SHIP AHOY.

Up-stream from Niagara Falls a short distance, the weather-beaten bulk of a wrecked yacht lay for years in mid-channel. I saw it once, clinging precariously to the rough, stone river-bed while the swift current lashed violently at its decaying sides. A Canadian, native of Welland County, told me the story of the derelict, a thriller if I ever heard one, and worth repeating.

Several miles up the river, this comfortable little craft rode at anchor one night in quiet water. The skipper and guests were sleeping peacefully on board when, by some unexplained circumstance, the boat came loose from her moorings. Nobody waked for a long time. The boat drifted with the current, which was not fast at first but gradually gained speed as it neared the falls.

Start Investigation.
The keel was grinding on the undulated rock bottom before the boat's unsteady motion roused any of the sleepers. Then they all got active at once. Most of them had no idea what to do first. Some actually began accusing one another and trying to fix the blame for losing the anchor — this, with the thundering cataract in plain hearing, destruction only a few seconds away.

The skipper was a man of action and presence of mind. While his guests suffered panic, he went below and blasted a hole in the hull with dynamite. The crippled craft took on water fast and settled to bottom in the swift stream. Then it lodged! Days like months passed before the handful of frightened people could be brought ashore.

NEW YORK, Sept. 10. (U.P.)—Stocks lost \$1 to \$7 a share in the main list today in such heavy volume of trading that stock tickers were four minutes behind the actual market at the close.

Cisco Bowlers Off for Winter Play With Eight Teams

Following an enthusiastic reorganization meeting at 7 o'clock last night in the offices of Charles J. Kleiner, chairman, the Cisco Men's Bowling League later in the evening started the season at the Greer alleys.

The competing five-man teams last night were Gardenhire Pet. Co. vs. West Texas Utilities, and Premier Oil Co. vs. Collins Hardware.

In the tenpin melee of opening night Premier took two games from Collins and West Texas took a like number from Gardenhire.

Tonight the contest will be between Cisco Lumber Co. and Cisco Gas Corp. and Firestone vs. Nance Motor.

The Cisco Lobos will yield the Cleburne Yellowjackets more than 15 pounds per man weight advantage when the two teams clash at Cleburne Friday night, September 13, in the season opener for both.

Both elevens will be made up largely of veterans material. The Cisco line, composed of lettermen, will average around 161 pounds, compared with a Cleburne forward wall average of 178.

In the backfield there will be a still greater disparity of weights. There the Yellowjackets will take advantage of a 168-pound average compared to 145 for the Lobos. Moreover, the Lobos will be less experienced in this department of play, all regulars of last year's team having been lost through graduation.

Overall average of the Cisco starting team will be 157 pounds. Stanley Williams, last year's star wingman, has been pulled into backfield to form the nucleus of a new department replacing that which was lost last year in the graduation of Tipton, Harelson, Sauls and Farley.

Actually, however, Cleburne's advantage in weight in the forward wall is less than apparent, since a great part of it will be concentrated in two behemoth tackles. The Cisco line, composed of veterans from end to end, will, in contrast, have a more evenly distributed heft.

Heaviest man on the starting eleven is Melvin Noble, tackle, at 178. His running mate, Raymond Penn, weighs 173. These boys have aggressiveness, experience and plenty of action and will surrender nothing to heavier opponents.

Starting lineup and weights for the Lobos will probably be: Charles Pence 158, right end; Raymond Penn, 174, right tackle; Harold Hill, 165, right guard; Ted Fields, 150, center; Robert Rendall, 143, left guard; Melvin Noble, 178, left tackle; Alvin King, 162, left end; Flournoy Cleveland 150, blacking back; Gerald Smith, 153, full back; E. L. Smith, 125, wing back, and Stanley Williams, 163, tailback.

First line reserves include: Backs — Don Whitaker, 145; Roger Henson, 130; George Watts, 125; Tom Tipton, 145; Don Johnson, 130, and Gene Milner, 132; Ends — Jack King, 130; Callerman, 135, and Durwood Smith, 130; Tackles — Ray Gene Riley, 165; Paul Woods, 160; Lee Kinard, 190 and Frank Steffey, 160; Center — Padgett, 160; Guards — Wayne Hays, 155; Clarence Noble, 145; Rex Farley, 130, McMurray, 125, and Bert Maxwell, 135.

Mrs. Ida Little Buried at Romney; She Was 75

Mrs. Ida Little of Cisco died at 12:30 Sunday afternoon at the home of her brother in Menard, Tex. Her home was on the Eastland highway near Cisco and she had been in Menard about two weeks.

Funeral services were held at 3 o'clock Monday afternoon at the graveside in the Romney cemetery, with Rev. Allen A. Peacock of Cisco as the officiating minister.

Mrs. Little was born in Fannin county, Tex., August 4, 1871. She had lived near Cisco for some 13 years. Her husband, J. D. Little, preceded her in death some 25 years. She had been a member of the Methodist church since childhood.

Survivors are one son, Daly Little, Cisco; three sisters, Mrs. J. J. Stephens, Sweetwater; Mrs. K. Stephens, Lamesa; Mrs. S. M. Brown, Los Angeles, Calif.; three brothers—John, Sam and Lee Lowe, all of Menard.

Thomas funeral home of Cisco was in charge of the burial.

Settlement of the nation's worst labor crisis in months was put up to the wage stabilization board today, as the maritime walkout stalled shipping at salt water ports.

Assistant Secretary of Labor Hannah reported at Washington that only a complete reversal by the wage stabilization board would end the shipping strike.

Hannah made his statement as he returned from the conferences with striking AFL unions at San Francisco.

The stabilization board meanwhile was holding hearings to determine whether to reconsider its rejection of a wage raise granted the unions by the ship operators.

The strike threatened to spread as the Marine Firemen's union notified the board that its members would join the ranks of the strikers unless the board changed its decision on the pay boost.

Demo-Convention Voted to Welcome Harris Delegation

SAN ANTONIO, Sept. 10. (U.P.)—The Texas Democratic convention got off to a rip roaring start today and in balloting considered a test of willingness to welcome one-time "Texas regulars" back into the party fold, voted to place the Harris county delegation on the convention's temporary roll.

By a vote of 1,146 to 618, the convention voted to welcome the disputed group from the state's largest county, headed by Col. Ike Ashburn.

The fight on admittance of the delegation was led by Joe Dibrell of Coleman.

He charged that it included at least two Republicans and many rich contributors to the Republican campaign fund of 1944.

The decision was considered a victory for Governor-elect Beauford Jester's middle of the road harmony program.

But, the so-called "harmony" convention did not take long to break into the hubub of a good, old-fashioned political scramble after Temporary Chairman Albert Sidney Johnson of Dallas had appealed for unity and friendship in his broadcast keynote address.

The big auditorium, which is the scene of the gathering of the party leaders, echoed the shouts and calls of the noisy, heckling, boisterous delegates.

Mrs. Brummett, 83, Buried Sunday, Scranton cemetery

Mrs. Mary Susan Brummett died at 10:20 Saturday night at the home of her daughter, Mrs. A. C. Skiles, Cisco.

Funeral services were held at Scranton Baptist church Sunday afternoon at 4 o'clock, the officiating ministers being Rev. G. W. Parks of Roscoe and Rev. Arthur Johnson of Cisco. Burial was in the Scranton cemetery by Thomas funeral home of Cisco.

Mrs. Brummett was born Feb. 28, 1862, in Winn parish Louisiana. She married W. B. Brummett at Nevada, Tex., August 1, 1888. They moved to Scranton in 1893 and lived there until the husband's death in October, 1939, when she moved to Cisco. Deceased had been a member of the Baptist church since early childhood.

Survivors are one daughter, Mrs. A. C. Skiles; four sons and one stepson, as follows: J. E. Eastus, Loveland, Okla.; R. N. Eastus, Abilene; S. H. Brummett, Cisco; B. B. Brummett, Gorman; J. H. Brummett, Sadler, Tex. There are also 20 grandchildren and 21 great grandchildren.

Mrs. Brummett's grandsons served as pallbearers.

World Florists Choose New Chief

Symbolizing new worldwide scope of flowers-by-wire service created by Florists' Telegraph Delivery Assn., newly elected FTD president Edward J. McCarthy of Brooklyn (upper left), receives a gavel made from bombed-out timbers of the English House of Parliament, from John Hunt, Scottish president of new overseas subsidiary service. New York's Mayor O'Dwyer greeted 4000 member florists from U.S., Canada, Mexico and Europe at their first international convention since 1941. Official city voting machines were used in election of new FTD officers, as shown by movie star Carol Hughes (lower left). New oversize Dinah Shore Violet appeared first on the singer's shoulder (lower right), and a new miniature calla lily was dedicated and named for famed novelist Fannie Hurst who has long used this flower as her personal trademark.

Mr. and Mrs. Omar Burleson Stopped in Cisco Monday

Hon. and Mrs. Omar Burleson of Anson, Jones county, were Cisco visitors Monday and called at the Daily Press office. Mr. Burleson, the 17th district congressional nominee of the Democratic party, said they were taking time out for a rest and to visit friends and relatives in this area before going to Gordon, Ga., to visit Mrs. Burleson's mother.

From Cisco they went to Gorman for a brief stay with I. C. Underwood and other members of the Underwood family, all relatives of Mr. Burleson. Mineral Wells will also be visited and Enbrell of the 56th district court route to Georgia they will stop in

INDONESIAN STATE.

Which will get independence first, India or the Dutch East Indies? India gets more space in the headlines, but the East Indies seem to have made more real progress. The Indonesian Nationalists have control of Java and Sumatra, and it would be far from easy for the Dutch to push them out.

to the Far East to see on what terms he can get a treaty. The outlook is now that his best idea will be to recognize the independence of Java and Sumatra and in return gain three years before other islands can vote on joining the new Indonesian state. Further matters will have to be determined by a treaty between the Netherlands and Indonesia.

Thus in a very few years the Dutch East Indies have become the Japanese East Indies, and now are on the way to becoming a new Indonesian state. This hit the

WARMING UP SIBERIA.

Remake the climate to suit yourself. That is what the Russians are trying to do in the bleak, ever-frozen wastes of northern Siberia. There one year's frost is frozen on top of another's. These layers the Russians are now attacking with bulldozers and snow plows, with the idea that if this chilly crust were once removed, the annual temperature might rise. So far some improvement has been noticed, enough to record but not enough to feel. Perhaps not enough territory has been cleared. At any rate the Russians are persevering. The results should be especially interesting to Alaska, where the same frozen top layer is found.

TERRITORY NAMES.

The rightful ownership of a territory depends, according to some people, on its name. Between Greece and Albania lies a region which the Albanians call Southern Albania; this name gives them a strong claim to control it. The Greeks counter with the name Epirus, given to it in ancient times; this is an argument for Greek ownership. Both names occur in propagandist arguments handed out by the two nations. These leaflets do not always make it clear that the territory is one and the same.

The United States as a neutral might remind them that part of Mexico is known as Lower California. Yet we do not use the name as an argument for annexation.

FLOWERING MIRACLE.

THERE was no flower on the desert plains— Not a yellow cup nor a sapphire bell; And I, recalling primrose lanes, Prayed for a flowering miracle. I tossed the wish to a sunny height, And then, Oh sweet incredible wonder! Before the thought had taken flight, Fulfillment came with miniature thunder Of whirring wings as five blue quail, Of a color softer than a petal assumes, Blossomed across the arid trail In a turquoise cluster of feathered blooms. —Ruth Averitte, in Westminster Magazine.

PHILLIPS-FLEMING WEDDING THURSDAY.

Miss Noma Frances Phillips and Elmer Fleming were united in marriage Thursday, September 5, 6 p. m., in the home of her uncle and wife Mr. and Mrs. C. P. Mosley, 1101 west Twelfth street. Rev. Arthur Johnson officiated before an improvised altar of white gladioli and greenery, lighted by burning tapers. Mrs. Ben Krauskopf played "Because" as Mrs. Roy Hughes and Mrs. W. T. Mosley entered and lighted the candles preceding the ceremony. She played Lohengrin's bridal chorus as the bride came down the stairway which was decorated with pink crepe myrtle and white altheas, with her father, J. G. Phillips of Bledsoe, Tex., who gave her in marriage. Mrs. Barron Phillips was the matron-of-honor and Barton Phillips served as best man. Flowers were strewn in the path of the bride by little Tuleta Verle Mosley. The bride wore a royal blue crepe dress with black accessories.

For something old she carried a handkerchief that had belonged to her great grandmother; something new was two silver dress clips; and borrowed was her cousin's white Bible which was showered with Stephanotis, centered with white gladioli with satin streamers attached. As a recessional Mrs. Krauskopf played Mendelssohn's wedding march.

A reception was held immediately following the wedding. Guests were shown into the dining room where the first slice of the decorated three-tier wedding cake was cut by the bride couple. Mrs. J. G. Phillips, mother of the bride then served the cake to the guests. Punch was ladled by Mrs. Jay Warren, aunt of the bride.

Those present were Mr. and Mrs. J. G. Phillips, Bledsoe, Tex.; Mr. and Mrs. Barron Phillips, Coelen Phillips, Mr. and Mrs. L. E. Fleming, Jerry Ray Fleming, Rev. Arthur Johnson, Mrs. Ben Krauskopf, Mr. and Mrs. C. P. Mosley, Mrs. Jay Warren, Jimmie Warren, Margie Warren, Mrs. Lois Cearley, Earline Steel, Andy Mosley, Harry Warren, Oma Mosley, Weldon Phillips, Mrs. Frances Blackstock, Janet Gayle Blackstock, Tuleta Verle Mosley, Mrs. W. B. Mosley, Mrs. Roy Hughes, Marilyn and Carolyn Hughes, W. T. Mosley.

SET YOUR SIGHTS

It takes a lot of planning to hit a target . . . even more to achieve a goal

There are two kinds of young men. One knows what he wants to do and goes after it. The other is still looking for his niche. The new Regular Army can help both of them.

Suppose, for example, that you're the first kind. You want to go to college but don't have the money. If you enlist in the new Regular Army, you'll have a chance to earn while you learn. Honorably discharged at the end of a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The U. S. Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, and you'll get \$65 a month living allowance — \$90 a month if you have dependents.

Or maybe you're the man who hasn't found his spot. An enlistment in the Army will put you in touch with the widest selection of jobs. Army schools offer special training in over 200 trades and skills. When you leave the service you can continue your training at the school best equipped to help you.

Set your sights! Enlist in the new Regular Army. You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

Orleans. After a short wedding trip the couple will make their residence in that city.

Relatives attending the wedding were Mr. and Mrs. V. C. Adams, Mrs. E. G. Adams and son, Glider of Burkett; Mr. and Mrs. M. D. Bailey Sr., and their son, Scott and daughter, Kathleen Bailey and Elizabeth Bailey, Fort Worth; Lieut. and Mrs. Gayle Bailey and little son, Stephan and Lieut. M. D. Bailey Jr., of Grand Prairie.

Getting the Cart Before the Horse---

... is the popular way of saying that we act before we think. It is a state of mind not confined to the ignorant, nor to the mentally ill, but to all classes of people, some at times, others at all times. For instance, we buy property without an abstract. We spend several thousand dollars for improvements. Along comes a buyer who thinks before he acts and offers to purchase but wants an abstract first. How about your title, Mr. Seller? Can you deliver?
