Mass Unemployment and Restricted Railroad Service Threatened by Strike

By United Press.

WASHINGTON, Nov. 22. — Mass unemployment, brownouts and restrictions on heating and railroad service became imminent threats for the entire nation today as the soft coal strike went through its second day without a break in the war of nerves and injunctions between John L. Lewis and the United States government.

Apparently set for a long fight with the burly mine labor leader, the Administration set in motion drastic conservation measures aimed at stretching the country's 36-day bituminous supply as far as possible and limiting it to the most essential consumers.

Two husky deputy U. S. marshals were waiting for Lewis when he arrived at his office this morning and they served him with papers ordering him to appear Monday to answer a contempt citation.

By Monday morning, passenger service on all coal-burning railroads will be cut 25 per cent and electricity dimouts will be in effect throughout the East.

Beyond that, further conservation measures are being readied, including an embargo on non-essential freight traffic.

The navy also took a hand with the announcement that it will provide emergency supplies of fuel, power or power-generating equipment to communities whose essential services may be impaired by the coal strike.

During the previous strike last year, navy vessels used their generators to supply emergency power to several east coast cities.

Private industry also was moving to meet the crisis on its own initiative by curbing all operations dependent upon soft coal.

First to act were the steelmakers, who announced plans for sharp production cuts that will force the layoff of thousands of workers if the coal stoppage lasts through next week.

Automobile manufacturers were expected to slow down or halt their assembly lines if the flow of steel is interrupted.

REDS PLAN U. S. OVERTHROW

WASHINGTON, Nov. 22. (U.P.)—Louis F. Budenz, a former Communist leader, said today he believed Soviet secret police are at work in this country. Budenz said the Communist party is engaged in a "conspiracy" to overthrow the government of the United States and establish a world dictatorship directed from the Kremlin.

Mt. Calm Bank Robbed Today by Unmasked Man

MT. CALM, Tex., Nov. 22. (U.P.)—An unarmed, unmasked robber entered the First National Bank of Mt. Calm today, asked the cashier for "the money" and left after taking between \$2,500 and \$3,500, leaving the cashier in a bank vault, where he told her to stay for half an hour.

FOR A HEALTHIER CHINA—While his buddy smilingly looks on, this little Chinese fellow gets his daily ration of cod liver oil, one of the many services provided by United Service to China, Inc.

"WHAT'S THAT, MA-MA?"—Mrs. Mildred Spencer, Memphis, Tenn., shows her young baby her broken fingers, fixed in a cast. The mother said her husband twisted her arm, breaking her fingers, when he became infuriated by the baby crying, "Ma-Ma."

Boyd Completes 2,500 CIO Pickets TCU Life Ins. Mailed and Course Shoved 40 Police

FT. WORTH, Nov. 22. — Glen Boyd of Cisco, special representative of the Jefferson Standard Life Ins. Co., has completed the first course at TCU school of life insurance marketing. He will return to Cisco for thirteen weeks' work before continuing his course here.

This course has been designed as a terminal course in adult education and as a practical effort in training life underwriters to render a professional type of service to the insuring public.

This course, approved by the National Association of Life Underwriters, is under the general administration of the dean of the school of business of Texas Christian University and direct supervision of C. L. McPherson, former dean of Lynchburg College and later associate director of the school of life insurance marketing at Purdue University. He is ably assisted by members of the university staff and Daniel Cahill, former superintendent of the training division of the Manhattan Life Insurance company of New York.

Subjects covered in the course are as follows: History of life insurance, speech, applied psychology, family economics, taxes and business insurance, estate analysis and community property laws, social security benefits, national service life insurance, wills and trusts, federal estate and income taxes and the tax status of life insurance.

THEY'RE LEATHER—This pretty model displays the latest style in creative gloves for madame. Made of white leather, the gloves feature machine stitched natural multicolor floral designs.

RESULT OF STORM—These fishing boats and pleasure craft were piled up on Cabillo Island, Calif., after a heavy three-day rainstorm had lashed the sunny state's coastline. With a sudden drop in temperature, an unprecedented snow storm followed the rain.

Ciscoans Topped James M. Putnam Breckenridge Keg Died Early Today, Men By 141 Pins Word Community

A Breckenridge five-man bowling team sponsored by the McDowell Chevrolet Co. of that city came to Cisco last night and played a local team sponsored by Cisco Lumber & Supply Co.

The result was disastrous for the visitors, the Ciscoans piling up a total of 2,590 pins in the three games against 2,449 for the locals — a difference of 141 pins.

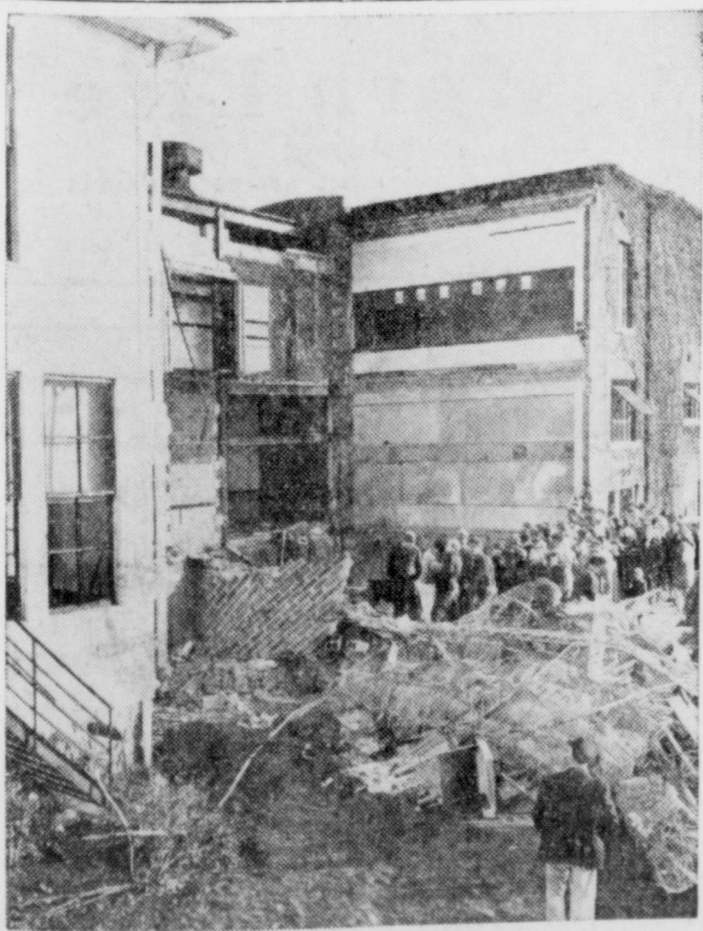

However, it was an interesting session and Crowley of Breckenridge was high man for the evening, with Lankford of Cisco only two pins behind him.

SCHOOL TRAGEDY—When a boiler exploded in the Consolidated School, Baroda, Mich., damaging this wing, one student was killed and 18 others and a teacher were injured. Fortunately, most of the 280 students were in school lunchroom in another part of the building when the blast occurred.

Loboes Defeated Eastland Friday Night, 20 to 0

The Cisco Loboes overpowered some of the smartest opposition they have encountered this season when they defeated the capable Class A Eastland Mavericks 20 to 0 at Eastland Friday night. There wasn't the slightest question as to which was the superior team by a large margin, but the Mavs — who always give their AA neighbors a rugged battle, no matter what the disparity between the two — entertained the Loboes with trouble and tribulation.

It must have been for thinking about Breckenridge next Thursday and sub-consciously discounting the Mavs, but the Loboes spun their wheels all during the first quarter and once came near the disgrace of yielding the Eastland lads a touchdown on a fumble which gave the Mavs possession around the Lobo 17. That, for any team with a passing complex, is a dangerous invitation. The Lobo line and an alert secondary earned defensive credit in this emergency, however, and throttled the Maverick offensive as they did all the game.

Only once more — in the fourth when the Lobo seconds yielded to their 12 on a pass interference allowance — did the Mavs knock at the Lobo door. The first string, rushed into the fracas, handled matters in such a decisive manner again that the Mavs lost yardage in surrendering the ball on a futile fourth down pass.

The Loboes were handicapped by four clipping penalties which they incurred in their enthusiastic blocking efforts. One on the very first play of the game wiped out a 20-yard run by Williams, and another in the fourth, after the Loboes had arrested the last Mav goalward threat, nullified an 85-yard touchdown run by Williams — the most spectacular play of the game.

When the Loboes finally got their cleats into the sod, they went to town. Williams inaugurated the scoring at the start of the second quarter when he emerged from his right tackle, reversed and ran craftily 18 yards to the goal. The score culminated a drive in which Johnson's passing to Pence and King and the running of Smith and Cleveland assisted. Pence kicked the point.

Cleveland scored the second Lobo touchdown in the late second when he broke through the line on a quick opener and, unassisted, raced 36 yards to count. Again Pence's kick for point was good.

Smith counted the third touchdown in the third period when he plunged from the one-yard line to nail down a blocked punt recovery on a blocked punt recovery on the Eastland 22. Cleveland crashed ten yards for the third in a plunge and Pence accepted a pass on the one to set up the score. Pence's kick was wide.

Hill and Noble and Penn were line standouts with Fields, center, and Rendall, doing yeoman duty. The seconds, although yielding to their 12 on a pass interference, gave a good account of themselves.

The Loboes made 17 first downs to five for Eastland; gained 255 yards on the ground and 85 in the air. They completed 7 of 12 pass attempts and intercepted one of the Mavericks'.

On the ground the Eastland boys gained 44 yards and they completed 7 of 19 pass attempts for 91 yards.

The Loboes will close their 1946 season against the Breckenridge Buckaroos at Chesley Field, Cisco, Thursday afternoon.

CHICAGO, Nov. 22. — Temperatures dropped to their lowest marks of the season over a wide section of the country today, dipping to 17 below in Glasgow, Mont.

Union Thanksgiving Service With First Baptists

Cisco's annual Union Thanksgiving service will be held at the First Baptist church at 7:30 o'clock Thanksgiving morning, says Rev. Richard Crews of First Christian church.

This traditional union service is sponsored by Cisco Pastors' association and, said Mr. Crews, it is hoped that the members of all local churches, as well as those who are members of no church, will join in and worship the Lord together on this significant day in the life of our nation.

Rev. Cecil Stowe, pastor of the Nazarene church, will bring the main message and a large number of the city's ministers will participate in the program, which will be announced in the Daily Press of Wednesday.

Rev. Allen A. Peacock of the First Methodist church and president of the Pastors' association, will preside.

Special Thanksgiving music will be furnished by a choir selected from the participating churches.

Humble to Broadcast 2 Conference Games Saturday

Colorful descriptions of two important Southwest Conference football games may be heard Saturday afternoon on Humble broadcasts to be carried by several Texas radio stations.

First to go on the air will be the S. M. U.-Baylor game at Dallas. This broadcast will begin at 1:50 p. m., with Charlie Jordan announcing the play-by-play and Jerry Doggett filling in the color. This broadcast will be carried by stations WRE, Dallas KFJZ, Ft. Worth; WACO, Waco; KNOW, Austin, and nine others.

Humble's broadcast of the Rice-T. C. U. game at Houston will begin at 2:20 p. m. Kern Tips will describe the play-by-play action and Alec Chesser will give the color highlights of the game. This broadcast will be carried by stations WOAI, San Antonio; WFAA-WBAP, Dallas-Ft. Worth; KPRC, Houston and four others.

COLDER, FROST.

FT. WORTH, Nov. 22. — A low temperature in the middle 30s tonight, with frost in low places and a gradual warmup over the weekend were predicted.

THE ANTARCTIC.

The Antarctic has at last been found good for something. Great uranium deposits were recently discovered in Palmer Land, below South America. The discoverer is Sir Douglas Mawson, an Australian who vastly extended knowledge of the Antarctic west of Marie Byrd Land. His information led to the British taking over Admiral Byrd's old headquarters, a natural undertaking, since the Antarctic is the one part of the world where housing is scarcer than in the United States.

These uranium deposits have attracted the attention of five nations — Russia, Argentina, Chile, Great Britain and of course the United States. All are prepared to brave the forbidding climate in their hunt for all-precious uranium.

Admiral Byrd, when on his lonely vigil near the South Pole years ago, could hardly have foreseen this general rush to the frozen Antarctic wilds.

TALLER THAN SHE.

Women may have achieved equality in most things. The males have conceded much. But in one respect Mr. Man wants to remain superior. He longs to be taller than the girl he takes out for a date, or leads to the altar. Catering to this age-old vanity of the stronger sex, the manufacturers have invented "pedestal" foot wear guaranteed to add at least two inches to height. This is not achieved by higher heels, either, but by concealed construction that will fool the female.

It's a modern world, and a brave new one, but males cling to their old inclination to look down on women. And if the truth must out, the fair sex likes a good masculine shoulder that is high enough for her to rest her head on.

Betty Williams.

WHY GET UP NIGHTS DUE TO KIDNEYS?

FLUSH THEM OUT THIS DOCTOR'S WAY
• If you get up nights—have frequent desire to pass your water—but have only scanty passages—yes, and have backache, due to excess acidity in the urine, be glad you're reading this.
Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. Fortunately he made a medicine of 16 herbs, roots, vegetables, balsams—Nature's own way to relief. He called it "Swamp-Root" and millions of grateful men and women have taken it—often with amazing results.
Swamp-Root goes right to work to flush out kidneys... increases flow of urine, helping relieve excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed.
For free trial supply, send to Dept. T. Kilmer & Co., Inc., Box 1155, Stamford, Conn. Or get full-sized bottle of Swamp-Root today at your druggist.

LET'S
HAVE A
Heart-
to-Heart
TALK
ABOUT THIS

You believe in life insurance. That's why you are a policyowner. And you believe in your family, too. You want that little girl to grow up in the neighborhood where you've built your home. You want your wife to have that home as long as she wishes to keep it. And if anything should happen to you, you want her to be able to bring your little girl up under the teaching and guidance that only a mother could give her. You don't want your wife to have to leave your child in some day nursery all day long while she works—or looks for work.

That's why you bought your life insurance, isn't it—to take care of them.
Well, let's look at your life insurance. Will it do the things you want it to do? If you have \$2,500 of life insurance, it will provide your beneficiary with \$50 a month for about four and a half years. Is that enough? Will that assure them of that home—give them food and clothing, and the necessities of life you'd want them to have if you were not here

to provide them? Is that enough to give that little girl the start in life you want your daughter to have?
Let's have a heart-to-heart talk about your life insurance today. Helping you to outline a plan of protection to do the real job you want life insurance to do for you is a part of our service, and a request for detailed information will not obligate you.

COUNCIL GROUP TWO AT CHURCH TUESDAY.

Group two of women's council of First Christian church met Tuesday evening at the church with Mrs. James Latimer in charge. The meeting opened with group singing of "The Lily of the Valley," followed by the Lord's prayer in unison.

Miss Ethel Mae Wilson brought the devotional and Mrs. J. S. Mobley read an article from World Call magazine, "Jesus' Teaching About God and Peace." Mrs. Latimer next conducted a routine business session. The meeting closed with all repeating the missionary benediction.

Members present were Mrs. C. Greenhaw, Miss Alice Bacon, Miss Ethel Mae Wilson, Mrs. Sam Baugh, Mrs. J. R. Wright Sr., Mrs. H. H. Davis, Mrs. James Latimer, Mrs. George Swartz, Mrs. W. R. Winston, Mrs. C. W. McAfee and Mrs. J. S. Mobley.

BREAKFAST SUNDAY HONORED MISS GILMAN.

Mrs. R. W. Mancill was hostess Sunday morning with a breakfast in her home on west Fifth street, honoring Miss Jane Gilman, bride-elect of Frederick Foster Tracy. Decorations of cut flowers and potted plants gave a festive appearance to the rooms used for the occasion.

Guests were invited into the dining room where they were seated at the dining table which held a pretty floral centerpiece of the bride-elect's chosen colors. An appetizing three course breakfast was then enjoyed.

Miss Gilman was presented with a lovely gift from Mrs. W. C. Shelton, mother of the hostess and little Kay Wilson.

Those present were Miss Jane Gilman, Mrs. R. F. Gilman and their guests, Miss Grace Gilman, Tulsa, Okla.; and Miss Kathryn Baker, Marietta, O., and Misses Marilyn Shertzer, Topsy Hawthorne, Mary Dell Kirksey, Polly Ann McDaniel, Kathleen Keough, Dallas; Mrs. Bob Parker, Miss Mary Martha Mitcham and Mrs. Mancill.

COUNCIL GROUP FOUR WITH MRS. WRIGHT.

Group four or women's council of First Christian church met Tuesday afternoon in the home of Mrs. James R. Wright Jr. Mrs. Fred Erwin, group leader, was in charge and opened the meeting with prayer by Mrs. J. F. Benedict. Mrs. James Flournoy brought the devotional at which "Peace" was discussed, using an article on "Jesus, the Son of Man." Mrs. Erwin conducted the business session and routine business was transacted and plans made for a Christmas party to be held December 17. The meeting closed by all repeating the missionary benediction. Refreshments were passed to Mrs. W. J. Armstrong, Mrs. J. F. Benedict, Mrs. A. L.
