Democrats Lost Senate and House in GOP Tidal Wave

Conference Returned All Local Ministers

Rev. W. H. Cole, district superintendent; Rev. Allen A. Peacock, pastor of First Methodist church; Rev. C. A. Warden, Wesley church pastor, and Rev. Seba Kirkpatrick, pastor at Carbon, were all returned to their present charges by the Ft. Worth conference, last weekend.

In each case the appointment was for a seven-month period, or until June 1, 1947, the new date set for the annual conference.

The conference also appointed Mr. Peacock district missionary secretary, as well as naming him a commissioner for Waco orphan home.

At Eastland, the First Methodist church has a new pastor in the person of Rev. E. R. Gordon, who was transferred from Ft. Worth. He succeeded Rev. J. W. Ford, who goes to Stephenville.

NEW YORK, Nov. 6. — Mounting returns from a Republican tide today clinched GOP control of the senate and built up a comfortable working majority for it in the house.

For the first time since Woodrow Wilson's last two years in the White House, the nation will have a congress in which both house and senate are opposed to the president.

This prospect was so dismaying to one Democrat — Sen. William J. Fulbright of Arkansas — that he suggested President Truman resign and turn the White House over to the Republicans, too. Mr. Truman could do that by appointing a Republican Secretary of State and then stepping out. But Fulbright's idea caught no sparks of early enthusiasm from his colleagues.

By mid-afternoon, Republicans had definitely won 239 house seats — 21 more than a majority. They had made a net increase of 47 over their present house strength and were leading for six more seats.

Democrats had clinched 183 house seats and were leading for six.

The senate was much closer, but Republicans had won 51 places — three more than half the senate — and were leading for one more in a hot contest in New Mexico.

Assured Democratic senators totaled 42, and they were ahead for two more seats in West Virginia and Maryland.

District Columbia Few Voted Yesterday; Polls Right to Vote Open Tomorrow

WASHINGTON, Nov. 6. (U.P.)—District of Columbia residents have voted overwhelmingly in favor of a proposal for home rule and the right to vote in national elections.

A constitutional amendment would be necessary to grant national suffrage. Home rule could be granted by an act of congress.

3 States Banned Closed Shop at Polls Yesterday

NEW YORK, Nov. 6. (U.P.)—Proposals to ban the closed shop won substantial majorities from voters in Nebraska, South Dakota and Arizona.

Union leaders announced promptly that they would fight application of the laws.

DEWEY, BRICKER WIN.

WASHINGTON, Nov. 6. — Gov. Thomas E. Dewey was re-elected governor of New York by a sweeping majority and John W. Bricker easily defeated his Democratic opponent for a seat in the Ohio senate yesterday. Both men are possible candidates for the Republican presidential nomination.

CHURCH SAFE ROBBED.

A small safe at First Baptist church was robbed sometime last night and about \$10 was taken, it was reported today. The safe door was prized open. Chief of Police M. L. Perdue thinks the theft was the work of young amateurs.

PRESIDENT IS SILENT.

WASHINGTON, Nov. 6. (U.P.)—President Truman came back to the White House today, silent on the GOP capture of congress and the proposal of a fellow-Democrat that he resign and yield the presidency to Michigan's Republican senator Arthur H. Vandenberg.

U.S. Would Assume Trusteeship of Japanese Islands

WASHINGTON, Nov. 6. (U.P.)—President Truman announced today that this government shortly will place before the United Nations Security Council a suggested agreement under which the United States would take over trusteeship of the Japanese Mandated Islands.

The president made his announcement in a brief statement shortly after returning to Washington from his home in Missouri, where he voted yesterday.

"The United States is prepared to place under trusteeship, with the United States as the administering authority, the Japanese Mandated Islands and any Japanese island for which it assumes responsibilities as a result of the second world war," Mr. Truman said.

"Insofar as the Japanese Mandated Islands are concerned, this government is transmitting for information to the other members of the Security Council and to New Zealand and the Philippines a draft of a strategic area trusteeship agreement which sets forth the terms upon which this government is prepared to place those islands under trusteeship."

ITALY AND YUGOSLAVIA.

NEW YORK, Nov. 6. (U.P.)—Italy served notice on the Big Four foreign ministers today that it would never accept voluntarily the proposed compromise boundary line with Yugoslavia, and Yugoslavia reiterated for different reasons that the line which involves Trieste was "inacceptable."

WARNING — Rear Admiral Charles A. Pownall, above, Commandant of the Marianas, told newsmen the U.S. Navy is not prepared to defend the west coast of U.S. against attack.

National Debt is Lower Than Year Ago, Report Says

WASHINGTON, Nov. 6.—Treasury reports today showed the national debt has dropped below that of a year earlier for the first time since 1930.

Reason for the decline was redemption in cash of nearly \$2,000,000,000 in government securities which matured Nov. 1.

The turning in of the major part of these securities sent the debt down to \$262,021,507,083.11 on Nov. 1 compared with \$262,564,488,896.32 on Nov. 1, 1945.

JAYCEE CHIEF KILLED.

Civil Service Examination time advanced to Nov. 26

Because an insufficient number of applications have been received, the closing dates for receipt of applications for civil service examination for positions of personnel officer, placement officer and personnel assistant have been extended, says Paul H. Figg, director, Fourteenth U. S. civil service region.

Salaries for these positions, which will be filled in various federal agencies in Texas, range from \$3,397.20 to \$7,102.20 per year.

No written test is required. Applicants will be rated on the basis of training and experience. The age limits, 18 to 62 years, will be waived for persons entitled to veteran preference and persons now serving under war service indefinite appointments, provided they have not reached retirement age.

Applications must be on file with the Fourteenth Regional Office of the U. S. Civil Service Commission, 210 South Harwood street, Dallas 1, Texas, not later than November 26.

He was brought to Graham Sanitarium, here, and was resting as easily today as could be expected. Mr. Donaway and family have the sincere sympathy of a very large circle of Cisco friends.

SANTA PAYS EARLY VISIT

While American industry on many fronts still is struggling with problems in the path of complete reconversion, the No. 1 hero of childish minds — Santa Claus — has completed his task and the first showing of his handiwork, a full line of pre-war toys, will open on November 6, at Damron Tire & Supply.

For the first time since Pearl Harbor, the shelves and display areas in our store will be completely stocked with such oldtime favorites as electric trains, cook stoves, model building sets, airplane gas motors, bicycles, tricycles, wagons, skates and other wheel toys that for the past several years have been war casualties.

It is no accident that Santa Claus made Firestone Stores and Dealer Stores his headquarters for this first real peacetime Christmas.

Firestone started planning for this Christmas immediately after V-J day. End of the war came too late to permit a real pre-war Christmas in 1945, and even this year, while stocks are complete, there may not be enough of some
