

BRANDED—Officers of the American Fructose Corp. show the individual desk-stand brands they received at a reception in their honor Thursday evening, while they were here for stockholders' meetings of AFC and its parent firm, the American Maize-Products Co. The reception, hosted by the Economic Development Corp., featured such Texas-style hors d'oeuvres as calf fries, "Texas caviar" (dip made of creamed black-eyed peas), pickled okra and baby corn, Hopson sausage in barbecue sauce, and a

layered nacho dip. From left are Gene Bahls, AFC vice-president; Patric J. McLaughlin, vice-president; Les Liabo, president and chief operating officer; Ed Norris, AMPC comptroller; Blake Newton, legal counsel; William Ziegler III, chairman and chief executive officer (who also received a traditional Texas hat); Donald McNicol, vice-president, secretary and general counsel; Fred Allen, executive committee chairman; and Randy Holme, Dimmitt plant manager.

AFC to consider local expansion

A proposed expansion of the Dimmitt American Fructose Corp. plant is to be discussed at the May meeting of the AFC board of directors after AFC and its parent company, American Maize-Products, held their annual stockholders meeting Thursday and Friday in Dimmitt.

"Everything went off without a hitch," said AFC-Dimmitt general manager Randy Holme. "The only problem we had was with the 'remoteness' of Dimmitt — a couple of the stockholders didn't like that, but most of the directors expressed a great delight with the town and the overwhelming reception of the community."

The directors were feted at a reception last Thursday evening at the Castro County Country Club, where they received desk stands with their individual "brands," and Board Chairman William Ziegler, III, was fitted with a new Stetson.

"The directors re-expressed

their long-term commitment to Dimmitt," Holme said. "One way they will expand on that commitment is to present an expansion proposal at their May board of directors meeting. The expansion will not increase the grind of the plant but will increase the plant's capability of producing 55% high fructose corn syrup."

The need for increased production of 55 HFCS comes on the heels of the announcement by two major soft drink manufacturers, Coca-Cola and Pepsi, to allow 100% usage of HFCS in their beverages. Previously, Coca-Cola had approved 75%, Pepsi 50%.

"This will increase the total HFCS consumption by 100 million pounds," Holme said. "The proposed expansion will double our capability of producing 55 HFCS and take some away from our 42 HFCS production."

"The market is more receptive to 55 HFCS than 42 HFCS," Holme said. "Patric McLaughlin (AFC Vice President) told the board last week the market is more mature, and we'll have to begin looking for more niches within that market. 55 HFCS has arrived, and we'll be looking at other possible marketing areas."

City to review budget and applicants

The Dimmitt City Board of Aldermen will have the 1985-86 fiscal year budget on its agenda Monday night — a \$1.7 million budget, the largest in the city's history.

The budget is boosted, however, by a proposed \$200,000 grant from the Federal Aviation Administration for lengthening the runway at the Dimmitt Municipal Airport. Without the grant, though, the budget is still \$300,000 higher than last year's \$1.47 million budget.

After reaching a high-water mark of \$1.43 million in 1980, the budget was pared by new City Manager Paul Catoe by over \$120,000 in 1981, but has risen 6.8% in the last five years.

The largest increase in the proposed 1985-86 FY budget is in the Street and Alley Dept. The \$86,563 increase to \$243,562 includes a proposed \$50,000 drainage project that could very well cost twice that

amount and is still on the drawing board.

The initial \$50,000 is expected to come out of revenue sharing funds, but aldermen

balked, at their April 22 meeting, at a proposal drawn up by City Engineer Bill McMorries that Alderman David Hays said "would solve only a part of the problem. We need to look at all of the drainage problem in the northwest part of town and drainage problems elsewhere. What we're looking at right now would only move the water a block west (from NW Eleventh to NW Twelfth) and doesn't do anything about the water on the north side of Halsell. We need to look at the whole problem, and not just throw this money out here and not correct anything with it."

The second-largest increase, \$35,611, is proposed for the Administrative Dept. That includes a 25% increase in the cost of the city's group health-life insurance, up to \$48,000 from \$35,500 last year. There is also a \$6,000 increase in

capital outlay expenditures from a year ago.

Included in all departments are five percent raises in pay for city employees, but aldermen have not yet approved the pay hikes.

Another topic will be the ongoing search for a new police chief to replace Don Franklin, whose resignation was effective yesterday.

"I know we've had several applicants for the job," Mayor Wayne Collins said Tuesday. "We always have at least two or three top-notch applicants."

The new budget calls for the new chief to draw a \$20,590 salary plus \$1,200 uniform allowance. The chief is the second-highest paid employee of the city, trailing Catoe, who will make \$23,373 next year if the new budget is approved.

DISD accepts science bids

Construction will start within two or three weeks on the new chemistry and computer classrooms to be constructed at Dimmitt High

School, since the bids on the work were accepted Friday at a special meeting of the school board.

Winning bid for the construction itself was submitted by North Line Construction of Amarillo at \$138,657. Completion is scheduled for 110 days after construction starts.

Supplier of the special chemistry lab furnishings will be American Desk Manufacturing Co. of Temple at a price of \$33,353.

Superintendent Robert Ryan said that the board is hoping the construction will be finished by about Aug. 15, with classes scheduled to begin Sept. 3.

Schools set registration

The schools in the county have announced dates for pre-registration for next school year's classes, and have set screenings for pre-schoolers.

Next Wednesday (May 8) from 9 to 11 a.m. and 1 to 3:30 p.m. will be pre-registration at Richardson Elementary in Dimmitt for children who will be eligible to attend summer school, pre-kindergarten,

Wilson named to Hart post

J. B. Wilson, Jr., 40, principal at Ballinger High School, has been named the new superintendent at Hart.

Wilson will replace the retiring Ted Averitt beginning next fall.

Wilson was born at Brownfield and graduated from Plains High School in 1963. He attended South Plains College in Levelland, and received his BS degree from Tarleton State University in 1967 and a Master of Education degree from Tarleton in 1974.

He received his Superintendent's Certification from Sul

Ross State University in 1984.

He was a teacher and coach at Whitney Junior High, Coleman Junior High, Big Spring High School and Ballinger High School from 1967 through 1978, then served as principal at Ballinger Junior High for two years before moving to the high school principal's job at Ballinger, where he has served since 1980.

His wife, Dianne, is an elementary teacher. The Wilsons have two children, Joel, a sophomore this year, and Brian, who is currently a third grader.

Retirement tea is set

Three teachers will be honored at a retirement tea hosted by the Dimmitt Classroom Teachers' Association Sunday from 2 to 4 p.m. in Lamar Fellowship Hall of the First United Methodist Church of Dimmitt.

The public is invited to attend and honor Virginia Crider, Frances Upfold and Faye Walker. Crider teaches fourth grade, Upfold teaches bilingual first grade, and Walker teaches fifth grade reading.

Scott dies after accident Friday

An 82-year-old Dimmitt man died Friday night of a heart attack aggravated by an accident he had earlier Friday.

Joe Scott died at 9:40 p.m. Friday at Plains Memorial Hospital in Dimmitt after being involved in a two-car accident a mile north of Dimmitt on US 385.

Scott was northbound on US 385 in his 1984 Chevrolet pickup when he pulled off the roadway and attempted to make a U-turn. His pickup collided with a 1977 Chevrolet Impala driven by Janice Carroll,

52, of Dimmitt. The pickup first hit the car on the left front fender, then the vehicles collided again in the rear section.

Both Scott and Carroll were taken to Plains Memorial Hospital in Dimmitt by ambulance. Mrs. Carroll was treated for numerous bruises and abrasions. Scott sustained a broken clavicle and a cracked pelvis. A family member told authorities Scott had been suffering from chest pains earlier in the day, but that is not believed to have contributed to the accident.

FIRST FRIDAY

First Friday coming

It's coming again tomorrow!

First Friday makes its third appearance tomorrow, with merchants throughout Dimmitt offering specials for the promotion.

Participating merchants can be identified by the "Remember First Friday Savings" sign in the windows of the businesses, and many merchants have their specials listed in this issue of the News.

AS JERRY HELLER DRAGS IN ANOTHER SAPLING, Mayor Wayne Collins and Linda Dutton of KDHN prepare another load for the dumpground as over 25 CUFUPU workers toiled for four hours around the north entrance to the city Saturday during the annual CUFUPU work day. "I'd like to thank everyone who came out and helped with our projects," said

Dorothy Hopson, Mayor's Council for City Beautification chairman. "We could have used more help, but the volunteers we had did an excellent job." While most of the workers were at the area behind Taylor & Sons, a few others worked past the set-aside four hour time on the Kids, Inc. Baseball Complex in west Dimmitt.

In a scene near the end of Irwin Shaw's "The Young Lions" — one of the finest novels to come out of World War II — the German Wehrmacht sergeant, Christian, has seen the rest of his unit destroyed by the advancing Americans and is on his own, looking for another unit, when he comes upon a Nazi death camp.

The camp commandant, an officer in the Totenkopf Schutzstaffel (Death's Head SS), complains to Christian about how tough his business is. His monthly quota of exterminations already was enormous, and now the Fuehrer has ordered him and his SS troops to exterminate the remaining thousands in the camp within the next few days.

Christian is stunned and sickened. This camp, this pathetic SS officer — they are not his Germany. Although Christian had hoped Hitler could bring his country "a bet-

The impressive installation service for Rev. Joe Higgs was conducted in the Calvary Baptist Church in Canyon on Sunday afternoon. Those on program were Mike Whelan, WTSU - BSU Director; Phill Corkins, deacon chairman; Ron Whitt, director of High Plains Baptist Encampment; Jim Hancock, Pastor of FBC Canyon; Calvin Burtis, Associate Pastor; Joe Duerkesen, Minister of Music; Mike Goodman, WTSU - BSU; and Rev. Grady Higgs, father of Joe Higgs, who brought "A Message for the Ministry."

Several from Dimmitt attended the service including: Rev. Ed and Betty Freeman, Van Earl and Waurayne Hughes, Martha Jo, Leigh and Jo Hyman, Kim Blackwell, Dan and Oma Dee Heard, Dorothy and V. C. Hopson, Walter Maynard, Debra Ball, Mandy Higgs, Mary Edna Hendrix, and Clyde, Betty and O. C. Renfro from Amarillo.

A picnic and fellowship followed the service. (The picnic was held in the fellowship hall due to the rain.) A delicious meal was served. Clay Robinson and Gregg Barbee entertained with their guitars and beautiful voices.

After the service some of the Dimmitt visitors went by the Higgs' new home to visit Joe, Joyce, Brian, and Rev. Grady Higgs.

Joe Higgs' congregation presented him with a money tree and several huge pot plants.

Cara Higgs, who is attending Texas Tech, spent the weekend with the Garner Balls. Mandy is staying with the Balls until the end of school.

Geneva Dobbs was among the Dimmitt people who attended the graduation at Wayland on Saturday morning. Geneva's son-in-law, Stacy Conner, Debbie Dobbs' husband, was one of the graduates. Others from Dimmitt who graduated were: Rev. Ronnie Travis, Bruce Ammons, Cindy Ashmore and Willie Hintze, who has been in Dimmitt on several occasions. A breakfast was served for the graduates and their families.

Janet Stanford and Walter Maynard went to Canyon one day last week to visit Joyce Higgs and Sue Caddell in their new homes. They all drove on to Amarillo where they enjoyed lunch at the Back Porch Tea Room.

Louise Mears and I got up early on Saturday morning and braved the cold wind to go to the CUFUPU breakfast of scrambled eggs, Hopsons sausage, biscuits, jelly, orange juice and coffee.

Delores Heller, Gerald Hanners, and Dorothy Hopson gave words of encouragement to the 60 willing workers. Susan Hanners directed a clever skit concerning littering.

The walls of the fellowship hall of the First United Methodist Church and the tables were decorated with posters made by several school students. Louise and I planted geraniums in the barrels downtown and then we ran the "Welcome Wagon" and delivered soft drinks to the other workers who were doing a fantastic job of cleaning up the town of trash and unwanted weeds and tree limbs. A big "Thank You" for everyone who worked!

Homer and Tommie Sue Nisbett, Louise Mears and I got together at Louise's house for a few games of "Skip-Bo" on Friday night.

Our sympathy goes to the family of Joe Scott.

The deacons and their wives of the FBC honored the widows of the church with a Spring Banquet on Tuesday evening. Dr. Cecil Golden gave the invocation, Bay Baldrige, chairman of the deacons, gave the welcome and Jack Howell introduced the entertainment for the evening.

The Singing Farmers from Hart furnished the entertainment by singing several familiar gospel songs. This group consists of Weldon Davis and his son, Leslie, Preston Upshaw and his nephew, Freddie, Mrs. Weldon

Davis who accompanies the group on the piano, and Mrs. Preston Upshaw who operates the sound system.

The tables were decorated with a different silk flower arrangement and miniature baskets filled with peanuts and mints. Al's Restaurant catered the meal of fish, chicken, Italian green beans, layered lettuce salad, baked potatoes and those good cheese rolls and strawberry shortcake. Hubert Edwards gave the benediction.

Gladys Leeth told me she celebrated her birthday last week with friends coming in all day to visit. Then she attend the widows' banquet in the evening.

Goldie Thompson from Sunnyside came by the museum to see the Bluebonnets I wrote about in my column last week. Betty Dennis came by one day and as she was looking around she picked up a bar of homemade lye soap and smelled it — she found out it doesn't smell like the perfumed bars of soap we buy in the stores today!

Mac Allen came in just to visit. Jennifer Miller and her boys Terry and Bobby and little Diane came in on Tuesday. The boys enjoyed watching the goldfish in the water tank and I turned the windmill on for them to watch.

Lucille Follis and Billye Wesson came by on Wednesday. Mrs. Follis told me she had lived in the house before it was bought for the museum. I asked Geneva Justice to come by the museum just to register and she was so interested in looking around that she almost forgot to register.

Beral Hance told me her granddaughter Tracey Compton took her paper to work with her in Dallas and her co-workers read "On The Go" in the Castro County News. They couldn't believe Tracey could jog in Dimmitt and wave at people as she went by. That is the advantage of living in a small town.

Cleo Forson was hostess to the Thursday Bridge Club that met at the Senior Citizens Center. Susie Reeves won high score and Cleo won second high. Others playing were: Emily Clingingsmith, Ferne Dickey, Alice Collyer, Louise Mears, Rosalie Hawkins and Helen Richardson.

Mr. and Mrs. Elmer Youts and Mrs. Clara Gladden went to Fort Sumner on Saturday to help their friends, Mr. and Mrs. Monte Hamilton, celebrate their golden wedding anniversary. Elmer and Clara were childhood friends of Mrs. Hamilton and her family in Oklahoma.

Dr. Charles Vandiver and dental nurse Sara Salinas joined a group from the First Baptist Church of Tulia to participate in a medical and dental missionary effort.

Going from Tulia with Pastor Charles Davenport was Dr. Foreman, nurse Neatha Steward and bus driver, Bob Gleason. There were five other volunteers including Marie Risby, a microbiologist from High Plains Hospital in Amarillo.

In the past nine years, the First Baptist Church of Tulia has sponsored 22 such efforts. They maintain a medical-dental clinic at Redford, which is about 17 miles southeast of Presidio.

Many patients come from across the Rio Grande by burro, ferry boat and some wade when the river is low enough. No charge is made for treatment rendered.

While they are awaiting treatment, the claims of Christ are presented by the spoken word and tracts in Spanish. In the two day effort some 100 patients were treated.

J'Lyn Ryan recently attend-

ed a wedding shower honoring Cindy Guthrie, fiancée of their son, Robin. They received many nice gifts. On the plane on the way home she saw Dorothy and John Street and Goldman and Carole Dyer's daughter, Cindy, who was returning to Lockney with a group of FHA girls.

Mrs. Opal Ryan of Hauley, recently visited Robert, J'Lyn and Stephanie Ryan. They attended the girls district track meet to see Stephanie and the others participate.

On Sunday, April 21, the Methodists held "Talent Day" at their church. Handwork, pottery, paintings, and calligraphy were displayed in the garden hall before services. Various members participated in the worship services.

A lighter celebration of talents was held in Fellowship Hall for the evening service and pie supper with skits and solos. A stand-up comic, Ruby Bagwell, entertained the congregation.

The youth presented "Little Nell" and "After You're Gone," and the adult choir brought a skit with a moral, "Don't Fly Off the Handle When You're Full of Prunes."

Jamie Baker, Susan Coleman and Charles Axtell sang solos and Tory Baker and Daphne Wall warned against the use of drugs in the puppet show. Terri and Lance Loudder were Masters of Ceremony.

Visiting the Bill Clarks over the weekend were Deanne's parents, the Allen Haggards.

Recently James White spent a few days with "Nana and Papa" Dan and Oma Dee Heard. On Sunday they and Chas Humphreys took James and picked up Pam and Jennifer and they all went to the Shrine Circus in Amarillo. It was very good.

Monday night of last week, Dan and Oma Dee flew to Dallas and met her brother and sister-in-law, Leroy and Wilma Lee, at Bill and Linda Taylors' and spent the night. On Tuesday Linda took them to Bonham, where they attended funeral services for their Aunt Ester Taylor, who was their father's sister. She was 91, and is survived by nine children. They visited the only other McCormick survivor, their Uncle Henry McCormick, in the Fairview Nursing Home. He is 96 and very alert and sharp. He remembers a visit out here many years ago and things that happened.

They also visited an aunt and cousin, Hester and Irwin Howell. They flew home Tuesday night.

They visited at the airport in Lubbock with Melissa Moore. She was waiting on her husband to fly in. They live in New Jersey. She was with the Charles Nutts' little nephew. They were visiting friends and relatives.

Saturday, when Oma Dee went to Canyon to pick up flowers, she also went over to Joyce and Joe Higgs' to visit Joe's father, Rev. Grady Higgs from Fort Worth.

Sunday, back in Canyon again, the Heards had supper with Pam, Walter, James and Jennifer.

Bea Hawkins, along with Ed and Betty Freeman, attended the Palo Duro Exploring-Reflecting Conference at

One of the great joys that children have is in telling a secret. This is one way that secrets have of becoming known.

However IT IS NO SECRET what God can do for you. This was never intended to be a secret, for God wants all to know the good news.
Isaiah said: "The Lord hath anointed me to preach good tidings... to proclaim the acceptable year of the Lord."
Attend church regularly and hear God's word preached.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

15—LEGAL NOTICES

LEGAL NOTICE
NOTICE TO POSSIBLE CLAIMANTS FOR GRAIN STORED AT LAWRENCE SYSTEMS, INC. TULIA, (INCL. VIGO PARK, KRESS, NAZARETH, AND EUNICE SWITCH) TEXAS

The United States Department of Agriculture (USDA), took possession of the grain inventory of Lawrence Systems, Inc. on October 18, 1984. The inventory has been liquidated for the benefit of the owners of the grain. All persons are hereby notified that they must file a claim with the USDA by May 31, 1985, if they believe they are entitled to participate in the distribution of monies received from the sale of the grain including those persons who may have a lien on such grain. Said claim must be on a notarized Proof of Claim form specified by the USDA and supported by copies of documents specifying the claim or establishing that the claimant delivered grain for storage at the Lawrence Systems, Inc. Copies of the Proof of Claim form may be obtained during normal business hours from Kansas City Commodity Office. (KCCO) or Swisher County ASCS Office, Box J, Tulia, Texas 79088. Claims must be received by Warehouse License & Contract Division, KCCO, Post Office Box 205, Kansas City, Missouri 64141 by the close of business May 31, 1985. Claims received after that time will not be considered. Grain depositors who are believed to have possible claims based on a review of Lawrence Systems, Inc. records have been notified by letter. Persons receiving such letters need not file additional claims based on this notice.

The net proceeds from the sale of the grain, plus interest accrued thereon, will be distributed to persons owning grain stored at Lawrence Systems, Inc. as determined by the USDA. Grain funds will be kept by commodity. Each fund will be distributed to claimants having valid claims against the fund being distributed. Persons who may have reached any agreement of sale for grain stored at Lawrence Systems, Inc. are not eligible to participate in this distribution. 15-31-2tc

'THANKS, CHIEF'—With fellow peace officers in the background, outgoing Dimmitt Police Chief Don Franklin and his wife, Donna, accept an appreciation plaque from Mayor Wayne Collins during a farewell reception Tuesday in City Hall. The plaque reads, "Donald G. Franklin, for outstanding service

Hughes ends 44 years of service

Easter Sunday brought 44 years of missionary service to a close for Rev. Van Earl Hughes as he retired as pastor of the First Mexican Baptist Church in Dimmitt.

"I've lived through revolutions, storms, personal threats, lived in very adverse conditions and served Spanish-speaking people exclusively," Rev. Hughes, who still operates a landscaping service here, said. "But it's been a wonderful life in obedience to a Divine Calling. I like to paraphrase the words of the Apostle Paul for Israel: 'My heart's desire and prayer to God for the Spanish-speaking people is that they might be saved.'"

Rev. Hughes graduated from Baylor University with a degree in both Spanish and Bible, then continued his studies at Southwestern Baptist Theological Seminary in Fort Worth, where he received his Master of Theology degree.

He served with the Baptist Home and Foreign Mission Boards in Milam Co., Texas, where he served a church and

five missions; in Cuba, as interim pastor of the largest Spanish-speaking Baptist Church in the world, and as President of the Cuban Baptist Seminary, while Dr. M. N. McCall was on medical leave; in Costa Rica, as the founder of Baptist Mission work and the Baptist Theological Seminary; and Cali, Colombia, where he served on the board of Directors for the International Baptist Theological Seminary.

"In Costa Rica we trained 38 Christian Workers," Rev. Hughes said, "and we left 10 self-supporting Baptist churches that have all continued to grow and expand mission work."

Rev. Hughes has traveled to every country in Central and South America and the Caribbean Islands, preaching, teaching and training national pastors to develop and direct self-supporting churches and extend Christian work in their own country.

In the 1960's Rev. Hughes moved to the Dimmitt area, where he established a land-

scaping business while still serving in area churches.

In June, 1976, he assisted in the development of the First Mexican Baptist Church, which was formed after the First Baptist Church dropped its support of the Joe Bailes Mission and sold the building to the New Hope Memorial Baptist church. He has served as pastor of the church until his recent retirement.

"A Christian worker retires for the responsibility of leader-

ship but does not cease to continue his Christian service," Rev. Hughes said. "I will be preaching in English and Spanish churches when a pastor is absent, and continue teaching Adult Education Courses for Amarillo College. I'll still be translating Spanish, Portuguese and Italian, and I'm still writing for two publishing houses. And, I'll still be counseling young people and performing wedding ceremonies."

Nazareth By Virgie Gerber, 945-2669

Sunday the Benedictine Sisters of Nazareth celebrated the Golden Jubilee of Profession of Sister Immaculata Homer and the 60th Anniversary of Sister DeChantal Hyland, a native of Nazareth, now residing in Lubbock. The Jubilarians renewed their Commitment during Mass which was celebrated by Very Rev. Harold Waldow, pastor, assisted by Deacons Jerome Brockman and Walter Kleman. Before Mass, Mayor Tom Hoelting proclaimed this Sunday as Sister Immaculata and Sister DeChantal Day, in honor of their many years of service and love to the community.

The Glory Singers, directed by Dee Ann Tackitt with Mary Lynn Olvera at the organ and piano, provided music for the Liturgy. The choir was assisted by members of the Nazareth Swift Band under the direction of Mr. Bernie Tackitt.

Benedictine Sisters present were Sister Herman Joseph Berkemeyer, Josetta Catalani, Josella Birkenfeld, Adrian Wewers and Anita Berkemeyer of Nazareth; Sister Carmela Montalvo from Lubbock; Sister Cordelia Lange, Maurine Schmucker, Rosalie Rusewald and Martha Lorán from Amarillo; and Sister Eleanor Fritchie from Canyon.

"Open house" in honor of the Jubilarians was held at the Sisters Convent, with many relatives and friends in attendance. At noon a delicious barbecue cookout was served to the Jubilarians and guests by the Parish Council.

Albert and Virgie Gerber attended First Communion mass at St. Anthony's Catholic Church in Hereford Saturday morning during which their grandson Bryan Charanza received his first communion. Other relatives attending were Sandee Hoelting and children, Bev, Todd and Traci Hill, Glenda and Jason Birkenfeld, Jerry and Tricia Rose.

Leonard, Alvina and Paul Gerber and Helen Backus attended first communion mass in Hereford during which their grandson Wade Backus received his first communion.

Also attending this mass were Virgil and Viola Pohlmeier whose granddaughter Jaime Self received her first communion.

Congratulations to Virgil and Dianne Huseman of Dimmitt on the birth of a son, Evan Scott, on the 27th of April in Plains Memorial Hospital. Grandparents are Arnold and

Catherine Huseman and Junior and Catherine Hochstein.

Florence and Hilda Heiman of Amarillo spent Friday in Nazareth visiting relatives before they drove to San Angelo with Andy and Oleda Schumacher of Dimmitt to attend the wedding of their niece Stacey Taylor to Mitchell Hart in St. Ambrose Catholic Church in Wall. Stacey is the daughter of Phil and Ione Taylor of San Angelo. Other relatives attending were grandparents Walter and Easy Schulte, Fritz, Julene and Lori Gerber, Denny, Dolores, Wayne and Rodney Heiman.

A large crowd enjoyed the Nazareth Swift Band Concert at the School Cafetorium Sunday evening. They rated exceptionally well this year in all the contests they entered. DeZane Schacher and Theresa Wilhelm will be competing at State in June.

Mobile office to come

A representative from the office of State Sen. Bill Sarpalus will be in Dimmitt and Nazareth next Tuesday.

The representative will bring the Senator's mobile office to the Castro County Courthouse Tuesday from 1 p.m. until 2 p.m., then be at the Nazareth school from 2:30 p.m. until 3:30 p.m.

Anyone with questions or problems with state business is urged to take advantage of the chance to visit with Sen. Sarpalus' representative.

DHS, HHS honor athletes

19 Dimmitt High School students were honored last Thursday at the 23rd Annual DHS Athletic Banquet at the Richardson Elementary School East Cafeteria.

A crowd of over 300 was on hand to honor the participants in the nine sports offered at DHS, plus the crowning of the Football and Basketball Queens.

Ray Cameron was named the recipient of the Danny and Sharla Vaughan Memorial Scholarship. The \$500 award is presented annually by Loyd and Dorothy Vaughan to a senior basketball player at DHS. Cameron plans to attend Texas Tech University next fall.

Named Most Valuable Players in their sports were:

•Football — Mark Smothermon, the leading ground-gainer from his fullback position, and leading tackler as linebacker for the 6-4 Bobcats last fall. The junior was first-team all-district on offense, second-team all-district on defense;

•Boys Basketball — Pat McDonald, leading scorer and rebounder for the regional finalist Bobcats. McDonald was the MVP for District 2-3A which head coach Ken Cleveland termed "the toughest district race we've ever had." The 6-3 junior was also named to the all-regional tournament team, all-South Plains, the Amarillo Globe-News Super Team, and Texas Assn. of Basketball Coaches All-State Team;

•Girls Basketball — Tammie Washington, leading scorer for Doug Porter's 10-16 Bobbies, she was one of four unanimous selections to the District 2-3A team, and was a member of the West squad in the Golden Spread All-Star Classic;

•Boys Track — Mark Coker, who placed third in the long jump at the district meet, was a member of the sprint relay team which also placed third at district, and the most consistent and versatile performer on the team, according to coach Roy Dudgeon;

•Girls Track — Stephanie Killingsworth, the only regional qualifier for the Bobbies, set a school record in the 200 meters (26.99 seconds) at the District 2-3A meet. Killingsworth also ran on the Bobbies relay teams. "She was amazingly consistent, and consistently great, in all of her races," said Bobbies track coach George Raso;

•Tennis — Patsy Vera and Jeff Butler, who placed third in their respective singles divisions in the District 2-3A tournament.

Winners of the MVP award were selected by their teammates in most sports, while coaches selected the "Fighting Heart" award recipients.

Fighting Heart award winners included: Football, Bruce Bryant; Boys Basketball, Darrell Washington; Girls Basketball, Kim Howell; Boys Track, Joe Alvarez; Girls Track, Cara Odom; Girls Tennis, Jill Smith; Boys Tennis, Rumaldo Sandoval.

Bobby Nino, who was named first team on offense, second team defense and honorable mention kicker on the All-District 2-3A team, was honored as the Outstanding Football Lineman, while wide receiver Nathan Nelson, a second-team all-district pick,

was named the outstanding back.

Stacie Jackson was crowned Football Queen, and Tammie Washington was named Basketball Queen at the banquet.

Hart athletes were honored Saturday at their annual athletic banquet at the Hart School Cafeteria.

Nine students received Most Valuable Player honors, while Paul Ramirez and Noemi Ponce were named the Most Versatile Athletes.

Ramirez, named Boys Basketball MVP, was named to the 3-AA All-District team and was named the Sophomore Player of the Year by the Amarillo Globe-News.

Miss Ponce, a senior, shared Girls Basketball MVP honors with Diane Montiel. Both received honorable mention on the all-district team. Miss Montiel is also a regional qualifier in the shot put.

Chris Rodriguez, an all-district linebacker, was named the football MVP. Other Longhorn football award winners included: Trench Award — Bruce Finch, all-district offensive tackle; Strike Award — Tommy Menchaca, all-district noseguard; and Fighting Heart Award — Dearrell Ethridge, all-district defensive tackle.

Tammy Menchaca, regional qualifier in the 3,200 meters, and Ronnie Rodriguez, regional qualifier in the 300 intermediate hurdles, 400 relay and 1,600 relay, won the MVP award in track.

Cristi Rowland and Risha Ammons, regional qualifiers in girls doubles, and Mark Castillo, regional qualifier in boys singles, won the tennis MVP awards.

County athletes enter meets

Nazareth's tennis team began regional action yesterday in Levelland as county athletes vie for spots in next weekend's state tennis and track meets in Austin at regional meets at South Plains College, Big Spring and Odessa.

The defending Class A state champion doubles team of Ramona Heiman and Leona Gerber of Nazareth are joined by District 1-A boys singles' champion Todd Hill and girls singles runner-up Traci Hill at the Region 1-A tennis meet at SPC.

Hart qualified both girls doubles teams, filled both singles slots in girls, and captured spots in the boys singles and doubles for the regional meet tomorrow morning in Big Spring.

Nazareth will take the county's largest contingent to the Region 1-A meet at SPC Friday and Saturday and some of the best chances of county athletes winning berths in next weekend's state meet at Austin.

"Our best chance for a state qualifier is probably Russell Hoelting in the sprints," said NHS coach Rex Minshew. "Ricky Backus (in the 110 meter high hurdles and long jump), Chris Gerber (long jump), Billy Steffens (discus) and the mile relay (Backus, Hoelting, Gerber, and either Darrell Hoelting or Mike Huseman) should have good chances, too."

"Sudan is definitely the favorite in the girls meet," said NHS coach Joe Lombard. "They have the best time in at least two of the relays, and they probably have a legitimate shot at the state championship. Sanderson, Iraan and Vega will be strong. "Our chances, overall, are

CHAMPIONSHIP LEAP—Dimmitt's James Alexander clears the high-jump bar at 6-2 on his first try at the District 2-3A meet at Floydada on April 20. Alexander won the district meet and has the second-highest jump going into the regional meet tomorrow in Odessa.

pretty slim," Lombard continued. "We should have a shot with our 800 relay, and Debbie Schmucker and Leona Gerber could go one-two in the mile."

Dimmitt has just four entrants in the regional meet at Ratliff Stadium in Odessa today and tomorrow, but all four

 should have at least an outside chance in winning a place at the state meet.

"Joe Alvarez (mile) has the second-best time going into the regional meet (4:36)," said DHS coach Roy Dudgeon. "Our high jumpers, James Alexander and Mike Love, both went 6-4 at the district meet and are second and third going in. Stephanie Killingsworth is still a little banged up, but she should at least qualify for the finals, and if she gets that far she will have a chance, but it's going to be a very tough field for her."

Hart qualified both boys' relays as well as three girls and three boys to the regional meet at Big Spring Friday and Saturday and will have at least two legitimate state threats at the AA meet.

Tammy Menchaca won the district 3,200 meters by almost a full minute, taking the gold medal in 13:09.51. Her boys' long-distance counterpart, Lupe Ramirez, won the district race with an 11:01.8.

"Tammy was not pressed at any time at the district meet, but will probably need to take off a couple of seconds a lap to win," said Hart girls coach Ken Hoskins. "Stephanie Lee (discus, 96-5) and Diane Montiel (shot, 31-11) are going to have to improve a bunch."

Tommy Menchaca, Ronnie Rodriguez, Chris Rodriguez and Johnny Washington are on both the 400 meter (44.9) and 1600 meter (3:37.1) relay teams, while Washington qualified in the 200 meters (22.9), and Ronnie Rodriguez qualified in the 300 intermediate hurdles (41.3).

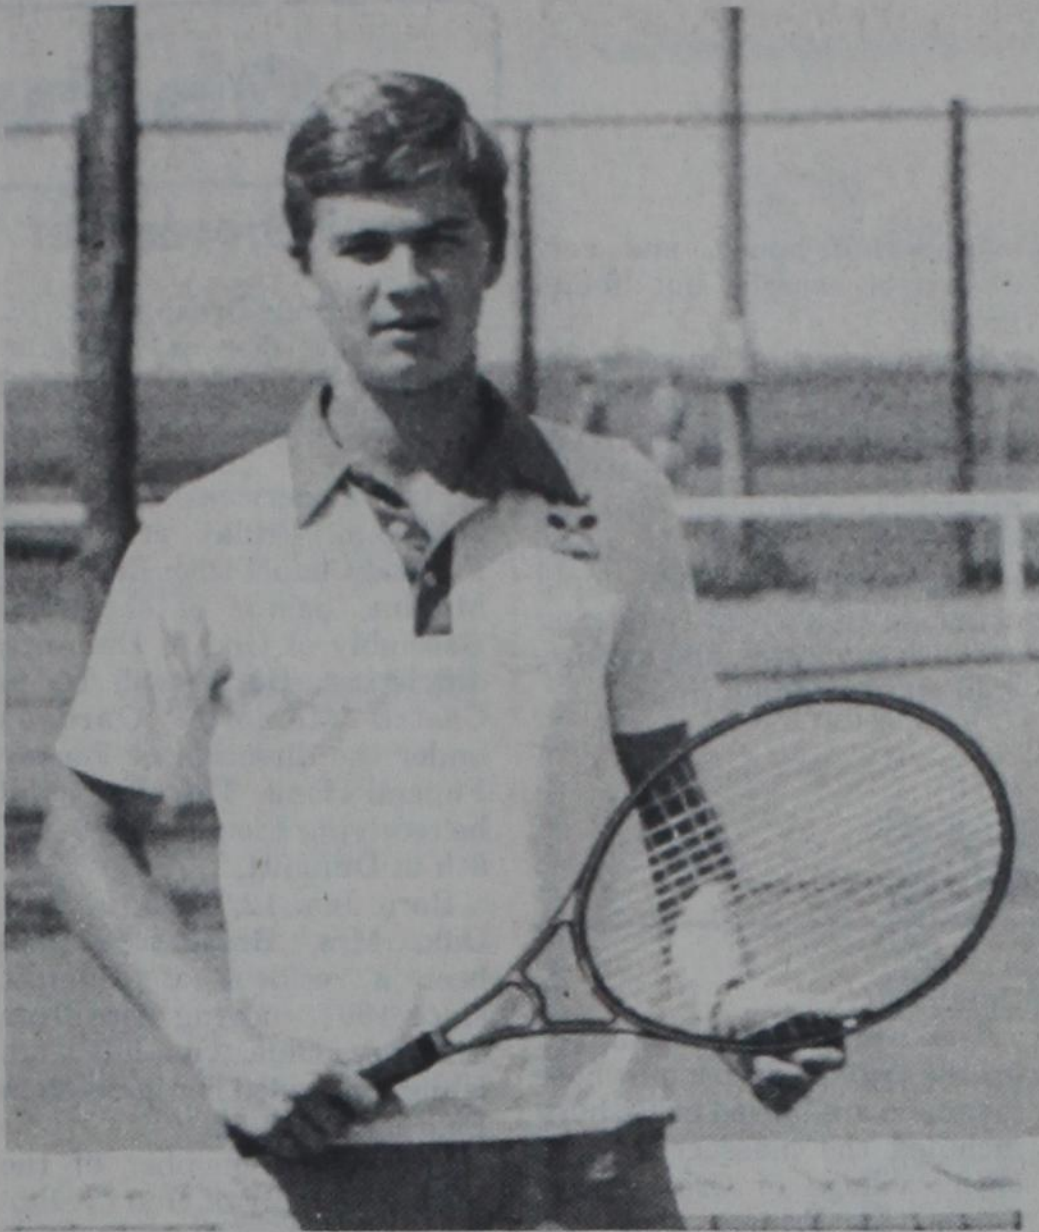

"Our sprint relay needs to have three good handoffs," said HHS boys coach Mark Stroebel.

Last signup is Saturday

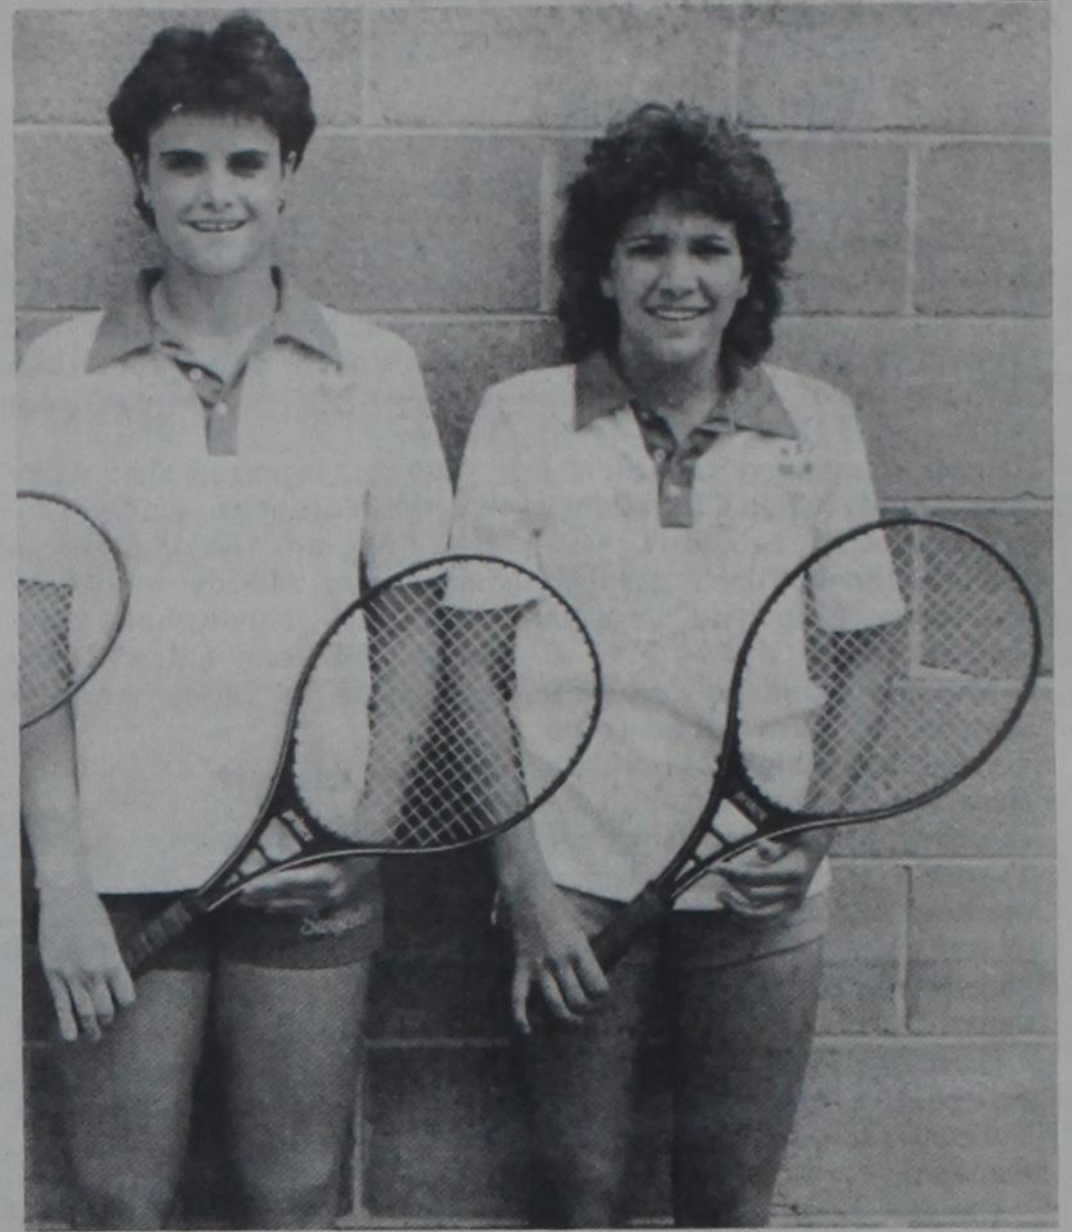

A last-minute signup and draft of all Dimmitt baseball players is scheduled Saturday at 10 a.m. at the Dimmitt Middle School Gym.

"All players who are going to play baseball in any league in Dimmitt between the ages of seven and 18 should have already signed up," said Kids, Inc. president Jerry Stump. "We will have a last — FINAL — signup Saturday morning at 10 a.m."

"After we have everyone signed up, we will draft the players in all leagues," Stump continued. "We need all coaches in all leagues, T-Ball, Mustang, Bronco, Junior and Senior Babe Ruth to be at the gym at 10 Saturday morning

TODD HILL (LEFT), RAMONA HEIMAN AND LEONA GERBER, all of Nazareth High School, are vying for crowns today in the Region I-A tennis meet at Levelland. Heimann and Gerber won the Class A state doubles crown last year, while Hill

is back for a second try at the regional singles crown. The meet opened yesterday at South Plains College. They are joined at the meet by Todd's sister, Traci, who won the district's second seed in girls singles.

AHA tourney deadline near

Sunday, May 12, is the deadline for entering the annual Charity Tennis tournament sponsored by the Castro County Division of the American Heart Association May 13 through 19.

demanding payment for some work done earlier.

Still seated in his pickup, Matthews told Turner that he did not have his checkbook with him. Matthews said Turner demanded the money now, and when Matthews repeated that he didn't have his checkbook, Turner grabbed the keys from the ignition switch.

Matthews told police he offered to pay Turner if he would give back the keys. He alleges that Turner then cut him on the neck. Matthews then gave Turner \$15, and Turner threw the keys in the pickup and left on foot. Matthews drove to the courthouse to report the incident.

Officers returned to the house later and apprehended Turner, who was hiding in the shrub.

Randal Blanton, 34, of Springlake was arraigned Tuesday on charges of theft over \$750. He is out on \$2,500 bond.

Blanton was charged with taking an engine and transmission belonging to Gary Derrick of Abilene. Derrick had left the items at a rent house he had been living in near Sunnyside in December and January, telling the landlord that he would return for them later.

A current tenant of the house said that Blanton had earlier expressed interest in the engine and transmission, but the tenant had told Blanton not to take the items without the owner's consent.

Derrick's brother-in-law came Saturday night to pick up the items, intending to take them to Abilene Sunday. They were at the house Saturday, but on Sunday both were missing.

Sheriff's deputies checked at Blanton's residence and found the engine and transmission. Blanton was arrested Monday night after questioning at the sheriff's office. The case will come before the next grand jury session.

Monday, police received a report from Ioma Stokes of 402 NW 8th that her home had been broken into. More than \$500-worth of items were taken.

Officers reported that entry was apparently gained by breaking out the glass in a back door. Muddy footprints were left throughout the house. Officers followed the prints to a spot near a

neighboring house, and conducted a search, but found nothing.

Items reported missing include three or four gold-plated necklaces, ten old silver dollars, eight old silver quarters, assorted change estimated at \$35, a pearl necklace valued at \$100, a gold chain, an 18-kt. white-gold ring set with sapphires, and a white-gold set of wedding rings.

Later, Christian's last victim in the war happens to be an American Jewish soldier whose regiment has just liberated the death camp, who has gone alone into the nearby woods to scream his outrage over the unspeakable horror he has seen there.

Ultimately, and ironically, Christian — the fine, tough, once-idealistic German soldier — is killed by an American GI who prides himself on being a goof-off.

The difference between Christian and the SS officer is the difference between the 2,000 Wehrmacht soldiers and the 47 SS troops who are buried at the cemetery at Bitburg.

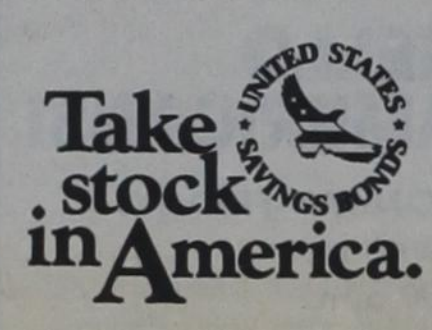

The Wehrmacht soldiers buried there were the counterpart of the US Infantry and Artillery — volunteers and draftees who fought and died for their country.

The SS troops were part of Hitler's "elite guard" which was established solely to reinforce his criminal regime. The SS was known for the viciousness and fanaticism with which it carried out its mission against 10 million vic-

tims. The war crimes committed by the two SS divisions whose members are buried at Bitburg included the massacre of the entire village of Oradour-sur-Glane in France and the massacre of 71 American prisoners of war at nearby Malmédy, Belgium.

It's no wonder that President Reagan's scheduled appearance at the Kolmeshohe Cemetery at Bitburg on the 40th anniversary of V-E Day next Wednesday has caused such a furor in the US and around the world.

The Bitburg ceremony, conceived out of press-agent morality and political opportunism, should have been ordered cancelled or moved when the President first learned that SS troops were buried there. The President should still cancel it. It is simply too offensive to too many people whom he represents.

Obituaries

Fannie Broadstreet

Fannie Belle Broadstreet, 76, of Dimmitt died at 7:55 a.m. Tuesday in Plains Memorial Hospital after a lengthy illness.

Funeral services will be at 2:30 p.m. Friday at Foskey Funeral Chapel with Rev. Tom Mullins, pastor of the First Assembly of God in Dimmitt, officiating. Burial will be in Castro Memorial Gardens under the direction of Foskey Funeral Home. The family will be receiving friends at 300 NW 6th in Dimmitt.

Born Jan. 12, 1909, in Post Oak, Mrs. Broadstreet had been a resident of Dimmitt since 1961, moving here from Shawnee, Okla. Her husband, Elijah, preceded her in death in February of 1972.

She was a member of the First Assembly of God in Dimmitt, and belonged to the VFW Women's Auxiliary. From 1963 to 1970, she was employed on the kitchen staff at Plains Memorial Hospital.

She is survived by four sons, Gene, Harold and Gerald, all of Dimmitt, and Glenn of Fresno, Calif.; a sister, Mrs. Mary Inez Spangler of Decatur; two brothers, George Wallace of Chico, and Andrew Wallace of Fort Worth; 12 grandchildren; and 10 great-grandchildren.

The family suggests memorials to the building fund of the First Assembly of God in Dimmitt.

Claude Herman Jacobs

Claude Herman Jacobs, 75, of Muleshoe, died Friday.

He was the father of Billy Jacobs of Dimmitt.

Funeral services were held Sunday at First Baptist Church in Muleshoe with Rev. Barry Bradley officiating. Burial followed in Muleshoe Cemetery under the direction of Ellis Funeral Home.

Born at Tribby, Okla., he had moved to Muleshoe 20 years ago from Floydada, and was a farmer. He married Millie Busby May 3, 1936 at Thackersville, Okla., and attended the First Baptist Church.

Survivors include his wife; four other sons, John of New Home, Charles of Bowie, Carl Lee and Lehmon, both of Muleshoe; five daughters, Ola Jenkins of Lubbock, Shirley Collins of Marlin, Mary Parker of Waco, Helen Lowater of Hub and Retha Kay Tighe of Muleshoe; five sisters; two brothers; 25 grandchildren; and 14 great-grandchildren.

Joe M. Scott

Joe M. Scott, 82, died Friday.

Funeral services were held Monday at the Fourth and Bedford Church of Christ with Dale Wells, minister, and Ronnie Parker, former minister, officiating. Burial followed in Castro Memorial Gardens by Foskey Funeral Home.

Born in Miles, Scott had farmed in the county since 1953, moving here from Plains. He married Lois Nisbett Sept. 29, 1929 in Big Spring. He was a member of the Drasco Baptist Church in Runnels County, north of Winters.

Survivors include his wife; one son, Ben of Dimmitt; two sisters Annie Lee Dobbins of Hereford and Opal Below of Wingate; a brother, G. W. of Winters; and three grandchildren.

Pallbearers included Don Gregory, Bill Gregory, Jim Elder, Donnie Nelson, Freddie Hamilton, Edd Waggoner, Tony Gabel and Kenny Paxton.

Memorials may be made to the American Heart Association.

Crime Line

A \$300 reward is being offered by the Castro County Crime Line for information leading to the indictment of whoever stole a four-wheel trailer from the Dan Bruton farm.

A Colby brand, the trailer had red running gear, automotive steering, and 15" black-wall tires.

It was reportedly taken sometime prior to April 13.

Call 647-4711 if you have information regarding this case. Callers may remain anonymous through use of code numbers and a drop system.

Safety ... Everyone's Concern

Electricity is the farmer's co-worker. But, it can be a potential danger to the farmer if irrigation equipment is not maintained properly.

All center pivot sprinklers should be grounded properly to operate safely. Improper grounding can cause hazardous voltages to appear on metal objects such as ground wires, guys, and equipment enclosures following equipment failures.

Because we are interested in your welfare, we urge you to take EVERY possible precaution to avoid serious injury — or possibly even death!

We at BAILEY COUNTY ELECTRIC COOP are concerned that on towed systems, grounds could be broken off; also, systems located in pastures and areas where livestock may be or may have been. The grounds may have been broken or rubbed into. It is up to the member to see that his pivot systems is in good electrical condition. Grounds need to be checked often and replaced if broken or missing. PLEASE CHECK YOUR SYSTEM'S GROUNDS AND EQUIPMENT. Not only is it for your safety and your employee's safety, it is for the safety of anyone who should come in contact with your pivot system. If you have doubts about your system, contact your sprinkler company, or your electric supplier.

Women Landowners seminar begins Tuesday in Amarillo

A special seminar on Farm and Ranch Business Management for Women Landowners will be held at Amarillo May 7-9 at the Holiday Inn, 1911 I-40 East.

The seminar is designed to help women explore income-generating and tax-saving opportunities for their farms and ranches, says Dr. Wayne Hayenga, economist and attorney with the Texas Agricultural Extension Service, Texas A&M University System.

Discussions will center on in-

come taxes, leases, business organization and estate planning.

Farm leases and operating agreements take many forms, notes Hayenga, and many of these will be discussed at the seminar, including benefits and restrictions to both landowners and tenants.

Regarding income tax planning, tax-saving opportunities will be explored for business growth, land sales, retirement income and helping out children and grandchildren.

A session on estate planning will deal with wills, trusts, estate tax deferrals, gifts and property titles, Hayenga points out.

Estate planning tools which will be discussed include use of corporations and partnerships. A registration of \$80 will be

charged, which includes the cost of meals and materials.

MAY 2 — Ronnie and Regina Hoelting.
MAY 3 — Sam and Angie Espinosa, Paul and Lillian Venhaus.
MAY 5 — Thomas and Natalie Falcon, Norman and Kim Hays, Loey and Mary Lou Luna, Raymond and Cecilia Annen, Joe and Dorothy Lange.
Annen, Joe and Dorothy Lange.
MAY 6 — Leonard and Julia Birkenfeld.
MAY 8 — Danny and Brenda Bruton, Tony and Kathy Leibel.

Birkenfeld is Naz FFA head

Allan Birkenfeld has been elected president of the Nazareth chapter of Future Farmers of America.

In addition to his local office, Birkenfeld is also the newly-elected Plainview District Vice President.

Other officers elected April 12 by the Nazareth FFA include: Vice President, John Kleman; Secretary, Debbie Schmucker; Treasurer, Brian Ramaekers; Reporter, Kenny Kern; and Sergeant-at-arms, Russell Acker.

The chapter will have four scholarship and nine Lone Star Farmer applicants at the area convention this weekend in Amarillo.

The local chapter banquet will be held May 10.

EDC \$ SIGNS

By Gerald M. Hanners
Once in a while, something magic happens! People get together and accomplish something that surprises them.

We had an example of that kind of magic on Saturday, when several dozen Dimmitt people gathered for the annual CUFUPU Clean-up Campaign.

They went to work on the area north of Taylor and Sons Grocery. A portion of the property is highway right-of-way and part of it is railroad property. Through years of neglect, it has grown up in weeds and unkept trees, collecting debris and becoming an eyesore that every traveler notices when entering Dimmitt's north city limits.

Sara Hill proposed that all of the trees be pruned, weeds mowed and the trash raked and hauled away. It was an impossible task . . . a ridiculous idea. But, once in a while, something magic happens!

Even Gene King was dwarfed by weeds and brush as he worked with his pruning clippers. Others joined in, Jimmy

Evans operated the chainsaw. Joe Josselet and Jack Thompson operated the tractor shredders. George Sides, Wayne Collins and David Behrends used pickups and trailers to haul the tree limbs to the dump grounds. Mary Edna Hendrix served Cokes to the workers and dozens of others raked and hoed and gathered trash because once in a while, something magic happens!

Cans and bottles, discarded paper and debris — monuments to long-ago litterers were removed. Ground that had been covered with litter for years received a glimpse of the sun. Grass that had been buried in ugliness was uncovered. Once in a while, something magic happens!

When the work is finished, Dimmitt will have an attractive, new roadside park area that will reflect the pride of the people who live here. Something ugly has been made beautiful. It was a glorious day because we've learned again that once in a while, something magic happens!

OVER 100,000 Americans benefit each year from an organ or tissue transplant; however, 100,000 in need do not receive one because of a lack of organs.

When push comes to shove, you need a deluxe John Deere 21-inch mower.

John Deere 21-inch deluxe mowers are easy rolling because all four wheels turn on ball bearings. And that's a real advantage on inclines or in tall grass.

Four 4-hp models are available — self-propelled and push-type, with electric and recoil start. All have deep, contoured aluminum deck and a dual safety system that stops both the engine and blade when the control handle is released.

Two cutting height adjustment levers let you set the mower from 1/8 to 2 1/4 inches above the ground. Side discharge is standard. A 2-bushel rear bagger is optional.
