NUMBER 262

OUT OF SEASON—Usually scantily dressed for their performances in a theater in Chicago, these chorines put on the warmest clothing they could find in their summer wardrobes when a surprise cold spell hit the Windy City recently.

Meat Crisis Grows; War-Time Rationing Possible

OUTLOOK OF SCHOOLS IS EXCELLENT

The Cisco public schools will open their doors for the 1946-47 term with the best prospects since the start of the war. A heavy enrollment is anticipated, while the faculty that has been secured is considerably above the average in training and ability and experience.

All students below high school grades will be enrolled beginning at 10 o'clock at their respective buildings. Enrollment will occupy all of Monday for these students and there will be no classes in the elementary grades on the first day. Students will simply register and return to their homes.

At Cisco Junior college, enrollment will begin Tuesday. That day has been set aside for registration of freshmen, and other classes were requested to observe this distinction in order that the process of matriculation may be expedited.

Freshmen, therefore, will enroll Tuesday at the college and on the following Wednesday, sophomores will matriculate. This schedule was adopted, as stated, to speed up the enrollment process and insofar as possible students are requested to observe it.

Funeral services will be held at the First Methodist church with the Rev. Leslie Seymour of Ennis, former pastor, assisted by Rev. Allen A. Peacock, pastor, officiating. Burial will be in Oakwood cemetery by Thomas funeral home.

Pallbearers will be Dr. Paul M. Woods, A. D. Anderson, George Fee, H. S. Drumwright, J. L. Thornton and J. T. Anderson.

Mr. Mitcham is survived by his wife and five children. The children are James R. Mitcham, Brownwood, Texas; Bill Mitcham and G. P. Mitcham Jr., Cisco; Fred J. Mitcham, Dallas, and Miss Mary Martha Mitcham, Cisco. Two sisters also survive. They are Mrs. L. Waldrom of Weatherford, Texas, and Mrs. R. J. Birdwell of Beverly Hills, California.

Mr. Mitcham was born in Malakoff, Texas, September 4, 1880. He was an alumnus of Southwestern University at Georgetown which he attended in 1900.

For more than 40 years he was active in oil and ranching with extensive interests in the east Texas oil fields and large ranch holdings in the Cisco area. His foundation stock Hereford farm, 12 miles northwest of Cisco, was noted for its fine strain of purebred Hereford cattle which brought high prices at regular auctions. Shortly before his death Mr. Mitcham arranged for a dispersal sale to dispose of more than 600 individuals of this fine herd. The sale will be held this month.

Mr. Mitcham was a liberal giver to the Methodist church, of which he had been an active and loyal member for 54 years. He gave not only of his means, but of his time as an administrator and worker in the cause of his church, serving frequently as a member and chairman of boards of stewards and as superintendent of the Sunday school.

As mayor of the city of Cisco in 1940 and 1941 he was chiefly instrumental in the refunding of the city's burdensome municipal debt, which placed that public obligation on the more tolerable basis it now occupies.

He was a Mason, a member of the Cisco Lions club while he was active, a director of the Eastland County Livestock and American Hereford Breeders' association and took a prominent part in all local and national oil associations.

Opa Price Picture is Nightmarish to the Average Man

WASHINGTON, Sept. 7. — Price picture is plenty dark. Housewives soon will pay more for cooking and salad oils made from cottonseed. Ceilings will be increased to keep in line with butter, on which controls were lifted, and hog lard, for which OPA has granted increase.

Furniture will cost about 25 per cent more. Retailers must sell present stocks at old ceilings, new goods will be higher.

Agriculture department experts predict government loans will be required next year to keep wheat prices at 90 per cent of parity required by law. Reason: Drop in export demand, prospect of bumper crop.

"Dry" Oklahoma reports blended whiskey selling at \$6 a fifth as against \$12 to \$15 a year ago. Explanation: Returning GI's flocked into "importing" business, broke the market.

Government Too Busy to Make Atom Bomb Tests

WASHINGTON, Sept. 7. (U.P.)—President Truman—in what was termed a surprise move—today put off indefinitely—and perhaps permanently—the deep-water atomic bomb test scheduled at Bikini next spring.

His unexpected decision was based on recommendations of the joint chiefs of staff, the secretaries of war and navy and the president's commission to evaluate the tests.

STILL AT OUTS. PARIS, Sept. 7. (U.P.)—The council of foreign ministers, deadlocked in three consecutive sessions during the past 10 days, called a new meeting today in a final effort to reach agreement on whether to postpone the United Nations General Assembly due to meet Sept. 23 in New York. The meeting will be held at 9 p. m. tomorrow in the French foreign office, right after U. S. Secretary of State Byrnes returns to Paris from Germany.

ONE IN EIGHT. WASHINGTON, Sept. 7. — One veteran out of every eight today receives the \$20-a-week-for-52 weeks GI jobless pay. The Re-training and Reemployment Administration blames that relatively high ratio on (1) the inability of veterans to find suitable jobs and (2) their unwillingness to look for work at this time.

Eight miles north of Cisco in Section 2, SPRR survey, Cities Service was drilling at 800 feet in its W. T. Hittson after skidding rig from the first location where hole was lost. This is an Ellenberger test.

Homer Snowden No. 2 on the Donovan, NW 1/4 Section 488, was drilling below 2,000 feet. Jake Sandefer et al J. W. Clanton, northeast extension to the Manning O'Conner pool, in SW corner of Section 42, Block 7, TPRR survey, was drilling below 1,500 feet.

Tom Jerick et al J. C. Dyer, 660 feet from north line and 330 feet from west line of SW 1/4 of Section 466, SPRR survey, Eastland county, has set surface pipe on an Ellenberger test.

E. E. Fogelson et al SE 1/4 of NE 1/4 of Section 64, Block 11, TPRR survey, south Shackelford county, was drilling ahead after setting surface pipe on an Ellenberger test.

HOME FROM VALLEY. Charles J. Kleiner and Ray Jacobs returned Saturday from a trip of several days to the Kleiner ranch near Weslaco, Rio Grande Valley. Mr. Jacobs is manager of Mr. Kleiner's Haskell county ranch. Returning to Cisco with them was James Kleiner, son of Mr. and Mrs. Kleiner, who had spent several weeks in the valley.

By United Press

CHICAGO, Sept. 7. — The nation's housewives, harassed during the long war by severe meat shortages, were told tonight that the worst was yet to come.

George Dressler, executive secretary of the National Association of Retail Meat Dealers, said the nation faced "the worst meat shortage we've ever had."

Receipts of cattle and hogs at the larger packing centers dropped to record lows last week. Many packinghouses closed, laying off thousands of workers. Others operated with skeleton crews.

At Washington, the OPA and the department of agriculture contemplated setting up a special inter-agency committee to study the possibility of rationing meats, fats and oil again.

Livestock experts attributed the new meat crisis to restoration of OPA ceiling prices and to the almost unprecedented volume of livestock sales during the month in which the OPA did not operate.

Mrs. Laura Greenhaw to Open Flower Shop at Home

Mrs. Laura Greenhaw, well known Cisco woman and popular in church and social circles, will open a florist shop Tuesday in her home at 1505 C avenue.

The Greenhaw home has been partially remodeled with this purpose in view.

Mrs. Greenhaw has just returned from Austin, where she completed a course in floral designing. The new floral shop will carry pot plants and cut flowers in season and arrangements have already been made with various wholesale florists in Texas and other states to fill telegraphic orders when necessary.

Mrs. Greenhaw for the past three years has been manager of Mott's Little Variety store, here.

GOOD CITIZENS DEPART. Dr. and Mrs. C. M. Barnes and little daughter Polly Ann, who have been residents of Cisco for the past two and a half years, have moved to Crowley, Tarrant county, and the two will enter Ft. Worth Baptist Theological Seminary, to prepare themselves for foreign missionary work.

Dr. Barnes, a veterinary surgeon, made many friends during his residence here and all will regret to see the family leave. He was an active member of the Lions club and both have been leaders in First Baptist church work. They came to Cisco from College Station, where Dr. Barnes graduated from A. and M. College.

GREAT MERCHANT FLEET HELPLESS

WASHINGTON, Sept. 7. (U.P.)—The nation tonight faced an indefinite paralysis of its ocean and coastwise shipping.

Government officials frankly were baffled in seeking a solution to the maritime strike that has kept the world's greatest merchant fleet rusting in port since midweek. And a union official warned that the seamen would call for a nationwide general strike if the government tried to move even one of the ships in defiance of the walkout.

The threat, voiced in New York by Port Agent Hall of the Seafarers' International Union—AFL—was spiked a few hours later by Philip Pearl, spokesman for AFL President William Green.

He listed among a "wild crop of rumors" a report that the government might operate the strike-bound ships. A high government official also scoffed at the possibility that the government might run the ships.

In New York, the walkout became almost complete when crews of 2,200 tugboats in the nation's largest port struck in sympathy with the maritime walkout.

In San Francisco, Assistant Secretary of Labor Philip Hannah and Harry Lundberg, secretary of the striking sailors union of the Pacific, conferred for more than an hour in what a union spokesman termed a "preliminary conference" on the nationwide maritime strike.

Neither had any statement to make on the conference, nor did they indicate if any further meetings would be held.

NEW LEGION HEAD. GALVESTON, Sept. 7. — Betram E. Giesecke, Austin, was the new Department commander of the Texas American Legion today after his election last night at the closing session of the Legion's 30th convention. Giesecke succeeded Herman G. Nami, of San Antonio. Rabbi Robert I. Kahn, Houston, became the first Jewish chaplain in the department's history.

LUCKY FELLOW—Little Peter Braff, Brooklyn, is chosen "Mr. America" by these beauty contest winners. The girls are (top left to right), Miss Texas, Miss Newark, Miss Virginia. Seated, left to right, are Miss New York State, and Miss New York City.

MANY COMMUNITIES OF CO. WILL TAKE PART IN CISCO PEANUT FESTIVAL, SEPT. 14

Eleven girls representing communities in Eastland county had entered in the contest for Peanut Queen at the Peanut Festival to be held at Cisco Saturday, September 14. It was announced this week. The contestants, the communities they represent, and the sponsors are:

Norma Prange, Reich, Lions club; Joan Penn, Cottonwood, Humble Pipe Line Co. employes; Ruby Jordan, Nimrod, Rotary club; Cozelle Earp, Okra, Thornton Feed Mill; Earline Brown, Pioneer, Henry Produce Co.; Billie Parks, Dan Horn, Veterans of Foreign Wars; Marjorie Hines, Pleasant Hill and Shady Grove, Cisco Livestock Show Ass'n; Melba Ruth Reed, Long Branch, Cisco Peanut company; Johnnie Bob Sprawls, Romney, Burton Lingo Lumber Co.; Barbara Franklin, Morton Valley, Palace Theater and Edith Ray Agnew, Rising Star, sponsored by Rising Star.

Besides these entries, others are expected to be entered by a number of additional Cisco firms and communities of the county.

The queen will be chosen in a contest to be held at 3 o'clock Saturday afternoon at the festival grounds and will be presented in another program Saturday evening at 8 o'clock. Stage for the contest will be provided by the Cisco Lumber and Supply company, and the setting and presentation will be arranged and carried out by a committee consisting of Mrs. Sutton Crofts, Mrs. R. H. Cutting and Mrs. Fred Scott under the direction of Lewis Starr who with Mrs. Starr staged the highly successful bathing revue at Lake Cisco during the Homecoming celebration in August.

The girls will appear in street dresses at 3 o'clock when the selection is to be made and the girl chosen as queen will then be presented in a court at 8 p. m.

The program for these events is yet to be announced but one feature will be orchestra music by the Leonard King orchestra. Selection of the dresses for the girls is in charge of the women of the committee.

While the Peanut Queen contest is an outstanding attraction of the festival, the program for the event includes a number of features of education and entertainment appeal. Scheduled for the afternoon is a series of horse races on the old Cisco airport tract, where a race course has been laid out.

The races will be run under the direction of a committee headed by Sutton Crofts, at 4:30 o'clock. The program includes a number of matched races, possibly a saddle horse race and other events. There will also be a Shetland pony

race and all boys who wish to enter this event were instructed to see Mr. Crofts, Jim Sauls or T. G. Caudie at once. An entry fee of \$1 will be charged in the pony races and probably in the saddle horse races, this money to be used for prizes.

The festival, originally scheduled for the new Livestock show barn on Highway 283 north of Cisco, has been transferred to the county road machinery barns on South D avenue, because of a delay in completion of the livestock barn. The county barns, however, furnish excellent accommodations. They were made available by County Commissioner Arch Bint.

Educational features of the festival include lectures on a variety of topics of interest to peanut growers by experts in agriculture. There will be programs of this character from 10 to 12 in the morning and 1 to 3 in the afternoon.

Talks will be given on winter cover crops for peanut farms by Johnson Simpson, SCS, Rising Star; diseases of peanuts—Treatment vs. inoculation, by E. A. Miller, extension agronomist of Texas A. & M. College; fertilization and cultivation of peanuts, by B. C. Langley, of the Stephenville Experiment Station; home uses of peanuts, by Miss Myra Tankersley, county home demonstration agent; history of the Southwestern Peanut Growers Assn., by W. B. Starr, Eastland county peanut farmer of near Cisco; present grades and prices for peanuts, by E. D. David, manager of the Southwestern Peanut Growers Association, of Gorman, and peanut outlook for the future in Eastland county, by George I. Lane, of the FSA, Eastland.

The program will be concluded by a round table discussion. First prize in the peanut contest will be 10 bags of fertilizer donated by the peanut growers association; second prize \$10 by the Gorman Peanut company; third prize \$7.50 by Linkenhogor Truck and Tractor Co. and King Tractor Co. of Eastland; fourth prize \$5 by J. C. Penney store of Cisco; fifth prize \$2.50 by the Eastland chamber of commerce, and sixth and seventh prizes, ribbons by the Eastland National bank.

OPENING GUN. PARIS, Sept. 7. (U.P.)—Secretary of State James F. Byrnes' declaration on Germany, it was said tonight, was the opening gun in a drive by Britain and the United States to convoke a Big Four meeting this fall to start work on peace treaties.

GEORGE P. MITCHAM, 66, GOOD CITIZEN AND ABLE BUSINESS MAN, WILL BE BURIED TODAY

Cisco will pay final tribute this afternoon at 4 o'clock to George Preston Mitcham, 66, who, as a former mayor and a liberal giver of his means, was instrumental in assisting this city through some of its most trying economic experiences.

Mr. Mitcham's death occurred Friday evening at 6 o'clock at a local hospital. It ended a long period of illness, for the last few weeks of which he was completely helpless. His indomitable will and energy, however, manifested itself until the end. Even after he had lost the power of speech months ago, and, more recently, any means of communicating his desires to others, he continued mentally alert and interested in his

affairs and what went on about him.

Funeral services will be held at the First Methodist church with the Rev. Leslie Seymour of Ennis, former pastor, assisted by Rev. Allen A. Peacock, pastor, officiating. Burial will be in Oakwood cemetery by Thomas funeral home.

Pallbearers will be Dr. Paul M. Woods, A. D. Anderson, George Fee, H. S. Drumwright, J. L. Thornton and J. T. Anderson.

Walther Leaguers Hear Missionary Tell of India

The young people of Grace Lutheran church and visitors who met at the home of Paul Weiser, enjoyed hearing Rev. John Naumann foreign missionary, speak about India, its people, its customs, its political difficulties and how conditions affect our missionary work and what the missionaries are doing by the preaching of the gospel.

The impromptu talk was made before this group of young Walther leaguers who had met for a business meeting. In this meeting a revision of the constitution, the planning of a fall rally and presentation of a play was discussed.

In the talk that followed it was pointed out by the visiting missionary that a native ministry is being trained to take over more and more of the work.

Missionary Naumann and his family are visiting in the home of his brother, Rev. G. T. Naumann pastor of the Cisco Lutheran church. He plans on going on to Minnesota Monday, where he will remain during his furlough, after which he will return to his work in India.

OCTOGENARIAN FATHER—James (Roby) Pearson, 84, sits with his young family at their home in Sneedville, Tenn. He and Mrs. Pearson are proud parents of a new daughter, 31. When their first baby was born, Mr. Pearson was 78.

OPEN FORUM.

Cisco Country Club, Editor Daily Press.
 A plan of reorganization for the Cisco Country club has been perfected and a drive for new memberships is under way. So far, though moderate success has been attained in getting new members, the proper enthusiasm is not being expressed by citizens.

This property consists of 90 acres of land on which is located a nine-hole golf course and a club house. This club house, ideally located in a setting of rolling landscape with green hillsides and wooded valleys in the distance, overlooks beautiful Lake Cisco and no lovelier view can be found in this part of the country.

On this property there is a debt of \$8,500, while the estimated value of the club grounds exceeds \$20,000. It is difficult to understand why property of this value, with so little encumbrance, is not more appreciated by citizens of Cisco.

A country club is a civic enterprise, just the same as the chamber of commerce, the city park or other things that make a city a good place in which to live. It needs no introduction by a salesperson. It is an established institution, a place where one can go to put aside worries; where one can relax and meet friends; levity and frolic and enlightenment is the theme. It is a place of entertainment that we can create for our children, a place where they can go for the right kind of fun and relaxation in the right kind of environment. Here, there is to be a diversity of interests for them—golf, tennis, swimming and other things. There is not a citizen of Cisco who would like to see this property destroyed, the golf club grow up in weeds—yet, unless the citizens of Cisco lend their support to this project, by becoming members, the plan of reorganization will fail.

Every town of similar size or smaller around Cisco has a country club in successful operation. It would seem that our citizens would not like to admit that we are slipping backward in a civic way and

would be as eager to do as much as neighboring cities are doing. The stock membership fee has been set at \$120, \$20 of this amount being federal tax. The dues have been set at \$3 per month and 20% federal tax.

The directors feel that, perhaps the citizens of Cisco have not given this undertaking the proper thought, and that once they acquaint themselves with the possibility of losing the club entirely, the response for getting the 85 to 100 members necessary will become more enthusiastic.

The campaign is on. It must go over (and this writer believes it will—with room to spare). We owe it to the youth of our community, if not to ourselves. Who can resist?
 A MEMBER.

CHURCHES.

First Presbyterian.

Sunday school at 9:45, with classes for all ages. Bring your child and join a class. Sermon subject at 11, "Individual Responsibility." Special music by the choir. Sermon subject at 8 p. m., "Have Faith in God." Tuesday, Auxiliary inspirational meeting at 3 p. m. at the church. The fall meeting of Presbytery will be held in San Angelo, Tuesday morning at 9. Remember this meeting in your prayers, that the work done there may advance God's Kingdom here on earth. There will be no prayer meeting Wednesday, Friday. Choir practice at 8 p. m. Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off unwanted weight and helping back-aching curves and graceful slenderness. Just get from your druggist, four ounces of liquid laxative, formerly called Barcol Concentrate. Add enough grapefruit juice to make a pint. Then get into two tablespoons twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back-breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle and get your money back.

us. STUART McC. ROHRE, Minister.

Grace Lutheran.

"The Truth Shall Make You Free" will be the theme of the sermon this morning. Sunday school and Bible classes at 10 and the service at 11. The public is cordially invited to attend. Misses Anne Cook of Texarkana, Ark.; Wanda June Bond, Gene Grantham, Linda Fee, Cathryn Shepard, Betty Shicker, Dorothy Jean Anderson, Billie Jean Hall, Helen Childers, and Messrs. Rob Kamon, honoree, W. L. Milner of Ranger; Victor Childers, Sammy Kimmell and Mr. and Mrs. Kamon.

MRS. DUDLEY GUEST SPEAKER AT LUNCHEON.
Beginning club activities of the fall season, a luncheon was held Thursday by First Industrial Arts club on the roof of hotel Laguna. Floral decorations and place-cards

emphasized club colors of purple and white. Mrs. L. E. Dudley of Abilene, president of district six, was honor guest of the occasion.
Invocation was offered by Mrs. Lucretia Irby, a guest, following which the group was seated at a long U-shaped linen covered table which held decorations of purple and white flowers, placed along the table length. Mrs. Joe Clements, toastmistress, then requested each member to introduce her guest.

Following the meal Mrs. Clements presented Mrs. N. A. Brown, club president, who gave a splendid talk in which activities of the club were outlined for the coming year. Mrs. Dudley, invited guest speaker, was then introduced by Mrs. Clements and gave a constructive address in which she told of "What the Federation Means to the Club Woman and What the Club Woman Means to the Federation." The address was given in a direct, earnest manner and was well received.

Excellent music was furnished by Miss Gloria Graham, violinist, and Miss Betty Slicker, pianist, preceding Mrs. Brown's address.
Those present were Mrs. L. E. Dudley, Mrs. W. J. Armstrong, Mrs. Grace Boland, Mrs. J. E. Crawford, Mrs. C. H. Fee, Mrs. M. E. Fry, Mrs. E. L. Graham, Mrs. S. E. Hittson, Mrs. B. S. Huey, Mrs. O. W. Hampton, Mrs. Lucretia Irby, Mrs. J. J. Tableman, Mrs. Rudolph Kamon, Mrs. E. McCracken, Miss Marion Chambliss, guests, and the following members: Mrs. N. A. Brown, Mrs. Ed Aycock

Light refreshments were passed at the close of the games to Mrs. C. R. Baugh, Mrs. George D. Fee, Mrs. A. J. Ward, Mrs. E. McCracken, Mrs. Joe Wilson, Mrs. Connie Davis, Mrs. T. J. Dean, Mrs. Sam Baugh, Mrs. W. W. Fewell, Mrs. Bill Childers, Mrs. J. E. Crawford, Mrs. A. T. Boland, Mrs. Philip Pettit, Mrs. John Shertzer, Mrs. W. H. LaRoque and Mrs. Moore.

ROB KAMON WAS SURPRISE HONOREE.
Rob Kamon was a surprised honoree Friday evening, September 6, when twelve friends met in the home of his parents Mr. and Mrs. Rudolph Kamon to honor him on his birthday.

Mrs. Kamon had decorated the house with cut flowers earlier in the day which made a gay setting for the birthday party. Games were enjoyed by the group and prizes were given to Victor Childers and Misses Betty Slicker, Gene Grantham and Billie Jean Hall.

Refreshments were passed at the close of the pleasant evening to

FERGUSON'S

"Can We All See the Bible Alike?"

If we understand the Bible at all we understand it ALIKE. You cannot UNDERSTAND the Bible DIFFERENTLY! You may MIS-UNDERSTAND it differently. The differences in religious opinions come over what the Bible has NOT said, rather than over what it does say. All can understand just what the Bible has said. What we cannot see alike is the many and varied OPINIONS men have taught in ADDITION to the Bible. If everyone will take exactly what the Bible says, no more and no less, all will see exactly alike, and no divisions will exist! Applying this principle: Some say the church should be called one thing, others something else. No one can agree on human names. All DO agree that the congregations of which Paul wrote in Romans 16:16 were called "churches of Christ." But some claim to be this kind of "Church of Christ" or that kind of "Church of Christ." But again the differences is over WHAT MEN SAY. One human name is as good as another, but men will not agree upon them. But none of them are as GOOD as the name of CHRIST. (Phil. 2:9), in which there is SALVATION (Acts 4:11-12), and of "whom the whole family in Heaven and earth is named" (Eph. 3:14-15). All CAN see alike who will lay aside "commandments of men" and will, "SPEAK AS THE ORACLES OF GOD" (1 Pet. 4:11).

panied by Mr. and Mrs. Glen Baugh and Miss June Guinn are spending the weekend in Houston.

A. D. and Dick Anderson will return to Lubbock in a few days where they are students at Texas-Tech., after a pleasant summer vacation in Cisco with their parents Mr. and Mrs. A. D. Anderson.

Burkett Huestis will go to Stephenville this week to resume his college work at John Tarleton College.

Miss Dorothy Nell Pugh will leave today for Denton to resume her college work at North Texas State, after a short vacation here with her parents Mr. and Mrs. E. L. Pugh.

Miss Martha Helen Brecheen plans to leave Tuesday for Lubbock where she is a student at Texas-Tech. Miss Brecheen spent her summer vacation in Cisco with her parents Mr. and Mrs. W. D. Brecheen.

Deafened People May Now Hear Clearly

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music, and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Beltone, Dept. 3572, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Write Beltone today.
