Either new or renewal subscriptions.

Entered April 14, 1902, as second class mail matter at the Postoffice at Lockney, Texas, under the Act of Congress of March 3, 1879.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The Beacon will be corrected gladly upon being brought to the attention of the editor.

WALLACE THE CANDIDATE

Henry Wallace's decision to head a third party ticket next November was hardly a bombshell. The former vice-president has been playing tag with the idea for a long time and sending up the customary trial balloons. He has been prodded by various "left of center" groups, and by those who take a much more lenient view of Russian policies and intentions than do the Republicans and Democratic leaders. What his formal announcement has done is to open up a whole new chain of political possibilities.

It remains to be seen what luck Mr. Wallace will have in getting on the ballot in the various states. Every state has different laws in the regard, and the variations are extreme. In Iowa, for instance, two voters can call a convention and place a candidate in contention. In Massachusetts, by contrast, about 50,000 names are needed to ring the bell. The matter is further complicated by laws concerning party affiliation and other technicalities. Generally speaking, the political air is not favorable to third parties. The last effort, by Representative Lempe, was an utter flop. Prior to that, the elder Senator LaFollette made a strenuous campaign but the best he was able to do was to carry his own state of Wisconsin, where, at the time, his Progressive Party was firmly in the saddle. The best attempt of all, of course, was that made by Theo-

THE SAVING GRACE

dore Roosevelt with his Bull Moose ticket. He had the advantage of being an ex-president with a tremendous and loyal personal following, but he couldn't win. Normally—because of our elective system which gives a candidate receiving a bare majority of the popular vote in a state that state's entire vote in the Electoral College—a third party head wins nothing, and is important only to the extent he can take votes away from one of the major candidates.

This latter point is what makes Mr. Wallace's bid significant. He claims to have inherited the mantle of Franklin Roosevelt—though that claim is vociferously denied in the Truman camp. Practically every political reporter thinks that he will cut into Mr. Truman's vote, and thus be a very strong asset to the Republicans. That is the obvious deduction, but there is another side to it. It is possible that the Democrats regard as the Wallace menace will help in solidifying the party and lead to an extra heavy De-

mocratic turnout in November. Again, if Mr. Wallace shoots the works in denouncing Truman policies, it might give the President some on-the-fence, "sympathetic" votes.

One novel suggestion is that the Wallace candidacy could be a definitive factor in the selection of the Republican candidate. That theory, valid or fanciful as it may be, runs like this: Mr. Wallace will take away enough votes from Mr. Truman to make the key states of New York and California safe for the Republicans. Therefore, it is no longer necessary to nominate Mr. Dewey to carry New York, and the palm should unquestionably go to Senator Taft, the leading midwesterner.

Coming down to the campaign itself, Mr. Wallace's domestic program will be unadulterated New Deal. This may fake some of the thunder away from Mr. Truman, who is expected to advocate price control and such measures as more public power development. On foreign policy, Mr. Wallace's announced line has little in common with either Republican or Democratic ideas. He wants to help Europe through the United Nations—and, more important, he wants to help any and all countries which need it, including those within the Soviet sphere of influence. He believes in cutting down our armed forces, and he is a strong foe of compulsory military training—an issue in which he is in general agreement with Senator Taft, but in complete disagreement with Governor Dewey and the President.

The Wallace campaign will be aggressive—both on his own part and that of his supporters. His following is passionately convinced he is right, and they will make a stir which is disproportionate to their numbers. This will add color, if nothing else, to what promises to be an exceedingly lively campaign.

BUSINESS OUTLOOK
What is the business outlook for the new year? If a group of 28,200 executives surveyed by Fortune is correct, the boom will continue and it may get bigger. Nearly two-thirds of those replying said that.

By contrast, when a similar poll was conducted at the end of 1946, more than half of those answering expected a downturn in 1947. That downturn, as everyone now knows, didn't even start to materialize.

Commenting on the results of the last poll, Fortune observes that thoughtful readers "may find some grounds for alarm in the near unanimity with which business expects the indexes to go on and upward. . . . Business is counting on a continuation of the great postwar inflation. . . . The price of that inflation is also clear. Management has 1948 down in its books as a year of increased living costs and there is growing fear of labor unrest and strikes."

On a heavy-duty job,
give me new Advance-Design
CHEVROLET TRUCKS
and here's a "load" of reasons why . . .

Only Advance-Design Trucks Have All These New and Finer Features:

- ★ Cab that "breathes"
- ★ Flexi-Mounted cab
- ★ Unifield, all-steel construction
- ★ Larger, more durable, fully adjustable seat
- ★ 22% greater visibility
- ★ New, rear-corner windows
- ★ Stronger, new frames
- ★ Full-floating hypoid rear axles
- ★ Specially designed hydraulic truck brakes
- ★ Valve-in-Head Thrift-Master or Load-Master engines
- ★ More efficient loading (stake and high-rack bodies)
- ★ New, thorough sealing insulation
- ★ Standard cab-to-axle-length dimensions permitting interchange of bodies
- ★ . . . and MANY more!

Brother, how these stronger, new frames stand-up! Wheel-bases are longer, too, for better load distribution. And the brakes are exclusively designed for greater brake-lining contact!

There's nothing like the cab that "breathes" for comfort! . . . fresh air is drawn in from the outside—filtered in cold weather—and used air is forced out. The cab is cushioned on rubber—Flexi-Mounted—with 12 inches more foot room and eight inches more seating space. There's 22% greater visibility, too, they tell me. The seat is fully adjustable. Man, this is it!

Here's a special, heavy-duty job and an extra-special truck! Take your pick from 107 different models and eight wheel-bases. There's one made for your special kind of job.

Look—rear-corner windows! Now it's a cinch to back up without jackknifing. Yes, sir, these trucks are brand new—really different with Advance-Design. And they're packed with power steering, power brakes, and power windows. There's a lot more to them than meets the eye. *Fresh air heating and ventilating system and rear corner windows optional at extra cost.

Come in and see these trucks—today! There's a Chevrolet Advance-Design truck to meet your specific needs and offer you TRANSPORTATION UNLIMITED!

Lockney Auto Co.
Lockney, Texas

To The Voters Of Floyd County:

We, the friends of Tom W. Deen, feeling that we need his service in the County Judges Office, went to him and ask him to make the race for County Judge of Floyd County, Texas. He said that he was out of politics and was not a candidate for any office. We then ask him the question that if we drafted him and elected him if he would serve and he said he would be a poor sport if he didn't.

We feel the office should seek the candidate and not the candidate the office, and having full confidence in Judge Deen, and knowing if elected that he will be on the job, doing his best for the people of Floyd County—we will be able to find him in the County Judges office, that the County

built for their County Judge, where he will listen to the troubles of the humblest citizen and give him wholesome advice.

We feel that he will give the County Judges office his best thought and bend every effort to give the people equity and justice and that the County Judges office will not be a sideline with him.

We solicit your vote and influence for Tom W. Deen, the people's candidate for County Judge of Floyd County, Texas.

This announcement is bought and paid for by the friends of Tom W. Deen. (Adv.)

John Phillip Sousa, world famous band leader and composer of "Stars and Stripes Forever," joined the U. S. Marine Band as second trombone player when he was 13 years old.

Tech Students Get Free Treatment

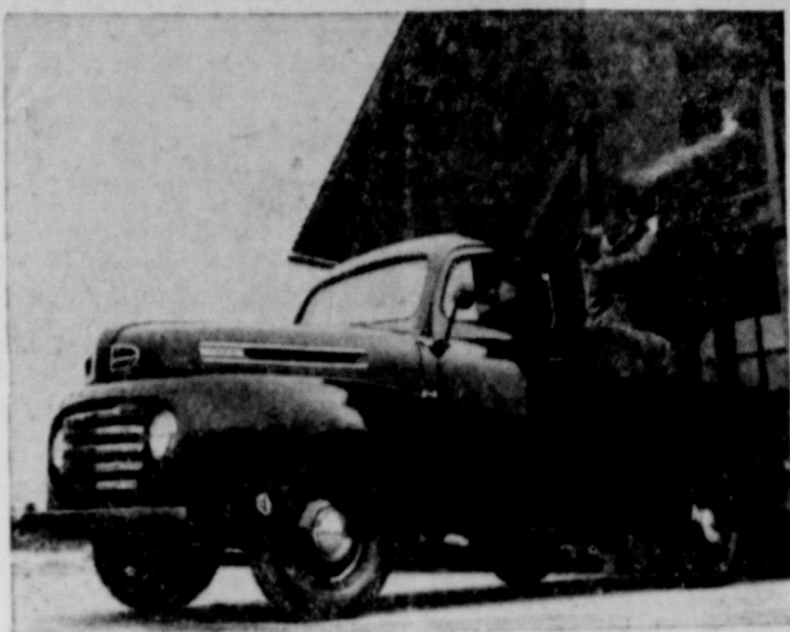

Lubbock, Jan. 16.—An average of slightly more than 44 students daily have received free treatment at the new Texas Technological College dispensary and infirmary since it opened in October, a report shows. Sixty-three students were hospitalized in the infirmary.

Approximately 1600 students received influenza immunization shots that were offered to those who wished them. Cost of the service is covered by student and medical fee authorized by the state legislature.

Dr. E. R. Rose, currently director of the student health service at the University of Florida, will be in charge of the Texas Tech unit beginning Feb. 1. He succeeds Dr. J. G. Morris, who accepted the work on a temporary basis this semester.

Dr. Rose has had eight years experience as director of student health services at the University of Florida and Ohio University.

A total travel distance equalling 12 trips around the world in 14 months is the flight record of Seaman R. L. Wickham, enlisted flight orderly of the Naval Air Transport Service. In flying 269,000 miles in that time, Wickham served NATS passengers 4,329 in-flight meals.

The new 1948 series F-1 Ford 1/2-ton truck has a 114-inch wheelbase with 6 1/2-foot pick-up body. The new trucks offered in 1/2-ton, 3/4-ton, 1-ton, 1 1/2-ton, 2-ton, 2 1/2-ton and 3-ton capacities provide a wider range of models and capacities than ever before, including the F-7 and F-8 series—the largest trucks Ford has ever built.

stand on housing and rents. They are fearful of the bankers, in fact, of all pressure groups in Washington. Hence 1948 will witness more or less of a nothing Congress. I visualize that economic conditions will continue about as at present during 1948; but as a fever is necessary to cure many disease, so economic distress seems necessary to bring people to their senses and to their knees.

"Cull" Hens Best For Dinner Table

The verb and noun "cull" are used rather loosely in the United States and often suggest to the housewife desiring a baking hen the idea on "not so good." But if you look the word up in the dictionary, A. L. Hartzog, Floyd County Agent, says you will find that it means about the same as "choose" or "select" so, particularly, when a poultryman culls his flock, he is "selecting" the birds that might better go to market now and he makes certain to keep his heavy layers which are usually thin in condition. However the layer in the laying flock turns most of her feed into meat which makes her nice and plump for the dinner table, but no good in the laying flock. The good poultryman knows exactly which ones to send to market as giving the least return for the grain they eat, and marketable plumpness is one of the good qualities.

So don't worry if you get a fat "cull" hen for your table, she probably ate too much for her own good, but makes good eating for you the Agent says.

Texas Tech Receives \$1,080 for Scholarships

Lubbock.—Texas Technological College recently received a check for \$1,080 from the LaVerne Noyes estate for scholarships during the 1948-49 year, the college committee on scholarships and awards announces.

The college receives funds annually from the estate, but the amount varies from year to year. Scholarships are awarded to veterans of World War I or their direct descendants who are in need of financial assistance to attend college and who have outstanding scholastic records.

Babson Further Discusses 1948

Washington, D. C., Jan. 9.—In addition to my formal forecasts which were in this newspaper last week, I now want to add something for readers to think over.

General Outlook
As heretofore stated, 1948 will be much like 1947—at least up to November 2. With most manufacturing companies enjoying large unfilled orders, there can be no depression in 1948. There, however, will be an increase in war preparations. This will mean the shifting of employment and credits from one industry to another. For instance, we may expect some slackening in industries devoted wholly to unessential peace work. Industries which were booming during World War II, such as aircraft manufacturing, machine tools and shipbuilding, should pick up again during 1948. If you are undecided as to how some special business will act in 1948, just consider how that business acted in the years 1938 to 1940. If the business prospered during those years, it will probably show increased activity during 1948. If it suffered, it may show a decline in 1948. There will be no World War II in 1948, but there will be marked preparation for it.

What About Inflation?
During 1948 there will be much talk in Washington about "checking inflation," but any attempts will be largely of the eyewash variety and not fundamental cures. It is sound legislation to allocate materials to the more important industries. Doubtless certain allocations will be instituted during 1948. It also would help to reduce taxes so as to force people to leave the government employ and to produce. The only solution for inflation, however, is to discourage consumption and encourage production. Unfortunately, when the Government attempts to decrease consumption, people get panicky and increase their purchases; while controls need to reduce production.

All Government attempts to interfere with the basic laws of supply and demand fail in their purpose. The only cure for rising prices is to let them rise to a point where production will be so profitable that it will increase to an amount which will be in excess of demand. This causes an abrupt decline in prices and in employment also. This cure is unpopular politically, and we will not see it before November 2, 1948.

Beyond allocating materials and reducing taxes, the only fundamental cures which the Government can provide are: (1) putting an embargo on

exports, (2) suspending the agricultural price supports, (3) freezing wages and profits, (4) causing interest rates to rise sharply, and (5) reducing Government expenses. These movements would be unpopular politically, and I doubt whether we shall see them in 1948.

All of us are selfish. We don't want the Federal Government to shut off the exports of OUR goods, to suspend price support of OUR products, to freeze OUR wages or profits, to raise the rate of interest which WE are paying,—or to discharge some relative of ours whom we must support,—even although these things would be for the good of the nation as a whole. Hence, I again say,—"only a spiritual awakening can prevent another severe bust."

Political Leaders Lack Courage
Members of Congress and the Administration know what to do. Chairman Eccles of the Federal Reserve Board has given Congress excellent advice, as reported in the morning papers of November 26. These recommendations, however, are unpopular. Even Congressmen are putting their own selfish desires ahead of the nation's good.

Congressmen are fearful of labor leaders. They are fearful of veterans, thus, unwilling to take a courageous

FORD *Bonus Built* TRUCKS

Built Stronger to Last Longer!

More Than 139 Models!

NEW All Through!

Bonus* Built—THE AMAZING RESULT OF AN ENGINEERING PRINCIPLE THAT ASSURES WIDER USE, LONGER LIFE . . . and ONLY Ford Trucks Have It!

EVERY single one of the great new Ford Trucks for '48 is Bonus Built . . . designed and built with extra strength in every vital part! But that's only part of this vital truck engineering principle . . .

This extra strength provides WORK RESERVES that pay off for truck operators in two important ways:

● **FIRST**, these WORK RESERVES give Ford Trucks a greater range of use by permitting them to handle loads beyond the normal call of duty. Ford Trucks are not limited to doing one single, specific job!

● **SECOND**, those same WORK RESERVES permit Ford Trucks to relax on the job . . . to do their jobs easier, with less strain and less wear. Thus, Ford Trucks last longer because they work easier!

Yes, Ford Trucks for '48 are Bonus Built . . . built stronger to last longer! That's why they give their owners wider use and longer life! That's why life insurance experts can certify proof that Ford Trucks last up to 19.6%

Only the New Ford Bonus Built Trucks Give You All These Big Advancements!

NEW! 3 New Engines . . . up to 145 h.p.! Brand new Six . . . 2 brand new V-8's! Packed with advancements that give you real performance! Proved Ford reliability and thrift!

NEW! 2 New Big Jobs . . . Biggest Ford Trucks in history! Gross vehicle weight rating up to 21,500 pounds! 145 h.p. engine! 5-speed transmission! They're rugged; they're something!

NEW! Million Dollar Cab . . . Living Room Comfort! New coach-type seat. More headroom, legroom, elbowroom! Picture-window visibility. New exclusive Level Action cab suspension.

NEW! New frames, axles, brakes, steering! Built stronger to give your Ford Trucks even longer life! These new Ford Trucks for '48 are really new all through!

ONLY FORD TRUCKS ARE BONUS BUILT FOR WIDER USE, LONGER LIFE!

longer. That's why the record shows there are more Ford Trucks in use today than any other make. Let us show you the revolutionary new Ford Bonus Built Trucks today!

BUILT STRONGER TO LAST LONGER

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be sagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

LaVentana Study Club Hears Book Review

Mrs. Albert King was hostess when the LaVentana Study Club met Tuesday for a covered dish luncheon. During the business meeting officers for the coming year were elected as follows: Mrs. C. H. Huffman, 1st vice president; Mrs. Clyde Parish, 2nd vice president; Mrs. Clois King, secretary-treasurer; Mrs. Clyde Baxter, federated councilor; Mrs. Herman King, parliamentarian; Mrs. Ben McGhee, reporter. Mrs. Albert King, who was elected president last year will serve another year in that office. Following the business meeting members enjoyed a book review of "Three Came Home" given by Miss Corma Thomas. Those present were Meses. T. S. McGhee, W. T. Rankin, J. T. Griffin, Hubert Frizell, Ben McGhee, Clyde Parish, C. H. Huffman, Joe Reeves, Raymond Teeple, H. R. King, Clois King, M. S. Johnson, Hastings, Corma Thomas, Robert Smith, and Mrs. Albert King.

RACING WITH THE TUNE . . . Fighting the deadline set by James C. Petrillo, musicians' union czar, for making musical recordings, Vaughn Monroe, singer and band leader, snatches a snack and tries to sing at the same time.

Buddy Holstein of National City, California visited with Mr. and Mrs. J. B. Allen and Bill and with the R. T. Spence family Wednesday night. Buddy is a former Lockney resident.

THEY'RE NOT A BIT SHEEPISH . . . With blizzard winds and snow still whipping around the corners of barns in most sections of the Midwest, these frisky new arrivals, part of the spring lamb crop, know it and wouldn't care if they did. Their young master, Dale Goodrich, 10, who lives near Geneseo, Ill., corralled the youngsters for a picture.

BOUND FOR ALASKA ON SCOOTER BUILT FOR FIVE . . . D. A. Gregory and his pet fox terrier, "Pooch," left Brownsville, Tex., on a three-wheeled motor scooter, bound for Alaska. Their number has been increased to five, thanks to the addition of three pups born en route.

BUSY MOTHERS CLASS HAS ALL-DAY MEETING

The Busy Mothers Class of the Methodist Church met Wednesday, January 7th in the basement of the church. A covered dish luncheon was served at the noon hour. During the day the class quilted a quilt for Mrs. R. E. L. Statts, a member. Those present were Meses. R. H. Campbell, Stinebough, Leslie Floyd, Pearl Hall, W. H. Fields, Hugh Counts, Fannie Brown, T. T. Throst, Mabrey, S. L. Sims, and the hostess, Mrs. Statts.

Mrs. Leon Martin, accompanied by Mrs. Johna Bilbrey and son Carleton visited friends in Amarillo Friday night.

Mr. and Mrs. J. B. Allen visited their son Brice Allen and family at Mt. Blanco, Texas Sunday.

Mrs. Pearl Prickett returned last week from several weeks visit with relatives at Abilene, Coleman and Odessa.

Worrying over the lack of a vitamin to keep our hair from turning grey won't restore the natural color to our present crop.

Uncle Sam Says

How would you like to write a check for \$2,498.94 to yourself due on New Year's Day 1958? You can do exactly that by signing your name in any time in January to an authorization form at your bank which will permit them to take \$18.75 a month from the funds you have on deposit and buy one \$25 Savings Bond for you every month for the next 10 years. The Payroll Savings Plan—buy Savings Bonds where you work—is equally powerful in producing a sizable nestegg out of regular savings. U. S. Treasury Department

"The Fairy Wedding Waltz," Turner played by Janet Huffman. "Flowers in the Forest," Burns; "Moonlight Reverie, Allen played by Ann Cooper. "Under The Double Eagle," Wagner; "April Fantasy," Federer played by Betty Jean Myers.

Mrs. Jesse Cox has been moved from the Lubbock hospital to the home of her sister in Plainview. Mrs. Cox underwent a major operation in Lubbock Monday of last week. She is doing nicely.

'CHRIST ABOVE ALL,' THEIR THEME... More than 10,000 young people from all parts of the U. S. and many foreign countries attended the Methodist youth conference, sponsored by board of education of the Methodist church, at Cleveland. Posing before huge globe surmounted by a cross are young representatives of eight nations: Norway, China, Korea, Brazil, Switzerland, the Philippines, India and the United States.

New Ford Truck -

(Continued from Page 1) channel steel front bumper. Frames on the F-7 and F-8 series are nine inches in depth with sturdy alligator jaw cross members.

Clutches on the larger trucks are 12 inches in diameter, capable of easily handling the peak torque output of the 145-horsepower engine. These trucks also have five-speed transmissions. The F-7, with maximum gross vehicle weight of 19,000 pounds, has a single speed heavy duty hypoid axle. The F-8, with a gross vehicle weight of 21,500 pounds, has a two-speed axle, making 10 speeds available for all types of roads and loads.

The new Ford light trucks have direct action shock absorbers. Wider axles permit shorter turning and ample chain clearance. Straight through mufflers reduce back-pressure, improving engine performance.

Two-ton and heavier models are equipped with vacuum power brakes. Another new feature of the new line is wider base wheel rims with tapered tire head seats.

Donald Ray Nelson of Petersburg Tuesday night here with Wilki Parrish.

HE AWAITS WITHOUT... Sen. Glen H. Taylor (Dem., Ida.) was reported to be awaiting formal word from Henry A. Wallace to run for the post of vice president on the third party ticket which Wallace is forming.

Those visiting in the Harland Downs home Sunday were Mr. and Mrs. J. H. Downs, W. E. and Walton, Miss Wanda Sadler, and Mr. and Mrs. Glen Horton of Littlefield; Mr. and Mrs. Marvin Horton of Amherst; Mr. and Mrs. Glen Smith and Mrs. Lloyd B. Williams of Lockney.

Clark Harris Home Scene of Bridal Shower

Mrs. Pepper Martin, nee Marjorie Cox, was named honoree at a lovely bridal shower given Friday afternoon, January 2 from 2 to 5 o'clock in the home of Mrs. Clark Harris.

Hostesses for the occasion were Mrs. Harris, Lee Bilbey, Collins Walker, Wilson Warren, Plainview; Alton Noland and A. M. Dorsey.

Mrs. Walker presided at the bride's book. The honoree was assisted by her mother, Mrs. Johns Cox, and the bridegroom's mother, Mrs. Mark Martin in receiving and displaying the gifts.

Refreshments were served from a beautifully decorated, lace-covered table accented by lighted tapers in twin crystal holders.

Those registering or sending gifts included: Mrs. Alvin Nichols, Glen Whitfill, Minnie Harris, A. A. Sweat, Jewell Guinn, Charley Fulkerson, Don Finkner, Lucy Thomas, Edwin Johnson, Ernest Lee Thomas, Vernon Daniels, Chester Mitchell, Ella Burrows, Bennie Teaff, Edd Thornton, E. C. Cox, Hilburn Casey, C. H. Ross, T. B. Cox, J. P. Truett, Kendall Cummings, Mrs. A. B. Blount, Elmer Biggs, Fate Traylor, F. U. Payne, Edwin Hammond, R. C. Mitchell, Udell Cunningham, Connie Reed, H. Cunningham, Clarence Maier, Jack Johnston, Cle Sweet, Robin Byars, N. T. A. Byars, Bud Pope, Lee Pope, W. H. Pope, Joe Toney, Albert Bloxom and Misses Lovella Cox, Elaine Cox and Opal Blount.

Jack Cooper Honored At Birthday Dinner

Mrs. Jack Cooper honored her husband with a surprise birthday dinner Sunday.

A large cake with birthday greetings and lighted candles adorned the table where places were laid for Mr. and Mrs. Howard Cooper and Carol, Mr. and Mrs. Edwin Barker, all of Lockney; Mr. and Mrs. Dick Cooper, Floydada; Mr. and Mrs. Buster Hanna and family, Turkey; Ruth Ann Howard, Amarillo; Mr. and Mrs. Jack Cooper and children.

Strangely enough, Fleet Admiral William F. Halsey Jr., joined the Fleet in 1904 as a passed midshipman aboard the old battleship Missouri and aboard that vessel witnessed the climax of his career, the signing of the Japanese surrender.

Catlin-Poe Marriage Announced This Week

Announcement was made this week by Mr. and Mrs. L. A. Catlin of the marriage of their daughter, Adaline to Bill Poe, son of Mr. and Mrs. Otto Poe of Lockney. The ceremony was performed on January 1st. The couple will be at home in Lockney.

WATCH YOUR EXPIRATION DATE

Police Save Boy Pinned In Chimney for 17 Hours

NEW YORK--Wedged for 17 hours in the chimney of a five-story Harlem apartment building, Henry Bishop, 6, was rescued by police.

They cut a hole through the wall of an apartment and pulled the frightened but unhurt boy to safety.

Henry said he went to the roof to play, climbed to the top of the chimney and suddenly felt himself sliding down out of sight. His body lodged against debris 15 feet below the opening.

A neighbor who had gone to the roof heard Henry's weak cries and called police.

Trials Show Efficient Feeding of Molasses

Three series of trials using a total of 122 pigs were conducted to determine the maximum amount of cane molasses that can be utilized efficiently by pigs from weaning to a weight of 70 pounds. Rations containing levels of 10, 20, 30 and 40 per cent molasses were compared with check rations containing no molasses in the experiments at University of Hawaii.

The results indicate that, with the rations fed, 20 per cent is the maximum amount that will allow satisfactory gains and efficient feed utilization. Above this level of molasses both the rate of gain and efficiency of feed utilization decreases markedly.

Cost of Keeping Rats Runs High on Farms

Rats and mice, mankind's greatest animal enemies, cause enormous losses to agricultural crops, root crops, tubers, bulbs, cereals and trees. Rats also transmit such diseases as typhus and bubonic plague. It costs about two cents a day or \$7.30 a year to keep a rat. One rat will eat and destroy from 85 to 100 pounds of feed a year, or as much as is consumed by a laying hen. A cow produces on food of 225 rats.

'Cold-Proof' Your Child!

COLDS and related diseases are more numerous this year than in any recent year. Don't take chances with your children. 'Cold-proof' them with cold vaccines and vitamins. We have the oral cold vaccines, Plenamins and One-A-Day Vitamins.

Also a complete line of Cold Remedies is available here.

1948 Chevrolet is Massive

The over-all simplicity and massiveness of the new, 1948 Chevrolet is well shown in this three-quarter view of the Fleetmaster Sport Sedan. Fenders, hood, body and door panels all blend; and the crease moulding, below the windows, is wider than that used in previous models. Note the new T-shaped chrome center bar on the radiator grille.

Now Is Tree Planting Time, Hartzog Says

Now is tree planting time and A. L. Hartzog, County Agent suggests that persons planting trees should examine the roots, removing the broken or damaged ones; also check the ends of the good roots to see if they have dried out and become brown. If so, cut off the dried portion well into the white, live tissue. New roots will develop quickly from the root ends treated in this manner. Dig the hole large enough to accommodate the roots. If the soil is tight, mix a shovel or two of rotted manure with the soil removed from the hole. In planting set the tree at the same depth that it stood in the nursery, and pack the

soil firmly around the roots. Just before the hole is filled with dirt, add a bucket or two of water, then complete filling the hole with soil. Peach and plum trees should be cut back to about knee height; apples and pears to between knee and waist height at time a setting. If there is danger of rabbits damaging the trees, wrap them with paper when they are set out.

J. B. Johnson and Miss Patricia Johnson were called to Jester, Okla. Saturday night because of the sudden death of their brother and father, E. S. Johnson.

Arnold Johnson of Albuquerque, N. M. visited his parents, Mr. and Mrs. J. B. Johnson over the weekend.

Floyd County Bond Purchases Total \$369,512.75 In 1947

Floyd County's 1947 bond purchases totaled \$369,512.75 during the calendar year of 1947. It was reported this week by J. M. Willson of Floydada, county bond chairman. Other counties in this area purchased bonds in the following amounts: Hale, \$709,847.00; Crosby, \$235,636.75; Brisco, \$74,595.75; Motley, \$54,748.00.

Texas topped the 200-million dollar mark in U. S. Savings Bonds, Series E, F and G, in 1947, according to figures just released by the Texas Advisory Committee on Savings Bonds. Nathan Adams, Dallas, Chairman of the Committee, praised the citizens of the State on their continued support of the U. S. Treasury's program to help combat inflation and to aid its management of the public debt.

"There is a growing realization among the people of Texas and the nation," Mr. Adams said, "that the great national debt must be spread among the greatest number of citizens if we are to continue a sound economy. Each individual citizen is directly affected by the management of the national debt and it is gratifying to see so many Texans continuing to invest in U. S. Savings Bonds."

"The U. S. Treasury has received the endorsement from groups all over the nation urging it to continue a vigorous campaign to sell more Savings Bonds in 1948 as one of the great anti-inflationary moves. These groups include businessmen, bankers, investment bankers and many others."

Total sales for Texas in 1947 amounted to \$292,896,123 with \$124,650.00 in Series E Bonds. Mr. Adams pointed out that almost 60 per cent of the number of Series E Bonds issued were in \$25 denominations. "This is indicative that in spite of the high cost of living the small investor is setting aside part of his earnings regularly to meet the future," Mr. Adams commented. "More and more people are reaping the benefits of systematic saving by investing in U. S. Savings Bonds... a practice that began with patriotic buying during the war years and has carried over on a personal benefit basis."

Mr. Adams also congratulated the farm and ranch population of Texas on its foresite in investing heavily in 1947 in U. S. Savings Bonds, Series E, F and G. "With a rare combination of high production and high prices, rural incomes were at an all time peak and as a result a great number of farmers and ranchers invested to the limit in Savings Bonds last year," he said.

"An upward swing in the Payroll Savings Plan seems to be assured for 1948; the Bond-a-Bond Plan through banks of self-employed will also be featured during the year," Mr. Adams stated.

Tech Gives Fossils To Oklahoma U.

Lubbock, Jan. 16.—Texas Technological College has donated a collection of fossils to the University of Oklahoma, where the Geology building containing collections was razed by fire last fall, the geology department announces.

The contributions includes invertebrates and local fossils which were duplicated in the college collections. A number of other institutions likewise are assisting the Oklahoma school rebuild its collections.

Mr. and Mrs. A. R. Meriwether and Mr. and Mrs. Verner Hodel plan to leave Sunday for several weeks visit in California. Mr. and Mrs. Meriwether will visit their daughter, Mrs. Glen Busick in Los Angeles and Mr. and Mrs. Hodel will visit in Long Beach.

LOCKNEY LUMBER & SUPPLY

Leon Wofford, Manager

Lucky, lucky lady with all those wonderful electric appliances...her electric range, refrigerator, water heater, complete home laundry and other labor saving devices.

And behind these appliances, behind the walls of her home, she has all important Adequate Wiring. She knows that the electric wiring in her home is large enough to provide her with plenty of electric service when and where she needs it.

Adequate Wiring MEANS:

1. ENOUGH CIRCUITS for serving efficiently and safely all the appliances you have.
2. LARGE ENOUGH WIRE for serving your present and future needs.
3. ENOUGH OUTLETS AND SWITCHES for convenient living.

Call or write your nearest Public Service office now for a wiring check-up by a specialist. There is, of course, no obligation.

We have nothing to sell but good electric service.

23 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

for 15 each
At Colo. Short Course

The children of Mrs. E. Floydada was held here in the home of a daughter, Mrs. Marvin Gilbert, Mr. Gilbert and children. Those present to enjoy the day were Mrs. E. F. Stovall, Mr. and Mrs. Richard F. Stovall and boys, Franklin, Robert and Van, all of Floydada; Dr. and Mrs. J. P. Williams and Mary Lynn of Roswell, N. M.; Dr. and Mrs. H. C. Sullivan and children, Eddie, Harly and Susan of Burkburnett and the hosts.

Lubbock—Prof. L. G. Harmon, acting head of the department of dairy manufactures at Texas Technological College, will serve as an instructor at the annual Colorado A&M Dairy Manufactures Short course Jan. 26-30 at Fort Collins, Colo.

Harmon will present information on calculation of ice cream mixes, methods of manufacturing and processing of ice cream, and on various types of fermented milk including cultured buttermilk and churned buttermilk.

Weekly SURPLUS NEWS WAA

As it enters the final phases of an all-out campaign to dispose of remaining war surplus in the states of Texas, Louisiana, Mississippi, Oklahoma and Arkansas, the War Assets Administration will have a new zone administrator at its head. Gen. C. B. Rucker, head of the southwest zone for more than a year, resigned because of ill health January 9. Associate National Administrator Paul L. Mather made the announcement in Dallas, along with appointment of Col. Karl E. Wallace as new administrator. Colonel Wallace, long prominent in veterans affairs throughout the state, was formerly head of the Fort Worth region.

The last round-up of buildings to be cleared from the Camp Maxey area near Paris, Texas, will be staged Jan. 27, 28 and 29. The War Assets Administration will include all remaining buildings for offsite use, numbering 485, in the three-day location sale. It will be the second and concluding cycle of the public, informal bid operations on surplus real property at Camp Maxey. Grounds will be open for inspection January 15 through January 26 daily except for Saturdays and Sundays.

Relief for famine stricken Indians of the southwest is being furnished through the surplus food stocks of the WAA. Thus far, \$125,000 worth of foodstuffs has been sent to 16 needy Navajo and Cherokee tribes, whose agricultural resources are not sufficient because of greatly increased population and sickness following the war. The zone office at Grand Prairie is cooperating with other WAA offices at Kansas City and San Francisco to speed shipments of food, clothing, and medical supplies to Indian Affairs Services in Oklahoma and Arizona.

Biggest all-veterans sale on the Texas schedule is a million dollar clearance of office furniture at the San Antonio War Assets Disposal Cen-

NO HANDICAP. Gordon Taylor of Cuyahoga Falls, Ohio, demonstrates his ability to bowl with the use of artificial limbs. He and other disabled members of a group known as "Possibilities Unlimited" took part in a sports round-up sponsored by American Medical Association and the office of vocational rehabilitation. Many sports events termed impossible for amputees were presented in connection with AMA's mid-winter convention at Cleveland.

ter. While veterans are inspecting and arranging to purchase the set-aside items of furniture at fixed prices, they can join with non-priority buyers to shop for lumber, paints, chemicals, cafe equipment and quantity of other war surplus items being offered at the same location during the same four day period. Inspection has been set for January 19 and 20, with sale dates as January 21 and 22.

Central Texans will get a final opportunity to purchase Camp Swift buildings when the WAA conducts a high bid sale of some 600 remaining structures at the campsite near Bastrop, Texas. The buildings will include a number to permanent type two story barracks, as well as a variety of other GI facilities. No priorities will be observed, and the sale will take place at the Camp Swift sports arena on January 20, 21 and 22.

Uncle Sam will be out of the surplus aircraft business by March 31. That's the latest word from WAA's aircraft disposal branch, which still has approximately 300 C-46 transports and a few tactical models at its southwest depot at Walnut Ridge, Arkansas. The big transports are on sale now for \$5,000 apiece, and remaining planes will be offered to veterans and others during the next two months. The aircraft inventory in this area was greatly depleted during 1947 by sales of 1,350 surplus planes.

Louise Parrish Named Party Honoree

Mrs. Joe Parrish honored her daughter, Louise with a birthday party Tuesday afternoon from four until five thirty o'clock at her home. The occasion marked the thirteenth birthday of the honoree.

Refreshments were served from a beautifully appointed, candlelight table to the following guests: Rochelle Rigdon, Lenora Poe, Ann Cooper, Mavis Tate, Nita Kellison, Sue Wofford, Betty Johnson the honoree and the hostess.

The group enjoyed games and music. Louise received many lovely gifts.

Mr. and Mrs. Boyce Renady spent Sunday in Jayton with relatives.

Mr. and Mrs. Harold Jeffcoat and Mrs. Jeffcoat's mother, Mrs. Fulfer went to Canyon Wednesday where Harold has enrolled as a student at W. T. S. C.

'LITTLE ASSEMBLY' CONVENES... This is a historic picture. It was taken at the first meeting of the "Little Assembly," a new U. N. agency whose formation was sponsored by the U. S. in an effort to supplement the activities of the security council. There were two empty seats at the meeting—those of Russia and the Ukraine, who are boycotting the agency because they fear it will bypass the security council where the Soviets have been able to get their own way.

Mrs. Harrell Dollar, Correspondent

Mr. and Mrs. Byron Robertson took Sunday dinner with Mr. and Mrs. Sam Green east of Floydada.

Visitors in the home of Mr. and Mrs. Bob Battles over the week end were Mr. and Mrs. Boyce Bailey of Plainview, Mr. and Mrs. Roscoe Burress of Clovis, Mr. and Mrs. Carl Jones and Mrs. Davis of Grady, N. M.

Mrs. Battles is spending this week with her daughter, Mrs. Lloyd Withrow of Lockney, who is ill.

Mr. and Mrs. Bascom Baxter and daughters visited Mr. and Mrs. Horace Baxter and baby of Plainview Sunday.

We are glad to welcome Mr. and Mrs. Langford and Mr. and Mrs. Wallace Allen to our community.

Mr. and Mrs. Oliver Holmes visited with Mr. and Mrs. Red Williams Sunday afternoon.

Mr. and Mrs. Harrell Dollar and sons spent Sunday afternoon with Mr. and Mrs. Buford Phillips of Hale Center.

Mr. and Mrs. W. E. Taack went to Dallas the last of the week where he is to receive medical treatment.

Mrs. Dale Laceywell has gone to Temple for medical treatment, Miss Allene Terrell of Plainview is staying with the children while she is away.

Mr. and Mrs. Tom Graham and Louise took Sunday dinner with Mr. and Mrs. Asa Sanderson.

Mr. D. L. Wright was returned home from the Plainview Clinic Saturday.

Mr. and Mrs. Bill Williams and Billy of Plainview spent Saturday night with Mr. and Mrs. George Graham.

Card of Thanks

We wish to thank each person who has rendered any aid or kindness at the tragic death of our loved one. We also appreciate the many beautiful floral offerings.

May God bless everyone of you.
Mrs. Dallas Alford

Swing Of Southwest Farm Markets

(USDA)—Egg prices dropped, and livestock showed mixed trends last week, as other southwest farm products remained generally steady to strong, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Generally good demand and light offerings raised all grain prices. Wheat advanced about five cents to bring \$3.11 1/2 per bushel in bulk carlots at Texas common points. Corn gained seven to ten cents and oats seven cents. No. 2 milo sold from \$4.23 to \$4.28 after a rise of ten cents a hundred.

Spot cotton markets increased activity. Harvesting made good progress and neared completion except in the high plains. Prices declined \$1 to \$2 a bale.

Eggs weakened further at principal southwest markets, as poultry sold steady to slightly stronger. Current receipt eggs moved mostly around 40 cents a dozen at Dallas and Denver, 45 to 47 at Fort Worth, and 48 at New Orleans. Heavy hens ranged generally from 23 to 26 cents a pound, but New Orleans paid 35 to 38.

Wool activity fell off following the first flush of new year buying, but some average staple Texas 12-months grease wools sold. Spring clip contracting remained slow. One average staple fine wool clip was contracted at Roswell, New Mexico, at 43 cents a grease pound, estimated to shrink 63 per cent at shearing time.

Most sheep soon strong to \$1 higher for the week, but lambs dropped 50 cents to \$1 at Wichita and Denver. Wichita bought good and choice at \$24 to \$24.50, as Denver paid \$24.75 to \$25.25. Oklahoma City \$24.50 to \$25, at Fort Worth \$24 to \$25. San Antonio took medium and good grades at \$19 to \$20.

Hogs scored net gains at Oklahoma City and Wichita, but lost ground at other southwest terminals. San Antonio reached a high point for the week of \$27, Fort Worth \$28, Oklahoma City and Denver \$28.75, and Wichita \$28.25. Most sows sold from \$23.50 to \$25, and stocker and feeder pigs from \$15 to \$23.

Cattle moved generally at strong to \$1 or more higher prices the past week, although slaughter steers and yearlings sold lower at Houston, Fort Worth and Oklahoma City. Houston bought common and medium grades at \$16 to \$22, and Fort Worth took medium and good lots from \$22 to \$30. Oklahoma City paid a top of \$34 for fed steers, and San Antonio set a new high of \$29 on commercially fed kinds. Medium and good steers brought \$25 to \$29.50 at Wichita, and choice \$32.50 at Denver.

NEW FOOD SAVER... James A. Stillwell is the head of a sub-committee of the President's cabinet food committee to take over the food saving drive where Charles Luckman left off. The 1948 program will stress food conservation in the American home.

Soil Conservation District News

The Soil Conservation Service technicians assigned to the Floyd County Soil Conservation District ran nine miles of terrace lines for L. D. Gilbert on the Kell farm in the Edgin community. Mr. Gilbert has made arrangements to get a private dirt contractor to build these terraces with an elevating grader. The terraces are large ridge type and were run on the level.

A high point for a test hole for an irrigation well was set for Arthur Brown of South Plains last week.

Robert Lee Smith served as a rodman while the Soil Conservation Service crew mapped his irrigation farm last week.

Little Nita Jo Readhimer, daughter of Mr. and Mrs. L. M. Readhimer received treatment at the Lockney hospital several days this week. Mrs. Clyde Parish remained over night

Mrs. W. Griffith were hosts last Sunday to Mr. and Mrs. Cline Nall and daughter from Lubbock. Mr. and Mrs. Joseph Nall and family, Mr. and Mrs. J. H. Nall, Amarillo and Mrs. Hall Nall and son from Plainview.

Mr. and Mrs. Bob Tiner are the parents of a son, born recently at the Lockney hospital. Paternal grandparents are Rev. and Mrs. G. C. Tiner of this community. Mrs. Tiner and her little son are spending this week at Roaring Springs in the home of her parents.

Mr. and Mrs. Olin Grant and sons were guests last Sunday in the home of Mr. and Mrs. R. Ross at Floydada. Mr. and Mrs. Henry Rowell and children were guests last Sunday at a birthday dinner held in the home of Mr. and Mrs. Ollie Strange of Rock Creek.

J. D. and Betty Ann Nance accompanied Mr. and Mrs. Tom Scarborough and family to Amarillo last Sunday, where they visited in the home of relatives.

Mr. and Mrs. Harold Griffith and sons were luncheon guests last Sunday in the home of Mrs. Griffith's parents. Mr. and Mrs. V. D. Harris of Lockney.

The home of Mrs. Albert King was the scene of an all day meeting of the LaVentana Study Club last Tuesday. A covered dish luncheon was served at the noon hour to seventeen members and guests. In the afternoon Miss Carmen Thomas was the guest speaker, who reviewed "Three Came Back" by Agnes Newton Keith. The day was a most enjoyable occasion for all.

Mr. and Mrs. Clyde Parish had as their guests last Sunday Mrs. Parish's parents, Mr. and Mrs. D. M. Marshall of Alken. Other guests were Mr. and Mrs. Melvin Ross and son from San Simon, Arizona. The Ross' are former residents of this community.

Mrs. Charles Nichols is spending this week with her mother near Crosbyton, Tex. When Mr. Nichols finishes the gluing season here at his gin, they will make their home on a farm near Crosbyton.

Mr. and Mrs. Joel Nance visited last Sunday in the home of Mrs. Nance's sister and family Mr. and Mrs. P. D. Jasper of Francis.

Mr. and Mrs. Jack Frizzell and children were dinner guests in the Lowell Jarrett home last Tuesday evening.

Eldon Watkins spent several days last week in the home of his parents, Mr. and Mrs. L. A. Watkins of Plainview.

view. The Lone Star Home Demonstration Club will meet next Tuesday, Jan. 20 in the home of Mrs. Raymond Teeple. Mrs. Teeple has insisted that all who can, be present.

Little Miss Jeannie Sue Boyter of Plainview was an overnight guest in the home of her grandparents, Mr. and Mrs. A. E. Frizzell last Saturday. On Sunday the Frizzells visited in the home of Mrs. Frizzell's sister and family. Mr. and Mrs. Buren Cates of Floydada.

Mr. and Mrs. Tom Ed Wells were guests over the weekend in the home of Mrs. Wells parents at Halfway.

We deeply regret to see Mr. and Mrs. John Carter and their daughter move from our community. The Carters have purchased a farm near Plainview and will make their home there.

Wiley D. Nance spent the week end in Amarillo as the guest of his sister, Miss Mayme Lou Nance.

Rev. G. C. Tiner left the first of the week for Dallas, Texas where he will attend a Baptist convention.

Mrs. Thurston Rankin entertained last Friday evening to honor her daughter, Mary Ann, on her birthday. Guests at the surprise birthday dinner were Misses Bobbie Shover, Betty Sue Parish and Glenda Ann Readhimer. Following the dinner the group attended the show.

Mr. and Mrs. Lowell Jarrett were luncheon guests last Monday in the home of Mr. and Mrs. Carl Jarrett of Floydada.

Mr. and Mrs. Edsel Martin were honored with a miscellaneous shower last Thursday night at the Lone Star Club Room. Following a program and presentation of the gifts, games of "42" were enjoyed. Mrs. Martin is the former Miss Marjorie Cox of Pleasant Valley. Hostesses for the occasion were: Mrs. A. E. Frizzell, Mrs. Joel Nance, Mrs. Henry Dowell, Mrs. Lowell Jarrett and Mrs. Olin Grant.

(Delayed from last week)

A number of Lone Star residents began the New Year right by attending Sunday School and Church last Sunday. It was very gratifying to see the nice crowd for both morning and evening services. We are making a special effort this week to reach every one who does not attend church somewhere else and to invite you to be present next Sunday. Please accept this as a personal invitation from the pastor, Rev. G. C. Tiner and the Sunday school superintendent, A. O. Foster, to attend next Sunday. Morning services are at 10:30 and evening services begin at 7:00 o'clock.

School was resumed last Monday after a two weeks holiday for the children.

Mr. and Mrs. L. M. Readhimer and daughters returned Sunday from Cisco, Tex. where they spent the New Year's holidays in the home of Mrs. Readhimer's sister and family. Rev. and Mrs. Alan Peacock While there, their daughter Jo, had the misfortune of spraining her ankle. On arriving back in Lockney X-rays showed the bone was not broken, but she will be unable to use her foot for ten weeks.

One of the most enjoyable entertainments for the younger set during the holidays was a skating party given by Betty Sue and Donald Parish at their home. Mr. and Mrs. Clyde Parish were hosts on the same evening at a "42" party. Three tables were in play.

Mr. Howard Watkins received treatment for several days at the Plainview hospital.

Mr. and Mrs. Ernest Baxter and family left this week for California, where they will make their home.

Mr. and Mrs. John Carter had as their guest during the holidays their son, John Calvin. John Calvin has an appointment to West Point at Annapolis, Md., where he will soon enroll.

We are glad to welcome back to our community Mr. and Mrs. Tom Word and children. The Word family lived here but have been away for some time. Their daughter Laverne, is in the fourth grade at school.

Among students returning to WTSC at Canyon after spending the holidays here were: R. L. Knox, Delbert Phillips, Misses Shirley McGhee and La-

verne Frizzell, Miss Betty Wingo returned to TCW at Denton. Miss Lanelle Griffith returned to Texas Tech where she will receive her degree at mid term.

Mr. and Mrs. Reed Lawson and daughter Sandra Lane, returned from Oklahoma, where they visited with Mrs. Lawson's parents.

Mr. and Mrs. Edsel Martin are moving this week to their home at Hart, Texas, where Mr. Martin will be engaged in farming.

Miss Nina Lee Foster returned to Plainview, to resume work on her Business Course last Monday morning.

Among those attending the air show at Plainview last Sunday afternoon were Mr. and Mrs. Clyde Parish and Mr. and Mrs. Herman King.

Mrs. Albert King spent last Friday night in Amarillo as the guest of her mother, Mrs. Jennie Thomas.

Mr. and Mrs. W. H. Wingo had as their guests during the holidays their three children, Miss Betty Wingo, Denton; Miss Eleanor Wingo, Houston and Mr. and Mrs. Bill Wingo and children, Galveston, Texas.

Mr. A. E. Frizzell and Pat were luncheon guests last Sunday in the

home of Mr. and Mrs. Denzil Boyter of Plainview.

Luncheon guests for New Year's in the Herman King home were Mr. and Mrs. A. O. Foster and family.

Mr. and Mrs. W. T. Rankin and children, Mary Ann and Jimmie returned Tuesday afternoon from Pottsville, Arkansas where they had spent the past two weeks visiting with relatives.

Mr. and Mrs. G. B. Johnston had as their recent guests Mr. Johnston's brother and family, Mr. and Mrs. Jim Johnston and daughter Mary from Ft. Worth. Another brother, Claude Johnston was also present.

Mr. and Mrs. Ben O. King of Silverton were guests in the Albert King home last Sunday.

Mr. and Mrs. Lowell Jarrett had as their guests last Sunday evening Mr. and Mrs. Clyde Parish and family.

Mrs. C. L. King was hostess last Tuesday afternoon to the Lone Star Home Demonstration Club.

Mr. L. M. Readhimer will leave the first of the week for Cisco, Texas, where he will receive medical treatment for the next three weeks. He will fly home over the week-ends if weather permits.

MRS. MAUDE E. HOLLUMS Manager

NOW IS THE TIME TO REPAIR!

Now, during the slack season, is the time to get your tractor or other farm machinery repaired and in good shape.

Our complete equipment and large stock of parts enables us to do that job for you quickly and efficiently. Bring that tractor in now if it needs repairs. We'll do you a good job.

PRIDE OF FARM OWNERSHIP

You can enjoy the pride and satisfaction of owning your own farm, of tilling the fertile acres and filling the barns with rich harvest, when you will let us help you with financing. Farm loans are made here on long terms, with very low rates. Let us explain them to you.
