The Nation Is Lining Up Solidly Behind NRA

Lockney's Street Paving Program Is Getting Under Way This Week

Lockney's re-employment program is getting under way this week. Last week Mayor Hohlauss appointed a central committee composed of Messrs. Geo. Meriwether, Sam Miller, and J. L. Suits to get a street paving program under way in order that we might be in a position to put people to work in Lockney, and thus providing employment for the unemployed for several months to come and in this way carry out the President's National Recovery Act.

Tuesday morning the central committee met in called session and appointed sub-committees, to assist in its work. These sub-committees are composed of men living on certain streets in the city. They are to see property owners on those streets about a paving program for that particular street. There are nine sub-committees, and most of them are now at work on the program. The cost of paving in front of a fifty foot lot has been set by the committee at \$85.00 or \$1.70 per lineal foot, this includes a caliche base topped with asphalt and the curb and gutter made of concrete.

We wish the citizens to bear in mind that this is not a building boom for Lockney in order to make it a great big city and do things in a big way, and is not a fancy idea of a few citizens, but it being undertaken in order to comply with the President's orders that more people be put to work. Through the Industrial Recovery Act the government has made available a large sum of money to be loaned to cities, towns, counties and individuals to start a public works program in order to put the unemployed to work. This work must be of a permanent nature and ways and means must be devised to repay the government for this loan therefore it must necessarily be of either a revenue bearing project or a direct loan to individuals for improvement of a permanent nature.

To make a long story short the Government has said "here is the money come and get it and put unemployed men to work so they can make a decent living for their families and help defeat this depression that is a curse to our land."

Therefore, it behooves every citizen to cooperate in this movement to eliminate unemployment by doing his bit. We all know that this is no time to be putting another mechanics lean or mortgage on our home, as it looks as if it is going to be impossible to pay the one that you already have on it, but that is not the question that is (Continued On Back Page)

Miss Mary Lena Prickett Marries Mr. A. Hughes

Miss Mary Lena Prickett and Mr. Alfred W. Hughes were married July 29 at San Angelo, Texas. The bride is the daughter of Mr. and Mrs. O. T. Prickett of Lockney and was reared here. She was a member of the Lockney High School graduating class of 1929. The groom is employed at San Angelo where the couple will make their home.

ATTEND FUNERAL AT PLAINVIEW TUESDAY

Mr. and Mrs. Z. T. Riley and daughter, Mrs. Grady Brewster, and Homer Threese were in Plainview Tuesday attending the funeral of Mr. Riley's brother-in-law's sister, Miss Nannie Peace, 78, who died at the home of her brother, Mr. Bob Peace at Plainview. Funeral services were held at the home and interment was made in the Plainview Cemetery.

RETURNED FROM TRIP WEDNESDAY

Mr. and Mrs. Emory Huggins returned home Wednesday after about ten days vacation at Galveston, Houston, Sulphur Springs, and other points in Texas visiting relatives to Mrs. Huggins.

HERE FROM THE VALLEY AND COAST

Mrs. Odess Harris and three daughters of Harlingen, Texas, and Mrs. Dewey Floyd and daughter, Joyce, of Corpus Christi are here visiting their parents, Mr. and Mrs. Z. T. Riley.

Program For "Farmers Short Course" August 17

Program for the Farmers Short Course and Picnic to be held in Lockney on Thursday, August 17th, has been arranged and it is a real interesting program. This Short Course will be held at the City Auditorium, and everyone is invited to attend. The program follows:

- 9:30-10:00 A. M. Recreation—Mr. Chatman
- 10:00-10:15 A. M. Welcome address—Mrs. Perkins
- 10:15-10:30 A. M. Response—Blanche Ramsey
- 10:30-11:00 A. M. 4-H Club Work—Alto Floyd
- 11:00-11:30 A. M. Address—Dr. C. J. McCollum
- 11:30-12:00 A. M. Recreation—Mrs. Lon Smith
- 12:00-1:30 P. M. Picnic
- 1:30-2:00 P. M. Highlights of Short Course—Nora Miller
- 2:00-2:30 P. M. Address—Dr. Bradford Knapp, President Texas Tech
- 2:30-2:45 P. M. Music—Ramsey
- 2:45-3:15 P. M. General Discussion
- 3:15 P. M. Outdoor Recreation—Prof. Tate

Booths will be maintained throughout the day where information will be given out relative to Rug Making and Mats, Pantry and Garden, Poultry, Clothing, and Farm Crops and Gardens. There will be displays in these booths and they will be presided over by the ladies that attended the Farmers Short Course recently held at A. & M. College. Make your plans now to attend this Short Course and Picnic. There will be stock judging in the afternoon conducted by Mr. King.

NEW FEATURES FOR THE BEACON

You will notice in this issue of the Beacon a few added features that we believe will be appreciated by our readers. We have added two strip comedies, "Spoodles" and "Main Things on Main Street" and a comedy, "—and The Worst is Yet to Come." These are high priced features, but we leave nothing undone to make the Beacon interesting to you and will continue to make improvements from time to time.

We also wish to call to your attention the other features appearing in the Beacon. There is the "Womans Column," "Smiles and Chuckles," "Did You Know," "Things of Interest to Women," "Poultry Topics," and editorials of the day.

We are trying to make the Beacon interesting to every member of the family, and other features will be added later.

CHARLES SIMPSON OF SILVERTON BURNED

Charles Simpson of Silverton is in a serious condition caused by burns received last Monday when a generator in the Flour Mill exploded throwing him about twelve feet. It has not been determined yet just how badly he is injured since he is still unable to have X-rays made.

The mill is owned and operated by Mr. Simpson and his brother, Earl Simpson.

Mrs. Stevenson and sons, Wood and Glynn, returned from a visit near San Angelo the first of this week. They were visiting relatives and friends.

American Legion Elects Officers

At a meeting of the Lockney American Legion Tuesday night at the Legion Club rooms at the City Auditorium the following officers were elected for the year:

- Dr. P. C. Anders, Commander; H. W. Schacht, 1st Vice-Commander; H. W. Counts, Adjutant; M. F. Shaw, P. O. R. E. Patterson, Chaplin; C. J. McCollum, Historian; V. L. Webster, Sergeant-at-Arms; Geo. W. Newman, Service Officer. Delegates to State Convention at Wichita Falls, August 27, 28 and 29th; H. M. Mason, Olan Ridding, C. J. McCollum, Alternates; Dr. Anders, Geo. Newman and H. W. Counts.

GONE TO HER SCHOOL

Miss Dora Sams returned to her school at Flomont last Sunday. School opened Monday morning and will continue until time to pick cotton and then they will have about two months vacation. Her sister Miss Nora Sams returned with her to spend a few days.

SNYDERS AND APPLEWHITES LEAVE FOR WORLD'S FAIR

Mr. and Mrs. Snyder and Mr. and Mrs. Clyde Applewhite left Sunday morning for Chicago where they will visit a Century of Progress and before returning they will go to Canada, Washington D. C. and perhaps other states.

We Are Having Trouble With Mosquitoes Here

We know that we are not living in East Texas or the swamps of Louisiana, but these mosquitoes have just about got our "goat" the past week. And we are wondering where they are coming from. The Plains country is supposed to be free from these pests. Some have suggested that recent rains have filled the lakes over this country, we have no wind to shift the waters about and therefore these pesky things have an ideal harboring place. No power to the wind, ye sir, more wind power is what we need.

Leitch Clifton and Leroy Dunley of Jacksonville are here visiting friends.

Government Estimates Cotton Crop At 12,314,000 Bales

WASHINGTON, Aug. 8—A government estimate of 12,314,000 bale cotton crop for this year added difficulty to plans of farm administration officials to whittle own the surplus. The official estimate by the crop reporting board was well above most private reports, which had forecast a crop of less than 12,000,000 bales, in view of the orderly market decline officials took comfort from the indication result of the acreage reduction campaign.

This was disclosed in the crop reporting board's estimate that 4,247,000 bales which would have gone to the gins have been or will be plowed under because of the administration's acreage slash efforts.

Otherwise the government production report would have been 16,561,000 bales, exceeded only by the 17,098,000 in 1931 and crops of one or two earlier years.

Unusually fine weather brought the condition of the crop on August 1 up to 74.2 per cent of normal, almost 10 per cent higher than on August 1 last year and far above the 10-year average of 67.9 per cent.

The indicated yield of 198.4 lint pounds per acre for 1933 is the highest since 1914, with the exception of the 211.5 in 1931, the year which witnesses a cotton price slump to about five cents a pound.

BIG PEACHES FROM FORT WORTH

Postmaster Homer Howard received some big fine Eberta peaches from his son-in-law, Vapil Wise, at Fort Worth, last week. We know they were great big ones because the PM gave us one and we sampled it. Real 'ol sure enough peaches are appreciated in this country where our peach crop hits about once in five years.

ON TWO WEEKS VACATION

Mr. and Mrs. Dwight Jackson left Sunday morning for points in Colorado, New Mexico, and Old Mexico. They plan to be gone about ten days or two weeks.

O. E. S. TO MEET MONDAY NIGHT

The regular meeting of the O. E. S. No. 27, will meet Monday night at the lodge hall.

Mrs. M. L. Keyes, Dan Holliday, wife and daughter of Teague, Texas, and Jimmie Keyes, of Dallas, were visiting in the R. C. McQuilvay home last week-end. Mrs. Keyes is an aunt of Mrs. McQuilvay and Mr. Holliday a brother.

GETS TREASURY POST

Mrs. Marion Glass Banister of Lynchburg, Va., sister of Senator Carter Glass, who was appointed by President Roosevelt to the position of assistant secretary of the United States treasury. It is the first time that one of her sex has held such a high office in the Treasury department.

Lockney Defeats Bellviw And Muncy

The Lockney Baseballers won two games over the week-end by defeating Bellviw 24-5 and Muncy 12-1. The Lockney boys showed the fans that they had some run producing machinery by scoring almost at will in each game. They gathered 36 runs off of 33 hits. There were 5 doubles, 3 triples, and two home runs in the hits.

After winning these two games, the boys were in high spirits about entering the tournament at Hale Center which begins Thursday. The team has been strengthened by the addition of new players which plan to enter the tournament:

- Pitchers T. J. Roberson, Arthur Hammock, and J. T. Hardin. Catchers—James Smith, and Cap Carthel. Infielders—Tom Foster, Herbie Champion, Shorty Bloxom, Gilbert Bean, and Ernest Smitherman. Outfielders—Elmer Mickey, Wayne Coleman, Aaron Carthel, J. B. Reece, and Bernard Pope.

Several changes have taken place the pasted two weeks in the batting averages. Below is a list of the regulars who have been at bat 20 times or more:

- Tom Foster 464, Charlie Collis 325, T. J. Roberson 315, Wayne Coleman 311, Shorty Bloxom 310, Bernard Pope 301, J. B. Reece 290, Cap Carthel 287, and Aaron Carthel 287.

HAS TONSILS REMOVED MONDAY

Teddy Jack Cager, son of Mr. and Mrs. Arch Orager, had his tonsils removed Monday morning in the office of Dr. N. E. Greer. He is doing nicely and will soon be up.

VISITING A CENTURY OF PROGRESS

Hershall Hammonds of Floydada, Weldon Dodson, and Clay Muncy of the Muncy Community left Thursday for Chicago and arrived there at 4 o'clock Saturday afternoon. They plan to spend about two weeks attending a Century of Progress.

CALLED TO CISCO, TEXAS

Mrs. M. B. Hill was called to Cisco Sunday morning to be with her brother-in-law, Jon. H. Stamps, who is critically ill.

Mr. and Mrs. T. H. Stewart of Lubbock were here Monday visiting friends.

While messages continued to pour into Washington from all parts of the country, indicating that the nation has lined up solidly behind the President's Emergency Re-employment Campaign, the local committee was receiving pledges of 100 per cent support from the citizenry of this community.

"America has gone to war," said J. H. Hohlauss, chairman of the local organization of the National Recovery Administration drive. "Yes, that's exact by what has happened. We are at war against an cruel and malicious enemy as ever attempted to riddle Old Glory. Just think for a moment of the suffering and death that have come from this frightful depression of the last four years."

"We simply must get our people back to work," continued Mr. Hohlauss "and this present drive will do it. Here in Lockney we hear words of praise and encouragement on every hand from those who have studied the plans and realize that they are practicable and economically sound. I refer, of course, to the two plans for the adoption of the industrial codes and the so-called blanket code."

"Very briefly the situation may be explained in this way. In order to build up the nation's buying power to keep pace with the increasing commodity prices, there must be wholesale re-employment—not sometime in the near future but right now. So President Roosevelt, acting under the Industrial Recovery Act, first entrusted to General Hugh S. Johnson the organization of the vast task of working out acceptable industrial codes. This work has been progressing rapidly and things up still more and get men back to work now—quickly throughout the nation. This raising the basic buying power to keep pace with increasing commodity prices, President Roosevelt has inaugurated the blanket code. This was quite fully gone into his recent nationwide radio address. Substantially all concerns employing two or more persons are asked to join up with the President in a covenant to maintain wages at least at a certain minimum level and restrict working hours within certain limitations."

"Every employer who signs this solemn agreement with the President of the United States will immediately have the right to display the N. R. A. emblem in his place of business and on his merchandise, too, if he desires. "This will notify the public just what places of business have fallen in line with this tremendously important national patriotic movement, and all such firms are, of course, entitled to the same loyal consideration from the general public that would be theirs were we actually at war with an outside enemy and these firms had by some fine display of patriotism shown special loyalty to the Commander of the Army and Navy."

"The members of our local organization here in Lockney have taken off our coats, rolled up our sleeves and we have pledged the Administration in Washington to work to the limit of our ability to get every working man and working woman in Lockney back to work before many more weeks."

"We are getting wonderful encouragement and I am sure that I shall have the honor of reporting to President Roosevelt and Recovery Administrator Johnson that Lockney is cooperating 100 per cent in this great drive to put an end to the depression and all the misery and suffering that has gone with it. "Yes, America has gone to war—and, as usual, America will win."

"We are getting wonderful encouragement and I am sure that I shall have the honor of reporting to President Roosevelt and Recovery Administrator Johnson that Lockney is cooperating 100 per cent in this great drive to put an end to the depression and all the misery and suffering that has gone with it. "Yes, America has gone to war—and, as usual, America will win."

STERLEY NEWS

The Methodist meeting closed Sunday.

Mr. Zeb Reed of Lockney made a ten minute talk on prohibition Sunday at the Baptist church.

The Baptist meeting will start Sunday. Rev. Aaron Shaw of Brownfield will do the preaching. Everyone is invited to attend these services.

Mr. and Mrs. Jack Calahan of South Plains attended church here Sunday night.

Mr. H. J. Metzger was entertained in the Claborn home Sunday.

Rev. L. L. Hill and family were Sunday dinner guest of Mr. and Mrs. E. C. Mooley.

Little Arlis Dean is visiting her sister, Mrs. Roy Anderson at Center.

Mr. and Mrs. Grimes and Edith and Ruth and Stewart Draut and L. A. Claborn were in Plainview Sunday visiting Mr. A. G. Draut, who is in the Sanitarium there for injuries received Saturday night while at work at the Round House.

Mr. J. P. Howard is working in Mr. Draut's place at the round house while he is ill.

Mrs. A. S. Martin's mother and two sisters are visiting her this week of Abilene.

Mr. and Mrs. L. A. Claborn and child with Mr. and Mrs. Spencer Sparks and Mrs. L. C. McElyea were in Plainview shopping Saturday afternoon.

The B. T. S. of the Baptist church has made a great improvement during the second quarter of the year. Some of the unions have been recognized as A-1 unions. They hope by the end of the third quarter to have an A-1 organization.

Mrs. E. C. McElyea left Sunday to join her husband who is working at Washburn Texas.

Mr. Leon Horn of South Plains attended church here Sunday.

Virginia Miller of Liberty spent Sunday with Lois Rexroad.

Mr. and Mrs. P. O. Atkins and son and Mr. and Mrs. Mae Pittman and daughter visited in Lubbock last week end.

Mrs. Tom McGee, who has been in the Plainview Sanitarium is able to be at home again.

Mr. and Mrs. Frank Paschal visited

Mrs. Paschal's brother Mr. Mason, of the Holt Community.

ROSELAND NEWS

Mr. and Mrs. Waller and Mr. Heckathorne of Amarillo spent Friday night with Mr. and Mrs. W. A. Whitlock.

Mr. and Mrs. Johns Casey were guest of Mr. and Mrs. J. H. Hartman of South Plains Sunday.

Mr. Leon Horn, Miss Ruth Hartman of South Plains, Misses Ads and May Foster, Mr. Martin True, and Miss Dorothy Byars of Sterley were guests of Miss Celia May Wicker Sunday.

The concert at the school house Thursday night was enjoyed by a large crowd. The V. O. Stamps quartet, Fredie Martin, Liberty and Cedar Hill singing classes, Howard Kydwell, Clyde Burleson, Meeks, and Roy Haynes, appeared on the program.

Miss Fay Marble is suffering from blood poisoning in her hand.

Mr. and Mrs. W. A. Whitlock visited Mr. and Mrs. Guy Sams Sunday.

Mrs. W. J. Sims is on the sick list and we hope for her a speedy recovery.

MRS. HERSHEL CARTEL HONORED WITH SHOWER

Mrs. Hershel Cartel was the honoree at a shower in the home of Mrs. G. E. Tannahill Friday afternoon. The house was beautifully decorated in red dallas and green fern. Mrs. Cartel before her recent marriage was Miss Octavia Collins.

The guest were entertained with several songs by Misses Olga Cartel, Retha Belt, and Gladys Cartel. The guest of honor was led into the adjoining room where she found many beautiful and useful gifts.

Punch and cake was served to the following: Mesdames Emmett Terree, M. O. Davis, G. A. Street, J. C. Dutton, E. M. Whorton, Warren Daniel, Floyd Daniel, Ray Cartel, John Belt, Frances Cartel, Misses Katherine Davis, Gladys Cartel, Luella Walter, Retha Belt, Mildred Walter, Olga Cartel, and hostess, Mrs. Tannahill.

CORRECTION

Week before last the Beacon stated that Arthur Cox, employee at the Taylor Meat Market, was employed by the McDonald Packing Co. That was a mistake and we wish to correct the error, for he is not working for that company but for Mr. Taylor.

MRS. PRESTON OF PERICO HERE

Mrs. Earl Preston and daughter, Frances LaVern, of Perico, Texas, are here visiting Mrs. Preston's grandparents, Mr. and Mrs. Z. T. Riley.

Jed Clairda of Amarillo spent week end here visiting friends.

"Passion Play" At Plainview Friday Night

The Chamber of Commerce of Plainview has secured and is sponsoring for a one performance engagement, the "Great European Passion Play" in English, on August 11.

Thousands of Americans every 10 years traveling to Europe to see the Passion Play and now for the first time this Great Play of all Plays, "This Drama of Dramas" will be staged in Plainview.

The Passion Play was first played in the year 1264 in Freiburg, Germany and during the occasion of the plague was given to Oberammergau in Bavaria whose inhabitants, during the terror of the black plague, almost were wiped out. Then was the time when the Oberammergauers made a vow that if the still living people of the town should be saved from the plague, they, as thanksgiving would present the Passion Play every 10 years. And so, since 1633 the Passion Play in Oberammergau is presented every decade.

The Passion Players are a group of fifteen players, which appear in all the spoken parts and which now are speaking the text in English as a special feature to the American public. The players, trained especially for their parts, are devoting their entire time to the part they play.

The Passion Play is a literal translation of the Bible and presents the last seven days of the life of Christ on earth. The text is taken in its entirety from the books of Matthew, Mark, Luke, and John—and no religious creed that believes in the "divinity of Christ" can possibly find in it cause for offense. The players are devout Christians, who feel it a sacred duty to carry the divine teachings of Our Lord to the world.

Special prices have been arranged within the reach of all. Children 25c, Adults 50c, 75c, \$1.00 plus tax, with all seats reserved. Tickets may be reserved by designating the desired section and mailing check to Chamber of Commerce.

VISITING AT BROWNWOOD THIS WEEK

Mr. and Mrs. Frank Perkins left Sunday for Brownwood where they are visiting Mrs. Perkins' mother, Mrs. Mary Helms, and her sister, Mrs. Belay Raliff.

NOTICE TO SCHOOL PATRONS

Notice is hereby given that the Board of Trustees of Lockney Independent School District will meet in call session Friday Night August 18th, at the High School Building for the purpose of adopting a school budget for the year 1933-34. Any taxpayer of the district may be present at the meeting. E. H. RANKIN Sec. Board.

Mrs. Ashworth's Parents, Dr. and Mrs. A. H. Knox of Krum, Texas, her sister, Mrs. Douglas Knox of Waco, and sister-in-law, Mrs. Cecil Knox and daughter of Silvertown. They plan to spend a day at the Pala Duro Canyon near Amarillo.

R. G. Berkeley returned Tuesday after a business trip to Austin and San Antonio.

Rev. I. N. Demy says: "I have found nothing in the past 20 years that can take the place of Dr. Miles Anti-Pain Pills. They are a sure relief for my headache."

Sufferers from Headache, Neuralgia, Toothache, Backache, Sciatica, Rheumatism, Lumbago, Neuritis, Muscular Pains, Periodic Pains, write that they have used Dr. Miles Anti-Pain Pills with better results than they had even hoped for.

Countless American housewives would no more think of keeping house without Dr. Miles Anti-Pain Pills than without flour or sugar. Keep a package in your medicine cabinet and save yourself needless suffering. At Drug Stores—25c and \$1.00

DR. MILES' ANTI-PAIN PILLS

Estimate Texas Cotton Crop Is 3,541,000 Bales

AUSTIN, Aug. 9.—The United States Department of Agriculture today estimated that data furnished by crop correspondents indicated a Texas cotton yield of 3,541,000 bales of 500 pounds each, the smallest production since 1922.

That year the yield was 3,222,000 bales.

The condition of the cotton crop was estimated at 71 per cent of normal. The ten year average condition is 66 per cent for this time of year. The reports said indications were the harvested acreage this year would be the smallest since 1906, when 9,900,000 acres were harvested. The 1933 acreage is 10 acres. This year's small acreage was accounted for by the large acreage being destroyed under direction of the government.

"The number of bolls reported safe per plant is larger this year than any year during the past five years, and while the stand is reported as slightly less than 1932, it is better than any other year since 1924, with the exception of 1926, the report said. "Indications are that if usual weather prevails during the remainder of the season, boll weevil damage will be the smallest since 1925. Compared with a year ago and also with the five-year average, the condition of the crop indicates larger yields in all sections of the state, with the exception of the high plains area, the Edward's plateau, the western district, and portions of the area immediately east of the high plains."

Mr. and Mrs. C. J. Willard of Colorado is visiting Mr. and Mrs. D. C. Love and family.

Miss Hermida Thomas, Earnest Lee Thomas, and Ray Adams, were in Amarillo Monday on business.

Mrs. Zeb Reed is in Abilene this week visiting her sister, Mrs. J. R. Hill.

Mr. and Mrs. Ralph Ashworth have the following guests this week:

VISITORS FROM ABILENE HERE

Mr. and Mrs. Alvin Fielder spent the week end at Abilene with Mr. Fielder's mother, who returned with them Tuesday for several days visit. Hugh Counts's mother, Mrs. T. F. Counts, also accompanied them home to visit her son and family.

Mrs. Will Wofford of Santa Fee is here visiting her mother, Mrs. B. O. Dawns.

Mr. and Mrs. Olin Riddings returned last week after visiting relatives at Wichita Falls.

Miss Eula Lankford of Altus, Okla., spent Sunday with Miss Ellen Anderson.

HERE FROM ALTUS, OKLA.

Miss Cleo West of Altus, Okla., is spending the week with Miss Elsie Anderson.

Styles Require Simple Underwear

The silhouette figure desirable this season requires underwear that is simple, and without a ripple to destroy the perfect curve of the figure. Sheer silks, cobweb jerseys are the materials, with enough lace to bring out the feminine.

NRA OPPOSING SHORTER HOURS

Agreements To Shorten Store Hours Are Declared Not In Keeping With The Spirit Of President's Program

WASHINGTON, Aug. 7.—The official NRA attitude is that shorter business hours conflict with the president's blanket code.

A. D. Whiteside, deputy administrator, has wired the Indian Retail Grocers association urging it to "give serious consideration to the fact that in several local communities retailers are making joint agreements to shorten store hours."

Violates Agreement

"This is not in keeping," he stated, "with either the spirit or the fact as expressed in the president's reemployment agreement or in the president's statements regarding reemployment of which the essence is to effect an increase both in reemployment and in wages to those employed."

"The proposal to shorten store hours is in violation of section 8 of the president's reemployment agreement. Reconsideration of the provision of the retail codes and possible withdrawal of insignia will be necessary immediately if community or concerted action to shorten store operating hours is taken."

We Are in Full Compliance With The NATIONAL RECOVERY ACT

AND WISH TO MAKE THIS STATEMENT

Our Business is carried on from day to day in a manner most pleasing to our customers and we are not trying to beat the plan of recovery by shortening the hours of our business.

To do so has necessitated our putting on an extra full time man in addition to the two we already had, but this we are glad to do in keeping with our Agreement with our President.

Remember at all times we carry a complete line of the choicest fruits and vegetables as well as every thing in the grocery line.

Our Place Of Business Will Open And Close As Usual

OF INTEREST TO WOMEN

FINE SILK HOSIERY OFFERS MANY NEW SHADES FOR FALL

A wide selection of colors is available in fine silk hosiery this season said J. O. Davis, president of the Baker-Moise Hosiery Mills.

"The range from dark to light is longer," Mr. Davis said. "The dark shades are darker, while the light shades have remained as light as some of the more popular shades for spring."

Some of the shades expected to be most popular, and the suggested color combinations with which they may be worn are outlined by Mr. Davis.

Clears: The Clears of the fall is similar to the most popular shade of the past season, Honeybeige. The season has passed but the shade certainly has not. A medium soft beige shade which because of its neutral base blends with beiges such as Doebeige and Hempbeige. Good also with reds, blues, greens, browns and black. As a street shade it will continue well into the fall. For winter it will fall easily into the class of popular formal tones.

Spicebrown: Its name very well describes it. A rich warm medium brown tone of the swaggy brown variety. To be worn with the new browns with greens, oranges and rust.

Honeybrown: Like Honeybeige this brown has excellent blending qualities. It harmonizes with most browns both dark and light. When brown accessories are used it can be worn with greens, reds, rust and blues.

Jungle: A medium clear brown tone, with a faint taupe cast. Blends easily with other browns. For wear with leather shades, or whenever brown accessories are worn.

Priarbrown: A very dark brown with a faint taupe cast. It is for the deep browns, brown taupe and dark reds.

Beige Taupe Useful Shade.

Beige Taupe: A medium neutral which is almost gray. This very useful shade is for wear with blues from navy to the light, bright shades. For street wear it goes with the range of greens, blues and white reds, where

black, blue or gray accessories are used. Also with the neutrals.

Dustbeige: Neutral tanned beige tone with emphasis slightly on the beige. For wear with all basic ensemble shades. Especially good with reds.

Biscayne: A warm medium neutral, slightly more grayed than dustbeige. May be worn with all basic ensemble shades and with blue, gray and black accessories.

Smokebrown: A grayed taupe. Good with black and all dark street shades, favoring black accessories.

Brown Taupe: A dark taupe tone, with a faint brown cast. Blends with very dark street shades as well as very dark browns and black.

DRESSES AND COATS ACCENTUATE TALLNESS OF WOMEN'S FIGURES

Fall dresses and coats have been designed this fall to accentuate tallness and slenderness, yet not lose any of the natural or graceful curves.

There must be no extreme bulk, but the natural, normal curves of the figure, emphasizing the feminine form. The neckline, too, must be feminine. Jabots, ascots and intricate collars will be seen along with the variety of bows and scarfs.

Broad shoulders are necessary, smart shoulders emphasized with tucks or cording—not too much. And the sleeves must be long, clinging.

Daytime, afternoon and evening jackets will be worn, double-breasted, neat.

SUEDE SHOES IN BLACK, BROWN, GUNMETAL AND GRAY FAVORED STYLES

Suede shoes, in black, brown, gray and gunmetal shades, will dominate the field this fall, according to information received from the shoe houses.

Black and brown alligator and lizard creations will head the reptile group, with snake skins to be used in combinations with suede and kid.

Modified toes, neither rounded nor pointed, will be worn. Continental style heels will remain popular, with extreme, high, shaped heels being restricted to formal wear.

FALL HATS DESIGNED TO SHOW TOP OF HEAD

PARIS—Hats which show the top of the head are a new note in fall headgear. One smart Parisian attended a recent racing meeting wearing a narrow brimmed black velvet hat with a crown made entirely of heavy black net which revealed her blond hair. The net was studded with white camellias.

OUTSTANDING COLORS IN HOSIERY FORECAST

The outstanding colors in hosiery this year will be the taupe tones, biscayne, a medium neutral shade—composite of taupe and brown; smokebrown, beige taupe, brown taupe, gale, dust beige, spice brown, honey brown and adark chocolate brown to be called jungle brown. Clears, a dark beige, are two colors for which many sandy beige, and Ball, a rich dark purposes will be found.

MILLINERY FOR FALL DISTINGUISHED BY VARIETY OF SHAPES

"A wide variety" is the only general term that can be used to describe the hats that will be offered this season, the millinery manufacturers and wholesalers declare. Unusual adaptations of the beret, with gnomelike crowns; that indescrib-

able little creation that tips over the right eye; and a score of others are already on hand for the inspection of the buyers. The smart shallow crown sailor will be popular, they predict.

LOUNGING PAJAMAS GO DISTINCTLY FEMININE

Lounging pajamas this season the distinctly feminine, and have moved far from the plain, restrained vogue. Elaborate lace trims, unusual color combinations, georgette trims and a wealth of new ideas will make pajamas much more interesting this season.

Jackets of the same material, either waist or knee length, will be worn both with lounging pajamas and with nightgowns, in many of the creations.

The season's bags will be of many materials, satins, velvet, corded materials, tweeds and, of course, the leather bag. Many shapes, many designs, to fit the tone of the costume, can be found.

State Relief Cost So Be Spread Over 15 Years If Bond Issue Passes

It is reasonably clear now what will be one of the chief questions before the September special session of the legislature.

That issue will be paying the state's share of direct relief costs.

The state now has the choice of paying the whole bill as it goes, or of spreading the payments out over about 15 years. That choice will be decided in the Aug. 26 election, in the passage or failure of the amendment authorizing a \$20,000,000 public works bond issue.

If the bond issue carries—if voters decide they don't want to pay the whole relief bill during the lean depression year—then the legislature in September will authorize issuance of part of the bonds. Probably eight to ten millions.

The lawmakers at the same time will provide a way to pay off the bonds as they mature. The bonds must be met otherwise than by a property tax.

That means, if the bonds carry, a small, limited sales tax on final sales only, with foodstuffs exempted to pay off the bonds.

If the bond issue is voted down

the only alternative is a larger sales tax to carry on direct relief on a pay-as-you-go basis.

The constitution of Texas forbids the direct payment of money to individuals as a dole or gift. Rep Harold Kayton, author of the earlier sales tax bill that did not pass, has pointed out how the state will deal with that restriction, if the bond issue fails.

The state will levy the sales tax, payable partly to cities and partly to counties. That was the terms of Kayton's original bill. When the money goes to city or county treasuries, the local officials then can use it for relief.

State Relief Director Lawrence West brook has been notified by the federal government that the \$447,928 of direct relief just allotted Texas is the last of this type of federal money Texas will get until it votes the bond issue.

RAILROAD EMPLOYEE HURT AT STERLEY

A fall in a concrete cinder pit in the Port Worth and Denver roundhouse at Sterley resulted in a broken hip and injured shoulder for A. G. Drant, night engineer, who is being treated at the Plainview Sanitarium. Hospital attendants report that he is resting fairly well.

Drant fell shortly before midnight Saturday and thirty minutes passed before he was found.

Miss Virginia Collier spent the week end at Plainview with her sister Miss Mary Collier.

UNTIL WE LEARNED BETTER

Until we learned better, we used to mix wood and steel in our car bodies and wheels.

It was the best way to make bodies—then. But the state of the art has advanced.

Of course, it is more expensive to make an all-steel body than to make a wooden frame and nail steel panels on to it. The better way involves an initial expenditure of several millions of dollars for new dies, which renders a change very costly. Cars, especially large expensive cars, which are produced in small volume, cannot afford this, because the dies cost as much for one car as for a million. That alone explains why all-steel bodies are not used in all cars.

But our basic policy from the beginning is to make a good car better, regardless of cost.

For example, when we discarded wood-steel body construction, it was not because we lacked wood. We still have some thousands of acres of the best hard wood in America. Economy would urge us to use up the wood first, and then adopt the better all-steel body. But we decided that quality was more important than expense.

We weighed the reasons, for and against, before we made the change. We could see only one reason for retaining a mixed wood-and-steel body—nailing the metal on, instead of welding an all-steel body into a strong one-piece whole. That reason was, it would be cheaper—for us.

Our reasons for adopting an all-steel body were these: A wood-steel body is not much stronger structurally than its wooden frame. In all American climates, wood construction weakens with age. Every used car lot gives evidence of this. Rain seeps in between joints and the wood decays. A car may have a metal surface, and yet not be of steel construction. Under extreme shock or stress the steel body remains intact—dented perhaps, but not crushed.

Steel does not need wood for strength or protection. Wood is fine for furniture, but not for the high speed vehicles of 1933.

In the Ford body there are no joints to squeak, no seams to crack or leak.

The all-steel body is more expensive—to us, but not to you.

By all odds, then, steel bodies seem preferable.

Wheels also have become all-steel. No one argues that an electrically welded one-piece steel wheel, such as the Ford wheel, needs to be "strengthened" by adding wood to it.

The one-piece all-steel body is the strongest, safest, quietest, most durable body made. That is our only reason for making them.

SUBSCRIPTION RATES

One Year—\$1.50 Six Months—75c Three Months—40c

If you are going to do any buying, now is the time to do it. Everything is advancing in price day by day. Under the NRA this is no time to be trying to make money, but a time for the spending of money if we are to pull ourselves out of this depression.

Government, and were expecting it. However, this phase of the law will be passed on by the Attorney General to see if the old law is still in effect.

One solid car load of Sears & Roebuck catalogues were received in Amarillo last Saturday to be distributed over the Panhandle and the South Plains. Keen business fellows head those mail order houses. When any part of the United States looks prosperous they shoot their catalogues to that section.

Politics are warming up in West Texas. As the old saying goes, "The Early Bird Gets the Worm," so Arthur P. Duggan, of Littlefield, and Homer L. Phart, of Lubbock have announced their candidacy for the office of congressman from the newly created 19th district in West Texas.

And then there is the farmer over in Lubbock county who plowed up the wrong cotton. He said he knew it was the wrong cotton, but the cotton he sold to the Government had received a good rain in the meantime and it was looking awfully good so he decided that he would just plow up some cotton that did not look so good.

And now they say NRA stands for "No Republicans Allowed." But listen Brother, it will take the Republicans, Democrats, Socialists and all other political organizations to put this program over. It will be no one party victory.

Well, well, we notice in the daily press where our friend, Clyde Holland, editor of the Castro County News at Dimmitt, has been appointed acting postmaster of Dimmitt.

More than likely after every industry is working under their own code inflation will be stepped up a bit, for then the Government can keep profits and everything else pretty well under control.

It has developed that the "Forgotten Man" is no doubt Herbert Hoover.

---and the Worst is Yet to Come

You never hear his name mentioned. Where is he, and what he is doing, no one seems to know. It is said that he is writing history, but he has already done enough history writing for a couple of generations.

WOMAN'S COLUMN

By Jeane Suits

Howdy folks! This is me again to confab with whoever cares to turn to this column and glance over its contents. Are you doing your part?

Of course you know people who talk and talk and never seem to exhaust a supply of subjects and then on the other hand there are those people who never have anything to say except when they wish to impart a message.

No doubt you are wondering just why I brought that up. There isn't any particular reason but I thought I'd tell you my ideas on the subject.

Black satin is making a non-stop flight for new winter apparel. Pancake sailors in black satin, satin bags, satin suits, gowns, gloves and etcetera.

What will be the talk of the town in coats this season? Listen, get an ear full of this and apply it in selecting your coat. Coats are slightly longer with no fullness in straight skirts.

Dr. Walter Maier of Concordia Theological Seminary says that we are no better than India when it comes to child marriages. We think it is terrible when we read of infant marriages but do you realize that 14 of our states allow the same thing.

I have often wondered just what pilgrims called their settlement, the schuette Plymouth, and of the people who claim their ancestors

nally came over on the Mayflower, not one seems to know. I just happened upon this bit of information today and thought perhaps it would clarify your mind, so will pass it on.

When you wish to have dainty sandwiches for that very special occasion out your bread lengthwise of the loaf and see what nice smooth edges it will make.

Now is the time to start painting retouch your dining room suite, living room suite, kitchen, bathroom, and dozens of other things. Use light, restful, soothing, colors by all means and you'll have a cheery and homey household all during the dreary winter months.

I'll be signing off for this time see you soon.

DID YOU KNOW

One thing that hasn't been out in these ailing times is the amount of talk.

Spinach came from Arabia and I bet most of us just as soon it would go back there.

All the blood in your body has to go through your lungs 2,000 times a day. What a task they have to perform and yet did you ever hear of them going out for shorter hours and more pay?

The editor of the Woman's Column is having to do 40 hours of work where as she only worked 20—complying with NRA program you know. Kinda tough too.

Lockney maidens, who are eager to be in style and ride a bicycle, will either bribe, steal, fight, or even borrow a bit, from these little boys around here. They will promise them any thing from a postage stamp to a trip to the World's Fair in order to obtain possession of a two wheel vehicle for one precious hour. Desperate eh?

A few people in this vicinity have the habit of snooping around over at the City Auditorium in Plain view August 11th at 8.15 P. M.

tion I could ever see in such behaviour.

The Lockney Rotary Club has a soft ball team and I heard that the outsiders played them the other day and boy oh boy did they bat em.

Haltosis is the other fellow's breath, never your own.

There are 4 churches in this town with services each Sunday and that you ought to attend one of them.

The great European Passion Play, spoken drama in English, will be presented at the City Auditorium in Plain view August 11th at 8.15 P. M.

Miss Roy Riley while visiting the the century of progress saw the transport man. There are only two in the world and this one was constructed at the cost of 7,000 dollars.

Some people merely go to a bridge party for the gossip they may impart, get a "scoop" on the latest scandal,

and of course the refreshments.

I am about to run out of "Did you know".

CRAGERS HAVE BIRTHDAY DINNER SUNDAY

The home of Mr. and Mrs. A. J. Crager was the scene of a lovely birthday dinner Sunday honoring both of them. Mr. Crager's birthday was Aug. 7th and Mrs. Crager's Aug. 6th. All of their children were present except Grady Crager who was unable to be there.

About LOCKNEY'S ROTARY CLUB

If you will watch this column each week you will know what the Lockney Rotary Club is doing, planning on doing, etc.

The club meets each Friday at the noon hour, 12:15, P. M. in the basement of the Methodist church, where an hour is spent in a business and social session.

Last Friday at the usual hour the club met with President, Reuben McGilvary, presiding, Ladies of the Methodist church served a splendid dinner. Fried chicken and all the trimmings. O. C. Bailey was up for a "News Reel," and Luther cooper was booked for an address on "Valuable Assets of the Community," but was absent from the meeting. Luther was at Mineral Wells attending a convention of the State Rural Letter Carriers, and also dropped off down in the sticks of East Texas to visit relatives while away.

Luther Fry, Rotarian of Floydada, was present and gave a report on the International Convention of Rotarians met at Boston recently. Luther attended as a delegate from Floydada Club. His account of the meeting was

very interesting and of course, due to the lack of time he was only able to give the "high lights" of the Convention. The next convention will be held at Detroit next year. Lockney will send a delegate. Thanks, Luther, for the report, come to see us again.

When you are around at the West Texas Gas Co. office, take a peek at that great big Friendship Cup that is sitting on his desk. Art Barker took the champion checker player of Floydada club to a "cleaning" last Friday and came marching into the home camp with it neatly tucked under his arm. Art won three games out of five from O. T. Williams. Nice work, Art old boy.

The Friendship Cup is the property of the Rotary clubs of Spur, Rails, Crosbyton, Floydada and Lockney. Any one of these clubs or any individual Rotarian can challenge the holder of the cup to play some kind of a game, stunt, or what have you, and if they defeat the holder of the cup it goes to the club that is victorious. Ain't we got fun? Wonder how long we will get to keep this cup. But the membership of the Lockney Club is pretty good at almost anything you can think of. So "Roll Along Little Doggies, Roll Along."

In order to be ready for anything that might happen, and in order to be right up to snuff on everything, the club has organized a Soft Ball Club, composed of Rotarians, exclusively. You know all about Soft Ball clubs, better known as Indoor Baseball. Well, we got one of them things. Have the ground all fixed up real nice just south of the Beacon office, and de we play ball, you ar telling me. Our team is composed of ex-leaguers exclusively, no amateurs on this team. They are just a little stiff-jointed, can't throw straight, nor field a ball, but outside of that they are plenty hot, and getting hotter every day and are now just about ready to take all comers.

The line-up is hard to beat in any bodys old Rotary club. There is Roscoe Snyder holding down the sack that all batters try to reach first, as yet no one has succeeded. On the mound you will find Art Barker who is relieved occasionally by Wilford Jones. These tw Rotarians would be playing professional ball right now but for business reasons. It looks as if Arts "spit ball" will be ruled out, on account it makes the games so short, nobody can hit it and the customers are complaining about no "action" to the game. Wilford has a mighty mean "Zig-Zag-Sag" ball that is worrying all teams in these parts, causing quite a few dislocated shoulders, arms and legs in the batters effort to connect with it. Arch Crager is receiving these boys offerings, and quite a few times during a game you will see him reach up and snatch the ball from right in front of the bat, which goes a long way in helping our pitchers to maintain their records as "no hit men."

Lance Suits is holding down the second sack, where so many "good ol'

base stealers" are tagged during a game. Edd Whitfill is holdin down the "hot corner" and is a dang good "clean-up man." Luther Copper is back at his old place that he played during his "fast ball" days—short stop. Herman Hohlaus, Arleigh Cooper and Reuben McGilvary are parading around in the outer garden. We have any number of substitutes, as all members of the club are good players, and are always on the bench to take a players place if he should fall by the wayside.

There's the line-up folks. N- come out and watch them perform any evening after six o'clock.

Don't forget the meeting Friday. Edd Whitfill is on the program for "current Events." Artie Baker will deliver an address on "Latest Governmental Developments." Bring a guest with you.

PUBLICATION NOTICE

THE STATE OF TEXAS COUNTY OF FLOYD On this the 9th day of August, 1933, G. C. COLLINS, L. H. DORRELL and G. T. ASSITER, Special Commissioners appointed by the Court to assess the damages to E. D. Morgan, by reason of the location of State Highway No. 28 on the lands of the said E. D. Morgan, between Floydada, Texas, and the Floyd-Hale County, Texas, line, said lands being out of Lot 1, Block 2, Hanks Addition to the City of Lockney, out of J. H. Lockney Survey No. 4, Block SC, Abstract No. 668, as is fully set out in the petition of the State of Texas filed with the Hon. J. W. Howard, County Judge of Floyd County, Texas, on the 9th day of August, 1933, said Commissioners having been duly sworn to assess said damages fairly and impartially and in accordance with law, do hereby appoint as

the time and place for hearing said parties and said matters, the Court-house in Floydada, Texas, on the 1st day of September, 1933, at 1:30 O'clock P. M.

And it appearing from the Petition of the State of Texas which is sworn to, that E. D. Morgan, defendant in said petition, is a non-resident of the State of Texas, it is ordered that a copy of this order be served upon said parties by making publication of this notice in some newspaper published in the County of Floyd once each week for four consecutive weeks previous to the return day hereof, and such service thereof shall be notice to the said parties to appear at said time and place for the purpose of offering any evidence they desire on the issue as to the damage to be assessed against said State of Texas, and to be paid to the said E. D. Morgan

With The Churches

AT THE METHODIST CHURCH

Sunday School, 9:45 A. M.
 Preaching, 11 A. M. and 8:30 P. M.
 Leagues, 7:45 P. M.
 Woman's Missionary Society, Monday 4 P. M.
 Young Women's Missionary Circle Monday 4 P. M.
 Prayermeeting, Wednesday 8:30 P. M.

Subject for the sermon for the morning hour is the statement in the Apostles' Creed: "I believe in the Holy Ghost." This will complete the view of the church of the meaning of the "God" 2 believe in, Father-Son-Holy Ghost. The Methodist Church has some distinct, and definite views about the Holy Ghost. There is much fanaticism that has grown around this Bible-doctrine. The subject for the evening hour is the statement: "I believe in the Holy Catholic Church." The Methodist are misunderstood about this statement. Many false accusations are made about them by other denominations. By some because they misinterpret what we mean, and by others who desire to make a point of argument detrimental to the Methodist, knowing what we do really mean by it. We invite any person who is interested to hear us discuss this statement Sunday, 8:30 P. M. Come, and give us a chance to explain what the statement means. We expect all Methodists to be present, as we are endeavoring to help you to understand the expressions of our faith. We trust that it will help each member of the church to appreciate the privilege of repeating the Apostles' Creed at the morning worship each Sunday morning.

Yours to serve,
 B. J. OSBORN, Pastor

Street Paving

(Continued From Front Page)
 facing us just now, it is a question of getting out of this depression, putting people back to work like they were at one time working when there was a job for everybody. If we don't get things moving along again in a moderate way you will never be able to pay off the mortgage that you now have on it. Things are not going to get better on their own accord, we must reach down and get our boot straps and lift ourselves out of it. No miracle is going to happen. Things will only happen as we plan and work to make them happen. We also know that you cannot pay your taxes and if there is not a change you are not going to be able to ever pay them, and there is not going to be any change if we continue to drift along as we are now drifting. Some say times will be better this fall, maybe they will be better, but if people are not put to work at some gainful occupation how are they going to buy the things that are produced on the farm and pay the farmer a profit for it. If the farmer does not get a profit in this country what is your status? We might as well look the proposition square in the eye right now as any time for it is coming, and in fact it is already here. That Blue Eagle is going to do a lot of things and make us do a lot of things that we don't want to, or think we can not do.
 We must put people to work in this community, just the same as they are being put to work in other communities if we are going to be a loyal people and rally to the call of our President. When our people that want to work all

have a job we will see quite a bit of increased business will more than offset the cost of your share of the paving. The cost of this paving will be scattered over a period of ten years. If you have a fifty foot lot it will only cost you \$8.50 per year to pay for it. You, as a property owner and a business man will pay more than \$8.50 this winter for charity if we do not get something started in this community in the way of a public works program.

When the committee on your street approaches you about paving, do not put up a long hard luck story, but get right on the dotted line and let's get going. Let's help ourselves out of this depression. Let's get it over with, we are all tired and worn out waiting for better times, and they are not coming unless we do something.

SURPRISE SHOWER GIVEN MRS. CARTHEL THURSDAY

A surprise shower was given to Mrs. Hershel Carthel last Tuesday afternoon in the club room of the City Auditorium. Mrs. Carthel, before her recent marriage, was Miss Octavia Collins.
 Piano selections were played by Misses Hazel Ford and June Guthrie. Martha Meriwether gave a reading and Misses Patricia Patterson, Frankie Dodson, and Leona Shelton sang a trio. The gifts were presented to the bride by Mary Louise Shaw and Dorothy Graves.
 The following were guests for the occasion: Mesdames Maye Baker, Hugh Counts, Eugene Harris, Jimmy Baxter, Walter Childers, Daniels, Hugh Roberson, Marvin Cox, C. R. Graves, France Carthel, A. B. Roberson, Misses Bena Cox, Estelle Byars, Rachelle Graves, Ester Maye Hodel, Valeria Bullman, Patricia Patterson, Frankie Dodson, Leona Shelton, Martells Guthrie, Gladys Carthel, Retha Belt, Maitha Meriwether, Kathrine Harris, Olga Carthel, and the honoree, Mrs. Carthel.

QUICK RELIEF FROM SOUR STOMACH, HEARTBURN

Stomach pains after eating and gas disturbances can be stopped quickly with Dr. Emil's Adia Tablets. Banish heartburn, sour stomach. Give quick relief. Lockney Drug Co.

Here's One Good Way To End Agony Of Neuritis

Newark Man Knows How and Loses 10 Pounds
 "Gentleman: I used Kruschen Salts to try and get rid of Neuritis from which I had suffered for one year in my left shoulder and arm. . . . I took a little of the salts in the morning, sometimes in my coffee, other times in water. I would also occasionally take a dose in water at night before retiring. For 3 months I used the salts and while I lost 10 pounds in weight, the pain in my shoulder HAS ENTIRELY DISAPPEARED. During the time I was taking the salts I received no other medical treatment so I am fully convinced the Kruschen Salts did the trick." C. K. Murray, Newark, N. J.
 Take one half teaspoonful of Kruschen Salts in a glass of hot water every morning—a jar lasts 4 weeks—get it at any druggist in the world—costs but a trifle.

2 Easy Ways to Check Up on Your Present Separator

1. SKIM YOUR SKIMMILK WITH A DeLaval
2. TRY A NEW DeLaval FOR A WEEK

IS YOUR present separator skimming clean? If it isn't you are losing valuable butter-fat. There are two easy ways to satisfy yourself, and it won't cost you a cent to do so.
 (1) Run the skimmilk from your old separator through a new DeLaval. If your old machine is losing butter-fat, the new DeLaval, with the wonderful "floating" bowl, will recover it. Have any such cream weighed and tested. Then you will know exactly what a new DeLaval will do for you.
 (2) Try a new DeLaval for a week. Separate half your milk with it and half with your old separator. Keep the cream in separate cans and at the end of a week see which can will bring you the most in dollars and cents.
 We will gladly provide a new DeLaval for such a test. Call on or phone us.

SOONER OR LATER YOU WILL USE A DeLaval

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go
 If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blisters. Your head aches and you feel down and out. Your whole system is poisoned.
 It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.
 But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. ©1931, C. M. Co.

Opportunity

With the new day that unmistakably dawns comes phenomenal opportunity to build enterprises that with steadily advancing prosperity are certain, under wise guidance, to prosper.

This institution will cooperate with President Roosevelt's Industrial Recovery Act 100 per cent because we believe the entire country will profit by so doing.
