson and Mrs. H. C. Beard. Main crops on his irrigated farmland are cotton, wheat and milo, and he also raises some vegetables and grazes cattle.

He is the second Dimmitt man in a row to win the area Young Farmers' top award Jerry Cluck, last year's chapter and

Other award winners at Saturday night's event, attended by almost 300 in the Muleshoe High School cafeteria, were the Frenship Young Farmers, outstanding chapter; Spur Young Farmers, outstanding new chapter; and the Silverton Young Farmers, publicity award (printed media).

Homemakers attend area meet

Four members of the Dimmitt Young Homemakers played active roles in the Area 1 Young Homemakers convention Saturday in Muleshoe.

MRS. LINDA ROBERTS, state vice-president, installed the new area officers for 1971-72. They are Mrs. Nelda Laney of Hale Center, president; Mrs. Eugenia Hill, first vice-president; Mrs. Betty Stephenson of Silverton, second vice-president; Mrs. Rose Lee Powell of Muleshoe, treasurer; and Mrs. Barbara Weatherford of Hereford, parliamentarian.

Mrs. Beth Odom, president of the Dimmitt Young Homemakers, took part in the convention program, telling of the most interesting chapter project during the past year.

Voting delegates from Dimmitt were Mrs. Judy Moore and Mrs. Marietta Smithson.

THE ANNUAL meeting was preceded by a luncheon and style show in the XIT Lunch-room, and was followed at 6:30 by the 11th annual awards banquet of the Area 1 Young Farmers and Young Homemakers in the Muleshoe High School cafeteria.

Chamber sets idea session at 8 tonight

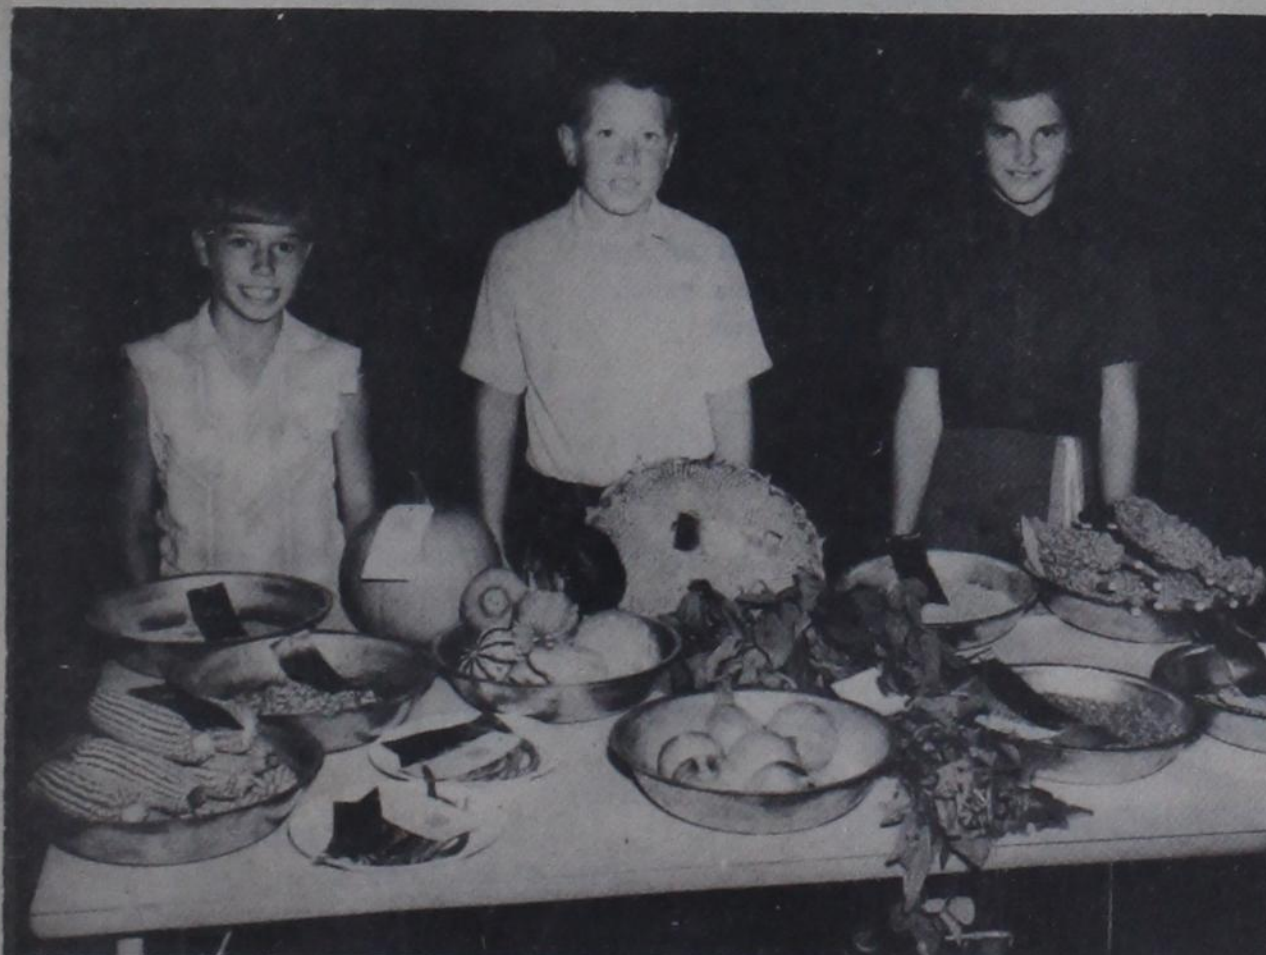

New ideas will be the main topic tonight (Thursday) when the Castro County Chamber of Commerce holds its general membership meeting.

THE MEETING will begin at 8 p.m. in the Country Club. "We urge each member to come and present any ideas you may have that would prove helpful to the chamber," said Reford Burrous, CoC president. "The purpose of the chamber is to help the community in any way possible, and the best way for us to accomplish this is by suggestions and participation from each member."

The quarterly meeting is open to anyone—whether a member or not—who is interested in the chamber's work or who has an idea on how the chamber could better serve the county.

Correction

In last week's front-page obituary on S. J. "Shorty" Mooney of Dimmitt, the News used the wrong initials, printing them erroneously as M. J. We apologize to Mr. Mooney's family and to our readers for this oversight.

TOP JUNIOR FARMERS in the Castro County 4-H Youth Fair Saturday were (from left) Coby Gilbreath of the Flagg 4-H Club, who compiled the most points for the title of Champion Young Farmer; Norris Cole of the Dimmitt 4-H Club, second place; and Heidi Bruegel of the Bethel 4-H Club, third place. Youngsters from all eight of the county's 4-H clubs displayed a wide array of vegetables and field crops in the show.

ACCEPTING TOP AWARDS at the recent state meeting of the American Cancer Society were these delegates representing four of the five counties in District 3, which won the coveted Golden Achievement Award for efforts in the 1971 Cancer Crusade. From left are Melvin Rape of Lamb County, Mrs. Gene Arwine of Floyd County, Howard Moore of Lynn County, and Mr. and

Mrs. L. C. McLain of Castro County. Mrs. McLain led the campaign to form the new Castro County Unit of the American Cancer Society last year, and now serves as its chairman. Because of efforts of the local Cancer Society Unit's volunteer workers, the Cancer Crusade here went over its goal this year and helped District 3 become a state leader.

HERE IS what came of a discussion Sunday, Kenneth Jackson's brother Bo is pilot for a big plane which brought 9000 pounds of paper money from the Washington mint to the Kansas City Banks. The question "How many dollar bills

to a pound?" I called Edwain Ramey so he and Sal DiCuffi weighed them. The \$1 and \$20 weigh the same so it takes 400 bills to make a pound, 16 bills to the ounce. Edwin has a hobby of money ideas, but had no thought of the weight.

Half the people of Dimmitt went to Muleshoe Friday evening to see the Bobcats "nearly" beat the Mules. They were headed for a touchdown when the quit bell sounded. It was a good game even if we only needed three more points. We stopped at the XIT Steak House for supper. Saw Jimmy and Laura Presley and son having dinner with the Rayphard Smithsons, and also saw the Carl Lee Kemps and pretty children there also. The Presleys are former residents of Dimmitt.

It won't hurt him to batch a few days. Probably needs to lose a little weight and find out how to appreciate Connie anyway.

SOMEBODY CARES
It is so important that someone cares about how this child grows up. Someone cares that she is clothed and fed and loved. Someone cares that she goes to school and grows in mind as well as body. Someone cares about her childhood wonder and curiosity and wants to see them satisfied. Someone cares enough to teach her to love other people and will help her in her relations with them.
Someone cares about her spirit and desires for her the highest ideals and standards, and will help her to know God. Are you this someone?
Let it be said of her as it was said of Him.
"and Jesus increased in wisdom and stature and in favor with God and man." Luke 2:52.
TAKE SOMEONE TO CHURCH THIS WEEK

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Texas ID card is now available

Col. Wilson E. Speir, director of the Texas Department of Public Safety, announced last week that Texans can now obtain special personal identification cards.

THE CARD, which was authorized by the 62nd Texas Legislature, is laminated and contains a color photograph holder. It is the same size as a Texas Driver's license.

Information appearing on the card includes the holder's birth, height, sex, and color. Each card has a identification number issued by the DPS.

Speir said the cards are of value to those who do not hold a Texas Driver's license, but who need some sort of official card to establish their identity.

TO OBTAIN a personal card, the applicant must appear at the DPS driver's license office in the courthouse, fill out a special application form, send a birth certificate, documentary evidence of birth, date of birth, printed and pay a fee.

The special cards, which will be mailed from DPS headquarters in Austin, will be valid for four years from the applicant's next birthday.

Also, certain persons whose military service-connected disabilities are now exempt from driver's license fees.

Speir said those individuals with a 60 percent or more service-connected disability are entitled to the free driver's license provided they meet requirements which apply to applicants.

Flynts home from American Legion

By MYRTLE SHEFFY
The Dimmitt people are still on the go.
MARY FLYNT tells me about the good trip she and Jack had recently.

MR. AND MRS. Carson Bradford of New Middleton, Tenn., Miss Georgia Lee Bradford of Oakridge, Tenn. and Bob Bradford from Fort Sill, Okla. have been guests of cousins George and Josie, Jonnie Davis and the Burl Bradfords. They had ice cream one evening at James and Mildred's.

Braafadts were Mrs. R. P. Andersen Jr. of New York City. She is the mother of Skitch Andersen, who is now enrolled at WTSU at Canyon. Other guests were Mr. and Mrs. Rex Gallcup of Odessa, brother of Helen Braafadts and their mother Mrs. Charles Gallcup of Amarillo.

Mr. and Mrs. Elzie Teague visited his sister Laura Jones at Childress recently.
GARY Stanford and his friend Dewayne Traitor of San Leandro, Calif., were here to visit his folks Mr. and Mrs. Gordon Stanford. Gary is in college there. His wife Leslie works to help with the education.

Joe and Joe Eddie Riley and boys of here, Mr. and Mrs. Robert Riley and children of Amarillo. Mr. and Mrs. Sanders of Lubbock, the Dean Sanders of Hart, Mr. and Mrs. M. L. Simpson, Brent, Bob and Brad and Lisa of Jumbo, Mrs. C. O. Burt of Corpus, Mr. and Mrs. Norman Olsen of Dallas, Mr. and Mrs. Buke Yarbrough, Jack Sanders of Corpus Christi, Mrs. Frank Sanders, Doug Higgins and children and Mr. and Mrs. Furch Riley, all of Hart, Mr. and Mrs. Doyle Warren of Floydada, the W. T. Sanderses, Mr. and Mrs. Bill Thompson of Lubbock.

DONNIE and Peggy Stephens, and sister Kathy Kelly of Earth, and friends, Darrell McKnight of Levelland and Linda James of Springlake, spent last weekend at Ruidoso. Among the interesting things to do—the car slipped backward down a hill and they had to get a wrecker to pull it up again, but no damage to car or people.

OUR sympathy goes to the Mooney family on the death of Shorty Mooney, his wife Dora and sons Jack and Bob.
The Hyatt family were here from many places to be with sister Dora and for a visit with Mrs. Glen Ratcliff, another sister. The old Hyatt Hotel was the gathering place for parties many years ago, "when I was 17."

DORIS CLAY Patterson of New Braunfels was a guest of Allie Mae Willis and her mother Mrs. J. G. Willis last week. So the family got together, the G. L. Willis Jrs., the C. L. Morris and Leland Lees. Nice visit.
Young Butch (Durward) Strickland entered Wayland College this week. Durwood is studying for the Baptist ministry. That is at Plainview.

Several men of the Church of Christ went to Ruidoso recently for a planning meeting for the church activities. The Holiday House was the place. Ronnie Parker, and 25 men were there last weekend. Later Donald and Katy Wright and Betty Carpenter picked up on Cloud and they went on to Doncroft for a vacation. The children are with the grandparents.

ISA ORR is a member of the National Honor Society at the Springlake-Earth this year. She and Debbie Wilson are also members of the Speech Club. Ralph and Renee Jones were on the installation of the Springlake-Earth 4-H Youth Fair at Dimmitt last Thursday. Mar and Renee was on the first vice president and Renee was on the short program.

SMALL WORLD—Amid dolls that she has clothed and ribbons that she has won, Mrs. Carl Robinson shows two of her glass-encased vignettes (miniature scenes). She holds her latest one, "Barefoot Boy," which won a ribbon recently in the Littlefield Arts Festival. On display at left is her favorite vignette, "Treasures of Yesteryear," which features tiny newspapers, a trunk, clothing and framed pictures which she fashioned by hand.

She creates mini-scenes

Through the years, she has developed a sixth sense about spotting and collecting small items—pictures, wood pieces, materials—objects which she can use in her vignette work. Her hobby combines art, woodwork, decoupage, sewing, construction—and imagination.
"I collect any material that I can use in some way," she explained. "I save all kinds of odds and ends. The tree stump in the 'Barefoot Boy' vignette, for example, is one I had had on hand for several years, just wondering how I might use it someday."
In a vignette entitled "Home Sweet Home," which features an elderly couple in an old-time setting, she fashioned a lamp from two plastic onions, and its base from a star candle holder. The scene also included a tiny Bible, a wooden grandfather clock, and other miniature items which she had made.

Childress will host Legion meet

Legionnaires and Auxiliary members from the 18th District of the American Legion will convene in Childress Saturday and Sunday for their annual fall convention, Etchel Griffin, commander of Cox-Furr Post 65, has announced.
THE convention motel will be the Rancho West Motel on Highway 387 West.
Registration will begin at 11 a.m. Saturday at the Veterans Building, Garland DeLamar, department field representative from Waco, will conduct a rehabilitation school beginning at 1:30 p.m., followed by committee reports and a membership report by Clayton Mann, past department commander from Wichita Falls.
Mayor C. J. Lyons of Childress will give the address of welcome at 7 p.m., with response by Jack W. Flynt, national executive committee member from Dimmitt. W. H. McGregg, Department Adjutant from Austin, will give the principal address. A dance will follow at 9.
COFFEE and doughnuts will be served when registration resumes at 8:30 a.m. Sunday. Committee meetings will be followed by a joint memorial service at 9:30 with Mrs. Mary Flynt, Garland DeLamar and J. M. Thacker in charge. The Legion business session will begin at 10.

BILL MYERS and family have accepted a place in Friona as director of music and education in the Baptist Church there. Bill is still in their house at 613 W. Dulin, while their house is being built at Friona. The Myers plan to sell the house here.

"DID you hear about the wedding Wednesday evening at the Methodist Church? Well, Bee Lee Goodwin and Debbi Mullinax of Clovis were married. His brother Rev. Mike Goodwin, pastor of a Fort Worth Baptist Church performed the service. P. O. was his son's best man and his sister K Sharon was the bride's attendant. Only the members of the two families were present. Mr. and Mrs. Bee Lee Goodwin will be at home at Fort Dix, N.J. where he has one more year to serve his country.

JEANNE WIMBERLY was guest soloist at First Baptist Church in Friona last Sunday. They were in revival.
KENNETH AND Ruth Ringo went to Canyon Sunday to visit Ruth's parents Mr. and Mrs. Ora Crowell and her brother from Dallas and a sister from Tucumcari. The Ringos are with our school system.

OUR sympathy goes to the M. J. Reed family on the loss of son and brother Stanley Reed. Stanley has been ill for a long time and was a much loved boy. Oh yes! Mary Brandon has her troubles, she went out to some farmer friends pea patch and got the car stuck in irrigation mud.
Nancy and Craig Fuller went to Morton one day recently to visit his aunt Christine and Roy Hickman. The Fullers will be in Dimmitt until the 17th of Sept., then will go to another Army Base in Washington State.

MR. AND MRS. Clarence Bearden went to Hollis, Okla. to visit her sister Naomi Ruth Patton and family. Their sister from Oklahoma City and brother from near Dallas were there for he get together.
Mrs. Carl Bruegel, Sheri, Curtis, Gary and Teresa went to Amarillo Sunday to see the Ice Capades. Her sister and husband Mr. and Mrs. Tommy Ricks and children, their mother Mrs. G. O. Garrison, all from Childress, met the Bruegels there for a visit.
Mrs. Bud Hill and Mrs. Carl Bruegel took Kelly Hill, Gary Bruegel and Robin Ryan (who is the son of school principal Ryan) to the Boys Ranch Rodeo. That was a good one, also a hot day in September.
Recent guests of the Chel

RAY AND Jetti Sheffy and the Melvin Halls made a few days trip to Gallion Canyon, a pretty place, north of Las Vegas, N.M. Ray works with the Highway Department and they had their big annual picnic this week. J. B. Moore is district foreman now since R. D. Rogers moved away and Arthur Oakley has the assistant supervisor's job or something.

Rev. Raymond Perkins, who resigned his position in First Baptist Church here, has been conducting a revival at Panhandle the past week.
Bill Birdwell did not go to Conchas Lake "as I said." He, Kathryn and Jim went to Roscoe to visit her folks, the Norrises.

MR. AND MRS. Fred Axe of near Hereford were Sunday guests of Louie and Lena Allen and the Methodist service.
James and Mildred Bradford went by car this week to Lansing, Mich. where their son Kent will enter the University. Kent is on a scholarship for being a smart boy. I think he will study math and sciences. Friday, James and Reta Welch will fly to Lansing. Their daughter Sharon will also attend the University on a scholarship. She plans to study sociology. Dimmitt people have smart kids.

THE Willis and Bills families from here, Clinton, Hobart and Snyder, Okla. met in the Memphis city park last Sunday for a get together. Going from here were Mrs. G. L. Willis Sr. and Allie Mae, the G. L. Willis Jrs., the Goodwin Millers, (she was a Bills), Anita Morris and Mrs. L. C. Lee.

Hogs quarantined in three counties

Quarantines for hog cholera have been placed on portions of Lubbock, Hockley and Lamb counties by federal and state animal health agencies, according to Dr. Gilbert R. Hollis, area swine specialist. The quarantines were enacted because of two confirmed outbreaks of hog cholera, one each in Lubbock and Hockley counties. The action is part of a stepped-up campaign to wipe out this costly swine disease, Hollis adds. The quarantine will be removed when the threat of disease spread has been eliminated. Dr. Hollis explained that no swine in the quarantined areas can be moved without health certification from an accredited state or federal veterinarian. Any producer within the area who wants to take hogs to slaughter may call the Ramada Inn at 763-9343, and ask for any member of the hog cholera team. The producer can then obtain farm inspection and a certificate for movement. "All swine farms within the federally-quarantined areas will be inspected by the state animal health officials for signs of sickness," Hollis said.

Goldwater booked for Price dinner

Sen. Barry M. Goldwater of Arizona will be the principal speaker at a "Salute to Bob Price" dinner scheduled for Saturday in Amarillo. The popular conservative leader, who was the GOP presidential nominee in 1964, has indicated strong personal support for Congressman Price, whose voting record is similar to his own. The event will provide a backdrop for a major address by Sen. Goldwater. Now serving on the Senate Armed Services and Senate Aeronautical & Space Sciences committees, the Arizona senator will bring to his Panhandle audience a perceptive analysis of the current foreign scene. The "Salute to Bob Price" dinner will be held at the Amarillo Civic Center. A reception is scheduled for 6 p.m., dinner at 6:45, and the program will begin at 8 p.m. TICKETS for the entire affair are \$50 per person and may be obtained from Republican leaders throughout the Panhandle, or by contacting Jack Seale at 918 Houston Street, Amarillo.

Want to use school facilities? Here are the rules, regulations

A statement on public use of school facilities has just been added to the complete policy book being written by the school board and administrators of Dimmitt Public Schools. The regulations have been part of the school board minutes for a year already, but it is now in written form in the policy book. HERE IS the new policy and fee schedule for use of Dimmitt school facilities: "The Board of Trustees desires and encourages the fullest possible use of all school facilities in a manner which will serve the needs of the community. The following regulations are designed to insure equitable treatment of all individuals and groups desiring to use these facilities and to protect the community's investment. "School facilities are designed primarily for school purposes and may be used without charge for meetings of pupils, teachers, alumni associations, parent-teacher association, other organizations affiliated directly with the schools, and for meetings and entertainment for the benefit of the schools. "SCHOOL meetings shall have precedence over all other meetings. "Arrangements must be made with the building principal. "The principal will assume responsibility and either be present or represented by a responsible school employee. "No fixtures shall be moved except by permission of the principal and under his supervision. "NO SCHOOL facilities shall be used for private gain nor for any purpose which is illegal or of doubtful legality. "School furniture and equipment shall not ordinarily be lent by the school, and then only through the Superintendent's office. "No charge will be made for small group meetings to be held in classrooms for occasional meetings. "Religious groups that use facilities for worship services will not be permitted to meet in the schools without special permission from the school board. "MOVING and adjusting scenery, securing lighting effects, and operating equipment will be done under the supervision of, or by, the custodian or school employee in charge. "Nails or screws will not be placed in the scenery, fixtures, walls or any part of the buildings or equipment by anyone except the custodian or school employee in charge. "All properties not belonging to the school are to be removed after the last performance, or the following day; otherwise they will be disposed of. "THE SCHOOL is not responsible for property other than its own, left in school buildings. "Anyone using school facilities will be held responsible for any damage to school property. "Open flames are not allowed in any school building. "A school employee must be on duty to see that the building is opened and closed and that equipment is properly used." COSTS: Gymnasiums: North Grade, \$5; Junior High, \$5; and High School, \$5. Cafeterias: South Elementary, east wing, \$10; South Elementary, west wing, \$10; and high school, \$10. Auditoriums: Junior High, \$10; and High School, \$25. Speech Room: High School \$5. "ANY HOURLY wage employee must be paid his overtime rate of pay by the person or organization using the facility. This amount is not included in the basic rent of the facility. "An organization desiring food served must work out a minimum guarantee for the number of plates and the amount per plate with the lunchroom supervisor. "Any organization using the kitchen portion of any lunchroom must pay at overtime rate for one lunchroom employee to supervise and be present during the time the kitchen is used."

Lettuce growers' addresses sought for market vote

Lettuce producers in the Texas Panhandle are being urged to submit their addresses to the Texas Vegetable Marketing Association in Hereford so they can vote on a proposed lettuce marketing order. "THE PURPOSE of the order is to balance supplies of lettuce with the demand and stabilize the industry in this area," explained Ed Garnett, area economist for the Texas Agricultural Extension Service at Amarillo. The proposed federal marketing order would include producers in California, Arizona, Colorado, New Mexico and north-west Texas; who account for about 95 percent of the US production. Any person who had a share in a crop of lettuce in any one of the crop years 1967-68, 1968-69, or 1969-70, is eligible to vote on the proposal if it is accepted for referendum by the US Dept. of Agriculture. Even if the person had no income from the crop, he may still be eligible. This will effect about 300 producers in Texas, Garnett explained. "We are neither for nor against the proposal," he emphasizes, "our only purpose is to try to protect the interests of area producers should this order become effective." PRODUCERS should submit their mailing addresses to the Texas Vegetable Marketing Association at Box 1818 in Hereford; or call Charles Hottel, Castro County agent, at 647-3455. Garnett also reminded producers of a meeting scheduled for Sept. 21 at 8 p.m. in the community building at Hereford. Various speakers will discuss the advantages and disadvantages of the proposed marketing order.

Sheriff's office gets state tie-in

The Castro County Sheriff's Office was linked directly to the Texas Dept. of Public Safety headquarters in Austin this week with the installation of a computerized, tape-driven teletype machine. THE SENDING and receiving machine here is part of a statewide "instant information" network being established to speed up crime investigations and make information from state criminal records instantly available to local law enforcement agencies.

Youths charged in knife attack

Two Dimmitt youths were among three charged in a knife incident in Hereford last week.

FACING charges of assault with intent to murder are Fernando Cruz Fernandez, 18, of Dimmitt; a 16-year-old Dimmitt juvenile; and Marcello Mendoza, 17, of Hereford.

All three were charged with the stabbing of Roy Salinas at the Hereford Labor Camp. The incident reportedly occurred in a camp restroom about 11:35 p.m. Sept. 6.

Salinas was admitted to Deaf Smith County Hospital with three deep stab wounds in the lower stomach and a cut in the lower left leg.

BOND WAS set at \$3,000 each on Fernandez and Mendoza. The 16-year-old youth was released to the custody of his attorney last Wednesday.

Highway Dept. sets open house

As part of "Highway Week in Texas," the Dimmitt office of the Texas Highway Dept. is planning an open house for the public Friday, Sept. 24.

"TEXAS Highway Week" has been designated for Sept. 19 through 24 by Gov. Preston Smith. Theme for this year's observance is "Roads and Streets—the Backbone of Total Transportation."

The local department maintains more than 335 miles of paved highways, farm roads and streets in Castro County.

Letter to the Editor

Tulia coach feels News's story about scrimmage was one-sided

Dear Editor:
I am writing in regard to the article about the Tulia-Dimmitt scrimmage of Aug. 27. First of all, I would like to know if the writer of the article actually attended the scrimmage and was writing with first-hand knowledge?

IN A scrimmage both teams are trying to win, unless the rules have been changed. It certainly seemed that Dimmitt tried to win in the 1970 scrimmage with Tulia.

The writer spoke of Dimmitt's not being keyed up. Could it be that the Bobcats were just over-confident? Understandably they might have been as this year's Dimmitt team outweighs Tulia about 30 lbs. per man, their senior players have gone 7-3 the past two years, and Tulia has won only three games out of their past 30.

I guess when you lose (the actual score was 4 to 1) to a team that you are expected to defeat, you must make up excuses as to why you were defeated, i.e., keyed up, fighting, playing dirty, etc. If you look at the scrimmage films, a copy

of which Tulia has given Dimmitt, you will notice that the Dimmitt team is guilty of swinging fists, hitting ltae, etc.

IT IS A sad situation when a one-sided, apparently biased story is written in a newspaper that is sold to the public. Every story has two sides—you surely printed the Dimmitt side, they were beaten. Tulia played hard-nosed football and won.

If Dimmitt should lose a game in regular season play, will the ready, excuse that the other team played dirty be used, or will it be that the Bobcats just got beat?

BOB PRESLEY
Offensive Line Coach
Tulia High School
(The answers to your questions in order, Coach, are no, maybe, and no. We plead guilty to writing the story from our team's standpoint. But since any argument between you and me about the way the story was presented would probably end in a 0-0 tie, we won't involve ourselves in any drawn-out, demeaning debate about it. Besides, we don't know how big you are. — Editor)

Satellite School needs volunteers

The Dimmitt Satellite Day Care School is soliciting volunteers to participate in its programs during the current school year.

THE SCHOOL, which is located in southeast Dimmitt at the Housing Project, presently has an enrollment of eight children with an average attendance of five to six students per day. It is open Monday through Friday from 9:30 a.m. until 3:30 p.m.

Eight volunteers are presently helping at the school. Five of these are starting their third year of volunteer work.

More volunteers are needed for Monday, Tuesday and Thursday mornings and Monday and Friday afternoons.

REGULAR volunteers usually donate one to three hours a day, one day per week. However, it is possible to volunteer to help once a month or once every two weeks on a regular schedule.

The school also solicits assistance from substitute volunteers who periodically serve as replacements for regular volunteers, or who may be called in when extra assistance is necessary.

Duties of volunteers include passing out supplies; supervising play, school, or work time; helping individual students in learning skills or working on projects; assisting on field trips, etc. Mrs. Norma Conard, Satellite School teacher, assigns each volunteer her duties daily.

LAST YEAR some of the field trips included such events as a circus, a Christmas visit to Western Plaza followed by lunch at Furr's Cafeteria, a trip to the Lubbock Airport and a tour of the new corn milling plant in Dimmitt. Among the projects undertaken by the children were making objects to be displayed in an Amarillo Arts and Crafts Show, making favors for the annual volunteer appreciation dinner, and making the centerpiece for the recent teenage volunteer Mother-Daughter Party.

Anyone who is interested in the school may arrange to visit and observe the procedures before deciding to volunteer to help. For additional information, call either Mrs. Jacque Sava (647-5218) or Mrs. Norma Conard (Satellite School, 647-4425).

Steers to bring air show Friday

By JOHN BROOKS
Toby Booth is bringing his much-improved Farwell Steers to Dimmitt Friday night at 8 p.m., and four words would summarize the game: look out for anything!

THE FARWELL club has a young quarterback who looks like Johnny Unitas out on the field. Brett Hargrove is his name, and passing is his game. Coach Booth said that passing has been his best attack thus far, and there's no reason to change it now.

The Steers run out of an I formation, same as the Bobcats. Hargrove has good receivers in Larry Erwin, who has switched from end to fullback, and Kevin Hardage.

The Steers' running game is good enough to keep the defense honest. Erwin is a potential all-district pick and has good speed

and power. Hardage will be at a halfback post, and Ray Norton will be at another halfback spot.

THE FARWELL defense should be as strong as the offensive group. A trio of solid linebackers named Mickey Lundford, Terry Craft, and Erwin are among Farwell's strong points defensively.

Last week the Steers lost to Friona, 26-8, in their season opener, so both the Bobcats and Steers will be looking for their first victories Friday night.

The Bobcats may rely on their passing game more this week, in light of their success in that department against Muleshoe. There were some fine catches by all of Dimmitt's receivers in the battle, although the running game was good last week, too. The defense, which couldn't stop the big Mules, is getting the main attention of Coaches Brown L. Smith, Don Parker and Jim Jefferies this week as the Bobcats prepare for Farwell's aerial circus.

Prospecting, 20th-Century Style
To increase its ore reserves, a major activity of any mining company, International Nickel in 1969 explored for nickel on some 35,000 square miles of land throughout the world. The company spent a record \$19,896,000 on exploration, compared to \$17,028,000 in 1968, which had been a previous record.

Mules control the ball and the ballgame, 18-16

By JOHN BROOKS
The Muleshoe Mules' ground-gobbling, clock-eating Wishbone-T attack proved too much for the Dimmitt Bobcat defense Friday night as the Mules won the season opener, 18-16.

THE MULESHOE victory ended a five-year win skein by the Bobcats in the opening-game series.

The Bobcats appeared potent enough on offense when they could get the ball, but they got to run only 47 plays to Muleshoe's 60. That factor, plus a fatal pass interception in the third quarter, were the keys to the Muleshoe victory.

Muleshoe drew first blood after the opening kickoff as 190-lb. halfback Bobby Hayes—who gave the Dimmitt defense fits all night—went over from eight yards out to cap a 70-yard drive. The run for a two-point conversion went for naught, as did the Mules' other PAT attempts during the night.

DON HEATHINGTON, Muleshoe defensive tackle who spent much of the night in the Bobcat backfield, kicked off—and the kickoff return was the only time the Bobcats gained any yardage in the first quarter. In fact, the Bobcats had the ball for only three running plays and a punt in the entire first stanza.

After Dimmitt punted, Muleshoe's David Wheat drew next blood for the Mules as he rambled in from 48 yards out on the first play of the second quarter to give the hosts a 12-0 lead.

Finally, just 2:21 before halftime, the Bobcats got their first TD of the year as Dan Frierson skirted left end and ran 17 yards to paydirt. He also ran the two-point conversion, cutting the Muleshoe lead down to 12-8. Intermission found the Mules at midfield, playing ball-control again.

IN THE third stanza the Bobcats gained the initiative, mounting a long drive on offense and ground attack on defense. Helping keep the Mules at bay was punter Lonnie Strickland, who boomed three big ones deep into Muleshoe territory, averaging 45 yards per punt.

Unable to gain consistently through the big Muleshoe line, the Cats had tried their luck in the air in the first half and had completed three for three. So in the third quarter they started sprinkling their offensive attack liberally with passes, and it worked. Quarterback Jerry Matthews threw two more strikes and Dimmitt was five-for-five in the aerial department and standing on Muleshoe's 15 as Dimmitt fans saw new hope. But the drive ended suddenly when Wheat picked off Dim-

mitt's sixth pass inside the 5-yard line.

AFTER THE interception, the mules started that same ground-eating, demoralizing attack. Sending their big backs into the line for constant gains of four and five yards, the Mules drove from deep in their own territory all the way to the promised land, with Hayes plunging over from nine yards out on the first play of the fourth quarter to alter the score to 18-8 in Muleshoe's favor.

But the Bobcats bounced back again after the setback, and this drive didn't fizzle. With passes from Matthews to Natl Anes, Charlie McLean and David Nino eating up big yardage, the Bobcats drove to the Muleshoe 7-yard line, and from there Frierson broke loose for his second touchdown. Again he ran the two-point conversion, bringing the Cats within two points at 18-16 midway in the final period.

After an on-side kick attempt failed for Dimmitt the Mules again cranked up their devastating Wishbone-T attack and headed goalward as the clock ticked away. But this time the desperate Bobcat defense finally held the hard-charging Hayes, Wheat and Black, and Dimmitt got the ball back with a scant 56 seconds left in the contest.

USING A time-out after almost every play, Dimmitt started downfield in its race against the clock, ready to settle for a field-goal attempt if a touchdown seemed out of reach. But Muleshoe successfully covered Dimmitt's deep receivers and Matthews had to pop-valve his passes to short receivers in the flats. On the final play of the game he hit Frierson on the Muleshoe 35. Frierson stayed on his feet as long as he could before he was finally dragged down by Mules 30 yards from the end zone.

Muleshoe's running backs had a heyday as they posted a hefty average of 4.9 yards per carry during the game. But Dimmitt's runners gave a good account of themselves, too, as they averaged a nifty 4.1 yards per tote.

The Bobcats shone the brightest in the passing department, finishing with nine of 14 for 102 yards. But the turning point of the game was that pass caught by the wrong man, Muleshoe's Donnie Wheat, in the shadow of the Mule goal line in the third quarter.

CHARLIE McLEAN leaps high for a pass from Jerry Matthews and glances downfield as he comes down on the first play of the second quarter Friday night at Muleshoe. The pass play carried to Muleshoe's 39-yard line for the first Bobcat first down of the game, and kept a drive going that resulted in Dimmitt's first touchdown. Even though the Bobcats lost to the ball-controlling Mules, 18-16, there was nothing wrong with their passing game as they completed their first five and went on to connect on nine of 14 for the night.

Swifts win, 8-6

By PAT ACKER
The Nazareth Swifts opened the season with an 8-6 victory over the Hereford Whiteface B-Team Saturday night.

TAKING command of the game from the start, the Swift defense quickly forced Hereford to punt after only three offensive plays, then the Nazareth offense started a 65-yard downfield drive, only to be stopped at the 1-yard line.

This forced the Whitefaces to work from the end zone. The Swifts took quick advantage of the situation by dropping the Whitefaces behind the goal line for a two-point safety.

Nazareth got its touchdown on a 4-yard pass from quarterback Gordon Wilhelm to wingback Stanley Maurer. The conversion attempt was unsuccessful, putting the score at 8-0 at halftime.

After the half, the spirit of both teams changed, with more yardage gained on each attempt and considerably more penalties called.

THE HEREFORD offense continually ran into traffic against the Swifts' tough defensive line, but Hereford's Charles High finally proved that if he were given sufficient room, none could stop him easily. Breaking through the line, High ran four times for a total of 113 yards, including a 55-yard touchdown run.

Late in the fourth quarter, Nazareth gained possession of the ball for the last remaining minutes of the game and kept it until the final buzzer.

Outstanding players for Nazareth on defense were Steve Acker with eight tackles and one assist; Denis Kern, seven and one; Stanley Gerber, five and two; Kent Birkenfeld, five tackles; Kelvin Kleman, four tackles and three assists; Neil Dobmeier, five tackles and one assist; and Kerry Brockman, two tackles and three assists.

OFFENSIVE standouts for Nazareth were Kerry Brockman who gained 75 yards in 22 carries; Neil Dobmeier, 47 yards in 11 carries; and Gordon Wilhelm, 48 yards in 10 carries.

Nazareth posted 26 first downs to Hereford's 14. Nazareth was penalized a total of 75 yards while Hereford lost 50 yards on penalties.

FRIDAY night the Swifts will travel to New Home in search of their second victory. Kick-off time will be 8 p.m.

District teams show strength as six of eight start with wins

Football 1971 in District 3-AA was predicted to be a year of strong teams. And the first weekend of the season proved it.

ALL EIGHT teams in the district barged into competition on the opening weekend and six of them came out victorious. Average out the points scored, and the totals run almost 24 points per team.

Defending champion Floydada posted the league's only shut-out (21-0 over 4-AA Ralls), but Littlefield and Morton came away from their openers with the biggest point outputs.

Littlefield, playing its first game under new coach Jerry Blakely, blistered Class A Crosbyton 58-6, after building a 37-0 halftime advantage, and Morton worked over Plains 38-6, aided by a running attack good for over 300 yards.

LOCKNEY stepped up to Class AAA and knocked over Levelland 20-15, Abernathy used a defensive game to drop Class A power Petersburg 12-6, and Friona won its Parmar County duel with Farwell 26-8. Only losses came at the hands of AAA clubs, Dimmitt bowing to Muleshoe 18-16 and Olton dropping a 14-0 verdict to Tulia.

Effort pleased Littlefield coaches—effort and teamwork. "We were real tickled with the effort," commented Blakely. "We hit real good and played extremely well as a team. We're playing much better, and if we continue to improve, I think we can be fairly competitive."

COMING off a 1-9 season, the Wildcats had only 230 yards' total offense—all rushing—against Crosbyton but recovered six fumbles and intercepted two passes—one for a touchdown. And they took advantage of the opportunities. Lead-

ing the defense was middle line-backer Bill Hamblin, mentioned by Coach Blakely as the leading tackler.

Offensively, tailback Ralph Funk scored five touchdowns, including a 65-yard punt return. Funk carried 21 times for 102 yards, and fullback Dennis Hartley had a sparkling 86 yards on only six carries. Hartley's total includes a 50-yard sprint for a touchdown.

Morton got balanced rushing from its Wishbone Quartet in the win over Plains. Keith Embry yound up with 120 yards rushing, Elton Patton and Ted Thompson 48 each and Kevin Kuehler 47. Embry scored twice, as did Thompson.

"PENALITIES hurt us," commented Coach Doug Reed. "Don't get me wrong; we were guilty. We drew 140 yards in penalties — against their (Plains') 30. We will have to be ready this week, though, against Frenship. They beat us 48-0 last year, and we gave up the ball eight times inside our 10. The kids remember that."

A pair of Tony Ford to Cleo McGee passes went for TDs in Lockney's victory over Levelland, a team which plays at Littlefield this week. Lockney will play Post, a 21-0 victim of Hale Center.

Dimmitt got 16 points from runningback Daniel Frierson in its loss to Muleshoe. This week the Bobcats try Farwell, which didn't score until the final quarter against Friona. Friona quarterback Johnny Bandy scored once and passed for two more TDs as the Chieftains mounted a 28-0 halftime lead and made it stand up for victory. It was Friona's sixth win last nine years against Farwell, and left Farwell leading only 18-16-1 in their long rivalry.

FRIONA plays Bovina this week, after Bovina bested Boys Ranch 27-18 last week. Abernathy broke a 6-all deadlock in the fourth quarter, as Jackie McGaugh intercepted a Petersburg pitchout, then lateraled to teammate Bobby Rogers. The defensive play covered 64 yards to bring a 12-6 triumph.

Runningbacks Van Mitchell, Walter Harris and Jim Kunkel scored once apiece in pacing Floydada's victory over Ralls. Floydada hasn't lost a regular-season game since 1968.

THE DISTRICT faces another round of still tests this week, including Abernathy's battle with Class A power Seagraves,

Miscues costly; Hart loses, 6-0

By DAVID BASS

The Lazbuddie Longhorns squeaked past the Hart Longhorns, 6-0, on an early first-quarter score in a game that went right down to the wire.

NOTHING seemed to go right for the Hart Horns in the first half as Lazbuddie recovered a fumble on the Hart 32 only a few moments into the game. From there, Lazbuddie punched out short gains and moved the ball to the Hart 3-yard line. Arthur Graves then toted it in for the Lazbuddie TD. The kick was wide to the left.

In the second quarter, the Hart Horns came alive and started a sustained drive from their own territory down to the Lazbuddie 12 behind the strong running of Stanley Dyer and Jimmy Brown.

With Hart hopes riding high, the fans saw the Horns get a five-yard penalty, then on the next play they watched Lazbuddie recover another untimely Hart miscue.

But Lazbuddie found the Hart defense too tough to handle and had to punt. The rest of the second period was a strict defensive battle and the half ended with Lazbuddie ahead, 6-0.

LAZBUDDIE relieved the opening kickoff of the second half and, to the dismay of Hart fans, promptly rang up a first down. But the Hart defense rose to the test and stopped the hosts. Hart then took the ball and punched out a first down only to find that Lazbuddie did not like to give them up, either. It took Hart's Longhorns a little while to get the ball back after that, but when they did, things really started popping. The Horns punched out one gain after another and when the third quarter ended, the Horns found themselves on the Lazbuddie 12-yard line again. The Horns then moved to the 3, where it was fourth down and one yard to go. But then a very untimely penalty set the Horns back five yards and this stiffened the Lazbuddie defense just enough to keep the Horns about a yard short.

But this didn't seem to daunt the never-say-die Horns as they were able to get the ball back with 5:00 left in the game. The which is state ranked, Tulia tries Floydada, and Olton runs into Muleshoe.

With his five touchdowns, Funk jumped away to a quick lead in the individual scoring race. Frierson is next after scoring all of Dimmitt's points.

Horns were unable to move the ball, however, and had to give it back to Lazbuddie.

Try as they might, the Horns were unable to get the ball back from Lazbuddie until there were only two minutes left in the game, but the Horns kept punching away until the last second.

With six seconds left in the game, the Horns sent Erasmo Castillo deep for the last pass of the game. Although Castillo was surrounded, he made a game try for the ball and almost managed to grab onto it before the Lazbuddie defenders ganged up to bat it down. This game ended with Lazbuddie still sitting on its 6-0 lead.

From the statistical standpoint, it looked as though Hart won the game, however, as the Horns outdistanced Lazbuddie 205 yards to 95 rushing, and the Horns had 12 first downs to only five for Lazbuddie.

The Hart Horns' next game is against the Turkey Turks Friday in Hart. This first home game will cap off Homecoming activities for Hart High School. Game time is at 8 p.m., with the queen to be crowned about 7:30.

Senior quarterback wins honor as first 'Bobcat of the Week'

Senior quarterback Jerry Matthews was announced as the first "Bobcat of the Week" at the second meeting of the Dimmitt Athletic Booster Club Monday night in the DHS cafeteria.

MATTHEWS drew praise from Head Coach Brown L. Smith for his outstanding performance in directing the Dimmitt offensive attack against Muleshoe in the season opener Friday night. The senior field general completed nine of 14 passes for 114 yards and moved the team well from the new Power-I formation, Smith noted.

The "Bobcat of the Week" is announced after coaches grade all players on their week's game performances, Smith explained. Matthews also was honored at the Tuesday luncheon meeting of the Dimmitt Lions Club.

AFTER showing the game film of Friday night's Dimmitt-Muleshoe contest, Smith said he was especially pleased with the way the varsity offense moved the ball, and that he felt Dimmitt's pass receivers did a tremendous job, putting forth extra effort that resulted in extra completions—sometimes in-

side a crowd of Muleshoe defenders.

The Boosters served ice cream and cookies to members of the football squads, then heard player introductions and team reports from coaches.

The 55 members of the seventh grade squad have been learning basic plays in the T formation in preparation for their game at La Plata Junior High in Hereford this week. Coaches reported that the boys show a lot of spirit and desire.

EIGHTH grade squad, featuring fast backs and small linemen, was reported coming along well. The eighth graders also opened their season at Hereford this week.

Dimmitt's freshman team and B-team scored the first victories of the season last week, with the freshmen downing Kress, 16-6, and the B-Cats shutting out Bovina, 20-0. Coaches praised both squads for their top defensive play.

TWO GAMES are on tap today (Thursday) in Bobcat Stadium, when the freshmen and B-team will take on their counterparts from Friona. The

State changes welfare policy

(Texas Press Service)

The State Board of Public Welfare has changed its policy to permit Old Age Assistance recipients to earn up to \$50 a month without loss of assistance payments, effective Nov. 1.

Under current eligibility rules, only \$7.50 of any income source is exempted in calculating an OAA recipient's budgeted needs for an assistance check.

The new policy will exempt the first \$20 of earned income and one-half the remainder up to \$80 a month.

Governor Smith said OAA recipients will be permitted a better standard of living and not penalized for working. OAA average monthly grant is about \$62.28.

And now abideth faith, hope and love, but the greatest of these is love. I Corinthians 13:13

We thank God for the love and concern you have shown to us during the passing of our beloved husband, father, and grandfather, Shorty. The many ways you cared for us so sympathetically and tenderly helped us bear our burden of sorrow. A heart felt thank you to Dr. Murphy and his staff, to the nurses and staff at Plains Memorial Hospital and to Dennis Funeral Home for their faithful attendance and services, to all our friends and relatives who cared for our every need, physically and spiritually, to each one of you who helped make the memorial service so uplifting. We shall be humbly and eternally grateful for your kindness and each expression of sympathy. We shall understand more and love more fully because we have walked "through the valley of the shadow." The view from your library

By MARY EDNA HENDRIX

Since the Castro County Library is low on funds, I have bought a few paperback books that some patrons have requested. Some of these are:

"GOD'S Psychiatry," by Dr. Charles L. Allen. This book contains wisdom from today, from ancient teachings of the Bible. It's a wonder-working manual which can change your life in just seven days!

"That Girl in Your Mirror," by Vonda Kay Van Dyke. A former Miss America invites you to share her secrets of success—poise, popularity, faith, dating, goals and individuality.

"Hey, Preach... You're Coming Through!" by David Wilkerson. Drugs and dropouts: the tragedy of America's young people and what must be done to save them.

"TWELVE Angels from Hell," by David Wilkerson. Backgrounds of dope addiction, alcoholism, and every conceivable sin stand out in sharp contrast to the now purposeful, dedicated lives of 12 young people who found God—in the asphalt jungle.

"Parents on Trial," by David Wilkerson. A man who left a comfortable pastorate to work

among teen gangs in New York shares his observations and understandings of delinquency.

WE ARE still receiving books. Rose Acker brought in a big box with a complete set of encyclopedias, along with some other books. And Mrs. Fred Lemma brought in some science-fiction books, which we have calls for so often.

THE AMARILLO Public Library has sent us a public appeal for written or printed materials about the Panhandle area, especially for Amarillo and Potter County, to build up its collection of local and area history. Can you help?

The library is collecting current items of interest, as well as older ones, since they may be lost if not preserved now. They would appreciate the opportunity to photocopy any valuable items you prefer not to give to the library. Especially in demand for the project are letters, diaries, memoirs, posters, reports, notices, minutes, menus, maps, books, newspaper clippings, pamphlets, photos, manuscripts, biographical sketches, club and society publications promotional brochures, church and school programs, notices of area businesses, handbills of fairs and celebrations, signed interviews, and summary histories of local clubs, businesses, churches, groups and families.

Newlyweds are at home in Amarillo

Mr. and Mrs. Johnny Wayne Ballard are living in Amarillo, following their recent marriage in the home of the bride's parents.

THE BRIDE is the former Jo Ann Shugart, daughter of Mr. and Mrs. Floyd Shugart of Dimmitt. Ballard is the son of Mr. and Mrs. Charles H. Ballard of Amarillo.

Given in marriage by her father, the bride wore a full-length gown of bonded crepe, featuring pleated sleeves and an Empire waistline. Secured by a headpiece of white daisies and seed pearls, the bride's tiered veil was of English illusion and tapered to elbow length in the back and edged with daisies. She carried a cascade bouquet of white and blue daisies with tied satin streamers, atop a white Bible. For something old and something borrowed, the bride wore her sister's necklace; something new was the Bible she carried, a gift from her mother; something blue was the traditional garter; and she had a sixpence in each shoe.

REV. M. A. Pennington, pastor of Northside Baptist Church, performed the double-ring ceremony by candlelight. Vows were exchanged under an archway covered with blue and white daisies and greenery. Blue can-

dles lighted the hallway an entrance.

Attending the bride as matron of honor was her sister, Mrs. Earl Smith of Plainview. She wore a blue Dacron knit dress with a blue and white corsage of daisies. Serving as best man was Patrick Senn of Columbia, S.C.

A recording of the Bridal Chorus from "Lohengrin" was played as the wedding began. Mendelssohn's "Wedding March" was played at the close of the ceremony.

A **RECEPTION** was held following the ceremony. The table was covered with a blue cloth and white net, and the centerpiece was a blue and white arrangement of daisies flanked by blue candles in silver candelabras.

The bride wore a floral peasant dress and a corsage of white daisies for a short wedding trip.

The bride, a graduate of Alamo High School in Amarillo, is employed at the Palm Springs and European Health Spa. The groom is attending Amarillo College.

MRS. JOHNNY WAYNE BALLARD
... The former Jo Ann Shugart

Mullinax - Goodwin vows are recited

Miss Debi Mullinax of Clovis became the bride of Beelee Goodwin of Dimmitt in an informal ceremony last Wednesday in the parlor of the First United Methodist Church of Dimmitt.

THE BRIDE is the daughter of Mr. and Mrs. Clyde Mullinax of Clovis. The groom's parents are Mr. and Mrs. P. O. Goodwin of Dimmitt.

Mike Goodwin, brother of the groom, officiated at the double-ring ceremony.

Serving as matron of honor was K. Sharon Freeman, the groom's sister. The groom's father served as best man, and Joe Page Kenmore was the usher.

Mrs. Richard Bales, organist performed traditional wedding music and accompanied Mrs. Truman Touchstone, soloist, who sang "We've Only Just Begun" and "Wedding Prayer." **GIVEN IN MARRIAGE** by her father, the bride wore a street length dress of baby blue, and carried a bouquet of white rosebuds and baby's breath with white streamers.

The matron of honor wore a blue dress of Dacron knit and carried a nosegay of white rosebuds.

A reception in Lamar Fellowship Hall followed the ceremony. After Sept. 22, the newlyweds will be at home at Fort Dix, N. J., where the groom is stationed with the US Army.

Genealogists to meet tonight

The Castro County Genealogical Society will have guest night at its first fall meeting tonight (Thursday) at 8 in the county library.

SOCIETY members invite all who are interested in tracing their family histories to be guests at the first meeting, and to bring any books or materials you have so they can be shared.

Those attending will decide standard meeting times for the year.

MR. AND MRS. RONALD WAYNE PRATHER
... She's the former Susan Allison Muller of Glen Ellyn, Ill.

Busy sorority begins new year

Alpha Epsilon Tau chapter of Beta Sigma Phi sorority conducted a pledge meeting, voted to help chaperon teenage dances in Dimmitt, heard a program on "Speech and Oratory" and started making plans for the new club year at the first 1971-72 meeting last Wednesday.

THE MEETING was held in the Castro County Country Club. Conducting the pledge meeting prior to the business session were Mrs. Patricia Braafladt, vice-president, and Mrs. Marilyn Carver, pledge training captain. All eight of the chapter's pledges were present.

During the business session, the service committee called for a vote on the chapter's willingness to chaperon teen dances here, and members voted to make the offer.

Mrs. Virginia Hansen, chairman of the ways and means committee, submitted a tentative date of Oct. 23 for the chapter's annual Harvest Hoedown. **PRESENTING** the program on "Speech and Oratory" was Katie Thomas, Dimmitt High School student. In charge of the program were Mmes. Nancy Alexander and Jan Baca.

Hostesses for the meeting were Mmes. Jane Balckburn and Jean Morris.

N. L. Wesson to be honored

Friends of Norris L. Wesson are invited to help him celebrate his 80th birthday Saturday in the community room of the First State Bank of Dimmitt.

The reception will be from 5 to 7 p.m.

Price proposes amendment

Noting that it appears that the federal courts are not going to retreat from their decisions requiring busing to achieve racial balance in schools, Congressman Bob Price has introduced a proposed constitutional amendment to prohibit assignment of pupils on the basis of their race, color, or creed.

"I **HAVE HESITATED** to introduce this resolution previously because of a continuing hope that the federal courts would see the fallacy of their decisions. Price told the House.

"It is now obvious that the courts have refused to recognize the actions of Congress in the form of numerous laws forbidding the use of busing as an instrument to achieve racial balance. For this reason, I feel compelled to introduce this proposed amendment, the congressman added.

Price pointed out that his purpose is not to promote segregation but to promote neighborhood schools and to prevent massive school busing and its inherent disruptive effects.

"SINCE I have been in the House, this body has always maintained its opposition to achieving racial balance simply for the sake of achieving racial balance. Nevertheless, the Supreme Court has refused to recognize our action and has gone ahead with its busing edicts.

"I believe this amendment will go a long way toward re-establishing the policy of local school boards and parents running our schools instead of the Supreme Court," Price said.

SEN RALPH HALL of Rockwall said last week he will announce for lieutenant governor in September.

Student newlyweds at home in Dallas

Mr. and Mrs. Ronald Wayne Prather are now at home in Dallas, following their recent wedding in the First Congregational Church of Glen Ellyn, Ill.

MRS. PRATHER is the former Susan Allison Muller, daughter of Mr. and Mrs. R. Raymond Muller of Glen Ellyn. Prather is the son of Mr. and Mrs. Dale Prather of Dimmitt.

Prather is a student in political sciences and law at Southern Methodist University. The bride is a June graduate of SMU.

Rev. Winfield Hall officiated at the afternoon double-ring ceremony.

MAID OF HONOR was Jennifer Carter of Glen Ellyn. Serving as bridesmaids were three of the bride's Delta Delta Delta sorority sisters, Ann Keegan of Glen Ellyn, Elaine Bates of Stillwater, Okla., and Joyce Henderson of Georgetown, Texas.

Robert Dillon of Dallas, Kappa Alpha fraternity brother of the groom, was the best man. Groomsmen were David Prather, brother of the groom; Scott Muller, brother of the bride; and John Brewster of Dallas, a fraternity brother. Ushers were Herbert Mosca of Greenwich, Conn., and Dwight Mitchell of Fort Worth, also fraternity brothers.

A champagne reception at the Glen Oak Country Club followed the ceremony. A buffet supper for out-of-town guests was served at the bride's home following the reception. Highlights of the reception were a serenade to the couple by 15 Methodist Kappa Alphas, and the reading of a telegram from the bride's brother and family in South Africa.

THE NEWLYWEDS took their wedding trip to Lake Geneva. Mrs. Cecil Crum and friends of the groom's family in Dimmitt gave one of the prenuptial parties for the couple.

Brooks - Cameron site is changed

The wedding of Rene Brooks, formerly of Hart, and Roger Cameron of San Francisco will be at 7 p.m. Sept. 25 in the First United Methodist Church of Hart, instead of in a Dallas church, as announced last week.

Miss Cordova

Nov. 13 vows set

Mr. and Mrs. Joe Cordova of Dalhart announce the engagement and approaching marriage of their daughter, Imelda, to Robert G. Ortega, son of Mr. and Mrs. Joseph J. Ortega of Dimmitt.

THE WEDDING will take place at St. Anthony's Catholic Church in Dalhart Saturday, Nov. 13, with Father B. A. Erpen, pastor, officiating.

The bride-elect, who is known best to family and friends as "Kookie," attended Dimmitt schools before moving to Dalhart, and is a 1971 graduate of Edinburg High School.

The prospective groom attended school in Dimmitt and was a 1969 graduate of Tucumcari High School. He served in the US Coast Guard, and is now living in Dalhart.

Homecoming swings into high gear; will climax Friday

By MYRT LOMAN
Hart High School's 1971 Homecoming swings into high gear tonight (Thursday) with a big bonfire and pep rally scheduled to start at 8 o'clock south of the Little League park.

Students in HHS are wearing their school colors to class for "Maroon and White Day." Wednesday was "Western Day," and Friday will be "Dress-up Day." A Bonfire King will be crowned during tonight's fireside pep rally. Candidates are Guillermo Carrasco, Erasmo Castillo, James Taylor and Jimmy Brown.

The Homecoming will reach its climax Friday with special activities in Hart High School during the day, a spaghetti supper in the evening, pre-game crowning of the Football Queen, and the Homecoming game between the Hart Longhorns and the Turkey Turks.

School events Friday will include a pinning ceremony in the morning and another pep rally in the afternoon.

The spaghetti supper will be served in the school cafeteria from 5:45 to 7:30 p.m.

Candidates for Football Queen are Genice Crosby, Nelda Henderson, Jean Foster and Kathy Crawford. The new queen will be crowned about 7:30 at Longhorn Field, just before the game. Kickoff time for the Homecoming game will be 8 p.m.

STUDENTS in the seventh through 11th grades had their

photos made for the school yearbook Friday.

Hart's seventh, eighth and ninth grade football teams played Shallowater here Tuesday evening.

A CHORAL GROUP of Hart High School students presented the program to the Lions Club at the Monday noon meeting in the community room of Farmers State Bank.

Robbie Hawkins, song director for youth of the First Methodist Church, led the 16-member group.

Jean Foster presented piano selections during the dinner hour.

Some 20 members were present with District Lt. Gov. Ed McCreary of Tulia and Ted Ronn as special guests.

The club voted to sponsor concession stands at home football games played by the junior high teams.

MRS. HOMER HILL recently flew to San Antonio to visit with relatives and brought her sister, Mrs. Lilly Shultz, home with her for an extended visit with other sisters, Mrs. Houston Sullivan, Mrs. Tump McLain and Nathan Bain, a brother in Edmondson.

Sunday afternoon Mrs. Hill honored her grandchildren with a watermelon feed at her home. The melon weighed approximately 100 pounds and was brought from Oklahoma.

THE BROTHERHOOD of the First Baptist Church sponsored a program Sunday afternoon for residents of Golden Spread Nursing Home in Dimmitt.

Elmer Six led group singing, accompanied by Mrs. Everette Heller at the piano. Vaughn Ross gave the devotional. Others attending from Hart were Mrs. Warren Lemons, Mrs. Myrt Loman and Rev. C. T. Cunningham.

Following the program, the residents enjoyed short personal visits with Hart folks.

'LET'S MAKE A DEAL' was the theme of Beginning Day for Xi Mu Iota chapter of Beta Sigma Phi sorority last Thursday, and the TV-show parody brought out some weird costumes. Seated, from left, are Mrs.

Weldon Jones, Mrs. Wister Clevenger and Mrs. Jerry Allen. Standing, from left, are Mrs. Doug Higgins, Mrs. Bob Reed, Mrs. Newlon Rowland, Mrs. Theron Morrison and Mrs. Tom McLain.

MEMBERS of the Future Homemakers of America chapter of Hart High School sponsored a "kidnap breakfast" Saturday morning for the freshman girls.

Breakfast of doughnuts, fruit juice and spiced tea were served to the group in the classroom of the chapter.

Freshmen were dressed in pajamas and robes, and were loaded into the back of a pickup and driven around teachers' homes and downtown, singing "Jingle Bells."

Attending were the senior members of FHA, freshman in-

itiate and Mrs. Jan Hagler, sponsor.

RODNEY SMITH has sold controlling interest of the Hi-Point Grain & Fertilizer Co., but continues to hold an interest in the business with some 31 other local farmers.

The following new officers were recently elected: George Ed Bennett, president; Jack George, vice-president; and Ray Joe Riley, secretary-treasurer. Directors are W. W. Lemons, Paul Armstrong, John Gilbreath and Smith.

W. T. Sanders will continue as manager and Mrs. Bill Swindle as bookkeeper.

XI MU IOTA will sponsor the spaghetti supper Friday evening at Hart School cafeteria from 5:45 to 7:30 p.m., preceding the first home game.

'LET'S Make a Deal' was the theme of Beginning Day of the 1971-72 year for Xi Mu Iota chapter. The meeting was held in the community room of Farmers State Bank last Thursday night.

Deals and more deals came in by the numbers. Mrs. Wister Clevenger and Mrs. Jerry Allen made good deals by bringing in a sewing machine and surprise bowl. Mrs. Bob Reed made the biggest deal, bringing in Granville Martin, Castro County deputy sheriff. Mrs. Weldon Jones, who came as a spy, was judged the best dressed.

Many items were traded for, such as men's shoes (he was wearing them at the time), a pickup and trailer, and a goat.

Social hostesses for the party were Mrs. Doug Higgins, Mrs. Bob Berry, Mrs. Willis A. Hawkins Jr., and Mrs. Ed Bennett. Sandwiches, chips, dips, Coke, coffee and cake were served to the 12 hungry dealers.

THE WOMEN'S Society of the First Methodist Church will sponsor a tea at the church Thursday from 3 to 5 p.m.

A speaker and program will be provided. All ladies of the church are invited.

Following the luncheon, a short business meeting was conducted by the president, Mrs. Leonard Griswold. Club members will be guests Oct. 26 of the Muleshoe Hobby Club, meeting in fellowship hall of the First United Methodist Church.

Members who celebrated birthdays since the last meeting were Mrs. W. A. Hawkins Sr., Mrs. Sid Farmer and Mrs. L. C. McLain.

Mrs. Leonard Griswold served as auctioneer for the "Penney Auction" project, which brought in \$26.73 to be contributed to the Castro County Cancer Fund.

Financial Facts
By Willis A. Hawkins, Jr.

Nothing works all of the time and in all kinds of markets. This is what is wrong with systems and the books that tell you that you can make a million dollars.

What is important to realize is that the Game is seductive. If playing has been fun, it may be difficult to stop playing, even when that button of yours is burning your finger. Repeated shocks will give you anxiety, and the anxiety is the enemy of identity, and without identity there is no serenity.

If you really love playing the Game, any action is better than inaction. And sometimes you will find inaction is the proper course, if it has been taken after

measuring all the measurable options.

WATCH NEXT WEEK FOR "WHAT IS THE MONEY GAME?"

Hope all Hart Exes will attend Homecoming.
