Will Install Rotary Club Here Next Friday Night

Plainview Members Will Be Here Friday Night to Superintend Installation of Lockney Club

Mr. Fred Lowe of Plainview was in Lockney Monday making arrangements for a meeting of the Lockney members who were to compose the Lockney Rotary Club, which was organized here some ten days ago. A meeting will be held tomorrow (Friday) night in Lockney, at which time the organization of the club will be perfected, officers elected, meeting place arranged for, and date for weekly luncheons decided upon. There were sixteen Lockney business men who gave their names as charter members of the new club, and all are urged to be present at the meeting tomorrow (Friday) night. A large number of the membership of the Plainview Club will attend this initial meeting in a body and help to get the Lockney Club started off right.

WEST TEXAS GIRLS HIGH SCHOOL TOURNAMENT

The Lockney Girls High School basketball team has been officially invited to attend the West Texas Girls High School Basketball Tournament that will be held at Snyder Feb. 14, 15, and 16 under the sponsorship of the Snyder Lions Club. Plans are being laid to entertain more than fifty girls teams during the three days. R. H. Schulze, Dallas, southern commissioner for the A. A. U., was in Snyder recently to complete preliminary plans and expressed satisfaction for the fine basketball floor and gymnasium that will be provided during the visit in Snyder of West Texas girls teams. Six huge loving cups of solid gold and silver, one of which is the actual size of a basketball made of gold is first prize; a silver ball of the same dimensions is second prize; and the four other major prizes are huge loving cups standing waist high. In addition there are three sets of small gold and silver basketballs. Visitors to Snyder will be privileged to visit the new \$10,000 athletic stadium only recently dedicated by Snyder High School which is said to be the finest outside of college fields in the State of Texas. Snyder is located in Scurry county on the main line of the Santa Fe railroad and on State Highway Nos. 83, 7, and 101. Teams coming over the Broadway of America should turn off at either Colorado, Roscoe, or Sweetwater. Snyder is easily accessible from all points in West Texas. Arrangements for the entertainment of teams and visitors will be in charge of a committee of the Federated Clubs and Parent-Teachers Association, backed by the entire citizenship of Snyder. Housing for anywhere between five and eight hundred girls with their coaches and escorts will be completed by a special committee whose headquarters will be with the Scurry County Chamber of Commerce. Officials for the games which will start in early Thursday morning, continuing game after game into the night, will be entirely picked and selected by state officials of the A. A. U.

Mary Baker Brought Home

Miss Mary Baker, accompanied by her brother, Norton Baker, of Lubbock, arrived in Lockney from the sanitarium in Rochester, Minnesota, Sunday, where Miss Mary has been for some time following an operation. She stood the trip well, and is now at the home of her mother, Mrs. Alice Smith, in Lockney.

Raised Big Feed Crop This Year

Mr. Z. T. Riley spent last week in Perico, Texas, visiting his daughter, Mrs. Grady Brewster, and looking after business affairs. Mr. Riley states that the feed crops are fine in that section this year. He said that his son-in-law, Grady Brewster, had raised an excellent feed crop this year, and that he gathered about 1600 bushels of Indian corn from a 10-acre field, and had disposed of it at 70c per bushel. He said that Mr. Brewster had also raised a big crop of maize and sorghum feed. He brought back several ears of the corn, and from the sample the crop was surely of the very best variety.

Marriage Licenses

The following marriage licenses have been issued by the county clerk since our last report: Joe Carlton and Miss Winne Rae Shelton, January 17th. O. B. A. Howard and Miss Bertie Mallow, January 19th. Preston Reed and Miss Lillian Pierce, January 19th. Paul Newberry and Miss Dorothy Mae Patterson, January 19th. E. McPherson and Miss Leota Harbert, January 19th.

Visits of the Stork

Born to Mr. and Mrs. Carl Russell, 24 miles north of Lockney, Sunday, January 20th, twins, boy and girl.

ROAD TO BE BUILT SOUTHWEST COUNTY

Road Parallel to Denver Railroad Will Be Part of Highway From Lockney to Lubbock

Plainview, Jan. 18.—The Hale County Commissioners Court in session Monday and Tuesday ordered a fund amounting to \$125 per mile set aside for the preliminary construction of a road about eight miles long and not less than 100 feet in width to run parallel to and east of the Denver right of way from the east boundary of the county to the south boundary of the county.

This road will be a link in a proposed road from Lockney to Lubbock and will go through Petersburg. Lubbock county is already at work on the road and Floyd county has plans under way and expects to begin construction within a short time.

Call For All Dairymen To Meet in Floydada

Will Organize Floyd County Dairy Association Monday, February 4th, at 2 p. m.

We have been requested to announce that there will be a meeting of all those interested in dairying at the court house in Floydada, Monday, Feb. 4th, at 2 p. m., for the purpose of discussing the organization of a Floyd County Dairy Association.

The purpose of this meeting will be to organize the farmers of Floyd county who are interested in dairying into an association, so that they will be enabled to get a much better price per pound for their dairy products.

All persons who are interested are urged to attend this meeting and take part in same. Prominent dairy men will be present and lecture to those in attendance.

Install New Fountain

The Lockney Drug Co. has this week installed a new soda fountain in their store. The fountain is of the latest design, and is equipped with Frigidaire throughout, and is a considerable improvement in every way over the fountain it replaces. The fountain is a beautiful addition to the appearance of the interior of the store, and is fully equipped for quenching the thirst of those who care to have the very best of cold drinks served from the most modern equipment.

Morris Has New Fruit Corner

G. S. Morris has got on a rampage the past week and has painted all the fixtures in his Hokus Pokus store, and brightened the place up until you would hardly know it. In addition to using a lot of flashy colored paint, he has re-arranged the fruit and vegetable section of the store, and made pretty display places for all the fruits and vegetables, which is located in the southwest corner of his store, next to the front, and this space re-decorated and painted, with the many nice fruits and vegetables displayed, will undoubtedly make the sale of these articles more prolific. A nice clean, well kept store is the thing to assist in getting the trade of people this day and time.

Mary Baker Brought Home

Miss Mary Baker, accompanied by her brother, Norton Baker, of Lubbock, arrived in Lockney from the sanitarium in Rochester, Minnesota, Sunday, where Miss Mary has been for some time following an operation. She stood the trip well, and is now at the home of her mother, Mrs. Alice Smith, in Lockney.

Raised Big Feed Crop This Year

Mr. Z. T. Riley spent last week in Perico, Texas, visiting his daughter, Mrs. Grady Brewster, and looking after business affairs. Mr. Riley states that the feed crops are fine in that section this year. He said that his son-in-law, Grady Brewster, had raised an excellent feed crop this year, and that he gathered about 1600 bushels of Indian corn from a 10-acre field, and had disposed of it at 70c per bushel. He said that Mr. Brewster had also raised a big crop of maize and sorghum feed. He brought back several ears of the corn, and from the sample the crop was surely of the very best variety.

PRICKETT BOY OPERATED ON AT PLAINVIEW

Eugene Prickett, 12 year old son of Mr. and Mrs. O. T. Prickett, was operated on in the Plainview sanitarium last Friday for appendicitis. It was found that gangrene had already set up in his appendix, but the operation was a success and the boy is getting along fine now. Mrs. Anna Prickett, grandmother of the child, is also very sick with the flu at Plainview.

Floyd County Poultry Show Held Last Week

All Birds Shown Here Owned by Floyd County Poultry Raisers; No Outside Competition

The Floyd County Poultry Show was held in the Smith Hatchery building in Lockney, Thursday, Friday, and Saturday of last week, and quite a good show was the result. All birds on display the show belonged to Floyd County chicken fanciers, as no outside competition was allowed, all the prizes given in the show being to people who lived inside the county. The following are the prize winners for the show:

The following merchants and business men contributed the cash and premiums given for the winning birds in the show:

Winners Floyd County Poultry Show
Black Minorcas—First old pen, first cock, first cockerel, first pullet, second hen, second pullet, third hen, third pullet.—Alex Newman, Lockney, Texas.
First hen—Ralph Arceneaux, Lockney.
Anconas—First cockerel, first pullet, third pullet, second young pen.—H. N. Jones, Floydada.
Second pullet, fourth pullet.—H. R. Wilson, Lockney.
Buff Leghorns—Second old pen.—J. C. Ward, Lockney.
Dark Cornish—First old pen, first young pen, first cockerel, first hen, second hen, third hen.—Mrs. F. U. Payne, Lockney.
White Leghorns—First old pen.—J. E. Green, Floydada.
First cockerel, third hen.—William Wood, Lockney.
First hen.—James Smith, Jr., Lockney.

First pullet, second pullet, third pullet, first young pen, second old pen, second cockerel, fourth pullet, fifth pullet, second hen, fourth hen, fifth hen.—Mrs. Dave Batten, Floydada.
Single Comb Rhode Island Reds—First hen, second hen, third hen, fourth hen, second cock, fifth cock, first cockerel, second cockerel, first pullet, third pullet, first cock.—J. O. James, Lockney.
First old pen, third young pen, second young pen, third cock, third cockerel, fourth cockerel.—O. W. Fry, Lockney.
Fourth young pen.—Ed. Teuton, Lockney.
Fifth pullet, first young pen, second old pen.—Edd Muncy, Lockney.
Fifth hen T. H. Stewart, Lockney.
Fourth pullet.—Mrs. T. M. Johnson, Lockney.
Second pullet.—Edd Muncy, Lockney.
Fourth cock.—J. S. Miller, Lockney.
Fifth young pen, fifth cockerel.—J. E. Tierce, Lockney.
White Orphington—First cock, first hen, second hen.—T. H. Stewart, Lockney.
Buff Orphington—Fifth young pen.—A. P. Langfeldt, Lockney.
First young pen.—Edd Muncy, Lockney.
Second young pen, third young pen.—F. U. Payne, Lockney.
First hen, second hen, third hen.—Edd Muncy, Lockney.
Fourth young pen.—James Smith Jr., Lockney.
First pullet.—J. O. James, Lockney.
Brown Leghorns—First pullet, second pullet, third pullet.—Mrs. J. E. Tierce, Lockney.
Barred Rocks—Second cockerel.—S. M. Brown, Lockney.
First pullet.—Ralph Arceneaux, Lockney.
Second cock, second hen, third hen, first cockerel.—H. A. Brotherton, Lockney.
First cock.—H. R. Wilson, Lockney.
First young pen.—W. A. Stowe, Lockney.

TURKEYS

White Holland—First and second pullets.—James Smith Jr., Lockney.
Silver Sheen Narragansetts—First and second pullets, first young tom.—J. V. Flippen, Floydada.
Bronze—Second old tom, second young pen, first young tom, fifth

Five Injured in Auto Accident Here Today

Car Turns Over on Family, Badly Injuring J. C. Lovell and Wife This Morning

This morning about 8:30 o'clock between the McKenzie and John Fortenberry places, about 16 miles east of town, J. C. Lovell and family were painfully injured, when the car in which the family were riding was turned over in an attempt to keep the car from colliding with a car driven by one of the Mr. Lackey's, who also lives in that neighborhood.

The story is: Clarence Lovell, son of J. C. Lovell, was driving the Lovell car, the ice having congregated on the windshield until he could not see ahead, when he came meeting the Lackey car, and in an attempt to keep from running into Mr. Lackey's car, he made a quick turn, the car skidding on the icy grass and overturned, his father, mother, and sister, and Misses Juanita and Mary Beth Douglas being injured by the overturning car.

Mr. J. C. Lovell suffered eleven ribs fractured and cracked; Mrs. J. C. Lovell's hip was painfully sprained and she received other bruises; Dorothy Fay Lovell received cuts about her face and head and her tongue was cut; Miss Juanita Douglas received a fractured and dislocation of the left arm, and Mary Beth Douglas got a thumb sprained. Mr. and Mrs. Clarence Lovell were not injured.

It is said that both cars were traveling at a slow speed at the time of the accident. The injured parties were brought to the Lockney Clinic and Hospital, where they received treatment.

MADE GOOD COLLECTIONS OF TAXES HERE MONDAY

Lockney Tax Payers Responded to Tax Collector's Request and Paid \$10,000 Monday

The Tax Collectors force spent the day here Monday collecting taxes from the people in this part of the county and late Monday afternoon, Mr. E. Ray Smith, Deputy tax collector, stated that the collection had been exceptionally good, and that about \$10,000 in taxes had been paid during the day.

NEW BILL PROPOSES TWICE-A-YEAR TAX PAYMENTS

Many New Measures in Senate; Aim To Keep County Schools Office Out of Politics

Austin, Texas.—Senator Archie Parr of Benavides Tuesday January 15 introduced a bill which would make state and county taxes payable twice a year. He also asked for an appropriation of \$175,000 to pay inspectors for the livestock sanitary commission.

A bill aimed at taking the office of county superintendent of schools out of politics was offered by Holbrook of Galveston. The county superintendent would be appointed by a county board of trustees.

Senator Joe M. Moore of Greenville introduced a bill asking that wife and child desertion be made a felony.

Legislation defining what constituted a reputable, regular newspaper and providing for the publication of all legal notices in such an organ was proposed by Senators Moore, Pollard, Westbrook, Neal, and others.

young tom, third old hen, third young hen.—Mrs. L. C. Wheeler, Floydada.
Fifth young hen, third young tom, fourth young hen, fourth young tom, second old hen, third old tom, first old hen, second young hen.—V. C. Scott, Floydada.
First old tom, first young hen.—F. S. Byrns, Lockney.
Bourbon Reds—First and second young hen, first old hen, first old tom.—Becton Potts, Lockney.

HIGHWAY GRADE CONTRACT LET AT PLAINVIEW

Lubbock Firm Is Lowest Bidder On Number Twenty-eight Through County

Plainview, Jan 21.—Field and McCelvey of Lubbock was the low bidder before the state highway commission Monday at the letting of the grading and drainage structure contract on highway 28 through Plainview and Hale county according to George Whitfield, county commissioner of Hale county who is in Austin together with other members of the commissioners' court and Judge E. C. Abernathy, representing Hale county. Their bid was \$61,305 for the grading.

Sixty-seven miles of hard surfaced roads in Hale county will be the final results of the road building program of which this is a part.

Work is Progressing Rapidly on Hotel Here

Building Being Converted Into Hotel Locust Streets

Any one who casts an eye upon the northwest corner at the intersection of Main and Locust street today will hardly recognize the old building that has stood on this corner for years. The workmen have been filling up windows, making new windows, tearing the inside out, and replacing the interior of the building in so many different ways that the building has changed appearance in every particular, and yet the work is just beginning. The carpenters, brick layers, plumbers, and electricians are all busy, and under the able superintendency of Uncle Frank Ford things are certainly humming on the conversion of this building into a first-class hotel for the town of Lockney. Artie Baker, the owner, has put the job in the hands of such men as Stephenson & Thurman, contractors, Williams Plumbing Co., plumbers, and Geo. F. Kinyon, electrician, with Uncle Frank Ford as general superintendent, and as a result, within the next few weeks Lockney is to have a dandy good small hotel building with every convenience that can be found in the big hotels in the larger cities.

MRS. SAM MILLER OPERATED ON FRIDAY

Mrs. Sam Miller was operated on at the Lockney Clinic and Hospital Friday of last week for appendicitis. She was resting well at last reports.

ANOTHER STEP IN LOCKNEY'S PROGRESS

The Lockney Clinic and Hospital which was sponsored and recently opened by Drs. Mary M., S. M., and C. D. Henry has just completed the installation of x-ray to the facilities of the hospital. This, with the former addition of one of the latest and most efficient types of sterilizer will make this hospital as fully equipped for all practical and successful operations as any of the larger hospitals in West Texas, although of not as great a size as is needed in larger cities. The x-ray apparatus now in use at this hospital is of the latest type that is manufactured and installed by the Victor X-Ray Corporation of Chicago, a subsidiary of the General Electric Company and operating as their medical division. The x-ray machine and its various accessories were installed and demonstrated by J. A. Smith who has been at the hospital for the past three days for this work. Mr. Smith is one of the firm's factory trained engineers, having charge of the West Texas and New Mexico territory for the purpose of installing and teaching of x-ray technical problems. This x-ray apparatus has a capacity of eighty-seven thousand volts and generates enough current to x-ray through a person's chest in only one-half of a second, consequently the equipment has a power great enough to handle any x-ray work or take any picture of the human anatomy. This is the same make of machine that is now in use in the larger hospitals in Amarillo, Plainview, Lubbock, and others of the larger cities of Texas. The sterilizer is made by the American Sterilizer Company who contracts for the installation of this type of hospital equipment in the majority of the most-to-date hospital throughout the United States. In addition to the installation of this modern equipment is the fact that members of the staff of the hospital and clinic are efficiently trained in the operation of it, thereby making both efficiency and safety to the patient. Lockney may well be proud of the progressiveness which this institution typifies and can consider as another step along the line of community needs and growth. The total investment entering into the completion of this hospital represents some ten thousand dollars. The hospital is operated on the open staff basis, making it possible for any physician in good standing with his medical societies to practice therein.

WILL HOLD FIRST ANNUAL SHORT COURSE

Lubbock, Texas, Jan. 23.—The First Annual Farmers' Short Course will be held at the Texas Technological College Tuesday and Wednesday, January 29 and 30, with an invitation extended to anyone who might be interested to come and hear interesting and instructive talks of interest primarily to the farmer and the farm woman of this section.

"The Texas Technological College wishes to go one step further than to be a place where high school students go for higher education", and announcement from the college reads, "As an institution devoted to the instruction of resident students, it has equipment and forces on its campus which can be used for several types of service".

The short course will be modeled after the "Farm and Home" programs of agricultural colleges of the Middle West. In addition to the staff of ten men in the School of Agriculture and the 8 women in the School of Home Economics, County Agents, Home Demonstration Agents, Experiment Station staff men, and others will appear on the program which will include talks on: Seed selection, soil and soil moisture conservation, marketing, selection of stock, dairying, healthful eating, use and care of rayon fabric, healthful salads, children's clothing, butter judging, selection of colors, curtains and draperies for the home, attractive desserts, yard improvements.

Except for the general meeting the first day when Dr. Paul W. Horn, president of the Tech will make a welcome address, and noon the first day when the Lubbock Chamber of Commerce will serve the farmers and farm women a free lunch, the short course will be conducted in two separate groups. The women will be gathered at the Home Economics Building, while the men will gather for their work at the Stock Judging pavilion. Full information may be had by

Ask Creation of Road District Along Denver

Commissioners Will Hear Residents of District at Floydada Tuesday, Feb. 12th

A petition was presented to the Commissioners' Court of Floyd county Wednesday of this week, by Artie Baker and others, with fifty-five names signed to same, asking that Road District No. 1 in Floyd county be created. The Commissioners' Court accepted the petition and ordered a hearing to be held in Floydada on Tuesday, February 12th, at which time the Commissioners' Court will act upon the petition presented.

The creation of Road District No. 1 is in compliance with the fulfillment of the order of the State of Texas in the opening of the Highway from Lubbock to Silverton along the Denver Railway, and the District will be composed of a strip of land through the county from four to five miles wide on each side of the Denver Railway through a part of Precinct No. 1, and entirely across Precinct No. 2.

The Denver Highway is a strip of road, about 66 miles in length running from Lubbock to Silverton, passing through the towns of Idalou, Petersburg, Barwise, Lockney, and Sterley, and connects with the Silverton and Clarendon highway on the north, which make a connection at Clarendon with four big northern highways; on the south at Lubbock the highways makes a connection with seven important highways, and when opened will be one of the most traveled stretches of highway in the western part of the state, some people claiming that the traffic over this road will be far greater than the traffic over the Lee Highway.

MRS. SAM MILLER OPERATED ON FRIDAY

Mrs. Sam Miller was operated on at the Lockney Clinic and Hospital Friday of last week for appendicitis. She was resting well at last reports.

THE LINE CAR AND FREIGHT TRUCK

There has been much said of late in regard to the proper status of the line car and freight truck using the highway and lateral roads of the country, and their place in regard to the other modes of transportation that is used for serving the public, and there is no doubt that it is time for some action to be taken in the matter, and the line car and freight truck being forced to pay their part of the expense of building and maintaining the roads of the country, and providing for terminal depots in each and every town they pass through.

The nuisance of the line car and freight truck has reached a point in every town where something should be done, and they should be put under control. Today the main streets of towns are used by the line cars as their depots, and they are permitted to use such streets when the tax-paying citizens are refused these same rights. Every town where line cars operate through should have depots for these line cars to receive and discharge passengers and express and the Line Car Company should be forced to establish and maintain such depots, where the cars of the companies could drive into and discharge and receive their passengers and cargoes. The same is true with the freight trucks in regard to using streets and highways for their loading and unloading, and parking depots.

The railroads have done more to develop the country than possibly any other corporations in the entire nation. They are tax payers on every kind of taxing proposition, they pay their taxes and do very little kicking about the taxes they have to pay. If a highway proposition or paving proposition is voted, they are taxed their pro rata for the expense of building and maintaining, yet the highways are allowed to be used by line cars and freight hauling trucks, and these lines of businesses are not forced to pay their pro rata of the expense. In other words the railroads have to pay and are offered very little protection by the state laws.

It is high time that the State of Texas should take some drastic action in the matter, and pass laws where the line car and the freight hauling truck should be taxed heavy enough to make them pay their rightful pro rata for the roads they use. The line car and freight truck do more damage to the highways and lateral roads of the state than comes from any other class of vehicles that use the roads and yet they actually pay less toward the building and maintaining of the roads than does the average passenger car of the individual. For instance a line car company will have headquarters in a town like Amarillo, they will run a line car service to Sweetwater, say they have ten cars on the route, big heavy cars carrying twenty to thirty passengers at a load; they will pay the license on one car in each county, and will run all ten of these cars over the highways across these counties from Amarillo to Sweetwater, therefore they are paying for one car in a county, but tearing up the road of that county with ten cars each day. It is not fair in any sense of the word. The individual passenger car will pay half or two-thirds as much for a single automobile in each county, and the owner will not use the highway one-tenth as much as one of the line cars, besides his car is light and will do very little damage to the road, and he is forced to travel on bad roads because the line cars and freight trucks have torn up the roads that he has paid to build. Then again, in regard to the railroad, they pay ten, yes, we expect, fifty times the tax for the building and maintenance of the highways and lateral roads and yet do not use the roads at all; or in other words they are forced to pay for the building and maintenance of roads for competition to use in order to cut down their volume of business, and the people of the country are forcing them to stand for such unfair methods, and doing little or nothing toward making the line cars and freight trucks pay their just dues in the matter.

As we see it, it is high time that the state railroad commission impose a high tax on the line cars and freight hauling trucks, and make them pay in accordance with their just dues for the use of the highways and lateral roads. A tax should be levied upon them at so much per mile according to their capacity, and they should be accountable to the State Railroad Commission upon the same pro rata that the railroads and street railway companies. Moreover, the state should force the line cars and freight hauling trucks to maintain in every town and hamlet a depot, where tickets are sold, informa-

tion given as to arrival and departure of cars, and where freight and express are received and discharged, putting the entire line car and freight hauling truck system under the same rigid commission that the railroads are forced to abide by, and making them pay taxes and adhere to the commission decisions in the same way and paying as much for the business they handle as the railroads have to pay.

Of course, the line car and freight truck is a new line of business in this country, one that has increased by leaps and bounds in the last few years, and heretofore, their status could hardly be defined so that state laws could take care of their earnings, but today they have become real competitors to the railroads; have really ruined the passenger traffic of the railroads, especially on short hauls, and they are each day cutting deeper into the railroad's business on the long haul passengers, as well as the trucks are eating away a vast amount of the railroad's freight business. It is alright for the line cars and trucks to do business, but let them do business along legitimate competition basis with the railroads and pay their share of the taxes, and also conduct their business along legitimate lines, and have depots and terminals in the towns they serve just like the railroads have to sustain.

Today the people are paying practically all the bills, while the line cars and freight trucks are getting their business furnished at a very low cost to them, and taking advantage of the tax payers that have made their business possible. A halt should be called on these cars and trucks and their owners and operators be made to pay their just dues, or be refused the use of our streets, highways, and lateral roads.

THE BLUE AND THE GRAY

Sixty-four years ago there ended a struggle which had threatened the very existence of our nation. A struggle in which two sections of our country had arrayed themselves against each other and fought for four years with bitter hatred. At that time it seemed to many impossible that the wound would ever heal, that enmities would be forgotten. Today, so complete has been the reunion of the two factions that it seems even more impossible that such a tragic affair could have occurred.

There remain but a few of the Blue and of the Gray who fought so valiantly and stubbornly for what each believed to be the right. With the passage of years they have forgiven and forgotten. Since the time of that futile conflict their descendants have fought side by side and with equal valor for the glory of the Stars and Stripes. It could not be said those of the North are more patriotic than those of the South.

These remaining few are fast succumbing to the ravages of time. While there are yet some of those two great hosts for whom taps have not been sounded, it is planned that there be held, in the city of Washington in the year 1919, a grand reunion. To this end Congressman Edgar Howard, of Nebraska, has introduced a bill to provide for an appropriation to bear the expense of such a reunion and the appointment of a commission to carry out the plans. The commission, as provided in the bill, would consist of the General of the United States Army, the commander of the Spanish-American War Veterans, the commander of the American Legion, the commander of Veterans of Foreign Wars, and such other persons as the President of the United States may appoint.

Such a reunion, symbolizing the complete unity of our nation, following the historic assemblies of the Blue and the Gray at Gettysburg, Vicksburg and Stony Mountain, and the return of Captured battle flags, would be an event of national significance and serve as an inspirational object lesson to our people for generations to come.

AMARILLO'S RAILROAD

In the Saturday Amarillo paper there was a nice little map on the front page showing a direct line of railroad from Paducah—that map may be alright, but it is not consistent with good sense. The Frisco has bought the G. T. & W. Ry., and has made application to build to Paducah, where it connects with the Q. A. & P. Ry., which is also owned by the Frisco. The Frisco wants to extend into the Plains country, and the "Q" is already running trains into Floydada, hence if they want to reach Amarillo with the Frisco line, wouldn't it just be common sense to extend the "Q" from Floydada to Amarillo. Well, when the Frisco pushes west we believe that it will be through an extension of the "Q" out of Floydada, and if they are going to Amarillo from Floydada, Lockney should worry—just take a look at the map. However, we have heard it rumored that the new line of the Frisco on the Plains would be from Floydada to a connection with the Rock Island over about the New Mexico line, and that the connection would possibly pass through the towns of Tulia and Hereford. If this is true Lockney should worry again, as any extension out of Floydada to the northwest would mean that the line would run through this town. If Amarillo gets a line of the Frisco, Lockney expects to be on that line.

PUT DOWN THE CASH

Well, boys and girls, there is just one more week left for you to get square with the state, county, school, and city governments on this tax paying question, and then the penalty begins. This time comes around once every year, and in order to redeem your property and be allowed citizenship you have got to "kickin." If it wasn't that we American people liked to live and have a lot of conveniences the tax that we would have to pay would not amount to much, but some how most of us wants to have every thing that is to be found in other good countries, and so we vote taxes and bond issues to get these things, and as a consequence we have to pay taxes to get them out of debt and keep our slate clear. I we had no school there would be no school tax; if we had no county government there would be no county tax; if we had no state government there would be no state tax; and while there might be a great deal of our tax money go to graft, a lot of it does a lot of good. About the only tax that we pay that we don't seem to be getting anything out of is the taxes that go into the highway department, and the reason that we are not getting something for this part of our taxes is not due to the state, but is due to the fact that we are refusing to take this money from the state, and are allowing the state to spend it in other parts of the state. While we admit that taxes are pretty high, we do not grumble at the amount we have to pay, and what we would like to see is a larger proportion of this money returned to the county, so the county could benefit more from the taxes they are paying out.

You have just one week in which to pay your taxes and not be assessed the penalty, also in order to redeem your voting power for the next year. Those who own property will have to pay their poll tax, if they pay their other tax, and if they wait until after January 1st, they will lose the right to vote. Every person, whether a land owner or not, should pay their poll tax. Just because this is an off year, no big elections on, is no reason for failing to pay your poll tax, as you never know what kind of election is coming up some time during the year, and you should always be in shape to take part in all propositions to be voted on, as voting is the way that things are settled in the United States; settle it at the ballot box, instead of in a war. Last year we settled Al Smith, Catholicism, and whiskey at the ballot box, and as we see it kept off a war in this nation that would eventually come about if it had not been for ballots. Your ballot should be one weapon that you carry with you all the time, and you should keep it in good working order, and the way to do this is to pay your poll tax every year before the first day of February.

SHOULD DO AWAY WITH HIGH TAXES ON PROPERTY

There is considerable talk pro and con concerning the voting of a special bond issue in the State of Texas for several hundred million dollars with which to build state highways, and the bond issue to be paid off by a gasoline tax. The proposition of levying bonds and assessing a gasoline tax of several cents per gallon to retire the bond issue would be alright, provided some changes were made in the road tax laws of the state, to become effective when the bond issue had been voted.

In the first place we have never seen no good reason why taxes should be levied on real and personal property for the building of paved highways since the advent of the automobile, and the creation of a highway department. In the beginning the state should have repealed all road taxes on real and personal property, and made a gasoline tax to take care of the highway department. Up to a few months ago the state collected 3c per gallon on gasoline, 2c of this went to the highway department, and 1c to the school fund; yet there was not one word said by the state about taking the road taxes of real and personal property while this gasoline tax was added. To begin with the highway department did not get but two cents of this tax the school fund getting the other one cent. This was unfair as the gasoline tax on motor driven vehicles should have gone to the state highway department and the school fund should not have received one cent of the money. The laws of Texas in the taxable matters take care of the school fund by taxation on real and personal property and there is no reason why they should pray upon the funds gathered by taxation on other departments of the state.

Mr. Sterling of the Highway Commission has it all figured out that the state can issue several hundred million dollars in bonds and retire the bonds and pay the interest on a 3c gasoline tax and we give him credit for knowing what he is talking about; so, that being the case why not have the legislature pass laws to repeal all the road taxes on real and personal property, subject to the voting of the bonds necessary to take care of the building and maintaining of all public highways and make the gasoline tax pay the bill. If 3c on the gallon of gas will take care of the state's highway building and maintaining program, then 2c per gallon of gas as tax should be ample to take care of the lateral roads in each county of the state and by repealing all other road tax laws and making a 5c per gallon gasoline tax, the entire road

proposition could be taken care of.

The persons who use the highways and lateral roads should be the ones that pay for the building and maintaining of such roads and the gasoline tax is the only fair and equitable way of making the people who use the roads pay for the roads they use. If a gasoline tax was levied for this reason then each person would pay his just part for building and maintaining the roads that he used, no more or no less, as every person would pay taxes just in accordance with the amount he used said roads. It is not fair to tax the property owners for road building and maintaining and then let the people who live in other counties and states use the roads free of cost, tear them up, cause heavy expense in re-building and maintaining. Through the gasoline tax is the only way each person can be made to pay his part of the building and maintaining of roads, and so long as road taxes are levied against real and personal property the tax laws in this instance will be unfair and unjust to the people of the state.

In passing such a law, there should be provisions made, in which where gasoline was sold for other uses than motor vehicles, which use the highways and lateral roads, the tax should not be collected, but to do this it would be necessary for the state to pass a law where the purchased would be forced to make affidavit that said gasoline was to be used for farm use or household use, and was not to be used in motor vehicles that run on highways or lateral roads, and those taking advantage of the law to secure gasoline for uses on the highways and lateral roads should be handled to the extreme limit of the law. This portion of the law would settle the question of the tractor and domestic uses of gasoline.

The property owners of the county are being taxed at this time in many unjust ways, and the eternal proposals of the legislature to continue making the load heavier on those who try to own real property has reached the point where it has become a curse, and a different course must be pursued in the taxable matters. It is fair and just to tax people for the things they want and believe that they should have, when same is shown that they do want it and must have it by a two-thirds vote at the ballot box; but it is not right to put an unjust tax on the real estate owner and make him pay the larger part of every tax that is assessed. A state taxation system should be worked out whereby each department of the state would be enabled to take care of itself through a taxation system that would collect taxes for that department off of the people who benefit directly from that department, and the tax should not be unloaded upon the real estate owner to pay all the taxes of the state. Today the real estate owners pay practically all the taxes that are collected for the upkeep of every department of the state, whether that department is for his interest or opposed to his interests, and the people who do not own real estate pay very little or no tax, except a poll tax, which allows them to vote taxes on all real estate owners. The present tax system is fundamentally wrong and should be corrected.

In the case of the highway department of this state, it can be more easily corrected in tax matters possibly than any other department, for the gasoline tax, which will make every person, whether he lives in Texas or not, if he uses Texas roads, pay his just share for the building and maintaining of the roads of the state and counties, and the present legislature should repeal the present

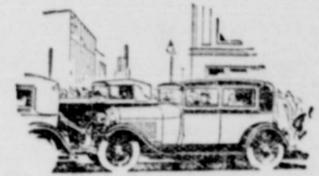

road tax laws subject to the passing of a gasoline tax, and let the people who use the roads pay the bill.

Mrs. Eldon Morgan and little son of Hale Center spent Monday in Lockney visiting relatives and friends.

Mrs. Fred Bell of Floydada was visiting in Lockney Monday.

Fred Lowe of Plainview was in Lockney Monday on business.

Safety, silence and simplicity are features of the new Ford six-brake system

ONE of the first things you will notice when you drive the new Ford is the quick, effective, silent action of its six-brake system.

This system gives you the highest degree of safety and reliability because the four-wheel service brakes and the separate emergency or parking brakes are all of the mechanical, internal expanding type, with braking surfaces fully enclosed for protection against mud, water, sand, etc.

The many advantages of this type of braking system have long been recognized. They are brought to you in the new Ford through a series of mechanical improvements embodying much that is new in design and manufacture. A particularly unique feature is the simple way by which a special drum has been constructed to permit the use of two sets of internal brakes on the rear wheels.

A further improvement in braking performance is effected by the self-centering feature of the four-wheel brakes—an exclusive Ford development. Through

this construction, the entire surface of the shoe is brought in steady, uniform contact with the drum the instant you press your foot on the brake pedal. This prevents screeching and howling and makes the Ford brakes unusually silent in operation.

Another feature of the Ford brakes is the ease of adjustment.

The four-wheel brakes are adjusted by turning a screw conveniently located on the outside of each brake plate. This screw is so notched that all four brakes can be set alike simply by listening to the "clicks."

The emergency or parking brakes on the new Ford require little attention. However, should they need adjustment at any time, consult your Ford dealer for prompt, courteous, and economical service. He works under close factory supervision and he has been specially trained and equipped to help you get the greatest possible use from your car over the longest period of time at a minimum of trouble and expense.

What's Doing in West Texas

Jan. 18.—Baird is building a new brick structure on Market Street between Fourth and Fifth to house the West Texas Utilities Company. The Utilities Company will use it as an up-town salesroom and office. It will be furnished with the very latest office equipment.

Plans are to start the preliminary survey for the new city lake for Hamlin within the next few days. The

new lake will be north of Hamlin on the T-Diamond ranch and will supply water for a town of from 15,000 to 22,550 people.

A volunteer fire department is being organized in Junction, as a result the fire insurance rate will be reduced fifteen per cent within the year. Thirty-five men compose the department, and drill twice a month. The city is planning to buy one thousand additional feet of hose.

Construction work is progressing on the new tile and brick home of the Texas Furniture Company at Olney. The foundation and walls have been completed of the hundred foot front

and one hundred foot extension to the back.

Bleachers intended to seat approximately 350 people have been set up in the Sul Ross College gymnasium. They run the entire length of the west side of the building and are five tiers in height. They are portable and can be used at the gymnasium, at the tennis courts, etc.

Snyder is soon to have a modern commercial airport. The 1200 acre plot was recently purchased for \$50,000.00. It joins the northern city limits, and will have a camp, water, gas, electricity, and sewage disposal, filling station, and other conveniences.

West Texas Today, official magazine of the West Texas Chamber of Commerce will be in the mails this week. The January issue carries more pecan stories, but is not a pecan special as last month. Development in different West Texas towns, and reports from secretaries of chambers of commerce served by the regional organization are given space.

Stamford—(WTCC) Because of the growing number of people who are becoming interested in the pecan industry in West Texas, the West Texas Chamber of Commerce has made arrangements with one of the better known pecan tree nurseries of this section to supply farmers in its territory.

These trees are two year olds, between three and four years, and between four and five years. The young two year old trees usually bring \$1.50 but can be gotten for \$1.00 by ordering through the regional organization. The three to four year old trees can be purchased for \$1.35 each if ordered through the West Texas Chamber of Commerce, but if ordered directly from the nursery would cost \$3.00.

The order will be received at the Stamford headquarters office of the WTCC, and will be forwarded to the nursery. The nurseryman will send the customer information as to setting out the trees and the proper care thereafter, inform him when his order will be filled, at which time the remittance will be made directly to the nursery and the young trees shipped.

All of the trees are of West Texas hardy root stock and budded with good hardy West Texas Paper shell varieties such as the Burkett, Halbert, and the Nuggett. Only one thousand trees have been arranged for at this rate by the regional organization and it is hoped that they will be distributed to at least one hundred farmers.

Atlanta County Mississippi in midst of dairy program

By M. B. Oates

Continuing our dairy tour of Mississippi, we visited Kosciusko, Atlanta County, which is in Central Mississippi. At this place we found furthering to a cotton country. Also we evidence of the adaptability of dairy-farming that another large milk concern has recognized the South as a coming dairying section.

Who's Who TODAY

"If knowledge is wrongly used—civilization commits suicide."

WHY WANDER—WE WONDER

Everyone should realize, we think, that the more money kept in home town banks—the more money such banks will invest profitably—the more money will be provided for helping finance local ventures of every promising sort.

So why send away money to be banked in the other towns or cities? Why wander—we wonder!

THE FIRST NATIONAL BANK
"There is no Substitute for Safety"

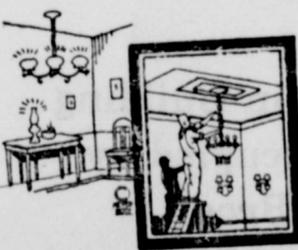

The House that Grew...

Sometimes the old house just naturally has to expand. You can make the extra rooms at low cost by partitioning with Sheetrock, the fireproof wall-board.

Sheetrock, which we sell and recommend most heartily, is made of pure gypsum rock, in great, broad sheets. Saws and nails like lumber. Decorates perfectly (all joints concealed). Let us show you a sample and estimate for you.

SHEETROCK

South Plains Lumber Company

MODERN FIXTURES ADD CHARM

OLD-FASHIONED lighting fixtures are as dowdy as old-fashioned hats. Modern fixtures add charm to a room as well as make it more livably cheerful. We can get you just the kind of fixtures you will like best. Phone us and we will gladly quote prices.

GEO. F. KINYON

Phone 92 In Beacon Office

At the time we were there the county agent had 25 meetings scheduled; the purpose of which was pasture improvement. He had a full page paid advertisement in the local paper on hairy vetch for pasture. In fact, Mississippi was in the midst of a pasture improvement campaign, while we were there. Nearly all the dairy counties had on a pasture improvement campaign. This properly goes with dairying and every Texas farmer who is milking cows should improve his pastures to the highest carrying capacity reasonably possible. Dairy herds are also being improved by placing forty pure bred bulls in the county.

The effect on town business was not so marked here as at some other places visited because the creamery had not previously had many patrons and the condenser had not been in business long enough to effect the ed from their experience with the farmers prosperity. However, we learned that the bankers have learn-creamery patrons that the farmer who milks is "good pay." We were told that the farmer who has been good rating at the bank, while those milking for five years or more has who are not milking have poor rating. Bankers there now ask how many cows a farmer is milking before they extend a loan. Previously the question was "How many acres of cotton are you going to plant?" and I fear that too many of our Texas bankers are still asking the latter question too often.

T. C. U. STUDENTS REPRESENT MANY DIFFERENT THINGS

Fort Worth, Jan. 23.—More students attending Texas Christian University with the surname of Smith than any other, according to a study made recently at the school. There are 21 Smiths enrolled in T. C. U.

The name Moore is next in popularity, with 16 bearing that name. Johnson and Thompson come next, with 11 each. Clark and Jackson, with nine students each, rank ahead of Jones and Brown, only eight students answering to the last two names.

Various animals, birds and insects are found among the student names, such as Beaver, Buck, Fox, Wolf, Gontes, Crow, Duck, Peacock, Martin, Wren, Leach, and Roach.

There is a Shipp with a Skipper and a Stoker, and many Carpenters, Potters, Weavers, Millers, Coopers,

Bakers, Farmers, Hunters, and the like Such royal and official titles as King, Knight, Pope, Wales, Dean, and Marshall are found.

Six colors are found in the T. C. U. student body—Brown, Gray, Green, Lavender, Black and White.

Halls, two Wards and Butlers and House, with two Kitchens, three Cooks are present, with such names of foods as Rice, Bacon, Coffey, and

Berry Many students are Long, Small or Strong Others are True, Wright, Sharp, Smart, and Wise.

There is Winter, with Snow, Hale and Flood. The good old Scotch prefix of "Mc" is attached to the names of 35 students in T. C. U.

Mr. and Mrs. T. B. Cox are moving this week to a farm they have purchased near Happy, Texas.

When some nerve gets squeezed by slip of the spine Vital energy's reduced along that nerve line. Distress of the body will appear here and there. Spinal adjustment gives the needed repair. All that is needed is just the bare hands, This the Chiropractor's trained to do. He understands.

HEAL THOSE SORE GUMS
If you suffer from Sore Gums, Bleeding Gums, Loose Teeth, Foul Breath, or from Pyorrhoea in even its worst form, we will sell you a bottle of Leto's Pyorrhoea Remedy and guarantee it to please you or return money. This is different from any other treatment, and results are certain.—Stewart Drug Co.

last week.

Born to Mr. and Mrs. T. C. Shepard, a girl, on January 10th.
Walter Patrick of Quitaque, who has been in the sanitarium suffering from a fractured leg has returned to his home.
Mrs. L. D. McReynolds of Aiken, who has been a patient in the sanitarium has been discharged and returned to her home after being under the care of physicians for several days.

Billie Grigsby of Floydada, who was accidentally shot recently and was brought to the sanitarium for medical aid is recovering nicely and returned to his home.

Little Marjorie Morehead of this city is recovering from a tonsil operation.

Miss Gladys Young of Turkey underwent a tonsilectomy on Wednesday of last week.

Miss Zona Gammill of Turkey, who has been a patient in the sanitarium for some time as the result of an operation for appendix with pus was discharged on last Thursday.

Mrs. E. J. Reeves of Turkey, who is in the sanitarium for medical treatment, is improving.

Alva Turner of Hereford is recovering nicely after submitting to a major operation on the 8th.

We are glad to report the condition of Mrs. W. D. Moreland of this city, who has been critically ill as improving.

Carroll McGlasson, Jr. of this city who underwent an operation for appendicitis on Saturday night of last week is recovering rapidly.

The condition of Mrs. S. R. Turner of Silverton is very favorable since undergoing an operation last week.

Leonard Anderson of Petersburg who suffered amputation of his left leg as the result of an accident on last Thursday is resting very nicely since.

Mrs. Henry Johnson of this city underwent a successful operation on last Friday.

Born to Mr. and Mrs. R. H. Hale of this city a baby girl on the 17th.

Eugene Prickett of Lockney, who was operated upon last Saturday for appendicitis, is resting nicely.

Mrs. J. P. Cole of Vigo Park is a patient in the sanitarium.

Mrs. W. T. Davis of Silverton is resting very nicely since undergoing an operation on last Saturday.

Miss Zollie Bomar of Silverton underwent a tonsil operation Monday.

W. T. S. T. C. News

Floyd County Club Elects New Officers

With an increase of several members the Floyd County Club met Tuesday, January 15 for the purpose of electing new officers. Lela Swain was made president, Ernest Carter, vice-president and Elma Cummings, secretary. The club plans to give a chapel program this quarter and to enjoy several social affairs. Members now total thirty.

W. T. Buffaloes met the Aggies of Goodwell, Okla., in two games here, Friday and Saturday nights. Buffaloes came out victorious in each game. The W. T. student body stands backing its cagers. The W. T. band, under Mr. C. E. Strain's leadership, helps to make pep evident in both the team and its boosters.

Elma Cummings, of Floydada or thereabouts, was made secretary of the Cousins Literary Society, for the winter quarter.

When that fresh zero weather blew down Saturday evening between 8 and 9 o'clock, one hatless collegiate was heard to say he believed he could use a hat as well as a coat.

The Children's Theatre program last week was a play called "Up Caesar's Creek." An all star boy cast put the play over in fine style. The typical city lad and country boy were portrayed in the play. Grown boys play these parts for the entertainment of the children. "Humpty Dumpty" and "Treasure Island" will be given soon.

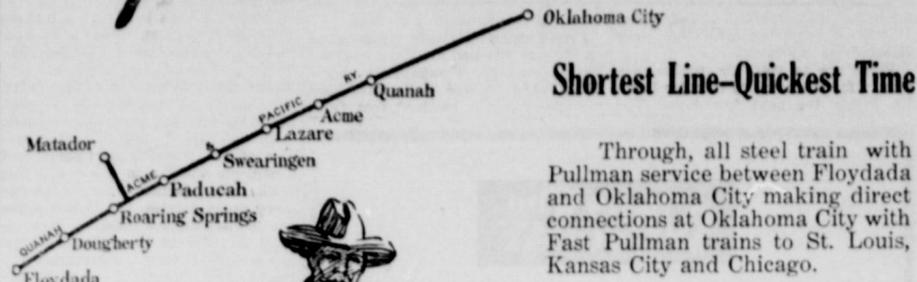

HOOPER, SMITH FILE CAMPAIGN EXPENSES

Washington, Jan. 21.—Expenditures of \$395,254.18 for Herbert Hoover and \$152,622.53 for Alfred E. Smith in their pre-convention presidential campaigns were reported to the Senate today by the campaign funds investigation committee. The report listed receipts of \$380,151.93 for the Republican candidate and \$142,248.96 for the Democratic contestant.

Artie Baker spent Monday in Fort Worth on business.

Mr. and Mrs. Fay Guthrie left Saturday for Waco, Texas, where they will spend about two weeks, visiting with Dr. and Mrs. Bates, and Mrs. Guthrie will receive treatment under Dr. Bates.

SOMETHING TO BE THANKFUL FOR

Although most of us fret and worry at being ill a week or two with the flu, we never think about the many, many things we should be thankful for. Why should we think we are just naturally unlucky?

Think of the poor savages in Burma; they live in extreme filth. They subsist on rice, which rats cannot live on; they have superstitions which, to us, are absurd. Many of the unlucky savages become insane under these dire conditions,—and at an early age, about eight or ten, they are driven out of their homes to live or die with the wild beasts of the forest. Day after day they gather loads of sticks, and carry them to the kind hearted villagers to trade for crumbs, which scavenger dogs in America would not touch. Why do you or I think we are unlucky?

Think of the poor soldiers of Valley Forge. Their hardships were many;—their bare feet left prints of blood in the snow, they did not have blankets to wrap their scantily clothed bodies in at night, and they had only a handful of parched corn for their meals; to these men we are indebted for our American freedom. Why should we murmur?

Think of the cruelty of the middle ages, when might was right, and every man's life was sought. Many were cast into dungeons to die of loathsome diseases.

Then think of the overflowed districts where houses and barns are submerged; the people are forced to hang to limbs of trees through long and tortuous hours. Ask yourself if we should be unthankful.

We live in a land of plenty, and enjoy peace and liberty. We are not immune to sickness and suffering, but we are as nearly so as humans usually are.

Let us show our gratitude for our many blessings.

JOKES

Mr. Reid: What were you before you married?

Mr. Biggers: I was a lecturer.

Mr. Reid: Is that so? What made you drop it?

Mr. Biggers: Oh, my wife took it up.

Miss Rice: Jim, do flowers go to sleep?

Jim: Yes.

Miss Rice: Can you prove your answer?

Jim: Why, yes, I heard one snoring once.

New Courses Offered This Semester

With the approach of the second semester the seniors are busy arranging for the two new courses which are to be offered this term. Those pupils who have finished economics will now begin the study of

Outlaw Added to Faculty of Lockney Schools

Another outlaw has been added to the faculty of Lockney Public School. You, see someone started the idea that wives of faculty members were called in-laws and that husbands of faculty members were out-laws. The latter group has received reinforcement by a wedding which came as a surprise to many—that of Miss Fannie Lee Mason to Mr. Luther D. Harris.

The marriage was solemnized Friday evening, January 18, in Muleshoe, Texas. Following the ceremony Mr. and Mrs. Harris went to Clovis. After having spent the week-end in Clovis and Lubbock, they returned to Lockney Sunday night.

Mrs. Harris is the daughter of Mr. and Mrs. C. C. Mason of this city. She is a former student of West Texas State Teachers College, Canyon, and for the past two years has taught in the intermediate department of the Lockney school, which position she now holds.

Mr. Harris, the son of Mr. and Mrs. G. B. Harris, has grown up in this community where he graduated from high school in 1924. Since then he has attended Abilene Christian College, Abilene, and Texas Technological College, Lubbock. At present he is a representative of the Southwestern Life Insurance Co. for this city.

The fact that Mrs. Harris is a teacher here and Mr. Harris is a former graduate of Lockney High School makes their marriage one of much interest to the student body and faculty who extend their congratulations and best wishes.

Enrollment Steadily Increasing

The enrollment of our school has increased gradually since its opening in September; and in keeping with that fact, several new pupils were enrolled on Monday morning following the mid-term examinations.

Edgar Morgan, who has been attending school in Paducah and Louis Lee who was in school here last year have enrolled in the senior class.

Linnie Hise, from Howard in Haskell county and Eve Dean Murrell from Leonard are new members of the Sophomore class. Bennie Virden of Pleasant Valley re-entered the Freshman class.

The student body and faculty welcome these new pupils, and sincerely hope that they will enjoy their work.

Longhorn Editor Improving

Kline Nall, who has been suffering from a broken leg, is now speedily improving. He is walking on crutches, and it is only a matter of time until he will be able to return to school. The student body, and especially the staff of the Longhorn Page, will welcome him back to school. We are very glad to have an editorial from him this week.

commercial geography and the commercial arithmetic class will take up the study of solid geometry. The economics teacher, Miss Thompson, and the commercial teacher, Miss Rice, give a favorable report of each class. They say that the pupils have done well. It is hoped that in the next semester's work, the pupils will be as interested as they were in the preceding one.

Preparations for Musical Festival at Lubbock

The Musical Festival at Lubbock is only seven weeks from now and most of the music pupils are busy preparing their numbers for the occasion. There will be from twenty to twenty-five piano solos entered in the contest and ten or twelve piano ensembles.

Last week the more advanced students began work on technique with the metronome set at fifty. As correct fingering position, and rhythm are learned the pupils advance the speed of the metronome. No one will be permitted to move up in tempo until these three points are satisfactory. A prize is offered to the one attaining the highest tempo mark by the date of the Lubbock Festival, March 14th. The pupils beginning this work are Doris Brown, Gene Dyer, Evon Griffith, June Guthrie, Virginia Hohlaus, Mary Leda McAdams, Anice Stewart, and Ethelene Wofford.

Virginia Hohlaus is the first pupil to finish the work for the Second Honor Roll, which is reciting thirds and fifths up and down from any key. Agnes Cooper, Wilma Cooper, and Milton Adams, have finished twelve perfect copies of the major scales in ten minutes' time.

Leota and Leona Shelton have their names on the First Honor Roll for building the tetrachords in four minutes.

We are glad to have Dockey Ball in the class. He began his studies this week.

INTERMEDIATE DEPARTMENT

The intermediate department has been concerned this past week chiefly with reviews and examinations. Many have been absent several days prior to the days for the examinations, but very few were out the last two days of the week at which time the examinations were given.

The absentees from the seventh grade rooms were Willie Hill and Lela Comer. Those absent from the sixth grade were Mary Williams, Maxine Cunningham, J. C. Anderson, and Mildred Cunningham. More were absent from the fifth grade rooms than from the others. Among those absent were Junior Busby, Junior Teaver, Charlie McDonald, Vivian Pittman, Juanita Still, Lendal Shadix, Jimmie Gentry, Joe Brannon, Wilma Pearson, Walter Reves, and Cecil Williams, most of these were absent on account of illness.

First Grade A

Mrs. John Broyles, our room mother and Mrs. W. L. Thomas visited in our room last Monday.

Mrs. Arthur Barker visited Monday afternoon. We are always glad to have visitors.

We have a Miniature Educational

Seniors Exchange Plays With Floydada School

According to an agreement arranged by Supt. W. D. Biggers of Lockney and Supt. W. E. Patty of Floydada, the Senior classes of these schools will exchange plays this year for the benefit of class projects. The agreement provides that the entire proceeds of the evening's program shall be received by the class in whose school the presentation is made.

The Lockney seniors fulfilled their part of the contract on the evening of January 18 when they presented the play "Icebound" in the Floydada high school auditorium.

Despite the fact that the players were working under difficulties, some of them being understudies, the play was successfully given. The Symphonic Six gave an excellent "between-act" performance.

The Dramatic Club of Floydada is to bring their play "And Mary Did" near future. The entire proceeds from this play will go to help pay for the project of the Lockney Senior class. Watch for the date, and, if, for no other reason, come to help the seniors pay for the clock system.

PERSONALS

Melvin Walters has been absent several days due to illness in his home.

Adolphus Grubbs is still absent. We hope he will be back soon.

Katherine Alexander was absent four days last week.

J. B. Reece, Willie May Wright and Wynona Wofford were absent Monday.

Among the Sophomore absentees Monday were Susie Williams, David Hamilton, and Edwin Hammonds.

Watch for the sneeze: "She speaks fluently," remarked a girl behind us at the movie—talkie.

"Naturally," remarked her companion, "with so much flu out there in Holloywood."

—Boston Manuscript.

School Store exhibited in our room, which is being used to give the children instruction in arithmetic, grammar, thrift, marketing, and spelling.

One of the strongest features of the store is in teaching arithmetic. One child is chosen to act as grocer. Another is sent to the store with a specified amount of money. Each article purchased is called out in a clear voice so that the other children in the class can enter the purchases upon a sheet of paper. In this way, each pupil makes out, extends and totals the bill.

The children enjoy playing store very much.

Longhorns Win From Petersburg Hi 32-14

The Lockney High School Basketball team went to Petersburg last Friday night and won a hard fought game over the Petersburg team. At the end of the first quarter, Petersburg was leading by a score of 8 to 4 and it appeared that they were the better team. But during the next three quarters the Longhorns began to hit the basket with much regularity and the final score was 32 to 14 in favor of the Longhorns.

The guarding of Edwards featured for Lockney.

Those starting for Lockney were Spence and Miller forwards; Phillips, center; Walters and Edwards, guards. Substitutes for the Longhorns were Stowe, Fowler, Wofford, and Trammell.

Walls, Lockney's center, is out indefinitely on account of a broken hand.

SPANISH INSTRUCTOR UNABLE TO ATTEND CLASSES

Mrs. Fay Guthrie who is instructor of Spanish in high school, has been unable to attend classes for several days, because of a nervous trouble from which she is suffering. Her physician has advised a rest, and for that purpose she has gone to Waco and other points down state.

It is expected that Mrs. Guthrie will be able to return within a week or so. Miss Elsie Simpson, has been transferred from the intermediate department to substitute for Mrs. Guthrie, and Spanish classes are now meeting regularly.

PROGRAM FOR P. T. A. THURSDAY, JANUARY 24

Subject: Know the Needs of Your School.

1. What Material Aid Can a P. T. A. Give.—Mrs. McAdams.

2. How Can a P. T. A. Form Favorable Public Opinion for the school?—Mrs. Stapleton.

3. How Can Home and School Cooperate?—Mrs. Hohlaus.

4. Music—June Guthrie.

Dentist: "I'd better put a crown on for you."

Politician: "Never! I'm a republican."

J. D.—"What kind of a loud speaker have you?"

David—"Quite a large one, she's five feet five inches in height, and weighs two hundred and twenty-five pounds."

Jim: "Did the honor system work well in your college?"

Joe: "Yes, until some darn sneak went and squealed on us."

Rev. Stephens Speaks To High School Students

The high school students assembled in the auditorium Tuesday morning where they were given a lecture by Reverend J. E. Stephens, pastor of the Methodist church.

At his request the students rose and repeated the twenty-third Psalm. Then followed a prayer by Reverend Stephens.

The subject of his talk was "Striving." He showed the students that the great things in life are attained by striving hard every day. The person who attacks the small tasks with determination will eventually master the worth-while things in life. Opportunity is knocking at people's door at all times so by taking advantage of these smaller opportunities day by day we may master the supreme opportunity more easily.

The students were refreshed and inspired by Reverend Stephens' lecture, and are looking forward to having him talk to them again.

GIRLS TEAMS PLAYING EACH WEEK

The Basketball Girls are playing a few games now and then. The first team failed to get to play their games scheduled last week because of sickness at Lorenzo and Quitaque. They are now scheduled to play Petersburg on Lockney's court next Friday, January 25. Every one interested in them, please see their game.

The second team is having little success in scores, but they are having the games and the fun. Last Wednesday, January 16, they played Aiken on Lockney's court. They became excited and played their best when "Pop" Biggers, on the side line told them to. The score was 30-15.

Monday they went to Prairie Chapel and had another thrilling experience. They were no match for Grace Teaff, who made forty-five scores, but Elsie Meriwether made nearly as many in the one game as she has totaled in all the games during the season. Mrs. McAdams, who saw them play their first game said she could not realize that the team playing Monday was the same one she watched during their first attempt.

Lockney's third team is scheduled to play Roseland on Lockney's court next Thursday at four o'clock. If you wish to see a real good game, do not miss that one.

The girls are still selling candy every day and lunches every Wednesday. Buy from them.

Jacob's January Clearance

Will close promptly with the month so there remains only eight more days. You who have not participated will do well to take advantage of the many money saving bargains. Oklahoma Governor Suspended From Office

Senate's Rush Move Results In 38-5 Vote—Hearing Set for January 28th

Oklahoma City, Jan. 21.—Sweeping aside comparatively feeble opposition the Oklahoma senate late today suspended from office Gov. Henry S. Johnston, less than a half hour after it had received five articles of impeachment voted last week by the house of representatives.

W. J. Holloway, lieutenant governor, notified Johnston that he was assuming the gubernatorial office during the suspension. The senate resolved itself into a court of impeachment and organized for the trial of the governor and the house investigating committee, which returned the charges, resumed its inquiry into affairs of state departments.

Saying that while he felt the suspension had not been carried out in a legal manner, he would not resist it. Governor Johnston received the news of his temporary removal quietly. It was his contention that the senate should not have received the impeachment charges until after it had resolved itself into a court and that his suspension by the senate as such had no force. He said he would not attempt to retain his office, however, as it would create a situation of dual government which he wished to avoid.

Johnston May Keep Office
Acting Governor Holloway, in the letter notifying Governor Johnston of his assumption of the office, extended to him the privileges and use of the executive offices during the period of suspension. The acting governor said he would continue to use the office of lieutenant governor.

Although the governor is a Democrat, opposition to his suspension was led in the senate by a Republican, W. T. Clark of Medford. A resolution which would have pledged the senate

against suspension was introduced by Clark and Fletcher Johnson, Democrat of Bristow, before impeachment charges reached the senate.

Clark contended that the personal integrity of the governor had not been attacked and that no harm would be done by allowing him to continue in office.

The vote on a resolution of Senator Paul Stewart, Democratic leader, to notify the governor of his suspension was 38 to 5. Clark was the only Republican voting against the resolution.

The senate court of impeachment was organized soon after the suspension was ordered.

Trial Set January 28
January 28 was set as the date for appearance of Governor Johnston before the court to enter a plea, and a recess until January 25 was taken.

Citation by Publication
THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—GREETING:

You are hereby commanded, that you summon, by making Publication of this Citation in some newspaper published in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, C. D. Potter, whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be holden in the County of Floyd, at the Court House thereof, in Floydada on the Fourth day of March, A. D., 1929, then and there to answer a petition filed in said court, on the 21st day of January, A. D. 1929, in a suit numbered on the docket of said Court No. 2123, wherein Wanda Potter is plaintiff and C. D. Potter is defendant. The nature of the plaintiff's demand being as follows, to-wit: That plaintiff is now, and has been for more than twelve months prior to the filing of her petition an actual inhabitant in good faith of the State of Texas, and has resided in Floyd County, Texas, for more than six months next preceding the filing of her suit.

That plaintiff and defendant were lawfully married in Hale County, Texas, on or about March 31, 1923, plaintiff then being a single woman. That they lived together as husband and wife until on or about September 15, 1924; that plaintiff was at all times a dutiful wife, conducting herself with propriety, and treating defendant with kindness; but that on or about said 15th day of September, 1924, while they were living at Snyder, Texas, where plaintiff had obtained employment as a teacher in the schools, and which she was compelled to do in order to provide herself with the necessaries of life, defendant without provocation, and without fault on the part of plaintiff, secretly abandoned plaintiff, and left for parts to plaintiff unknown, and since which said date defendant has never directly nor indirectly in any manner communicated with plaintiff, nor contributed in any manner to plaintiff's support; that since which said date, the place of residence of defendant has all along been, and is at this time to plaintiff unknown. Plaintiff prays that defendant be cited as the law directs to answer this petition, and that upon hearing hereof, she have judgment dissolving the marriage relations between plaintiff and defendant, and that her maiden name, "Wanda Montague" be restored, and plaintiff prays for general and special, legal and equitable relief.

Herein fail not, and have you before said Court, on the said first day thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Floydada, Texas, this, the 21st day of January, A. D., 1929.

T. P. GUIMARIN,
Clerk District Court, Floyd County, Texas.

LOCKNEY CLINIC ITEMS
Busy times during the flu epidemic have made it impossible for the regular news items to be compiled and there has, consequently been no such news printed in the past two weeks. The severity of the epidemic has passed, apparently, and conditions promise to be more nearly normal in the future.

Leon Douglas, who has been in the hospital for several weeks, has been discharged and is now attending the clinic regularly for necessary dressings. Leon was painfully burned on both arms several weeks ago but, has, fortunately, recovered from the more serious part of his injury.

Miss Opal Higgins of the Alcano community has been discharged after having passed a normal convalescence following an operation some two weeks ago.

Bert Oldham of Sterley is recovering nicely from an operation for gangrenous appendicitis.

The lusty cries of Robbie Jo Willis have permeated the halls of the hospital since January 15th. Robbie Jo is the daughter of Mr. and Mrs. J. E. Willis of Turkey, Texas. She was born at the hospital at eleven o'clock on the fifteenth and has managed the hospital very nicely since her arrival. The young parents may justly be proud of this wonderful addition to their family.

Mrs. Sam G. Miller was operated on for acute appendicitis last week and is doing nicely at this

writing. No complications are expected in this case and Mrs. Miller will be able to leave the hospital in a few days.

Harlan, young son of Mr. and Mrs. B. H. Willis, south west of Lockney, has been seriously ill with pneumonia with complications of Intestinal influenza and empyema. The latter of these conditions requiring an operation for drainage of pus from the lung. The baby's condition is reported as improving at this writing but due to the extreme seriousness of the condition will not be out of danger for some days yet.

D. A. Johnston, employee of the Lockney Cotton Oil Co. had three fingers of the left hand mangled to the extent that amputation was necessary. This operation was done and the patient is resting very nicely during the few days that have passed. The date of the accident was January 9th.

MEADOR BUYS CRAGER PICTURE FRAMING OUTFIT

A. R. Meador has purchased the complete stock of picture framing apparatus and mouldings, which he will operate in connection with his picture shop, and will put him in better shape to handle all kinds of work.

Mrs. D. D. Temple, who has been here the past week, visiting her daughter, Mrs. R. G. Porter, left Wednesday for Tulsa, to visit another daughter, Mrs. J. E. Swepton, before returning to her home in Los Angeles, Calif. Mrs. Porter accompanied her as far as Plainview, where they spent the day with friends.

Mrs. Z. T. Riley is visiting Mr. and Mrs. Grady Brewster at Perico, Texas, this week.

Jeff Collins and H. B. Mann returned Wednesday from Amarillo, where they had been attending a Soda Dispensers School of Instruction.

ROSELAND

Jan. 22—The flu epidemic seems to be about over in the community. Mrs. J. W. Sims spent Monday in Lockney visiting Mrs. W. K. Early. Mr. and Mrs. W. A. Whitlock and Mrs. Roberson were Lockney shoppers Monday. Most every body attended the poultry show in Lockney Friday and Saturday. Mrs. F. S. Byars and Mrs. James Smith won first prizes on turkeys and Mrs. Smith won on White Leghorn chickens. Henry Roberson is reported much improved this week. Mrs. Guy Sams and Jimmie, Mrs.

E. J. Thomas, Will and Anna Sims visited in Plainview Monday. Mr. and Mrs. O. E. Wicker were called to Oklahoma last week to be at the bed side of his grandfather. Mr. Lester and sons were in Floydada Saturday.

MUNCY

Jan. 22—Several families in the community are moving out this week and others are moving in. A new pupil entered school this week. Mr. J. J. Smalley and family spent Sunday afternoon with Mr. W. G. Ferguson and family. Mr. and Mrs. J. F. Biggs and family visited Mr. and Mrs. N. J. Smalley Sunday. Rev. R. E. Bost, the Baptist County Missionary, was at the R. E. L. Muncy home Sunday night. Miss Jewel Williams is able to be with us again, after having the flu. Miss Flossie Ferguson spent Saturday night with Mrs. Edd Muncy. Mr. Bud McCada and family are moving to their new home in the Center community. We are very sorry to lose them. Mr. and Mrs. Edd Muncy spent Sunday afternoon with Mr. and Mrs. Jack Hough. Mrs. La France and family have moved into Mr. Hugh Carroll's home. Mrs. Earl Smalley won very ill Monday, but we are glad to report her feeling better at this writing.

MAYVIEW

Jan. 21—Several people still have the flu, but most everyone is up and about again. Sunday school and B. Y. P. U. were well attended Sunday. We had a very good attendance at singing Sunday afternoon. Grace McNeill took supper with Faye Ferguson of Dougherty Sunday night. Jewel McNeill ate dinner with Mr. and Mrs. C. A. Smith Sunday. Dorothy Jess Smith and Robert Ardry and wife visited R. L. Ardry's family Sunday. Cozette Ferguson and Lou Ella Lincoln visited the McNeill girls Sunday. Most of the young people of this community attended the box supper given at Dougherty by the Chamber of Commerce Friday night. The supper brought \$75.00, half of which will be set aside for the beautifying of the new school grounds at Dougherty. Vollie and Thelma McNeill visited relatives in Fairview community Sunday afternoon.

T. J. Campbell and family spent Sunday visiting relatives near Roaring Springs. Next Sunday is Bro. Shannon's day to preach here. Come and hear him.

RAMSEY

Jan. 22—Mr. Bradley Davis and daughter, Lois, of Amarillo, spent the week-end at the home of his parents, Mr. and Mrs. J. R. Davis. Mrs. Luther Rhine visited Miss Myrtice Meador last Thursday. Mr. and Mrs. W. E. Thornton were Floydada visitors last Monday. Mrs. J. R. Davis visited at the home of Mrs. Landrum Sunday afternoon. Mr. and Mrs. C. K. Rhine and sons, Kelly and Jack, of Plainview were down Saturday visiting relatives and friends. Katherine Miller spent Sunday nite with Louise King. Mr. and Mrs. Claud Carpenter of Center were guests of Mr. and Mrs. Judson Miller Sunday. Mr. J. R. Davis and Maurice King installed new radios last week. Raymond Whatley, who has been ill with the flu at the home of his grandmother, has recovered and returned to his home at Lockney Wednesday.

PRAIRIE CHAPEL

Jan. 23—The majority of the pupils are back in school this week. We have had one new pupil to enter school also. Mr. and Mrs. Creed visited in the home of Mr. and Mrs. Lovell Monday night. Mr. W. A. Carthel has relatives visiting from Oklahoma this week. Miss Luella Walters has been seriously ill for the past few days. She was taken to the sanitarium Wednesday afternoon for treatment. We surely do hope that she will soon recover and be back with us in school again. Mr. Nicholas spent last week-end in Seagraves, he carried his sister, Beatrice, home. Mr. G. E. Tannahill is having a public sale at his place Thursday, Jan. 24. The basket ball girls will sell pies and the proceeds will be used for the benefit of the school. The club ladies met at the teacherage Tuesday afternoon. Miss Bass was to have met with them, but for some reason didn't come. The high school play, "A Fortunate Calamity," was given at Aiken last Friday night, also at Irick Tuesday night. Our basket ball boys and girls have played a series of games this week. Monday afternoon our boys played at Sand Hill. Our team was defeated, but intend to win the next game. The girls played Lockney's second team here Monday afternoon. The score being 23-43 in favor of Prairie Chapel. Three of the main players on the team were out. Wednesday afternoon both teams played Liberty at Plainview. Both teams were defeated by a small majority however, both teams did excellent playing. Our next game will be with Irick, Friday, Jan. 25. Remember the game and let's boost for them for we must win.

AIKEN

Jan. 22—Several new pupils have enrolled in school the last week. There are still some new families to move into our community. Mr. Reed Hartley and family will move to the place now occupied by Mr. McMinn. The McMinn family will move near Lockney. We regret very much that they are leaving our community. The play which was given at the school house Friday night by Prairie Chapel school was very good indeed. Not so many people present as had been hoped that there would be. Mrs. McReynolds seems to be improving now. Marvin Glenn Marshal gave a birthday dinner Sunday. Miss Hastings and a number of pupils in Marvin's room, were present and enjoyed the nice dinner. C. E. Meredith Jr., visited with homefolk Saturday. We were very sorry indeed to hear of Luella Walter's illness. We wish for her a speedy recovery. Miss Hastings' father and mother came down from Canyon and visited in our community Saturday. Mr. Sheldon, who has recently returned from the Phillipine Islands will lecture at the school house Tuesday night. Bro. McCormack, Mrs. McAvoy, and Mrs. Marshall attended the Methodist conference at Plainview Friday. Mr. Robert Jones is on the sick list this week.

PLEASANT VALLEY

Jan. 22—Mr. and Mrs. W. F. Barnes and sons, Newlan and W. F., visited Mr. and Mrs. Simmons Sunday afternoon. Mr. and Mrs. W. E. McClure and family visited Mr. and Mrs. Bloxom Sunday afternoon. Eugene Harris came down from Canyon to spend the week-end with his parents, Mr. and Mrs. C. F. Harris. Mr. and Mrs. T. B. Mitchell and family spent Sunday with Mr. and Mrs. W. C. Hubbard. Mr. and Mrs. H. O. Shurbet spent Sunday afternoon with Mr. and Mrs. Lee Reeves. Mr. and Mrs. Collis and family enjoyed a fine turkey dinner at Mr. and Mrs. Goods, of Barwise, last Sunday. Mr. and Mrs. Lonnie Byers of Canyon were down Sunday visiting their parents, Mr. and Mrs. N. T. A. Byers.

Mr. and Mrs. E. T. Pratt and daughter, Gladys, were Floydada visitors Saturday.

Mr. and Mrs. Lee Reeves visited Mr. and Mrs. Bloxom Saturday night. Mr. and Mrs. W. T. Hater of Plainview visited Mr. and Mrs. W. F. Barnes Saturday night. Mr. Reasonover and family moved from the Pleasant Valley community to the Irick community last Saturday. Their moving took four children from the school.

Pleasant Valley is proud of the winners in the chicken show last Saturday. Mr. and Mrs. F. U. Payne won first old pen, first young pen, second and third hens, and first cockerel. Mr. Payne won second and third on young pen of Buffs. Pleasant Valley j'ns in something in every thing they enter.

Mr. and Mrs. W. E. Lowrance and Mr. and Mrs. F. U. Payne spent Sunday afternoon with Mr. and Mrs. Edd Pratt.

Mr. W. E. McClure traded off his old Ford touring car and now drives a Ford sedan.

Mrs. W. C. Hubbard spent Wednesday of last week with Mrs. E. C. Martin of Lockney.

Mr. and Mrs. Reeves and daughter of Olton came in Monday for a visit with their son, Lee Reeves.

Mr. and Mrs. S. H. Hudson of Parnell visited Mr. and Mrs. D. P. Childress Saturday night and Sunday.

GOODNIGHT

Jan. 22—Mr. John Taylor made a business trip to Floydada Monday. Mrs. Emma Cassidy of Quitaque spent Sunday with her parents, Mr. and Mrs. A. B. Smith.

The following were guests in the D. A. Matthews home Sunday: Jessie Harvey, Sarah Harvey, Fred Morris, John Harvey, Clifton McGlothlin, Burl McGlothlin, Edwin Smitheman, Earl Chota, and Mr. and Mrs. Allie Gough, all of Quitaque.

There was church services here Sunday evening. The Methodist pastor preached a fine sermon. There was a large crowd present.

The basket ball boys went to Sunset last Friday and played a swift game with the boys up there. The Sunset boys won. The Goodnight boys intend to play Gasoline Friday and we hope for better luck this time. J. C. Lindsey of Lakeview was a guest in the J. I. Merrell home over the week-end.

Mrs. Cable of Oklahoma has been visiting her daughter, Mrs. F. M. Ramsey, for the last few weeks. She says she likes the country fine. Eura Mrs. Johnson visited. Easte Walker Sunday evening.

Mr. and Mrs. Alva Davis and family of Quitaque spent Sunday with his parents, Mr. and Mrs. Will Davis. Mr. and Mrs. Leonard Merrell and Mr. and Mrs. W. B. Taylor went to Matador Sunday.

Mr. and Mrs. E. P. Woods and family were in Quitaque Saturday. Mr. Lindsey Walker of Quitaque visited his brother, Marvin Walker.

Mr. A. M. Roberson of Howard County, Ark., has moved here. We all hope they like our country. Mr. J. I. Merrell and family were Quitaque visitors Saturday evening.

Boyd Holland of Plainview visited in the C. I. Keisling home Monday.

Mr. Gus Smith and little daughter, Marie, were in Quitaque Friday evening.

Maude Dunham of Quitaque spent Saturday night with Isabel Kelly. Mr. and Mrs. E. Baker visited Mr. and Mrs. Edgemon of South Plains Monday.

The E. A. Kent family visited Mr.

and Mrs. Palmer at Quitaque Saturday.

COOPER BROS. HARDWARE

COUNTY BRIEFS

LUTHERAN NEWS

Jan. 21.—School is progressing fine here now. Mr. Brock is much improved in health we are glad to learn. The families, who have been having the flu are about to get well again we are sure glad to report. Mr. Bob Davenport of Aiken visited his brother J. W. Davenport, last Saturday here. Mr. and Mrs. J. W. Gamble and family, also Mr. and Mrs. Dickens, were the guests of J. D. Kennedy and family Saturday night. Mrs. C. E. Goings of Liberty visited her daughter and family, Mrs. Bill Sammann, last Thursday. Dave Kennedy and wife took in the poultry show at Lockney last week. R. Crouch was in Plainview Saturday on business. Mr. and Mrs. K. Sammann were in Plainview Saturday shopping. Mr. and Mrs. Kennedy visited in the Snyder community last Sunday. Mr. McLaughlin was in Plainview Saturday on business. Mrs. Collins has moved from here to a new location.

LONE STAR

Jan. 20.—Work was begun on the Methodist church last week. It is to be taken down and rebuilt at Sterley. Miss Pauline Stevenson spent the week-end at Canyon. The ladies of the P. T. A. sold pies at the public sale held at the home of Mr. E. J. Bragg on Monday. Mr. and Mrs. D. D. Tate of Aiken spent Sunday with Mr. and Mrs. T. J. Jarboe. Mr. Cook, principal of Sunset school, brought his boys' and girls' basket ball teams over for games Friday at noon. The games were called off, however, on account of the high wind. A drug business has been installed in the stucco business house at Sterley and it is reported that we are soon to have a dry goods store. Mr. and Mrs. C. W. Jackson of Plainview spent Tuesday and Wednesday with Mr. and Mrs. C. C. Reddie. Mrs. T. S. McGahee went to Abernathy Wednesday where she will spend some time with her mother and sister.

PROVIDENCE

Jan. 22.—Mr. and Mrs. Dameron and family are visiting relatives in East Texas. Mr. Harold McLaughlin and Miss Nela White visited Mr. and Mrs. Joe Phillips Sunday night. There will be a party at Mr. and Mrs. Earl Blackerlys Thursday night. Every one is invited. Mr. Joe McPeak visited friends in Floydada last week. Several of the young people attended a party at the home of Mr. and Mrs. Albert Lindemann's Friday night. Misses Meta and Annie Lindemann and Mrs. Annie Lee Lindeman spent Wednesday with Mrs. Wade Lovvorn. Mr. and Mrs. Willard Phillips visited relatives near Hale Center Sunday. Mr. and Mrs. Wayne Carthal spent Sunday in the Taylor home. Mrs. Ila Powell spent Sunday afternoon with Mrs. Lee Bennett. Mr. and Mrs. Willard Phillips visited in the O. L. Bennett home Friday afternoon.

IRICK

Jan. 21.—Mr. and Mrs. Harkines and family spent Sunday with Mr. and Mrs. Roberson. Mr. and Mrs. Phillips and family spent Sunday with her sister and family, Mr. and Mrs. Poage. Mrs. L. H. Trotter has a severe attack of tonsilitis the past few days. Messers. Jack and Elmo Ellis of Snyder were welcome visitors in this community this week-end. Mrs. Moreland spent Sunday afternoon with Mrs. Trotter. Every one enjoyed a party at the home of Mr. and Mrs. C. W. Murphy. Misses Ora and Gladys Ellis of Snyder and Mr. Geo. Blanton of Dimmitt, were visitors in this community Sunday afternoon. Little Lavell Billingsly was taken to the hospital Saturday and underwent a slight operation. Irick and Aiken played basket ball Monday afternoon, the score being 16-20 in favor of Aiken. Everyone enjoyed a singing at the home of Mr. and Mrs. Glass Sunday night.

SUNSET

Jan. 21.—There is still some flu in our community. The health officers were out last week and quarantined one family with scarlet fever. We have had very poor attendance in our Sunday school on account of flu.

Mrs. N. Nelson left last Thursday for Bonham, where she will visit her mother, Mrs. Weatherby, and other relatives. T. H. Bradshaw is at Gasoline helping his brother-in-law, Mr. Morrison, build him a new house. Miss Bessie Wood spent the week-end in Plainview and Canyon. Mrs. Homer Harper went to Hereford last week to be at the bed side of her sister, who is ill with pneumonia. Rev. J. N. S. Webb visited our school last Friday and gave us a short talk on "Faith." Miss Bessie Shearer entertained a number of her friends with a party Saturday night. Edith Wootton spent Saturday nite with Addie Mae Gilliland. La Jaunah Ramsey from Lockney spent the week-end with Neva Orman. Bro. Nelson visited with Mr. Chas. Knierim Sunday afternoon.

ANTELOPE

Jan. 21.—Mrs. A. E. Bell of Snyder, Texas, is visiting her brother, John Aston. Mr. Jim Morrison has been ill with the flu the past week. Mrs. Frank Chisum visited Mrs. Roy Caplinger last week. Mr. and Mrs. Bob Hinsley visited in the Wilson home Saturday. Marguerite Aston, Viola and Neva Hinsley spent Sunday afternoon with Mr. and Mrs. Purcell. Miss Opal Nelson spent the week-end with her parents of Lakeview. Mr. P. H. Thomas made a business trip to Roaring Springs Monday. Mr. Bob Hinsley and family were shopping in Floydada Saturday. A Forty-two party was very much enjoyed by a few of the young folk at Mr. and Mrs. Wisdom's Saturday night. Mrs. Wisdom and children spent Monday afternoon with Mrs. Aston. Mr. Combs and family spent Saturday night with relatives at Lockney.

CEDAR

Jan. 21.—There was preaching at the Baptist church Sunday morning and night conducted by Bro. Merle Weathers. The Holiness people omitted Sunday school and went over to the Baptist for preaching. Mr. Otis Ginn and Orvie McGinty of Sayre, Okla., who have been here visiting with homefolk at Alcinio the past several days returned home last Thursday. Mrs. Edna Lackey is on the sick list this week. Mr. and Mrs. Zeriah Starkey's baby has been very sick for the last week. They moved to Floydada to her parents, Mr. and Mrs. Kimberly, in order to be near medical aid. Mr. Joe Fortenberry made a business trip to Childress Friday. Mr. Ted Bryant and brother are drilling a well for Tom Fortenberry this week. Mrs. O. P. Durham left Monday for Quanah to visit her daughter, Ester, who has undergone an operation at the hospital at that place. Mr. and Mrs. Levi Fortenberry and Mr. Joe Yearly of Burk Burnett were visiting in this community last week. Bro. Fortenberry preached at the Pentecostal church Thursday night. They also visited in Deaf Smith county while here. Mr. E. C. Durham and wife, Mr. Henry Love and family, Miss Loney Love and Mr. W. P. Higgins were visiting in the M. H. Taylor home Sunday. Mr. John Fortenberry and family visited in the J. D. Seay home Sunday evening. Mr. P. C. Taylor of Albany and son Raymond, of Berger, visited a short time with his brother, M. H. Taylor, and his niece, Mrs. Roy Wigginton, Monday evening. They were enroute to Berger where Raymond will resume his school work again. He was called to Albany to attend the funeral of his sister, Mrs. Delma Hopper, who lived north of Lockney. She had gone to Albany to spend the holidays with her parents, during which time she contracted the flu, later developing paralysis to which she succumbed Jan. 16. Mr. Taylor stated that his father-in-law, Mr. Matt Menton, died last October.

Baptist Church The five B. Y. P. U's. are underway at 6:15. Prepared programs will be rendered. We are doing better. We now need more members in each one. Leaders and sponsors are getting the hang of it and we're off. There is something doing every time you are absent. Our Missionary, Bro. R. E. Bost, visitor us Sunday evening and preached. We want you to get two more pictures of the Christ; The Praying Christ at 11 and the Smiling Christ at 7:15. A warm welcome awaits you. E. D. MORGAN, Pastor. Senior Epworth League Program For Sunday, January 27th, 1929 Topic: "Our Chapter's Team Mate." Leader—Ernest Lee Thomas. Song—"All Hail the Power of Jesus' Name." Scripture Reading—Proverbs 8:1-11, James 3:13-18. Prayer—By several Leaguers. Reading—Phil Trammel. Leader's Address—"Our Chapter's Team Mate." Address—"A Devotional Guide"—Annetta Johnson.

Address—"A Representative of the Nations."—Flossie Reasonover. Address—"The Play Leader."—Mrs. Edna Rives. Address—"Our Attitude Toward Our Chapter's Team Mate."—Winston Wofford. Doxology—"Praise God from Whom All Blessings Flow." Benediction. Senior Epworth League News The evening of the thirteenth of January the Leaguers had a special program on the Mount Sequoyah Building. The program was very interesting and all who came enjoyed it. At the close of the program the Leaguers took a collection for the purpose of helping complete the Mount Sequoyah building. The Lockney Epworth League was supposed to give five dollars, and they raised over their amount. Last Sunday evening there were fifty present at league. The Senior Epworth League meets at six-thirty o'clock each Sunday evening in the basement of the Methodist church. The Leaguers invite every young person who does not go to some young people's service to come to their league service. They bid everyone a welcome at any time.—Reporter.

FERGUSON CASE IS REFORMED AFFIRMED

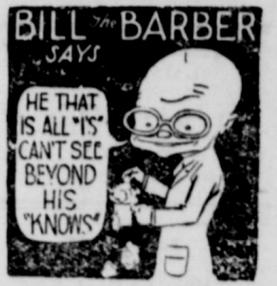

Austin, Jan. 16.—The Third Court of Civil Appeals Wednesday reformed and affirmed the case of the Academy Consolidated Independent School District against Mrs. Miram A. Ferguson and her husband, James E. Ferguson, former governors, involving delinquent taxes, interest and penalties on property in the district. The Appellate Court held that the school board had no authority to add 10 per cent to the already assessed valuations as a penalty for failure of the Fergusons to render their lands for taxation. "There is neither constitutional or statutory authority for this action of the school board," the court said. The Fergusons had claimed that the land the board assessed was "so remote and inaccessible with reference to the location of the school houses as not to be benefited by the schools or taxes for an amount in excess of their true and fair market value." They alleged that they were assessed far in excess of their fair market value. A jury trial no special issues was held in Bell County, resulting in a verdict and judgment for the school district. The judgment as to delinquent taxes, interest and penalties was affirmed, but reformed as to that part where assessments were increased 10 per cent as a penalty for nonrendition. Cortez Parsons returned Monday from a trip to Fort Worth.

EXTRA SESSION FOR FARM RELIEF NOT CERTAIN

Pressure Being Brought to Bear In Making of Appointments; Women Not Certain Washington, Jan. 13.—President-elect Hoover will be able to devote more time to cabinet appointments now that congressional leaders know he intends to call an extra session of congress to dispose of farm relief and tariff revision. He has decided to prolong his stay in Washington until Thursday that he may see many Republican leaders before leaving for Florida to remain away until just before his inauguration. After a week of day and night conferences, the president-elect spent a quiet Sunday, getting needed rest. He attended church services with Mrs. Hoover and took an automobile ride in the afternoon. This is his best liked form of relaxation. Mr. Hoover had as dinner guests at his home, Senator Couzens, Michigan, and Mrs. Alvin T. Hert of Kentucky, vice chairman of the Republican national committee, urged for appointment to the interior secretaryship. Some of those close to Mr. Hoover still hold to the opinion that the next chief executive has made no decisions as to his cabinet, with the exception of Secretary Mellon, of the treasury.

There appears a general belief that there will be no women in the cabinet, although pressure is being exerted on Mr. Hoover to give a major appointment to some outstanding women of the party in recognition of the important part women played both in his campaign and in the vote Nov. 6. Predictions are that in making up his cabinet Hoover will give recognition to conservatives and independents of his party in about equal proportions while others are that he will select several personal friends.

Lady with a hunch: "Was your late mistress surprised at your leaving?" "Oh, no, mum. She knew about it before I did."

If Electricity Were Free--- It Still Would Cost Money

Suppose it were possible to manufacture electricity without cost, would it make very much difference in your light bills?

No—nor in the company's profits either for the reason that the cost of electricity lies not so much in its manufacture as in its delivery.

Were it possible for the consumer to buy electricity by the yard and take it home under his own arm, then electricity would be available at a small fraction of its present cost.

But while chain stores for electricity are not practical, the electric light and power companies have devised chain systems of distribution which greatly reduce operating expenses.

These chain systems might be likened to the interconnection of great railway systems, which permit one road to use the lines and equipment of another in given territories, with out the necessity of erecting and maintaining facilities of their own.

As a result of the adoption of a similar plan by the electric light and power companies, the cost of electricity to the consumer has steadily declined, notwithstanding the fact that the cost of raw materials entering into its production has steadily increased.

Electric light and power companies do much more than merely care for the day-by-day demands of their customers. The modern electric utility is run on plans made years in advance. Through improvements in facilities and lower rates, the consumer today receives fourteen times as much light for a dollar as he did 30 years ago.

COUNTY BRIEFS

ALLMON

Jan. 21.—Nearly every one in our community has recovered from the flu. We have a good attendance in school.

It has been discussed a little lately about whether or not to have Sunday school and church here. So far it has seemed to be pleasing to everyone. This community is badly in need of some organization which will bring the people together.

A number of people have been moving away from here during the past few weeks. Mr. and Mrs. T. P. Kittrell moved to a small community near Littlefield. Mr. and Mrs. N. O. Phillips moved to Hereford where they have bought a place.

Mr. Woodrow Foster of Sand Hill is making his home with Mr. E. E. Foster. His parents plan to locate here.

Judge and Mrs. L. G. Matthews of Floydada visited Mrs. J. E. Featherston and daughter Sunday afternoon.

Mrs. C. H. McElroy and children were Floydada visitors last Sunday.

Mr. and Mrs. Joe Wigley visited in the W. W. Caudle home Sunday.

Mr. and Mrs. Wayne Billington were week-end guests in the home of the latter's sister near Floydada.

Mr. Fall visited Mr. and Mrs. Weems Sunday.

Loyd Carmickle was a business visitor in Plainview Saturday.

PRAIRIEVIEW

Jan. 22.—Sunday school and church were held at this place Sunday.

Rev. L. E. Hurt and wife were Sunday guests of Mr. and Mrs. Perry Wood.

Mrs. Galloway of Plainview spent the past week with her sister, Mrs. Willie Sammann, of this community.

Ethel Gamble spent Monday night with Evelyn Brandes.

Prairieview sponsored the club market Saturday.

Mr. and Mrs. H. O. Davis are sporting a new 1929 Chevrolet coach.

Mr. and Mrs. Walter Hurt are the proud owners of a new two-door Ford sedan.

Fay Hoyle spent Monday night with Marie Gamble.

Mr. Churchwell and family moved on Mr. Bawden's place the past week. We welcome these people to our community.

Mrs. Ellrod has been sick with the flu the past week.

Mr. and Mrs. J. W. Gamble were called to Crowell Friday morning to the bedside of Mr. Gamble's sister, who wasn't expected to live.

The Four-H Club girls met Tuesday at the school house with their agent, Mrs. Julia Kelly. Mrs. Willie Sammann, sponsor, was also present.

A very interesting meeting was held. The next meeting will be the 29th.

Mmes. Kelly and Sammann are to meet with them and each girl is to have the material and pattern for their required garment.

LIBERTY

Jan. 22.—Little Jequetta McGuffey visited school Monday.

Misses Elsie Anderson and Mildred Pope were Plainview visitors Saturday night.

Miss Altha Strickland visited Miss Erma and Miss Berma Bean Friday night.

Pauline Strickland visited Vietta Dunlap Sunday night.

Orvall Love and Lottie Easley and Irlie Wadlincoln and Verna Dunlap were Lockney visitors Saturday night.

Miss Mildred Pope visited Miss Elsie Anderson Saturday night.

Misses Elsie Anderson and Mildred Pope visited Misses Erma and Berma Bean Sunday.

Mr. and Mrs. H. C. McCormick visited Mr. and Mrs. Weldon McCormick Sunday.

Miss Altha Strickland spent Sunday with Willie Gilly.

Mr. and Mrs. C. A. Strickland visited with Mr. and Mrs. Dunlap Sunday.

Mr. and Mrs. Sam Box had relatives from Lockney visiting with them Sunday.

Miss Dorine Anderson spent Sunday with Winnie Box.

Jewel Box has been ill the past week.

Alvis Bean spent Monday night with Gene Gilly.

FAIRVIEW

Jan. 21.—Mrs. Jim Stewart entertained with a birthday party in honor of her sister, Miss Mae Claire Horton, Friday night.

Mrs. W. B. Wilson and party, including her daughter, Winnie, her son, Randolph, and Miss Anna Austin were shopping in Plainview Friday.

The ball game with Baker was not held Friday on account of the weather. The boys and girls teams will meet the Floydada teams Wednesday night.

Mr. and Mrs. R. E. McAfee spent the week-end in town with relatives.

Mr. and Mrs. Lee Rushing were shopping in Lubbock this week.

Scarlet fever has been reported in our community. We hope it does not get in the school.

E. C. Austin has returned from several weeks visit with his sister.

Mr. and Mrs. Ralph Zackeray of White Deer were guests of her parents, Mr. and Mrs. Eldridge Crabtree

this week-end.

Mrs. Jennie Teal has returned from Amarillo where she has been for several weeks.

The Senior B. Y. P. U. will have an entertainment in the basement of the Baptist church Thursday night.

Mrs. Ed Bullard had as her guests for Sunday dinner, Misses Anna Austin, Irene Casey, Essie Baskin, and Cora and Bessie Mae Brown.

CENTER

Jan. 21.—More threatening weather but not much rain.

Not so many out to Sunday school Sunday, but the usual number out to the Sunday night service.

Emmett and Leon Bost spent Sunday with J. B. Jordan.

We will announce again that Miss Bass will meet the ladies of Center at the Jordan home on Wednesday, Jan. 30 in the afternoon. We invite every lady to come as we are sure they will learn something new and get some idea worth while to help out about the home.

Mrs. Spence visited Mrs. Kirk Friday and the entire family took Sunday dinner with Mr. and Mrs. Kirk.

Mr. and Mrs. Marion Carpenter visited Saturday night and Sunday with Mr. and Mrs. F. O. Bryant.

Grandma Hollums is sick at the home of her son, A. L. Hollums.

Center boys beat Andrew Ward boys 26 to 13 in a game of basketball Friday afternoon.

Mr. and Mrs. Claud Carpenter visited second Sunday at Tullia with Mr. and Mrs. Hugh Starnes, the ladies are sisters.

Woods and Kelley worked on the Jordan windmill last Monday.

News from Mrs. W. L. McAda is that her father is still very ill, but that she would probably return home this week.

Grandma Crabtree is sick.

Mr. Cole took part in the band concert at town Sunday afternoon.

Those interested in the new phone line to be put up to replace 918 are to meet at the school house Friday night to elect officers.

Mr. and Mrs. Gill took Sunday dinner with Mr. and Mrs. Tubbs.

PLEASANT HILL

Jan. 22.—Mr. and Mrs. Camden entertained the little ones Friday afternoon from four to six o'clock with a party in honor of their son, Thomas and Miss Effie Mae Shelton. This was their birthday party. A large number was present and all report a nice time. The children departed wishing Thomas and Effie Mae many more happy birthdays.

Little Roy Wilkes has been very ill but is some better at the present.

Several children are out of school on account of the flu. They are, Robert Camden, Lena Scott, Carroll and Erdie Peck, and Ley Roy Sineh.

Mrs. Scott entertained a number of her friends Monday evening, honoring Mrs. Dow Smallin's birthday. Every one reported a fine time.

Lakeview Home Demonstration Club met Monday, January 21, at 2 o'clock with Mrs. Elmer Newton, in a business meeting.

It was decided that the club would have a box supper at the school auditorium Feb. 1. The proceeds to be used to defray expenses of the club.

Our next meeting will be Wednesday, Jan. 30, with Mrs. L. Kiker.

STARKEY

Jan. 21.—Several pupils are still absent from school on account of the flu.

Little Iona Sargent underwent an operation for appendicitis last Friday morning and is resting well at present.

Last Saturday evening Miss Birdie Mallow of Starkey and Mr. O. B. Howard of Baker community were quietly united in marriage. Their plans for the future are not definite.

Miss Bass met with the 4-H Club girls Friday of last week to organize their year's work.

Mr. H. P. Howard of Bif Four of Crosby county spent the week-end with his father and family H. C. Howard.

Mr. E. W. Turner and family spent Sunday in the Blanco community visiting in the home of Mr. G. R. Worsham.

Mr. Luteral and family have moved to California to make their home.

HILLCREST

Jan. 21.—The sickness seems to have decreased in our community. Two of the little Norvell boys are sick with colds just now.

J. O. Dudley went on a hunting trip down near Flomot one day last week.

Mrs. Haywood Smart of Colorado City and her sister-in-law, Miss Ruby Smart, spent Sunday night with Mrs. Smart's parents, Mr. and Mrs. L. H. Lewis.

T. W. (Dub) Drace is in Ft. Worth on business this week.

Orval Hix, formerly of this place, spent Friday night with his daughter, Mrs. Laurice Hopkins. He and his family are at Knott, Texas, just now.

Charlie Lewis spent last week on the Echols ranch.

Cloyd Foard, Laurice Hopkins, and Orval Hix went to Foard youth on business Saturday.

H. R. Blum of Memphis was here on business last week. He reported Mrs. J. C. Jones, his daughter, who lives here, but who is visiting him there just now, to be ill with the flu. Two of the children also had the flu. We hope they recover soon and will be able to return to their home here. One son, J. L., who is one our students, is attending school in Memphis while his folk are there.

Harmony Home Demonstration Club met at the home of Mrs. Chas. B. Smith, January 16. After the usual business meeting the following program on home was presented:

Home, Edgar A. Guest.—Blanche Ramsey.

Discussion—What Makes a House a Home?

Modern Homes Contrasted With Those of the Past.—Mrs. David Battery.

Trade Secrets of Modern Home Making.—Mrs. M. D. Ramsey.

HOKUS-POKUS SPECIALS

Worth while things don't just happen—they are the direct result of much study and planning.

The Hokus-Pokus System had its origin in the fertile brain of Mr. H. B. Foreman who worked out all details and put his first store in operation in May 1926.

Today this is the fastest growing chain store system in this part of the country and is destined to become one of the mightiest in the land.

With the aid of this system, we claim the distinction of having brought back to Lockney that most important of all things in business—the cash business. It has increased our buying power and reduced our overhead, thereby enabling us to sell on the very narrowest margin.

In building our business we have never thought of sacrificing quality in order to name a lower price. The recollections of quality remain long after price is forgotten. We welcome competition but at the same time repeat that age old warning, "Watch Your Step" Hokus-Pokus is contesting every inch of the ground. "We are here to stay—not to play." You will find our specials tagged and displayed. We appreciate your patronage.

Saturday

Again we feature CHEAP APPLES. A solid Truck load of them. Come in and buy 'em in dozen lots and bushel quantities.

"Attention of All"

We thank our many friends and customers for your past courtesies in being so patient with us in our slow process of laundry output, and for returning articles sent wrong through mistake.

We are now in our new building, one block east of new Church of Christ building, and with our new machinery in connection with the other we hope to give you quicker and better service.

Our prices are reasonable, eight cents per pound, rough dry. Special attention given to colored clothes and finished family washes.

C. W. Patterson of Goodlett, has bought out E. W. Watts and he and his sister, Miss Minnie, will be connected with the work in the future.

All laundry work picked up after twelve o'clock Friday will not be delivered until Monday.

Yours for quicker and better service.
DeVOLL & PATTERSON, Props.

Farm Loans and Life Insurance

We have plenty of money to loan on Farm and Ranch land in Floyd and adjoining counties, at 8 per cent.

Don't you know it is better to have your insurance with a well known company?

Don't you know it is better to have a well known representative write your business, who has a contract with the company for the territory in which he lives?

SHERIFF'S SALE

THE STATE OF TEXAS
County of Floyd
Notice is hereby given that by virtue of a certain pluries execution issued out of the Honorable County Court of Hale County, on the 9th day of January, 1929, by Jo. W. Wayland Clerk of said county court, for the sum of six hundred twenty-three & 33-100 dollars and costs of suit, under a judgment, in favor of W. J. B. Gouldy in a certain cause in said court, No. 1652, and styled W. J. B. Gouldy vs. Mrs. W. D. Long, placed in my hands for service, I, P. G. Stegall, as Sheriff of Floyd County, Texas, did on the 10th day of January, 1929, levy on certain real estate, situated in Floyd County, Texas, described as follows, to-wit: All of blocks numbers one and six in Willson Addition to the town of Lockney, Floyd County, Texas; also lot number 10, in block No. two and improvements thereon in Original town of Lockney, Floyd County, Texas, and leveled upon as the property of Mrs. W. D. Long and that on the first Tuesday in February, 1929, the same being the 5th day of said month, at the Court House door, of Floyd County, in the town of Floydada, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said execution, I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said Mrs. W. D. Long.

And in compliance with law, I give

notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lockney Beacon, a newspaper, published in Floyd County.

Witness my hand, this 10th day of January, 1929.

P. G. STEGALL,
Sheriff Floyd County, Texas.
By T. B. HILL, Deputy.

The Grim Reaper, Death, Has Again Visited Lockney Lodge, No. 867, A. F. & A. M.

AND WHEREAS: It has pleased All Wise Providence to remove from our midst our beloved brother, Milton Flake Barber, on Jan. 10th, 1929, who had lived a consistent Masonic life for 50 years—A true exponent of the principals of Masonry and to the ripe age of 82 years. But that he has only been exalted to that Higher Lodge where the spirit of man blooms in perpetual spring, is our firm belief.

Brother Barber was one of the early pioneers to the Plains and rendered much and valuable service in its development. He was of a kind and generous disposition, and it was through his aid that many a struggling pioneer was enabled to make

this country his permanent home. He was an honored, respected and loyal citizen, universally loved and respected. He has been called to a Higher Lodge, but his influence for good will continue through the coming ages.

THEREFORE BE IT RESOLVED: That in the death of Brother Barber, Lockney Lodge No. 867, A. F. & A. M. has lost a loyal and true Mason; his family a devoted husband, a kind and loving father and the community a respected citizen.

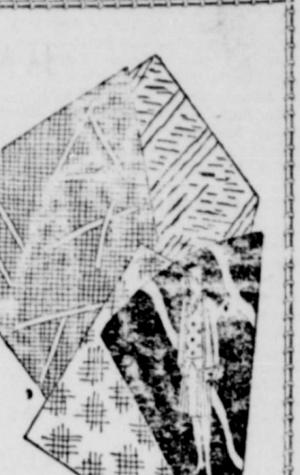

Be it further Resolved: That we bow in humble submission to the Lord Jehovah in whom is not only everlasting strength, but eternal wisdom and in whose kingdom life is bliss eternal.

That a copy of these resolutions be spread on the minutes of the lodge; a copy given to the family of the deceased brother, and a copy furnished the Lockney Beacon for publication.

D. C. LOWE,
E. E. DYER,
DR. S. M. HENRY,
Committee.

Mrs. Floyd Barber is expected home today from Mayo Brothers Hospital at Rochester, Minnesota, where she underwent an operation several weeks ago.
