

**STUDYING MICRONIZER** — Hiroshi Ito, left, a native of Tokyo, Japan poses with Mike Nino, foreman at Taylor Feed Lot at Sunnyside before a feed micronizer unit at the Taylor yards. Ito is visiting the county on behalf of Edogawa Sangyo, a joint stock company in Tokyo.

## Japanese beef demand is booming, says Ito

The demand for beef in America increases every day but the demand is also increasing in Japan, and that demand reached the county in an unusual way last week.

**HIROSHI ITO**, 20, a native of Tokyo, Japan, has been staying with the Wayne Maddox family of Sunnyside over the past week in order to study feed milling operations at the Taylor Feed Lots at Sunnyside.

Yount Ito is visiting the county on behalf of Edogawa Sangyo, a joint stock company in Tokyo. He is studying the feed micronizer unit at the Taylor Feed Lots in order to make improvements on the units manufactured by his company.

According to Ito, Edogawa Sangyo is the only company in

Japan which constructs micronizer units.

"Small numbers of cattle are fed in many areas in Japan, but only recently did a large company begin feeding many cattle," he said.

**CATTLE ARE FED** much the same ration in Japan as they are in the Panhandle according to Ito. Corn and milo make up much of the ration.

"The Japanese people are troubled about the cutbacks in exports of soybeans and corn from the US to Japan, almost 90 percent of our feed is imported," he said.

The young visitor explained that there is a large shortage of beef in Japan and, despite imports from Argentina, supply cannot keep up with demand.

"The cost of beef in Japan is also very high, the price increases 12.5 percent a year," he said.

**ACCORDING TO ITO**, the Japanese people do not eat big steaks, and two or three people will eat one piece of beef.

They also eat large quantities of pork and fish, octopus and cuttlefish.

He finds that "American beef is tough, in Japan the beef is more tender. American hamburgers and fried chicken are big favorites in Japan however," he added.

The Panhandle has already made a big impression on Ito. "This is a very wide land with a very blue sky and many cattle," he said. "I have never seen a place like Texas, and the people of Texas are friendly."

After his visit here Ito will travel to New Mexico to observe another cattle feeding operation and will then do some sightseeing before his return to Japan Aug. 20.

**THE YOUNG visitor** is optimistic about the future of the cattle industry in Japan, and with the aid of knowledge obtained in America about the cattle feeding industry he feels certain that "one day there will be many cattle in Japan."

## To begin Aug. 1

# Stamp program due here

The state wide food stamp program, made possible when the 62nd Texas Legislature appropriated \$7.7 million for the program in fiscal year 1973, will start operation in Castro, Floyd, and Hale counties Aug. 1.

**SENATE Bill No. 1** of the third Called Session of the 1972 Legislature named the State Department of Public Welfare as the single agency to administer the statewide food stamp program.

The \$7.7 million appropriated by the state legislature in 1972 will be used solely for the administrative costs of the statewide program. The United States Department of Agriculture has financial responsibility for the food stamps and bonus stamps.

Previous to the statewide program's implementation, individual Texas counties issuing food stamps were responsible for the administrative costs. These counties were certified to issue food stamps only when money for bonus stamps and matching Federal funds were available.

When the program is fully implemented, all 254 Texas counties will be operating under the statewide food stamp program. After October, commodity foods will be limited to certain groups — public schools, institutions and day care centers.

**ADVANTAGES** to having a statewide food stamp program include: Low-income households will be able to increase their monthly food purchasing power, long waiting lines at commodity food distribution centers will be eliminated, the administrative expense for the program will no longer be the burden of the counties involved assistance will be distributed equitably throughout the state, and better balanced diets will be possible for those certified eligible.

Public assistance households, as well as those who don't make much money, may be eligible for food stamps. Eligibility is determined at the local welfare or food stamp office where certification of food stamp recipients is made.

A household is defined as a group of individuals, who are not necessarily related, living as one economic unit sharing cooking facilities and for whom food is customarily purchased in common.

Net income, which determines a household's eligibility, is computed by subtracting federal income tax, Social Security deductions, union dues and, in certain instances, work-related child care and medical expenses.

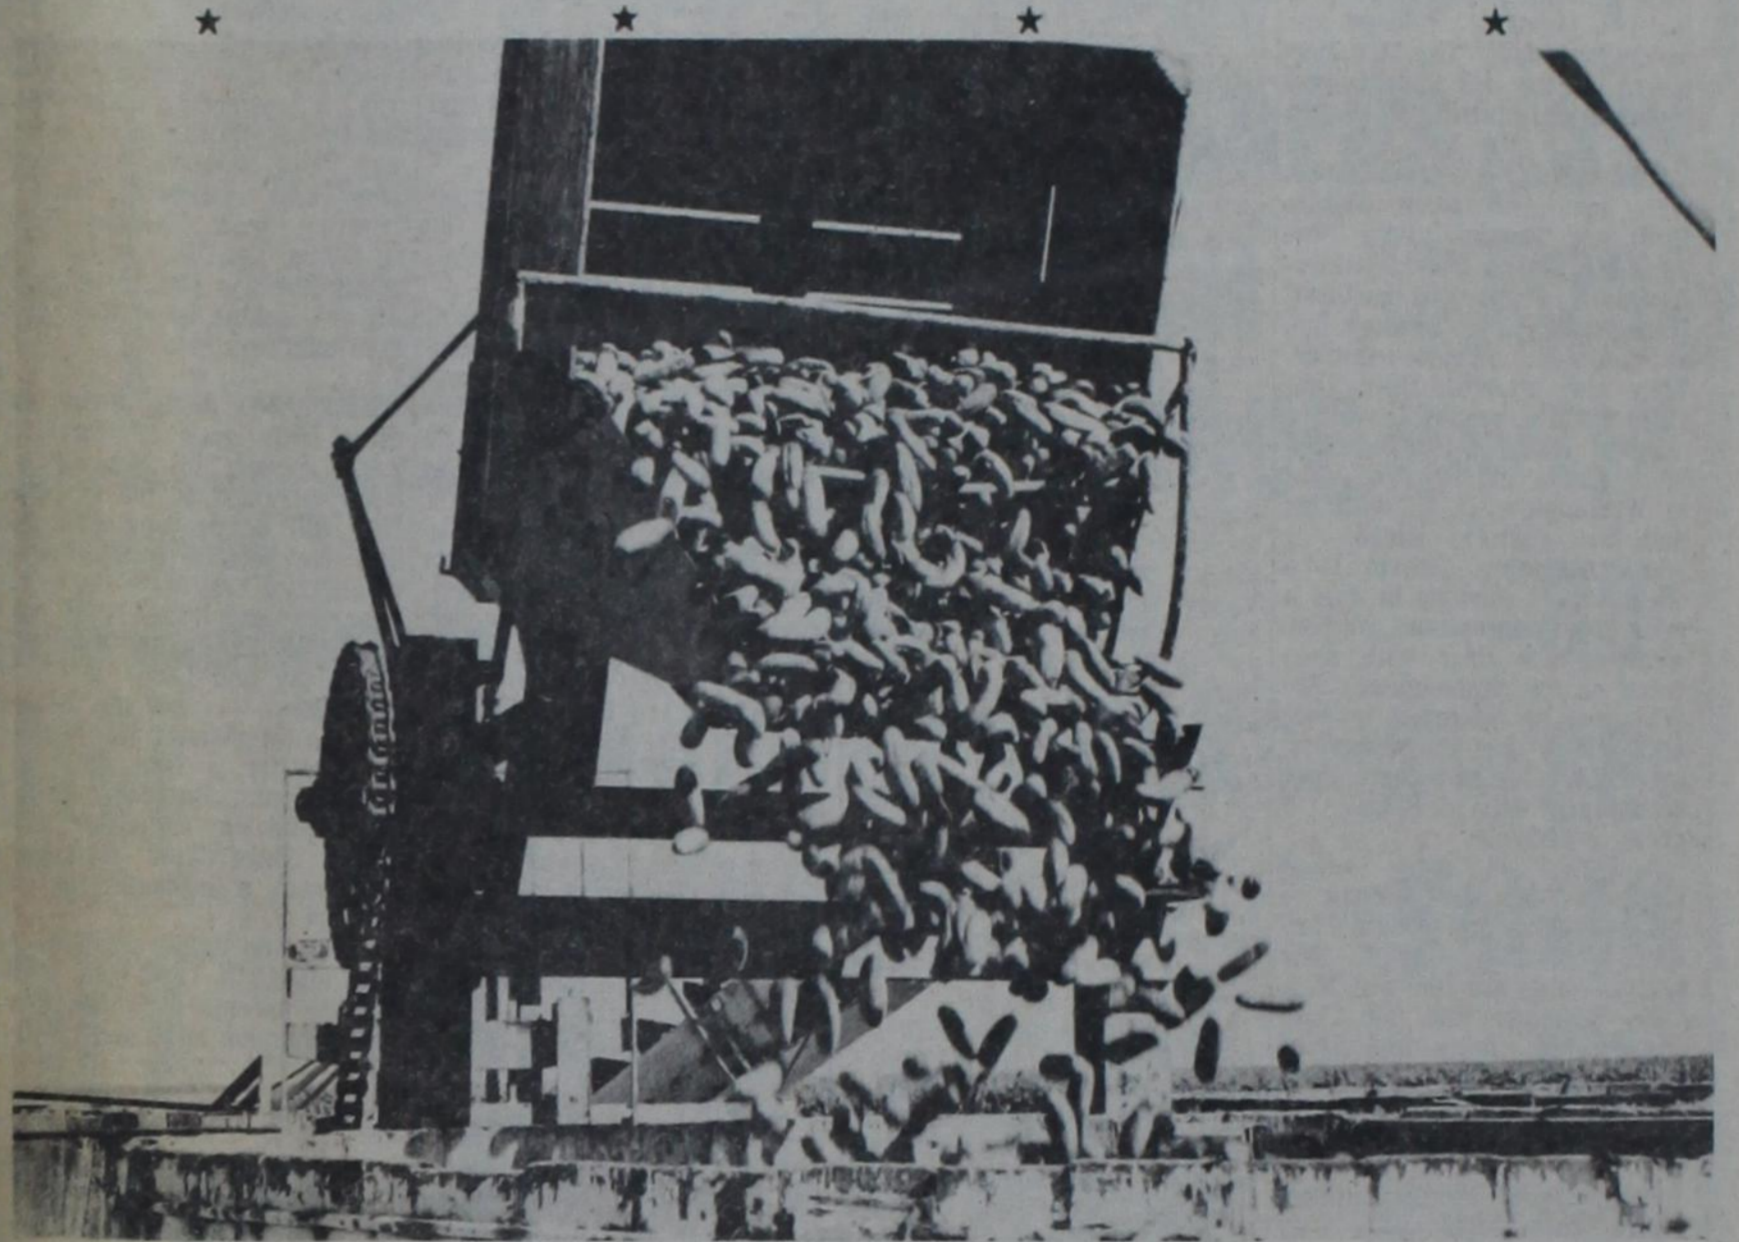

**OTHER ALLOWABLE** deductions include excessive rent, and utility bills. Applicants are required to have receipts and records showing proof of income, and mandatory deductions. They may bring records of shelter expenses and savings with them during the certification process.

Another eligibility requirement for food stamps is that all able-bodied members of a household between the ages of 18 and 65 must register for work. The only persons who are not required to register for work include those who are responsible for the care of dependent children under 18 or incapacitated adults; a student enrolled at least half time in any school or training program recognized by a Federal, State or local government agency; or those who work at least 30 hours a week.

The work registration form is held by the local State or Federal employment agency. When a job is located that meets certain suitability requirements, the applicant must accept work or lose his eligibility for food stamps.

Persons not working because of a strike or lockout are required to register for work but do not have to work at a plant subject to a strike or lockout. Also, applicants aren't required to join or resign from any recognized labor organization as a condition of employment.

An ATP card (authorization to purchase) is mailed to certified households each month which tells them how many stamps they are eligible to receive and how much they must pay for them. Bonus stamps make up the difference between what the family is to pay for the stamps and how many stamps are necessary for an

**FUTURE PICKLES**—Cucumbers are dumped into a brine tank at Western Vegetable Inc. in east Dimmitt. Conditions have been almost ideal for cucumbers so far this summer according to Elvon DeVaney of Western. Yields are good but there is a shortage of labor to pick the crop due to a lack of housing for workers says DeVaney.

If President Nixon had the notion that he was taping White House conversations for posterity, that "point in time" may have arrived a little earlier than he had planned on.

Apparently we are going to have to drag along without the benefit of handsome John Connally's vast wisdom. The way things have turned out it is not perfectly clear whether Big John abandoned the Democratic party to become a member of the Republican party or the Committee for the Re-election of the President. I am among the ones that believe that Big John is better qualified for the latter group.

If you have a few bushels of corn or milo you are in the chips at present prices. Tuesday's market for milo was hanging up there at \$3.80 per cwt., while corn was \$3.83 per cwt. Milo hit \$4.00 per cwt. one day recently. I don't have the statistics, and I am not going to the trouble to find out, but I would bet that this is the highest that livestock feed has ever been. I also heard that some 550 pound steers sold for 65 cents per pound. By the time they eat some of that \$3.83 milo and become prime beef they are going to be pretty valuable property.

Crops look good and recent rains should make them look better. Prospects for farm income would be most encouraging if you could just forget about the cost of production.

## Last rites held for Mrs. Golding

Funeral services were held Tuesday at the Blackburn-Shaw Memorial Chapel in Amarillo for Mrs. Ben Golding, mother of Jim Golding of Dimmitt.

**BOB BARNHILL** of the Central Church of Christ in Amarillo officiated.

Mrs. Golding, who had lived in Amarillo since 1907, died Saturday night at High Plains Baptist Hospital. She was 89.

Born in Murfreesboro, Tenn. Mrs. Golding had been a member of the Central Church of Christ for 56 years. She studied voices in Chicago, Ill. and she also attended Bonita College in Venice, Tex.

Survivors include three daughters Mrs. Vyron Dees of Houston, Mrs. Mary Greer and Mrs. Doyle Bunch of Amarillo; a sister, Mrs. Ed Coclidge of Henderson; nine grandchildren and seven great grandchildren.

**BURIAL WAS** in Llano Cemetery under the direction of Blackburn-Shaw Funeral Home.

## Nazareth Art Club will sponsor art, craft bazaar

The Nazareth Art Club will sponsor an Art and Craft Bazaar August 16-18 in Dimmitt at 101 East Bedford in the former Kittrell Electronics building. The bazaar will be open from 10:00 a.m. to 5:00 p.m. each day.

**EXHIBITORS** in the painting division must enter their paintings on Wednesday, Aug. 15 between 1 and 4 p.m. Paintings will be classified into eight sections including adult acrylic, adult oil, adult water color, and adult graphic.

An intermediate section for ages 16-19, a junior section for ages 12-15, and a children's section for ages 11 and under will also be featured. Four ribbons will be given in each section.

Exhibitors must include their name, the medium used, and

## Barbecue is postponed

The Democratic Funfest Barbecue scheduled for Saturday at the Tri-State Fair Grounds in Amarillo has been postponed until October according to Tom Walker, field director of the Texas Democratic Party.

**ACCORDING TO** Walker, the sudden and unexpected hospitalization of State Democratic Chairman Calvin R. Guest caused the barbecue to be postponed.

Walker emphasized that tickets already sold for the July 28 barbecue will be good for the October barbecue.

County residents desiring a refund on their tickets may contact Castro County Democratic Chairman Carl King or they may write District Attorney Andy Shuval, care of the county courthouse in Hereford.

All paintings must be ready to hang and artists are limited to five displays.

**IN THE craft section**, approximately 13 booths will be available. Each booth will be a taped off floor space 4 ft. x 8 ft. Individuals or groups may use the booths but they must furnish their own materials for setting them up.

Those setting up booths will be responsible for taking care of them and selling their articles.

Booths may be set up Wednesday Aug. 15 from 1:00 p.m. to 4:00 p.m. or Thursday morning from 9:00 p.m. on.

Paintings will be judged by popular vote. Each person visiting the bazaar may cast one vote in each section. Judging will end at noon Aug. 18.

**MEMBERS OF** the Nazareth Art Club will be present throughout the three day display.

There will be no entry fee for the craft or painting sections but 20 percent of the proceeds from the sale of all items will go to the sponsors.

Those interested in reserving a booth or in obtaining more information about the bazaar may contact Mrs. Ed Drerup, Mrs. Rose Birkenfeld or Mrs. Leonard Wilhelm of the Nazareth Art Club.

## THP investigates eight accidents

The Texas Highway Patrol investigated eight accidents on rural highways in Castro County during the month of June, according to Sergeant J. R. Smith, Highway Patrol area supervisor.

**THESE CRASHES** resulted in five injuries and no deaths.

The rural traffic accident summary for Castro county during the first six months of 1973 shows a total of 53 accidents resulting in one person killed and 33 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for June, 1973 shows a total of 559 accidents resulting in 27 persons killed and 331 persons injured as compared to June, 1972 with 529 accidents resulting in 20 persons killed and 347 persons injured. This was 30 more accidents, seven more fatalities, and 16 less injured in 1973 at the same period of time.

## Taxpayers post good pay record

Only two percent of Castro County's taxpayers are delinquent in paying the 1972 property taxes that were billed by the county.

## Roundup meet set next week

The final planning session for the 1973 Castro County Roundup will begin at 7:30 p.m. next Thursday. The meeting will be in the courthouse assembly room.

**ALL CHAIRMEN** or representatives of organizations sponsoring events during Roundup Week are asked to present written schedules and have their final budget figures and list of trophies and ribbons needed.

"We won't recap the whole week's schedule," said Don Nelson, chairman of the County Activities Committee. "Instead, we'll concentrate on the budget and election of officers."

New officers elected at next week's meeting will plan and coordinate the 1974 Roundup.

## 'That Good Old Country Feeling' chosen Roundup Parade theme

"That Good Old Country Feeling" will be the theme of the 1973 Roundup Parade.

**MRS. CATHERINE** Easter of Dimmitt submitted the winning theme idea, which was chosen by a committee this week from a field of many good entries in the contest.

Mrs. Easter will win a cash prize for submitting the winning entry.

In choosing "That Good Old Country Feeling" for a parade theme, judges commented that it had "a good, informal ring to it" and that it "should make a wide variation of float ideas possible."

Judges awarded honorable mention to three other proposed themes — "Castro County Cornucopia" by Bob Huckabay of Dimmitt, and "The Horn of Plenty" and "Castro County — The Oasis of Texas," both by Joyce Acker of Nazareth.

**M. J. REED** of the Dimmitt Lions Club will be general chairman of this year's Roundup Parade, with other members of the Lions Club serving as sub-chairmen for various aspects of the event.

The Roundup Parade will be staged at 2 p.m. Saturday, Aug. 18.

## Local fund drive totals are given

The local fund drive for the Rhoads Memorial Library has collected private contributions totaling \$19,837.25 since the announcement that the library was to be built, according to Jack Miller, library board chairman.

"**THE FUND** is coming along pretty well, we have collected around \$3,000 in the last month," he said.

Miller pointed out that the original community goal of \$35,000 is still being maintained. Local donations will be used to furnish the library and buy initial stock.

A memorial book in the front of the library will list every donor. Contributors who give more than \$100 will have their names inscribed on a permanent plaque in the library.

**MILLER URGED** those wishing to make donations to contact Fund Drive Chairman Jimmy Ross, or any member of the library board.

## Backhoe okayed for Precinct 1

The County Commissioners' Court voted Monday to buy a new backhoe for Precinct 1.

**Yellowhouse Machinery Co.** of Lubbock will deliver the backhoe at a price of \$9,300. The Lubbock firm's bid was the only one received.

A used backhoe will be traded in on the new one.

**WORK DAY SUCCESSFUL**—The Westlawn Memorial Park Cemetery Association's workday was a big success last Saturday as a crowd turned out to do mowing, pruning, trimming, watering, cleaning and other work around the cemetery. Here, Harvey Arce operates a riding mower

while others trim up shrubs in background. Workers found that all the trees along the south side of the cemetery—100 to 150 of them—have been killed or severely damaged by spray. Also, several small trees inside the cemetery are suffering the ill effects of spray.

Minnie L. Simpkins - This Is Your Life!

Mrs. Minnie L. Simpkins has been a Castro County resident since 1936. She lived on a farm at Sunnyside until 1942, when she moved to Dimmitt.

Mrs. Simpkins came to the Sunnyside area during the "Dirty Thirties". "There wasn't much to Sunnyside, and Dimmitt was a small town too," she says. "We raised some cattle and hogs and farmed."

People from all around came to Dimmitt to trade in those days according to Mrs. Simpkins. "Everyone would load up and come in to Dimmitt. Once in a while we would go to the show, that was about all the fun there was unless there was a rodeo or a dance somewhere," she says.

Mrs. Simpkins moved to Dimmitt in 1942. She worked in the high school "lunch room" for 12 years, and also worked in various cafes in Dimmitt. "The kids didn't complain much about the food, they were all pretty good kids," says Mrs. Simpkins.

SOUTH HILLS MANOR

'We care enough to give the very best'

A member of the First Baptist Church of Dimmitt, Mrs. Simpkins became a member of the church at Vernon when she was 16. Three of Mrs. Simpkins live children still live in Dimmitt. They are Mary Woodburn and J. B. and Buck Raper. Two daughters, Ruby Dempsey and Joyce Angle live in Amarillo. An active individual, Mrs. Simpkins loves to meet and talk with people. As a person who has worked in the preparation of food for others, she feels that the South Hills Manor has "really good cooks."

"This is a really nice home, everyone here is awfully nice," she says. Mrs. Simpkins lives in Hall A Room 6 at South Hills Manor. She would love to visit with you sometime and you're sure to enjoy a visit with her, she says.

Follow The Signs. Imagine yourself in a train depot in a foreign country, and the signs are in a language unfamiliar to you. You know that the signs are there to direct you, and you try to figure them out, but despite your best efforts you are not sure of your interpretation. The natural thing to do then, is to check with an attendant and have him explain things to you. The Bible is a sign given to us, and directs us in a pathway of living. Interpreting these directions is not always easy, so the natural thing to do, should be to seek someone to help us. Our churches have many trained personnel who are familiar with the language of the Bible. Attend Church this week and follow God's way of life.

## Cole to travel to Odessa for State 4-H Horse Show

Norris Cole, son of Mr. and Mrs. David Cole of Dimmitt will join other top 4-H horsemen of the state in competition for championship honors during the State 4-H Horse Show, August 1-4 in Odessa's Ector County Coliseum.

COLE EARNED the right to compete in the state show when he displayed the grand champion gelding at the District 1

Bill Clayton

### Fund-raising dinner is set

Plans are underway for a \$10 a plate fund-raising appreciation dinner for state representative Bill Clayton, candidate for Speaker of the Texas House of Representatives.

THE DINNER will be held at 8 p.m. August 2 in the Mary DeShazo school gymnasium in Muleshoe.

General chairman for the dinner is Gordon "Corky" Green of Muleshoe. His assistant is Harvey Bass.

Volunteers from all seven counties represented by Clayton including Bailey, Castro, Cochran, Deaf Smith, Lamb, Oldham and Parmer counties are helping with preparations.

Clayton, who came to the Springlake-Earth community when he was three, is a graduate of Springlake High School and Texas A&M University. He has served the people of his area in Austin since 1962, having been re-elected five times.

### Nazareth team wins tourney

Nazareth captured the championship of the Senior Girls Softball Tournament Saturday following a week of play in Dimmitt between teams from Dimmitt, Happy and Nazareth.

NAZARETH took the championship over Dimmitt Saturday night when they jumped to a 2-0 lead in the first inning, added five runs in the second, then coasted to a 15-9 win.

In the week's other tourney games, Nazareth downed Dimmitt Monday night 15-6. Winning pitcher was Patti Hochstein and losing pitcher was Darla Hicks.

Tuesday night Nazareth trounced Happy 34-3, scoring 13 runs in the second inning. Winning pitcher was Lenora Huseman, and losing pitcher was Diane Johnson.

In a Thursday night game, Dimmitt sailed pas Happy 23-12, scoring 10 runs in the third inning. Winning pitcher was Eliza Ortiz and losing pitcher was Diane Johnson.

FRIDAY NIGHT Dimmitt downed Nazareth 18-15, scoring 7 runs in the last inning for a come from behind win. Winning pitcher was Liza Ortiz and losing pitcher was Lenora Huseman.

4-H Horse Show in Amarillo recently.

Twenty contestants from each of the 13 districts of the Texas Agricultural Extension Service will be competing in the state show, according to B. F. Yeates, Extension horse specialist.

The Extension Service and the Odessa Chamber of Commerce are sponsoring the 4-H Horse Show.

District champions in halter, showmanship, western pleasure, reining, pole bending and barrel racing and others selected on a point basis will be competing in the state show.

THE STATE 4-H Horse Show is the year's most significant highlight for 4-H members with horse projects.

"The boys and girls have worked and practiced with their horses all year with the goal of qualifying for the state activity and claiming some horse-ship honors," said Yeates.

A featured attraction this year will be a new handcraft show. Participating 4-H members of the horse show will be eligible to enter some of the handwork they have designed for their horse project work. Training equipment and related materials and riding apparel may be entered. Awards will be given to the outstanding handcraft entries.

Greetings Comrades,

Don't forget, this Saturday night we are having a dance at the post home. Dancing will begin at 8:45 and will continue till 12:45. Music will be by the "Crystal Aairs". This group has played for us before and they did such a fine job that we've had a lot of requests to get them back and we did. I hope you'll make plans to attend for I know you'll enjoy it. The admission price is \$3 per couple or \$1.50 single. We are open at 4:30 p.m. every day so you can come out as early as you want and select your favorite table.

COMRADES, we have begun our new 1973-74 VFW year and the Department of Texas has declared Phase I the initial membership drive. Their goal is that we obtain 25 percent of our membership quota by Aug. 31. Our post will receive an appropriate award if our goal is reached. Our quota this year is 163 members, so this means we need 41 renewals to achieve our objective, so please send me your \$8.25 dues now and let's win as many awards as we can. Make your check payable to VFW Post 2056 and send it to me at 311 S.W. 3rd, Dimmitt, Tex. 79027 or give it to Howard Cook at the post home.

COMRADES, everything pertaining to the District 13 Convention to be held here Aug. 25-26, is coming along real smooth. All the information has been turned in to have our programs printed and they should be completed this week sometime.

There is one change I'd like to mention. It is confirmed that our Department Representative will be Dept. Service Officer R. F. Waldrop. Comrade Waldrop has been a member of the VFW for 27 years and he was appointed to his present job in October of 1961.

I am really looking forward to this district convention for we have a fine program lined up and too it is the start of our new year and everything looks very favorable. I'm hoping we'll have one of the biggest turnouts we've ever had.

Last Wednesday night, the 18th, I made a surprise official visit, in my capacity as Dist. Commander, to Plainview Post 5399. I sure do enjoy visiting with them. They are good people down that way. So far they have a pretty good start on their membership drive and I'm going to clue you all in now, they are going to be some stiff competition this year. So we had better do some hustling if we aim to stay up with them.

POLISH FLOORS after waxing them — they'll be safer to walk on. The more you polish, the harder and drier the wax becomes. Between waxings, dust floor with a dry mop, advises Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service.

ALTHOUGH SNOW fleas have existed for several million years, little is known about them, including their diets. It is believed they feed either on microscopic algae or diatoms.

More About

SHEFFY'S

(Continued from Page 2)  
Lubbock.  
Robert and Margaret Bunty are buying Connie's house at 704 Pine Street. Did you know that Wendell Moore is our Ike Moore?  
Flora Stanford was hostess to her children and families last weekend, Paul and Betty from Albuquerque, Mrs. Saul and children of Houston and the others. I didn't get names.  
Dr. and Mrs. Charles Vandiver went to Missouri to pick up son Loren who has been in summer camp there.  
AFTER A WEEK in Hawaii on the way home, Decimae Dennis is spending the summer with her parents, Mr. and Mrs. Morgan Dennis and brother, Edgar Dennis and family. Decimae teaches business subjects at

Kubasaki High School on the island of Okinawa, which is now a Japanese prefecture. At the end of the recent school year she was awarded the highest award given DOD teachers — the Sustained Superior Performance Award. Extracurricular activities included sponsoring the National Honor Society and coordinating and coaching the Scholarship Bowl, which is patterned after the GE College Bowl. The Kubasaki team won every game and were victors for the competition.

Travels during the past year included the US Trust Territory with a visit to the islands of Guam, Truk, Ponape, and Saipan (Ponape neither has electricity nor hot running water and no restaurants).

After a recent trip through Central Texas visiting friends and brother, Dr. Douglas Dennis and family, she reports that she is again extremely aware that it is a privilege to be an American and a Texan. Texas is beautiful. Brent and Eric Dennis, nephews, came home with her for a visit with cousins, Debbie and Connie Dennis and the grandparents, Morgan and Geneva Dennis.

Decimae plans to go back to Okinawa to teach. She has been on the island two years and she taught the US Air Force children in the Philippines for two years.

Mr. and Mrs. Claude Forson went to Floydada a while back to attend the McCoy School reunion. Cleo taught there many years ago. And Sunday they went to Estacado south of Petersburg to visit cousins and friends.

BETH HODGES, Keri and Boyd and Peggy Nunn of Pan-

handle have been visiting Ber-al Hance. Boyd spent part of his time on the golf course.

Among out-of-town guests at LeAnn Merritt's wedding were the bridegroom's mother, Mrs. Selmar Hardland of Ledger, Mont. and Mrs. Gloria Schultz also of Ledger, Mr. and Mrs. Ray Harvick of Tahoka, Mr. and Mrs. Les Bray and Mrs. George Hilton of Lubbock.

Mr. and Mrs. Andy Behrends and daughter Mrs. Mary Botkin and children of Wilton, Conn., and Mr. and Mrs. Bill Behrends and children spent last weekend at Red River, N. M.

Mr. and Mrs. Gary Koester and children of Los Angeles, Calif. visited friends in Dimmitt last weekend. Mrs. Koester is the former Dalvia Howard of Dimmitt. Their son, Filward won a 4-year football scholarship to Texas Tech University and has enrolled there. Mr. and Mrs. Koester are also visiting her parents, Mr. and Mrs. M. L. Howard in Friona.

SANDRA MICHELS and sons Mark and Greg of Houston have been here two weeks visiting her parents, the L. A. Leeths, and her sister Kathleen Foster. Her husband came Saturday and they will be here several days.

Sanara, who was organist at the First Baptist Church here for several years, is a member of the faculty of the Eisenhower High School in Houston, where she is school nurse. When the new school was dedicated recently, Julie Nixon Eisenhower gave the dedication address. Sandra said she is a charming young woman. The Michel boys are 8 and 5. Their dad is with Trans-Oceanic Shipping Company, which deals in imports and exports.

Harlene Trlica and boys, Shane, 6 and Derek, 4, of Houston are visiting her parents, the Harley Dyers. Harlene attended services Sunday evening at the First Baptist Church.

BRO. JOHN Street was honored Sunday evening after church at Fellowship Hall with a belated birthday party. Home made ice cream and cookies were served to a large crowd.

Ethel Farmer is visiting her sister, Ruby Stone. She lives in California and is a former Dimmitt resident. Ben Gollehon continues to improve at Northwest Texas Hospital in Amarillo. He was removed from the intensive care unit last Friday and is in room 248. His parents, Noel and Oleta are staying in Amarillo to help care for him and Truman and Ann Touchstone are frequent visitors. Ben's son John is staying here with the Touchstones.

Sharon Barker is visiting her parents Mr. and Mrs. Elvis Barker for a couple of weeks. Sister Pam of Lubbock joined the family for the weekend. Sharon will begin work Aug. 6 at Bexar County Hospital in San Antonio. She received her nursing degree in May. She has just returned from a four-week stay in Guatemala. She reports it is a beautiful country but with very few modern conveniences. The Maya Indians, who make up approximately half of the population, do beautiful weaving and wood carving. They shopped in Guatemala City, visited a live volcano near Lake Atitlan, An-

Blackburns win bicycle race

David and Paul Blackburn, sons of Dr. and Mrs. J. D. Blackburn of Dimmitt were first and second place winners respectively in a bike race held in Amarillo Sunday.

THE AMARILLO Bicycle Association sponsored the race which was held at the micro midjet race track in Amarillo. Both boys competed in the 12 year old and under division. David, 12, captured first place and was presented a trophy and Paul, 10, received a ribbon for his second place finish. Both boys rode ten speed bicycles.

tigua, one of the ancient cities which was destroyed by an earthquake about 1700, and other scenic points. There is much farming in Guatemala but most of the work is done by hand. Fresh fruits they enjoyed while there included bananas, pineapple, papayas and mangoes.

JOE DUNN of Big Spring gave a violin concert of religious songs for the residents of South Hills Manor Sunday morning. Mr. Dunn is the brother of Mrs. Gene Ivey and son of Mrs. Dunn of Littlefield, who lives at the home now. Mrs. Dunn is recuperating from a stroke.

AWAITING DOORS—Nazareth's new fire station has gone up quickly and is now awaiting doors for the front. The construction was financed by several townspeople who signed notes on the building, and the actual construction has been performed by citizens of the young city.

# TG&Y Grand Opening

Don Shrum, Store Manager; Mrs. Louise Cathey, Bookkeeper and Richard Harrison, Assistant Store Manager.

It was less than 10 years ago—on Dec. 3, 1963—that we opened our doors in Dimmitt. With 6,500 sq. ft. of floor display space, ours was one of the largest variety stores in this area.

We've now completed our major expansion project, and have more than doubled our floor display space to 13,600 sq. ft.,

making our store one of the largest expanded variety stores in the TG&Y system.

Our expansion was made possible by our acceptance and your patronage, and we're celebrating the occasion with a new Grand Opening, now underway. The hundreds of great TG&Y bargains on these pages are our way of saying "thanks" to you and inviting you to our Grand Opening!

ROAD REPAIRS—One lane of West Bedford street near the downtown intersection was closed for most of the day Thursday and Friday as state highway crews worked to repair the road surface.

Larry Kaplan, golf pro at the Castro County Country Club will give lessons on basic golf fundamentals during the month of August. A SERIES of five lessons for ladies will be held Aug. 7, 9, 14, 16 and 21. Lessons will be held at 6 p.m. Lessons for juniors will be held Aug. 8, 10, 15, 17 and 22 at 10:00 a.m. Cost of the series of lessons is \$7.50 per person and registration deadline is Friday, Aug. 3. Enrollment will be limited to seven per class. It was decided at a recent board of directors meeting that the golf course will be fenced. Cars will still have access to the road by the no. 8 green and down the west side of the no. 7 teebox. MONDAY HAS been designated as work and water day. Seventy-two golfers from throughout the Panhandle-Plains area took part in our Pro-Am Tournament last week. THE WINNING team was the quartet of Bob Baker of Amarillo, pro, David McCaskill of Amarillo, Ginny Lapins of Dimmitt and Charlie White of Dimmitt. Using the best score on each hole they carded a 59 for the championship. Members of the second place team were Bob Baker of Amarillo, pro, Dr. Ken Hunt of Hereford, Owen Seamands of Hereford and Joe Butler of Dimmitt. This quartet was just one stroke off the lead with a 60. In third place with a 61 was the team of Wilson Swinney of Lubbock, pro, Dr. J. E. Wohlgenuth of Dimmitt, Amy Glover of Dimmitt and Ted Whillock of Littlefield. CLYDE DAMRON chalked up 6190 points to take high honors in last week's Thursday Night Bridge at the clubhouse. Polly Holland was second with 4570, her husband Garnett came in

Shoes will be issued Aug. 8

Shoes will be issued to Bobcat football players Aug. 8 according to Deane Wright, coach. SENIORS WILL be issued their shoes at 8:00 a.m., juniors at 8:30, sophomores at 9:00 and freshmen at 9:30 a.m. Workouts will begin Monday, Aug. 13 at 8:30 a.m. Evening workouts will be at 6:30. Freshmen will not work out until school starts according to Wright. "Those interested in playing football should contact me right away," said Wright. FIGHT FOOD cost with a freezer. It promotes long-term food plans, geared to cut shopping time and save money, notes Lynn Bourland, home management specialist with the Texas Agricultural Extension Service.

Fowlers win Swiss vacation

Mr. and Mrs. Dale Fowler of Dimmitt have won a vacation trip to Switzerland from the Ford Motor Co. as a result of a car-truck sales contest conducted April 11 through July 10. THE FOWLERS will spend six days in Switzerland with other Ford dealers from the Southwest. They will stay in the city of Montreux in the "Swiss Riviera" on Lake Geneva, and will take guided tours through the Swiss Alps. Competing against 14 other Ford dealerships in Texas and Oklahoma during the company's "Flight to Fun" contest, Dale Fowler Ford posted the highest sales percentage in the district selling 127 percent of its objective. 647-3123 for Printing

Correction

A line of type was omitted in a story last week concerning funeral services for Walter Scott Belknap, and as a result the name of one of his surviving sons, Ray Belknap of Ireland, Tex., was omitted.

DR. JAMES E. WOHLGEMUTH OPTOMETRIST 300 West Bedford Ph. 647-4464 Dimmitt, Tex.

OUT OF TOWN

Mr. and Mrs. Max Hastings of Dimmitt are the parents of a daughter, Shoni Monea, born July 18 in Deaf Smith County Hospital. Grandparents are Mr. and Mrs. E. M. Jones and Mr. and Mrs. Odus Hastings.

Grain Sorghum CHAFF

By WES ANTHONY

If you haven't been out in the country looking around lately, you must do so soon.

MY GOODNESS the cucumbers, potatoes and onions are really coming in! And someone said they were beginning to harvest carrots.

And the corn is sure enough growing up. Some of it is taller than a man. And it is a beautiful color. It won't be long until it is in full tassel.

And it will not be long before the cotton is in full bloom. Sure is pretty, isn't it? And of course, we all do not want to forget to thank the Lord for the wonderful wheat crop we have just harvested.

And it sure makes you hungry for sugar to look at those gorgeous sugar beets.

IT IS estimated we will feed 350,000 head of cattle in our feedlots this year. If we do

Revival services slated by church

The First Baptist Church of Dimmitt will conduct revival services beginning Sunday and running through Aug. 5. Services will be held each day at noon and 8:00 p.m.

EVANGELIST will be Rev. Jimmy Nettles of Fort Worth. He has been pastor in Texas, Illinois and California and has preached in 30 states.

David Garrett of Greenville will direct revival music.

Chuck Williams, a member of the football team at Indiana State University, will lead the youth activities.

Candystripers slate party

The Plains Memorial Hospital Auxiliary and Candystripers are sponsoring a swimming party for all girls ages 14-18 at the Castro County Country Club Aug. 2 at 7 p.m.

DURING THE party, two candystripers will be presented award pins.

The party is also being held to create interest in the candystriper organization.

Girls wishing to attend the party should contact Mrs. Ginny Lapins at 647-5345.

More About Stamp program

(Continued from Page 1)

adequate diet.

The amount of money a household pays for stamps is dependent upon its net income and the size of the household.

A four-person household with a net income of less than \$30 a month would receive \$116 free stamps. But a four-person household with a net income of \$360 a month would pay \$92 for the same amount of stamps.

The ATP card and the specified amount of money, if any, is cashed in at designated issuing offices for food stamps. All money is then sent directly to the United States Treasury.

PARTICIPATING grocery stores will accept food stamps for purchase of all food products, except those which are imported.

These stores then deposit the stamps in the bank, just as they would any other cash transaction, and the stamps are redeemed by the USDA.

Some advantages of the food stamp program over commodities are:

— Commodities are usually the items held in surplus by the USDA and not necessarily food products that, by themselves, comprise a balanced diet. Commodities tend to be heavily weighted with starchy staples.

— FOOD stamps enable recipients to purchase what they need. This is particularly beneficial to people on special diets, the elderly and small children.

— Food stamps are available to all persons without regard to race, color, creed, sex, national origin or political affiliation.

— Any applicant is entitled to a fair hearing regarding his denial for certification or the number of food stamps his household was determined eligible for.

Persons interested in applying for food stamps should contact the food stamp office at 628 North Ash in Plainview or the local welfare offices in Dimmitt and Floydada.

Amanda Rogers and Bill Wolfe

## Couple planning Sept. 29 wedding

Mr. and Mrs. Buford (Boots) H. Rogers of Rockport, former Hart residents, announce the engagement and approaching marriage of their daughter Amanda to Bill Gary Wolfe, son of Mrs. J. T. Sikes of Waco and the late Albert Wolfe.

MISS ROGERS is a 1968 graduate of Hart High School and graduated from Baylor University in 1972 with a BA in elementary education. She taught

remedial reading in Pleasanton last spring and will be teaching in the Dallas area this fall.

Wolfe is a 1966 graduate of Waco High School, and a 1970 graduate of Baylor University. He is employed as a claims adjuster for Employer's Insurance of Texas in Dallas.

The couple will exchange vows Sept. 29 at 2 p.m. at the First Christian Church in Abilene.

## Shower honors Miss Mary Hays

Miss Mary Hays, bride elect of Bob LaRue was honored with a shower and coffee Thursday morning in the home of Mrs. Charles Vandiver.

MRS. JOHN Hays and Ruth Ann Canselor served hot rolls, sandwiches and fruit to the guests. The table was decorated with an arrangement of fruit and flowers in brass scales.

Twenty ladies assisted with hostess duties. Out of town guests included June Taylor of Amarillo, Mrs. J. R. Allison of Hereford and Mrs. John Nichols and Debra Summers Shreck of Tulia.

## Mrs. Patton is named to list

Sharon Patton, daughter of Mr. and Mrs. James E. Welch of Dimmitt has been named to the honor list at Graceland College in Lamoni, Iowa.

The honor list is composed of students who have earned a 3.5 - 4.0 grade point average during the semester.

Graceland is a four year private liberal arts college in southern Iowa.

Miss Starker

## Aug. 4 vows set

Mr. and Mrs. B. A. Starker of Happy announce the engagement and approaching marriage of their daughter Leta Ann to Louis Acker of Denver, Colo., son of Mr. and Mrs. Val Acker of Nazareth.

THE COUPLE will wed August 4 in the Holy Name Catholic Church in Happy.

## Garcia - Ruiz exchange vows

MRS. DANNY BOYD NEWTON  
... She's the former Donna Hudson

### Hudson - Newton exchange vows

Mr. and Mrs. Danny Boyd Newton are at home in Dimmitt following a July 14 wedding in the First Baptist Church in Dimmitt.

**THE BRIDE**, the former Donna Raye Hudson, is the daughter of Mr. and Mrs. George Hudson of Dimmitt and the groom is the son of Mr. and Mrs. Beauford Newton of Denver City.

Rev. John Street read the double ring ceremony before an altar decorated with two spiral candelabras. Two large baskets of palm daisies in rainbow colors also adorned the altar.

Given in marriage by her father the bride wore a formal wedding gown of white silk organza fashioned on empire lines with an accent band of satin ribbon. The bodice was almost covered in scalloped Chantilly lace covered with sequins. Between the lace and the high lace neckline was a layer of sherr organza forming a yoke. Bishop sleeves were joined to a wide lace cuff.

Her chapel length train fell from the waist line and both the gown and the train were completely encircled at the hem

line with wide lace and satin ribbon inserted.

**SHE CARRIED** a bouquet of daisies in rainbow colors of yellow, pink and blue with an orchid. Her veil was a Juliet cap trimmed with rainbow daisies and a fingertip veil.

The bride's attendants wore dresses of cotton polyester featuring scoop necklines, fitted waists and ruffles around the hem with long puffed sleeves. They carried nosegays of rainbow daisies and wore picture hats to match the dresses.

Final Hart Day planning meet set for Monday night

By MYRT LOMAN

The final planning meeting for Hart Day is scheduled for Monday night. All clubs and organizations are requested to have a representative attend this meeting, which will be open for new ideas and suggestions.

Following the reading of the minutes of the last meeting, Mrs. Bob Reed was elected secretary-treasurer by acclamation. Mrs. G. R. Bennett, president of the Goodneighbor Club and Mrs. H. E. Newman will host the registration beginning at 10 a.m. Saturday, Aug. 11 in the community room of the Farmers State Bank.

The Zealot Club will be represented by Mrs. Hubert McLain, and that club will be in charge of the merchants drawing, at 11 a.m. across the street from Pay and Save Grocery. Mrs. Glyn Reed, Mrs. Charles Black and Mrs. Bob Berry represented the Xi Mu Iota sorority and will be in charge of securing floats.

RECEIVES QUILT — Mrs. W. D. Bell, left, a fourth grade teacher in the Hart Elementary system was presented a hand-made quilt by Mrs. Ben Kennedy, a room mother. Mrs. Kennedy secured the hand print and name of each student and traced the patterns on bright material, embroidered the names on white cloth and set the quilt together in blue before presenting it to Mrs. Bell as an appreciation gift from the students.

MR. AND MRS. Ed Bennett and Mark were hosts for an ice cream supper recently for the daughter-in-laws, Charlene and Ruth Bennett, honoring them on their birthdays. Guests were the honorees and their husbands, George and Harold, Mrs. G. R. Bennett and Mrs. L. L. Swindle and Mr. and Mrs. Theron Morrison and Blair.

ON THE SICK list and in hospitals last week were Mrs. Richard Franks, Eric Bennett, infant son of Mr. and Mrs. George Bennett and Miss Beth Ann Hacker, daughter of Mr. and Mrs. Buster Hacker. Houston Sullivan is home from Veterans' Hospital in Amarillo.

THE ZEALOT Club has scheduled its annual bake and rummage sale for Friday and Saturday, July 27 and 28. The sale will be held on Broadway near the Bank and Hart Cleaners.

Proceeds are used each year for a scholarship for a deserving senior of Hart High School, a Christmas party for young school children and any other project they can help.

MRS. TOM RAY will host the Golden Ones Club on Friday for a covered dish luncheon and business meeting. All members are urged to be present and bring a friend.

THE ROY McLain family reunion was held in the McLain home on Sunday with the following children and families present: Laurence Cox of Brownfield, Willard Wellman of Roswell, N. M., Bill Butler of Atwater, Calif., R. D. McLain of Spearman, Hubert and Tom of Hart, grandchildren Mr. and Mrs. Dor. Horn of Dumas, Mr. and Mrs. Freddy Mayfield of Spearman, brothers John, Tump and Let of Hart and a host of friends who called in.

SOME 26 relatives gathered on Saturday night and Sunday in the home of Mrs. Maude Jackson for their family reunion. Children and grandchildren present were Mr. and Mrs. Arno Cox of Hobbs, N. M., Mrs. Roy Stone and son, and Mr. and Mrs. Bob Jackson and family of Odessa, Mrs. Jean Obde of Oakland, Calif., and Mr. and Mrs. C. D. Adams and children of Hereford, Mr. and Mrs. Johnnie Copeland of Odessa, Mr. and Mrs. Hubert Moses of Olton and Mr. and Mrs. Bob Bowden and girls of Hart.

Sale items not always bargains

Clothing sale items aren't necessarily bargains, warns one authority. "UNLESS there's a definite need or use for the item, it's not a good buy," Marilyn Brown, consumer education-clothing and textiles specialist with the Texas Agricultural Extension Service, explained.

"At one time or another, most typical shoppers have purchased sale items only to wonder later why they did." Several factors make sales attractive and tempting, the specialist said.

For one, consumers generally want to test buying skill — and try to "get something for nothing." "OTHERS FEEL they're contributing to family income by saving a few pennies on sale items."

"Still others enjoy the excitement sales bring — crowds and a great variety of merchandise. "But whatever the reason for shopping sales, make sure you are getting your money's worth," Miss Brown emphasized.

"Clothing dollars should give a good return on investment." BEFORE MAKING an impulse decision about bargain clothing merchandise, ask yourself the following questions: 1. Is the item really needed — and does it meet the need? 2. Will it fit into my wardrobe plan? Must new accessories be purchased to complete the outfit?

3. Does the garment fit well, or can it be altered? 4. What does proper care and maintenance involve? 5. How will the item be purchased? Will it upset the clothing budget?

"WHEN shopping sales, at least be a comparative shopper. Become familiar with current prices and fashions — to insure purchasing a true bargain. "In addition, shop sales early — before merchandise is completely picked over," Miss Brown added.

Children and grandchildren present were Mr. and Mrs. Arno Cox of Hobbs, N. M., Mrs. Roy Stone and son, and Mr. and Mrs. Bob Jackson and family of Odessa, Mrs. Jean Obde of Oakland, Calif., and Mr. and Mrs. C. D. Adams and children of Hereford, Mr. and Mrs. Johnnie Copeland of Odessa, Mr. and Mrs. Hubert Moses of Olton and Mr. and Mrs. Bob Bowden and girls of Hart.

Mr. and Mrs. Kenneth Sharp of Lubbock are parents of a daughter Miranda Renee, born Friday, July 20 at 6:25 p.m. in Lubbock Hospital.

Maternal grandparents are Mr. and Mrs. Joe Bailey of Hart and the paternal grandparents are Mr. and Mrs. Orval Sharp.

BUTCH WALLER, who operates the mosquito spray machine, asks that parents not let their children follow the machine while in operation. Some children have been following in the spray fog, which is very dangerous, also it is dangerous in crossing streets as oncoming drivers cannot see the children and someone could so easily be injured or killed.

SOME 15 members of the Hart Lions Club met in the community room of the Farmers State Bank on Monday for a regular meeting. Final plans for Hart Day, Saturday, Aug. 11, were made with the appointment of committees for the different activities.

The club will sponsor a carnival, bingo games and make hamburgers. The club will also sponsor their sweetheart, Miss Cindy Hill, in the Miss Hart Day competition.

LANNY TUCKER, the Hart School vocational instructor was in Columbus, Ohio on July 18-20 to attend the 1973 National Durco Congress, where he had an exhibition one boar and three gilts among the 550 head of breeding stock and 100 head of market hogs.

THE ADULT chapter of the Hart Fellowship of Christian Athletes will meet at the high school tonight (Thursday) at 8:00. Anyone interested in becoming a member is invited to attend.

The view from your library

By MARY EDNA HENDRIX

Gloria Campos started working at the library last week through the NYC Program. Lupe Quinonez has worked for two summers through the Summer Youth Program, and Marie Howell is still helping Mrs. King with the typing and processing books. Lupe and I moved several boxes of new books to the new library last week; since they are clean we want to keep them that way. Some filing cabinets came in last week so we are hoping the book shelves will come in soon.

MORE DONATING books: Bobby Crooks brought three big boxes of books, including one set of encyclopedias, "The New Wonder World." Sue Merritt and her sister, Ann Webster, brought several big boxes of books including two sets of encyclopedias, the World Book and Compton's, and two volumes of the Lincoln Library.

More donations: Mrs. Mayme Birdwell came in and gave us a check for the library in memory of her husband's birthday, and Bill Birdwell gave us a generous donation for the building fund. Also, a generous check came in the mail from Amstar.

INTERESTING people in the library last week: Mrs. Bedford Smith brought her grandchildren in, Cara Lou and Richard Lee Koble from Cushing, Okla., and Milissa Lee Smith from Kear-

ney, Neb. They all met in Shamrock, where Bedford preached his 50th anniversary sermon. Jackie Freeman from Lubbock, who is Mrs. Steve Handley's sister, checked out some books. Drilma and her children, Brian and Angie, use the library regularly.

Carolyn and Billy Harmon came in the day their little daughter, Renea, was six weeks old. Mrs. E. R. Sadler came by with her little grandson, Gregory, who is Miles Sadler's son. Esta Vandiver came in for a short visit. We had missed her since she does not come in as much as she did when she was president of the Dimmitt Book Club.

Lynn Laws from near New Orleans, La., came in with Amy Downing. Lynn is visiting her sister, Mrs. Trent Downing, and they are refinishing some furniture.

I WENT to Dallas with my sister-in-law, Mrs. Jess Hendrix from Post, last weekend. My daughter Sue and her husband, David Vaughan and children, Shannon and Brent took us to hear Rev. Frank Pollard on Sunday morning. He is pastor of the Shiloh Baptist Church. We enjoyed hearing Bro. Frank again and seeing his wife Jane. We had a pleasant surprise because Dick Baker was substituting as choir director. Also visiting in the Shiloh Baptist Church was Mr. Taylor, who worked for 15 years on compiling "The Living Bible" that so many are reading now.

Herb Mayfield will be in charge of the Old Fiddlers. Ribbons and trophies will be given winners in each contest. The Hart FFA will be in charge of decorated bicycles. No motorcycles will be allowed.

MISS Debbie Bailey, bride-elect of Danny Godfrey was feted with a pre-bridal courtesy on Saturday afternoon in the community room of the Farmers State Bank from 3 to 5 p.m.

Miss Suzanne Holley, last year's Miss Hart Day, and mayor E. E. Foster will lead the parade down Broadway south. Miss Jean Foster represented the Longhorn Band, and will give a report at the next meeting on Monday night, July 30. Daryl McLain will be in charge of old cars and Mrs. L. C. McLain will be in charge of old farm machinery and implements.

Herb Mayfield will be in charge of the Old Fiddlers. Ribbons and trophies will be given winners in each contest. The Hart FFA will be in charge of decorated bicycles. No motorcycles will be allowed.

MISS Debbie Bailey, bride-elect of Danny Godfrey was feted with a pre-bridal courtesy on Saturday afternoon in the community room of the Farmers State Bank from 3 to 5 p.m.

Assisting Mrs. Brooks with serving blueberry muffins, coffee and a fruit cup were Mmes. Mrs. Barrett is the former Pat Waide, daughter of Mr. and Mrs. Charlie Waide of Hart. The groom's parents are Mr. and Mrs. Austin Barrett of Kress.

Special guests were Mrs. Joe Bajley, mother of the honoree and Mrs. Carl Godfrey, mother of the prospective groom. 20 ladies assisted with hostess duties.

MR. AND MRS. Mike Barrett are at home in Melrose, N.M. following their recent

marriage on July 7 in the Kress Church of Christ. Mrs. Barrett is the former Pat Waide, daughter of Mr. and Mrs. Charlie Waide of Hart. The groom's parents are Mr. and Mrs. Austin Barrett of Kress.

THE HOME of Mrs. Thomas Lee Brooks was the setting for the annual "Kid-nap" breakfast of the members of the Zealot Club at 6:30 on Thursday morning. Ladies appeared with stringy hair, unmade faces and ragged housecoats.

Assisting Mrs. Brooks with serving blueberry muffins, coffee and a fruit cup were Mmes. MIGRATORY BIRDS are smarter than the weather man. They usually are aware of changing weather conditions at least 12 hours in advance. This instinct is the chief reason for their safe arrival at destination points.

### Retailers need authorization from USDA in Food Stamp program

Food retailers in counties entering the Food Stamp Program will have to be authorized by the U.S. Department of Agriculture before they will be eligible to accept food stamp coupons.

THIS WORD comes from Martin D. Garber, Dallas, administrator of the West-Central regional office of USDA's Food and Nutrition Service.

Under the Food Stamp Program, which is scheduled to be operating in all Texas counties by the end of the year, needy families are certified for the program by the State Department of Public Welfare.

Families than pay a certain amount of money, depending on income, resources and other factors, for food stamps, which they then use to purchase eligible foods at local stores authorized by the USDA.

"Most grocers in a food stamp county apply for authorization," Garber stated, "since the program usually means a noticeable increase in business."

The USDA will conduct meetings in advance of the start of the program in each county to acquaint grocers with the food stamp operation, Garber added.

Although regulations are relatively simple, certain items cannot be bought with food stamps. These include all non-food items sold in the store, as well as most imported foods.

Grocers redeem the coupons through local banks and the Federal Reserve System.

EAST TEXAS meadows and golf courses are continually fighting gophers. These animals can burrow at the rate of 12 to 15 feet per hour, using their forefeet that extend sideways.

STRIPER FISHING in California is said to return more than \$7 million annually to the state's economy.

### The Bright Ray

In the social and economic turmoil of the '30's, the communists were making great strides in the United States, and one of their chief points of dogma was that in the American system, the courts are the lackeys of the oppressors.

Unfortunately, a lot of people, not necessarily sympathetic to communism, came to believe this slur on American jurisprudence. Thus, out of the Watergate comes a bright ray.

The release of the Pentagon papers by Daniel Ellsberg was a strange event. Whether or not this involved theft will always be an unanswered question, from the standpoint of legal determination. Obviously, no society can condone theft, burglary or other illegal actions.

But there is a doctrine wrapped up in the American legal system that states that litigants must come to court with clean hands. Obviously, there is sound and ethical reasoning behind this principle.

Thus, when it developed that one of the litigants in the Ellsberg trial, namely the Federal government, had not come to court with clean hands, Federal Judge Matt Byrne, Jr. dismissed the charges.

In his statement, it was obvious that he did so with regret, as this precluded any decision on whether or not the defendants were guilty.

In addition, he strongly castigated the government for not coming to court with clean hands.

In doing so, this 42-year old jurist, opposed the people who had elevated him to the dignity of a life time position. But the judge placed the dignity of the law above all other considerations.

By the same token, Federal Judge John Sirica, of the Federal court in Washington, an Eisenhower appointee, did not hesitate to act when he felt that during the trial of the Watergate burglars justice was not being served.

The U.S. Supreme Court, of course, has come under criticism for attempting to legislate, which is not in the same category.

One of the great complaints the independent business people voice to the National Federation of Independent Business concerns the "gestapo" tactics of quasi-judicial bureaus, who should not have such authority as they have little respect for American judicial principles.

Unfortunately, too often it is felt that these non-competent bureaucrats are a part of the American judicial system.

They are not. And Congress should make certain that any such assumed powers are stripped away from them. But if there is any good coming out of Watergate, it should be the realization that on the Federal bench there are men of integrity and honor who believe in upholding the basic judicial principles of this nation, no matter how personally painful.

### ASCS notes

## August 1 is deadline for certification of acreage

By CHARLIE HILL, County Executive Director

You who have not certified your feed grains, cotton and set-aside have until Aug. 1 to make such certification. Payment cannot be made until this report of acreage has been completed. If you have any doubt as to whether or not your farm acreage has been certified, please contact this office prior to the Aug. 1 deadline date.

IF YOU have lost your feed

grains or cotton due to abnormal weather it is necessary to report such loss to the ASCS Office prior to plowing it up. A representative of the Castro County ASC Committee will make a field inspection of this acreage.

Eligible producers may obtain loans up to 85 percent of the net cost and construction of Farm Grain Storage Facilities and Drying Equipment excluding the concrete work and electrical wiring. Interest rates on such loans are 6 percent per annum repayable in four or less annual installments. Interested producers should contact their local ASCS Office.

During July over 23,000 Texas Farmers will receive an acreage and production questionnaire from the Texas Crop and Livestock Reporting Service, Austin.

Information from this survey will be used to determine harvested acreage and production of early harvested crops for the State of Texas and for each county. Accurate estimates are of great importance to farmers in planning production and marketings and in providing an unbiased picture of Texas agriculture.

REMINDER: Aug. 1 is the final date to certify to your program acreages.

THOUGHT: If the power to do hard work is not talent, it is the best possible substitute for it.

TANGERINE — the "Hottest" color in electric housewares. According to a recent survey of popular appliance colors, tangerine ranked first, followed by lemon yellow and light magenta, notes Lillian Cochran, home management specialist with the Texas Agricultural Extension Service.

### Plant center aids livestock

The plant materials center operated by the Soil Conservation Service has made a dynamic impact on the Texas livestock industry.

SEVERAL VARIETIES of improved grasses have been developed at the plant materials center. One of the most popular of these varieties in the Castro County area is El Reno sideoats grama.

Some 5,940,357 acres of grass have been planted from the plant materials seed source. Livestock grazing on these acres has greatly added to the income of farmers and ranchers.

These acres have provided a production increase of 335,773-659 pounds of beef. In addition there has been an increase of 1,152,644 pounds of mutton produced on this same area.

### Clary attends Canadian meet

Leslie Clary, of Dimmitt, a member of the Texas Plains Agency in Amarillo, recently returned from a special Southland Life Insurance Company meeting in Vancouver, British Columbia.

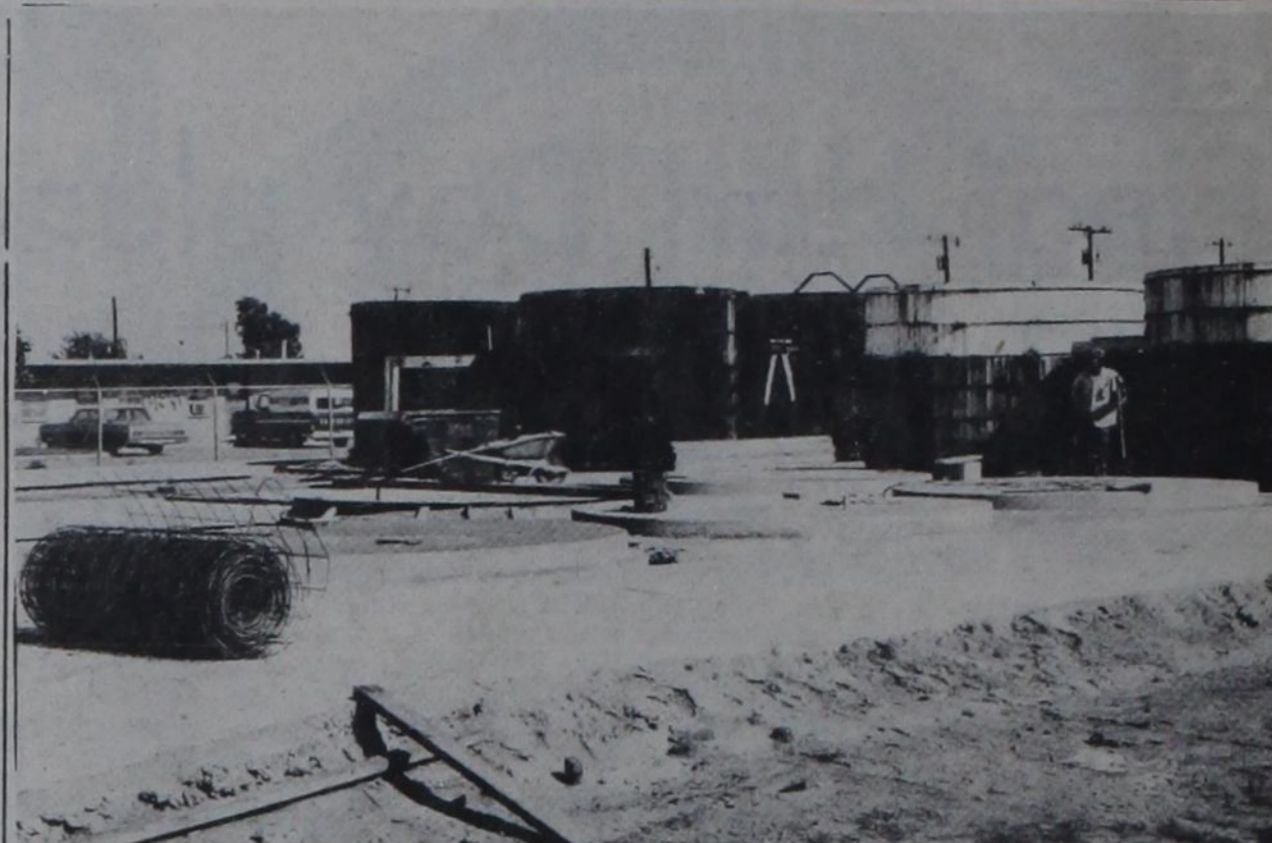

HE IS a part of a group of agents and their wives who were invited by the officers and directors of Southland Life to be honored for their outstanding sales performance.

The theme of the meeting was "Royal Canadian Jamboree" and centered around new ideas in policyowner service.

FOR BABYS room, consider purchasing furniture scaled to serve the child through his teen years. Basics — besides a crib — include chest, double dresser and perhaps a twin headboard, says Patricia Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service.

USE AN old nylon stocking to clean lint from velvet. Gently rub stocking over fabric — lint and dust become entangled in the mesh and are easily removed, according to Mrs. Vivian Simmons, clothing specialist with the Texas Agricultural Extension Service.

CONSERVE electrical power — use small appliances for small-portion cooking. Portable grills, pressure cooking pans and electric pots use less power than a range — and keep the kitchen cooler, points out Lynn Bourland, home management specialist, Texas Agricultural Extension Service.

**FUTURE STORAGE AREA**—Construction is underway on foundations for 12 new fiber glass storage tanks at Western Vegetables Inc. in east Dimmitt. Cucumbers will be stored in brine in the 35,000 pound capacity tanks. Wooden storage tanks at the plant already have a total storage capacity of three million pounds.

### Baskets aid landscaping

Hanging baskets can add beauty and coolness to your landscape, says Everett Janne, landscape horticulturist for the Texas Agricultural Extension Service.

"HANGING BASKETS, made with almost any kind of container imaginable, provide attractive landscape accents and are easy to make," explains the specialist.

To prepare the basket, use a well-draining potting soil and leave a two-inch space between the soil line and the top of the basket for watering. Wire baskets should first be lined with a material that will hold the soil, such as sphagnum moss. Plants should be placed at the same depth at which they were previously grown. Immediately after planting, the basket should be thoroughly soaked in a tub of water.

"Because hanging baskets are exposed to dry, hot air on all sides during the summer, they do much better in the shade. They also require daily watering during hot summer weather," advises the specialist.

The most convenient watering method is immersing the basket in a tub of water; however, this might break or damage plants drooping below the basket edge. Regardless of the method, always water thoroughly.

HANGING basket plants need regular feeding to replace nutrients that are washed out of the soil. As soon as the plants are established and growing,

they should be given a complete, liquid, houseplant fertilizer on a weekly or biweekly schedule, points out Janne.

Many plants are available for hanging baskets, those with drooping growth being the most preferable. A few include achimenes, hanging geraniums and begonias, cascade mums and petunias, impatiens, lantana, Christmas and Easter cactus, ferns, vinca, flame violets, common mint, English ivy, wandering Jew, burro tail and kangaroo vine.

GYPSY MOTHS were first introduced in this country in 1869. They now infest most of New England, eastern New York, New Jersey and eastern Pennsylvania.

IF YOU are fighting cutworms on tomato plants, keep in mind that they are not worms at all, but the larvae or caterpillar of various moths.

Protect your family from food-borne illness through necessary precautions in home meal preparation, advises Frances Reas-over.

THE FOODS and nutrition specialist, Texas Agricultural Extension Service, offered some guidelines for safe meals and discussed several foodborne illnesses.

"When children help with meal preparation, insist they handle foods carefully and properly.

"At the same time, stress personal cleanliness of every family member.

"Also make sure dishes, cooking equipment, cabinets and other work surfaces are kept clean."

Unless foods are handled and prepared correctly along the way, homemakers are inviting trouble, the specialist emphasized.

**Tomatoes lead all vegetables in per capita consumption in US**

Tomatoes led all other vegetables in consumption during the past decade.

The growth of fast food stands and pizza emporiums provide a good share of the answer. For it's here that the processed tomato in the form of catsup is a popular item, points out Tom Longbrake of Weslaco, area vegetable specialist for the Texas Agricultural Extension Service.

In a recent completed study of the trends of vegetable production and consumption during the 1960's, per capita annual consumption of processed tomatoes grew the fastest of all, rising 18 percent during the decade to 50 pounds per person.

"The burgeoning fast food business featuring seasoned hamburgers and french fries is responsible for almost all the increase," Longbrake says. Add to this the rapidly expand-

ing pizza market and "it's easy to see how both changing taste and life style largely among the young — have made tomatoes the volume gainer of the 1960's."

Processed tomato products represent more than half the total canned vegetable usage and nearly a fourth of all vegetables consumed, notes the specialist.

ALTHOUGH vegetable production generally is up 19 percent over the 1957-59 average, not all have prospered alike. There has also been a strong shift to processed vegetables as compared with fresh as the canned and frozen products demonstrated their ability to compete on terms of quality and price.

The convenience of processed products plus a more affluent population able to afford them has stimulated added business for the processing sector, Long-

brake explains. Another factor has been the faster rise in fresh vegetable prices stemming from the inability of the fresh market industry to streamline its operations to the same extent as the processors.

In 1964, for the first time, per capita use of processed vegetables equalled that of fresh, about 100 pounds each. By 1969, canned and frozen foods had raised their market share to 54 percent, continuing a movement tracing back to the late 1930's.

"This trend seems likely to continue, although probably at a reduced pace says the vegetable specialist.

CONSUMPTION of fresh salad vegetables — lettuce, cucumbers, peppers — has risen substantially in the last decade. However, use has declined for those often used in raw form, notably cabbage, carrots and celery.

Peas, limas and snap beans have suffered dips in fresh use as have some of the cole crops — broccoli, brussels sprouts and cauliflower. No early end to the trend is expected by Longbrake.

Even sweet corn, a perennial favorite with the young shows a modest decline and more of the same is anticipated.

There has also been "a sharp reduction" in cabbage use since 1930.

THE RISING market for processed food has been gained at the expense of fresh. During the 1960's, while use of canned and frozen foods was rising rapidly, U.S. consumption of fresh vegetables and melons fell 7.6 percent from 132 pounds per person at the start of the decade to 122 pounds at its end.

With 280,000 acres in vegetables and an annual production of \$145,000,000 Texas ranks

## Oops! Swim club listing is wrong

In an advertisement last week announcing membership sign-ups for the new Ruskin Circle Swim Club, the News mistakenly listed a telephone number that doesn't exist.

EVERYONE who called that number got a constant busy signal.

"A lot of people must have thought I had left my phone off the hook," said Brooke Alexander, who is developing the swim club and the Ruskin Circle Apartments in the Townhouse Addition.

Although Alexander didn't use his name in the ad, a few people who knew he was the developer called him at his home — and found that the phone number was the same as listed in the ad, except for a "9" that should have been a "4."

THE CORRECT number to call to discuss joining the Ruskin Circle Swim Club is 647-4627, evenings. The number listed in this week's Ruskin Circle Swim Club ad is the correct one... we pray.

**3 county girls competing today**

By IRENE KEATING  
Today is an important day for our three girls who are competing in the 4-H District Dress Revue in Amarillo. Cula Ortega from the Fun Daisy Club is representing our young juniors (9-11 years old), Elaine Acker the 12-13 year olds and Patti Hochstein is our senior contestant. All the girls are judged at the district contest but only the seniors are allowed to advance to the state contest. You'll hear more about this next week.

AUGUST 1-3 I'll be in Nacogdoches attending our Texas Association Extension Home Economist state meeting. I am planning to get some new ideas and new enthusiasm to help you all better. Friday night at our banquet I'll be installed as the new director for this district for two years. Cula Nowlin, CEA from Perryton, will

be our new state president.

WITH MANY of you busy sewing I'd like to share some information with you about single knits and fusible webbings. For one of today's major looks in fashion, soft and unstructural, the single knit may be a perfect choice of fabric. But the pattern selection must be made carefully. The "right" style for single knits will have simple lines, and will be suitable for medium to light-weight fabrics. Look for gathers or soft draping, so appropriate for soft fabrics. Avoid such features as A-line skirts, which depend on the firmness of the fabric for shaping. Check the back of the pattern envelope for the recommended fabrics listed.

If a four-inch wide strip of the knit will stretch crosswise to five inches or more, it is quite stretchy.

In this case, find a pattern, designed "for knits only". These patterns are designed with less ease, fewer closures and darts. When made in a stretchable knit, the resulting effect is a satisfying one for the home seamstress. Fusible webs and films simplify home sewing — by eliminating several time-consuming tasks. These new products utilize heat, steam and pressure to bond two fabrics together — that is, any fabric that can be steam pressed.

Although they're not suitable for seams, fusibles simplify addition of trims and appliques — and eliminate basting, hemming and some hand sewing. In addition, they aid in matching designs and prevent raveling. Also, fabric and belting material are joined invisibly through use of a web or film.

Several factors contribute to

the product's popularity — they make invisible bonds yet don't alter fabric flexibility. At the same time, they reduce bulk. Fusibles are sold by the yard, in precut sheets or as tapes of various widths — and come in several weights. For best results, test product effectiveness on a fabric scrap — before using it in the garment. Webs work better on some fabrics than others.

Although bonds usually are permanent, sometimes they loosen. When this happens, simply re-press the item, re-sealing the fabrics. To remove, steam the area heavily and pull fabrics apart.

Don't allow hot iron and webbing to come in contact — they will stick together. Should some webbing stick, use a mild abrasive or commercial iron cleaner to remove it. Then restore sole plate smoothness by gliding the hot iron over wax paper.

**Brooks host Oklahoma guests**

By MRS. OWEN ANDREWS  
Recent visitors of the Jim Brooks were her nephew Gene McClellenn and his daughter Susan, from Duncan, Okla. Also visiting the Brooks during the past week was his brother, Earnest Brooks of Comanche, Okla.

RONNIE ANDREWS has spent the past two weeks at Army Reserve Summer Camp at Texarkana. Mrs. Andrews, Kyle and Jim visited several days last week with her relatives.

Mrs. Spicer Gripp has been visiting her daughter Mrs. John Stokes, Mr. Stokes and daughter Shelby at Mt. Vernon, Wash. for several days.

Mr. and Mrs. Jim Cassels and Brian of McCook, Neb., have been here visiting their relatives including parents and brothers and sisters, among whom are the James Dobbs. The Cassels report that their daughter, Jeanine, who has been a patient in a Denver Asthma Sanitarium for several months is improving. They are given hope that she may be able to be released within a few months.

The James Dobbs were visiting her mother Mrs. Walter Jay at Elk City and other relatives in the area last weekend.

AMONG THOSE in the group of FFA members from Hereford attending the State FFA Convention at Dallas last week were Rocky Andrews, past president of the local group, and David Hutchins.

Visitor of the T. L. Sparkman Jr. family on Thursday was Alford Pruett of Biloxi, Miss. Alford helped the Sparkmans farm from 1937 until some time in 1940 when he went into the Army. The last time they had seen him was in 1943 when he came visiting on Army leave. A brother, Henry, who now lives in El Paso, also worked for Earl Springer and others in the community for several years during that time. The Pruitt family had gathered to celebrate the 81st birthday of their mother, who lives in Elk City, Okla.

The Floyd Coles, Beverley, Cheryl and Mrs. Herman Vinson of Pampa attended a Cole family gathering held in Sequoyah State Park near Wagoner, Okla. during last weekend. All the Cole children and

part of the grandchildren attended. Also some of the late Mrs. Earl Cole's family, the Hendersons, came to the gathering.

Mrs. David Yandell was honored on her birthday Tuesday with a supper at the House of Wong. The Olin Parrises, the Harlan Barbers and David Yandell were the others making up the party.

REV. E. M. Weathers was guest preacher at Frio Sunday. He was accompanied by his wife. They are from Canyon. During the afternoon they also visited friends at Summerfield, where they pastored several years.

Rev. and Mrs. Sam Ogan and Sammy Ogan have been in Colorado on vacation for over a week. Rev. Ogan's sister Mrs. Jim Edwards and Mr. Edwards also went on the Colorado trip, traveling together for a while then going their different ways. The Ogans visited friends in the communities where they pastored several years.

A letter was received recently from Rev. and Mrs. Gene Branch, who are well known in this community from having been in revivals here. He was pastor at Calvary Baptist Church in Friona at the time. They are now at Tok Alaska

(Box 37) 99780. They arrived there June 20 and plan to be missionaries at that place and will work in six or eight Indian villages and other smaller settlements. They are preparing for winter in the -80 degree range, with -60 for long periods of time. They have been in Washington, in a church at Olympia for about three years.

VISITING THE Clark Andrews and other relatives here Monday, was Ed Andrews of Greenville, Fla. He is a distant relative whom the Andrews met a couple of years ago when they went to Florida to look up distant kin. These relatives were traced through family records, census records and several visits with elderly persons. Mr. Andrews was on his way to Seattle, Wash., to visit his sister.

A youth retreat, sponsored by Frio Baptist Youth, was held at Palo Duro Canyon, on Saturday night and Sunday. Those attending were Patti Robbins, Terri Hetzel, Lynette Andrews, Janna Bruns of Muleshoe, Jill Stephan, Jan Ann Bullard, Kathy Waldrin, Linda West, Donna West, Kirk Andrews, Mike White, Roger Jobe, Ronnie Hall, Raymond Warrick, Jerry Robbins, Russell Harkins, Jay Mabion, Lynette Bivins and sponsors Mrs. Homer West, Mrs.

Earl Harkins, Mr. and Mrs. Al Johnson, Mr. and Mrs. Clark Andrews. Guest speakers for the sessions were Mr. and Mrs. Walter Wright and Carl Helms, all of Plainview.

Visiting the Earnest Harders and other relatives here during the weekend were a brother, Mr. and Mrs. Art Schmidt and their daughter Marsha, of Burlington, Colo.
