NUMBER 30

County Council Meets Saturday

The Floyd County Council met in regular session, March 20, in the County Court room with Chairman Mrs. Carrick Snodgrass in charge. Sixteen Clubs were represented.

The recreation was furnished by the Providence Club with Mrs. Jake Jones conducting a quiz on Texas, which each club had studied during the month. It was voted to discontinue Council Recreation indefinitely.

The council voted to observe National Home Demonstration week with a tea which is being planned by the Education, Expansion and Exhibit committees.

Mrs. Arlan Miller, chairman of the finance committee took reports from clubs on sales of project sponsored by Council. She took re-orders on Home Aids which are being sold by club members.

Mrs. C. A. Caffee gave a report on the training meeting on work Simplification which was conducted by Mrs. Florence W. Low, associate specialist in Home Management of Extension Service, March 15 and 16.

Announcement was made of a Simplicity Pattern Style Show which is to be held at Texas Tech College in Lubbock, April 2nd.

At an election meeting which was held following Council and presided over by Mrs. Collins Walker, T. H. D. A. chairman of Floyd County, delegates were chosen to represent this county at the District meeting of Texas Home Demonstration Association which is to be held in Plainview, April 28 at the First Methodist Church. The delegation elected were Mrs. C. A. Caffee, Dougherty, Mrs. Arlan Miller, Sand Hill, Mrs. Raymond Teeple, Lone Star, with Mrs. W. A. Lovell, Sunnyside, Mrs. Hershel Green, Baker, Mrs. A. M. Dorsey, Pleasant Valley, as alternates.

Father Of Mrs. Hall Ferguson Dies

Oza Richman Ritter, 64, died at the home of his daughter, Mrs. R. L. Rawdon, two miles southeast of Plainview early Wednesday morning. He was also the father of Mrs. Hall Ferguson of Lockney.

Funeral services will be held at 10:30 Friday morning at Temple where Mr. Ritter lived until four years ago. Burial will be in the Wilson Valley cemetery beside the grave of Mrs. Ritter who died in 1924.

Mr. Ritter was born July 8, 1883 in Bell County.

Survivors include six daughters, Mrs. Ferguson of Lockney, Mrs. Rueben Kollman, Temple; Mrs. E. W. Eubanks, Denver, Colo.; Mrs. Jessa Lattler, Corpus Christi; Mrs. W. J. Champ, Temple; and Mrs. Rawdon of Plainview; one brother, John Ritter, Arson; and nine grandchildren.

Only Two File For School Trustee

Only the names of Raymond Rucker and J. R. Belt, Jr., both incumbents, have been filed to fill the two vacancies that will occur on the board of trustees of the Lockney Rural High School district this year.

The ballots were printed this week for the election which has been called for Saturday, April 3. T. B. Mitchell, Frank Dodson and Mrs. Carl McAdams have been selected as election officials. Voting will be at the high school.

REA Meeting Set For April 15

The Floyd County Rural Electric Cooperative annual meeting and appliance show will be held at Floydada on April 15, it was announced this week by L. W. Chapman manager.

The cooperative serves parts of five county areas composing Floyd, Hale, Briscoe, Crosby and Dickens counties. In addition to routine matters to come before the meeting a discussion of capital credits by a representative of the Rural Electrification Administration will be heard. Also a discussion of rural telephones by a representative of the Southwestern Bell Telephone Co. will be given. Directors from seven districts will be chosen to serve new terms.

Outside of the business meeting for members of the cooperative from 2 to 4 the meeting will open to everyone all day.

LOCAL LADIES ATTEND WSCS MEETING

A number of local Methodist ladies have been attending the Northwest Texas Conference of the Women's Society of Christian Service at Plainview this week.

The meeting which attracted 200 delegates and as many visitors from Northwest Texas, ended Thursday at noon.

Jury Completed In Murder Case

CROSBYTON, March 31—A 72nd district court jury was completed about 4 p. m. here today in the W. Fred Jones murder trial. Examination of 104 members of a special venire was required to obtain the jury.

The state immediately commenced questioning of its first witness, but had not finished when court was adjourned by Judge Dan Blair at 6 p. m. The court will convene again Thursday at 9 a. m.

Employee Was Slain

Representing the state are District Attorney Lloyd Croslin, Lubbock, of 72nd judicial district, District Attorney John Stapleton, Floydada, of 119th judicial district, and two special prosecutors, Mead Griffin, of Plainview, and Lloyd A. Wicks, of Ralls.

The defense is represented by E. T. "Dusty" Miller and Col. E. A. Simpson of Amarillo.

Jones, 38, is charged with murder with malice in connection with the slaying of H. C. Love Jr. in Floydada. The defense had offered testimony that Jones had discovered an illicit relationship between his wife and Love. The latter was an employee of Jones' grocery store in Floydada.

At a former trial Jones was convicted and assessed the death penalty. The case was reversed and remanded, and venue changed to Crosby from Hale county.

The prosecution indicated in the questions asked in qualifying the jury that it would ask the death penalty in this trial. The defense indicated in its questions directed to prospective jurors that it would seek to establish temporary insanity on the part of the defendant at the time of the slaying due to rage and resentment in discovery of the alleged relationship.

The jurors are Mc Aycock of Lorenzo; Dan James, of Crosbyton; Fred Robertson, Crosbyton; Thomas Waller, Ralls; M. R. Givens, Crosbyton; L. F. Head, Lorenzo; M. M. Simmons, McAdoo; Curtis Brunson, Crosbyton; Thomas G. Hendrick, Lorenzo; Cliff Parrish, Ralls; Harl Cypert, Lorenzo, and J. P. Beck, of Ralls.

Sell-Out Crowd Expected At Fights With Amarillo Tonight

Early ticket sales indicated a sell-out crowd would attend the boxing tonight at Lockney High school gym between the Amarillo school fighters and the Lockney school team tonight (Friday).

Coach Curtis Kelley's boys are expected to have a tough evening with the North Plains lads but hope to hold their own, he said Monday.

Coach Kelley will try to match his best boys, he said, but that is not always possible since it depends upon the weights of the visiting team.

The match will begin at 8:00 p. m.

Meeting Starts At Prairie Chapel Church

A meeting will begin Saturday night, April 3, at the Prairie Chapel Church of Christ, it was announced this week. The services will continue each night through Sunday, April 11.

Elder Lester Hathaway of Mobeetle, Texas, will do the preaching. Evening services will begin at 7:45 with Sunday morning services starting at 10:30.

Mrs. F. S. Byars spent several days last week in Floydada.

Floyd County Men Attend Austin Meet

A number of Floyd County men are in Austin this week for a hearing before the State Highway Commission. The group are requesting state aid in the farm-to-market paving program which Floyd County has on.

Ben Quebe, Joe Jennings, Commissioner Charlie Smith, County Judge W. E. Grimes, other members of the Commissioners Court and possibly other citizens made the trip.

Red Cross Total In Floyd County Hits \$3764.21

Floyd County has exceeded its Red Cross quota by more than \$700 according to a report from County Drive Chairman J. W. Reue of Floydada Thursday. The county total now is \$3764.21. A few more reports are expected in, probably enough to bring the total amount raised for the Red Cross this year in Floyd County to \$3800, Mr. Reue said.

The above total includes \$356.21 from Lockney, which represents an almost complete report, Frank Perkins, community chairman said. Only one or two more remain to be seen here.

Floyd County is one of the few counties that have gone over their quota, Mr. Reue said. Most Texas counties are having trouble reaching the 1948 goal.

"Whitey" Baccus Moves To New Bldg.

"Whitey" Baccus, local authorized Ford dealer, has moved into the new steel and glass building on south Main Street. The new building is almost completed and the Ford firm moved in the past week end. They will be ready by Saturday for business as usual, Mr. Baccus said.

Formal opening will be held Saturday of next week, it was said Tuesday. At this time refreshments, door prizes, souvenirs, and music will be given those who visit the place of business.

The new building is located just across the street south of the Baptist Church.

Brother Of Mrs. Ford Dies Recently

Mr. and Mrs. Henry Ford and son, Henry Jr., returned last week from Gainesville, Texas, where they attended funeral services for Mrs. Ford's brother, Marion N. Cox, 52. Mr. Cox, a retired school teacher, passed away Friday, March 19.

The deceased man had been a resident of Gainesville all of his life. He had been ill the past 18 months.

Funeral services were held at the First Baptist Church at Gainesville, Tuesday, March 23. Officiating were Rev. T. Hollis Epton, pastor and Rev. Calvin Dennis of Dallas, a cousin to Mr. Cox.

Survivors include his wife, one daughter, five sons, his mother, one brother and four sisters, including Mrs. Ford of Lockney.

City Election Set For Tuesday

A city election in which three aldermen will be elected is scheduled Tuesday of next week, April 6.

Terms expiring are J. D. Copeland, J. D. Wood and F. L. Brown. Copeland and Wood have filed for re-election while Brown has decided not to run again. He is a candidate for County Judge. Lloyd A. Wofford has filed for the third place on the ticket.

The voting will be at the City office starting at 8 a. m. Polls will remain open until 7 p. m. J. J. Harris is election judge with Mrs. Hugh Counts, H. P. Puckett and Mrs. E. L. Woodburn as clerks.

Mr. and Mrs. Chester Beardsly of Odessa spent last weekend here with Mrs. Beardsly's brother, L. M. Honea and family.

Mrs. Herman Dean and Mrs. Young McCollum of Borger spent last weekend here with her parents, Mr. and Mrs. L. M. Honea. Dyan Dean returned home with her mother after a visit here with her grandparents.

For Re-Election

GEORGE MAHON

George Mahon, member of the House of Representatives from the 19th Congressional District, will be a candidate for re-election he announced this week.

Mr. Mahon is a member of a number of important committees, and represented this district in Congress for several terms. His ability has been proven in the service he has rendered his district.

Lockney Fighters Win Two Trophies

The Lockney grade school and high school fighters, under the tutelage of Coach Curtis Kelley, brought home two team trophies from boxing tournaments the past week.

A Lockney grade school team consisting of 16 boys entered the Hale Center boxing tournament Wednesday Thursday and Friday of last week and emerged with four winners, although in two of the final contests, Coach Kelley found his boys fighting each other for the top honor.

In the finals Tommy Ferguson of Lockney defeated C. L. Turner of Lockney, both weighing 70 pounds. In the 60 pound weight Dutch Hardage defeated Jerry Ford, both of Lockney. Ray Ferguson won his weight by a kayo over a Hale Center lad and Harold Griffith at 95 pounds won his weight also over a Hale Center boy. The boys won the grade school trophy.

Plainview Meet

In the big Plainview boxing tournament, the high school boys also won the team trophy and a reputation as the "hottest boxing team located anywhere south of Amarillo." It is rumored the boys will try to extend that territory to include Amarillo this Friday night when Amarillo school team comes here for a contest with the locals.

Calvin Pyle, Robert Quisenberry and Jack Adams all emerged as winners in their respective weights with Bill Bybee and Garvin Beedy gaining runner up positions. The champions received jackets while the runner-up fighters were given trophies.

Ted Livesay, another Lockney favorite, lost a close decision in the semi-finals Saturday afternoon to K. Kirkpatrick of Petersburg in what was considered by most fans to be a "lousy" decision. The fans booed lustily.

Calvin Pyle of Lockney, 160 1/2 pound kayo artist, won his first two fights by knock-outs in the first round and the last fight Saturday night was forfeited to him. This made 10 kayos for Pyle in eleven fights.

Others boys entered from Lockney included Lavon Samples who won his first fight but lost the second.

Hager Gets Back On The Job Thursday

J. D. Hager, who has enough civic pride to want to see the streets of his home town clean, went back to work Thursday morning of this week. Mr. Hager has been off the job for several months.

"I am giving up my old age pension in order to go back to work and help make Lockney a clean town," Mr. Hager said this week. "I hope that the business people will cooperate with me to make it the neatest town in West Texas."

Mr. Floyd Reagan and children of Trinidad, Colo., spent the week here with her parents, Mr. and Mrs. John Griffith.

Smith Calf Wins At Junior Stock Show

A total of 72 animals were exhibited at the Floyd County Junior Livestock Show held Wednesday at Floydada.

Grand champion calf was shown by R. W. Smith of the Baker community. The First National Bank of Floydada paid 39 cents per pound for it.

Johnny B. Griffin of the Lone Star community showed the grand champion dairy heifer. He received a special award of \$15 in addition to the \$10 award for the champion.

Billy Terrell of Lockney owned the grand champion lamb, which was bought by the Lockney Implement Co. for 50 cents a pound.

Grand champion hog was owned by Bob Hambright of Pleasant Hill community and bought by Patterson Grocery of Floydada for 35 cents per pound.

Reserve champion calf was exhibited by Lavon Shearer of Pleasant Hill and was sold for 37 cents to Oden Chevrolet Co.

Billy Terrell also exhibited the reserve champion lamb which was bought by Stewart Cleaners of Floydada for 52 cents.

Bob Hambright exhibited the reserve champion hog which was purchased by Glad Snodgrass for 35 cents per pound.

Prize money for the winning animals amounted to something over \$300.

Ray Mowery of the Department of Animal Husbandry of Texas Tech was judge of the animals.

Lockney PFA boys exhibited a number of animals and won some places. Lockney business men participated in the auction at the close of the show and bought a number of the animals.

Show officials were unable to furnish details of the selling prices Thursday. Complete placings and selling prices will be run next week.

Clinton Mitchell To Be Buried At Fort Sam Houston, Texas

Corporal Clinton W. Mitchell of the United States Marine Corps, who lost his life on Iwo Jima in the Pacific, will be buried at Fort Sam Houston, Texas, according to a telegram from his father, Elmer V. Mitchell of Modesto, Calif. The time has not been decided, he said.

Corp. Mitchell's body arrived at San Francisco aboard the army transport Walter W. Schweck Sunday, March 29. His parents are former residents of Sterley and later moved to Petersburg. They have lived in California about two years.

Mitchell was an outstanding athlete of Lockney High school, graduating here in 1942. He went to the state meet twice in 100 yard dash and was a star football player in the halfback position.

Local Rotarians Attend District Meet At Big Spring

President-elect J. D. Wood and F. L. Brown of the Lockney Rotary Club attended a district meeting of the Rotary International at Big Spring Monday and Tuesday of this week.

Outstanding business of the meeting was the division of Rotary District No. 127 into two districts and the selection of new district governors.

Dr. Ira Wood of Littlefield was chosen as governor of the western half of the old district which was designated as No. 127. W. B. Todd of Fort Worth was selected as governor of Rotary District No. 126, which is the eastern half of the old district.

WAR OR PEACE?

It is significant of the current temper of this country that a number of prominent newspapers and people criticized the President's speech to Congress dealing with the international situation on the grounds that it did not go far enough—that he should have made it even clearer to the Soviet Union, its satellites, and the European nations which are still holding out against the onrush of communism, that we are no longer going to permit our friends or ourselves to be pushed around. Some even take the extreme position that we should draw a line on the map of Europe and inform Russia that if she crosses it war will result. That, of course, is not a generally held view, and in informed circles the feeling that a prolonged peace is possible still exists.

In any event, Mr. Truman's message was framed in strong and direct language for the chief of state. It is one thing for an unofficial person to bulge his muscles at a nation with which theoretically, we are on friendly terms—it is a very different thing when it is done by those who must bear the heavy responsibility of formulating policy and evaluating risks. The fact that Mr. Truman was so unequivocal in his mention of the Soviet Union is just one more indication of the extent to which American patience has been stretched. And the fact that both parties in Congress gave the President

SCHOOL DAYS

By DWIG

heavy and sustained applause is another barometer of the thinking that is going on in high circles.

Mr. Truman's three suggestions—for speeding up approval of the ERP, for compulsory military training, and for a temporary renewal of selective service—are not new. Approval of ERP is now a foregone conclusion. The last two, however, are of highly controversial nature and a number of leading figures in Congress said after the speech that they would have to be given overwhelming proof that the measures are necessary before voting for them. Even a few months ago, it seemed unlikely that the subject of military training would be brought up at all in this election year, and it seemed next to impossible that it could be approved. But the pace of fateful events has been immensely accelerated and the picture has changed a great deal in a short time. It is the

view of the Administration, and of the chief military men, that voluntary enlistments cannot keep the services at even their present authorized strength, and that a draft, unpleasant as it may be, is the only solution. Going farther, they are also certain that the only alternative to a huge standing Army, which has always been repugnant to this country for reasons of principle as well as reasons of money, is a trained civilian reserve.

It is a good sign that everyone in an official position, from the President on down, frankly admits that the policies advocated are risky. The ultimate risk is war, and it is being talked about openly. The usual rumors to the effect that this top official or that has confidentially stated that we will be at war with Russia in a matter of weeks or months, are floating about. But, as well as one can judge now, the crisis is nowhere near as imminent as that, and for several reasons.

It is unthinkable that this country would provoke a war. And it is pretty obvious that the Russians do not desire war—they have been swiftly getting what they want without bloodshed on their side. Those who are in the best position to know—though the available evidence is admittedly inadequate—still think that the Soviet Union will not be ready for war for some years. Her present strategy is apparent—to seal up Europe so that there will be no place for us to fight, and to make effective opposition from peoples within Europe impossible. She has come much closer toward that frightening goal than millions of us seem to realize.

The 5-power compact, signed the same day Mr. Truman made his talk, and which pledges Western European states to unite against aggression, is one of the heartening signs. The program advocated by the President is clearly designed to implement it. Those who believe in this program are convinced that the existence of a military powerful United States will be as vital to European anti-communist elements as aid under ERP.

In the meantime, there is a great deal of loose and unformed talk concerning atomic warfare. It may be that new weapons capable of deciding a war practically overnight can be developed. They have not been yet. Many military men feel that the atomic bomb, potent and valuable as it is, will not be a decisive weapon and that, in the final stages of war at least, the classical technique of taking over the losing nation physically will again be followed. Furthermore, if the world

is to be racked with war between hemispheres, the vast distances which will separate the opposing forces will have to be bridged by planes which do not yet exist. We have no bomber which can fly many thousands of miles with a bomb and return. And no one else has either, if the experts are to be believed.

Senator Taft, among others, said he was disappointed that the President has not laid more stress on enlargement and modernization of the Air Forces. Some of the opponents of compulsory military training feel that if we have a sufficient air force, far fewer foot soldiers will be needed. That point will be debated at length when Congress deals with military training and selective service legislation.

NO PLACE FOR EDDIE

The Evening Banner, of Greenville, Texas, recently told, in an editorial, the sad story of Eddie, an inefficient and discourteous clerk in a store. One day a customer noticed that Eddie wasn't present and asked about him. "He's just not working here any more," the proprietor said. "Got anybody in mind for the vacancy?" the customer responded. "Nope," said the proprietor. "Eddie didn't leave no vacancy."

As the Banner added, "There's no place for Eddies because the days of competition have returned and customers want to be waited upon. . . . they want to see clerks take an interest in their requests, give them courteous, attentive service and try to make them feel at home. That's just human nature."

During the war, many a store, from the big chains down to little shops, had to employ poor and disinterested help, because nothing better could be had. But we're getting back to normal

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—all to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be sagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

War Veterans Rate High At Texas Tech

LUBBOCK—War veterans at Texas Technological College are giving other students stiff scholastic competition. Of 245 men ranking in the upper five per cent of the student body, 177, or 72 per cent, were veterans last semester. The honor list included only 73 women.

Of the 40 students making a straight A average last semester, 29 were men and 20 of these were veterans.

Maturity and seriousness of purpose among war veterans are among reasons for the group's scholastic excellence, Registrar W. P. Clement stated. Also, veterans go to school because they are interested in learning and rarely miss classes.

Dudley K. Brummett Announces For State Senator

Dudley K. Brummett, Lubbock Attorney and Army Air Corps combat veteran of World War II, announced Saturday that he is a candidate for State Senator from the 30th Senatorial District.

Brummett is 28 years of age and married. He is a former member of the Attorney General's Department of Texas under Gerald C. Mann. He served as an Attorney for the Supreme Court of Texas following his release from military service in October, 1945. Since September, 1946, he has been actively engaged in the general practice of law at Lubbock and an instructor of Government at Texas Tech. He is an ex-student of Texas Tech and the University of Texas Law School.

Brummett volunteered for the Army in May 1942, as a buck private. After training at Mineral Wells, Texas, he was transferred to the Air Corps and trained as an aviation cadet. He later was commissioned a Lieutenant. Brummett flew a bomber plane from the United States across the ocean to England. From there he participated in bombing raids over Germany. He piloted a B-17 Flying Fortress, and together with his eight crew members were shot down on his sixth mission over Hamburg, Germany. All crew members parachuted from the burning plane to safety from ten thousand feet, though one crew member was jerked unconscious when his parachute opened and when he struck the ground broke one leg and seven ribs. All members were gathered up and became over a distance of about twenty miles.

When Brummett hit the ground he attempted to escape into a nearby forest. He was pursued and fired upon by German soldiers who had seen him come down. Brummett and all crew members were gathered up and became Prisoners of War of the Germans until the end of hostilities. Brummett, together with several thousand other Air Corps Prisoners of War participated in the January sub-zero march on foot through deep snow from Sagan, in the east part of Germany to Spremberg, Germany. The Prisoners of War were being moved out of east Germany to prevent their liberation by the approaching Russian Army invading Germany from the east. They were crowded into box cars and carried on to Mooseburg in southern Germany, a crowded, infamous and filthy Prisoner of War camp, without heat or fuel, and there kept on a starvation diet. They were there liberated by General Patton's Third Army on the 29th day of April, 1945. Brummett and his entire crew were immediately flown out of Germany and returned to the United States, which all agreed was the most blessed country on earth. Brummett was awarded the Air Medal for his bombing missions over Germany.

Brummett stated that in seeking the office of State Senator, "I desire to serve my fellow man in the Senate Hall of Texas. It has been my life's ambition to serve in public life." Brummett stated further, "I have but one promise to make in offering myself as a candidate for State Senator and that is, that when elected I will represent all the people of my district to the best of my ability on every legislative matter that shall come before the Senate of Texas."

Brummett was born and reared in Dickens County. He moved with his parents to Lubbock in 1932. He attended the Lubbock public schools and Texas Tech, working his way through school as a grocery clerk with Furr Food Stores for three years of this

time. He later attended the University of Texas Law School.

Brummett is a Vice-President of the Junior Bar of Texas, a member of the State Bar of Texas, Lions Club, Junior Chamber of Commerce, Methodist Church, member of Texas Prisoner of War club, member Caterpillar club, and a Reserve Officer in the Air Corps of the United States Army.

Mr. and Mrs. Easton Blenden and baby of Lubbock, spent Easter holidays in the R. I. Bennett home.

Evelyn Johnson, former Lockney resident and Lockney High graduate, who is now a student at Texas Tech, visited in Lockney Sunday.

HIGH BELGIAN HONORS TO GENERAL KRUEGER

Fort Sam Houston, Texas—General Walter Krueger added two of the Belgian government's highest decorations to his already impressive list of other awards when he received the Grand Officer of the Order of Leopold with Palm and the Croix de Guerre with Palm.

General Krueger received the two awards at the Belgian embassy in Washington, D. C. in recognition of his outstanding contribution to the winning of the war and the liberation of oppressed people.

Mrs. W. A. Waldroup of Dallas spent last weekend here with her husband.

Mrs. McDonald Hostess To Lockney H. D. Club

Mrs. Will McDonald was hostess at a meeting of the Lockney Home Demonstration club held Thursday, March 25.

A demonstration on the care of the landscape was given by Mrs. W. L. Morgan and Mrs. R. J. Clark. It was emphasized that this is the time to set out rose bushes and other shrubs, prune all broken limbs and dead limbs from trees and shrubs. Ends should be left sharp and clean. Early blooming shrubs should be pruned after they have bloomed, it was explained.

The lawn should be levelled and fertilized, and "weed no more" or similar substance should be applied to kill dandelions, it was said. Cedars should be sprayed with black leaf 40 again in early May for bag worms. Rust rose bushes with sulphur and copper.

Refreshments of coffee, sandwiches and cookies were served to Mrs. J. L. Ramsey, Mrs. J. E. Tirece, Mrs. E. M. Whorton, Mrs. R. J. Clark, Miss Josephine Smith, Mrs. F. L. Brown, Mrs. R. H. Campbell, Mrs. W. L. Morgan, Mrs. L. M. Honea, and the hostess, Mrs. Will McDonald.

Local People Enjoy Outing At Pala Duro

A number of Lockney people, most of them former residents of Fannin, Collin and Hunt counties in East Texas enjoyed an outing and a picnic lunch at Pala Duro Canyon near Canyon Sunday.

The group left Lockney early Sunday and spread a picnic lunch in the canyon. Those enjoying the occasion were:

Mr. and Mrs. E. E. Spradlin and children, Mr. and Mrs. Claude Brown and Ann, Mr. and Mrs. John Spradlin, Mr. and Mrs. Claude Howard and family, Mr. and Mrs. Chub Smith, Mr. and Mrs. Cleatis Jeffcoat, Mr. and Mrs. Harold Jeffcoat, Mr. and Mrs. W. A. Adams, Bill Smith, Jack Williams, Verda Mae Holt, Trudy Ballard, Shirley Fae Sims all of Lockney and Mr. and Mrs. Lloyd B. Williams of Amarillo.

Mrs. Cecil Carthel and children visited with relatives in Floydada Thursday.

Mr. and Mrs. Troy Ray and family moved Friday to their new home in southwest Lockney.

Una Fay Wofford Weds Charles Whitfill

Miss Una Fay Wofford, daughter of Mr. and Mrs. L. A. Wofford of Lockney became the bride of Charles Neil Whitfill, son of Mr. and Mrs. Ed Whitfill, in a double ring ceremony performed Thursday evening, March 25 at 8 o'clock at the home of Rev. R. H. Campbell, Methodist pastor who officiated.

The bride was attractive in a white wool suit with brown accessories. She carried an arm bouquet of pink camellia with a shower of white satin ribbon and sweet peas. For something old and borrowed she carried a handkerchief belonging to her mother, for something new and blue she wore a blue bow at the blouse neckline.

Miss Virginia Norris, maid of honor, wore a green suit with a corsage of pink carnations.

Barry Barker attended the groom as best man.

The bride is a graduate of Lockney High School with the class of 1944. She attended Texas Technological College, Lubbock for two years and has taught in the Lockney Grade School the past two years.

The bridegroom was also a member of the 1944 graduating class of Lockney High School and attended Schreiner Institute at Kerrville, Texas before entering the U. S. armed service where he served for three years, fourteen months of which was spent in Korea.

After a wedding trip to points below San Angelo, the couple is at home in Lockney where Mr. Whitfill is engaged in farming and Mrs. Whitfill plans to finish teaching this school term.

Five Generations At Reunion Of Cooper Family Sunday

Five generations of one family helped to celebrate at the reunion of the Cooper family at Matador Sunday. Mrs. Ida Cooper of Floydada, who was celebrating her 80th birthday, was the honoree for the occasion. The five generations included Mrs. Cooper, her son, Alvin Cooper of Matador, his daughter, Mrs. J. D. Cartwright of Paducah, her daughter, Mrs. William Wood of Littlefield and her son, Harold Wood.

Mr. and Mrs. Joe Campbell were hosts for the occasion at their Matador home.

The honoree is the mother of eleven children, two girls and nine boys. Six sons and one daughter are living. She has 22 living grandchildren, 22 great-grandchildren, and one great-great-grandchild. Earl Cooper of Lockney is one of her sons. He is a great-great uncle of Harold Wood.

A delicious dinner was served to 49 people at the noon hour. Those present included:

Mr. and Mrs. Earl Cooper and family of Lockney, Mrs. Joe Campbell of Matador, Mr. and Mrs. Alvin Cooper of Matador, Mr. and Mrs. William Wood and family of Littlefield, Mr. and Mrs. Austin Phillips of Plainview, Mr. and Mrs. Lewis Cooper and family of Plainview, Mr. and Mrs. J. D. Cartwright and family of Paducah, Mr. and Mrs. Virgil Cooper and family of Whiteflat, Mr. and Mrs. Carl Cooper and family of Whiteflat, Mr. and Mrs. Alfred Cooper and family of Roaring Springs, and the honoree, Mrs. Ida Cooper of Floydada.

HONORED WITH BIRTHDAY PARTY SATURDAY

Peggy and Frankie Jones, children of Mr. and Mrs. Dock Jones of South Plains, entertained with a birthday party Saturday celebrating their 12th and 6th birthdays respectively.

Yard games were enjoyed by all and refreshments of cake and punch were served to Ronnie and Bonnie Upton, Winnie, Charles, James and Edward Hartman, Jane and Keith Marble, Victor Bond, Shirley and Douglas Reeves, Zach Cummings, Johnny and Winford West, Lonnie Jarrett, Johnnie Wilson, Mary and Leon Wiley, Louise and Price Pritchett.

Best Actress

Vera Jo Rogers, who has won the award for the best actress two years in succession in the Lockney High School follies. She is the daughter of Mr. and Mrs. Joe Rogers and is a senior in Lockney High School.

Miss Ruth Stapleton Bride Of C. F. Dunn

Miss Ruth Stapleton of Odessa, daughter of Mrs. G. J. Stapleton of Lockney, became the bride of Mr. Clyde Fredrick Dunn of Goldsmith, Texas on Friday evening, March 26 at 8 o'clock in a beautiful ceremony solemnized in the home of the bride's mother.

Pre-nuptial music included a recording of "Because" and the couple entered on the strains of a wedding march.

Rev. R. H. Campbell performed the impressive double ring ceremony before an altar formed in front of double windows draped in white and flanked with tall baskets of gladioli and call lilies and cathedral candelabra holding seven tapers each.

John Stapleton of Floydada, brother of the bride, lighted the tapers.

The bride wore a navy blue suit, white blouse, white gloves, navy accessories and an orchid corsage. For something old she wore a lavender, forty years old, belonging to her mother, her something new was her bridal costume and for something borrowed and blue she wore blue garters.

The bride's mother was dressed in light blue with white accessories and wore a corsage of gardenias.

Immediately following the ceremony

a reception was held with the bridegroom assisting the bride in cutting the two tiered wedding cake topped with a miniature bridal couple. The lace covered table was decorated with white tapers in crystal candelabra, the wedding cake and a crystal punch service. An arrangement of stock and call lilies flanked by tapers decorated the buffet. Mrs. E. L. Woodburn, sister of the bride, and Mrs. Ralph Stapleton and Mrs. John Stapleton presided at the bride's table.

Mrs. Dunn is a graduate of Lockney High School and received her A. B. and M. A. degrees with a speech major at West Texas State College, Canyon, where she served as student assistant in the speech department. She also attended Texas Technological College, Lubbock and UCLA, California. She is a member of Beta Sigma Phi and a former member of Pi Omega. She taught in the high schools of Tulla, Dalhart, Georgetown and Pampa. For the past two terms she has been head of the speech department of Junior High School in Odessa.

Mr. Dunn attended school at Globe, Arizona and served five years in the U. S. Navy. He is connected with the Gulf Pipe Line Company at Goldsmith, Texas where the couple will make their home.

Those attending the wedding included Frank Stapleton, Amarillo; Mr. and Mrs. Bryan McDonald, Taty Mc Donald and Mrs. Harvey Cash, all of

Canyon; Mrs. O. E. Stroup, Shamrock; Jerry Thomas, Pampa; Mr. and Mrs. Ed Whitfill, Mr. and Mrs. Buck Sams, Mrs. G. J. Stapleton, Mr. and Mrs. Jesse Cox, Mr. and Mrs. Marvin Gilbert and family, Mrs. Emma Thornton, Mrs. Faye Messer, all of Lockney; Mr. and Mrs. Ralph Stapleton, Flo-mont; Mr. and Mrs. John Stapleton, Floydada; Mr. and Mrs. E. L. Woodburn, Lockney; and Dee Stapleton, Denver, Colorado.

Mrs. E. J. Cobb and children visited in McLean, with Rev. Cobb's mother last weekend.

Worst Sand Storm Of Year Tuesday

The worst sand and wind storm of the year and possibly of several years struck West Texas Tuesday of this week. The dirt obscured vision on highways in several places and the wind caused damage to buildings, etc. The wind changed to the north Wednesday sending temperatures down to 20 above Wednesday night. The weather was fair Thursday with predictions being fair and warmer.

T. T. Hamilton Is Candidate For Tax Assessor-Collector

To the Citizens of Floyd County: I wish to announce as Candidate for the office of Assessor-Collector of Taxes of Floyd County, Texas, subject to the Democratic Primary.

I have had about three and one half years experience as Deputy Collector of Floyd County.

I feel that I am qualified for this office and if elected, I promise to give prompt, courteous and efficient service. I plan to see each voter, but I should fail to see you, I will appreciate your vote and influence.

Yours Sincerely,
T. T. HAMILTON

Card of Thanks

I wish to thank all those who have been so kind to me during my illness. My neighbor and friends have been very kind and helpful. Dr. Foster and the hospital staff have done everything they could for me. I sincerely appreciate everything anyone has done for me. I have been released from the hospital and am home, and will appreciate your visits.

Mr. and Mrs. Robert Morton of Austin spent Easter with her parents, Mr. and Mrs. H. B. Strickland of Lockney. Both are students at the University of Texas. Mrs. Morton, the former Stella Mae Strickland, enrolled the second semester in the music education department and became eligible to sing with the University Singers and the choir. Other visitors in the Strickland home during Easter were Mr. and Mrs. B. F. Strickland and daughter, Wanda, of Hereford; Mr. and Mrs. J. Hassler Strickland, James and George of Roswell.

MRS. LONG ENJOYING VISIT IN CALIFORNIA

A card from Mrs. W. D. Long says that she is enjoying her visit in California. She is at Beverly Hills and says that she sees movie stars all about. She expects to be gone two or three months.

Mr. and Mrs. Charley Moses of Muleshoe spent Monday and Monday night in the home of her father, W. V. McAda and family. Mrs. Moses is the former Vanda Mae McAda.

Sterley News

By B. A. HOWELL

Mr. and Mrs. G. E. Patterson left Friday for Temple where Mrs. Patterson will have a check-up at Scott and White Hospital where she underwent surgery some six weeks ago. Seemingly Mrs. Patterson is doing nicely and we hope she will be so advised in Temple.

Kenneth Claborn left Friday for Boulder, Colorado, where he will begin his work in College Monday morning. Kenneth was visiting home folks and friends for several days account of Easter holidays.

Mrs. G. R. Dowdy of Silvertown was a very pleasant visitor in Sterley Friday of last week. Mr. and Mrs. Dowdy will be remembered from having been here several years ago and at present is agent for Fort Worth and Denver at Silvertown.

Paul Glover from Pampa was a very gay week end visitor in the A. K. Glover home over the week end.

Among those from Sterley attending the funeral of Mrs. Belle Jack at Friona last Wednesday were Mr. and Mrs. Robert W. Smith, Mr. and Mrs. Bill Johnston, Mr. and Mrs. A. N. Davis, Mr. and Mrs. M. O. Davis and Bert Bobbitt. That is besides the immediate family of Sam Jack who was a son of Mrs. Jack's.

Mrs. E. F. Rivers visited in Quitaque Monday with her brother, Gus Gibson while Mr. Rivers did extra work for the railroad at the same place.

We have a lot of new faces in our train and engine crew this week, and Mr. Crow Temple of Childress is relieving Mr. Patterson as engineer and Mr. A. J. Scott of Amarillo is relieving Mr. Hanks as fireman. Mr. Burkett of Amarillo will relieve Mr. Sultner as a brakeman while Mr. Sultner is at the bedside of his sick mother in Amarillo and somebody will have to relieve Doug Graham as the other brakeman while he attends the fights in Amarillo tonight. Do not know as yet who that will be but no doubt as a good one as Dave West, the hard-working conductor can't run the train by himself completely.

Mr. and Mrs. R. E. Harlan of Turkey accompanied by their son, Berl, came Saturday to visit with the M. A. Boone family. They with Mr. and Mrs. M. A. Boone, Lafayette and Eldora drove over to Plainview for the Sun Rise Easter program.

The Doug Graham home had many visitors Sunday when Mrs. Graham's father and mother, Mr. and Mrs. O. L. Phillips and their children, Glenn and Jeanette, her sister Mrs. Claudine Simpson with her children, Joe Berl and Penny, her brother, Mr. and Mrs. O. L. Phillips Jr. and son, Ronnie, and her aunt and family, Mr. and Mrs. G. M. Spearman and son, Glen, all from Amarillo spent the day with them and of course most of the day was spent in the brakes where they gave their smaller ones a treat in the way of an easter egg hunt. All had a fine time and nearly rested up from the visit by this time.

The M. O. Buchanan family enjoyed a nice visit Sunday when Mrs. Buchanan's father and mother from Quitaque and her brother, Alfred Buchanan and wife from Lubbock came in for a few hours.

The ladies of the Sterley Home Demonstration Club entertained with a "Sock-Sale" at the Club Room last Tuesday evening and we must say they know how to do it. Had a nice crowd, and few out of town visitors including Mr. and Mrs. Truett, with Truett Variety Store in Lockney, and Mr. and Mrs. Ed Shearer and llyds from Plainview. Had a pretty nice looking lot of socks for sale and they sold quite well and what seemed a nice price and strange as it may seem there was some MIGHTY good cats in those socks — reminded us of many years ago when I would find well filled socks on December 25th — got quite a thrill out of that as I well remember and also got quite a thrill out of looking to those socks at the club room that night. All seemed to have a very enjoyable evening with some exciting games of "42" which proved that Mr. and Mrs. Everett F. Rivers were the champion players as they never moved from their comfortable seats all evening — and I didn't know they could even play forty-two. Guess I had better look around a little.

Mrs. Mary Welland returned last week from a three-month visit with relatives at Houston and other points in South Texas.

Lloyd Wofford returned Tuesday from a business trip to Emory, Texas.

Mr. and Mrs. F. S. Barber, Mr. and Mrs. Floyd Barber Jr., C. F. Barber and Mrs. Grace Byars spent Sunday in Maljamar, N. M., visiting Mr. and Mrs. Glenn Bowers and Danny Joe Barber.

Wayland Asks For Accreditation As Four Year College

The question of Wayland College's accreditation as a senior college was put before the Texas Association of Senior Colleges' Committee of Re-classification and Standards at Dallas last week, according to Dean S. E. Cranfill.

The application for senior accreditation was made by Dr. J. W. Bill Marshall, president; Dr. Cranfill, academic dean; and J. L. Harden, business manager.

Officials are awaiting the association's approval of the Wayland application, pending inspection of the campus by a representative of the committee. The college must satisfy demands for the raising of deficient standards before it can be given recognition.

At present school officials are doing their best to see that Wayland can meet the minimum required standards. Although Wayland has rigid standards to meet before final approval is given, Dr. Cranfill believes it has excellent prospects for reaching its goal of being a fully accredited, Christian college by next September.

Mrs. Irving Bennett, who underwent a major operation at Scott and White Hospital several weeks ago, has now been removed to the home of her mother in Amarillo where she is convalescing.

Mrs. J. E. Simpson and son, Tommy of Alice, Texas, are here visiting her parents, Mr. and Mrs. J. M. Watson and brother, Zoel Watson and family.

James Carroll, student at Tech spent the Easter holidays here with his parents, Mr. and Mrs. Hugh Carroll.

Dwight and Terry Perkins, Tech students, spent the Easter holidays here with their parents, Mr. and Mrs. Frank Perkins.

Mr. and Mrs. Kelton Shaw of Texas A. & M. at College Station, spent last weekend at home with her parents, Mr. and Mrs. Roy Patterson.

Mr. and Mrs. Hugh Ford of Lubbock spent last week end here with her parents, Mr. and Mrs. D. D. Langford and Edwin.

Mr. and Mrs. John Stalcup attended a Kelvinator dealers meeting at Amarillo Tuesday.

I am personally running this ad in appreciation to you, the several hundred farmers, who had the nerve to back your judgment and took Hail Insurance in 1947 with YOUR OWN TEXAS COMPANY, THE PANHANDLE MUTUAL HAIL ASSOCIATION, OF Amarillo.

In Floyd county, 140 of you policy holders received back more than \$60,000 in cash (payment in full for all your losses with no 10 per cent deducted, or 25 per cent limitation clause.) Can or will out of state Stock companies make a statement like that?

I want to personally thank P. F. Yocham and J. B. Latham president and secretary of Panhandle Mutual Hail association since 1929, who have been the power in developing our company that farmers both large and small are so proud of. This is a cooperative organization and as such is operated in a manner similar to that of the Cooperative gins, elevators and oil companies, which are owned and operated by the farmers comprising their memberships.

I am very proud of the fact that in 1947, the company paid over \$700,000 in losses and yet did add more than \$45,000 to our cash reserve that must be paid as losses in future years or be paid as dividends to policy holders.

These two fellows have proved their business ability and integrity beyond question. I am proud to represent them.

Each week for awhile beginning Saturday, April 3 over KVOP, Plainview for a 15 minute period, 12:30 to 12:45 we will try to put on a clean radio program that we hope will be interesting to you.

We are trying to do our part in safely developing this the greatest agricultural producing spot in the world and still holding the ownership for the same producing farmers.

We need insurance protection and we should develop our own to stop Eastern Financiers from eternally draining our wealth.

We gladly again represent Panhandle Mutual Hail Association of Amarillo, Texas, our Texas company that paid crop losses in 1947 over \$700,000.

"Alma" will gladly write your insurance on our farm where we live day or night if I'm not there.

I maintain an office at my Planning Mill in Floydada (Where we are making church pews for Panhandle churches.) L. A. Marshall is in charge of the office, and will write you insurance for me during office hours or at his home on Wall street at night.

My "personal office" will be my car or wherever you find me. Write me a card to come to your farm or meet me at KVOP any Saturday at noon.

I will personally write you hail insurance anywhere in Texas.

Or see or write any of these fellows at the following addresses. They are helping me write Floyd county and close by territory.

R. H. Ford, 6 miles northwest of Lockney;

Hubert Frizzell, 9 miles northeast of Lockney;

Oliver Holmes, 6 miles southwest of Lockney;

L. A. Marshall in Floydada;

E. C. King in Floydada;

H. D. Meredith, 10 miles north of Floydada;

G. E. Assiter, 10 miles south of Floydada;

Joe E. McDuff, 5 miles northwest of Crosbyton;

Floyd Reagan, 15 miles southeast of Plainview;

M. D. Ramsey, 4 miles northwest of Petersburg;

W. M. Finkner, 2 miles west of Petersburg.

When it hails and it will—we will all help company adjusters service your losses in a hurry.

The money you give out of state stock companies don't buy your Texas Baby any clothes. There is two answers—one is: "Don't buy her any clothes." Which is your answer?

Reading from left to right they are Dorothy, Beuna, Bill Barrett, KVOP announcer, Sara, Ed. Charles (Cauck), Alma, and Nancy.

Charles is riding the school bus and attending Floydada High School. Dorothy and Beuna are going to school at Sand Hill. Alma and the two babies live at the farm eight miles west of Floydada, and Ed don't remember what he does.

The largest loss paid in Floyd county was Sim Reeves, \$3,967, but the largest loss paid in 1947 was Mack Forrester, of Deaf Smith county, paid \$16,800. I don't think you are so big we can't protect you! You simply have a larger saving on your premium when it don't hail.

They used to run my customers off by saying, "Ed's company is too small to be safe!" Well, we continued to grow and continued to pay in full. Last year with your loyal support when it looked like I was writing the whole country, THEY said, "Better let Ed's company alone, they are writing so much they can't pay if it hails!" Well—we wrote the business and did it hail! We paid more than 160 losses in Floyd and Crosby counties all in full totaling more than \$74,000. What will THEY say next? It's interesting.

The Panhandle Mutual Hail Association of Amarillo is taking the country AFTER the storms.

Unlike the Stock companies, we don't claim to satisfy everybody. We try to find and pay for the actual hail loss. Hail at different stages of maturity make this sometimes impossible. Harvest time tells us sometimes we paid too little, sometimes too much. But State insurance records and satisfied customers that compare losses paid is the reason we are taking the country AFTER THE STORM. To be exact, this year as usual, we paid losses in full totaling \$707,073.69.

Our rates have not been raised in the worst hail district in Floyd county and they have actually been lowered in the bad hail district in Crosby county.

There are No Deductible Clauses in our Full or General Coverage Policy. But we do offer a 10% deductible or 25% Limitation policy at a reduced rate.

Panhandle Mutual Hail Assn. Amarillo, Texas

A comparison showing the advantage of a general form or full coverage policy over the deductible and-or limitation policies taking also into consideration the difference in premium rates

Losses 1947, (Small Grain Only)	\$667,195.52
Losses Paid 1947 General Form Policy,	\$667,195.52
A 10% Deductible Policy would have paid	474,232.70
A 25% Limitation Policy would have paid	510,842.33

Only general form policies were issued in 1947 but had the insured taken the deductible or limitation policy you can see the farmer benefitted from \$150,000.00 to almost \$200,000.00 by having the general form policy.

Total Losses Adjusted (Small Grain and Cotton)	\$707,073.69
Total Losses Paid (All Crops)	\$707,073.69

Lockney High

By Martel McDonald and
Glynn Earle Norman

The Lockney pugilists really went to town at Jaycee boxing tournament at Plainview last week-end. Three boys fought their way through stiff competition to championships in their weight divisions. Jack Adams won over a boy from Amarillo who weighed 211 and in the finals over a boxer from Childress who weighed 182. Calvin Pyle and Robert Quisenberry fought their way to the finals and won their final fights by a default. Bill Bybee was defeated in the finals by Claude King and Garvin Beedy of

Floydada who was fighting for Lockney was defeated by James Wortham of Amarillo. Cherokee Livesay won two fights Friday night by knockouts and lost his fight in the semi-finals. Charles Samples who also won by a knockout Friday night was defeated in the semi-finals by a Shamrock boxer. The Loughorn team was the sensation of the tournament and won a beautiful gold trophy for their efforts. The three boys who won the championship bouts were awarded jackets. I don't guess that we need to tell you that tonight is the night that Lockney meets Amarillo in the final card of the 48' season. We urge you all to come early and see these fights. Several of these Lockney boys will be meeting these boys from Amarillo

whom they fought at Plainview this weekend. Fights start at 8 o'clock.

A prince and princess from Lockney high were chosen from the junior and senior class to represent Lockney at the Personality Pageant at Canyon April 16. They were Jack Adams and Joyce Carthel. An informal tea will be held in the afternoon, followed by a crowning of the queen and king of the entire assembly and that will be followed by a formal dance in the evening. It is quit an honor and these two students will represent Lockney well.

Work on the Senior play "Feuding in the Hills" began last week. The play under the direction of Mrs. Sid Thomas, sponsor of the senior class and director of the winning play of the '47 Follies. The play is to be held on May 7 so don't forget. Money collected on this play will go for the Senior trip fund. (Which we might add is rather low.)

Mr. Montandon's Vocational Agriculture boys have been busy improving the LHS campus for the last two weeks. Trees have been pruned at high school and grounds at the City Auditorium have undergone some improvements too. We might add that the stage scenery at the City Auditorium was painted, repaired and set up by the boys under Mr. Montandon's supervision. These boys have been working on different projects quietly and efficiently since school started and they have an amazing list of improvements to their record. During the past week the boys worked on their entries in the Floyd County Livestock show which was held at Floydada March 31. (Winners in this are listed else where in the Beacon). Work on the separate Ag Building is being completed and the building will be in use soon. The boys are planning on making a hotbed and cooperative garden to grow food for the school lunchroom. Mr. Montandon hopes to be able to entice the FHA girls into canning the products. Plans are being completed for a Father-Son Banquet which is to be held April 9. Efforts are being made to secure R. C. Mitchell as guest speaker. A cotton classing team, livestock judging team, dairy cattle judging team, and a poultry team will be entered in the Annual V. A. contest at Texas Tech on April 24. These teams are composed of three boys and an alternate.

THE DIRT STORM

To answer our question of last week—it looks as though Shirley Cooper has priority on Howard Hotchkiss. More power to you!

What two senior girls are actually being faithful to their true loves? (Don't know such a thing was possible.)

Why doesn't Bob Huckaby like his nickname? (Maybe because it's so fitting! ?)

What makes three weeks tests come around so often?

Glynn Earle—don't cry about Claude getting to the navy—just think how pretty he'll look in that uniform!

What see-all Silverton boy almost got Tom and Charles and Bud disowned by their Silverton girl—friends.

Does anybody know what the latest fuss is between Joe Keeter and Betty Joan? (Confidentially, they just like to fuss just for the fun of it and not because they are mad!)

Vera Jo are you going steady with Ray? (Let's stick to the bargain now—Bill, Ray, and Bob won't mix very well

Soil Conservation District News

The District board of supervisors of the Floyd County Soil Conservation District held a call meeting on March 23. Among the business transacted was the approval of applications for assistance as follows: T. W. Ashburn, W. W. Buckner, A. J. McIlvain, M. O. George, A. W. Curb, E. O. Cates, Jack Trawick, Bud Casey, A. D. Schaffner, I. H. Pickens and Delbur Rose.

Agreements between the District and the following farmers were also approved: Weldon Smith, L. D. Simpson, Marvin McSwain, Clarence Guffee, Sam A. Fowler, J. B. Smitherman, and Hugh Marble.

The technicians assigned to the Floyd County Soil Conservation District set high points for irrigation wells for E. O. Cates west of Floydada

and A. W. Curb of Petersburg.

Wesley Hay of Lockney and W. A. Campbell, west of Floydada, had lines run to water wheat.

Lines and row directions were run for Lon Davis, E. T. Baird and Bill Jackson in the southwest part of the county and Bud Leaverton, Leroy Durham and Judson Jones farming near Lockney.

A ridge line was run for W. L. Davis, who farms south of Floydada, to plow up wheat.

Easter visitors with Mrs. George Webster Sr. of Lockney included her daughter, Mrs. Reasia Mae Simpson of Amarillo, Mr. and Mrs. Bud Simpson of Rangley, Colo., and Mrs. Blanche Phagley of Denver City.

KNOWING HOW isn't always enough...

All your knowledge about farming won't be of much use if your farm equipment isn't ready when you need it.

Remember, every machine must be working just right to get a good job done in each crop. And to make sure they'll be 100%, it's best to have them checked over and repaired plenty of time ahead of work seasons.

To get all equipment in first class shape, do this first: put your tractor and implements on our Early Bird Service Schedule. Then, during their idle time, we'll do a top-notch IH Blue Ribbon Service job on each one.

That combination of Early Bird scheduling and Blue Ribbon Service can prevent any time lost in the fields from breakdowns!

Lone Star News

Mrs. Jack Frizzell, Correspondent

A nice crowd attended Easter services at the Lone Star Church last Sunday. Plans are being made for the coming revival which will begin April 11. A committee has also been appointed to take care of the visiting preacher. If you wish to help in some way, please see one of the ladies on the committee.

Mr. Frank Anderson from Dumas visited in the home of Mr. and Mrs. W. H. Wingo last Wednesday morning.

Mr. and Mrs. A. E. Frizzell visited last Sunday afternoon in the home of Mr. and Mrs. Clyde Baxter.

Mrs. G. C. Tiner and Miss Mary Slover entertained their school children and visitors last Friday in observance of Easter. Miss Mary Slover's children enjoyed an Easter egg hunt, and pupils of Mrs. Tiner's room honored their mothers with a party.

Mr. and Mrs. Clyde Parish and children spent Easter with Mrs. Parish's parents, Mr. and Mrs. D. M. Marshall, of Aiken.

Guests in the home of Mr. and Mrs. Tom Wells last Sunday were Mr. and Mrs. Hubert Griffith and children of Lockney and Mr. and Mrs. Tom Ed Wells and daughter of Halfway.

Miss Bobbie Dean Nance, daughter of Mr. and Mrs. W. D. Nance, has recently been transferred to Amarillo where she is employed by Radford Wholesale House. She has worked in Plainview the past several years.

Mr. and Mrs. Mack Grice and daughter of Plainview were luncheon guests last Sunday in the Lloyd Readhimer home.

Mrs. Clyde Baxter entertained last Thursday afternoon for her daughter, Linda, and other youngsters, with a party at her home from 3:30 to 5:30. Games and refreshments used for the afternoon featured the Easter motif. Enjoying the occasion were approximately 25 children and a number of parents.

Luncheon guests in the home of Mr. R. L. Knox last Sunday were Mr. and Mrs. Jack Frizzell and David and Miss Glenda Ann Readhimer. Other callers in the afternoon were Mr. and Mrs. Tom Rankin and Mr. and Mrs. Reed Lawson and daughter.

... you've got a date that just can't wait!

So, clear out! Get down the street, where a Conoco Mileage Merchant can drain out dirty, contaminated winter oil and refill with Spring-time Conoco Nth... the oil that OIL-PLATES as it lubricates!

It's like this: When Nth Oil (Patented)* enters your engine, a special added ingredient fastens extra lubricant so closely to metal that cylinder walls

and all working parts are actually OIL-PLATED!

Because this extra OIL-PLATING stays up on cylinder walls... won't all drain down to your crankcase, even overnight... a Spring change to Conoco Nth Motor Oil extra-protects from "dry-friction" starts... from power-choking sludge and carbon due to wear!

That's why, for extra-cool, extra-powerful, extra low-cost miles you'd better...

Deep Water Irrigation Might Ruin Land, Young Warns Farmers

LUBBOCK—A number of farmers outside the already established South Plains "irrigation belt" are in serious danger of ruining their land indefinitely because of high salt content in irrigation water, is a warning sounded by Dr. A. W. Young, head professor of plant industry at Texas Technological College.

A large percentage of water samples from relatively deep wells around Morton and Pecos showed high contents of salts, especially chlorides, carbonates, bicarbonates and sulphates of sodium, according to tests Dr. Young has run recently. He urged all farmers in that area to have chemical analyses run on their irrigation water before using it.

W. T. Gas Co. Helps Equip Tech Kitchen

LUBBOCK—Texas Technological College has received \$275 from the West Texas Gas company to be used toward equipping an all-gas kitchen in the home management laboratories, Dr. W. M. Whyburn, college president, has announced. The check was presented by R. F. Hinchey, president and general manager of the company.

The college next year will resume offering a special course in the selection, uses and care of home making equipment, according to Dean of Home Economics Margaret W. Weeks. Although all types of equipment will be studied, special emphasis will be placed on laundry and kitchen aids.

In connection with the course, the home management department is moving to provide two kitchens, one all-electric and the other all-gas.

How Much Feed Equals 10 Gallons Milk?

COLLEGE STATION—How much feed does it take to produce enough milk to fill a ten-gallon can? That depends a lot on the cows, says G. G. Gibson, extension dairy specialist. If it takes six cows to fill the can, they will need about 85 pounds of hay and 30 pounds of concentrates. Three cows would need half as much hay, and about the same amount of concentrates. The big difference is that only three cows have to be milked and cared for. That's why it means more money to have the right number of good cows than a lot full of poor milkers. The four sources of feed for cows during a twelve-month period are grass, hays, silage and concentrates.

Knee deep in good green grass is the way dairymen like to see their cows. Lots of green grass means lots of milk, and lots of milk means more money to the dairyman, Gibson says. But there isn't good green grass all through the year, so the dairy farmer has to turn to plenty of good hay and silage. Most of them are feeding concentrates too, but the whole job can't be done with concentrates.

There is only about a fifth as much milk produced in the winter as in the summer time, Gibson says. A good

many dairymen see the value of having hay and silage on hand when the pastures are gone. When the cows have lots of good grass, they won't eat nearly as much hay and silage. But there isn't a year-round supply of grass available.

Enough feed for the cows all through the year and more fall freshening cows will go along toward a more stable milk production. The number of good cows on a farm that can be properly fed and managed means more milk at less cost, says Gibson, and goes a long way toward a program of balanced dairying.
