

DISPLAYS GRAND CHAMPION — Norris Cole, son of Mr. and Mrs. David Cole of Dimmitt, displays Trigger, which was named Grand Champion Gelding in the recent District 1 4-H Horse Show in Amarillo.

Cole's horse won the championship over a field of 130 competitors from 22 counties. Cole will travel to Odessa to compete in the State 4-H Horse Show Aug. 1-4.

Wheat yields are good

The county's wheat crop has proven to be a good one this year as yields have averaged around 40 bushels and have ranged all the way up to 100 according to spokesmen for area elevators.

FRED BRUEGEL Jr. of Bruegel & Sons Elevators of Dimmitt estimated the average wheat yield to be about 40 bushels.

"Wheat that wasn't overgrazed made better than some of it that was grazed too closely," said Bruegel. "We received some 82 bushel wheat at our West elevator," he added.

Average yield in the Hart area was 45 bushels according to Aubrey Myers of Farmers Grain Co.

"It's hard to tell about the average yield," said Myers. "Some of the wheat only made 30 bushels, but some 70 bushel wheat has also been made.

There has been some real good wheat in this country this year, we've received more wheat this year than we have in a long time," said Myers.

"**WE'VE ALSO** received some real good oats, in fact, some of the prettiest oats I've seen in this country," Myers added.

Don Gregory estimated the average yield of wheat brought to the Castro County Grain Co. at 35 to 40 bushels and said that most of the dryland wheat averaged ten to 20 bushels.

"There were some 70 to 75 bushel yields, and one man averaged around 56-57 bushels over 160 acres," said Gregory.

The peak yield in the Nazareth area was 80 bushels according to Daniel Irlbeck of the Nazareth branch of Dimmitt.

Rites held for Charles Heck, longtime citizen

Funeral mass for Charles Heck, a resident of the Nazareth area since 1908 was held Friday in Holy Family Catholic Church in Nazareth. Rev. Ralph Zinser officiated.

HECK DIED Wednesday in Northwest Texas Hospital in Amarillo. He was 92.

He moved to the Nazareth area from Indiana. He was a member of Holy Family Church and was a farmer. His wife died eight years ago.

Survivors include two sons, Charles O. and George R. of Nazareth; nine daughters, Mrs. Tresa Schlabs of Friona, Mrs. Josephine Feeling of Tulsa, Mrs. Zetta Hill, Mrs. Colette Mason, Mrs. Justina Skinner, and Mrs. Doris Burgess all of Amarillo, Mrs. Byran Milward of San Antonio, Mrs. Calista Huber of Canyon and Mrs. Fred Cook of Highland, Mich.; 40 grandchildren and 13 great grandchildren.

Burial was in Holy Family Cemetery under the direction of Wallace Funeral Home of Tulsa.

Cemetery group to hold meeting

Property and stock owners of the Westlawn Memorial Park Cemetery will meet Monday night at 8:00 in the courthouse basement.

THE MEETING has been called for the purpose of deciding the work which needs to be done at the cemetery and how to fund work projects.

The meeting will be an informal gathering to look into the association and take suggestions on how to get it operating again.

Conference on small business is set tonight

Citizens of Castro County are invited to attend a conference co-sponsored by the Castro County Chamber of Commerce and the US Small Business Administration tonight (Thursday) from 7:30 to 9:30 in the Commission Room at City Hall.

THE CONFERENCE is designed to assist the small businessman in analyzing his increasingly competitive situation, identifying his problem and exploring possible solutions to the problem.

There will be no registration fee for this conference, and it is open to the public.

Bussey rites held Sunday

Funeral services for Ira L. Bussey, 61, of Amarillo, who died Thursday afternoon in Veterans Administration Hospital there, were held Sunday afternoon at 3 p.m. in Dennis Funeral Chapel.

OFFICIATING was Rev. John Street, pastor of First Baptist Church in Dimmitt. Burial was in Castro Memorial Gardens.

Mr. Bussey, born in Wichita Falls, was a Baptist and veteran of World War II.

Survivors include a son Tony of the home; three daughters, Mrs. Veryl Strickland, also of the home, Mrs. Beatrice Molander and Miss Veneta Bussey both of Elgin, Ill.; four brothers, Roy of Littlefield, Archie of Dimmitt, J. W. of Plainview and George of Casper, Wyo.; two sisters, Mrs. Lola Collins of Fairfield Calif., and Mrs. Emma Wright of California; and six grandchildren.

Former resident dies in accident

Funeral services were held Wednesday in Talladega, Ala. for Ricky Ethridge, 16, son of Mr. and Mrs. J. R. Ethridge, formerly of Dimmitt.

ETHRIDGE was killed Monday when a car he was working on fell on him, crushing his skull. He had been visiting a sister in Talladega at the time of the accident.

Survivors include his parents of Sudan, a sister, Mrs. Lucy Patterson of Dimmitt and a brother, Jerry, also of Dimmitt.

Awaiting full force of freeze

Wary feeders eye ceiling

Cattle feeding in the county is a break even or slight profit proposition currently according to spokesmen for two of the county's large cattle feeding yards.

FEEDLOT operators in Oklahoma say they may stop accepting new cattle because of the current price freeze, but George Bagley, assistant manager of Dimmitt Feed Yards and Leroy McCracken, general manager of the Taylor Feed Lot at Sunnyside feel that the total effects of the freeze have not shown themselves yet. They do not foresee a need to turn any cattle away yet.

"The freeze hasn't had time to really affect us yet," said McCracken.

"Cattle are sure bumping the top of that ceiling though," he added.

According to Bagley, many of the cattle now on feed at Dimmitt Feed Yards were light when they came in and it has been to the feeder's benefit because of the increased gain.

"**IF WE** maintain our present number of cattle and the freeze stays on, the situation may get rather tight though," said Bagley.

McCracken said that buying and feeding out stocker cattle under the current circumstances will not work.

"A 500 pound steer will cost 56 to 58 cents a pound and feeding him out will run another 34 cents a pound on the bottom side of the figure. You must have at least 47 cents to break even," said McCracken.

Currently, steers are bringing \$46.75 to \$47 per hundred pounds.

THE TWO feeders cited increases in the costs of materials used in rations as one of their major concerns.

According to McCracken, the cost of supplement has risen from \$53 to \$90 a ton in the past seven months.

Soybean and cottonseed meal, two of the prime ingredients of feed supplements are also currently in short supply.

Bagley stated that the Dimmitt yards were fortunate in that they had contracted enough grain ahead of time to avoid sharp increases in costs.

"**THE PRICE** of feed would really hurt us if we hadn't gone this," he said. "We are making only a very little on our cattle right now, but not enough to write home about."

Bagley stated that the critical point would probably be reached around July 15, would stretch through August 15 and that it will probably be this period that determines if feeders will take large losses.

Both men indicated that there is no oversupply of feed and there is a great demand for what is available, but that cattle are also staying current with no backups.

"I don't foresee turning any cattle away, but we probably won't be buying as many cattle of our own," said McCracken. "The man who doesn't make any money feeding the"

TURNAWAYS NOT FORESEEN — While Oklahoma cattle feeders are speaking of turning away cattle, spokesmen for the Taylor Feedlot and Dimmitt Feed Yards say they foresee no need to turn cattle away locally. The spokesmen indicated that a continuation of the price freeze could eventually cause some problems, but that presently there is still a demand for available pen space.

Eight new Roundup events okayed

This year's Roundup Week, Aug. 11-19, will feature eight new events and a shift from Thursday to Saturday for the Roundup Parade, Pony Show and Barbecue.

TWENTY-TWO persons from clubs and communities throughout the county nailed down the final Roundup Week schedule at a Castro County Activities Committee meeting last Thursday night.

They also approved although not by a unanimous vote — a profit-sharing policy for clubs that conduct fundraising events during Roundup Week. Clubs that earn profits during the celebration week are requested to share 10 percent of their net profit with the Activities Committee to pay Roundup Week expenses.

The Activities Committee couldn't agree on a theme for the Roundup Parade, and called for a public contest, with entries to be submitted by July 19 and the winner to be named July 20.

NEW EVENTS in this year's Roundup Week will be the Nazareth German Folk Festival, Youth Day Rock Concert, Art and Hobby Bazaar, Bicycle Tour, Watermelon Eating Contest, Roundup Tennis Tournament, and a carnival during Roundup Week.

Also, the beard-growing contest is underway for this year's Roundup, for the first time since the Diamond Jubilee in 1966.

A motion to change parade day from the traditional Thursday to Saturday afternoon gained unanimous approval. Many

attending Thursday night's meeting said they felt a Saturday afternoon parade would make it possible for more floats, riding clubs, clowns, etc. to take part.

TWO EVENTS related to the parade were also switched to Saturday. They are the Pony Show for youngsters and the Roundup Barbecue (which provides the meal for visiting riding clubs).

The Activities Committee also agreed to seek the formation of a volunteer band for the parade, made up of musicians of all ages.

HERE'S THE basic Roundup Week schedule approved by the committee.

Hart lady hurt in 2-car wreck

Mrs. Worth Jones of Hart was injured Saturday morning in a two-car collision on the eastern edge of Hart.

MRS. JONES was headed east on highway 194 in a 1969 Buick when she was struck by a 1968 Pontiac driven by Shirley Nelson of Hart.

The Nelson vehicle was headed north on First Street at the time of the accident.

Mrs. Nelson was issued a citation for failure to yield the right of way at an intersection according to investigating patrolman Dyrle Maples.

Mrs. Jones was taken by Dennis ambulance to Central Plains Hospital in Plainview where she was treated for a crushed wrist.

Both vehicles were heavily damaged in the accident.

Correction

In a story concerning the city commission last week the News incorrectly reported that Gene Ivey, insurance servicing agent for the city, had claimed in a letter to the commission that it is illegal for cities to insure with mutual companies.

Instead Ivey's letter stated that, as the servicing agent for the City of Dimmitt, he had asked the Texas Association of Insurance Agents for an opinion. A copy of the association's finding was attached. The letter stated that, in the light of information enclosed, "it appears that any agent servicing your insurance needs should represent and insure in a Capital Stock Company."

Clevelands touring points of interest in Colorado

By MYRTLE SHEFFY

Wheat harvest is over, the corn and maize are laid by for awhile, so now the people can go on trips. Many people tell me they had rather stay home away from the heat and traffic, but a few folks tell me of their trips.

FOR INSTANCE Kenneth and Libby Cleveland, Beth, Vicki and Kevin are in Colorado, first to Vevita Reservoir, then to Durango and Mesa Verde. The kids plan to ride horses, maybe the train, fish and relax. So while they are gone Nell Kelley and Dean Wright will be the club pool watchers and teachers.

Ralph and Avis Smith are home from their annual trip back east to Charleston, S. C. to visit their son Steve, 3. C. Petty Officer in the Navy. On to Lynchburg, Va., for a visit with Avis's sister. They had several side tours along the way. They have been to Conchos Lake a few times since to fish.

Mary and Charlie Hestand went overnight to New Mexico again but up to cool Red River Valley this time.

Mr. and Mrs. J. C. Burch of Denton are here on farm business, and shopping the stores here. The Holbrooks farm the land. J. C. Burch is a cousin of Elvis and Jeannie Burch, who now live in Colorado.

ESTER AND KATY Noble are home from South Texas, that is Texas City where they visited son Don Loy and family. Don was leaving June 26 for Munich, Germany to be away for six weeks. Several sponsors of a German language group were going (or did go). Don Loy teaches that language in Texas City School.

Scott Moran of Waco or that vicinity was a weekend guest of his parents Russel and Myrtle Lois.

Recent guests of Ouida Lowrance were her daughter Zoe Blackwell of Tempe and some friends from College Station. Zoe is from Tempe, Ariz., and Mr. and Mrs. Carroll Waggoner. Mr. and Mrs. Guy T. Hughes and Mrs. Buster Darrough of Kress were Saturday guests of son and brother Van Earl and Waurayne Hughes.

SCOTT SHEFFY of Highland Village, south of Denton, came with friends to visit grandparents Sid and me. And his friends David Nelson, Jay Nelson (no kin) and Claude Richard Barlow and other boys.

Mr. and Mrs. John Quinby and children were honored with a farewell party at the Country Club Friday evening. The mothers and students of the FFA Mass were hosts and served all kinds of pickup foods. The Quinbys will move to Tulsa next month where he will teach.

Thomas McGuire tells me of their trip to Fort Worth this week. John Quinby (teacher) took boys Mark Welch, the Star Greenhand and just Greenhand Mark Merritt and Thomas McGuire, maybe others. Anyway they will hear good speakers (we hope good), talent contests, banquets. This is a state convention, John Farris, the other teacher, can't go.

BIRDIE NEILL is home from a three-week visiting trip, way up north to Kalamazoo, Mich. to see daughter Walden and husband Dr. Imy Holt and grandson Garland Holt in Birmingham, Mich. They came back by Corsicana to visit daughter Kathrine and Frank Marx on to Dimmitt. The family visited here with Waurayne and Van Earl Hughes. The Michigan folks went home to Tucumcari, N.M. and Pueblo, Colo., to visit the Holts' kin.

George and Adeline Rush are home from a vacation trip to Tres Ritos and on north to Taos and Red River valley. George is the chemist at the sugar plant and Adeline is with the Castro County News.

Jo Smith and son Mike went to Odessa to visit her daughter and family. Jo is with the Colonial Inn Restaurant.

Mr. and Mrs. R. V. Ivy went to Muleshoe to visit friends, had a cookout supper and enjoyed the big fireworks display. Mrs. Ivey is with the First State Bank.

MRS MAHAN and I visited out at South Hills Manor Thursday. Our sister-in-law Mrs. Pearl Sheffy has moved there, also Hattie Webb. We visited with Mrs. C. W. Boothe, Mrs. Simpkins and nurse Lee Kimbell, Manager Hazel Dunn and talked with Mrs. Lynn Polson who works out at the home. The Polsons have sold their Bedford Street house to Mr. and Mrs. Lee Roy Wood who have a livestock medicine supply store here.

Susie Hartt, bride-elect of Jack Bradford, thanks everyone for gifts and to those whose name was lost or displaced. I expect all the other brides have the same idea.

Charles Heck Sr. of Nazareth died July 4. Mr. Heck came to Castro County in 1908 from Illinois and helped build the county. He leaves nine daughters and two sons. Mrs. Gus Schlabb is our longtime friend and is one of the daughters. Mrs. Heck died July 2, 1965. If you remember Mary Leinen, an early day settler, she was the grandmother of the Heck children, their mother's mother. Mr. Heck was 92 years old.

DELORISE GILLILAND told me about the picnic lunch the staff and 28 people who live at Golden Spread Nursing Home had the 4th of July. There are 13 wheel chair patients. The others walked to a neighbor's yard under the trees. The staff sang songs and dedicated "Faith of Our Fathers" to the group. Leon Gilliland and all the nurses helped, and Juan Mitchell celebrated his 107th birthday one day last week at Golden Spread. Several friends and relatives came to both parties.

Mr. and Mrs. Allen Bell of Rochester were weekend guests in the home of their daughter Mrs. Lennol Hester and family (Lennol is the Methodist pastor).

Jim and Ina Cleavinger and sons Tommy and Jimmy, their friends Kurt Wales and Robert Jones, spent the weekend at Ute Lake water skiing, a little fishing. They saw Dale and Marie Winders, Jodie and Gay Minnick and children, the Gene Smiths. I heard that Gay went to sleep and the sun even blistered her feet. Why don't you folks plant some trees there?

Linda Burkett and son Andrew of Scottsdale, Ariz. have been here for a two week visit with her in-laws Swain and Katy Burkett. Linda is Joe's wife.

BUD AND VAUDINE Giles have been on the farm at Dalhart all week. Bud is farming there now, commutes.

Matt Gilbreath has been at Tech in Lubbock for a week attending the Little Drifters coaching school. Matt is the eleven year old grandson of Sam and Virginia Gilbreath. Mr. and Mrs. Reeford Burrous and daughters Sherri and Sharla spent the weekend at Hobbs visiting their friends the McFarlands and daughters. Reeford was on an inspecting tour of the National Guard at Hobbs and Lovington. He is telephone manager here.

Verbie Nelson is still at El Paso with her mother who had bone replacement in the hip. She is doing okay we hear. Don is home looking after the boys and the newspaper. He called his mom to ask how to make "popovers". Bet they were good too.

MECCA AND RAY Aldridge of Lubbock and Mecca's mother of Littlefield were weekend guests of Ray's mom Mary Booher. Blanche and Cecil Ginn went

to Memphis, spent the Sunday with her sister Mr. and Mrs. Lon Moore.

Jesse and Ruby Wooten, their family, Bob and Bobbie Hill of Hart, Rex and Darlene Wooten of Flagg spent the weekend at Conchos, just fooling around, water skiing, resting. They saw the Bob DuLaney family there.

Visiting Lana and Trent Downing at Easter are her mother, Mrs. Roland Laws, and her sisters Lynn Laws of Franklin, La. and Mrs. Charles Allain, who lives in Arlington, Va., and nephew Danny Luke of Franklin. They brought Laura Downing home from her visit to Louisiana, and also from a nice trip to Washington, D. C. where she saw the sights with some of the Laws family. All attended "Texas" in Palo Duro Canyon Monday night.

RALPH AND ORA Mason of Abilene were weekend guests of Charles and Countess Hodges. They are great uncle and aunt of Countess. Charles is with the First State Bank here.

Mr. and Mrs. Jim Hays were hosts last weekend and at Sunday dinner to the Hays family, three sisters and a brother and kids. Guests were Opal Bookout, Mr. and Mrs. Bill Bookout of Hereford, Mr. and Mrs. Clyde Hays of Friona. Mr. and Mrs. Ervin Kimmins of Phillips, Mr. and Mrs. Mike Kimmins of Canyon, Mrs. Reynolds of El Cajon, Calif., David and Ann Hays and children, Norman Hays of here, Penny from Amarillo, Charlie and Nancy came late, as they have been to Paris to see about the cows.

Jerry Tevis and boys Bradley and Jeff Cummings of El Paso have been visiting Dorothy Mayfield, Joannis Robertson and Ole Trimble the past 10 days. The girls got in a lot of golf and bridge playing. Ray fixed barbecued chicken one night. Bonnie Dulaney of Plainview came up. Vaudine Giles, Nancy Greer and Juanita Bruegel joined the other girls for food and cards later.

Also visiting the Mayfields over the past weekend were Charles and Harriett Palmer and girls of San Antonio and Carl Mayfield of Dalhart. Then they all attended the Drake family reunion at Elwood Park in Amarillo Sunday. Lots of good food, music and visiting.

GEORGE AND Monette Ray, Mark, Jana and Matt of Grand Junction, Colo. are visiting Monette's mother, Faye Kenmore. George left Friday for Glorieta, N. M. where he will attend Sunday School and Bible Conference Week. He is pastor of the Monument Baptist Church at Grand Junction.

Alicia and Angelique Blasingame of Farmington, N.M. visited Monday with their grandmother, Faye Kenmore. Angelique has been quite ill but is now improving.

Saturday afternoon a bridal shower was held in Edna Riley's home for Linda Shubinsky of Dallas, bride-elect of Jerry Morris. The hostesses asked Jerry to be present to introduce Linda to the guests, so everyone got to see Jerry too. Jerry is a graduate of Texas Tech and spent most of his time in the armed services in Taiwan. He and Linda will live in Dallas.

ROGER EDWARDS, a recent Wayland College graduate, is the new music director for the First Baptist Church. Roger is also assistant hand director at Plainview High School. His wife, Bennie, was here with him Sunday.

Sharon Barker, who received her degree in nursing in May at the University of Texas Nursing School, San Antonio, is in Guatemala where she is attending an overseas training camp for Inter-Varsity Christian Fellowship. She is one of 50 young people from over the U.S. who are being introduced to the culture in Guatemala, and missionary work with the Maya Indians. The natives do their washing in primitive fashion in Atitlan Lake. She said the days are fairly warm but at night it is very cool and pleasant.

SAM AND FRANCES Kirkpatrick are visiting Sam's parents, the W. E. Kirkpatricks. They are from Fort Smith, Ark.

The Castro County 4-H Dress Revue was the largest show ever with 63 girls modeling the garments they had made. The school cafeteria at Nazareth was a cool, pleasant place Friday, although outside it was one of the year's hottest days.

Guests were the girls' mothers, aunts and grandmothers. Mrs. Sue Farris, District Extension Agent from Amarillo, said it was one of the best dress revues she had attended. Irene Keating is doing a fine job with these girls and she gives a lot of credit to the leaders and junior leaders of the local clubs, who help the

girls with their sewing. Mrs. Gertie Acker furnished beautiful lilac foliage and plants for the stage, which was decorated as a flower garden. Nellie Wilhelm was advisor on the Dress Revue committee and saw that everything ran smoothly. Sharon Brockman did a good job as narrator.

Fred and Ramona Annen hosted a July 4 cookout with lots of food including that good old homemade ice cream and cake. Attending were a sister from Sudan, the LeeRoy Fishers, wife Jo, one son Rodney, two

daughters Kathy and Missy, their son Mike Fisher and family from Ralls, Patsy and seven-month old daughter Tonya, a sister Peggy Mills from Amarillo and son Barney, also sister Rhea and son Ricky, and Ethel Lowe, Ramona's mother.

There is no immediate shortage in poultry supplies, although many people in the poultry industry are concerned about the increasing cost of feed weighed against the price freeze, Mrs. Gwendolyn Clyatt said this week.

The consumer marketing information specialist, Texas Agricultural Extension Service, Texas A&M University System, added that at present "eggs are on the good-value list and make excellent protein dishes. Fryer chickens are featured in a good many markets, and they'll continue as a popular item through the Fourth of July when menus feature fried chicken and deviled eggs — both selling at relatively low prices, presently."

same as for the past month, the specialist noted.

"Since this is 'broiling-steak season,' the better beef values appear on chuck roasts and steaks, ground beef, short ribs, round steaks and roasts."

Pork prices generally are the same as for the past few weeks, with best values on hams, picnics, shoulder roasts and steaks. end cut loin roasts and chops. Mrs. Clyatt added.

Fresh fruit and vegetable items in good supply at the most economical prices include Valencia oranges, cantaloupes, watermelons, Santa Rosa plums, Bing cherries and pineapples. Also corn, carrots, squash, yellow onions, celery, cabbage, potatoes, cucumbers, radishes and green onions. The specialist also named

A NEW BIBLE... for ME! She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church and share in this knowledge and joy.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The 4-H dress review was held at Nazareth last week. The 4-H girls from Bethel going were Carol Bagwell, Kelly Bagley, Beth Benton, Lisa Graef, Laurie Sides, Cindy Sides, Heidi Bruegel, Ka Ka Bruegel and Wendy Bruegel. The Bethel project leaders were Mrs. Pat Bagley and Mrs. Ellen Hrabal.

MRS. GEORGE SIDES took Kimberley and her friends to Lubbock for the show and to eat lunch to celebrate Kimberley's birthday.

Mrs. Donald Gilreath, Donna, and Mr. and Mrs. I. D. Onstead of Littlefield went to Red River N. M. for a few days.

Mr. and Mrs. Moss Howell celebrated their 46th wedding anniversary Monday.

Ernest Bagwell of Lompac, Calif. is visiting his sister Mrs. Hattie Howell, brother George Bagwell, and his other relatives this week.

MRS. SUE HOWELL and children went to the circus at Amarillo recently. Several Bethel ladies attended Diane Dyer's wedding shower Friday.

Mr. and Mrs. Charles Wales and family and other members of the family helped her mother Mrs. N. F. Cleavinger celebrate her birthday Sunday.

Mr. and Mrs. Bill Yokum and boys went to Colorado to visit relatives and back by Raton, N. M. Vickie said the sights were beautiful.

MRS. BOB KAY had surgery in a Plainview hospital last Friday. She is doing fine.

Mr. and Mrs. Henry King, Shoni and Kim of Lubbock visited his brother Charles King and family Sunday. Mr. and Mrs. Richard Alsup of Muleshoe and Mr. and Mrs. Benny Simpson and Jared also visited the Kings.

Mrs. Frank Eades, Tim, Belinda, and Allen of Amarillo visited her sister Mrs. Pat King Friday.

Mr. and Mrs. Houston Lust and Flo visited the Orville Fincks at Tulia Sunday.

MRS. JOE FINCK of Tulia is visiting her daughter and family, the Houston Lusts.

Mrs. Doris Lust, Flo, and Mrs. Sue Summers attended a bridal shower for Nita Vaughn at Tulia Saturday.

Mrs. Bob Kay came home from the Plainview hospital Monday morning.

Mrs. Doris Lust and Mrs.

Vern Lust visited Mrs. Sue Summers.

MR. AND MRS. Vern Lust and Mrs. Louise Stone went to Amarillo Thursday.

Mr. and Mrs. Vern Lust visited the Glenn Lusts at Lubbudie and Mrs. Leona Stiles at Big Square Wednesday.

Mr. and Mrs. Bill Curry of Quitaque visited the A. T. Morgans Sunday.

Mr. and Mrs. Buster Morgan attended a party at Mrs. Irene Carpenter's Thursday night.

Mrs. Fred Higgins and her sister of North Platte, Neb. visited the Elbert Smiths the 4th of July.

MR. AND MRS. Glen Higgins and David of Hereford visited the Elbert Smiths.

Bud and Wanda McElroy went to Plainview Sunday.

M. E. Harrell of Coleman visited his daughter and family, the Bob Kays.

The view from your library

By MARY EDNA HENDRIX

Harley Dodd came in the library last week and brought a library book that he found in the glove compartment of a car. This book had been checked out of our library Nov. 22, 1972! There are about 300 more books just like this one that need to be returned to our library.

IF YOU see a book ANYWHERE that has Castro County Library stamped on it, please do as Mr. Dodd has done — bring it to the library. If we are closed, we have a book depository just outside the door.

We will be moving in our new library soon and we need all the overdue books back in the library. Mothers, please help your children find their lost books and children, please help your parents find their lost books! We need EVERY book!

MARIE HOWELL is still typing for us here at the library and we really appreciate all the work she has done. Mrs. King was ill last week but Marie has worked enough now that she can keep working without supervision.

Hazel Merritt stayed in the library for me last Tuesday while I stayed in Amarillo to get some help from Elizabeth Crabb at the Amarillo Public Library.

MORE DONATING books: Mrs. Dwight Joiner and Mrs. Oma Stokes.

More donations: Mrs. Ewell Kelley and Mrs. Otto Dinwiddie gave a generous donation. Mrs. Dinwiddie is a well known former resident of Castro County and Hart who lives in Colorado now. We certainly appreciate all these donations.

INTERESTING people in the library last week: Mrs. Ed Manning has certainly helped our book circulation in the last two weeks. She has been keeping her seven grandchildren and bringing them to the library. The grandchildren are: Jana, Andy, Danny, and Lyle VanDeventer from Taylorville, Illinois, Teddy Manning from Austin, Texas, and Eddy and Samantha Manning from Dallas. Mrs. Faye Kenmore's grandchildren are here and Jana and Mark Ray from Grand Junction, Colorado have been in to check out books. Jana and Mark are the children of Monette and George Ray and I might add that my two grandchildren, Shannon and Brent Vaughn from Dallas have been here too. Mrs. Louis Huseman came in and got books for her children to read on these hot days.

County to buy new radar unit

County commissioners met Monday and approved the purchase of a new radar unit for the Highway Patrol and the employment of another helper for the Rhoads Memorial Library. COUNTY JUDGE Raymond Wilson reported that the new radar unit will cost approximately \$1685, and that it will check vehicles whether the patrol unit is parked or moving. Wilson said there would probably be about \$500 trade-in allowance on the old unit. Commissioners approved the employment of a new helper for the library, but, according to Wilson, a salary has not been set for the position.

Stars to play tonight at 6

Dimmitt's 13 year old Babe Ruth All Stars will play in the Babe Ruth Tournament tonight (Thursday) at 6 p.m. at the Babe Ruth Park in Littlefield.

AT PRESSTIME, the Dimmitt stars were scheduled to play the winner of a game between Olton and Plainview. Dimmitt's 14-15 All Stars were eliminated from the tournament Tuesday night when they dropped a close game to Plainview 6-5. Monday night the Stars fell to Littlefield 4-3.

More About Wheat yields ...

(Continued from page 1)
"OUR AVERAGE was about 40 and our low was 15," he said. Bill Clark of Dimmitt Agri Industries said that the highest yield at the Dimmitt facility was 97 bushels, reported by Irvin Ott of Earth. According to Clark, mosaic damaged some of the wheat crop and reduced yields in some areas, but the overall wheat yields were "pretty good."

Rabies fearful disease to man

Of all the diseases which may be transmitted from wild animals to man, rabies is the most feared.

TEXAS STATE Department of Health Laboratories report that during the first four months of 1973 there have been 85 confirmed cases of animal rabies. Of that number, 61 involved wildlife — 45 skunks, 11 foxes, one coyote, two raccoons and two bats.

Texas had 343 cases of rabies last year — 281 in wildlife. The state led the nation in 1971 with 323 rabies incidents, which was a far cry from the 658 cases reported in 1961.

The Texas Parks and Wildlife Department reports that the chances of transmitting rabies to humans are slim. Most of the public will never come in contact with the disease unless their occupation involves handling sick animals.

THE LAST documented death from natural exposure to rabies in Texas was in 1962. Last year one death was reported which was attributed to exposure to the rabies virus in a laboratory.

Rabies is caused by a virus which requires from one to six months to incubate within an animal.

The disease begins with a depression of the spirits and swelling of the lymphatics in the region of the throat. Choking and spasmodic breathing follows with increasing spasms of the respiratory muscles. Fever, mental derangement, vomiting and secretion of saliva often accompany the disease. Death usually occurs within two to five days after the appearance of the first symptoms.

POSITIVE diagnosis of rabies involves killing the suspected host to examine brain tissues. Fortunately, however, man seems to be highly resistant to rabies and only 20 percent of those bitten by a known rabid animal will contract the disease.

Treatment for rabies in man is a painful series of shots in the fatty deposits of the stomach. Why bother with such painful treatment if man has only one chance in five of contracting the disease.

ONCE THE first symptoms appear, the only treatment for the disease is making the individual as comfortable as possible because death is almost inevitable once the disease reaches such an advanced stage.

The rabies cycle begins in Texas each spring when migrating bats return from Mexico to their homes. It has been estimated that five percent of all bats returning to Texas are infected with rabies.

Bats react slowly to the disease; therefore, the virus incubates longer and affects more bats within the same cave.

The disease begins to spread when affected bats fall to the floor of the cave and small mammals such as foxes and skunks enter the caves to feed on crippled adults and helpless young bats.

TRADITIONALLY, RABIES builds to a peak in August and September and declines with the onset of cooler weather.

Rabies can be controlled in pets with vaccination but, as yet, there is no practical means of controlling the disease in wild animals.

Rodeo Queen contest opens

Girls who are interested in running for Dimmitt Rodeo Queen should pick up entry forms by Monday at the Castro County News office.

THE NEW queen will be crowned Aug. 16 and will reign over the 1973 Dimmitt Rodeo, Aug. 16-18. She also will receive a belt buckle from the Dimmitt Rodeo Association and will be featured in the Roundup Parade Aug. 19.

Entrants must be between the ages of 14 and 21, and single. Contestants will place voting jars in different business offices — as many as they wish — and are to collect and turn in their own proceeds. In case of a tie, horsemanship will be the determining factor. However, a candidate need not have access to a horse to enter the contest. Each candidate must return her entry form to the News office by 5 p.m. Monday — preferably with a school picture — and may start setting out her jars the same day. Jars are to be picked up and turned in Aug. 13.

Kitchen carpet a convenience

Kitchen carpets promise convenience in return for careful selection and a little extra daily care, according to Patricia A. Bradshaw.

"DAILY CARE means removing spots and spills quickly, then sponging carpet — along with freer vacuuming." — the housing and home furnishings specialist. Texas Agricultural Extension Service said.

She brought up several points for selecting kitchen carpeting. "For practical use, multi-colors or tweeds show soil less than solid colors. Medium to fairly dark colors tend to stay 'fresh' longer — deep dark shades show lint and surface dust more readily, and light areas show spots.

"GOOD QUALITY kitchen carpeting should consist entirely of man-made fibers because they aren't subject to mildew or rot. The face should be a fiber such as nylon, acrylic or olefin. Olefins are the most stain-resistant.

The carpet should have a water-resistant barrier to help prevent liquids from soaking through and causing mildew or rot. "It should have a short, dense, loop pile that will withstand crumbs and spilled substances on top of the surface for easy cleaning.

"Test samples for absorbency by pouring a little water on each one. "WATER SHOULD bead on the surface and be easy to wipe up. Although olefins may permit moisture to flow through the pile more quickly than other synthetics, they can be blotted easily."

The specialist cautioned against using carpet with woven jute backings in the kitchen, because liquids can mildew and rot it — or even cause shrinkage. Most kitchen carpets have sponge or high-density foam backing — some have a layer of woven or solid plastic between carpeting and backing as an extra barrier.

Turning to advantages of a carpeted kitchen, she cited the comfort and warmth it provides, along with a more luxurious appearance. Also, installation may be made over a floor in rather poor condition.

"Kitchen carpet requires less scrubbing and no waxing, absorbs much kitchen noise, and lessens the danger of breakage," she added.

Drawn shades save energy

Window shades cut down on energy required to cool a room since tremendous amounts of cold air are lost through windows.

"DRAWN SHADES reduce what architects call cold-or-heat bounce, which causes drafts," Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, explained.

"Drafts make a room seem hotter or colder than it actually is — so residents often turn up air conditioners or change thermostat settings for comfort. As a result, additional energy or electricity is required. "When energy savings — from drawn shades — are established over an entire house homeowners actually conserve considerable amounts — and cut down on electric bills at the

Sunday, Aug. 19 — Flying Machine Day with the annual Jaycee Air Show starting at 10 a.m. THE TENNIS tournament was proposed and approved last Thursday night, with the schedule to be worked out and announced later.

Correction

In a South Hills Manor ad featuring Mrs. Maggie Gollehon last week the News stated that Mrs. Gollehon was a charter member of the First Baptist Church.

However, Mrs. Gollehon was not a charter member; she was a girl at the time the church was organized but her parents were charter members.

A VACATION must fit the individual, his resources and needs. It should "refuel" mind and body, enrich a person's interests and provide a change. Says Dorothy Taylor, family life education specialist with the Texas Agricultural Extension Service.

MISS BRADSHAW noted that the window shade industry piloted a special "June is Window Shade Month" program last year — and are repeating it this year. "IT'S PURPOSE is to show homemakers how to reduce fuel used while creating attractive window treatments. June was chosen since it's the time when air conditioners "eat up" electricity.

However, energy conservation isn't limited to summer months, the specialist pointed out. "Window shades also reduce heating losses during winter and fall."

Parade theme ideas sought

What do you think the theme should be for the 1973 Roundup Parade Aug. 18? DO YOU think the theme should be historical or modern, serious or good-humored, specific or general?

If you have an idea, submit it to the Castro County News by next Thursday. The County Activities Committee has called a public contest for theme ideas, and the winner will be named Friday, July 20. A cash prize will be awarded to the person whose theme idea is chosen.

A few ideas to help you get started: Castro County will be 82 years old next month; it's the top corn-producing county in Texas and has the state's only corn mill; the county ranks high in the production of beef cattle, milk, wheat, sheep, vegetables and dairy products; half the dairies in the Panhandle are located in Castro County; the county ranks among the top group in Texas in agricultural income; the county's population is 10,394; and its people are hard-working and friendly.

Purposes of the theme are to provide ideas for parade floats, and to help publicize some aspect of the county, its people or its heritage.

If you have an idea, submit it in writing to the News office, either in person or by mail to Box 67, Dimmitt.

Farmers can save on fuel

With the nationwide fuel shortage now a reality, farmers as well as all Americans are being called on to stretch each gallon of fuel as far as possible.

ALTHOUGH FARMERS are in a priority group to receive special consideration for allocating fuel, it's still vital that they take measures to conserve fuel consumption emphasizes Henry O'Neal, agricultural engineer for the Texas Agricultural Extension Service.

What are some of the key things a farmer can do to reduce fuel use? O'Neal lists a few. Reduce tillage practices. Make just one trip over the field, covering as many operations as possible. For instance, plant and apply herbicides or fertilizer at the same time.

Don't cultivate unless necessary. USE THE RIGHT tractor for the job, if there is a choice. Use a light tractor for light jobs and a bigger tractor for heavier jobs. Use a diesel tractor where possible as diesel fuel is more plentiful than gasoline.

Operate the tractor at proper speeds and keep it properly tuned. The operator's manual is a good guide on proper use. Don't let the tractor idle for lengthy periods.

Consider moving large equipment by truck rather than driving it on the highways. WHERE POSSIBLE, delay certain operations that will not affect the current crop season, such as ditch clearing and land leveling.

The specialist points out that farmers should inform their local county Agricultural Stabilization and Conservation Service office regarding any problems in obtaining fuel.

WASHINGTON AND SMALL BUSINESS

What Reform?

The Nixon Administration tax program has nothing in it for America's small business enterprises.

This is what Senator Alan Bible of Nevada, Chairman of the Senate Small Business Committee, told the House Ways and Means Committee on the "tax reform" measure sent to Capitol Hill from the White House.

The Nevada senator pointed out that while most small and medium sized manufacturing corporations pay more than 50 per cent of their earnings in Federal taxes, the largest corporations as a class pay a rate of less than 25 per cent.

The nation's independent business people, voting through the National Federation of Independent Business, support the drive sponsored by 50 U.S. Senators to change corporate tax rates to a graduated system, to cure a major injustice.

However, the tax proposal sent to the Hill seems to indicate a desire to further erode the stabilizing middle class of the nation of which independent business is the backbone.

In fact, some of the proposals approach the concept of robbing Peter to pay Paul. For example, there is a new proposal on allowable deductions for medical costs. At present, a National Federation of Independent Business

taxpayer can only take as a deduction medical costs in excess of 3 per cent of income. It is proposed this be raised to 5 per cent.

This comes at a time when great concern is voiced in Washington over escalating medical costs, with proposals for a national health plan, largely financed by still more payroll taxes on both employee and employer.

But perhaps the most severe change recommended is that having to do with deductions for real estate taxes on the family home. It is proposed that deduction for these taxes only be allowed when they are in excess of 5 per cent of the family income.

In other words, a family with a \$10,000 annual income, but who must pay \$1,000 a year to the local tax collector to keep their home can only deduct \$500 from the Federal income tax. If the family income is \$20,000, no deduction would be allowed.

The chap who "through an Alpine village passed with the banner bearing the strange device 'Excelsior'" apparently created a lot of discussion. It is perhaps time that people get wise to the fact that every time a banner is unfurled bearing the strange device "tax reform" there ought to be a lot of discussion on just what is meant.

Smithson wins Santa Fe award

Seventeen Texas Future Farmers are winners of college scholarships and achievement awards provided by Santa Fe Railway, J. A. Marshall, director of agricultural education in Austin, announced this week.

AMONG THE achievement award winners was Dean Smithson of Dimmitt. He is the son of Mr. and Mrs. Rayphard Smithson.

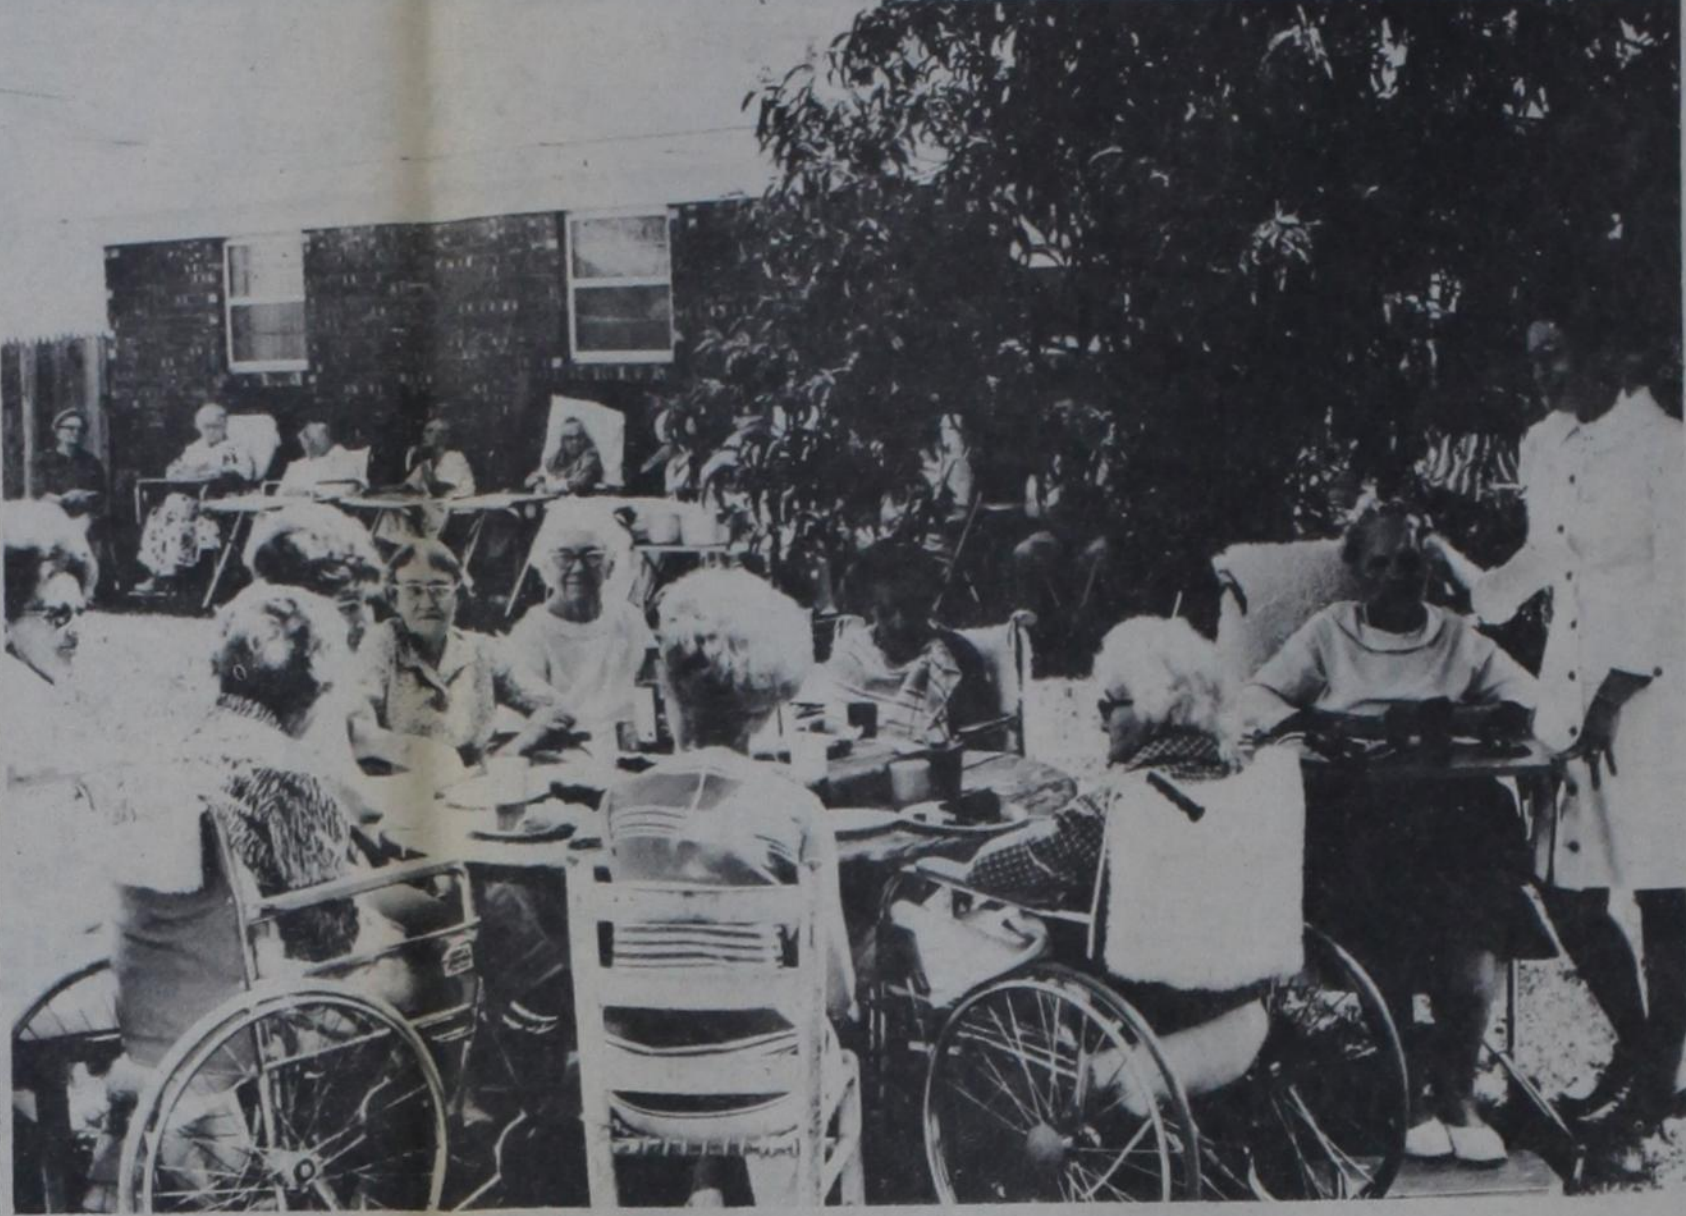

F. A. Beauchamp, assistant

general manager of Santa Fe's Western Lines, at Amarillo will present the winners with award certificates during the 45th annual Texas FFA convention at Fort Worth today (Thursday). Beauchamp will also present the railroad's check for \$3,125 to help support FFA during 1973 to Frederick McClure, state president.

THE RAILWAY will honor its winners at a dinner in Kansas City during the national convention in October.

THE 1971 traffic accident toll in the U.S. was 55,000 deaths, over 2 million disabling injuries, and economic losses of \$14.3 billion. The death rate per 100 million miles of vehicle travel was the lowest in history, 4.7.

TWO THIRDS of Federal highway safety programs are financed from the Highway Trust Fund.

FOURTH OF JULY PICNIC - Residents and staffers of the Golden Spread Nursing Home enjoyed an old-fashioned July 4 picnic last Wednesday at noon in the backyard

north of the home. Here, wheelchair patients gather around a picnic table while others enjoy the sun on the walkway.

Export reports to be changed

A precedent-breaking system for reporting grain exports has been developed by the U.S. Department of Agriculture and the nation's grain firms.

THE GRAIN exporters have voluntarily agreed to disclose their 1973 sales volume on a weekly basis, according to Dr. Roland Smith, grain marketing specialist for the Texas Agricultural Extension Service.

The new reporting system, with the first report to be released on July 6, should assist farmers, exporters and government officials in making production and marketing decisions, points out Smith.

Reports will come in to the USDA each Saturday covering the week's export commodity trading. The information will be compiled and released the following Friday. Thus the public will know of any export sales from 6 to 13 days after the sale, points out the specialist.

Smith explains that the delay in reporting by the USDA is to give exporting companies time to buy the grain they agreed to export. Immediate reports of sales would push up grain prices before the grain was actually obtained. This, in turn, would decrease incentives to export.

THE WEEKLY reports will show sales in metric tonnage and the marketing year the grain is to be shipped. Initial reports will include wheat by five classes, corn, grain sorghum, barley and soybeans. Additional commodities may be added later.

THE WHITEWINGED dove is one of the most important game animals in the Rio Grande Valley. Yet, less than 2,000 acres of high-quality whitewing habitat remain.

Lending change can give aid

A recent lending change in the Federal Reserve System could be a boon to the rural economy of Texas. The change could make an estimated additional \$1 billion in loanable funds available to Texas residents from the state's rural banks.

CALLED "Seasonal Borrowing Privilege," the change is designed to help rural banks expand loan fund sources where the local economy has a seasonal loan need, such as with grain sorghum, cotton, wheat or rice production, points out Dr. Wayne Hayenga, economist for the Texas Agricultural Extension Service.

Company will relocate here

Norman Laxson, district manager of American Bio-Culture, Farm Builder division reported this week that his company is moving their complete operation to Dimmitt. Offices have been located in Lubbock and Weslaco.

THE COMPANY works primarily with irrigation farmers. They produce and sell a product known as Pro-biotic which affects the life of the soil.

The firm will be located in the former Kenneth Jackson Ditching building on East Hall-

BEHIND THE SCENES AT DEAF SMITH R.E.C.

Many years ago, 1937 to be exact, the Rural Electrification program got underway in the productive agricultural areas of Castro, Deaf Smith, Parmer and Oldham Counties of the Texas Panhandle.

However, it was not an overnight venture. It has taken many years of exacting patience for both the consumer and Deaf Smith REC to build the efficient distribution system we have today.

In building a ten-million-dollar electrical system, as in developing an efficient farming operation, it must be done by the sweat-of-the-brow method, not from behind a desk. True, it may have started at that point, but it takes diligent, hard-working people to get the job done.

We feel a special tribute should be paid to the service and construction crews that have made it all possible. We seldom stop and wonder, in our busy world today, why or how certain things happen, such as making our homes bright with electric lights at any hour of the day or night. There is really only one way—the man with the hard hat and a tool belt who works the 2,700-mile system from sunrise to sunrise—365 days a year, in every kind of weather, protecting this system from any hazard that might disrupt service to the consumer.

As Rural America grows, so grows our nation, and the service people of Deaf Smith REC are proud to be a part of the program.

Reed volunteers to coordinate Hart Day activities

By MYRT LOMAN

Bob Reed has volunteered to act as coordinator for Hart Day Activities, to take place on Saturday, Aug. 11.

Reed will be in charge of a called meeting on Monday night, July 16 at 8:30 p.m. in the community room of Farmers State Bank.

Past officers, representatives of all clubs and organizations are urged to attend. The meeting will be open for suggestions to make this "Hart Day" the biggest and best of all.

MR. AND MRS. J. B. Allensworth and Mrs. Jimmy Davis attended the funeral of E. M. (Bud) Lowe in Littlefield on Sunday afternoon.

Mr. Lowe, owner of the Pay and Save Grocery Store in Hart, died Friday in Methodist Hospital in Lubbock from an apparent heart attack.

The Hart School recreation program closes this Friday after several weeks of activities for students.

FOR SOME time now Butch Waller has been spraying our city at least two or three times each week for mosquitoes. Sometimes we wonder if it really does any good, but just think how bad they would be if the city were not sprayed.

Mayor Foster would appreciate our being as careful as we can with our water supply. Recently we were without water for only a few minutes, but what would we do if the well should go dry. We do need to water yards and gardens, but we can use it and not be wasteful.

SOME TWENTY members of the Lions Club met Monday for the regular meeting in the community room of the Farmers State Bank.

Newton Rowland, new Lion Boss, and Miss Cindy Hill, new club sweetheart assumed their new positions.

Ben Martin, with the Lubbock Union Carbide Company, presented the program and showed slides of prevention and treatment of corn borers.

The book *Game Management in Montana*, published by the Montana Fish and Game Department, rates the mule deer as the state's "number-one big-game animal."

MR. AND MRS. P. C. Lackey hosted the Goodneighbor Club annual ice cream supper on Friday night at their home southeast of Hart.

Homemade ice cream and cake were enjoyed by members and husbands as special guests.

Following refreshments the group enjoyed games of 42.

A short business meeting was held, with the next get-together to be on Saturday, Aug. 11, "Hart Day".

Attending were Messrs. and Mmes. T. R. Davis, Paul Brooks, R. A. Futrell, E. E. Foster, Percy Hart, Tom Duffey and Mrs. G. R. Bennett.

The Welty annual reunion was held on Sunday in the McKenzie State Park in Lubbock. Each family brought a basket lunch, with 63 relatives enjoying the feast and fellowship. Relatives were from Texas, California, Oklahoma, New Mexico and Arizona.

Attending from Hart were Messrs. and Mmes. J. W. Welty, Leonard Welty and girls, Paul Brooks, Thomas Brooks and daughters and Mrs. Glen Wilson, Miss Neoma Brooks of Plainview, Miss Sharon Brooks of Canyon and Miss Brenda Peterson of Amarillo, a classmate of Sharon's at West Texas State University.

CONNIE MAC English of Plainview, son of Mr. and Mrs. Hubert English of Hart was injured recently in a motorcycle accident at Hereford.

He was taken to Methodist Hospital in Lubbock, where he underwent surgery on his right elbow.

English was riding on a ranch and hit a sand drift and overturned.

He is a salesman for the Jewel Tea Company and Hart residents are in his territory.

On the sick list and in hospitals last week were Miss DeAnn Richburg in Plains Baptist Hospital in Amarillo; Mrs. George Bennett, Jack George and Raymond Hinshaw in Plains Memorial Hospital in Dimmitt; Mmes. Ricky Farris, V. E. Bearden and Worth Jones in Plainview Hospital; Mrs. Max Stephens in Lubbock Hospital; Frank Bauman is at home and enjoys visits from friends.

Charles Black was not in the hospital last week, I did not check the report before sending in news.

CINDY HILL, daughter of Mr. and Mrs. Bob Hill of Hart, is the new Hart Lions Club Sweetheart. She is a junior at Hart High School and enjoys water and snow skiing, tennis, cooking, reading and playing the piano.

THIS IS a copy of aclicking from a friend. We thought it amusing and hope you will get a laugh.

There is a good story making the rounds. A farmer, shopping for a new car became thoroughly disgusted with the pricing system that showed a basic price for an automobile and added to it for anything extra he wanted on the car.

He settled on a certain make and model and made the purchase. A few days later the car dealer who had sold him the car arrived at his farm and said he would like to buy a cow for his country place.

The farmer showed the dealer his cows and the dealer decided on one.

"How much?" he asked.

The farmer quickly sized up the situation and scribbled this itemized bill: "Basic cow — \$200.00. Two-toned exterior — \$45. Extra stomach — \$75. Product Storage Compartment — \$60. Dispensing device (4 spigots at \$10.00 each) — \$40. Genuine Cowhide upholstery — \$125. Dual horns — \$35. Automatic Swatter — \$15. Total, exclusive of tax and delivery — \$595.00."

AT A RECENT meeting of the Hart City Council the 1972-73 audit report by Brown-Gra-

ham Co. was approved. The marshal city fee has been discontinued until a marshal has been employed.

The Board of Equalization will meet July 19 from 1 to 3 p.m. at the City Hall. Serving on the board will be Dub Holley, Ernest Martin and Bob Berry.

MR. AND MRS. Ricky Farris are the parents of a daughter, Stephanie, born in Central Plains General Hospital in Plainview on Monday, July 2 at 4:17, weighing 6 pou—nds and 8 ounces.

Maternal grandparents are Mr. and Mrs. W. A. Hawkins Jr. of Amarillo, paternal grandparents are Mr. and Mrs. Lloyd Farris of Hart and maternal great grandparents are Mr. and Mrs. W. A. Hawkins Sr. of Hart.

THE HART School Board met Monday night for their regular meeting. The Hart Board of Education set the tax rate of \$1.85 per \$100 evaluation for the 1973-74 school year. This is the same tax rate that the school had the past year. The firm of Baldwin & Rucker of Tulsa was appointed to audit the books of the Hart School for the 1972-73 school year. W. T. Sanders met with the board to discuss school taxes on houses in Hart, compared with houses outside the city limits.

The board employed Mrs. Cynthia Grogan as elementary music teacher and Miss Darla Underwood as elementary Title I reading teacher. Mr. and Mrs. Michael Winward were employed as Plan A special education teachers. The board accepted the resignation of Paulette Whatley as junior high science and girls physical education teacher.

The board adopted the handbooks for the elementary, junior high and high school for the 1973-74 school year.

PLAINS MEMORIAL HOSPITAL

A daughter was born to Mr. and Mrs. Jack Lee Newberry Jr. of Hereford on July 1. Named Renee Seely Irene, she weighed 7 pounds, 6 ounces.

It's a girl for Mr. and Mrs. Alfredo C. Puente of Dimmitt. She was born July 5, weighed 7 pounds, 11 ounces, and has been named Delia.

Mr. and Mrs. Ricky Dale Wilborn of Hereford are the proud parents of a son, William Coby. Born July 5, he weighed 6 pounds, 14 ounces.

Mr. and Mrs. Jose Olivarez of Hereford are the parents of a son, Rudy, born July 6. He weighed 7 pounds, 5 ounces.

It's a boy for Mr. and Mrs. Humberto Rodriguez of Hereford. Born July 4, he weighed 6 pounds, 7 ounces and has been named Sal.

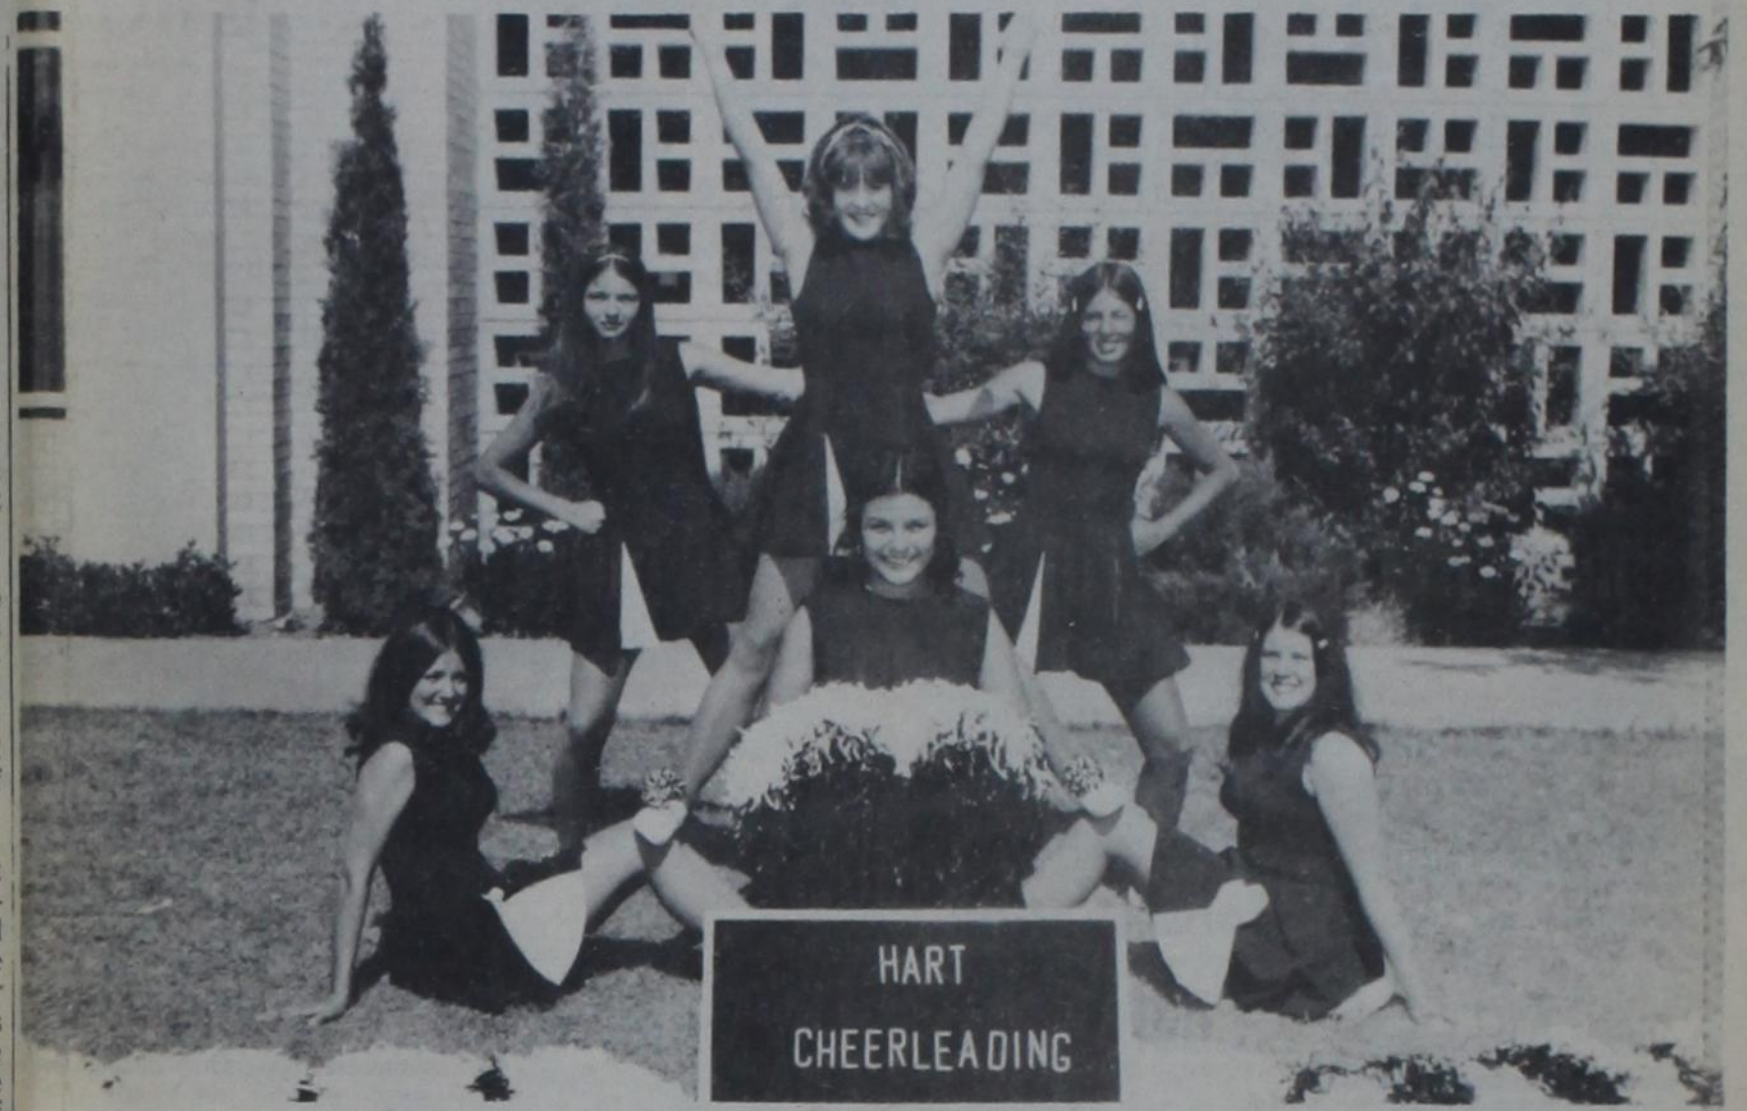

A son was born to Mr. and Mrs. Woodrow Wilson DiCuffa of Bovina on July 7. He weighed 7 pounds, 11 ounces and has been named Anthony Wilson.

OUT OF TOWN

Mr. and Mrs. Brent Mathis of Edmond, Okla. are the parents of a son born July 5. Named Jeremy, he weighed 7 pounds, 12 ounces. Mrs. Mathis is the former Zelma Waggoner of Dimmitt. Maternal grandparents are Mr. and Mrs. E. R. Waggoner of Dimmitt.

Miller named to honor roll

Brent Miller, son of Mr and Mrs. Jack R. Miller of Dimmitt, has been named to the dean's honor roll for the 1973 spring semester at Abilene Christian College.

MILLER IS a sophomore and a 1972 graduate of Dimmitt High School.

He was one of 465 students who enrolled in at least 12 semester hours and had at least a 3.45 grade point average on a 4.0 scale.

THE NATIONAL Safety Council reports that on-the-job accidents result in more than 14,000 deaths, 2 million injuries and \$9 billion in lost wages, insurance, medical expenses and property damage every year.

Oldest resident is laid to rest

By Mrs. Florance Albracht
The oldest member of the community was laid to rest on Friday morning when Charles Heck Sr. was buried in Holy Family Cemetery.

THE SENIOR CLASS of 1963 held a class reunion in the community hall on Sunday with a dinner. Enjoying the reunion were 14 of the 16 graduates.

THE WEATHER is really hot and dry and rain is needed to keep the crops growing. Very small amounts were received in some areas during June.

Cool season grasses need a good summer vacation, too

By LARRY O. STARNES
Just as you need a rest from your labors, grasses need a period of rest or dormancy.

COOL SEASON grasses are a lot like people in this respect. With proper moisture and feed they stay green and will make some degree of growth.

However, if given a rest during the hottest period of the year and during this period of rest proper nutrients such as fertilizer are available cool season grasses are strong and

healthy and ready for the grazing period for which they have been selected and bred.

This extra little bit of care can mean several additional dollars in the cattleman's pocket due to increased forage yield. Proper fertilization during this time adds the protein to the grass which is turned to pounds of beef or lamb.

Don't wait until you are ready to graze your grass to apply the fertilizer. The protein is built by the plant as it grows so nutrients from which the plant builds protein must be readily available throughout the growth process.

You are invited... to good times, good food
... in your own backyard with an outdoor gas grill and gas light. You can cook up a party at a moment's notice, because a gas grill is ready to cook in minutes. And it's so easy to cook on because you can control the heat. With a gas grill there's no charcoal mess, and you still get that delicious, outdoor char-broiled flavor that comes from the smoke of meat juices dripping on permanent ceramic briquets. Besides the good times you'll have cooking out, you enjoy the convenience of having a gas grill. You'll probably find yourself cooking on it just because you wanted to get out of the kitchen or didn't want to mess up the broiler of your kitchen range. Ruffles add to summer fashion

Ruffles attract attention this season, adding feminine touches to summer fashions.

"AFTER ALL, ruffles are very feminine — whether wide, and smocked or in several layers of gathered eyelet," points out Mrs. Vivian Simmons.

"This season finds them edging necklines, sleeves, collars and hems," the clothing specialist with the Texas Agricultural Extension Service noted.

"When sewing at home, remember that ruffle style determines the application method used.

"Single ruffles offer the choice of sewing them in the seam or directly on the garment."

"DOUBLE ruffles, on the other hand, must be sewn directly on the garment. Otherwise, the desired "double effect" is lost," Mrs. Simmons explained.

"When making single ruffles, cut fabric two or three times longer than the area decorated.

"Sew strips together to make one continuous piece. Before gathering, make a narrow hem along one edge — it's much easier to handle at this point."

"Along the other edge, machine baste two rows of long (basting) stitches.

"TO ACHIEVE evenly-spaced gathers, first divide both the ruffle and area to which it will be attached into fourths. Then gather ruffles to fit area, one fourth at a time, and pin."

"Stitch ruffle to right side of garment and finish with a facing.

"Wide ruffles — and those of sheer fabrics — are more attractive with extra fullness," Mrs. Simmons added. To give them additional fullness, she recommended cutting them longer than the suggested two or three lengths.

AS THE CHILD gets the opportunity to identify and explain each question, he's more aware of senses often taken for granted, and he's encouraged to talk about them and increase his language skill.

MR. AND MRS. BENNIE LITTLE ... She's the former Mary Kay Braddock

Braddock - Little exchange nuptials

Mr. and Mrs. Bennie Little are at home in Houma, La. following a June 16 wedding in Holy Family Church in Nazareth.

PARENTS OF the bride, the former Mary Kay Braddock, are Mr. and Mrs. Charles Braddock of Nazareth. Parents of the groom are Mr. and Mrs. W. C. Radaw of Houma, La.

Rev. Monsignor F. L. Hyland of Plainview conducted the ceremony.

Given in marriage by her father, the bride wore a formal gown of silk organza and Venice lace designed with a portrait neckline edged in Venice lace.

Her long, sheer full sleeves were traced in Venice lace and caught at the wrists with lace cuffs. Flares fell over the hands.

HER SOFTLY gathered skirt was edged in Venice lace and trilled in lace and flowerettes.

The veil fell to floor length from a miniature coil and was entirely edged in matching Venice lace.

The bride carried a bouquet of white Shasta daisies arranged around a large white orchid with white satin streamers.

Attending as maid of honor was Miss Lisa Radaw, sister of the groom.

Best man was Bruce Braddock, brother of the bride.

FOLLOWING A reception in the Nazareth Community Hall, the couple left for a trip to points of interest in New Mexico and southern Texas.

On the Go

Mr. and Mrs. Garland Coleman and Mr. and Mrs. Frank Wise and children went to Weatherford, Okla., to visit son and brother Mr. and Mrs. Garland Coleman Jr. He is a pharmacy student at Southwestern State in Weatherford.

Whittens observe 25th anniversary

VETERANS' SERVICES

By BEDFORD W. SMITH
County Service Officer

The number of G.I. home loans guaranteed by the Veterans Administration in the current fiscal year will likely register the heaviest volume of activity in 16 years, Jack Coker, Veterans Administration Regional Office Director, reported in June.

COKER NOTED that 303,000 loans with a face value of \$7 billion were guaranteed in the first 10 months of this fiscal year, up four percent over the 291,500 approved in a comparable period of fiscal year 1972. A total of 359,000 loans guaranteed in all of fiscal year 1972, in turn, marked the most active year since 1957.

In the Waco Regional Office area, 13,872 valued at \$289,344,828 were made for the same period.

Veteran loans for mobile homes increased 40 percent in the first 10 months of this fiscal year, jumping to 4,900 from 3,500 in a comparable period last year.

COKER SAID the upward trend in VA loan volume began in 1971, and he attributed much of the gain to the general availability of mortgage money for home building and buying, and a law signed by the President on Oct. 23, 1970, which restored eligibility for loans to veterans of World War II and the Korean Conflict, eliminated the one-half percent loan funding fee previously required of post-Korean veterans, and made other changes providing greater flexibility on the loan program.

Nearly 70 percent of the VA home loans are now being made for veterans 35 years of age or less. The median age of veteran-borrowers is now 31.

HIGHER BENEFITS are in the offing for 191,400 veterans who incurred service-connected disabilities during peacetime military service.

JACK COKER said August checks will reflect the increases brought about by legislation rates for peacetime and war-

ian Church of Dimmitt over eight years before retiring in 1970. Since that time he has done supply preaching and interim ministering, as well as serving as Castro County Veterans Service officer.

He serves the Dimmitt congregation as elder and trustee and aids as a music director for the church along with his wife Elsie.

Over half of Smith's ministry has been with West Texas churches. He served as chaplain with frontline hospitals in the South Pacific during World War II and made landings at Hollandia, New Guinea, Palo Leyte and Luzon. He was the chaplain on a secret artillery mission to deny the Japanese the use of the port of Aparri on the northern coast of Luzon. Smith received five bronze stars, two of them from the Philippine government, plus a citation for meritorious service from the Army Chaplain's Association.

AFTER THE war he completed a graduate three year B. D. degree from Phillips University.

Smith organized the First Christian Church of Dimmitt in February of 1960.

time disabilities.

Before the law was enacted, peacetime veterans were paid 80 percent of rates allowed wartime veterans.

As of May, 2.2 million veterans, including the 191,400 peacetime veterans were on VA compensation rolls, Coker said.

Compensation is paid on a sliding scale ranging from \$28 monthly for disabilities rated 10 percent, to \$495 for total disability. Some veterans with certain severe disabilities receive additional payments which run as high as \$1,232 monthly, plus allowances for dependents. All veterans rated 50 percent or more disabled receive additional compensation for dependents.

THREE VARIETIES of game squirrel are found in the U.S., the gray squirrel, the fox squirrel, and the Abert.

SHORTLY BEFORE molting season, ducks and geese seek bodies of water where they will be safe from predators. They molt their primary feathers all at once and for a short period they cannot fly.

HAWKS ARE said to have the best vision in the world. They can see eight times better than humans.

VFW NEWS

By GERALD BROADSTREET

Greetings Comrades,

We had our regular monthly meeting the 2nd of July and we had a nice crowd there. All the new officers were in their respective stations and I thought everything went rather smoothly.

AT THE meeting, routine business dominated the evening, with discussions about the August celebration of Roundup Week and how we will participate. It was decided at the last meeting of the Castro County Activities Committee that we, the VFW, would provide the Color Guard for the parade. Marine Corps Gy-Sgt. John H. Diehm of the Recruiting Station in Amarillo said that he and his men would be glad to represent us again this year.

During the meeting I gave a report on what I had learned at the State Convention in Houston and how it will affect our post operation. Most of what I learned was favorable, and should be very helpful in eliminating a lot of work in book-keeping pertaining to our re-supply system for the beverages we serve.

BEFORE I forget I do want to mention that Plainview Post 5399 will host a District 13 Dance this Saturday, July 14 at their post home, south of town just off Highway 87. Proceeds of this dance will go to Dist. 13 funds to be used for helping our comrades at the Veterans Hospital in Amarillo, and as community activity projects in our district.

Plainview's commander, Elvin Shugart, informs me that the band he has hired for this event is a real good western-type band, but they can play almost anything you want to dance to. Commander Shugart cordially invites everyone to attend this worthy event and bring a friend with you as you need not be a VFW member to attend. Remember that's this Saturday at the Plainview VFW and dancing is from 8:30 to 12:30 p.m.

Comrades, last Wednesday morning, July 4, we had real nice flag raising ceremonies at the post home in commemoration of Independence Day. I was real proud of the large turnout that we had that morning and I want to thank the staff of radio station KDHN for their aid in publicizing this activity and making it the success it was.

After the flag raising we drank coffee and enjoyed the complimentary doughnuts from Bob West and Cook Bock Bread.

WE ARE saddened to hear that Archie Bussey's brother, Ira Bussey, passed away last Thursday at the Veterans Hospital in Amarillo. Ira was 62 years old at the time of his death and he had served overseas during WW II.

Case numbers down in 1972

The number of cases filed in district court in Castro County during 1972 was 10 percent less than the number filed during 1971, according to statistics released by the Texas Civil Judicial Council.

CASES FILED during the last calendar year totaled 162, including 23 criminal and 139 civil.

Judge John Thomas Boyd of the 64th District Court has jurisdiction in Castro County. He also serves Hale and Swisher Counties.

The local district court disposed of 144 cases during 1972, 33 percent of the cases filed during the year or carried over from 1971. At the end of the year, 291 cases were pending on the docket.

Imitation nuts less expensive

A new imitation nut product on the market is a blend of wheat germ, milk protein and vegetable oil similar in texture and flavor to pecans and black walnuts.

IT'S SELLING at about half the price of natural nutmeats, according to Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agricultural Extension Service.

"Test markets indicate consumer acceptance of this new product not only because of lower price, but also because supply will be available upon demand, unrestricted by growing conditions," she added.

Mr. and Mrs. C. W. Boothe

— This Is Your Life!

Mr. and Mrs. C. W. Boothe came here there was only one church and now there are 16 or 17.

Mr. and Mrs. Boothe recently celebrated their sixty eighth wedding anniversary at the South Hills Manor where they are now residents. They were honored with a surprise anniversary party which was attended by their family and many of their friends.

"It was a total surprise to us," they said. "We knew something was going on but we sure didn't expect anything like that."

The Bootches have watched Dimmitt grow for a long time, and during this time they have not lost their interest in the community and the people that make it tick.

They live in Room 1, Hall A of South Hills Manor. Go by and see them sometime. They will be glad to see you.

96 register at July 4 picnic

By TEENY BOWDEN

Ninety-six were registered for the July 4th homecoming and picnic supper Wednesday. 51 pictures were displayed by eight different artists. The crafts, hobbies and antiques were not as large as last year because some failed to bring things displayed last year. There was plenty to eat and homemade ice cream to take home.

Those who attended from out of the community included Mr. and Mrs. Howard Bridges of Weatherford, Mr. and Mrs. Nokomis Gamblin of Sunray, Mrs. Flake Thurman of New Orleans, Mr. and Mrs. M. H. Fowlkes of Lubbock, Mr. and Mrs. Carl Webb of Plainview, Mrs. Pearl Sadler, Mrs. Ray Riley, Mr. and Mrs. Sam Gilbreath, Mr. and Mrs. Roy Lilley and Mrs.

Harley Wilke and Jason Dean, all of Dimmitt, Mr. and Mrs. Ray Axtell, Mr. and Mrs. Macky McCarty, Michelle, and Mike, all of Earth, Mr. and Mrs. Garner Ball, Randy and Debra of Hart, and Mr. and Mrs. Irvin Ott of Big Square. We were glad to have two new couples attending from the community, Mr. and Mrs. Ricky Byers and Brannon and Mr. and Mrs. Glen Earl Redwine. Mr. Redwine attended Sunnyside School.

MR. AND MRS. Ricky Byers and Brannon moved into the community last Friday.

David Sadler of Lubbock was honored with a birthday supper in the home of his parents, Mr. and Mrs. Ezell Sadler Tuesday night. Those present were his family, his parents, Mr. and Mrs. Jake King, Brenda and Carl of Hereford, Mrs. Pearl Sadler and Mr. and Mrs. James Powell and children of Dimmitt and Mr. and Mrs. Larry Sadler and girls. They also observed an early display of fireworks after supper.

Phillip Jones was admitted to St. Mary's Hospital in Lubbock Saturday morning for tests, and was scheduled for surgery Monday.

W. T. Austry tripped over an iron wheel last Thursday while chasing a calf, and fell, breaking a bone in his knee and one in his ankle. He is home waiting to see if surgery will be indicated.

MR. AND MRS. W. T. Austry were recently in Frederick, Okla. to visit with relatives there. Her sister's home was about 400 yards from a tornado and the roof was ruined by the hail which followed the tornado. They had trouble getting enough gas coming home. Stopped six

times on the way back.

Mrs. E. R. Sadler and Mrs. L. B. Bowden worked at Plains Memorial Hospital in Dimmitt Monday afternoon with auxiliary duties.

Rev. and Mrs. Mack Turner and Lisa Orr visited in Borger Tuesday and Wednesday with Mr. and Mrs. O. D. Fennis and family. Mrs. Ennis and Mrs. Turner are sisters.

Mrs. Weldon Bradley visited in Northwest Texas Hospital in Amarillo Wednesday with her aunt, Mrs. Effie Dodd who is very ill.

MR. AND MRS. Ira Williams of Fort Worth and his sister Mr. and Mrs. Burl Whitaker of Elkhart, Ind. visited this week with Mr. and Mrs. W. T. Austry. Mrs. Nova Kimball of Elko, Nev. arrived last Sunday night and visited until Friday with them. They took her home Friday. Also present for the 4th for dinner were Mr. and Mrs. John Hogue and Mr. and Mrs. George Bowen of Dimmitt. Randy Powell of Dimmitt spent the week with his grandparents, Mr. and Mrs. Ezell Sadler.

A trace of moisture was recorded Wednesday night with the rest of the week very hot and dry.

Mrs. Charlie Jones hosted a get acquainted coffee honoring Mrs. Gary Squires in her home Friday morning. Mr. and Mrs. Squires moved into the community recently to the house where the Jack Loftises used to live. He will be farming with his father who has bought the place.

Mrs. Larry Don Bills hosted a home interior decoration party in her home Friday afternoon.

THE YOUTH Shaving Group had their June social in the home of Mr. and Mrs. Hershel Wilson Thursday night. Twelve were present including sponsors. The theme was "sneak-in". Mrs. Charlie Jones had the devotional period on molding our lives by centering on the family this summer. Mrs. Lynn Cox had charge of the games. They also enjoyed grilled hamburgers and homemade ice cream.

Mrs. T. E. Parson Sr. of Blanket came with her daughter Monday afternoon to visit with her son, Mr. and Mrs. Thomas Parson and their grandchildren while her daughter is on vacation.

Lee Brown of the Springlake Earth All-Stars lost to Olton Butane Tuesday night 11-10 in the last game of the season. They came out second in the competition. Joe Fulfer has also played on the team.

Lynn Brown and Kevin Riley and the Red Sox won over the Mets Tuesday night in the last game of the season. The Red Sox came out in first place in the competition. The Mets third or fourth, but Mark Bridge of the Mets made the All-Star team. Pat Fulfer also played for the Mets.

MR. AND MRS. Nokomis Gamblin of Sunray and M. H. Fowlkes of Lubbock visited on the 4th with Mr. and Mrs. Phillip Jones.

Mr. and Mrs. M. H. Fowlkes of Lubbock spent Wednesday night with Mr. and Mrs. E. R. Sadler.

The wheat harvest came to a close this week with yields

ranging from 35 to 66 bushels per acre.

Mr. and Mrs. Earl Phelan and Mr. and Mrs. Ray Muller of Fieldton visited Sunday afternoon with Mr. and Mrs. Roy Phelan.

REV. GLEN Smith of Springlake and Rev. Mack Turner exchanged pulpits Sunday night. Rev. Smith's mother accompanied him. Other visitors in the services Sunday night included Mr. and Mrs. Phil Phipps and family of Friona. They brought the special music before the message.

Mr. and Mrs. Hershel Wilson and family visited in Ropesville Sunday with Mr. and Mrs. Gray Epperson.

Mr. and Mrs. Flake Thurman of New Orleans visited Monday and Wednesday with her niece, Mr. and Mrs. Ray Joe Riley and boys.

Mrs. Jimmy Curtis, Scott and Clay of Hobbs visited Tuesday through Friday with Mr. and Mrs. John Gilbreath and boys.

Jimmy and Gilbert Esqueda who have played on the Dimmitt Cardinal team this little league season had their last games Monday night. They won over the Yankees 26-2 and over the Braves 9-8 to take first place in the league play for the season.

3 students will attend seminar

Three high school students from Castro County will attend the 11th annual High School Students Citizenship Seminar to be conducted by the Texas Farm Bureau July 16-20 on the campus of Baylor University in Waco, according to Larry Hausmann, president of the County Farm Bureau.

STUDENTS SELECTED to attend from this county include Charles Lee Heck of Nazareth High School, Brent Steven Lemons of Hart High School, and Sylvia J. Garza of Dimmitt High School.

They will be among 500 students from all over the state who will be entering the 11th and 12th grades in September and have been carefully screened as to leadership ability and scholastic achievement.

Attendance is not limited to students from Farm Bureau families, but is open to those who reside in towns or cities as well as rural areas. Their attendance is sponsored by the local Farm Bureau.

Purpose of the seminar, according to Mr. Hausmann, is to convey to the students a better understanding of our American heritage and the capitalistic private enterprise system "that has made ours the greatest of all nations."

He also said students will be informed about some of the forces, both internal and external, that are eroding our way of life. The ultimate goal, he added, in addition to helping them to be better informed, is to cause them to want to pass on their experiences to others.

EVERY ANGLER should recognize that as temperatures decline, so does the metabolism of most game fish. Result is the slowing of the reflexes and a diminishing of the appetite.

Announcing

ANTHONY MAYS

has joined Reeve-Fleming Chevrolet as a **TECHNICIAN**

We are pleased to announce that Anthony Mays has joined our service department as a technician and automatic transmission specialist. Although he's a young man, Anthony has valuable experience as an automotive and engine technician, has received special training in the Chevrolet Turbo-Hydramatic transmission, and is a licensed state auto safety inspector.

A 1965 graduate of Dimmitt High School, he served four years in the US Navy (1966-70) as a jet engine mechanic. He returned to Dimmitt in 1970 and joined Webb-Mears Chevrolet. He attended Chevrolet Automatic Transmission School, to learn the GM Turbo-Hydramatic transmission—the one that's in most General Motors cars today.

In his spare time, Anthony plays pitcher and shortstop for the Dimmitt A's in the independent baseball league. He and his wife, Mary Ellen, and their 2-year-old daughter, Sabrina Dawn, live at 407 SW Sixth St.

We're glad to have Anthony as a member of our Reeve-Fleming Chevrolet family. He's ready to help you with your automotive problems!
