**INSPIRATION**—When Donald Wolf, left, was a GI on the island of Tawi-Tawi in the Pacific he wrote a song, "Get a Pin Up Girl." He wrote the song after seeing a pin up picture of blonde Rita Daegle. Here the two get together in New York City and Donald plays the tune for Rita.

## Truman Opposes Removal of Price Controls on Meat

### COSTLIEST STRIKE IS NOW OVER

By United Press.  
An injunction blocking the way to ending the Pittsburg power strike was dissolved today, and the nation's most costly shipping strike reached a final settlement.

Common Pleas Court Judge Walter P. Smart dissolved an injunction forbidding a strike by workers of the Duquesne Light Co.

The action was asked by Pittsburg officials after the strikers—who had disregarded the order—said a new company offer was acceptable but would not be considered as long as the injunction was in force.

The power walkout and sympathy strikes of steel, electrical, street car and bus employees had curtailed the industrial and commercial life of the 817-square mile Pittsburg area.

At New York, several thousand truck drivers formed mass picket lines at tunnels, ferries and highways leading from New Jersey into New York City in an effort to force their employers to sign permanent contracts for a \$7.40 weekly wage increase.

**NEBRASKA VISITORS.**  
Mr. and Mrs. R. F. Starr of Fairbury, Neb., are guests of his brother W. B. Starr and family of the Dan Horn community. This is Mr. Starr's first visit to Texas since 1918. However, the two brothers spent some time together in 1941, when Mr. and Mrs. W. B. Starr visited the family at Cedar Falls, Iowa.

**COLD CHECK ARTIST.**  
ABILENE, Sept. 26. — E. W. Mackey, whose address was given as Sylvester route A, was given a 60-day jail sentence in county court this morning on a check swindling charge. He pleaded guilty before County Judge Wiley Caffey to giving a worthless check for \$6.73 to Max Mellinger of Merkel.

Mr. Bean was married to Miss Martha Susan Blackwell, Sept. 11, 1920, at Fayetteville, Ark., and is survived by the widow and twin children—Leonard Bean of Cisco and Mrs. Nelson Harris of Midland; also two stepsons, Laud and Rex Carter, of Hawkins, Tex.

By United Press.  
WASHINGTON, Sept. 26. — President Truman today told reporters that he opposes removing price controls on meat.

He predicted that the meat shortage would ease substantially in the near future.

The president, speaking carefully and obviously after much thought, said that an increase in meat prices now or abandonment of price controls "would add to and not solve" the current meat shortage.

Mr. Truman told a news conference that he believed substantially more meat would be on the market soon. He insisted that the current situation is not a meat famine, that some meat is now available.

Mr. Truman admitted being "somewhat disturbed" by recent comment on meat supplies.

He insisted repeatedly that while it was natural for the public to blame price controls, this reasoning was "wholly wrong."

Democratic politicians were so disturbed at the situation that the executive committee of the National Democratic Committee adopted a resolution asking Chairman Robert E. Hannegan to discuss with the Price Decontrol Board and other government agencies ways and means of increasing the public's supply of meat.

Mr. Truman attributed the current shortage to heavy slaughter in July and August when there was no price control. He said cattle which normally would hit the market now were killed then.

He said the country would soon be able to buy more and better beef.

## Firestone Tire Army Today Laid and Nance Motor Claim to Fourth Cleaned Platter of All the Meat

Firestone Tire and Nance Motor Co. each made clean sweeps in their tenpin encounters with Cisco Lumber and Cisco Gas Corp. at the Greer bowling alleys last night. Players making better than 500 for the three games included O. W. Culwell, 518; Elbert Tipton, 517; E. A. Reeves, 506. Culwell was the only player who passed the 200 mark in a single game. Seven of the regulars were absent and their averages were used.

WASHINGTON, Sept. 26.—The Army slapped a claim today on a fourth of all meat turned out by federally inspected slaughterers as the pre-election storm over bare butcher counters mounted in intensity.

With the administration already split over the issue of keeping price lids on the rapidly vanishing commodity, top Democratic chiefs assembled here for a huddle that appeared certain to take note of the whole situation.

The congressional elections are just 40 days off.

But the army showed no disposition to await possible action by any other branch of the government.

## 8 to 2 Victory Put Dodgers Back in Pennant Fight

BROOKLYN, Sept. 26. (U.P.)—Kirby Higbe pitched the Brooklyn Dodgers back into the thick of the pennant fight with the St. Louis Cardinals today, with an 8 to 2 victory over the Philadelphia Phillies, before 31,708 fans.

The Dodgers now have only two games left, both with the Boston Braves on Saturday and Sunday, while the Cardinals have three more, all with the Chicago Cubs.

## Creedon of WAA Quits in Midst of Investigation

WASHINGTON, Sept. 26. (U.P.)—Frank R. Creedon, deputy administrator of the War Assets Administration, resigned today in the midst of an investigation of WAA by a special House committee.

Creedon testified Monday before the committee investigating the sale of surplus government property, but he was not associated by the committee with any of the irregularities which WAA officials have admitted existed in their agency.

Lt. Gen. Robert M. Littleton, WAA administrator, testified before the committee today that he recently ordered wholesale firings in the electronics branch because of the "lousy" way in which the surplus property disposal program was being handled.

**PIGGY-BACK** — Adelbert Hayer, 11, of Seneca, Ill., holds trophy as he stands astride his 205-pound Hampshire hog after he had won Grand Champion prize at the Chicago Junior Market Show. The prize hog brought a record price of \$1.60 a pound in the auction that followed awarding of prize. This is the type of hog that is needed so badly in the nation's stockyards.

**WASHINGTON'S JUNIOR SET**—Patricia Hannegan, left, and Edith Snyder, daughters of the Postmaster General and Secretary of the Treasury respectively, chat together at the President's Cup Regatta in Washington, D. C.

## Farewell Party Opposition to 3 for Johnsons at Proposed Constitutional Changes

At a meeting of First Baptist church conference, held last night following prayer meeting, the retiring pastor, Rev. Arthur Johnson, was unanimously requested to serve as supply pastor until his successor has been named.

Mr. Johnson will occupy the pulpit as pastor for the last time Sunday, his resignation becoming effective October 1.

In his resignation statement the minister had offered to serve here until a pastor has been secured. He goes from Cisco to Howard-Payne College.

It is announced that there will be a farewell party for Mr. and Mrs. Johnson and family at 8 o'clock tomorrow night, at the church.

**MOVIES' LABOR WAR.**  
HOLLYWOOD, Sept. 26. — The movies' labor war flared today as rioting broke out at the gates of Warner Brothers and Metro-Goldwyn-Mayer studios when police-escorted nonstrikers crashed through massed picket lines of the AFL Conference of Studio Unions.

AUSTIN, Sept. 26. — First organized opposition to three of the four proposed constitutional amendments which will be voted on at the November 15 general election appeared today.

The executive committee of the Texas Social and Legislative Conference said it did not favor the veterans land amendment to be submitted Nov. 7, the John Tarleton debt authorization amendment, and the motor fuel tax allocation amendment.

The committee voiced approval of the proposed amendment which would authorize the state and counties to set up retirement benefits for state and county workers.

Texas Social and Legislative Conference is made up of A. F. of L., C. I. O., pension, farm and other organizations.

Glen S. Wilson of Austin, acting chairman, said the conference's executive committee was of the opinion the so-called veterans land amendment would benefit "politicians and real estate speculators" more than it would veterans.

## Mrs. Titia Walker, Jim Bean, 77, Will Be Buried in Oakwood Tomorrow

Mrs. Titia Walker, stepmother of Mrs. L. B. Norvell of Cisco, died at her home in the Sabanno community at 8 o'clock Tuesday night and was buried in the Sabanno cemetery at 4 o'clock Wednesday afternoon following services at the Sabanno church, with Rev. Collins of Abilene officiating. Mr. Walker, the husband, died in June, 1905, and the wife now rests beside him.

Jim G. Bean, a resident of Cisco since 1925 and known to his many friends as "Uncle Jim," died at his home on west Third street at 6:30 Wednesday night. Deceased was born at Cistern, Tex., Nov. 22, 1869, and was employed as a contractor until 1943, when he was forced to retire because of ill health. The funeral will be held at Thomas funeral home at 3 o'clock tomorrow afternoon, with burial in Oakwood cemetery. The officiating minister will be Rev. Allen A. Peacock, First Methodist church pastor. Pallbearers will be John Akers, Guy Morris, Joe Clements, Bill Joiner, Jess Noble and Virgil Heyser.

Other survivors are four sons and a daughter, as follows: U. N. Walker, California; J. A. Walker, Carter, Okla.; F. E. Walker, Spur, Tex.; J. H. Walker, Clayton, N. M., and Miss Cordie Walker, Sabanno.

**TROUBLE IN TRIESTE**—American military police charge a demonstrating crowd following an explosion of a hand grenade in Trieste, Italy. Seven MP's were injured when they were called to maintain order during a pro-Yugoslav demonstration.

## PARTY PLATFORMS.

On the eve of the first election since the war Republicans and Democrats are dusting off the party platforms on which offices are to be sought.

The Republicans under National Chairman E. C. Reese are calling Democrats Communists, are promising a substantial cut in taxes, a square deal for labor and encouragement of free enterprise. Except for the Communist business, it's a platform on which any candidate in the last 80 years might have run -- for any office.

Democratic chairman Bob Haragan is wrapping the mantle of the late President Roosevelt around each of his candidates. He calls it the Truman Program, but reminders of Mr. Roosevelt's speeches are to be played at political rallies. The voice of a man now dead seems to be the strongest voice the Democrats can muster for their cause. And this despite the fact that the atomic

age has come since Roosevelt lived, adding to the world a quality he never knew.

But why is anyone disappointed in the weakness of these planks? No platform, whatever the party, has ever been anything but a vague mass of words designed to say nothing committal. And both programs this year seem to be doing that exceedingly well.

### ENCOUNTER.

I KNEW that I'd run into you somewhere around the town. I thought we'd chat, as people do. Of course... of friends... my gown.

You'd say, "You've lost a little weight." I'd say, "You haven't changed." We wouldn't grope or hesitate! I met it all arranged. I met you on the thoroughfare. My heart stood still. And then now dead seems to be the strongest voice the Democrats can muster for their cause. And this despite the fact that the atomic

**DISAPPOINTED VETERANS**—After waiting in line for hours at War Assets Administration warehouse in Brooklyn for announced sale of surplus supplies of bedsheeting, these veterans break ranks when they are told that all surpluses were bought by priority government agencies.

## Getting the Cart Before the Horse--

... is the popular way of saying that we act before we think. It is a state of mind not confined to the ignorant, nor to the mentally ill, but to all classes of people, some at times, others at all times. For instance, we buy property without an abstract. We spend several thousand dollars for improvements. Along comes a buyer who thinks before he acts and offers to purchase but wants an abstract first. How about your title, Mr. Seller? Can you deliver?
