## Swamped By Orders For Flower Pots, Cisco Clay Products Co. Adds Kiln

### CISCO BRICK AND TILE FACTORY

First "mud" was shoveled through the big extruding machine at the Cisco Clay Products company this week as the company began making test runs of machinery that has been installed in the plant on the north side of the N. D. Gallagher ranch just east of Cisco.

First product of the plant will be used in the construction of kilns and for walls to enclose the big iron building in which are housed the pug mill, auger machine and other equipment used in the manufacture of brick and tile.

It will require two or three weeks to complete the plant housing and to make adjustments in operations, after which the company expects to begin turning out brick and tile for the market. R. J. Swann, president, said.

Five big kilns will be built to burn the product of the Fate-Roth-Heath pug mill that is the "heart" of the plant. The pug mill and auger machine shoveled out the column of clay which is cut into tile or brick by an automatic cutting machine and stacked on "skids" by workmen. The skids are lifted and transferred to drying rooms by electric lift trucks. Subsequently they will be placed in the kiln for burning.

Clay for the plant is dug from a big pit by a big bucket scraper dragged by a caterpillar tractor and dumped into a tank from which a feeder belt conveys it through a grinder and into a larger tank that feeds it into the pug mill.

Capacity of the plant is between 10,000 and 15,000 tile per day, or about 50,000 brick.

The N. D. Gallagher Clay Products company, manufacturers of flower pots, was adding another kiln to its battery this week to increase its capacity in taking care of orders with which it is swamped. The new kiln will give the company five.

The plant now has a backlog of orders that will keep it at capacity production well into next spring. One Oklahoma firm alone ordered 12 railway carloads of the excellent red pots which the company produces. The order was placed last week after the customer had received a truckload of pots it had long been waiting for.

Oklahoma firms are prime customers of the Cisco plant, although it has excellent markets in central, west, north and south Texas. Most of the Oklahoma market had hitherto been supplied from Pennsylvania, it was said.

The Cisco plant is at present making pots from two inches to six inches. It produces both standard and azalea pots. A large Baird flower pot machine, due to be delivered shortly after the first of the year, will equip the company to stamp out 12- and 13-inch pots, Manager Forrest Stout said.

## E. N. Hull, Former Ciscoan, Died Saturday at Ranger

E. N. Hull, about 64, died in a Ranger hospital shortly before noon Saturday morning. He had been an inmate of the hospital for ten days and an invalid for several years.

Funeral will be held at Killingsworth funeral parlor, Ranger, at 2:30 Sunday afternoon, with burial in the cemetery at Strawn.

Mr. Hull, a former highly esteemed resident of Cisco and for many years an employe of Humble Pipe Line company, is survived by his wife, who resides at Olden; a daughter, Mrs. Oscar Gordon, Stephenville; a son Lt. D. N. Hull, Fifteenth air force, Wright Field, A. W. B. Hull, Talco; H. C. Wilkins, Byrds. There are also twelve grandchildren and two great grandchildren.

## Ex-Lobos Won 13 to 0 Over Breck Friday Evening

Breckenridge's graduate Buckaroos passed quite well indeed to the graduates of Cisco Lobo teams of more or less recent memory Friday night and the Ex-Lobos won 13 to 0 to even the post-season football series between the two and enrich the Lobo band treasury by a disappointing amount.

The less said about the latter the better, although there is reason to believe the biting cold kept most of the 3,500 who did not attend away. The 400 to 500 who did attend witnessed a contest that lived up to advance billing in all respects.

The Lobos dominated the play almost from the first whistle. Only once did the Buckaroos come any way near threatening and that was early in the game when, on a recovered fumble, they possessed and struggled on the 20-yard line or thereabouts. The net result of their struggle was to advance a yard or so and yield.

The Cisco lads on the other hand were quite warm and they made and kept the breaks, holding the visiting lads to 57 yards on the ground and throwing up an air-tight passing defense that allowed five completions out of 21 attempts for 41 yards, and intercepting nine of these attempts, one for a touchdown.

Cisco scored their first touchdown midway of the second quarter on a play that, for execution and cleverness, did justice to an eleven that practiced more than once last week. Mitford Johnson, whose running was a feature of the game, took the ball from center, handed to brilliant little Paul Moseley who passed straight down center to end Dan Collins who whirled out of the grasp of several tacklers and ran over for the point and the score remained at 7 to 0 until midway of the fourth period, when Mac Harrelson took one of the nine intercepted Buckaroo passes on his own 45 and raced through a broken field to score six more points. Chesley Tipton's attempted dropkick was blocked.

Cisco made 10 first downs to five for the Buckaroo Exes. They gained 185 yards rushing to 57 yards for the Ex-Buckies and 54 yards passing to 41 for the visitors. Each team completed five passes, the Buckies having slightly the better of the Lobos in percentage of completions. Cisco tried 25, of which the Breckenridge boys intercepted three.

The Buckaroos drew 15 yards for roughing when half a dozen of them became unduly irked at Spec Tompkins on an end run. Spec had anything but a sentimental journey on that trip but it cost the visitors fifteen yards anyway.

Cisco boys who took part in the game were Chesley Tipton, Elbert Tipton, Troy Stewart, Mac Harrelson, Paul Moseley, Rocky Clough, Buford Childers, Rosy Qualls, Spec Tompkins, J. V. Heyser, Alton Johnson, Bob Latson, Alton Lomax, Dan Collins, Jack Garrett, Buck Cleveland, R. D. Donham, J. Pruett, Rudolph Dolgener, Jack Page, Benny Nichols and S. Williams.

## 96 Boss Employees Enjoy Xmas party; Get 5 Pct. Bonus

Employees of the Boss Manufacturing company's plant at Cisco had reason to celebrate the Christmas season with extra enthusiasm this week, with the announcement that all employees who had been with the company for a year were to receive a bonus of five per cent of the wages earned during the year.

Manager Anton White received a telegram from the company's general offices at Kewanee, Illinois, announcing the bonus which he read to the employees and posted upon the bulletin board shortly before the Christmas party at the plant Friday noon.

The company is now operating at full capacity and during December it set consecutive new records for the amount of work gloves turned out. The records climbed from 4,500 dozen per week to 5,000 dozen the week before last. Next year it is hoped to add more machines to the plant and to increase the employes.

The Christmas party Friday noon took the form of a big dinner followed by a Christmas tree program in which gifts were exchanged by the 96 employees. A. R. Westfall acted as Santa Claus for the group.

The meal, paid for out of the profits of the "coke" machine in the plant — which profits are turned into an employees' fund — consisted of roasted turkey, boiled ham and all the trimmings, followed by ice cream and cake.

George Ruppert, Cisco bakery owner, took charge of the preparation of the meal for the company, baking the turkey, cooking the ham and preparing the cake.

## Duncan Coffee Co. Pays \$178,200 Bonus to Employees

For the twenty-ninth consecutive year, Hershel M. Duncan, president of the Duncan Coffee company and his brother, C. W. Duncan, vice president, have awarded employees their Christmas gift bonus. Aggregating \$178,200 this is the largest bonus in the history of the company. As the bonus gifts were distributed, employees expressed their appreciation of the generosity of the company owners throughout the years.

In addressing the employes of Duncan Coffee company and associated companies, Mr. Duncan advised them to take full advantage of investing a portion of their Christmas gift bonus into bonds and savings.

"By investing a portion of your bonus," Mr. Duncan said, "you will help prevent inflation and this certainly is not only of prime importance to you but to each of your neighbors as well. Also, you will build up a reserve against the day when more and better merchandise becomes available for your use."

As one of the first advocates of the bonus plan, Mr. Duncan has joined other progressive leaders in the southwest to urge strongly the division of a portion of the greater profits made possible by better and stronger employee-employer relationship. "This policy," he said, "has been one of the bulwarks of the success of our business and will make for the continued success of any business."

### WEMPLE TO HIGHWAY COMMISSION

AUSTIN, Dec. 21. (UP) — Fred Wemple of Midland tonight was appointed as a West Texas member of the State Highway Commission by Gov.-Elect Beauford Jester.

At the same time the governor-elect revealed his desire to have Texas adopt a five-year road plan and concentrate on more and more farm to market roads.

Wemple was appointed to a six-year term subject to confirmation by the Texas senate, which Jester said he believed was certain.

Wemple, past president of the Texas Good Roads Association, succeeds Reuben Williams of Dallas, who was appointed by former governor W. Lee O'Daniel.

Wemple is a member of the State Board of Education and he will resign that post to become a highway commission member.

Wemple is 53 and he was born in Fannin county and attended Bonham high school before going to New York University and Georgetown University law school. He is prominent in Rotary circles and served as district governor.

## Third-year Girls Entertain School Board and Others

Members of Cisco school board and guests — 20 in all — were entertained at dinner Thursday night in the high school Homemaker's department by third-year girls.

The department was cozy and festive with a lighted tree and other Christmas decorations in the living room, where guests were received by Class Hostesses Martha June Smith, Juanita Ziehr and Joyce Elliott. At 7 o'clock the guests were conducted to the candle-lit dining room, where gaily-wrapped packages marked their places at tables for four.

The four-course dinner was served by class waitresses, Mary Macias, Dolores Taylor, Mary Martha Ball and LaVerne Simmons. Other members of the class who helped prepare the meal were Carolyn Fewell, Ella Gwen Waddell, Betty Macias and Johnnie Bob Sprawls.

Places were laid for Mr. and Mrs. G. R. Nance, Mr. and Mrs. F. E. Shepard, Dr. and Mrs. Paul Woods, Mr. and Mrs. Bill Hogue, Mr. and Mrs. J. L. Thornton, Mrs. N. A. Brown, W. R. Huestis, Mr. and Mrs. O. L. Stamey, Mr. and Mrs. R. N. Cluck, class hostesses and Mrs. Dick Cutting, instructor.

## PENNEY CO. EMPLOYEES.

Friday night, December 13, Mr. and Mrs. Jerome Grayum played host to employes of the J. C. Penney company with a steak dinner at Turner-Haynes cafe. The attractively decorated table was marked with place cards and a Christmas greeting for each employe, with a cash bonus attached. The bonus amounted to two weeks' pay for all regular employes of a year or more and a like percentage for all others according to length of service. Those attending were Mr. and Mrs. John Penn, Mrs. Jessie Johnson, Mrs. Arlin Agnew, Mrs. Betty Warden, Misses Eula Howell, Delores Kilgore, Luther and Arthur Edwards and Mr. and Mrs. Grayum.

TOKYO, Dec. 21.—Japan counted the dead today from the worst earthquake and tidal wave in her history.

Indications were the death toll would reach at least 1,500 in the 45,000 square miles devastated by Japan's second disastrous quake of the 20th century and the subsequent tidal wave which wrecked at least 50 cities and villages in 14 prefectures on two home islands.

With the Japanese government and allied headquarters mobilizing all available relief forces to aid the stricken area and prevent the outbreak of epidemic, the figures on dead and injured scaled upward as reports began to flow in.

At least 1,400 ships were destroyed, sunk or swept ashore and 14,700 homes and buildings were destroyed or damaged.

And these still were preliminary figures.

As dawn broke over the southern part of Honshu and the island of Shikoku where the earthquake and tidal wave struck 24 hours ago, water still covered much of the area, preventing immediate investigation other than aerial surveys.

The pre-dawn quake cracked under Shikoku, smallest of the home islands, from somewhere on the Pacific floor, 60 to 100 miles offshore, and reached north and west to jolt atom-bombed Hiroshima and shake all of Japan.

It rolled up a tidal wave that lashed 300 miles of coastline.

Scientists said the quake was heavier than the 1923 Yokohama-Tokyo quake whose jolt and subsequent fires took nearly 100,000 lives.

## Odessa High Won From Highland Park, 31 to 13

ODESSA, Dec. 21. (UP)—Unbeaten and untied Odessa high school battered its way into the finals of the 1946 Texas football playoffs for the first time in the school's history today with a 31 to 13 victory over Highland Park of Dallas before 15,000 fans.

It was a thrill-a-minute game and the hard won victory established Odessa as a favorite in next week's class AA finals game against Thomas Jefferson of San Antonio.

## Death of Talmage Gov.-Elect of Ga., Will Start Fight

ATLANTA, Dec. 21. (UP)—Eugene Talmage, three times governor of Georgia, died today on the threshold of a fourth term, touching off a bitter contest for a governorship which he had promised would be devoted to preserving white supremacy in the state.

The former country lawyer died at 6 a. m., just 23 days before he was to have been inaugurated. Death was attributed to cirrhosis of the liver and jaundice.

Liberal Ellis Arnall, present governor, was a leading contender for the governorship. So was Talmage's son and campaign manager, Herman, 34, who would carry on his father's program.

Arnall's succession would come under a law providing that the governor shall serve four years and until a successor is elected and "duly qualified." This is construed in some circles as meaning inaugurated.

Lt. Gov.-elect M. E. Thompson will be inaugurated as lieutenant governor when the legislature convenes and he may claim the governorship on grounds that he is next in line of succession.

## UAW to File \$270 Million Dollar Suit Against Ford

DETROIT, Dec. 21. (UP)—The powerful CIO United Workers Union today singled out Ford Motor company as the first major target in its multi-million dollar drive to recover retroactive portal-to-portal pay for 800,000 members.

UAW officials announced plans to file a \$270,000,000 suit against Ford in Detroit next week. All but \$20,000,000 of the total would cover 60,000 workers at the huge River Rouge plant.

At the same time DOW Chemical of Midland said it had come to terms with its union and began payoff of \$4,056,000 in portal time back to 1949.

The proposed Ford suit was largest in the UAW's history.

## Grace Lutheran Gains Members; Need New Church

Five adult members will be received into membership of Grace Lutheran church this morning. After having attended a series of lectures on the fundamental teachings of the Bible, these members gave an excellent account of what they have learned and will this morning be accepted into membership by the church.

The new members are Mrs. Fred Wende, Mrs. Erwin Witt, Alva Ann Zander, Dorothy and Irene Wooten. The last two will receive the rites of baptism in the name of the trine God. Besides the above mentioned, Grace Lutheran has received members by transfer from other Lutheran churches. The growth of the congregation makes a new church imperative.

The congregation is still anxiously waiting for the war department's approval of its application for one of the army chapels at Camp Barkley. This chapel will be placed on the new location on the corner of Eighteenth and D avenue.

small children and babies is provided during the Sunday morning worship, with a competent attendant in charge. Why not take advantage of this opportunity of attending morning worship without having to care for the little ones? We have this nursery for your convenience. Visitors are welcome to all services. STUART McC. ROHRE, Minister.

### First Christian.

A cordial welcome awaits you at this friendly church. Sunday school at 10 a. m. Morning worship and the Lord's Supper at 11. The Christian Youth Fellowship will have a special Christmas program at 5:30 in the church basement. Evening worship at 7. RICHARD W. CREWS, Minister.

### Grace Lutheran.

"Jesus, the Fountain of Grace" will be the theme of the sermon this morning. Sunday school and Bible classes will begin at 10 and service at 11. The members of the adult instruction class will be received into membership this morning. Two of them will receive the seal of baptism in the name of the trine God. The congregation's Christmas party will be held at the Grace Lutheran school tonight at 7. There will be an exchange of gifts and a collection for the starving people in Europe will be taken. The Walter League will go caroling Monday night and then gather at W. J. Prange's for a Christmas party. The children's Christmas Service will be at hi-school auditorium Tuesday night at 7. There will be a Christmas festival service on Wednesday morning at 10 at the church. The public is cordially invited to attend all these services and meetings. G. T. NAUMANN, Pastor.

### Music of the Church.

Recently we have shown statements from leaders in denomi-  
nationalism showing their disapprov-  
al of mechanical music in the wor-  
ship. Prior to that we examined  
the excuse, commonly given in fa-  
vor of such music.  
Now, for a few Sundays, we  
shall notice some BIBLE REA-  
SONS for rejecting the use of me-  
chanical music in the worship.  
Christ told His Apostles to teach  
their converts ALL things. He  
had commanded them. And the  
early church did continue "stead-  
fastly in the APOSTLES' TEACH-  
ING," (Acts 2:42).  
But the Apostles NOWHERE  
taught them to use mechanical  
music. Therefore authority for  
it is not in Christ's Command-  
ments.  
But since it is used and Christ  
did not command it, it must be a  
COMMANDMENT OF MAN. But  
Jesus says worship directed by  
MAN'S commandments, is VAIN  
WORSHIP. (Matt. 23:2-3). The  
SCRIPTURES furnish us in  
EVERY GOOD WORK (1 Tim.  
3:14-17). But the scriptures do  
not furnish the church with au-  
thority for mechanical music, if  
they do, WHERE?  
Therefore, such music in the  
church is NOT A GOOD WORK.  
And not being a good work, should  
not be used by the disciples of the  
Lord! Authority for mechanical  
music in the church is NOT in the  
TEACHING of Christ. To get au-  
thority for it one must GO BE-  
YOND the teaching of Christ. But  
those who do so, "HAVE NOT  
GOD" (1 Jno. 9:11).

### DAVIS-HARRELSON WEDDING LAST NIGHT.

The wedding of Miss Betty Mae Davis, daughter of Mr. and Mrs. H. H. Davis of Cisco and William Monroe Harrelson, son of Mrs. Virginia Smith of Eldorado, Ark., was held at the local First Christian church Saturday evening, December 21. Rev. Richard Crews officiated in the double-ring ceremony, before a beautiful background of greenery and candelabras with floor baskets of white gladioli, marking the sides of the arch where the couple stood while exchanging marriage vows.

Miss Doris Jamison of Fort Worth played a program of pre-nuptial music as Misses Josephine Miller and Kathleen Keough, both of Dallas entered and lighted the candles on the piano and along the chancel rail. The two young ladies wore blue formal gowns. Others assisting with candle lighting were James Burnett and C. A. Fagan, both of Fort Worth, who lighted the candelabra and candles at the windows. Miss Jamison accompanied Miss Betty Easley of Brownwood who sang vocal selections "Because" and "Through the Years." The music changed to the strains of Lohengrin's Bridal Chorus as the wedding party entered. Mendelssohn's wedding march was played as the recessional.

Miss Elayne Henderson of Shreveport, La., was maid of honor to the bride wearing a pink faille dress with matching pink net colot. She carried a nosegay of deep pink rosebuds. Mrs. J. W. Brandon, matron of honor, wore a chateausse faille dress with matching net colot, and carried a nosegay of American Beauty rosebuds. Mrs. Jack E. Wilson, the

bride's matron, wore an aqua faille dress and matching aqua net colot. Her nosegay was talisman rosebuds.

The bride entered with her father, H. H. Davis, who gave her in marriage. She wore heavy ivory satin gown with yoke of off-white illusion, edged with flowers of seed pearls. Her veil of off-white illusion fell from a tiara of crystalized orange blossoms. She carried her mother's white Bible, topped with a single orchid, showered with lilies of the valley.

Timothy Hall Dunn of Sherman served the bridegroom as best man and groomsmen were Ranson J. Jackson Jr., of Little Rock, Ark., and Jack E. Wilson of Fort Worth.

Mrs. Harrelson is a graduate of Cisco high school and received her degree in February from Texas Christian University. Mr. Harrelson has attended Texas University and at present is attending Texas Christian University, where he is a member of the "T" association.

participating in both football and basket ball there. Previous to his recent re-enrollment at TCU he spent four years in the U. S. Navy; two years of the time having been spent overseas in the South Pacific.

A reception was held in the home of the bride's parents after the ceremony. Baskets of white carnations, greenery and candles decorated the house.

The dining table, covered with linen held as a centerpiece two large silver peacocks. Miss Dorothy Moseley cut the wedding cake, Miss Frances Williams of Dallas poured punch and Mr. Robert Kinlough of Fort Worth and Miss Jackie Todd of Tyler served the guests.

Mrs. H. B. Apeh of Fort Worth was in charge of the bride's guest book. Immediately following the reception the bridal couple left for Eldorado, Ark., where they will spend their honeymoon. Mrs. Harrelson wore for traveling a grey dressmaker gabardine suit and orchid corsage with brown hat, brown lizard shoes and bag.

Out-of-town guests present included Mrs. Virginia Smith, mother of the groom and Charles Smith the bride-groom's brother of Eldorado, Ark.; Miss Hazel Muir of Detroit, Mich.; Mr. and Mrs. Frank Yarger, Monroe, La.; Mrs. C. A. Fagan of Fort Worth; Mrs. Robert Kinlough of Fort Worth and others who were mentioned as participating in the wedding.

A series of showers and dinner parties have been given for the bride in Cisco and Fort Worth.

Mr. and Mrs. Harrelson will make their home at 2716 Greene, Fort Worth while Mr. Harrelson attends school at TCU.

**PASTOR AND WIFE** held open house Tuesday evening to their church friends, in their home, 502 West Seventh street. The house was gaily decorated with

poisnettas, red and green candles throughout the rooms. A large mirror reflected the dining table's centerpiece of fruits, berries, snow-balls, greenery and red candles. The affair was held on the birthday of Rev. A. A. Peacock and two large birthday cakes adorned one end of the table and the silver coffee service the opposite table end. Refreshment plates of cake, coffee and mints were served to more than one-hundred church friends.

Those assisting in the dining room were: Mrs. R. W. Merket, Mrs. A. D. Anderson, Mrs. Sam P. King, Mrs. G. P. Rainbolt, Mrs. W. L. Boyd, Mrs. Carol Smith and Mrs. S. H. McCanlies.

Rev. Mr. Peacock was presented with a pair of Justin hand-made boots by members of the church.

**NUPTIALS FRIDAY NIGHT UNITED COUPLE.**  
Miss Francoise Walker, daughter of Mr. and Mrs. Earl B. Walker, became the bride of Marion Cawley Jr., son of Mr. and Mrs. M. M. Cawley of Wichita Falls. Friday evening at the Church of Christ in a ceremony performed by Minister G. S. Westbrook.

A trio composed of Miss Paula Gee, Miss Betty Wilcox and Miss Katie Lou Atkins sang "Always" and Miss Lonnie Shockley and Mrs. Randolph Lee Clark sang "I Love You Truly." The Lohengrin Bridal Chorus was sung by the entire choir.

The bride, given in marriage by her father, wore a white faille gown fashioned with basque bodice and high round neckline trimmed with lace and sheer marquisette yolk. The long sleeves, also trimmed with lace, terminated in points at the wrists. The full gathered skirt fell over hoops in a long train, and was gracefully brought up in front with rows of lace that extended to the floor. The two-tiered finger tip veil of imported illusion was caught at the crown by orange blossoms. Her only jewelry was a strand of pearls. She carried a white Bible, topped with bridal bouquet of white gladioli.

Matron of honor was Mrs. Juanita Little, sister of the bride, and bridesmaids were Miss Bobbie Jean Tullis, Miss Patsy Allen, Miss Betty Lasater of Cisco, and Miss Bertie Bailey of Abilene. Candle lighters were Miss Bettye Martin and Miss Loydellen Surles. Flower girls were Georgia Walker, sister of the bride, and Wannie Alford, a niece.

Max Cawley, cousin of the groom, was best man and ushers were Dan Hardegre, Wallace Marley, Carl Washburn Jr. of Wichita Falls and Roy Lee Taylor of Cisco.

A reception followed the ceremony at the home of the bride's parents. Miss Bobbie Tullis presided at the brides book. Miss Patsy Allen cut the three-tiered wedding cake, assisted by Mrs. Sherman Little, and Miss Lerta Bailey served punch from a table laid with maderia linen. The large wedding cake was mirrored on a reflector, and was topped with miniature bride and groom. The buffet held a wedding arch entwined with fern and small white flowers, under which stood a miniature bride.

For the wedding trip through the eastern states, which include Tennessee and Kentucky, the bride chose a Nile green gabardine suit. Her hat and other accessories were cherry cokes, and her corsage was white gladioli. The couple will make their home in Wichita Falls.

Mrs. Cawley is a graduate of Cisco high school and attended A. C. C. at Abilene. Mr. Cawley is attending Harden college at Wichita Falls.

Out-of-town guests for the wedding were Mrs. W. M. Cawley of Rising Star, Mr. and Mrs. E. D. Cotten from Wichita Falls, Homer Harrell of Rising Star, Sherman Little of Dallas, Joe Lanier and Miss Nancy Wooten of Abilene.
