

CHATTERGRAMS

BY JEAN SUITS

I noticed in a short feature where the Women's Missionary Society at Borger, Texas, were selling fur...

Some people are of the opinion that the husband should sniff the cork twice from now on before drinking out of a bottle in the pantry.

It electrifies your hair, blackens your teeth, its simply choking all the way down and has a tendency to make man plenty violent in the worse form.

If these rains continue with the fog hanging low the mental institutions at Terrell and Wichita Falls had better start constructing new cells for here we West Texans come to cash in on all those taxes we've been paying the last twenty years under protest.

You only have a few more weeks in which to wear your Easter costume and get ready to join the Big Parade.

It doesn't matter if we, who are mature after having encountered the triumphs and reverses of life, are not permitted to wear a new suit or dress on the day signifying the change of days.

It's not the high-collared business man behind the polished desk that makes the world go round but its the robust farmer behind the plow!

I would say the difference between opportunity and a pessimist is that opportunity knocks only once and quits!

I discovered this week that there are people right here in Lockney who have spent twenty years in learning how to make money and now they have forgot how to spend it!

PATRICIA PATTERSON PLEDGES LITERARY SOCIETY AT CIA

Miss Patricia Patterson, daughter of Mr. and Mrs. R. E. Patterson of Lockney, pledged membership to the Betsy Ross Literary Society of Texas State College for Women (CIA) following the recent observance of Rush Week on the campus.

Preferential bidding, begun for the first time last year, was also carried out in the plan for membership this year. Approximately 340 girls were pledged to the 11 social and literary campus organizations. Formal initiation was held this week.

Miss Patterson, a freshman at the college, is majoring in Speech.

Mrs. N. E. Greer returned Monday from Dallas where she has been the past three weeks receiving medical treatment.

Lockney Wins One Act Play Monday Night Over Floydada

On Quintuplets' Behalf

TORONTO... Above is David A. Croll, Ontario Minister of Welfare, whose bill to make the Dionne Quintuplet babies special wards of His Majesty, the King, has been passed through committee without amendment and is on its way to become a law.

QUITAQUE PARK DRIVE RENEWED

Will Seek New Location In Picturesque Breaks Country

Executives of the Quitaque Park Association, representing 14 West Texas towns, will meet at Floydada at the Chamber of Commerce office Thursday afternoon, March 28, at 2:30 o'clock to discuss possible park sites in this section.

Efforts are being made to obtain sufficient acreage in the picturesque greasy country adjacent to Quitaque or Matador for the location of a state park.

W. Edd Brown of Floydada, is a director of the association.

Members of the executive committee and the towns which they represent, expected in the session here this week are: Wm. McGeehe, Lockney; H. S. Hilburn, Plainview; W. B. Russell, Quitaque; W. Coffee, Jr., Silverton; J. L. Bedwell, Gasoline; Willis Walker, Turkey; S. J. Underwood, Hale Center; Ray Pinson, Abernathy; R. A. Jefferies, Petersburg; John Elliott, Kress; H. F. Pipkin, Matador, and L. Mahrdun Pipkin, Matador, and Lyman E. Robbins, Memphis.

Clement B. McDonald, Quitaque editor, is secretary of the association and Col. R. P. Smyth, Plainview, is president.

NOTICE TO INTERSCHOLASTIC LEAGUE COOPERATING TESTANTS

You will notice that the interscholastic League program for Floyd County to be held at Floydada this week does not appear in the columns of this issue. This is due to the fact that the director general has not sent this paper to Lockney school superintendent a copy of the program time this week.

J. W. Jones, school superintendent, understands the same time as last year. He does not know anything about the field and events, that is, the interscholastic League program.

Mr. and Mrs. Earl... attended the funeral of... at Tahoka Monday.

Mrs. T. B. Brooks... Joe McCollum and Richard Sherwood... visitors Sunday.

Lockney's Play Receives Unanimous Vote For First Place by Judges; To Go to District at Lubbock April 5 and 6

"Highness," Lockney High School one act play, won first place in the county class A contest held at Floydada Monday evening, making them eligible to enter the district meet to be held at Lubbock April 5 and 6.

The Lockney play under the direction of Mrs. O. E. Stevenson received a unanimous vote from the three judges over the Floydada one act play.

Lockney entered the district meet last year with "Suppressed Desires" and won third place over the eighteen contestants. Mrs. Stevenson believes the play this year has a chance to win second or first place or even first with several of the play ers rating the all star cast.

The same play Lockney is presenting this year won first place at the district meet last year by James... Students appearing in the play: Gladys Pratt, Glenn Whit... Olin Huff, and Richard Sherwood.

ALL YOU BASE BALL FANS

If rain don't interest you, you have an opportunity to see the Lockney boys in action at the day March 31 at 3 p. m. in the... have enough prospects to... favorite. Its free.

Watch next week's Beacon for announcement for Big Play coming to town April 5th.

T. B. CATTLE TESTING BEGINS MONDAY, APRIL 1

Ten Veterinarians Will Be At Work in County With One Vet. and Helper to Each Section

The tuberculosis government cattle test will begin in Floyd County Monday, April 1, lasting for three weeks with ten veterinarians at work in ten divisions of the county according to Glen A. Lindsey, county agent.

Dr. W. J. Aiken, assistant supervisor arrived Monday to make preliminary plans for the test. Dr. C. B. Brady, who was the first veterinarian to buy cattle in the county, is expected to arrive Thursday to supervise the ten veterinarians who will come here from the Big Ben section of Texas.

Each of the ten men will have a definite section assigned to him and will be assisted by one man. Mr. Lindsey announces that three trips to each farm will be necessary for the test. On the first trip the farmer will be notified of the time of the injection; on the second trip the tuberculin is injected; and on the third trip the readings of the test will be taken.

Mr. and Mrs. E. M. Whorton spent Sunday at Petersburg visiting their son, Walter Whorton. They reported good rains in that vicinity over the week-end.

Mayor, City Secretary And Three Aldermen To Be Elected—3 In Race for Secretary

Tuesday, April 2nd is City Election day for Lockney when a Mayor, City Secretary and three Aldermen will be elected. The election will be held at the City Auditorium. O. E. Stevenson is Election Judge and Marvin Cox and Mrs. Carl McAdams, clerks. All qualified voters living within the city limits of Lockney will be allowed to vote. A qualified voter is one who holds a poll tax receipt for 1934 or exempt from paying tax, and has resided in the State one year and city six months.

There are only about 200 qualified voters in the city of Lockney this year. Something over 135 poll tax receipts for the year were issued and of course we have a few overs and unders that will perhaps shove the list up to 200.

Every qualified voter should vote in this election. We should take more interest in affairs of State, county and city.

LOCKNEY HIGH SCHOOL

Roberts... Lockney High School... Superior at the... Festival held at Amarillo last Friday and Saturday and Tulla May Phleggy and Glenna Whitfill were given a grade of excellent. 20 speech pupils of Mrs. O. E. Stevenson attended the festival for the first time since its organization which was in 1934.

Mrs. Stevenson was elected vice-president of the festival and Mrs. W. M. Hall of Amarillo was elected president. Since its organization in 1934 the festival has increased one hundred percent in representation.

Mrs. Stevenson reported that her class as a whole made a good showing during the festival considering the fact that it was their first time to attend.

ROBERTS IS TAKING APPLICATIONS FOR SEED LOANS

These Loans Are For Non-Relief Farmers Only From a Special Fund

Applications for Seed Loans are being taken for Floyd County by Poyner Roberts, Committee Clerk at the Court House in Floydada, Texas. These loans are for non-relief farmers only, and are from a special fund made available by the Federal Emergency Relief Administration for seed for spring planting of truck, forage, and commercial crops.

These funds have been made available to meet the emergency created by lack of funds of the Emergency Crop and Feed Loan Section of the Farm Credit Administration, and will be discontinued when, and if, that office makes crop loans.

No loans will be made to farmers who are able to obtain credit locally or elsewhere.

PAUL SHICK BRAGS ON PLAINVIEW

Paul Shick, one time resident of Lockney, but now of Plainview, was over here the other day visiting his friends and bragging on Plainview and its workmen, more especially a woodworker in that town. Paul was in need of some decoy ducks this past duck season, so not feeling financially able to buy live decoys, he contacted this woodworker and ask him to make him a half dozen wooden decoys, which he did. Paul said they sure were good looking decoys, in fact they looked just like live decoys. Late one evening he placed them on a lake near Plainview, with the intention of going back to the lake early the next morning and bag a few ducks that would be coming in and lighting among his decoys. Upon reaching the lake he found that an old hawk had eaten a couple of his decoys and the other got scared and flew off.

Funeral... Saturday... Church of...

MARY MARGARET RIDINGS HAS OPER

Mary Margaret Ridings... underwent an operation at the Lockney Clinic Tuesday morning for an acute attack of appendicitis. Dr. Ridings' uncle, Dr. A. L. Ridings of Sherman, did the operation with the assistance of Dr. Greer and Dr. Anders.

Mary Margaret first suffered from the attack Sunday. Attending physicians believe her case is satisfactory considering the seriousness of her illness.

Dr. Ridings arrived Monday night and performed the operation leaving Tuesday afternoon.

LOCKNEY WINS GIRLS TENNIS DOUBLES

Melba Simpson and Alene Wright, representing the Lockney High School in tennis doubles at the Interscholastic League Meet, won first place over the class A and Class B schools of the county in a series of games, Thursday, Saturday and Tuesday at Floydada, South Plains and Aiken.

Edna Copeland, who played singles, lost the first two sets to the Floydada girl Thursday. Gilbert Hamilton lost the first two sets to Floydada Saturday as well as Olin Huff and Hall Nall who were playing doubles for Lockney.

All of the grammar school and high school interscholastic baseball games were played off at Floydada last Thursday afternoon with Lockney losing to Floydada in all games.

All of the boys tennis matches have not been played off yet and will probably be run off Friday.

Territory From South Plains To Sand Hill Receives 2 to 4 Inches of Moisture

Last Friday evening about 8 o'clock a strip of territory from South Plains to Sand Hill received rain that amounted to some thing like two to four inches, accompanied by a lot of hail. This strip of territory was about five miles wide and extended in a southward direction from South Plains and then southwest after it passed Muncy. All the lakes in that territory are full. Hail that accompanied the rain drifted to low places and was something like a foot deep in places. The hail did no damage to wheat.

This rain will be of much benefit to wheat in that territory and will be sufficient for planting season for row crops. Wheat is looking fairly well over the territory but rain is needed.

The father of Mrs. Joe Anderson and Mr. Conde Davis died at his home at Alvarado Monday. Mrs. Anderson and Mrs. Davis were called to his bedside Sunday.

Miss June Guthrie spent last week-end visiting Miss Evans of Amarillo.

Good Stevenson, who is attending Texas Technological College at Lubbock, was home over the week-end visiting his parents, Mrs. O. E. Stevenson.

MARGARET RIDINGS REPLACES MARY MARGARET

Margaret Ridings... replaced Mary Margaret... at the Lockney Clinic Tuesday morning for an acute attack of appendicitis.

Margaret first suffered from the attack Sunday. Attending physicians believe her case is satisfactory considering the seriousness of her illness.

Dr. Ridings arrived Monday night and performed the operation leaving Tuesday afternoon.

Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of The Beacon will be corrected gladly upon its being brought to the attention of the publisher.

Leaders in Washington City, men with the best interest of the country at heart, are now sending out warnings that patriotic citizens should heed. They point out that radicalism is spreading, and that seed of discontent are being sown by self-appointed leaders through fiery speeches against this or that branch of government. They promise rich rewards to all who accept their radical theories, either in the forms of doles or pensions. At heart they are more interested in keeping themselves in the public eye and of fattening their own private purses. We believe everyone around Lockney is acquainted with present conditions and how easy it is under such conditions for radicalism to attract a following. Men out of a job are going to follow the fellow who makes them the most tempting offer. So are those men who seek a living without having to work for it. In the end, however, they are sure to find themselves following false prophets. But that will be late to remedy the harm done to the nation as a whole. This nation wasn't built on wild promises nor on tempting offers of doles and pensions. The form of doles and pensions will never return to this country. It will be a thing of the past.

High winds are playing havoc in the drouth stricken areas of the upper Panhandle of Texas. Western Oklahoma, Western Kansas and Eastern Colorado. Top soil is being blown off down to the clay base by these high March winds. The Government is being called on to do something about these high winds and stop this blowing of soil. There is very little the Government can do. They might lend those unfortunate farmers in this drouth stricken area money to pay expenses of running furrows about their fields to stop the soil from blowing to some extent. They might also do as dry as the United States CCC boys. They might also lend money to blow and plant trees to the clay area. They might also lend money to plant trees to the clay area. They might also lend money to plant trees to the clay area.

Well it is just as we told you it would be. The Senate passed \$4,800,000,000 relief bill Saturday after a fight that lasted eight weeks. The vote was 68 to 16. The bill carried a mild silver inflation rider that was advanced by Senator Thomas of Oklahoma. This was done to prevent a filibuster. However, leaders expect it to be stricken out in conference. Under this bill the President expects to take 3,500,000 persons from relief rolls and give them jobs on hundreds of different types of public works at wages higher than relief pay, but below the prevailing private scale. This is to discourage those already on relief from quitting their jobs and rushing to government jobs and rushing to government jobs and rushing to government jobs.

work, and we believe it will work to a great extent. What FDR is working for is to put an end to "this business of relief" which is proving to be a mighty big burden on the government and the taxpayers of the country and is fast breaking down the morale of many of our people. Just what effect this new relief will have on unemployment in small towns and villages remains to be seen. If towns and communities have to put up additional money for materials, etc., it will be of little value as the treasury of the small towns are empty.

High winds are playing havoc in the drouth stricken areas of the upper Panhandle of Texas. Western Oklahoma, Western Kansas and Eastern Colorado. Top soil is being blown off down to the clay base by these high March winds. The Government is being called on to do something about these high winds and stop this blowing of soil. There is very little the Government can do. They might lend those unfortunate farmers in this drouth stricken area money to pay expenses of running furrows about their fields to stop the soil from blowing to some extent. They might also do as dry as the United States CCC boys. They might also lend money to blow and plant trees to the clay area. They might also lend money to plant trees to the clay area. They might also lend money to plant trees to the clay area.

Texas Legislators are doing no work. Just lollypopping around. Seventy-five days have passed and no major legislation passed. Maybe we don't need any legislation. However, the calendar calls for a lot of hard work for the next few weeks, as a number of bills have been reported by committees. The appropriation bills are coming up, and there is where the tax payer will get the ax.

The United States Chamber of Commerce says we are on the upgrade therefore we are lead to believe we are not, because that organization is always on the wrong side of the fence, and if you will always believe in the opposite direction from their views you will nearly always be right. That is, unless they have been converted here of late, and turned over a new leaf. But they will have to show us.

The house of Representatives have voted to pay the soldier boy their bonus. The Patman bill was selected and passed. The boys under this bill, will be paid off in new money that will be printed. This will cause very little inflation if any, it isn't enough for it will be distributed to every nook and corner of the United States. The bonus payment would only mean about \$15.50 per capita for Floyd county. We do not believe this will upset money matters in this county. However, it will make business percolate a little faster. The bonus for Floyd county would amount to a little over \$186,000. We receive that much in the county from the government every once in a while in the form of wheat checks, cotton checks, etc.

Democrats are a funny bunch of people. They have a majority in both houses of the National Congress, a nice majority, too. But what do they do? Quarrel among themselves, get to fighting among themselves, and finally wind up with a knock-down-and-drag-out affair and then steps the Republicans, and there you are. Every Democrat wants to be the "King Pin" and if he can't, he will take his marbles and go home and wont play anymore. Take Huey Long for instance. Now isn't he a fine Democrat. Doing everything he can to discredit the Democratic Administration. Carter Glass another. Oh, yes he is a Democrat as long as the evening goes his way, but when it don't, he is something else. They are like a bunch of kids playing together in the back alley, they get along all right together for about a couple of weeks and then they pull off a free-for-all fight and bust up. The Democrats have done pretty well for the past two years but now they are becoming quarrelsome among themselves, believe me, the President is bossing them too much, and they just want to show him they cannot be bossed around, and of course when they do that attitude the Republicans will whip the tar out of them at the next election if they don't show out. An internal fight always tickles the opposition, and they sit back and chuckle for it always means destruction.

The House of Representatives of the Texas Legislature voted Monday to submit a proposed constitutional amendment authorizing the creation of a system of old age pensions. Pensions will not exceed \$30 per month. If approved by the Senate, the election will be held in August. It has been estimated that 174,000 persons will be eligible for pensions if the age limit is set at 65. At \$30 per month this would mean an expenditure of \$62,400,000 annually. We rise to ask the question—Where is the money going to come from to pay the bill with? No provision has been made so far.

—and the Worst is Yet to Come

We note that within 3 years we are to have 75 or 80 new battle ships. The appropriation bill before Congress calls for increase in the personnel of the Navy from 85,000 to 94,000. Also during that same length of time the Army is figuring on having 2,500 fighting planes ready to go forth and do battle. We now have 1,400. This bunch of fighting planes is to be increased by an increase in the Army of 45,000 men. The CCC boys, this military might, these boys, they would not sprout organs if it rained every 250 years. Then they would starve about the edges of sandstorms and Dalhart is middle of it, too. No one has shattered his just a little from that seems out of existence. The Government is the most of their own food from a few acres of land. The trend has been a voluntary one, it should be noted. This is important in that it reveals the people themselves began doing what the government has been studying as an organized plan. In most instances those doing the moving are making the change while they still have sufficient funds to finance themselves, or at least make a new start in a new direction. City life of today, with its curtailed opportunities through economic and industrial conditions, has lost much of its charm. So the old pioneering spirit is stepping in, and the heigira to rural sections goes on at the rate of a million families a year. There is room around Lockney for many more good citizens, and those who come prepared to finance their efforts will be welcomed. There is no place here, however, for those who are merely seeking easy conditions at the expense of others. To those desiring new homes, however—those who are confident of their ability to make their own way—the hand of fellowship is always extended by the people of this community.

None Of our Business
The President and the State Department seem to be in earnest consultation as to what policy the United States should adopt in respect to the German situation. There really should be no need of hesitation. The one thing that the United States should emphasize is that the mix-up in Europe is none of our business and that the United States has no intention of pulling chestnuts out of the fire of the European pot.

The old saying that a child is afraid of the fire still true. The United States keep free from any entanglements and avoidances of national rivalries in that it has no intention of enforcing the terms of the Versailles or to go France or any other nation security against

The one thing that the United States should emphasize is that the mix-up in Europe is none of our business and that the United States has no intention of pulling chestnuts out of the fire of the European pot.

The United States may of course, at any time offer its "good offices" when these are invited, so as to help ally friction and ill will, but it should stop with that and make no pledge to enforce decisions respecting the muddled affairs of Europe.

One world war is enough, so far as the United States is concerned. We shall be suffering from that and paying its bills for another century at least. If the United States will keep "hands off", the nations of war-weary continent across the Atlantic will keep the peace, after snarling a little at one another so as to relieve heir feelings.—The Semi-Weekly Farm News.

One of the greatest mistakes the government ever made was made when the present dole system was organized. People who have no means of support must have help but this aid should have come by "the sweat of the brow." Receiving dole money is bad for the average person. There is a better way out than the dole route but our college professors couldn't think of anything better when the matter was submitted to them.—Plainview Community Weekly.

cause it would have been two months before they could have been married in Brazil, after she arrived there, according to the laws of that country.

Spencer's former roommate, Wyle Briscoe, employe of the same company was authorized by Spencer to serve as groom in the proxy wedding.

In the marriage ceremony arranged to meet the emergency, asked Judge Pitts:

"Wyle Briscoe, wilt thou, acting for Mr. George H. Spencer of Recife, Pernambuco, Brazil, through a power of attorney, have this woman to be his wedded wife? Wilt thou, acting for him, promise to love her, comfort her, honor and keep her, in sickness and in health and forsaking all others binding him to keep her only so long as she may live?"

"I will, and by legal authority given me I do so bind Mr. Geo. H. Spencer," Briscoe answered.

Mr. and Mrs. Spencer will be married in a church ceremony as soon as Mrs. Spencer arrives in Recife about April 21. She will sail from New York on April 6.

ABERNATHY WOOL POOL SELLS TODAY

Twelve cars of wool, approximately 300,000 pounds, were sold at Abernathy Monday to a Boston firm.

M. H. Williams, of Lubbock, completed the deal. The clip purchasing agent for the firm, brought 11 cents a pound. The wool had been stored at Abernathy for almost a year and a half and was pooled by 50 farmers of the Panhandle and South Plains region.

The wool will be sent to Galveston and shipped by water from there to Boston.

Miss Frankie Dodson and Welton Dodson returned to Canyon where they are attending at W. T. S. T. C. after spending Saturday and Sunday visiting their parents, Mr. and Mrs. Frank Dodson.

Endee, have died. Emmett Jennings of Tucumcari is remoter improving. Young Thomas died in Amarillo. Public health officials and school trustees of the New Mexico communities have closed the schools, banned all social functions, stopped Sunday church services, and are admitting only those over 21 years old into the movie theaters

Randal county is to have a Conservation Assistant to the County

for the work of running four and terrace lines for farmers who desire to run level rows for feed crops or contours for working wheat land on the level. This action was taken at a meeting of the Randal County Agricultural Council recently.

Several weeks ago farmers in the Big Four community, near Crosbyton, pooled over 2,700 pounds of chickens through the Plains Cooperative, Inc., Plainview and sold in California. Heavy capons, seven pounds and more, netted 24 cents a pound and light capons, under seven pounds, netted 22 cents. Hens brought 13 cents and old roosters 11 cents.

Invitations to participate in the West Texas Chamber of Commerce convention quartet contest were mailed to approximately 200 towns. E. B. Miller, director of W. T. C. C. entertainment, assisted by Miss Clara Kelsey of the local C. C. office, sent the invitations. The W. T. C. C. convention is to be held at Plainview May 13 to 15.

Mrs. W. J. Matthews received her commission as acting postmaster of the Texaco postoffice, and took over the duties of the office last week. Mrs. Matthews said that for the present, she was unable to announce her assistant, but Mrs. Pearl B. Grody, former postmaster, will be retained for the present to assist the new postmaster in getting started in the work.

Buyers are expected soon to look over the 9,500 head of cattle owned by W. R. Hearst that is on full feed in pens of the Babicora Development Company at Brownfield. If a sale is made shipment is expected to start about March 30.

T. I. Brown, who has purchas-

ed approximately 20,000 tons of feed for the cattle, said that about 3,000 head were expected to be sold.

The first shipment of the cattle from Old Mexico arrived here November 20, 1934. Brown said six full trains and a partial train of 12 cars were necessary to transport the animals to Brownfield.

Ninety-five seniors have applied for college degrees from West Texas State Teachers College. Twenty-seven students have applied for the Bachelor of Arts Degree; the remaining sixty-eight have asked for the Bachelor of Science Degrees.

COLDS ARE STILL IN SEASON

Lockney citizens are still in the season of the year when colds are prevalent, so perhaps another word about them won't be misplaced. Few people realize the potential danger of common cold. Aside from immediate dangers, such as pneumonia which last year claimed 20,000 more victims than TB, there are the after-effects to be considered. In the U. S. there are over 5,000,000 people affected with some sort of heart ailment, and doctors agree that the foundation for most of these cases were laid in early childhood by colds, tonsillitis, influenza, or some other acute infection. Many of these sufferers will live long and useful lives, thanks to modern medical science, but likewise many of them would be normal today had they received proper treatment at the time.

WHAT HE WANTED

There is now going the rounds of the press a unique "Help Wanted" ad which recently appeared in a Kentucky paper. It was inserted by a farmer who knew what he wanted, and it is an interesting commentary on this fast-moving age. Here it is. Read and enjoy it:

"WANTED—I want a man to work on my farm. I don't give dancing lessons. I have no piano. I can't serve steak three times a day. I do give three square meals, a real home and fair wages. If any man know from a working man, please send an alarm clock and a watch. I will not pay for it, but a

Harve Campbell. Mrs. Reta Samples and children who have been visiting Mr. and Mrs. Hop Weathers returned to their home at Elk City, Okla. Thursday.

Miss Norma Ginn spent the week-end in Floydada. E. H. Boedeker made a business trip to Canyon Saturday.

Mrs. Hop Weathers and Len Roy were Amarillo visitors last Thursday.

Mr. and Mrs. C. N. Roach and children visited Mrs. T. N. Roach and son of Clarendon Sunday.

Miss Faye Morrison of Sand Hill spent Sunday with her mother Mrs. J. F. Morrison.

Mr. Kidd and Bee returned home from Wichita Falls, Friday.

Mr. and Mrs. Jeff Hampton of Memphis spent a few days last week in the J. E. Hampton home. Miss Nell Hampton returned home with them for a few weeks visit.

E. W. Newton of Sand Hill visited his sister Mrs. D. D. Boyle Monday.

Miss Addie Shugart of Plainview spent the week end with her parents, Mr. and Mrs. A. P. Shugart.

COX AND WIFE OPEN GENE'S DRESS SHOP HERE THIS WEEK

Mr. and Mrs. Howard Cox, of Lockney, this week moved to Muleshoe, opening in the Hagemire building a ladies ready-to-wear concern to be known as "Gene's Dress Shop," and will handle a full line of lingerie, hose men's and ladies shoes, notions and novelties of all kinds.

This concern was formerly operated at Lockney, but realizing the superiority of Muleshoe as a trading point, the large and growing trade territory surrounding it and the fine prospects for growth and development coming to this county seat town, it was decided a few days ago to move

the store here, if suitable quarters could be obtained for its housing. In this desirable location they invite the public, through their advertisement found elsewhere in this news paper, to visit them and see their line of nifty 1935 styles.

Mr. Cox is the son of D. E. Cox former Santa Fe railroad agent in Muleshoe, and is well and favorably known by the citizens here. Both he and his wife are progressively fine young people and will become valuable additions to Muleshoe social and busi-

ness circles.—The Muleshoe Journal.

Sterley Wins at Interscholastic League Tournament

The Sterley boys ball team came out the winner of the League tournament at Floydada Saturday. Four teams were played: Dougherty, Irick, McCoy, and Cedar Hill. On Monday afternoon Sterley competed against Floydada grammar school in a County championship game. The result was another victory for Sterley with a score 7-6. Immediately following this game, the Sterley team played the Floydada High School team. Sterley lost in a score of 8-7. The members who have played so successfully on the team this year are: Archie Bybee, pitcher; Charles Ray Ford, catcher; Howard Mosley, first baseman; Stuart Draut, second baseman; Billie Sears, third baseman; G. B. Johnston, Jr. right short; Paul Hays, left short; Joe Williamson right field; Bobbie Williamson, center field; and Edward Davis, left field. Archie Bybee was high point man during the season.

Students

A contest is on at Sterley school to elect the most popular boy and girl of the seventh, eighth, ninth and tenth grades. Only the ballots printed below will be accepted and counted. Ballots are to be deposited in the box on Mr. Jones's desk and are to be counted Monday. Winners' names will appear in the "Sterlette" next week. Anyone may vote.

Denies "Overthrow" Talks

CHICAGO... John Straley, British author, (above), who faced deportation charges here of advocating the overthrow of the American government in his latest book. He denied the charges.

LIBERTY NEWS

The Church of Christ Sunday School was well attended Sunday. The crowd is increasing with about 45 present Sunday.

About a two inch rain fell here Friday and some hail but little damage was done.

Mr. and Mrs. W. W. Anderson and son, J. C., and Mr. and Mrs. Jessie Counts spent Friday in Ft. Worth.

The Liberty declaimers entered the event at Floydada Monday, March 25. Those winning were: Junior girls, Berthel Hillburn, first place, and Evelyn Anderson, second place; Junior boys, Junior Counts, first place, Cecil Anderson, second place, and Morris Lester, third place.

METHODIST HAS MONTHLY SOCIAL WEDNESDAY

The First Methodist Church of Lockney held a monthly social in the basement of the church Wednesday evening beginning at 8 o'clock. The social was conducted in the form of an old fashioned school with spelling bees, reading lessons, receses and lunch. Approximately one hundred guests were present for the gala affair. Hot chocolate and sandwiches were served.

evening.
Rev. H. H. Hamilton, pastor, conducted a neat little trick in a supposedly contest form. He asked all of the guests to get a coin, quarters and fifty-cent pieces preferably, and those having coins made on odd dates line up on one side and the even numbers on another side. After every body had assembled to their proper places the collection plates were passed down the lines and the money you held in your hand was dropped in. That was quite a taking game and not a bad idea of enticement.

RADIO TROUBLE?

What is the matter with your radio? Is it functioning properly? It might be the aerial, the set, or the tubes. If it is either, why not install a "New Type All Wave aerial" for better reception of local and foreign stations under all adverse weather conditions.

If it is the tubes, have them tested on our new laboratory testing equipment and replace the mis necessary.

If the trouble lies in the set, we can set and adjust it the same as if you sent it back to the factory.

We would be glad to inspect your radio and see what it needs to make your set give good service. No charges for these inspections.

TUMBLEWEED PICK-UPS

HAY, HAY! Here comes the Tumbleweed in all its dirt and glory—Or maybe I should have said dirty glory. THIS balmy Spring breeze which is so prevalent in these parts has certainly been tossing me about in some of the most remote places this week. When I bid you adieu last week I was hung on a snag but not for long—Presently a heap big as all (sudden gust) arose and swept me up into the air where I have been mixing with the elements ever since—Hummm, Hummm And what s-c-a-n-dal—THE Weed was falsely accused last week of trying to Nag Jimmy Hodel by calling him a horse in speaking of his keeping Jessie's polo steed Nay, Nay, a thousand times nay—I was merely trying to explain one Mustang and accidentally nagged an innocent party. My apologies, Mr. Hodel—

I HEARD that Frances Greer who 'nuff got RHYTHM with a capital R and shaky letters when it comes to that Hi-De-Hi-De-Hi and Ho-De-Ho-De-Ho stuff in the negro minstrel to be presented Tuesday night—DEMOS Whitlock and Buster Beller said everybody laughed when they paid four dollars and set out to dance—And the class is still laughing with a thought of giving them a refund—WHEW! But I can almost feel the foul blows now that will be administered without mercy to this old Weed when that is read—I believe I prefer lilies of the valley at my funeral if you don't mind because I've heard somewhere that they signify purity and cleanliness—WALTER Childers, real estate dealer, says business is sorta dull during these terrific dusters—He can't keep a piece of land still long enough to sell it—SPEEDY Teaver may have Speed for a name but she doesn't see any use in anybody wearing themselves down as a tub trying to play tennis—(What's in a name anyway? A name by any other name would be just as sweet, says some poet—I WOULD certainly like to know who is getting fooled by Roy Dyer, Fred Beall, V. L. Teaver, and Clede Wright over at Plainview—They are in a fair way of courting over there these days!—HELP! HELP! the Weed is caught in the corner of a fence—Consorn this Wind!

A. L. SHAW, Pastor

WEDNESDAY IS DEADLINE TO SIGN COTTON CONTRACTS

Checks Totalling \$676.80 Arrived Saturday; More To Follow

The deadline for signing of cotton reduction contracts for 1935 has been set at Wednesday, April 3, Glen A. Lindsey, county agent has announced.

Mr. Lindsey urges all cotton producers who expect to sign contracts but who haven't yet done so to sign up by Saturday night of this week if possible.

A full supply of applications for 1935 of which there was a shortage has been received, the county agent said.

J. S. Porcher, assistant county agent, announced that forty checks, totaling \$676.80 arrived here last Saturday, representing some more of the two cent per pound advance on certificates pooled last fall.

"Two hundred and fifty seven checks are yet to come on the two cent advance payment," Porcher said.

DEATH CLAIMS OLD TIMER OF FLOYD COUNTY

Death claimed another old timer of Floyd County Sun, morning, Charlie M. Stephenson, 46, who had been a resident of Floyd-dada for twenty one years. Funeral rites were held Monday afternoon at 2 o'clock at the Floyd-dada First Baptist Church with Rev. I. A. Smith officiating.

Surviving him are his wife, two sons, three daughters, his parents, two brothers, and three sisters. His children are Donnye, Mozelle, Bernice, Kenneth, and Donley. His parents are Mr. and Mrs. J. A. Stephenson, and his brothers and sisters are Mrs. John Archibald of Amarillo, Mrs. Charlie Austin of White Deer, Mrs. Mose Mowery of Quanah, and Arliss and Bart Stephenson of Quitaque. He had been sick for six weeks of an unknown ailment.

Mrs. Mitchell Jones and sons, W. Mitchell and Marshal of Canyon are spending the week in parental J. E. Watson home.

Old age begins when you start in to daydream of yesterday instead of tomorrow.

APRIL 1 IS DEADLINE TO GET CAR LICENSE

Frank Moore, county tax collector, has announced that his office will remain open as late as 10 o'clock at night on Saturday and Monday since April 1 is the closing date on registration of motor vehicles. To date about 1,100 automobile licenses have been issued in the county as compared with the 2,237 issued last year.

After midnight Monday, April 1, there will be a twenty per cent penalty of the original cost of the license on car owners who run their cars after this date, unless the owner is on his way to purchase license.

Success is never an accident. It comes to the man who does his work a little better than it needs to be done.

Roy Thornton was in Plainview Wednesday, Thursday and Friday visiting.

The weather is about the only thing one can be for or against without making a lot of enemies.

Introduces the "Cleo"

MIAMI... Miss Laurion Koria (above), introduced it to the beach crowd. It is the new "Chopatra" swim suit, a smart 1935 style which gets its Egyptian name from the battered wile.

"Wild Bill" Cummings Drives Second Chevrolet

"Wild Bill" Cummings, national A. A. A. racing champion, recently took delivery of his second Chevrolet—a new 1935 Master De Luxe sedan with which he is pictured above. Cummings became a Chevrolet owner following his victory at Indianapolis Decoration Day. In the oval he is shown as he finished the Indianapolis classic, wearing the new type crash helmet that was recently adopted by the A. A. A. Contest Board for all racing drivers in 1935.

Few grains of nutmeg. Beat your egg white until stiff but not dry; add egg yolk and beat until thick and fluffy. Now add your karo, salt and milk. Pour mixture into chilled glasses or over cracked ice, if you wish. Sprinkle nutmeg on top and serve at once. For a special drink, (or just for a change) you might like to add orange or pineapple juice to the beaten egg just before you add the milk.

Banana Pineapple Egg Nog
1 ripe banana
1 cup milk
2 tbsp. unsweetened pineapple juice (canned)
Slice or break banana into medium mesh wire strainer. Press through ingredients and mix in a cocktail shaker. Or you may mash banana with spoon and beat with rotary egg beater until creamy. Add other ingredients and beat until smooth.

Misses Annetta Johnson and Mildred Wilson of Gasoline, Tex. were visitors in the J. B. Johnson home last week-end.

with a few losses reported from recent cold.
W. T. Horgan, California buyer, shipped out 2,050 mutton lambs at 6 cents a pound for some, 6 1/2 cents for others and \$3.25 a head for the remainder.

Gordon Crocker, who spent Saturday, Sunday and Monday at Shamrock visiting his parents, returned home Tuesday.

- For City Marshal: BARLOW HILL
- For City Secretary: MRS. J. H. ANDERSON, MRS. ELLEN BELYEU, MRS. W. O. (Bill) DOWNS
- For Mayor: J. H. HOHLAUS

NOTICE TO CREDITORS OF ESTATE OF MRS. FANNIE CHILDERS, DECEASED

Notice is hereby given that original letters testamentary upon the Estate of Mrs. Fannie Childers, Deceased, were granted to me, the undersigned, on the 25th day of February, 1935, by the County Court of Floyd County, Texas. All persons having claims against said Estate are hereby required to present the same to me within the time prescribed by law. My residence and Post Office Address is Box 157, Lockney, Texas.
W. R. CHILDERS, Executor of Estate of Mrs. Fannie Childers Deceased

"I HAVEN'T HAD A COLD IN FIVE YEARS"

"In the old days I used to dread the coming of Winter. I was always fighting colds—feeling about half alive—trying to work with my body aching and every nerve an edge."
"Then a friend told me about McCoy's Cod Liver Oil Tablets with their marvelous vitamins A and D. I started to take them five years ago and I haven't had a cold since that time."
"McCoy's Tablets put new life in folks; build up resistance so anyone can laugh at cold germs. They make weak, sickly people strong, steady-nerved and vigorous. They're wonderful!"
Get the genuine McCoy's Cod Liver Oil Tablets from your druggist today. Don't waste money on imitations. Ask for McCoy's.

WHEN YOU TAKE A LAXATIVE

... use a spoon
It isn't what brand of laxative you take that's so important—it's the form. A liquid laxative can be taken in any required amount. If only a little is needed, you need never take a bit too much.
Doctors favor the easily measured liquid laxatives. Instead of any form that does not encourage variation from the fixed dose. A fixed dose may be an overdose for you—or your child.
Always remember this one thing about constipation: *the secret of any real relief is reduced dosage.*
Give the bowels only as much help as may be needed, and less help as the need grows less. You will find Dr. Caldwell's Syrup Pepsin an excellent aid in regulating the bowels. It contains senna and cascara (natural laxatives) and it will clear-up any bilious, sluggish condition without upset. Delightful taste, and pleasant action—your druggist has it.

The rich must be good drivers, because they never get hit by anybody who can pay for the damages

Rev. I. N. Demy says: "I have found nothing in the past 20 years that has taken the place of Dr. Miles' Anti-Pain Pills. They are a cure for my headache."
Sufferers from Neuralgia, Toothache, Sciatica, Rheumatism, Neuritis, Migraine, Neuralgic Pains, who have used Dr. Miles' Anti-Pain Pills, will be glad to know that even the most severe cases have been cured.
Countless American wives would not be able to keep house without Miles' Anti-Pain Pills. It is out of flour or sugar. Keep a box in your medicine cabinet to save yourself needless suffering. At Drug Stores—25c a box.

GOOD THINGS TO EAT

Continental Sauce
1-3 cup butter
2-3 cup powdered sugar
1 egg
1/4 tsp. lemon juice
1/2 cup sterilized dates, sliced
1/2 cup nuts
butter in the top of

Your Head is Stuffy..
Apply Vetro-nol... just a few drops. Vetro-nol... reduces the nasal passages, swells the membranes, cures away clogging mucus, brings welcome relief.
Two generous sizes... 30¢ and 50¢.
USED IN TIME... PREVENT MANY COLDS

Of Interest to Women

Designed in Sizes: 4, 6, 8, 10, 12 and 14 years. Size 10 requires 2 3/4 yards of 35 inch material with 1/2 yard contrasting and 2 3/4 yards of ruffling.

Princess Frock
Pattern 8420: There is good reason for the popularity of the style sketched; it looks adorable on little girls and equally nice on older sisters. Also the making of it is delightfully simple that even amateur dressmakers need hesitate.
The back is made with just three panels, which flare slightly at the hemline. The front simulates a closing down its entire length. This may be a real closing with buttons and buttonholes, if so desired. The softly rolled collar and cuffs further lose their severity by the addition of a narrow ruffle.
Puff sleeves are quite necessary to young girls and the small inset pocket adds its note of chic. Materials may be either woolen or cotton, challis or silk, with white or contrasting collar and cuff.

For PATTERN, send 15 cents coin (for each pattern desired) your NAME, STYLE NUMBER and SIZE to Patricia Dept. (LOCKNEY BEACON) Pattern Dept., 115 Fifth Avenue, Brooklyn, N. Y.

Scientists Find Fast Way to Relieve a Cold
Ache and Discomfort Eased Almost Instantly Now
NOTE: DIRECTIONS PICTURED
The simple method pictured here is the way many doctors now treat colds and the aches and pains colds bring with them!
It is recognized as a safe, sure, QUICK way. For it will relieve an ordinary cold almost as fast as you caught it.
Ask your doctor about this. And when you buy, be sure that you get the real BAYER Aspirin Tablets. They dissolve (disintegrate) almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine Bayer Aspirin Tablets disintegrate with speed and completeness, leaving no irritating particles or grittiness.
BAYER Aspirin prices have been decisively reduced on all sizes, so there's no point now in accepting other than the real Bayer article you want.

REWARD OFFERED FOR CAPTURE OF THE STRANGER

THE TOWN COUNCIL TOOK ACTION LAST NIGHT AND NOW OFFERS A HANDSOME REWARD OF \$100.00 FOR THE CAPTURE OF THE MYSTERIOUS STRANGER WHO SHOT A MYSTERIOUS BUNDLE TO TOWN.

WILMAY FEET WERE PROTRUDING FROM THE BUNDLE.

By L. F. Van Zelm

At the same time you are teaching your little boy to grow up and make a fortune somebody else may be teaching their little boy how to take it away from him.

Herman Thornton of Texas Tech at Lubbock was home over the week-end.

Don't blame the times Even in boom times nobody could win success by waiting for somebody else to help him.

Maybe the woman who has no mind of her own got that way through giving it to her husband piece at a time.

Lockney boys may think they're smarter than old Dad but they wouldn't be if they'd stop to figure where their spending money comes from.

How to Keep Your Husband Happy

I haven't time to finish my meal or I'll be late for work. Why does it take so long to get it ready?

It seems like it takes an hour to get water boiling. You can blame that old stove for it.

The day is starting wrong. Breakfast was late and Tom got cross. But I couldn't help it.

Why don't you get a KITCHENKOOK? I got one and it's the best stove I have ever seen or used.

Tom, this is the stove Mary used before she died. It's just what I need.

With this wonderful KITCHENKOOK you never have to wait until you're late for work.

2-3 cup flour
1 egg
1/2 cup sugar
1/2 cup milk
1/2 cup oil
1/2 cup baking powder
1/2 cup salt

JOE GISH

GUESS WE WERE MISTAKEN WHEN WE THOUGHT JOINT DEBATES WOULD GO OUT OF STYLE WITH REPEAL OF THE 18TH AMENDMENT.

It's better to let the president spend that four billion than to let congress spend because it's easier to watch one man than it is to watch 400.

We never expected to see the time when a man named Townsend would step in to take Santa Claus' place.

ABERNATHY WOOL POOL SELLS TODAY

Twelve cars of wool, approximately 300,000 pounds, were sold at Abernathy Monday to a Boston firm.

M. H. Williams, of Lubbock, completed the deal. The clip purchasing agent for the firm, brought 11 cents a pound. The wool had been stored at Abernathy for almost a year and a half and was pooled by 50 farmers of the Panhandle and South Plains region.

The wool will be sent to Galveston by rail and by water from there to Boston.

Miss Frankie Dodson and Wel-don Dodson returned to Canyon where they are students at W. T. S. T. C. after spending Saturday and Sunday visiting their parents, Mr. and Mrs. Frank Dodson.

Mrs. Rita Samples and children who have been visiting Mr. and Mrs. Hop Weathers returned to their home at Elk City, Okla. Thursday.

FOR SALE
2 sets used chain Harness with collars and bridles
One 2 row P&O cultivator
1 good milk cow fresh soon
good used piano
used cream separators
Baker Merc. Co.

Several weeks ago farmers in the Big Four community, near Crosbyton, pooled over 2,700 pounds of chickens through the Plains Cooperative, Inc., Plainview and sold in California. Heavy capons, seven pounds and more, netted 24 cents a pound and light capons, under seven pounds, netted 22 cents. Here brought 13 cents and old roosters 11 cents.

Why is it that the man whose pay goes on just the same is always the longest in recovering from an illness?

Gordon Crocker, who spent Saturday, Sunday and Monday at Shamrock visiting his parents returned home Tuesday.

COMMON CAUSE OF BALDNESS

One of the chief causes of premature grayness, falling hair and ultimate baldness is lack of calcium in the scalp. To overcome this and bring an abundant supply of blood to the hair roots, the scalp must be treated with Japanese Oil. Thousands of men and women report amazing results from using this hair growing dandruff and itching hair, growing bald areas and in eliminating itching scalp. Buy soft at any drug-gist. Economy price \$1. FREE "The Truth About the Hair" Free Dept. 36. NATIONAL JERSEY CO. 56 West 45th Street, New York

Is Your Title Clear?

TO LAND AND HOME OWNERS:

Did you know that, of the large number of lands and homes that have been re-financed through the several governmental agencies, for the past two years a very small per cent were approved without some character of curative instruments added to make the application acceptable?

Did you know that many land and home owners have paid off notes and mortgages on their lands and premises, and did not get a RELEASE of same to be recorded? That many people hold Vendor's Lien and Deed of Trust Lien notes that have run out of date, and are worthless so far as enforced collection of same.

Did you know that you may have a perfectly good Abstract of Title to your home, and which to your surprise, may disclose and divulge that the title is fatally defective.

Did you know that we have a complete index of every conveyance or other instruments of writing affecting the title to your lands or home, and which we can check over with you in a very short time—This is a part of our service to the public.

We have been checking land titles in this County for 30 years, and believe we know Floyd County titles. Our Abstract records are complete and up-to-date, and are in position to give you prompt and accurate service.

This is the slack season in our business, and believe us we would rather be at work than idle. Got to make a living—for this reason you will find our charges to be about one-half the usual charges.

It will be to your interest to see us before making any arrangements for your title work.
