

Fire Prevention Week Is Oct. 5-11

Austin, September 30.—Governor Beauford Jester officially proclaimed October 5 through 11 as Fire Prevention Week in Texas.

The Governor, in calling upon every citizen of Texas to actively participate in Fire Prevention Week, stated that "when there is a universal scarcity of nearly every commodity needed to feed, clothe and shelter not only our own people but the starving and war-torn world, the continued annual destruction of a half-billion dollars in irreplaceable material resources not only becomes more tragic but wholly inexcusable and cannot continue without permanent impairment to the people of Texas and the United States, and of the world."

"The rising fire loss in Texas and the United States with its tremendous sacrifice of life and destruction of property has become a vital national problem affecting the welfare of all our people," the proclamation stated. Fire prevention was observed annually as Fire Prevention Day for some thirty years until 1920 when Wilson proclaimed Fire Prevention Week to include the date of October 9, stated Marvin Hall, State Fire Insurance Commissioner in commenting on Jester's proclamation. This date is the anniversary of the great Chicago fire of 1871, which wiped out the entire business section and a large part of the residential properties in the south and southwest parts of that city.

"Since the Chicago conflagration, fire prevention and protection have progressed from a rule-of-thumb method, an occasional practice, to the status of a science," the Commissioner said. "Sound rules of fire safety are now well established and are available to all. They may be easily obtained in printed form and in expert advice covering construction, protection and organization against fire, chief, members of the National Fire Waste Council, such as the national Board of Fire Underwriters, National Fire Protection Association, United States Forest Service, and many other national fire protection and fire safety organizations. They may also be obtained from all fire insurance organizations and representatives."

"The people of Texas were shocked at the explosions and fires that partially demolished Texas City in April this year," Hall reminded. "They were equally amazed at the destruction by single fires of the LaSalle and Winecoff Hotels. Many other fires of serious destructive nature have occurred since the end of the war; and today an aroused state should undertake in whole-hearted support of Governor Jester to eliminate the menace of fire and its attendant loss of life and property, so that the State's housing shortage and scarcity of materials may be eliminated without the interruptions and hindrances of wasteful and destructive fires."

Funeral Services For C. B. Turner Held

Funeral services for C. B. Turner were held at the Olton Baptist Church Wednesday afternoon at 2:30 conducted by Rev. Joe Wilson. Mr. Turner was a former resident of Floyd County and a brother to Mrs. V. D. Harris of Lockney. He passed away at his home in Ruidoso, N. M. Sunday.

Mr. Turner was born Nov. 24, 1874 at Sessar, Ill., and moved to Floyd County more than 30 years ago. He moved from Floyd to Lamb County in 1919 where he made his home until a year ago when he moved to Ruidoso. He engaged in farming until his retirement a year ago.

He was married to Miss Nellie Kibler on February 27, 1898. She is among the survivors.

Other survivors are a daughter, Mrs. L. B. Hutcheson, Denver, Colo.; four sons, Bonnie Turner, Borger; Curtis Turner, Ruidoso; Harold Turner, San Diego, Calif.; and BM I.C. Leon Turner, stationed at Tiberon, Calif.; five brothers, C. E. Turner, Plainview; J. M. Turner, Bowie; Hosey Turner, Wichita Falls; Elmer Turner, Crafton, and George Turner, Graham; six sisters, Mrs. Lizzie Henson and Mrs. Luther Craft, both of Crafton; Mrs. V. D. Harris, Lockney; Mrs. D. F. Largent, Eldorado; Mrs. Maudie Shrebert, Dumas, and Mrs. O. H. Thomas, Lewisville.

A number of relatives from Lockney attended the services at Olton.

MRS. HOOTEN ILL

Mrs. L. B. Hooten, mother of Berry Hooten, has been seriously ill at the local hospital this week. All her children have been here visiting her. She was considerably better Thursday.

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, OCTOBER 3, 1947

NUMBER 4

Longhorns In First District Game Here Tonight

The 1947 edition of the Lockney Longhorns will play their first district game of the season on the home field tonight (Friday) against the Ralls Jackrabbits. The game will be called at 8 o'clock.

The game is hoped to be a tough one and neither team has much edge on paper, although comparisons in this way are many times unreliable. The Ralls boys are big and tough, probably among the toughest in the district. Coach Curtis Kelley said Tuesday, "It's going to take heads up football to beat Ralls." Kelley said, "However, if our boys play ball like they are capable of playing we'll sure give Ralls a tough game."

This will be the first and only district game in district 4A tonight. Other 4A teams have non-district foes or open dates.

Ralls has lost two games but both were to top flight opposition. Post defeated them 20-10 while Levelland beat them 26-7. The Longhorns have won over Abernathy 39-6 and Friona 26-12.

The starting line-up for each team is announced as follows:

Lockney	wt.	po	wt	Ralls
C. Pyle	160	L.E.	170	C. Page
J. Adams	168	L.T.	135	D. Norris
R. Glover	160	L.G.	160	K. Ferguson
D. Bybee	150	C.	150	B. Chron
R. Daniels	160	R.G.	136	C. Phillips
E. Kelley	195	R.T.	168	R. Arthur
J. Keeter	155	R.E.	155	R. Howard
E. Carthel	145	H.B.	164	E. Gilbert
Quisenberry	165	F.B.	148	E. Gilbert
W. Guthrie	160	H.B.	156	D. Rowell
J. Williams	165	Q.H.	120	R. Marsh
Bob Logan				Bob Logan

Preston Smith will referee the game while Rusty Bacens will umpire. Most local stores will close for the game.

Band Will Perform At Game Friday

Band director George Atwood said this week that the Lockney High School band would perform, sans instruments, at the football game between the Longhorns and Ralls here Friday night. Although the band isn't ready yet to demonstrate its playing ability the members will give an exhibition of drills including a tricky routine that will please the fans.

Martel McDonald is the head drum major with Rio Rita Webster, Vera Jo Rogers, Glenn Earle Norman, Penny Nelms and Carolyn Harper as majorettes.

Other members of the band drill team includes: Joyce Carthel, Nita Huckabee, Donna Brunner, Velma Seale, Mary Carthel, Elna Harris, Kay Norman, Mervene Patterson, Myrtle Lou Newton, Elna Watson, Verda Mae Holt, Bobby Lu Casey, Harold Hall, Jontba Lee Casey, Bonnie F. Harrison, Royleene Hall, Billy Gilbreath, Herbert Watson, Joe Cuny, and Sid Thomas.

The band members and pep squad held a pep rally on Main Street Thursday night in preparation for the game Friday.

Lakeview Well Due To Start Drilling

The wildcat well to be drilled in the Lakeview community in south Floyd County will start making holes soon, according to reports. The well will be located about 7 1/2 miles south of Floydada. It is Standard Oil Company of Texas No. 1 Leota M. Daniel and is 660 feet from the north and east lines of the Daniel tract in the A. B. Duncan survey.

Drilling equipment is being moved in. Warren & Bradshaw have the drilling contract and will use a rotary rig. The project is due to drill between 6,500 and 7,500 feet to test into the Pennsylvania.

Mrs. David Worrell and daughter, Sandra of Chicago are here visiting in the home of her parents, Mr. and Mrs. John Stalcup.

Bargain Rates Now Available on Amarillo News and Telegram

Bargain rates are now in effect on both the Amarillo Daily News and the Fort Worth Star Telegram.

Bargain rate on the Fort Worth Star Telegram this year is \$11.95 for daily and Sunday. The rate for daily without Sunday is \$10.60. Subscribers must bring along a label from paper to be sent in with their subscription.

Renewals only are accepted for each of these papers. Save money by renewing your daily newspaper today at The Beacon Office.

Life Imprisonment Given Williams On Habitual Charge

Ralph H. Williams was given life imprisonment under the habitual criminal act in 110th District Court at Floydada Wednesday. This is the first time in history that the habitual criminal act has been used in a trial in Floyd County. It was reported. Williams was tried on two cases of forgery.

Williams has been convicted seven times previously, most all convictions being for forgery. District Attorney John Stapleton said. His home was at Doucherty at one time but he has had no permanent residence in the past few years.

Williams was given seven years in the first case tried Wednesday morning and life imprisonment on the second. He already has a seven year sentence from Motley County given recently. He was sent to prison from Floyd County in 1941 and again in 1943 and has two previous convictions in Hale County.

Earl Smally was given two years on a charge of stealing farm machinery in a case tried Monday in the same court. Attorneys for the defense have asked for a new trial charging jury irregularities. No action had been taken on the new trial request Thursday morning.

Taylor Urges Rotary To Scorn Pessimism

Mixing a serious urge to scorn pessimism and have faith in the future of the country with jokes and foolishness, Thomas H. Taylor, president of Howard Payne College at Brownwood, kept members of the Lockney Rotary Club, their wives and guests entertained for 45 minutes last Friday night.

The event, the annual Rotaryanne night of the Lockney Rotary Club, was held in the basement of the Methodist Church. The Methodist ladies served the group.

Mr. Taylor, a well known speaker and humorist, was highly amusing in his talk and made a hit with the group. He spent the night here in the home of Rev. and Mrs. R. H. Campbell and returned to Brownwood Saturday.

President Marvin Cox gave a word of welcome to the group and Rev. E. J. Cobb introduced the visitors. The Rotary Club quartet composed of Brad Seale, Dee Copeland, Arthur Barker Sr. and Sid Thomas favored the group with three songs. Edgar R. Hays introduced the speaker of the evening. Approximately 50 attended the banquet.

Band Mothers Club To Be Organized

All mothers of band members both in grade school and in high school and especially all former band mothers are urged to be present at a meeting Friday afternoon at 2 o'clock to organize a Band Mothers' Club. It is hoped that the president and all members of the former Band Mothers' Club will be on hand to help the new club get started. The meeting will be held at the high school.

Mrs. Frank Roberson Wins First Place In Yard Beautification

Mrs. Frank Roberson won first place in the yard beautification contest sponsored by the Lockney Rotary Club cooperating with the Lockney Business & Professional Women's Club and the Lockney Business Men's Club. The judge's decision in the contest was given Tuesday of this week. First place prize was \$20.00 donated by the Rotary Club.

Mrs. C. C. Hackney won second prize of \$15.00 donated by the Business Men's Club and Mrs. A. R. Meriwether won third prize of \$10.00 donated by the B&PW club. The fourth prize of \$5.00, donated by Jim Willson of Floydada, was won by Mrs. S. G. Miller.

Judges were Mrs. L. J. Welborn, Mrs. Roy H. Leslie, Mrs. O. P. Rutledge and Mrs. John-Hoffman, all members of the Floydada Garden Club. The judges scored the yards in the early summer and rendered their decision 60% on improvement and 40% on beauty of the yard at the close of the contest.

Cotton Pulling Price, Labor Camp To Be Discussed Saturday

The farmers and business men of this vicinity are called to a meeting to be held Saturday afternoon at 3 o'clock at The Beacon office. Purpose of the meeting is to discuss the price of cotton pulling in this area and also to take care of some business matters pertaining to the local labor camp. Ed Whitfill and T. B. Mitchell issued the call for the meeting.

The fact that cotton is opening fast and very few laborers have come into this vicinity to gather the crop is the reason for calling the meeting on cotton harvesting, it was said. The men urged that every cotton farmer in this area attend the meeting Saturday.

Labor Camp Matters

The matters pertaining to the labor camp will include the election of a permanent board of directors of the camp, according to plans outlined.

The hutments for the labor camp are arriving, a total of 12 out of the 20 having already been set down on location. A number of Mexicans have already asked permission to move into the buildings, it was reported.

The committee working on the camp emphasized this week that the chief need in this relation was more money. A total of about \$3200 has been collected from Lockney business men but very little money has come from any other source. Committees have been named to solicit funds from farmers who are interested in the camp. An additional \$2,000 or \$3,000 will be needed to set the camp up right, it was said.

Mrs. Lillie Britton Passes Away Sunday

Mrs. Lillie Britton passed away at her home in Floydada Sunday morning at 11 o'clock. She had been ill about two weeks, having suffered a stroke. Mrs. Britton lived at Lockney many years ago but had made her home in Floydada the past 29 years. She had been a resident of Floyd County nearly 40 years. She was an aunt of Marvin Gilbert of Lockney.

Funeral services were held at the Floydada Methodist Church Monday afternoon at 3 o'clock conducted by Rev. Lloyd H. Jones, pastor. Interment was in the Floydada cemetery.

Survivors include four children: Mrs. R. E. Fry, Floydada; Mrs. Hugh Dumas, Houston; Dave Britton, San Diego, Calif.; and L. D. Britton, Floydada; five sisters: Mrs. C. D. Fowler and Mrs. J. L. Guest, Plainview; Mrs. Minnie Hanna, Lubbock; Mrs. J. L. Daniel of Levelland and Mrs. Jack Gilbert, Floydada and a number of nephews and nieces.

Mrs. E. A. Bonner, Mrs. Harmon Handley and Mrs. Hilburn Casey spent Monday in Lubbock.

To Visit Here

J. F. McCulloch

District Governor To Visit Lockney Club This Week

District Governor J. F. (Jim) McCulloch of the 127th District of Rotary International will pay his official visit to the Lockney Rotary Club next Thursday night and Friday, according to announcement made by President Marvin Cox this week.

Mr. McCulloch is a farmer and a member of the Rotary Club at Stamford. His visit here will be to advise and assist President Cox, Secretary Joe Parrish and other Rotary service activities. He is one of the 173 District Governors of Rotary International who are supervising the activities of some 6,200 Rotary Clubs which have a membership of 205,000 business and professional executives in 78 countries and geographical regions throughout the world.

Mr. McCulloch will meet with heads of the Rotary Club committees, the officers and directors in a meeting Thursday night and will speak to the club as a whole at the luncheon on Friday, it was said. The local club now has a total of 28 members.

Allison and Barber Open Electric Firm

O. C. Allison and Floyd Barber Jr. are proprietors of Lockney's newest firm, the A. & B. Electric Co. The new firm is located in the former City Bakery building, the first door south of Pennington Motor Co. and is now ready for business.

Both Messrs. Allison and Barber are well known here having lived here for years. Mr. Allison is an experienced electrician and has been engaged in that kind of work for a number of years. He spent 18 months in Army service, a year of that time being spent overseas.

The new firm will handle all kinds of electrical appliances and fixtures including a nice line of fluorescent fixtures. They will also do all types of electrical work, house wiring, appliance repair, etc.

Mr. Allison will handle the outside work while Mr. Barber will be in charge of the store, it was said. The firm's phone number is 66.

Floyd County Exhibit Wins Third At Fair

Floyd County's agricultural exhibit won third place in the county agricultural division at the Panhandle-South Plains Fair on the basis of judging Monday. Farmer County won first place and Jarza County won second place. Prizes were \$100 for first, \$85 for second and \$75 for third with other prizes being given up to fourteenth place.

H. B. Handley Is Hurt Tuesday

H. B. Handley, who lives southwest of Lockney, had a narrow escape from serious injury or death Tuesday when his clothing became entangled in a power take-off on a tractor. He was thrown to the ground receiving numerous bruises and three fractured ribs. He was treated at the Lockney General Hospital and returned to his home.

Lack Of Pullers Holds Up Cotton Harvest In Area

Floyd County cotton is not coming to the gins very fast and the reason is a lack of pullers, a survey of local gin men revealed Thursday. Lots of cotton is open and ready for harvest but the transient Mexican labor which farmers usually depend upon to harvest the cotton hasn't reached this far west yet, it was said.

Gin owners here were predicting that the cotton crop this year would run from one-third to one-half more than last year's crop. There is some dry land cotton but a big majority of it will be irrigated, it was said.

One bright spot in the situation was the better grades of cotton this year. Most cotton is running good and strict middling while last year's crop was mostly spot cotton. It was said. One gin owner reported that out of ten bales, seven were classed strict middling and three middling while another reported that out of 15 bales 14 were strict middling, 1 good and four were middling.

Around 85 bales of cotton had been ginned at the three local gins up to Thursday morning.

School Awarded Another Building

Superintendent Sidney Reeves was notified Thursday by the War Assets Administration at Dallas, that the Lockney Rural High School district had been awarded another surplus building. Mr. Reeves put in an application for the building about three weeks ago.

The building awarded to the school is 30 by 150 feet and is located at the Midland Army Air Field. It will be sawed into two pieces with 90 feet of it used as a lunch room at the grade school and 60 feet used as a vocational agriculture class room and shop building at the high school. The building cost the school \$217.50. It will be moved here as soon as arrangements can be made. Mr. Reeves said.

The building has asbestos siding and this siding will be left as it is, the Superintendent said. The siding was taken from the surplus buildings which are being converted in class rooms and the building will be brick veneered.

The school is installing a gasoline storage tank and pump at the high school from which buses will be serviced, Mr. Reeves said. This will save 6c per gallon on gasoline.

Three and one half grades have been moved into the new grade school building and the remainder of the grade school will be moved in within a week the Superintendent said. Six rooms are being occupied with the first, second, third and one room of the fourth grade into the new building.

Local Ladies Win In Floydada Flower Show

Two Lockney ladies won places in the flower show held in Floydada last Saturday. Mrs. J. D. Huggins won two first places, one second and two thirds. Mrs. Frank Roberson won one first and one second.

THE OTHER FELLOW'S PRICES
In an article in Nation's Business on the price problem, Jack B. Wallace makes this sage observation: "Nearly everyone seems to think a price is too high if he is buying and quite within reason if he is selling."

That universal attitude explains a good deal of the debate over prices these days. The working man kicks like a steer when he has to pay \$3.50 for a shirt that cost \$2.00 before the war—but he is all in favor of a wage rate that may be double or more what he earned in 1941. The farmer yells, "Robbery," when he finds that the cost of a piece of agricultural machinery has gone way up—but he doesn't see anything wrong with record prices for meat and grain. And, finally, the real estate man regards his grocer as a lineal descendant of Jesse James when he sees how little food a five-dollar bill will buy—and then goes out to sell

SCHOOL DAYS

By DWIG

ROASTIN EARS

houses for \$20,000 that would cost \$10,000 or less seven years ago. Government officials denounce industry for high prices—but say nothing about the inflationary influence of a \$200,000,000,000 national debt and prodigal government spending.

What we would all like, in short, is to enjoy 1947 incomes along with 1941 prices. Desirable as that dream may be, it is strictly a piece of fantasy so far as the facts of life are concerned. Your retail merchant is

charging you more for what you buy because the increase in wholesale costs and business overhead force him to. The manufacturer charges more because there has been a tremendous inflation in the cost of labor, taxes, materials and everything else. All intelligent businessmen would like to see lower prices. They are worried for fear that millions of consumers will be priced out of the market. But prices have simply followed the wage-tax-cost trend as they always have and always will. And all the talk about profiteering we hear these days won't change the situation one iota.

TELL IT TO THE CHILDREN

Any long-range fire prevention program that is to produce maximum results must include fire instruction in the schools of America—both urban and rural.

Traffic safety has long been taught in thousands of schools. Fire safety deserves equal attention. As one authority said, "It is apparent that if safety education in the field of fire prevention had been adequately presented in the elementary schools during the past fifteen or twenty years, the loss of children's lives from this cause would be greatly reduced today."

The methods used to teach fire prevention may be of various kinds. Periods of time may be allotted to it, or it can, in many cases, be combined with subjects which are an established part of the curriculum. Regardless of method, the main thing is that the instruction be vivid and forceful—and really drive home the fundamentals of fire prevention in young minds.

Fire prevention study should begin in elementary schools, and consist of lessons which are easily understood by very young children. In higher grades, more advanced material may be used, including instruction in fire laws and ordinances. Finally, in university instruction, mature students may be given technical information dealing with the more complex aspects of fire problem.

The responsibility for putting such a program into effect belongs to school authorities everywhere. It should be started now, on a national scale as a positive and continuous effort to meet an emergency condition.

IT CAN'T BE DONE

Who's worried about high prices? You, the consumer, naturally are. And you aren't alone. So are the manufacturers who produce the goods you buy. And so are the retailers who sell them to you.

Retailing in general has held to a consistent policy during postwar price inflation. The policy was developed by the chain systems, and thousands of independents of all kinds and sizes have voluntarily adopted it. It consists of increasing operating economy to the highest possible level, holding unit profits to the lowest point consistent with sound business practice, and to raising prices only when higher wholesale prices make it unavoidable.

Other innovations are also being used in an attempt to help the hard-pressed consumer. Many food retailers, for instance, are offering plainly-marked, lower priced meats and are featuring alternate foods for buyers who cannot afford Grade A prices. Merchandisers in other lines are performing similar services.

A retail association reports that fewer consumers are blaming stores for high prices than in the past. That is a healthy sign, and shows that the public is learning an important lesson. High prices are the result of many causes, some extremely complex, and to lay the blame on any

Bring Your
CREAM and PRODUCE
to us
We pay highest
Market prices.
Alford Produce
BILL ALFORD

group or any organization is unjust. It is especially unfair in the case of retailers, who cannot control wholesale prices, and must pay the going rate for their stock of goods. Every intelligent retailer would like to slash his prices now—but it just can't be done.

EISENHOWER FOR PRESIDENT?
The professional politicians don't like it, but a strong public groundswell seems to be running in favor of Eisenhower as the Republican presidential candidate. The General's record, personality and forthrightness are very powerful assets.

Some commentators have observed that Eisenhower will have the best chance for the nomination if, at convention time, it looks as if the race will be very close and the strongest possible man is necessary. If, on the other hand, it looks as if the Republicans can win regardless of the candidate, someone who has long been

identified with the party will probably get the nod.

There has been recent talk of an Eisenhower-Stassen ticket, and polls indicate that it would be remarkably strong. It is definitely a possibility.

Mr. and Mrs. F. A. Hardage and children moved Monday into the J. D. Hager house. Mr. Hager will continue to live in part of the house.

Patsy Pierce Is Party Honoree Saturday

Patsy Pierce was honored by her mother on the occasion of her tenth birthday, Saturday, Sept. 27. A large white birthday cake with chocolate icing topped with pink candles in white holders, bore happy birthday greetings. Punch and cake were served to the following guests: Betty June Miller, La Dora Ayres, Betty Jackson, Dorothy Williams, Altha Rea Williams, Deanne Arterburn, John Perry Truett, Mary Jo, Myers, Sandra Sams, Thomas Hutton, Charles Sparks, Clyde Hill, Son Pierce, Mrs. D. Williams and the hostess.

RETURNS FROM CHINA

Lonnie Seaman who has been stationed in China the past year, arrived home by plane Tuesday of this week to attend the bedside of his mother, Mrs. Lee Seaman who recently underwent an operation at the Plainview hospital. Mrs. Seaman was brought home Friday of last week and is reported to be improving.

Charlotte Taylor Observes Birthday

Little Charlotte Taylor, daughter of Mr. and Mrs. C. J. Taylor, was honored by her mother Saturday, Sept. 27 from 3:30 to 5:00 o'clock with a party at her home. The occasion marked the honoree's fourth birthday. Favors were miniature nursery books attached with string and surrounding the birthday cake. Balloons were also given as favors. Birthday cake and ice cream were served to the honoree and the following guests: Polly Sue Gilbert, Carolyn Harris, Karon Ann McPherson, Nancy Schacht, Janice Boedeker, Nancy Webster, Mmes. Marvin Gilbert, Clark Harris, Jay McPherson, Henry Schacht, Charley Boedeker, and the hostess.

Those taking dinner with Mrs. E. M. Whorton Sunday were Mrs. Arthur Swartz of St. Louis, Mrs. Zeb Baker of Dallas, Mr. and Mrs. Walter Whorton and Billie of Lubbock; Mr. and Mrs. Ewald Quebe and Mrs. F. S. Byars.

B&PW Club Plans Observance Of Nat'l Business Week Here

The Lockney Business & Professional Women's Club have completed plans for observance of National Business Women's Week October 5-11. The plans include a meeting at the Hotel Coffee Shop Sunday morning at 10:30 for coffee and doughnuts after which the club will go in a body to the Methodist church for services. On Tuesday, October 7 a luncheon will be held at 12:00 noon in the Methodist church basement. On Thursday evening, October 9, a dinner will be served in the same place.

Carthel-Goen-Honea Reunion Held Sept. 21

A reunion of the Carthel-Goen-Honea families was held in Plainview Sunday, September 21st. Dinner was served to the large group attending in the city auditorium. A large part of the three families participating were reared in the area. The group decided to hold the reunion on the third Sunday in September each year.

Those attending the reunion were Mr. and Mrs. W. A. Carthel and Ragene, Mr. and Mrs. John Lee Carthel, Mrs. Della Wilmon, Mrs. Beth Cunyus, Joe and Nell, Mr. and Mrs. Donald Steele and James Carl, Mr. and Mrs. John T. Carthel, June, Joyce, Janice and James, Mr. and Mrs. John Belt, Chester Carthel, Billy Carthel, Mr. and Mrs. Francis Carthel, Mr. and Mrs. Zoel Watson, Elna, Sybil, Genice and Igye Lynn, Mr. and Mrs. A. C. Carthel, Gloria and Alden, Mr. and Mrs. J. R. Belt, Ann, Carolyn and Steve, Mr. and Mrs. Hershel Carthel, Teddy and Barbara, Mr. and Mrs. B. R. Carthel and Mary Pearl, Mr. and Mrs. Bob Jarrett, Mr. and Mrs. Doyle Harrison, Bonnie, Doylene, and Kelly Mack, Miss Jeannette Pickens, all of Lockney; Mrs. Nancy Honea, Mr. and Mrs. Joel Corder, Tulla; Mr. and Mrs. D. T. Ewing, Mr. and Mrs. Velay Carthel, Amarillo; G. H. Carthel, Mr. and Mrs. Marion Carthel, Marhana, Evona Janis and Orvis, Mr. and Mrs. Travis Edwards, Charles James and Nelda, Mr. and Mrs. Kenneth Wofford, Peg Gene, James Raye all of Lubbock; Mr. and Mrs. Wayne Carthel, Jim, Pat, Shirley, Bob, Dorothy and Ruby, Mr. and Mrs. Bill Summers, all of Dimmitt; Mr. and Mrs. Ross Carthel and Leo, Sacramento, Calif.; Mr. and Mrs. Newell Harper, and Susan, Colleen, Oklahoma; Mr. and Mrs. Milford Carthel, Mr. and Mrs. John Ed Carthel, Stanley and Karon, Mr. and Mrs. Bernard Carthel, Patay and Billy, Mr. and Mrs. Allen Stag and Lynda, all of Plainview; Mr. and Mrs. Maurice Tannahill and Gary, Hereford; Mr. and Mrs. Oscar Golden, Larry Don, and Francis Kay of Aiken, Miss Ann McCabe, Dawn, Mr. and Mrs. Gene Belt, Johnny and Ronnie, Clinton; Mr. and Mrs. W. S. Goen and Norman, Mr. and Mrs. W. Elton Goen, Franklin and Robert, Floydada.

Providence News

Mrs. J. A. Zimmerman, Correspondent

Mr. and Mrs. Ben Brandes, Mrs. W. A. Boedeker and Mrs. Lucy Boedeker attended the fair in Amarillo last Thursday.

We are glad to report that Mr. and Mrs. Albert Kelm have finished building their new home and will move in to it Monday.

Mr. and Mrs. Robert Gilbreath and sons, Robert, Richard and Jerry Lee arrived Friday evening from Oklahoma City to spend the week end in the J. A. Zimmerman home.

Guests in the J. A. Zimmerman home Sunday afternoon were Mr. and Mrs. Ben Brandes. In the evening Mr. and Mrs. Frank Gummelt, Mr. and Mrs. Jim Grisby from Plainview called.

Mr. and Mrs. Matthews entertained the Providence Home Demonstration members with a supper at their home Sunday evening.

Mrs. Ray Collins, Mrs. Vernon Collins of Plainview spent Monday afternoon with Mrs. Florida Zimmerman.

Mrs. Arthur Swartz of St. Louis, Mo., and Mrs. Zeb Baker of Dallas, are here for a visit with their mother, Mrs. E. M. Whorton and other relatives.

Mrs. Aaron Carthel and Fleeta of Floydada; Mrs. F. S. Byars and Mrs. A. C. Carthel and Alden spent Wednesday with Mr. and Mrs. Oscar Phillips of Providence.

Mr. and Mrs. B. F. Block and Wanda of Plainview and Miss Stella Mae Strickland of Kress visited their parents, Mr. and Mrs. H. B. Strickland here Sunday.

Uncle Sam Says

Many tributes will be paid newspaper boys on annual Newspaper Boy Day this month. Thousands of newspaper boys are members of thrift clubs, sponsored by the International Circulation Managers' Association. Perhaps no greater honor will come to these boys than to point them out as school boys who are demonstrating how to go into partnership with their Uncle Sam in building a growing fund for future education. By investing their newspaper boy earnings in U. S. Savings Bonds regularly, they are getting their Uncle Sam to pay part of the expense. Your bond officer or banker will explain how regular bond buyings can provide four years of college education, one year of which will be paid for by your Uncle Sam as interest on your investment.

Friday Is Lockney Day At Lubbock Fair

Friday, October 3 has been designated as Lockney Day at the Panhandle-South Plains Fair at Lubbock. Fair officials urge that citizens of Lockney and this section attend the fair on that day.

North Side Singing Convention Meets Here

The North Side Singing Convention will meet at the Lockney Baptist Church Sunday afternoon starting at 2 o'clock. It was announced by Ed Gross. All singers and those who enjoy good singing are welcome.

Marriage Licenses

The following marriage licenses have been issued by County Clerk Margaret Collier: Welborn G. Bingham and Vona Jones, Sept. 27. R. L. Lambright and Velma Barton

New Arrival

Born to Rev. and Mrs. Robert L. Smith of Amarillo, Sept. 24 a baby girl, who has been named Reba Lois. Grandparents are Mr. and Mrs. E. W. Thornton who live east of town and J. J. Smith of Texas City.

VISITORS IN GRIFFITTS HOME

Mr. and Mrs. W. W. Denby and daughter of Weatherford, spent the week end visiting in the home of Mr. and Mrs. H. C. Griffiths of Lockney. Those who called Saturday evening were Mr. and Mrs. H. F. Kidd, Mr. and Mrs. G. L. Sims and children, Mr. and Mrs. Ralph Griffiths of Plainview, Mr. and Mrs. Edwin Williams and little daughter of Plainview and Mr. and Mrs. Roe Dalton and children of Wolforth, Texas.

MRS. KENADY ILL

Mrs. Boyce Kenady entered the local hospital Monday after suffering a heart attack Saturday night. She will be confined to the hospital several weeks, it is reported.

Mr. and Mrs. Melvin L. Waters of Kansas City, Mo., visited from Monday until Saturday of last week with his aunt, Mrs. Fred Lam and Mr. Lam.

Mr. and Mrs. Clarence Hite of Gainsville, Texas spent the past two weeks in the home of her parents, Mr. and Mrs. Ted Thurman.

Mr. and Mrs. J. H. Cooper and Carol spent last week end in Ruidoso, N. M. with Mr. Cooper's parents.

Miss Bula Fay and Gean McClure of Lubbock spent the week end here with their parents, Mr. and Mrs. Wade McClure and Thelma.

Sandy soils are usually low in nitrogen content, and hairy vetch is an ideal winter cover crop that will add nitrogen to sandy areas and prevent winter erosion.

Exports of all foods from the United States, if loaded on European boxcars, would make an unbroken train long enough to reach three times across the Atlantic Ocean.

Future Farmers Are Organized Here

Vocational agriculture students of Lockney High School met at the school house Tuesday night, Sept. 23 and organized a Future Farmers of America chapter, it was reported this week. Officers of the new chapter were elected as follows:

President, Robert (Red) Daniels; vice-president, Robert Quisenberry; second vice-president, J. D. Williams; third vice-president, Charles Hammitt; secretary, Calvin Pyle; reporter, Mimmie McGowan; treasurer, Donnie Bybee; sentinel, Bobby Carthel.

parliamentarian, Billy Bybee; historian, Joe Kaeter; district sentinel, James Quisenberry.

The Greenhand initiation service was held Tuesday night of this week at the school. This is the first degree of the F. F. A. Higher degrees are Chapter Farmer, Lone Star Farmer, and National Farmer.

Four members of the local chapter started beef projects last Saturday. They are John L. Hooten, Charles Deppery, Thurman Richards and Joe Huffman. Each boy purchased a calf from W. P. Ware of Cedar Hill.

The F. F. A. meetings will be held the first Tuesday of each month.—Reporter

EVERSMAN

Put This in Your Pipe AND SMOKE IT

There's Only **ONE TRULY** AUTOMATIC LAND LEVELER.

You Get These BIG ADVANTAGES with EVERSMAN

The ONLY machine with grader blade suspended on movable sub-frame balanced with springs connected to wheels through and eccentric axle that gives automatic action.

Not just another scraper. It's a 3-way machine used not only for the initial job of dirt moving and leveling, but for maintaining contours and preparing seed beds year after year.

Gets land in "table-top" condition, making better drainage possible, irrigating and cultivating easier, and mechanical harvesting faster.

A must in permanent seeding, saving seed cost, giving more years of bigger yields from each seeding.

Comes in 4 sizes to fit wheel tractors up to large crawlers.

Only one leveler, the EVERSMAN, has the eccentric (crank) axle—when wheels go on a high place the blade AUTOMATICALLY lowers to gather a load—when wheels go into a low place the blade raises to release enough dirt to fill.

Front clod buster and rear smoother blade firms the surface as the machine moves along, producing a finely pulverized seed bed while AUTOMATICALLY LEVELING.

Also excellent DIRT MOVER with patented wheel lift which raises and lowers the whole machine and gathers or releases a big load of dirt wherever you wish.

One inexperienced man driving your present tractor handles this ALL PURPOSE machine. Inexpensive to buy. Ask your dealer for details.

Get your DIRT MOVING done this FALL with your EVERSMAN and have the same machine for finish leveling and seed bed preparation in the SPRING.

Lone Star News

Mrs. Jack Frizzell, Correspondent

LONE STAR HOME DEMONSTRATION CLUB MEETS

Mrs. Raymond Teeple was hostess to the Lone Star Home Demonstration club on Tuesday afternoon, Sept. 16.

Mrs. Clyde Farish, Mrs. W. T. Rankin and Mrs. J. T. Griffin led a discussion on magazines and poetry.

Refreshments were served to eight members and one visitor.

The next regular meeting will be in the home of Mrs. Ben McGhee on Tuesday afternoon, October 7 at 2 o'clock.

The home of Mr. and Mrs. R. C. Phillips was destroyed by fire last Tuesday evening at approximately 7:00 o'clock. The Phillips had just finished shingling their home and sheet rock to do the inside was stored in the house. Everything was lost with the exception of one mattress which had been sunning in the yard. We deeply regret this tragedy and our community will help the

Phillips with a new start by giving a miscellaneous shower at the school house next Monday night. Everyone come, tell your neighbors, and all friends in other communities are welcome to come. When things like this happen we're glad of the opportunity to help another, so everybody come!

The Baptist revival meeting has been in progress all this week under the direction of Rev. G. C. Tiner. Mr. Lloyd Readhimer has been in charge of the song services. Next Sunday afternoon at 2:30 there will be a church dedication program. Guest speakers will be present and every one is urged to attend. Visitors will be very welcome.

Mr. and Mrs. Harold Griffith are the proud parents of a new son, Dennis Eugene, who was born last Sunday at the Lockney Hospital. The young man weighed nine pounds at birth.

Mrs. Sidney Rogers of Plainview spent one night last week in the home of her parents, Mr. and Mrs. Bailey Henderson.

Mr. and Mrs. R. L. Knox who have operated the Lone Star Grocery for a number of years, turned their business over to Mr. and Mrs. L. A.

Watkins last Monday morning. The Watkins have purchased the building and stock and are now in charge of operations.

Mr. and Mrs. Clyde Baxter and children were guests last Sunday in the Mal Jarboe home at Floydada.

Visitors in the home of Mr. and Mrs. Lowell Jarrett last Sunday afternoon were Mr. and Mrs. Clyde Farish and children, Mr. and Mrs. Henry Rowell and children and Roy Lynn Davenport of Silvertown.

Mr. and Mrs. Reed Lawson were hosts last weekend to Mr. and Mrs. Hubert Renic from Snyder, Texas. Mr. Renic is a brother to Mrs. Lawson.

It was decided for the P. T. A. to sponsor a Halloween Carnival at the meeting last Thursday night. A committee is to be appointed to get this underway soon and lots of help will be needed to make it a success. Lets all do our part!

Recent guests in the home of Mr. and Mrs. Ben McGhee were Dr. and Mrs. Frank G. Swartz and Nancy of Plainview. The McGhee's daughter, Shirley of Canyon spent this week end at home.

House guests in the home of Mr. and Mrs. T. S. McGhee this week have been Mr. and Mrs. Ernest Cavitt from Waco.

Mr. and Mrs. Herman King returned from vacationing at Hot Springs last Tuesday night. Enroute home, they went through the Caverns at Carlsbad, New Mexico.

Mr. and Mrs. J. B. Mercer were among those who attended the Amarillo fair. While there they also spent the night with Mrs. Mercer's parents.

Guests in the A. E. Frizzell home Tuesday was the Frizzell's son and family, Mr. and Mrs. Milton Frizzell of Rock Creek, and Mr. Frizzell's mother, Mrs. Jane Frizzell from Lockney.

The lunch room supervisor, Mrs. W. T. Rankin and the new committee would like to thank everyone who has made food donations to the lunch room. We are especially grateful to Mr. and Mrs. G. B. Johnston, who donated chili meat.

Friends here will be interested to hear of the birth of a daughter, Linda Irene, to Mr. and Mrs. Chester Griffith of Lubbock. Mr. and Mrs. Walter Griffith are the paternal grandparents.

Mr. and Mrs. Silman James and children of Lubbock visited in the home of her parents, Mr. and Mrs. Tom Wells last Tuesday evening.

Mr. and Mrs. Jack Frizzell and children were guests last Sunday in the home of Mr. and Mrs. Ernest Lee Thomas of Floydada.

Rev. and Mrs. G. C. Tiner had as their luncheon guests last Sunday Rev. and Mrs. F. A. Hardage.

The W. T. Rankin home was the scene of a wailer roast last Friday evening when their daughter, Mary Ann entertained for a number of her friends. The guest list included: Bobby Slover, Glenda Ann Readhimer, Nell Wells, Betty Sue Farish, Sharene Strickland, Bobby Baxter, Pat Frizzell, Dean Griffith, Donald Farish, Jimmie Rankin, Jim, Tom and Joe Nance and the hostess.

Luncheon guests in the I. M. Readhimer home last Monday were: Rev. F. A. Hardage and Rev. Hicks from Plainview.

Scout Committee Make Plans Mon.

The regular Blanco District Boy Scout Committee meeting was held in the Scout Hut at Floydada Monday night, October 29. Guy Ginn of Floydada, district chairman, presided at the meeting.

Following a report from D. A. Edwards of Crosbyton, district organizer and extension chairman the committee approved a four step plan in the district to gear in with the nationwide Scout Round-Up.

The steps were:
1. Meeting of unit committee and staff to inventory and plan for more efficiency in leadership, program and membership.

2. Meetings of the Scout's parents to show how they can help.
3. Scouter survey to give the boys an opportunity to aid in securing more and adequate leadership.

4. A round up meeting to be held in Floydada on a district wide basis on December 1.

James Potts of Floydada, district health and safety chairman is in charge of the first aid contest to be held in the district during October. Semi-district eliminations will be run. South Plains, Lockney and Floydada will conduct their eliminations Monday, October 6 at 7:30 p. m. at the Scout Hut in Floydada. Lorenzo, Ralls and Crosbyton will hold theirs in Ralls Monday, October 13 at 7:30 p. m. In each meet there will be two teams from each unit. One made up of Tenderfoot and Second Class and the other consisting of those First Class and above. Winning teams from each end will meet at Crosbyton on October 29 at 7:30 p. m. to decide district winners.

A nominating committee composed of Johnnie Rene of Floydada, A. W. Lott of Lorenzo and D. A. Edwards of Crosbyton will report to the district their nominations at the December meeting.

After lengthy discussion the group decided to put forth every effort to get enough people to invest in the Scouting Program to make possible the securing of a field man for the four county area of Floyd, Crosby, Motley and Dickens. The all-out campaign is to be conducted in October.

Present for this meeting were: Ginn, Edwards, Potts, Rene, Lott, H. A. Sessions, Crosbyton, J. E. Elza, Bob Crowell and W. B. Henry of Floydada, W. R. Postma, scout executive of the South Plains council and O. K. Reynolds, field executive.

CLASS B STATE MEET

AUSTIN.—Conference B schools in the University of Texas Interscholastic League will have their own regional and state meets for the first time in 1948. Roy Bedichek, director, announced. Dates for the state meet will be the same for Conferences AA and A, and B—May 7 and 8, in Austin.

Hale County Has Weed-Killing Month

College Station.—Hale county, Texas, has added another month-long observation to the list. This time it's Weed Control Month which has just been observed during August.

The idea belongs to the Hale County Weed Control Committee, says County Agent Manuel Ayers, and it stemmed from the \$500,000 loss which the county suffers each year in crop damage due to weeds.

Everything from paid newspaper advertisements, through circular letters and plain old "lip service" by the committee members was used, says Ayers, in spreading word about the weed control month. Civic organizations in Plainview and other Hale county towns pitched in to help plan the weed-killing drive, and the commissioners' court made arrangements to let every farmer in the county who wished to take part have weed-killing chemicals at wholesale prices.

County agent Ayers reports that a big part of that \$500,000 yearly loss was shaved off the books during the month, but that permanent eradication of weeds is a long-time proposition which will call for control work for several years, not only on that "month-at-a-time" basis, but year around.

ATHLETIC CLUB IN ACTION—Jaded photographers aboard the U.S.S. Missouri carrying President Truman from Rio de Janeiro to the United States were considerably cheered when the "Truman Athletic club" was organized. Pictures of the President of the United States working off excess avoirdupois by leading a group of perspiring would-be athletes in calisthenics are not exactly run-of-the-mill.

Longhorns Down Friona 26-12 Friday

The Lockney Longhorns came from behind to keep their record clean last Friday night when they downed the Friona Indians 26-12 on the Friona field.

The Friona lads scored their first touchdown in the first five minutes of the game. The score was set up by a long pass completed to the 5 yard line. Four downs pushed the ball over for the score. The point was missed and Friona led 6-0.

However, the Longhorns were not long in overtaking their opponents. A series of ground plays carried the ball down to Friona's territory and Carthel carried the ball over behind some nice blocking late in the first quarter. The point was missed but the score was tied. The Longhorns scored again the middle of the second quarter, this time Robert Quisenberry plunging 8 yards through the center of the line to tally. The point was made and the score stood 13-6 at the half.

Quisenberry scored again in the third quarter and Guthrie carried the ball over on an off tackle play in the fourth to run the Longhorn score to 26. Friona scored their second touch down in the last five minutes of play.

In the pass department, the Longhorns completed one out of three and had one intercepted. Friona completed 3 out of 15 and the Longhorns intercepted 4.

The game was a hard fought one. Coach Curtis Kelley reported, Robert Logan, quarterback, suffered an ankle injury which might keep him out of the game this week. The boys had lots of spirit and hustle, Kelley said.

Results of other games involving District 4A teams the past week were:

- Dalhart 38, Matador 20.
- Wellington 49, Paducah 6.
- Crosbyton 13, O'Donnell 0.

VERTEBRATE COLLECTED AT TU
AUSTIN.—More than 2,000 specimens of vertebrates were collected for the University of Texas department of zoology during summer months by Dr. Frank Blair, assistant professor, and a student assistant, Gordon Walker. The specimens will be used in laboratory studies.

School Should Have Health Program—Cox

Austin.—Every school should have a definite school health program. Situations such as, the kind of drinking water, arrangements for the school lunch, the lighting, seating, ventilation and cleanliness of the schoolroom and the personal practices of the teachers and children are the bases of the school health program, said Dr. Geo. W. Cox, State Health Officer.

Every school has tremendous opportunities to promote the health of its pupils and of its community. From early childhood to early manhood or womanhood, most children are enrolled in schools and are under the supervision of school staffs for a substantial part of the day for approximately half the days of the year. The conditions under which they live in school, the help which they are given in solving their health problems, the ideals of individual and community health which they are taught and the information and understanding that they acquire of themselves are factors which operate to develop attitudes and behavior conducive to healthy, happy and successful living.

Schools alone however cannot enable children to attain all the desirable goals of individual and community health. Considering the magnitude and multitude of the diverse and continuing efforts that must be made to satisfy the health needs of people and groups, in addition to children, it is fortunate that many schools are greatly interested in promoting health. Parents have a prime responsibility.

Physicians, dentists, nurses, health officers, social and welfare workers and their official organizations such as medical, dental and nursing societies, health departments and voluntary health agencies are all rightly concerned with health activities in their communities.

Mrs. A. H. Martin of Vernon is here spending the week with her daughter, Mrs. C. J. Taylor.

The name Nebraska is of Indian origin and signifies "shallow water".

Waco Holstein Sets State Milk Record

College Station.—A state production record for "junior" registered Holstein cows has been set by Lady Oostie Mercedes II, a cow owned by William P. Neale, dairy breeder of Waco.

Extension dairyman of Texas A. & M. College have been informed by the Holstein-Friesian Association of America that the Neale cow, in ten-months division competition, produced 732 pounds of butterfat and 29,375 pounds of milk, a record that puts her in the

lead among all four-year old Holstein cows in the state.

To qualify for entrance in the ten-months division of the Association's advanced registry, Lady Oostie had to meet special calving requirements as well as have an outstanding production record. The testing is intended to place emphasis not only on productive qualities, but on reproductive qualities as well.

The tests were supervised by Texas A. & M. College in cooperation with the Holstein-Friesian Association.

Rail travel made easier

Ask about these special features now available for Santa Fe travelers

Rail Travel Loan—Travel Santa Fe now—pay later in easy monthly installments. Funds available for rail accommodations and other expenses for your trip. Simply make application for this service with your railroad ticket or travel agent.

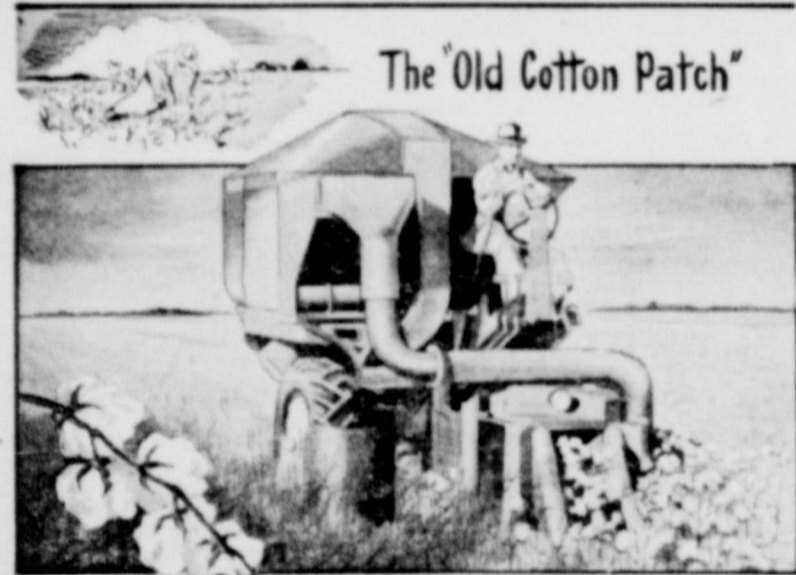

Travel Credit Cards—Charge Santa Fe tickets as easily as you would department store purchases. Anyone with proper credit rating may have a rail credit card. Present it at any Santa Fe ticket window to charge rail parlor-car or sleeping car tickets (amounting to \$5.00 or more) to any part of the country. Bills rendered monthly.

Rail Auto Service—Enjoy the comfort and economy of rail travel—and still have the convenience of a late-model automobile at your destination. Moderate cost. This plan now in operation in many U. S. cities.

Prepaid Tickets—Tickets can be delivered to any point in the U. S. by making a deposit with your Santa Fe ticket agent. Pullman accommodations, incidental cash included, if desired. A particularly attractive service for transportation arrangements of elderly people, invalids, students, etc.

Parmalee Transfer—Passengers holding tickets through Chicago may ride Parmalee coaches from the Dearborn station to any out-going depot, hotel, or downtown destination. Baggage included. This service available by presenting the Parmalee coupon which is a part of your through rail ticket.

For complete information just call your Santa Fe Agent

IS BIG TIME BUSINESS NOW

King Cotton has found the promised land! Here in the fertile Panhandle-Plains-Pecos Valley Area we market \$81,000,000 worth of cotton and cotton seed a year.

New uses are being found constantly for one of our number one crops. And today "the old cotton patch" is big time business for the folks in our area.

We have so much confidence in the cotton industry—and all other industries we serve—that we are investing 35 million dollars in a building program. This expansion program in our territory will bring more dependable electric service to industry and better living—electrically—to everyone!

Watch Your Kidneys!
Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be nagging headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!

RECRUITING AND TRAINING OF GUARD VITAL ELEMENT FOR EFFECTIVE M-DAY FORCE

Washington, D. C.—A minimum goal of 88,888 men or a recruit a minute beginning September 16, National Guard Day, has been set by President Truman.

late action in case of aggression, the new National Guard has been allotted a total of 6,382 units in the 48 states and Hawaii, Puerto Rico and the District of Columbia. This will comprise a target strength of 652,000 personnel.

Mr. and Mrs. Arthur B. Watkins and children of Lubbock spent Sunday here with relatives.

Weekly SURPLUS NEWS WAA

One of the biggest automotive parts sales ever held in Texas will take place at the Red River Arsenal near Texarkana Tuesday through Thursday, October 7, 8 and 9, with \$700,000 worth of war surplus parts up for informal bidding. A total of 500 lots will be on display at six warehouses in the arsenal, most of them small for the "little buyers" as well as the commercial dealers. Included will be such materials as engine assemblies, bearings, battery acids, maintenance equipment, oil seals and filter elements. Inspection and bid has been set for from 8:30 a. m. to 3:30 p. m. next Tuesday and Wednesday, with opening of bid boxes to commence at 8:45 a. m. Thursday.

Creation of a fast-moving sales organization in each of the six War Assets Administration Zone offices to dispose of the remaining inventory of surplus war plants and other real property is now well past the half way mark, with \$4,789,429,900 disposed of or leased and \$3,569,735,000 remaining at the end of August. The new plant is expected to give disposal the final push.

The sale of 562 buildings at Gulf Port Army Airfield at Gulf Port, Mississippi, was recently postponed on account of damage wrought by the recent hurricane. War Assets Administration announced that new sales would be posted some time in the future.

A veterans merchandise section to

Recipes For Tomato Uses Given By Agent

There are a number of small tomatoes. Chile sauce and preserves are two interesting possibilities and recipes for them are given by Miss Leila Petty, County Home Demonstration Agent.

Tomato Preserves

- 1 pound ripe tomatoes
- 3/4 cup water
- 3/4 pound sugar
- 1 lemon
- 1 large piece gingerroot

The small tomatoes such as the yellow pear-shaped or red Porter are best for making preserves. Remove skins. Tomato juice may be used instead of water. Place sugar and water in large kettle and boil 5 minutes. Add lemon which has been sliced very thin. Boil 5 minutes, then add tomatoes and gingerroot. Boil until the tomatoes are clear and the syrup is about the consistency of honey (about 45 minutes to 1 hour). Remove foam and scum, pour at once into hot sterilized jars, and seal.

Yellow Tomato Preserves

- 2 quarts small yellow tomatoes
- 1 lemon
- 3 cups sugar
- 1 teaspoon salt
- 4 tablespoons gingerroot or thinly sliced candied ginger.

Wash and dry tomatoes. Cut thin slice from blossom end and press out seeds. Put tomatoes into preserving kettle, sprinkle sugar and salt over top, simmer until sugar is dissolved, the boil slowly for 40 minutes. Wash and cut lemon into wagger thin slices, removing seeds. Add lemon and ginger minutes more. Pack while boiling hot (cut in small pieces), boil 10 into hot sterilized jars and seal immediately.

Chili Sauce

- 5 quarts peeled, cored and chopped ripe tomatoes
- 2 cups chopped sweet red peppers
- 2 cups chopped green peppers
- 1 1/2 cups chopped onions
- 3 tablespoons salt
- 1 cup sugar
- 3 cups vinegar
- 1 teaspoon cloves
- 1 teaspoon allspice
- 1 teaspoon cinnamon

Combine the chopped vegetables, the salt and sugar, and simmer the mixture until it begins to thicken. Then add the vinegar and spices and cook the mixture down until it becomes a thick sauce. Pour into hot sterilized bottles or jars and seal airtight. This recipe yields about 3 quarts of sauce.

the War surplus sales facilities of the WAA's Customer Service Center has been added to the Grand Prairie office. Only very limited stocks of set-aside items for veterans are anticipated for the time being. Under the plan, veterans may buy and take with them merchandise available in this section.

A quantity of construction and farm machinery is being offered by War Assets Administration to both priority and commercial buyers through its Grand Prairie Customer Service Center until November 3. The sale opens October 17. Included in the offering are a tandem road roller, crawler type tractor, towed type grader, drum hoists and booms. The booms are unused; the remainder being used. The equipment is being offered at fixed prices.

The continuous campaign which the Department of Agriculture is waging in Mexico against the hoof and mouth disease received some war surplus reinforcement last week. Acting for the Mexican program, the Bureau of Animal Husbandry purchased 13 ambulances, 13 carryall trucks and one panel truck from War Assets Administration. The surplus vehicles will be shipped to Mexico City for use of medical technicians in stamping out the disease below the border.

The double hitted ax of economy and mechanization brought a new type of war surplus into WAA inventory last week in the form of eight cavalry horses. Camp Hood, it developed, was reducing its remaining horse cavalry complement by more than a third. The horses, all geldings 12 or 13 years old, were sold at public auction by WAA's location clearance branch in accordance with federal regulations.

31 frame chapels at Paris' Camp Maxey were listed for sale this week by the office of real property disposal in Grand Prairie. Sale of the chapels is subject to priority groups, and applications to purchase must signify assurance that the buildings will be used as shrines, memorials or places of worship. Applications will be accepted from both priority groups and others until October 8, closing date.

Circumstances that rule the weak are but instruments of the wise.

34 Million Turkeys On U. S. Farms

College Station.—U. S. farmers now have 34 million turkeys on the farm, and although that sounds like a lot of meat, it's 16 per cent less than last year's production.

About 3,681,000 of those birds are in Texas, which is being ranked out of another first place by California, where almost 4 million turkeys are being raised.

All but three states in the union show decreases in turkeys raised compared with a year ago, according to USDA's Bureau of Agricultural Economics. The decrease, says the bureau, is due to unfavorable price

relationships, unusually large storage stocks toward the end of last season, high feed costs and the uncertainty of 1947 turkey prices.

Texas turkey raisers have 13 per cent less birds than in 1946, when at this time of year there were better than 4,231,000 turkeys in the state.

63 PASS BAR EXAM

AUSTIN — Sixty-three University of Texas law students recently passed their examination for admittance to the State Bar of Texas. One woman, Mary Emille Heinatz of Austin, was in the group.

Young Gives Reasons For Planting Improved Variety Of Wheat

LUBBOCK.—Reasons for the emphasis wheat interests are placing on encouraging farmers to plant high quality grain next season are explained by Dr. A. W. Young, Texas Technological College plant industry department head.

Certain varieties of wheat, such as Chief Kan, and, to a lesser extent, Black Hull, are very low in gluten, the quality that causes bread to retain its shape after yeast makes it rise. Because these varieties are suitable only for use as feed, crackers and macaroni, elevator operators are paying rather drastically reduced prices for the grain wherever it is recognized.

Recommended wheat varieties for the plains area are Comanche, Tenmarq, Turkey, Westar and Wichita. On experiments conducted at the experiment station near Amarillo, Westar yield compared favorably with that of the less desirable varieties.

Floyd County Ladies Attend State Home Demonstration Meet

Mrs. Collins Walker of the Pleasant Valley Home Demonstration Club, Mrs. O. G. Mayfield of the Homebuilders Club, and Mrs. Lynn Miller of the Sand Hill Club left Monday afternoon for Galveston where they will attend the annual meeting of the Texas Home Demonstration Association. They joined a group of other delegates at Lubbock. They made the trip in two chartered buses.

Reports of the Galveston meeting will be given by the Floyd County Home delegates at the Floyd County Home Demonstration Council in its regular meeting October 13.

NEW YEAR'S HORN SOUNDS... Rabbi Isaac Israel, 76, of the Home of the Daughters of Jacob in New York makes this impressive picture as he blows the ram's horn, or "shofar," signifying the end of the Jewish New Year celebration. The "shofar" also is sounded to introduce the New Year period, this year marking the beginning of the year 5708 in the Jewish religion. Observances this year were marked by memorial services for Jews who died through persecution.

Mahon Reports From Europe

By George Mahon

This is being written from the city of Trieste, a town of about 300,000 on the shores of the Adriatic Sea. I am here in Trieste with a Congressional sub-committee charged with making a study of our foreign aid program. I had hardly heard of this city prior to the war and that is probably true of most Americans. It is now one of the danger spots of the world.

The place belonged to Austria before World War I and to Italy after World War I. The city and a small bit of land surrounding the city have now been set up as a free state which is to have a governor appointed by the United Nations. The city of Trieste is only five miles from Yugoslavia.

At the conclusion of the war, Yugoslavia and Russia demanded that the city be made a part of Yugoslavia—America and Britain refused to agree as most of the people of the city are Italians, and the Free State was finally agreed upon.

A force of 5,000 American troops and a similar number of British troops occupy the city of Trieste. The city is the dividing line which separates Russia and Yugoslavia from the western world. It may be our first line of defense against Russian aggression. In addition to maintaining our troops here, we are spending about \$200,000 per month to help feed the people of the area. A ship load of American wheat arrived recently and there are no signs of starvation here. The Port was heavily bombed during the war. Our government is supporting a program to make the place self-sustaining.

During the stay of our committee in Trieste, Treaty provisions have gone into effect setting up the new state, and ratification day has been celebrated. It has been a very precarious time for American and British military forces.

The commanding general of the Yugoslav Army served notice upon our military headquarters that his army contrary to the provisions of the peace treaty was marching into the city of Trieste at 10 o'clock at night on ratification day. Our forces manned the roads to the city with instructions to prevent the entry of the Yugoslav army. The Yugoslavs engaged in some military maneuvers and threats, but when it became apparent that the Americans and British had called their bluff, they withdrew their forces.

There has been an air of uneasiness throughout the city during our stay here. There have been numerous riots and demonstrations by the Communists. Bombs have been exploded in the streets and a few people have been killed. The Yugoslav army outnumbered the Anglo-American forces in war ships in the harbor and the in this area, but the presence of American bombers have had a stabilizing influence on the situation.

One of the most spectacular demonstrations was a Communist funeral procession through the streets of the city. The communists claimed that the anti-communists were responsible for the killing of a child who belonged to a Communist family. The child's casket was carried down the street on the shoulders of six young men, pre-

ceded by four huge red flags. The band played and hundreds of flowers were carried in the procession. The marching crowd extended for several blocks and was estimated at 15,000 people.

In Trieste we have conferred at length with American and British military officials, where we have found considerable pessimism as to the chances for peace and stability. Trieste is headed for trouble unless the United Nations is able to pursue a firm policy and establish a strong civilian government. We have conferred also with local citizens and officials. The majority of the people in the city of Trieste are Italian, but there are also many Yugoslavs in the area.

Among the 5,000 American troops in Trieste are 137 enlisted men from Texas. I had a pleasant visit with two of them from west Texas, Max Carpenter of Sundown and Cecil Drake of Big Spring. All our troops seemed to be in fine shape and morale appeared to be high.

6,000 BOYS PLAY BALL

AUSTIN—Six thousand Texas high school boys took part during the summer in the first baseball competition sponsored by the University of Texas Interscholastic League.

Sixty-one districts were set up, and 469 schools enrolled. Rodney J. Kidd, athletic director, said.

Mrs. Edwin Hammonds and baby of Sand Hill spent last Monday with Mrs. A. C. Carthel and baby.

Milk For Older People Is Necessity

College Station.—A pint of milk a day is a must if older people are to keep healthy and active, says food specialists of Texas A. & M. College Extension Service. Men and women in their fifties, sixties and seventies often overlook milk in their diet, a neglect that deprives bones of necessary minerals.

To help furnish enough calcium, protein and phosphorus for the proper upkeep of their bodies, a daily pint of milk is the minimum, say the specialists. A condition of demineralization of the skeleton may come from too little calcium in the diet and often leads to broken bones in later years. Some investigators have suggested that many a fall, which supposedly

results in a bone break, is actually due to weakened bones which break and cause the person to fall.

Relatively little is known of the nutrition needs of the older age group, the specialists report, and state experiment stations are making studies aimed at correct dietary recommendation. Recent studies do show that older people have not lost their ability to store calcium and other minerals and that their diets should include milk.

URUGUAIAN ENROLLS AT T. U.

AUSTIN—The first student from Uruguay to enroll in the University of Texas is Mrs. Sarah Beatriz Bettega of Montevideo, wife of a Uruguayan naval officer. She holds a Good Neighbor scholarship, and will study elementary education.

3 Lockney Students Are Enrolled At ACC

When Abilene Christian College, Abilene, Texas, opened for its forty-second session on Friday, September 19, it was with an enrollment of 1504 students, which is the largest registration in the history of the college. The largest preceding registration was the 1455 students of the fall semester of last year.
Enrolled in Abilene Christian College this year are two 1947 graduates of Lockney High School, Leo Maudie Watson is majoring in home economics in the Abilene institution and Billie Earl Ross is majoring in business administration and Bill Watson has recently enrolled for study in ACC.

Beavers are still reported in fairly large numbers in 42 Texas counties, being found mostly along the Pecos, Rio Grande, Colorado and Llano Rivers and other streams in the Edwards Plateau.

Swing Of Southwest Farm Markets

(USDA)—Farm commodities moved to generally unsettled markets last week, with moderate to sharp declines on many products, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Wheat rallied at southwest markets for gains of around 12 cents per bushel, but corn sank steadily. White corn losses totaled about 35 cents, to close Friday at \$2.50 for No. 2, while yellow dropped 15 to 20 cents to sell at \$2.35 at Fort Worth and Galveston. Oats, barley, and sorghum grains netted little change.

Rice demand continued slow at prevailing prices last week. Principal producing areas escaped major hurricane damage. Grain product feeds declined, but others sold unchanged to higher. Hay prices advanced \$2 per ton. Peanuts moved at government support prices. Texas fine wools sold actively at 42 to 52 cents per grease pound.

Spot cotton prices declined from \$4 to \$6 per bale during the week, and there was a further weakening of the basis. Demand was good for Army Purchase qualities but only fair for domestic purchases. Harvesting made rapid progress.

Cattle closed the week generally 50 cents to \$1 or more lower. Calves felt the heaviest pressure. Good calves sold at \$17.50 to \$19.50 at Houston, and choice heavy calves moved at \$21 to \$23 at Oklahoma City. Good and choice calves turned late in the week at mostly \$17 to \$19 at San Antonio, \$16.50 to \$19 at Fort Worth and \$16 to \$18 at Wichita. Donner's practical top was \$21.50 for calves and vealers.

Hogs suffered losses of mainly 25 cents to \$1 for the week and pigs fell as much as \$2 at some markets. San

Antonio closed the week at a top of \$27.50, Fort Worth and Oklahoma City at \$28, Wichita at \$27.75 and Denver at \$28.75. Sows brought \$24 to \$25.50 at Fort Worth and Oklahoma City and \$23 to \$26 elsewhere.

Slaughter lamb prices dropped \$1 to \$2 per hundred at most southwest markets last week, while aged sheep and feeder lambs fell mainly 50 cents. San Antonio moved common and medium spring lambs at \$16 to \$19, and Fort Worth sold medium to good kinds at \$19 to \$21. Good and choice grades brought \$21 to \$22.50 elsewhere.

Good demand held poultry prices firm during the week, and young chickens tended higher. Some turkeys moved largely at government support prices. Eggs remained fairly steady. Seasonally best candled offerings sold

Hospital News

E. J. Rogers, who received a severe back injury in a fall two months ago, was released from the hospital Thursday. He spent 64 days in the hospital. He will have to remain in bed another three weeks.

Mrs. Boyce Kenady entered the hospital Monday for medical treatment. Mrs. L. B. Hooten entered the hospital Tuesday. She was reported better Thursday.

A baby boy was born to Mr. and Mrs. Harold Griffith Sunday. He weighed 9 pounds, 3 ounces and was named Dennis Eugene.

H. B. Handley was treated at the hospital Tuesday.

A 10 pound girl was born to Mr. and Mrs. B. H. Denton of Sterley Saturday morning.

Jim Stevenson entered the hospital last Friday for medical treatment. He was released Thursday of this week.

Wayne Workman, 4-year-old son of Mr. and Mrs. Harley Workman was treated at the hospital Tuesday and Tuesday night. He had eaten aspirin. He was released Wednesday.

R. C. Phillips Home Destroyed By Fire

The home of Mr. and Mrs. R. C. Phillips in the Lone Star community was totally destroyed by fire Tuesday evening about 7:00 o'clock. Origin of the blaze was undetermined.

The Phillips were in the process of repairing the house when it was destroyed, reports said. The house had just been shingled and sheetrock for reworking the inside of the house was stored in the house.

Mr. and Mrs. Phillips were away from home at the time of the blaze. They have been married just a few weeks.

The people of the Lone Star community will give a shower for the couple at the Lone Star school house next Monday night, October 6. Everyone is invited to attend regardless of what community you live in.

A miscellaneous shower will also be held for the couple at the Providence school house Tuesday evening of next week. Everyone is also invited to attend this shower.

FHA Girls Organize Friday, Sept. 19th

The Future Homemakers of America met Friday, September 19, to elect class officers and club mothers. The class representatives are Rita Webster, senior; Alburteen Foster, junior; Donna Brunner, sophomore; Velma Seale, freshman. Mrs. J. D. Copeland is junior-senior club mother, Mrs. Geo. Turner, sophomore and Mrs. Fred Hall freshmen club mother. They will serve one semester.

The president, Patay Harris, welcomed new club members and the new home economics teacher, Miss Hall. Gleyann Earle gave a treasury report and Miss Hall gave a speech. Song leaders, Irma Hall and Velma Seale, led in singing several songs.

The next meeting will be the formal initiation of new members, on October 11. This has always been one of the greatest thrills of the year and we all look forward to it.

The officers and class representatives met with Miss Hall Tuesday afternoon to work on programs of this year. They are ready to be typed and handbooks will be given to each girl who becomes an F. H. A. member.
