BIG GUSSING CONTEST FOR "FELLOWSHIP DAY" TUESDAY

Large Crowds Here Tuesday To Participate In Big Cash Contest—Interesting Program Arranged

People were here for miles around Tuesday to take part in the first "Fellowship Day" program that is being sponsored by the business and professional men of this city. Entertainment was furnished by one "Bozo," the piano playing demon from Lubbock. Bozo is a colored boy, but how he can play the piano and sing. Also local people assisted with the program, furnishing several piano selections and songs.

The big cash contest came off at 3 p. m. and Mr. W. F. McAfee was awarded \$25 cash. The program committee has arranged a still bigger and better program for Tuesday, May 22. It will be a big guessing contest. The business men that are sponsoring this program will have something in their window for you to guess at. A jar of beans a chunk of lead or something of the sort. If you guess the closets to it you will receive a prize. It costs nothing to enter this contest. Just stroll around, looking into the show windows, see what they have for you to guess at, walk into the place of business register your guess and at four o'clock prizes will be awarded. This contest will begin at 8 a. m. Tuesday morning and close at 4 p. m.

At 3:00 o'clock the big cash contest will take place again. Be here with your tickets.

Trade with the business establishments in Lockney that are giving tickets, save every one of them, and take part in this \$25 cash contest. Don't let anything keep you away from Lockney Tuesday. Meet your friends and neighbors here. A big time for everybody.

HONORED WITH BIRTHDAY DINNER SUNDAY

Mr. and Mrs. Bennie Teaff of Quanah entertained Sunday with a birthday dinner honoring grand mother Bybee, Bennie Gene Bybee and their son, Ronald. A delicious dinner was served at noon and at four o'clock ice cream and cake was served to the guests.

The following people were guests: Mr. and Mrs. Bryant Bybee and sons, Mr. and Mrs. Henry Easley and daughters, Mr. and Mrs. Walter Bybee and family. Grandmother and Granddad Bybee all of Quanah and Mrs. Teaff and daughters, Roberta, Mr. and Mrs. Joe Teaff and daughter, Mr. and Mrs. Doyle Williams, Mr. and Mrs. Travis Edwar and daughter all of Lockney.

MR. AND MRS. C. L. ROBBINS HAVE ICE CREAM SUPPER

Mr and Mrs. C. L. Robbins of Roseland entertained a number of young married couples at their home Tuesday evening with an ice cream supper in celebration of their third wedding anniversary of May 16.

C. D. Merrick received a prize for making the best two minute speech on three successful years of married life.

After supper the evening was spent in playing bridge, forty-two and working jigsaw puzzles.

Sixteen couples were present for the occasion and upon leaving each wished Mr. and Mrs. Robbins many more happy years together.

AMERICAN LEGION NOTICE

All Legion boys that anticipate going to Lubbock for the 19th District Convention Saturday and Sunday, are requested to meet in Dr. Anders office at the Lockney Drug Co. Friday afternoon at 7:00 p. m. to assist in making arrangements for attending the convention. Every member of the Lockney Legion should attend this convention as it is being held so close to us.

ALL DAY CEMETERY VISITING MAY 30TH

W. R. Sams, President Lockney Cemetery Association, requests that we make the cement that on May 30th "Every Working" will be held at the cemetery. Every citizen and surrounding community requested to go and help our cemetery. Dinner will be served on the ground at the hour. All are asked to bring well filled basket of good. A big pot of coffee will be served and everybody will enjoy it. Don't forget to bring work with such as spades, rakes etc. Tell your neighbor about this special day.

ANOTHER GOOD RAIN RECEIVED SUNDAY NIGHT

Everybody in this section of the country is feeling good. We received another rain Sunday night and Monday morning that amounted to one inch. It came just in the nick of time to be of benefit to the crop farmers.

Row crop farmers are planting cotton and feed a few for several days to come now have a splendid season. The planting of these crops farmers report to this office.

LOCKNEY GIN COMPANY IMPROVEMENTS

Ed Whitfill, manager of Lockney Gin Co. has been the past ten days with a number of men making improvements on the gin property. A nice office has been built onto the west side of the gin. This office is 22x22. The Security State Bank building was purchased by Mr. Whitfill and installed in this new building. It is just about the "keenest" office in West Texas or the for that matter. The gin has been given a coat of white paint and it shines like new money. Certainly he looks of things. A new set of scales will be installed before the planting season begins.

Mr. and Mrs. Joe Williams and Mr. Will Hamilton left for the Baptist Convention at Ft. Worth to be held all this week.

Mother's Day Attracts Many To Homefires Once Again

The homefires once again leaped up in welcome flames in an effort to attract sons and daughters to the old family hearth on Mother's day—children who have been away from home many months returned Sunday to the scenes of their childhood in memory of their beloved mother, who gave everything and asks nothing in return but love and kindness—Winters may come and summers depart but still mothers will linger in our hearts!

Anxious children were scurrying hither and yon Saturday and Sunday in an attempt to reach home ere Mother's Day dawned—eager mothers were hustling about in preparation of their home coming with dull eyes sparkling and the sweetest kind of a smile playing about their character lined faces.

Mrs. Tony Lundgren of Friona and Emmett Davis and family of Amarillo were here Sunday visiting their mother and father, Mr. and Mrs. Conde Davis.

Wayne Greer, Raleigh Canning and Glen Stevenson, students at Texas Tech at Lubbock were here Mother's Day visiting their parents, Dr. and Mrs. N. E. Greer, Mr. and Mrs. K. L. Canning, and Mr. and Mrs. O. E. Stevenson.

Mr. and Mrs. J. W. McCailey and small daughter, Margie, of Amarillo were here Sunday as the guests of Mrs. McCailey's

father, Mr. O. T. O'Hearn and wife.

Miss Ruth Ford of Lubbock was a Mother's Day visitor Sunday, the guest of her parents, Mr. and Mrs. Falk Ford.

Miss Thompson of Clovis, New Mexico was here over Sunday visiting her mother, Mrs. E. P. Thompson of Long Beach, Cal., who is here with her daughter, Mrs. Buck Sams.

Mr. and Mrs. Ossie McCollum of Amarillo were here Mother's Day visiting their parents, Mr. and Mrs. C. R. McCollum.

Mr. and Mrs. Crawford Island of Tulia came Friday and returned Sunday after visiting with Mrs. Island's mother, Mrs. Hadley.

Mr. and Mrs. C. K. Bennett and family of Clovis, New Mexico, were the guests of the former's mother and father, Mr. and Mrs. Bennett, Mother's Day.

Ben Whitfill of W T S T C at Canyon was here over the week end visiting his parents, Mr. and Mrs. Edd Whitfill. Kenneth Hohlaus also of Canyon was here visiting his mother and father, Mr. and Mrs. Herman Hohlaus.

Mr. and Mrs. Iven Hess and two boys of Amarillo were here Sunday visiting the latter's parents, Mr. and Mrs. Whitt.

Challenger and Champion Compare "Betsy-Anns"

NEW YORK Max Baer (above), California, challenger, and World Champion Primo Carnera of Italy, (right) compared "Betsy-Anns" baymakers, as they met to sign articles for the world title clash here on June 14. The usual ballyhoo featured the signing with the Champ, Carnera, getting a bit of the edge when he squeezed Baer's hand so hard in greeting that the Californian winced.

FT. WORTH AND DENVER CHANGES SCHEDULE

The Ft. Worth and Denver Railroad Co. has announced, according to K. L. Canning, that beginning Sunday, May 20th, the 102 eastbound passenger train will be due at 10:12 a. m. instead of the present schedule, 10:37 a. m. and the night train at 8:22 p. m. instead of 8:37 p. m. Also becoming effective Sunday the company will extend their train service through to Houston from Ft. Worth and Dallas.

Mr. and Mrs. Dwight Jackson were in Lubbock Tuesday where Mr. Jackson received treatment at the sanitarium for sinus trouble.

CHILDREN SHOULD BE MADE IMMUNE FROM DIPHTHERIA

Make sure that your child is immune from diphtheria, warns Dr. John W. Brown, State health Officer. Children need not have this disease if proper steps are taken and these are very simple.

If parents would have their family physician administer toxoid to their child as soon after it reaches the age of six months as possible, much suffering and many deaths could be prevented.

The administering of toxoid is a very simple procedure and causes the child little or no discomfort and there is an interval of three weeks between doses. In approximately ninety per cent of the children receiving toxoid, there will be established a life time immunity to this disease.

TO BE SURE. Four to six months after the final dose of toxoid the child should be Schick tested so that the parents will know definitely whether their child is immune. The test consists of just a few drops of diphtheria toxin between layers of the skin. If the child is immune no reaction will be noticed. If not there will appear redness at the sight of the test that reaches its height the third or fourth day.

For Congress

CLARK MULLIGAN
Judge, 99th District Court, Lubbock. Candidate for Congress, 19th District.

TO THE PEOPLE OF THE 19th CONGRESSIONAL DISTRICT:

For nearly a year you have had before you my announcement for Congress from this new District.

Believing that the People generally have grown weary of the many-worded, time worn, inflated structures in American politics we call "Platforms" that so often become the funeral biers of numerous forgotten promises I formally submit my candidacy to

you in four simple sentences:
"To keep faith with my fellow man.

To ever be mindful of my trust
To remain loyal to those I represent.

To do always, the very best I can."

No man in this race can say more, nor should he say less.

These four sentences pledge me to support every emergency measure of the President's Recovery Program consistent with the needs of those who live in this District.

They also pledge me to sincere and profound consideration of every future question of Government tending to promote the welfare and happiness of the people who live in this District.

Were I to detail a platform several times as long, I could say no more. The multiple problems of Government that are perplexing the greatest minds in the world cannot be properly discussed in a political announcement, nor can they be solved in a political campaign.

Question of Currency, Revenue Economy; Taxes, Tariff; Foreign Relations; National Defense, Commerce, Banking; Pensions; Transportation; Labor, Unemployment Industry; Farming; Stock Raising Marketing; Law Enforcement; and many others with their numerous related subjects, affect all mankind; and 434 other Congressmen will have an equal voice. All my life I have been a student of Law and Government I shall expect to apply the knowledge gain

ed, and my very best thought; to these matters as they arise.

However if there are some who desire an expression of my views on National subjects, I invite and welcome your inquiry, personally and otherwise, and assure you a courteous reply. Before the campaign is over, I hope in some manner to acquaint every interested person with these views.

So far as I am able to observe at this stage of the campaign every candidate in the race, regardless of the number of words used, is running on the same platform which is: "A sincere desire to render a public service to the greatest number of people." This being true, the only issue raised or that can be raised is "The Personal Ability and the Power of the individual candidate to put Over the things he advocates and undertakes?" This is the only question for your determination and one you must answer if you expect a full measure of representation in your law-making body.

Whether I fill the requirements in meeting this issue is or your determination. If I am not qualified to be your champion in any forum, and to stand man to man with any who oppose your interest, then I do not want to go to Congress. That is fair to you and fair to me.

I am conducting my campaign my own way, and have conceded the same privilege to the other candidates. I have no controversy with any man and do not propose to engage in cheap, petty, local politics that might lead to one. To me the Congress of the United States is a sacred institution, second only to the Flag and I expect to deport myself with a dignity worthy of the high office I seek.

With an abiding faith in the sincerity and the ability of our Democracy to choose for the best in the breast of all concerned I humbly submit my candidacy for your deliberate and careful consideration.

PRODUCTION CREDIT ASSOCIATION REDUCES INTEREST RATE

Frank P. Baine, secretary of the Plainview Production Credit Association has just received word from Governor W. I. Myers of the Farm Credit Administration in Washington, D. C. that the interest rate on new loans from production credit association has been reduced from 5 1/2 to 5 per cent.

According to Mr. Baine the new 5 per cent interest rate becomes effective immediately on all new loans and advances made by the association and will be applicable until further notice.

The new interest rate of 5 per cent will not affect loans already advanced in full." Mr. Baine said.

These will continue to bear the rate of interest prevailing at the time the loan was closed. The interest charges on loans from the association are collected when the loans mature. The Plainview Production Credit association is now making loans on acceptable crop and chattel security to farmers in Hale, Floyd, Castro, Briscoe and Floyd counties.

COTTON ALLOTMENT TO BE HANDLED BY COUNTY COTTON PRODUCTION ASSOCIATION

The administration of the Bank head Act restricting American cotton production this year to not more than 10 million bales is to be handled in the counties by the county cotton production control association, according to information received by the Texas A and M College Extension Service from Washington. Advance notices indicate that Texas has been allotted a 1934 production of 3,091,200 bales which may be ginned and sold tax free. All in excess of this must pay a tax at time of sale of 50 per cent of the average central market price for 7-8ths inch middling as proclaimed by the Secretary of Agriculture from time to time, based on spot market quotations. At no time can this tax be less than 5 cent per pound.

The provisions of the Act are operative for the cotton year June 1, 1934 to May 31, 1935 but may be extended to the next cotton year by Presidential proclamation if two-thirds of the cotton growers approve. Every producer of cotton is called upon to apply to his county cotton production control association for tax exemption certificates for his individual allotment. As far as possible signers of voluntary cotton reduction contracts will be given the same allotments as indicated in their contracts, but these may be raised or lowered, according to allotments assigned the county by the United States Department of Agriculture. Those who did not sign reduction contracts may also apply on forms to be furnished by the associations for individual allotments of tax-free cotton.

The Texas allotment is based on the ratio between the average 5 year production 1928-32 to the average national production for this period. Not less than 90 per cent of the State allotment is to be allotted to the counties, the remainder being reserved for necessary adjustments to take care of special cases. Allowance is to be made for crop failures in counties where it can be established that the failure is due to an unusual cause. Washington advises point out that in some sections floods and drouths are not unusual. The United States Department of Agriculture has a cotton history of every county for guidance in de-

LET US SHOW YOU THE NORGE

The NORGE is a truly Modern Refrigerator. Even its lines suggests the streamlining of the latest cars.

The Freezing Unit has very few moving parts. Its simplicity of construction insures years of service without attention.

All the corners on the inside of the box are rounded allowing them to be easily cleaned.

It is not necessary for you to have one of your hands free to open the door. The "Lazilatch" permits you to open it with the touch of your little finger.

BY ALL MEANS, SEE THE NORGE

terminating where special adjustments should be made.

The first duty of every producer under the law is to apply for bale tags for all cotton produced prior to this season now in possession of the farmer. As soon as a county production control association has the forms the farmer should apply for exemption certificates for his allotted cotton for 1934-35. The final date for application for these certificates has not yet been determined. Every bale of American cotton entering trade channels in the cotton year 1934-35 must have a bale tag which the farmer may obtain either by surrendering his exemption certificate or by paying the tax.

The amount of the tax is determined by the tax in effect at the time the cotton is ginned regardless of when it is sold. If stored and held for a year or more it must still pay the tax.

Cotton of 1 1/2 inch staple length or longer is exempt from the tax but the producer of such cotton must first prove his point before exemption is granted. Experiment Station cotton is also exempted from the tax.

The signers of voluntary reduction contracts stand to benefit under the Bankhead Act, the Agricultural Adjustment Administration points out, because these producers will receive their land rental and parity payments in addition to the expected increase in cotton price on the amount sold.

The interests of share croppers and tenants are to be protected in the making of allotments and issuing of exemption certificates.

is promised by the Administration.

Contract signers who violate their contracts are to have their exemption certificates revoked, according to the provisions of the Act.

No allotments are to be made under the Bankhead Act until all producers have applied to their county cotton committees giving their production figures and asking for exemption certificates. The collection of the tax is to be in charge of the Bureau of Internal Revenue, and is to be collected as prescribed by them at time of sale.

AMERICAN LEGION TO MEET AT LUBBOCK IN CONVENTION

LUBBOCK, Texas, May 17—A fun session—golf, pool, bowling, theatre passes and dancing are all to be crowded into the Saturday schedule of the new Nineteenth District Convention of the American Legion here May 19 and 20, Riley F. Huie, post commander of the local post has announced.

Sunday, visitors will go to the church of their choice form in chow line at 12:15 and Sunday afternoon a joint session of the Legion and auxiliary will be held. Huie will make the welcome address after musical numbers. Lee T. Stinson, Snyder druggist, will respond and Dr. Bradford Knapp, president Texas Tech will make the principal address.

A business session with election of officers, selection of the next meeting place and other matters

coming up for attention are on the slate.

This is the organization meeting of the new 19th district boundaries being confined to the 25 counties in the new 19th district when congressional redistricting of Texas was adopted by the legislature in 1933.

\$2 REMITTANCE FOR
SCHOOLS ON MAY
20

AUSTIN, May 13—Increased
collections for the available school
fund are sufficient for a \$2 re-
mittance May 20, on the state's
school aid appropriation of \$16.
The remittance will bring to
\$10 the amount paid for each
school district during the
scholastic year, in addition
to \$5 of last year's appropriation
which was unpaid September 1.
Department of education officials
estimated \$4 additional would be
paid before August 31, the end
of the fiscal year leaving a bal-
ance due \$2.

With the payment of \$14 on
the current appropriation and
\$5 on last year's for each of the
1,575,742 children on the schol-
astic rolls, public schools this year
will have received approximately
\$30,000,000 State funds. Only
a slight increase in next year's
enumeration is forecast.

School officials predicted there
would be no deficit Sept. 1, 1935,
if conditions are as favorable
next year as they was this year.

SCHOOL BOARD AT SOUTH
PLAINS RE-ELECTS
TEACHERS

Last year's faculty of the South
Plains public schools recently
were re-elected by the school
board of the district and are mak-
ing their plans to spend the sum-
mer in school taking special work
before taking up their duties a-
gain next fall.

Members of the faculty are
Z. H. Doan, and Mrs. Z. H.
Doan, Mrs. Blanche Phegley,
Mrs. Earnest Davis, and Mrs.
Paul Snodgrass.

The school year at South Plains
will close this week. formal clos-
ing exercises to be held on Friday
night, when a combined baccalaure-
ate and commencement pro-
gram will be given.

OF INTEREST TO WOMEN

Cellar basements and damp
places about the home are breed-
ing places for "thousand-legged"
worms. Clear all places of damp
rubbish and dust frequently with
pyrethrum powder.

Furniture that has been polish-
ed often and has become "smoky"
should be wiped thoroughly
with turpentine cloth which will
take off the accumulation of oil
from the old polish. Then repolish
with any good furniture polish.

When cleaning any wood-
work with water for refinishing
be sure that the wood has had
sufficient time to dry. Shellac
or varnish on damp wood will turn
white in spots after drying.

One of the best fabric bleaches
is a chlorine bleach which can be
had at almost any grocery store.
Its technical name is Javelle water,
but more often is sold under some
trade name.

An alcohol stain on furniture
can be removed by cleaning the
stain with turpentine, down to
the bare wood, then with finger-
tip or small cotton pad apply
stain in very thin coats until the
correct tone has been attained.
Finish with white shellac.

Scratched varnish on furniture
should be wiped down well with
turpentine cloth and then repolish
ed. If scratches go through varnish,
take off varnish on the wood and
refinish entire piece.

Moth flakes or powdered cloves
scattered at spots where ants fre-
quent will drive them away be-
cause they do not like the odor
of either. There is also a thalate
ant trap, now on the market that
should be used for bad infestation.

To bleach wooden kitchen
drain boards that have become
stained and dirty looking apply
a hot saturated solution of oxalic
acid and let it stand over night.

Wash well and when boards are
thoroughly dry, wash them with
mixture of three parts of turpen-
tine. When the wood has absorb-
ed all it will take, wipe off the sur-
plus and polish.

To soften hard water in small
lots add a little borax, or tridium
phosphate which will cut the
hardening salts.

When stippling a wall with flat
paint do not attempt to work gen-
erally across the upper or lower
half of the wall before doing the
other half. To prevent overlaps
of paint from showing, 5 square
feet is about as large an area as
should be worked, catching the
edges before the paint has time to
start drying.

POPULAR COTTON PLAID

Pattern 8186. The popularity
of plaids in cotton materials con-
tinues unabated. Catering to the
demand for an attractive and
simple design for general useful-
ness is this one piece frock. The
flaring raglan sleeves are slashed
and pleats inserted giving width
and a finished look about them
and the inverted pleats in the front
and back of the skirt are simple
to make and very effective. The

costume is completed by the ar-
dation of the large white tie
trimmed with rick rack braid.

The delightful colors in cottons,
whether checked, plaids or mono-
tones, make choosing a difficult
and interesting task.

Why the Sudden Change to Liquid Laxatives?

Doctors have always recognized the
value of the laxative whose dose can
be measured, and whose action can
be thus regulated to suit individual
need.

The public, too, is fast returning
to the use of liquid laxatives. People
have learned that a properly pre-
pared liquid laxative brings a perfect
movement without any discomfort
at the time, or after.

The dose of a liquid laxative can
be varied to suit the needs of the
individual. The action can thus be
regulated. It forms no habit; you
need not take a "double dose" a day
or two later. Nor will a mild liquid
laxative irritate the kidneys.

The wrong cathartic may often do
more harm than good.

Dr. Caldwell's Syrup Pepsin is a
prescription, and is perfectly safe.
Its laxative action is based on senna
—a natural laxative. The bowels will
not become dependent on this form
of help. Dr. Caldwell's Syrup Pepsin
is at all druggists. Member N. R. A.

GOOD THINGS TO EAT

TOMATO SOY

2 gal. green tomatoes (sliced)
1 qt. onions sliced
1 qt. vinegar
1 qt. sugar
2 T salt
2 T ground mustard
1 T cloves
1 T allspice
1 T cinnamon
1 T nutmeg

Cook in large kettle until tender, stirring frequently. Put in jars and cover with parafin. Slice the onions under water to keep the juice out of the eyes.

MOLDED BEET SALAD

2 cups chopped beets
1 medium sized onion, sliced
2 tsp. vinegar
1-4 esp. celery salt
1 pkg. lemon jello
1 tsp. salt

Boil beets and chop fine. Marinate in vinegar for a few min. Drain well, add the onion, salt, and celery salt and mix well. Add to this jello mixed as directed on package. Put into individual mold and place in refrigerator to set. Unmold and serve on lettuce and garnish with mayonaise.

STUFFED PORK CHOPS

2 cups soft bread crumbs
6 pork chops-1 inch thick
1 chopped onion
2 tsp butter
1 tsp. chopped green pepper
2 tsp. chopped
1 tsp salt

Split chops through the center to the bone, making a pocket to hold the stuffing. Brown the onion in melted butter. Add green pepper, celery, salt and crumbs and enough water to moisten. Fill the chops with stuffing, fasten with tooth picks and place in pan with water enough to cover the bottom. Bake in moderate oven, 350 degrees, until tender.

CHEESE ROLLS

Remove the crust from very soft bread, slice thin, butter and sprinkle with cheese. Roll and secure the ends with tooth picks, then toast in oven. May be served warm with soup or cold with salad.

COTTAGE CHEESE WITH EGG

3 cups cottage cheese
3 hard boiled eggs
3 tsp butter
1 pimento

Mix cottage cheese and chopped eggs and pimento. Add warm butter or heavy cream. Tomatoes or raisins or nuts may be added.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sick and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly rarin' and buoyant and full of sunshine.

For they can't do it. They only make the bowels and a mere movement down get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pints of liquid bile into your veins daily.

If this bile is not flowing freely, your food doesn't digest. It just dumps in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pints of bile flowing freely and make you feel rarin' to go. They contain wonderful, natural vegetable extracts, amazing when you begin to making the bile flow freely.

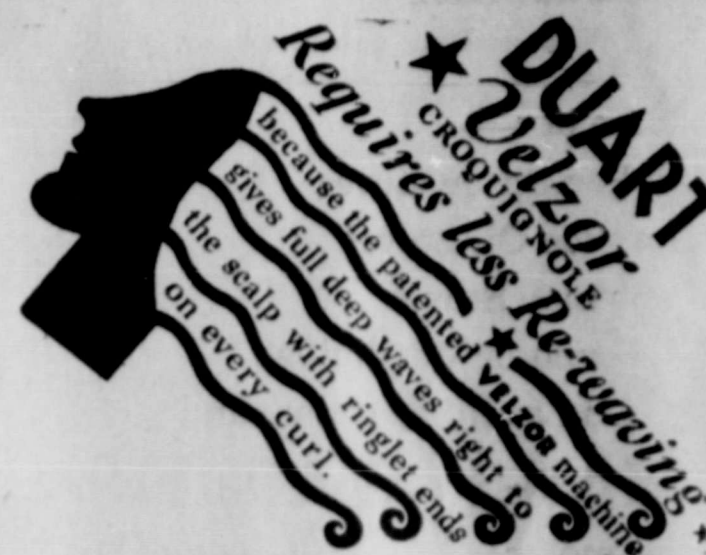

But don't look for liver pills. Ask for Carter's Little Liver Pills on the red label. Beware a substitute. 25c at drug stores. ©1931 C. M. Co.

ed as a consequence of the committee's recent trip to Washington to secure a fairer and more equitable value of South Plains land for farm loan purposes, is indicated in the fact that the credit Relief administration has already become active in re-appraising a number of farm tracts that were previously appraised entirely too low for their owners to accept and and be able to meet past due obligations.

Last week a number of appraisers some of them recently appointed, were in various counties of the South Plains area checking up on several of these previously too low appraisements and applications with the idea of increasing them where such increases were merited.

Wednesday night of last week W. A. McAnnally, state appraiser for the Administration held a meeting with appraisers of the section in Plainview at which time he advised them, according to report that the land of this section must be given appraisements more in accordance with its productions.

It is said that more than 100 applications for loans in these 14 counties of the South Plains area have been an acceptable by the applicants because of too low appraisals, and that many of these are due for an increase. It was reported Tuesday that Mr. Gray, assistant chief appraiser at Washington would be back here the latter part of this week. —Mulshoe Journal.

5 Six-Footers... and not a cramp in a Carload!

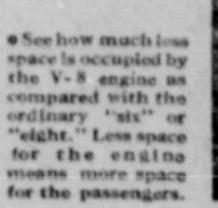

FIVE big men can relax in utter comfort on the deep cushions of the Ford V-8. Wide seats keep elbows out of ribs. Ample leg room keeps legs from being cramped.

Why? Because Ford measures roominess in terms of usable body room. Not in terms of the distance between bumpers, which means nothing when you come to analyze it.

The Ford V-8's very engine construction gives you more body room, as the diagram explains. Cylinders are "doubled-up" saving space, not strung along in a line to waste it.

"THE CAR WITHOUT A PRICE CLASS"

The Ford V-8 front seat is adjustable. It quickly and easily adapts itself to a six-foot-two husband or a five-foot-two wife. It ends forever that source of strife.

Before you buy any car at any price, drive the Ford V-8.

all old males be sold off. To encourage such improved grading in farm eggs the Friendship Day Board of Plainview will pay a above market price that day for all roosters brought in between the hours of nine in the morning and four in the afternoon.

Another free picture show at the Granada Theatre, starting at ten o'clock will constitute the morning program.

The cash contest at the bandstand at three thirty will make up the afternoon offering.

P. C. Anders Jr and his dog, Skippy, will leave Friday for Tuscaloosa, Alabama where he will visit with his grandmother, Mrs. J. H. Anders, for several weeks.

Geo. Newman, salesman for Fielder Motor Co. distributors for the Ford V-8, reports the sale last Saturday of a Tudor Sedan equipped with Martin Air Wheels and balloon tires, to Bill Johnston.

Mr. and Mrs. H. B. Alexander, who have been living at East Vaughn, New Mexico, moved back here Friday. They are former residents of Lockney, having lived here several months ago.

Mr. and Mrs. Earl Wilson left last week end for a two weeks vacation at Houston and Galveston.

Mrs. Fred Hall and mother, Mrs. Dobbs, are at Kirkland, Texas, to be with the latter's daughter Mrs. Lucille Pelley, who is quite ill.

Clyde and Leslie Wright, Roy Dyer, and Gerald Sams plan to leave Sunday for a ten day trip into the state of Colorado and New Mexico.

R. E. Patterson left Sunday on a business trip to Ft. Worth and Dallas.
