

Revival In Progress At Assembly of God Church

The revival meeting which began at the Assembly of God Church Sunday Sept. 13 will continue through Sunday or longer. The Rev. Woodrow Smith of Arkansas, who held a meeting here two years ago, is conducting the preaching services each evening at eight o'clock. There will be no morning services. The Rev. and Mrs. Smith are the guests of Mrs. Smith's parents, Mr. and Mrs. Robert Jones of the Aiken Community. The public is invited to attend these services and all who are interested in the winning of souls are asked to come and pray for the meeting.

Training School At Plainview September 27

The Rev. H. H. Hamilton to Teach Course on "Worship"

The Plainview District of the Methodist Conference will hold training school at Plainview starting Sunday September 27 at 3 o'clock p. m. at the First Methodist Church. The course will be conducted each evening through Friday night October 2. The Rev. H. H. Hamilton will conduct a class on "Worship" with the Rev. W. L. Tittle, presiding Elder of the Plainview district, teaching a class in "Methodism at Work". Other instructors for the training school will be Mrs. Narwood of Tyrone, Okla. who will teach the children's work and the Rev. W. E. Hamilton, brother of the Rev. Herbert Hamilton and conference executive secretary, who will teach the "Life of Christ".

The Plainview district includes nineteen pastorates in eight counties. Anyone sixteen years of age or over is eligible for entrance and at the completion of the course will receive training credits. Those desiring to enter may register with Arch Crager, Sunday School superintendent or the Rev. Hamilton.

Spend Winter Here

Mrs. Mattie Steele returned week from Ruidoso, N. Mex. She spent the past three weeks visiting with friends. She is on making her home with daughter, Mrs. Heary Hodel, husband during the winter this.

Gridiron Beckons

and Mrs. John Mayes, Jim Hodel, and Verner Hodel at Lubbock Saturday night and the Texas Tech, Texas A. & M. football game.

Miss Ruth Stapleton

spent the weekend in Lockney as the guest mother. Mrs. Laura Stapleton is teaching in the Tulia school.

Amarillo Visitors

and Mrs. Marvin Cox, Mrs. Lusk, Mrs. Arthur Cox, and Glenn Carroll were in Tuesday visiting friends.

Returns To Lamesa

West Lee-Smith returned home in Lamesa this week after a weeks visit with her mother and Mrs. E. W. Thompson accompanied home by her mother who returned to Lamesa Wednesday.

Lot of Land Being Terraced in The Lockney Country

By Conserving Moisture Received It Is Believed We Can Make Better Crops

The great trouble with all of us in this country we "are from Missouri" and have to be shown everything. And in the matter of terracing our farms it has been demonstrated we can produce crops on less rainfall than we thought. The land in this plains country looks level, but it all drains to some lake. By stopping that drainage with terraces, and holding the water on the fields, it has been found that a considerable difference is noted at harvest time.

Considerable terracing has been done in the Lockney country this year, and we will see a big difference in crop production next year. Fields have been surveyed and terraced, in a few instances have been thrown up with the county grading machinery of this precinct. Mr. Harris Commissioner, makes a nominal charge for this work and it can be done mighty fast.

We need more farms terraced, and it has also been demonstrated that it is a good idea to even terrace the pasture land.

It has been an old saying "that we will produce a good crop when the lakes get full in this country." That is a mistaken idea. What we want to do is keep the water out of the lakes and on the farms. Water in lakes does very little good when it comes to producing a crop. When the lakes are full it is, however, a good indication that we have had abundance of rainfall, but just think what it would mean if all of it had been held on the farms.

Farms are much easier to terrace in this country than almost any place in West Texas. We have no hillsides, terraces do not necessarily have to be high.

Plenty Seats For T. C. U.-Tech Game Saturday Night

We have just received a communication from Bo Williams, Athletic Manager of the Tech at Lubbock that plenty of seats will be available for the Tech-T. C. U. game at Lubbock Saturday night. Game will start at 8:30 when the dedication ceremonies of the new stadium will take place.

Those attending this game will have their first opportunity to see Sammy Baugh, the first All-American football player in action in West Texas.

Mr. Williams states that the Tech squad has the best chance in five years of winning this game. They have a strong team and expect to "go places."

School Debate Club Organized

Six students of the Lockney High School reported Tuesday afternoon at the first meeting of the school debate club.

The interscholastic league debate question for this year was discussed, but further organization was set for a later date. It is planned that the club will meet every two weeks.

G. D. Tate, debate coach said here Wednesday that the question this year was one requiring a lengthy research as material was possibly too numerous.

The question which is resolve: That the manufacture of munitions of war should be a government monopoly, will be debated by the following students: Mary Alice Baker, Bernadean Bennett, Georgia Belyeu, Robert Lee Smith, Billy Ed Whitfill Carl Nall and Ballard Graves.

Polo Game Sunday at Mason Field

The Lockney Polo team has re organized and will play Plainview at the Mason Field north of town Sunday afternoon for the first time in three months. The Plainview team played in the polo tournament held there recently and has an excellent team. Watt Griffith said here Wednesday.

Those playing polo are: Watt Griffith, Roy McGee, Ralph McGee, Pete Shurbert, Marvin Sams, Max Faulkner, Jess Sanduskey, Irving Bennett, Earl Smalley, Clyde Applewhite, and Mitt Smith.

At Fair Wednesday Mr. and Mrs. Bert Wells were in Amarillo Wednesday night attending the Tri-State Fair.

Mr. and Mrs. G. H. Phenix were Amarillo visitors Tuesday.

Undergoes Operation Miss Sarah Louise Frey, daughter of Dr. and Mrs. Conrad Frey, was taken to the Plainview Hospital over the week-end where she underwent an operation for an infected arm. Dr. J. H. Henson operated and at this time Miss Frey's condition is reported as satisfactory.

To Tri-State Fair Mr. Fred Hage and Ralph Hage were in Amarillo Wednesday attending the Tri State Fair.

Mr. T. D. H. Whitaker returned this week from a two weeks visit with relatives in San Angelo and Ballinger. He was accompanied home by Mr. and Mrs. Greer Whitaker of San Angelo and Mr. and Mrs. S. T. Whitaker of Dallas who will remain here for a visit.

He is a cheat who would make you believe he is superior to himself.

Longhorns First Competition Bout Friday Afternoon

The Maroon and White Will Meet The Petersburg Team With Vim and Vigor

Brotherton Elected Captain B. Team To Play At Plainview Thursday Afternoon At 3:00 o'clock P M

Friday afternoon will see the Lockney Longhorns in their first competition bout of the season with the Petersburg squad. This is the first game ever matched between the two schools and the maroon and white will send a team averaging 150 pounds to the mat, but this lack of weight will be made up for by the vim and vigor with which the starting line-up has worked out in the past week.

Lockney will send a starting line-up of five lettermen, three squaddies, and three greenhorns. The Petersburg team will have the advantage, however, of having played one game while the Longhorns will be performing in their first affair of the season.

Leading the Longhorn line-up will be captain Marvin Brotherton, 165 pound fullback. Others of the starting line-up are: Cunningham, center; Howard and Turner, guards; Cope and McDonald, ends; Whitfill, quarterback; Graves and H. Brotherton, halfbacks.

B Team to Play Thursday The Longhorn B. Team will play the Plainview B. Team at Plainview Thursday afternoon at 3:00 o'clock with a number from here planning to attend.

The line up will be as follows: Barker, center; Comer, right guard; Miller and Thompson, tackles; Gentry and Owens, ends; Brown and Penn, halves; Workman, fullback; Baker, quarterback.

Squad Shows Interest So far this season thirty student have met each evening for football practice with never a one failing to report.

Mr. and Mrs. Henry Hodel left Tuesday morning for Fort Worth and Dallas to visit the Frontier Shows and the Centennial. They were accompanied as far as Vernon by Mrs. Steele, mother of Mrs. Hodel, who will visit there for a few days.

California Bound Misses Altha and Pauline Strickland left Wednesday morning for Los Angeles, Calif. where they will spend a week visiting with friends. They were accompanied by their brother, Arthur Strickland of the Aiken Community.

RECENT BRIDE HONORED AT PARTY

Mrs. Price Conway, the former Miss Sada Bailey and daughter of Mr. and Mrs. J. Bailey of the Ramsey Community, was the honored guest at a party last week given at the home of Mrs. John Smalley with Mrs. Sparks and Mrs. E. W. Thornton assisting as hostesses.

Included on the program was a reading by Miss Meda Ruth Thomas and a song by Miss Myrtice Meador. After the program many useful gifts were presented to the bride.

Cake and ice cream were served to the following guests: Mesdames J. J. Frizzell, Bill Sheffield, J. Bailey, Jess Sanduskey, Fawver, R. E. L. Muncy, Earl Smalley, Doyce Smalley, Shirley Race, Huskey, Alton Noland, J. C. Lackey, Mrs. H. O. Conway and Miss Rhea of Floydada.

Misses Meda Ruth Thomas, Myrtice Meador, Ermine Ida Thomas, Ida Faye Race, Annie Bailey, Mrs. Susie Thompson Mrs. J. B. Teaff and the hostesses.

Rites Held For Long Time Resident

Mrs. Foster Was a Resident of Lockney and Vicinity For Thirty-five Years

Funeral rites were conducted for Mrs. E. G. Foster at the Lockney Methodist Church by the Rev. L. L. Hill of Earth Wednesday afternoon at three o'clock. The Rev. Hill was assisted by the Rev. J. L. Henson and the Rev. H. H. Hamilton.

Mrs. Foster, 55, died Monday at the Plainview Hospital after an attack of Tetanus. She was a long time resident of Lockney and vicinity having resided here thirty-five years. She lived eight miles north of Lockney. She was preceded in death by her husband who died in June 1935. Mrs. Foster was born in Mason County, Texas in 1881.

She is survived by one son, Joe Foster of Artesia, N. M. and three daughters, Mrs. Cye Davis, Lockney, Mrs. Roy Perry of Amarillo, and Mrs. Ada Stewart of Daughtery, and several brothers and sisters of Silverton.

Interment was in the Lockney Cemetery under the direction of the Crager Funeral Home.

Pallbearers were: Robert Smith, Doc Stovall, Mosley, Mason Davis, Herman King and Frank Jones.

Tax Revision Plan Opposed By Governor

Governor Indicates He Will Not Permit Overhauling Of State Structure In Special Session

Governor James V. Alfred expressed opposition to any plan to overhaul generally the state tax structure at the special session of the legislature convening Sept. 28.

He indicated time would not permit going into such matters as abolishing the ad valorem tax and the legislators probably would find their hands full in raising additional revenue for old age assistance.

While he had no recent communications from Washington on the subject, he said there were indications the Texas pension rolls were nearing the limit for which federal patching funds would be available.

"Federal authorities said last summer our law was very liberal," the governor said, "and more might qualify than could be matched."

JOINT P. T. A. MEETING THURSDAY OCTOBER 1ST.

The Grammar School P. T. A. will meet October 1st at 3:15 at the Grammar School auditorium in a joint business meeting.

Back From New Mexico

Mrs. Selma Guthrie returned to Lockney last Thursday from an extended visit in Santa Fe, New Mexico with her son, Fay Guthrie and wife. She was accompanied home by Fay who remained over night and visited with friends here. He is State Director of the Social Securities program in New Mexico.

Returns for Winter

Mrs. Peck, mother of Mrs. Conrad Frey, returned this week after having spent the summer in south Texas.

Some people mistake their notions for their convictions.

Better be a recluse than keep getting on other people's nerves.

One makes enough mistakes when he does his best.

4.70 Inches of Rain Since 14th of September

Southern Part of Floyd County Gets Heaviest Rains This Season

Rain Was General

Wheat Sowing To Begin When Tractors Can Be Put In The Fields

Downpours over the week-end drenched the Lockney territory. The precipitation fell in heavy rains, slow drizzles and showers continuously through-out Friday Saturday, Sunday and Monday. Lockney had received 4.70 inches of rain here since Tuesday of last week when weather observers checked here Wednesday.

There were good rains in the south part of Floyd County with communities south of Lockney getting heavier showers. The Sterley Community received two inches of moisture Sunday afternoon.

A survey of the Texas Panhandle shows that the entire area was well soaked. Today (Thursday) there are threatening conditions prevailing generally for rain and also a slight drop in temperature.

The Lockney territory has had more than five inches of rain in the past month which is several inches above the average rainfall.

The local farmers are reporting contentment with the moisture and are looking forward to clear skies again. Some rural communities were mud-bound. Very little wheat has been sown but farmers are ready to put tractors in the fields as soon as the land is dry enough.

THIS WEEK IN TEXAS HISTORY

1838—On September 23 the town of Ruter was surveyed, and two years later a charter was obtained from the Texas government for a college. This was the foundation of Southwestern University.

1838—France entered into a treaty with Texas on September 25 and acknowledged her in every respect an independent nation.

1842—The Texans held a meeting at the Alamo on September 25 to hear an address by Colonel Burleson. They were angry at the Mexicans, and Burleson's plan of a retaliatory expedition into Mexico resulted into what is now known as the Somervell Expedition.

1871—A tax payer's convention was held in Austin for three days beginning September 22 to protest against radical rule and waste of public money—Texas State College for Women (CIA).

CONTEMPORARY DRAMA SUBJECT FOR STUDY CLUB

The El Progreso Study Club met at the High School Wednesday in the first meeting of study for this years subject, "Contemporary Drama."

Mrs. I. W. Dines vice president called the club to order and after a business discussion the program for the day on "Drama" was begun by a roll call answered to by each member giving a vacation experience.

Mrs. Marshall Clawson gave a talk over the history of drama in 1850. J. W. Lones discussed "Moby Dick and His Lost Angel" with C. C. Barker giving a talk which was followed by a musical presentation.

The club will hold its next meeting at the High School on Oct. 27.

Better be ignorant than know the wrong things.

THE LOCKNEY BEACON

Established 1902

Published Every Friday

J. L. SUITS, PUBLISHER
JEANE SUITS, EDITOR
MARGARET HAGE, ASSOCIATE EDITOR

Entered April 14, 1902, as second class matter at the postoffice at Lockney, Texas, by act of Congress, March 3, 1879.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The Beacon will be corrected gladly upon its being brought to the attention of the publisher.

OLD AGE ASSISTANCE

We are a little afraid that a great many of our older people who are eligible, or think they are eligible, to receive an "Old Age Assistance" check are going to be disappointed as the months go by.

Many are of the opinion that this is an "Old Age Pension," and all that reach the age of 65 years and have no means of making money or do not have an income sufficient to amount to \$30.00 per month will receive a pension of \$30.00 per month. That is the wrong impression according to the Federal Old Age Security

Act. It is not a "pension." It is "assistance."

In other words just before you pass through the door at the Poor House, this "Old Age Assistance" will reach out and snatch you back and place you on the rolls of Old Age Assistance and issue to you each month a check in an amount just barely sufficient to keep body and soul together.

When this amendment was voted on last fall, practically everybody thought they were voting for a pension of \$30.00 per month for those without income that had reached the age of 65. In fact Texas Old Age

Pension law was rather liberal when it was finally enacted when compared to other states. A man and his wife are allowed to own 7,500 worth of property, own and have on hand cash, bonds and other securities amounting to not over \$1,000. And if their income did not amount to as much as \$720 per year they were entitled to an amount to bring their income up to \$720 for the year.

All of this is fine and dandy, but we believe Uncle Sam will have a little different way of looking at the matter in the "future years, and you need not be surprised if the Texas law is amended so it will be a little harder to qualify for Old Age Assistance.

We can read between the lines and see where Uncle Sam is not going to continue to contribute 50 per cent of the expense of our Texas Pension System under our present liberal laws. He is going to call for a "Re-check" some of these days, and some of those that are now receiving, we will say around \$20 to \$25 checks each month will more than likely get them cut down, and a few now receiving but \$7 to \$10 per month will receive an increase in their checks each month. When this takes place public pressure and opinion will cause a change to be made, and a demand of at least \$30 per month for all old people 65 years of age will be made without any "ifs and ands. That is, where they have no means of support.

is a waste of potentially useful energy.

It was just this week that the rebels in Spain bombed one of the most beautiful Spanish land marks, Alcazar, famous fortress and castle, and murdered eight hundred men, women and children.

During this time in our own nation criminologists were meeting to destroy the power and control of crime here.

Selected From The Exchanges

There are many people who go through life acquiring but few of the discipling and cultural habits of life. They shun the things they do not like. The result is they "just grow up". What we are largely what we make of ourselves. Some sit down and cry that they do not have a chance while others with no more chance accomplish much and reach manhood and womanhood trained and well fitted for living. Too many fill all of their lives with the little, and the petty, and inconsequential and unimportant things and attract the unthinking, and have no time for the acquirement of the more substantial values of life. Most persons are to a very large degree what they want to be. If they have the desire they can fill their lives with the worth while things that will make them not only interesting to themselves but to those about them.—Foard County News.

The recent scale prevalent in Odessa at this time is a ridiculous result of a short-sighted economy. It is better to have a good satisfied renter for a long time at a reasonable price than a disgruntled destructive one for a few months.—Odessa News-Times.

Governor Landon has kind of insinuated that perhaps maybe the farmers of America have been getting the short end of the deal in the past, and that if he should be elected in November, it might be desirable to effect some legislation that would be helpful to them. However, he maintains that the farmers are now getting about two-thirds more than they deserve, so they might expect to receive a reduction of about two-thirds in the protection they now receive from the government. Briefly, the Republicans invite agriculturists to stick out its neck and allow its nose to be cut off so it can regain the "liberty" to return to its position as the forgotten industry. But we don't think even Mr Landon thinks agriculture is going to do that.—"Week at a Time" in Ralls Banner.

THE YOUNGER GENERATION have a lot of advantages over those born twenty-five or thirty years ago. A baby then didn't have much chance. It was either to be a farmer, storekeeper, lawyer or president.—Briscoe County News.

WHAT WE SEE IN THE PAPERS

By Margaret Hage

The Maine question in this weeks papers seems to bear upon the election which is traditionally the voters barometer, but supposed graft has taken from it its forecasting power and leaves us a little doubtful as to the test to show which way the wind blows.—Democratic or Republican. So far both parties claim the victory. It seems that this election which was to be such a vital one fizzled out.

But speaking of vital, the date set for President Roosevelt's and Colonel Knox's speech-making at Pittsburg are for the same day and supposedly the same time. This will be a vital test. Coincidence, or is it?

In an editorial in the Star-Telegram it was stated that if the Republican maine vote falls as low as 50 per cent of the total, a Democratic landslide in November is forecast.

We read where a Vancouver lad journeyed to Ft. Worth in nineteen days via bicycle at the very nominal cost of ten dollars. Now don't all try this. The lad made the trip when the weather was pleasant and he was coming south.

Cycling seems to be today's mode of travel. Two other youths made a lengthier journey, which wasn't quite so speedy, coming from Buenos Aires, Argentina to Washington, D. C. in two years and eight months. Youth and the spirit of adventure!

We notice where Hale County willfully slaughtered their tax role, and in a time when tax reduction is an almost unheard of thing.

The citizens of Electra evidently don't take much stock in this age of progress talk which we hear so much of now-a-days. They are inclined to go back to the "good ole days when there was such a thing as a town hitching post. This question was recently brought up at a meeting of the town's Chamber of Commerce and the horsemen won. This north Texas town may have gained wisdom with their adversity. It was a victim of the drought the past months.

Roper fears a boom. It isn't the booms but the depressions that we have a hard time weathering.

We have numerous wars, wars on crime, wars to exterminate insects, wars against disease, all of these usefull wars progressing today, and then we read of the destructful war in Spain, which

Baker Merc. Co.

And to you folks who contributed to the Will Rogers fund. While down at Ft. Worth for the Rogers Day, I found out that all the money collected in Texas is yet being held in the First National Bank at Ft. Worth until such time as more funds can be raised to build a hospital for crippled children. Fort Worth raised more money than California and Oklahoma combined, and the Panhandle of Texas beat California. Will Rogers was reared in Oklahoma and spent most of his adult life in California, too. Will liked our Panhandle, and the folks showed their appreciation. The money will be spent to build the hospital in time. The national contribution amounted to approximately \$250,000. The picture show actors and movie picture companies have raised over a million dollars and have a large hospital at Sadanc Lake, New York state which they have named the Will Rogers Memorial Hospital.—Clarendon Leader.

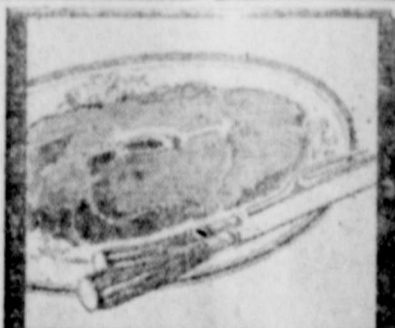

Footwear this season, more than ever before, combines comfort and beauty. The war between low and high heels is still raging, with the manufacturers settling the problem by offering both types of heel with each shoe design.

Collegiates are eagerly following the trend toward the high-throated, moderate-heeled style which is being shown with sport afternoon, and street costumes. Suede is the most popular material, and it is trimmed with calf-skin, patent leather, alligator skin or novel stitching. Contrasting colors are used in heel and toe trimmings and latest reports from Paris give nothing smarter than to match the toe of your shoe with leather accents on your dress.

Shoe designers are growing more particular about fitting the shoe to the costume, especially since the fall fashions are featuring patterns taken from other decades and other nations. The shoes are named and confused buyers find such things as "pigoda pumps" to go with Oriental dresses, and kent oxfords to finish English tweed suits.

Since colors are becoming more popular in every division of the world of fashion, girls at Texas State College for Women (CIA) prescribe the use of a little imagination in the choice of blending shades for a costume. Don't let your blends match too perfectly and "kill" the effect—contrast makes for a smart appearance, and the selection of

B T U at 7:15 p m.

Evening services at 8:15 p m.

Choir practice and prayer meeting Wednesday night at 7:45 We need to attend all of these.

"I was glad when they said unto me, let us go into the house of the Lord."

MAIN STREET CHURCH OF CHRIST

Tillit S Teddlie, Preacher

Bible Study at 10:00 o'clock. Preaching at 11:00 o'clock. Subject: "The New Testament Church."

Communion Service at 11:45 a. m.

"Evening services at 8:00 o'clock.

Subject: "The Ministration of The Holy Spirit."

We cordially invite the citizens of Lockney, our neighbors and friends, to attend these services next Lord's Day. It is our earnest desire to lead men and women into a closer walk with God, a higher plane of living, and into a united effort to restore the faith and fellowship that existed in the New Testament Church.

Jesus said, "There shall be one fold and one shepherd." Again He prayed that all believers be one. Every apostle and teacher plead for the unity of God's people. Paul said, "Now I beseech you brethren, by the name of our Lord Jesus Christ, that you all speak the same thing, and that there be no division among you, but that you will all be joined together in the same judgement".

It is our firm conviction that the religious world needs to know these plain statements. These things should certainly engage the prayerful attention of every thoughtful responsible being. We invite our friends to hear these plain gospel sermons.

Mr and Mrs Jack Blair of Tulia were the week end guests of Mrs Blair's parents, Mr and Mrs H P Coleman.
