The Dimmitt Aldermen voted Monday night to reserve \$84,268 of the city's allotted \$93,568 in Revenue Sharing Funds for various purchases for the city, and to distribute only \$9,300 to various other organizations.

A total of \$3,600 was set aside for the Mental Health/Mental Retardation outreach center in Dimmitt, and \$700 was allotted to the Mayor's Council on Beautification. Another \$5,000 was earmarked for a special "working fund" to be used to attract new businesses and industries to Dimmitt.

The city plans to use \$53,000 for a seal coating project this summer for city streets, and another \$21,000 for the purchase of a new jet sewer machine to help clean out sewer lines. The remaining \$10,268 will be designated for capital outlay in the city works department, mainly for purchase of new vehicles.

George Lamberth of the city and county industrial development boards asked the aldermen for help in establishing the "working fund," with additional funds to be solicited from the county and possibly the bank.

"We'd like to have about \$40,000 total from all sources to work with," Lamberth said.

Lamberth said that the fund would be spent only for prescribed uses, such as travel expense, production of printed materials, or hiring a person to handle the job of locating prospects full time for a short period.

EARLY CHILDHOOD screening was held in the Dimmitt Middle School library last Thursday. Here, local diagnostician Joyce King demonstrates how to skip to 3-year-old Raymond Powers as part of the coordination tests in the screening. Other tests were in language, concepts, vision and hearing. About 80 children were screened with the aid of two testers from the Region XVI Education Service Center and Bobbie Bruegel and her staff of volunteers. The tests were to determine the children's readiness for kindergarten. Powers is the son of Jackie and Rhonda Powers of Dimmitt. Seven nursing students from the Plains Memorial Hospital nursing school also assisted in the testing.

## Community Concert kick-off event set

Monday at 7 p.m. will be the kickoff banquet for the Castro County Community Concerts Association's new member drive, spearheaded by Mrs. Oleta Gollehon, membership chairman. The banquet will be at the Colonial Inn Restaurant with the association providing the meals for the drive workers. The drive will continue

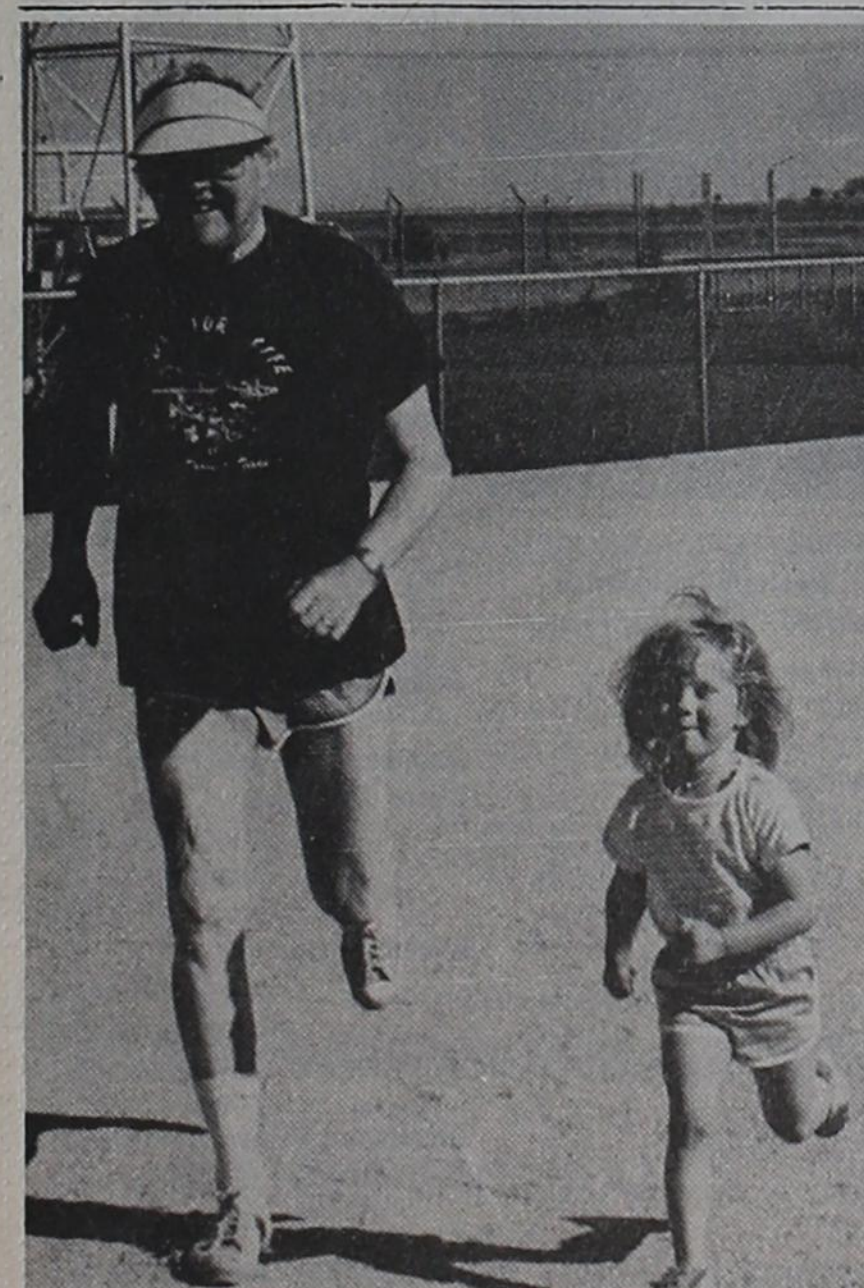

through May 5, with about 70 workers seeking renewal of last year's memberships this week and additional workers signing up new members. Fees are \$6 for students, \$15 for adults and \$35 for an entire family.

Patrons will also be sought for the 1984-85 season.

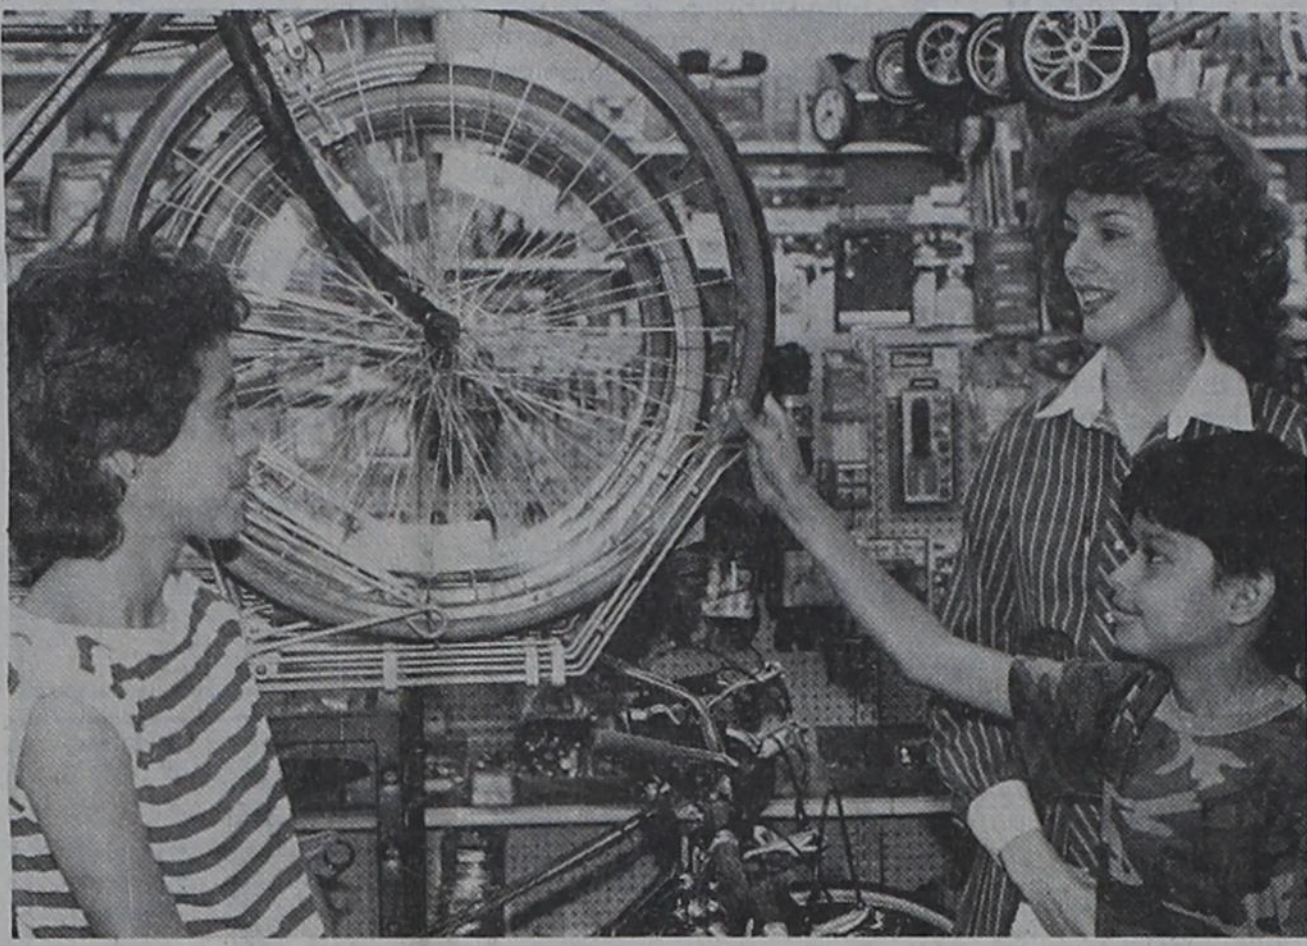

"We would like to see last year's patrons renew, as well as additional businesses or individuals sign up. The more patrons we have the more high caliber artists and additional concerts we can schedule," association president Nolan Froehner said.

Froehner added that Mary Lloyd of Columbia Artists Management of New York City will be in Dimmitt to assist with the drive again this year.

Headquarters for the drive will be in the new Dimmitt Chamber of Commerce offices at 115 W. Bedford.

YOUNG AND OLD ALIKE are expected to participate in the American Cancer Society's Run For Life Saturday in Dimmitt. Ed Freeman and Jacy Buckley, 4, the daughter of Mr. and Mrs. Darrell Buckley, are entered in the run.

BIKE-A-THON winner is Fabian Longoria, 10, [front, right] who raised over \$324 from his sponsors for the 18 miles he rode. Also participating in the ride, which benefitted St. Jude's Children's Research Hospital, was Linda Ramos [left], 13, daughter of Steve and Delia Ramos. She rode more miles than any other rider for a total of 23. The event raised over \$1,500, according to

event chairman and organizer Elaine Thompson [back]. The ride was held April 14 in Dimmitt. Longoria, son of Bert and Teresa Longoria, was awarded his choice of \$100-value bicycles at Killingsworth True Value Hardware in Dimmitt through the donations of several supporters of the event.

## 35 DHS projects qualify for state

At the South Plains Industrial Arts regional contest held in Lubbock Sunday, Dimmitt Industrial Arts students showed 35 projects that will be sent to the state show in Waco May 4-5, and seven of those projects were named best in their category, with six named runners up.

First, second and third place winners qualified for the state show.

Best of category honors went to Kay Ballard and her first place winning cedar chest, Mark Bruegel and his first place roll-top desk, and Shawn Cotter and a first place armoire, all in Woodworking I; and Mimi Soto with her first place wall clock and her first place water bed, both in Woodworking II; and

the IA Club's entry of a trailer, which won a first, and a 1965 Thunderbird convertible, which won a first.

Runner up in category honors went to Tim Sims and his first place gun cabinet, Jesus Yanez and his first place sofa, and Trampas Moke and his second place gun cabinet, all in Woodworking I; and Manuel Aranda and his first place curio cabinet, and Hal Gilbreath with his second place pool table, both in Woodworking II; and the club Thunderbird in the open division.

Other first place honors went to Ricky Henderson and his gun cabinet, Oscar Medline and his desk, Frank Rodriquez with a bed, all in

Woodworking I; and Mike Trevino with his secretary desk, Norma Soto with a chess set, David Stephens with a roll-top desk, Tammy Washington with a water bed, and Debora Jordan with a china cabinet, all in Woodworking II.

Other second place winners were Mitchell Brown with a microwave cabinet in Woodworking I; and Richard Davilla with a grandfather clock, Robbie Hottel with a wall unit, Joyce Schilling with a high-boy chest, Tammy McMillon with a book shelf, and Maria Sanchez with an armoire, all in Woodworking II.

Third places went to

## History records safe, county assures group

County commissioners visited with members of the Castro County Historical Commission Monday about the Texas State Library inventory which would dispose of obsolete materials in the courthouse.

The Historical Commission felt that the state library audit might dispose of some historical records that the county might want to keep.

Commissioners assured the Commission members that nothing would be dis-

posed of that needed to be kept. They told the Historical Commission that they wanted them to be present at the inventory to be sure nothing of value would be disposed of.

Commissioners approved the payment of bills which included \$396.86 for Oleta Raper's trip to a treasurer's school at College Station.

Commissioners discussed a \$4,379.90 and a \$805 bill from the Mental Health and Mental Retardation Center

in Plainview, for the care of a mental patient from Castro County.

County Attorney Jimmy Davis said he would check into the matter and report back to commissioners.

Commissioners approved a resolution to be sent to the governor asking his support of the \$.05 gasoline tax with a \$.01 tax to be added to go to county roads.

Commissioners granted Contel an easement to bury

## CUFUPU kick off breakfast is set

The 1984 Clean Up, Fix Up, Pride Up Campaign Kick-Off Breakfast will be Saturday at 8 a.m. in the Lamar Fellowship Hall of the First Methodist Church of Dimmitt. This year's theme is "Cleanliness is next to godliness, so let's make Dimmitt a heavenly place to live."

Volunteers are invited to attend the free breakfast, supplied by the Dimmitt Chamber of Commerce, and a short program afterwards, before splitting up to tackle various clean-up assignments around the town.

"There will be light jobs as well as heavy tasks, so all ages are encouraged to participate," CUFUPU Chairman Joe Higgs said. "The work is planned to last only through the morning, rather than an entire day."

Higgs said assignments will include planting flowers, cleaning up litter, mowing and raking; removal of old vehicles and appliances; and placement of half-barrel planters for the Mayor's Beautification Council.

A contest will be conducted, with four categories of participation: churches, schools, businesses and organizations. Points will be given for cleaning projects on the group's own property and for sending representatives to the kick-off breakfast to work on community projects.

In each category, the group with the most points will win a shrub or tree for their property or wherever they designate for place-

ment. Certificates of participation will be given to each entrant.

"Any elderly or handicapped who are not able to clean their own property or care for their yard are urged to call Juanita Bruegel at 647-2315," Higgs said, adding that such projects will be tackled on the work day, as well as at other times as needed.

Higgs noted that the half-barrels to be placed around town will belong to the Chamber, but for a \$20 fee paid by the merchants displaying the barrels, geraniums and petunias will be planted in them and removed

## Time change to be Sunday

Unless you want to stay up to see in the official hour of the time change, clocks should be moved ahead one hour Saturday night to conform to Daylight Savings Time, which goes into effect Sunday at 2 a.m.

If one goes to bed at 10 p.m. Saturday, the clock should be set ahead one hour to 11 p.m.

"We certainly want to encourage everyone to remember to set their clocks so they won't be late for church and Sunday School," said Castro County Ministerial Alliance President Joe Higgs.

## DHS names new football coach

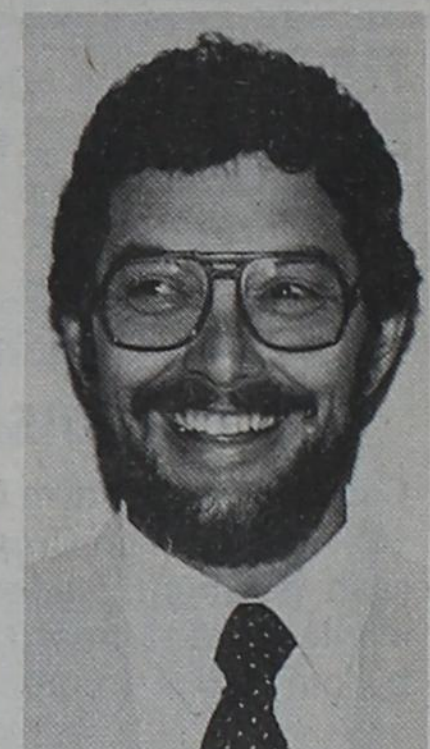

Clifford Smith, former assistant coach here, was introduced at Dimmitt High School's annual Athletic Banquet Tuesday night as the new head football coach.

Smith, 36, was an assistant football coach here in 1979-81 under Wayne Garner, and also assisted in boys' basketball. Since 1981 he has been an assistant coach at Merkel High School.

He succeeds Gene Griffin, who has accepted the post of head football coach and athletic director at Jacksboro High School after serving two years here.

"We're really excited about being back here," Smith said. "We feel that Dimmitt is a first-class town, a good place to raise our children. We hated to leave before, and now that we're back it feels better than ever."

Griffin said he is bringing

Clifford Smith

in Roy Dudgeon as an assistant football coach and boys' track coach. George Rasor and Allan Steidle will continue to assist with the football program, and one more assistant will be named later, he said.

A native of Littlefield, Smith holds a degree in physical education from Texas Tech. He and his wife, Janice, have three children — Michele, 11, Chad, 9, and Jeremy, 3.

## NHS youths to go to state

The 74th annual state UIL meet for academic and literary events will be held today (Thursday) through Saturday in Austin, and three Nazareth students will be competing.

Seniors Anne Birkenfeld, Joel Birkenfeld and Cheryl Hoelting all placed at the Region I-A meet.

Anne Birkenfeld won first place in newswriting and second in headline writing at regional.

Joel Birkenfeld won third place in persuasive speaking.

Cheryl Hoelting placed third in editorial writing at regional.

The three NHS students will compete today through Saturday in Austin.

Our town has given us all "Spring Fever" with all the natural touches of color — it's a pleasure to drive around and enjoy the blooming lilacs, tulips, daffodils, forsythia and other seasonal flowers.

Lawrence and Georgene Woods and Leslie of McKinney spent the Easter holidays in the home of Georgene's parents, George and Irene Blanton.

Kay and Joe McGee and children from McLean were at the Dent Bradleys the weekend before Easter Gene and Shari Bradley and family and Ray and Allan Bradley and family came over and their little ones hunted eggs in the backyard. Later they celebrated Misty Magee's 13th birthday.

Amelia Barrera and Herminia Salinas made confetti eggs for several weeks before Easter. They hid them on Easter and after the children find all the eggs, they have fun throwing them or breaking them over the children's heads and watching all the confetti scatter.

Betty Cartwright entertained her grandchildren for a pre-Easter visit on Friday. K'Dawn and K'Leigh Stanfield, and Pam and Trace Lockmiller, all from Clovis.

Juanita Bruegel and her daughter and family, Sandy and James Baker, Tori and Jamie; her son Carl and Gail

Bruegel, all went to Amarillo to visit another son, Mike and Donna Bruegel and children, Michael II and Whitney. They all attended church, enjoyed a delicious lunch and watched the children hunt Easter eggs in the afternoon. Fred and Bobbie Bruegel and family went to Lubbock where Mark won an award for his roll top desk. Their daughter, Wendy, was home for the weekend.

Bobby and Wanda Murdoch entertained their family for Easter with a dinner in their home. Wanda's parents, Mr. and Mrs. W. H. Felder, from Hart, Debbie from Amarillo, and Brad and his roommate, Scott Armandariz, who are attending W. T. in Canyon. Scott is from Irving and he was very impressed with a small town.

Morgan and Geneva Dennis, Maxine Myers, and my sister, Lynna Cloer and her husband, Troy, from Tulia put all our food together and enjoyed a delicious dinner on Easter Sunday. Decimae Dennis spent the weekend in Dallas with friends — part of the time with my daughter Sue, David and Brent.

Emily Clingsmith was hostess for the Thursday bridge group at the Senior Citizens Center. Susie Reeve was high scorer and Elizabeth Huckabay was second high. Others playing were Ferne Dickey, Alice Collyer, Johnnie Vannoy, Jo Gregory, Jean Christian, Oleda Schumacher, Faun Welker, Sal DiCuffa, and a special guest, Dude McLaurin.

Jim and Floyce George entertained members of their family for dinner on Easter. Jim's mother, Cletha George, and Floyce's mother, Irene Carpenter. The George's daughter and family, Shelley and Danny Rice and girls, Tishia and Brandi. They enjoyed watching the girls hunt eggs in the afternoon. Later the Rices went to Hart to be with the other parents.

Dr. Keitha Scott's son, Keir F. Scott, from California, was on his spring break last week and visited his grandmother, Aural Davis, in Dimmitt and his aunt, Suzie and Bobby Phillips and cousin, Julie, in Amarillo. They all attended church at St. Paul's Methodist church in Amarillo. They went to the Sunday Ranch south of Amarillo and saw all the animals there. On another day, they watch-

ed the baby chicks break all the shell away — enough for the baby chick to get out of the egg. One day in Dimmitt, Aural and her grandson toured the Castro County Museum. Keir was very impressed with everything he saw there.

Zonell Maples went to Tahoka recently to visit Dorothy (Wright) and Milt Draper and girls, Susan and Amy. They all went to Lubbock to see the Bob Hope Show. Patricia Price was also with the show. Zonell said Bob Hope is a tremendous showman.

Jettie Sheffy has just returned from Sacramento, Calif., where she and a sister, Mrs. Smith from Amarillo, went to help celebrate their older brother's 80th birthday party. The younger son of Mr. Shaw lives in Santa Rosa. There were 50 relatives at the party to help the brother (Tom) with eating lots of food and opening gifts! Jettie said you can imagine how much food 50 people can put away!

The family of Mrs. Zula Myers of Carey, helped her celebrate her 80th birthday last weekend. Her birthday was on Friday, the 13th this year. Her children and grandchildren took her to K-Bob's in Childress on Saturday to eat lunch. Then they went to her home in Carey, where they were joined by her sister's family for ice cream and cake. Maxine Myers, a daughter of Zula's, and Ruth Cochran drove

down for the occasion.

The last community concert of the season in this area will be in Plainview, April 26th, featuring Leonard Pennario. The Castro County Community Concert Committee members are working on the next season's membership drive.

I received a letter from Dona Holland from Fresno, Calif., who is a cousin of Juanita Bruegel. She reads the Castro County News and would like to see some news about the Bruegels. I am sure there are other out of town people who would like to see some news about their relatives or friends — so Dimmitt residents, why not call your news to me!

The Panhandle Livestock Association and Colbert's Harry Holland presented their annual style show and luncheon on Saturday, April 14, in the tea garden area at the Hilton Inn in Amarillo. Mrs. W. J. Hill (W. J.'s mother) was one of the chairwomen for the style show. Andy and Barry Hill,

sons of Sara and W. J. Hill, were among the models.

The shower for Cathy Burke and Mark Summers was held in the lovely home of Jackie Byrnes on Saturday morning. Teresa Lantz served miniature muffins and assorted fresh fruit from a pretty table with a spring bouquet for the centerpiece. Geneva Justice's sister-in-law from Lubbock was among the out of town guests.

The shower for Sharla Street and Michael Blanton was held in the beautiful [Continued on Page 13]

# OUT OF THE EARTH ...

Man receives his food and much of his clothing from the earth. God has been good to us. "... he did good, and gave us rain from heaven, and fruitful seasons, filling our hearts with food and gladness."  
We as a nation, under God, have been especially blessed, and as long as we honor God and his house, our nation will continue to flourish.  
Let us not grow confident in ourselves ... for we plant and water, but only God gives the increase.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**REPUBLICAN CANDIDATES**—The Dimmitt Republican Organization of Women hosted a luncheon last Wednesday for candidates for the 19th District Congressional race. From left: Don Ethington of Dimmitt visits with Republican Larry Combest, while Mark Schniderson [a representative of candidate Tom Schaefer] talks with Ann Ethington.

## Republican candidates meet with Dimmitt ROW

Republican candidates for the 19th Congressional District, Larry Combest and a representative of Tom Schaefer met with the Republican Organization for Women and other guests last Wednesday at the courthouse in Dimmitt.

Jennifer Miller conducted the meeting of the ROW, and the candidates were introduced by Beverly Bennett. About 20 were present for the luncheon.

Each candidate presented the issues and listed their qualifications, then answered questions.

Mark Schneiderson represented Schaefer at the meeting. He said Schaefer would represent small communities like Dimmitt. He said Schaefer is interested in securing a drought relief program and in reducing the budget using the Grace report as a beginning to decrease the fat in the present bureaucracy.

Comberst said he has experience as a West Texas resident, school teacher, farmer, businessman and has done legislative work in Washington under Senator John Tower.

"Since the Republican voters find similarity in philosophy among the Republi-

can candidates," Combest said, "the voters should look for electability in November." Combest feels the polls and publications find him the most electable among the four Republican candidates.

## Dimmitt women receive degrees

The graduating class of 1984 at Wayland Baptist University includes four students from Dimmitt.

Candidates for diplomas listed with their degree and major, are: Kimberly Diann Peggram, bachelor of music in music education; Debbie DiAnn (Dobbs) Conner, bachelor of science in executive secretarial studies; Rhonda Gail Cooksey, associate of technology in career

secretarial studies; and Hope R. Torres, one-year book-keeper-clerk certificate.

Both Peggram and Mrs. Conner are among the 26 honor graduates of the Class of 1984, having posted a cumulative grade point average of at least 3.50.

Wayland's 74th Spring

Commencement was held Saturday, in Harral Memorial Auditorium. A record total 254 students were awarded degrees on the associate, baccalaureate, and master's levels, in addition to four other students who received certificates of completion.

## Youth range workshop set

High school aged 4-H'ers and FFA members from across the state are eligible to attend the 1984 Youth Range Workshop to be held June 17-22 at the Texas Tech

University Center near Junction.

Applications are now being accepted for the 32 openings for youth interested in practical range and ranch management, says Dr. Bob J. Ragsdale, range specialist with the Texas Agricultural Extension Service.

The week-long workshop, sponsored by the Texas Section of the Society for Range Management, is designed to recognize outstanding youth, develop leadership skills and provide advanced training in range management, Ragsdale says.

It will include plant, wildlife and livestock studies; field trips to ranches and experimental areas; plant collecting and range judging; and leadership training. Recreation and sports are also planned for the delegates.

However, Ragsdale says, this is not a recreational experience. "The workshop had been called a camp prior to 1982, but the name was changed because it did not truly indicate the work and study character of the week."

Ragsdale also emphasizes that the workshop is coeducational, and he encourages girls who are interested to apply.

Only one 4-H and one FFA delegate per county is eligible to attend, and the applications are considered on a first-come basis. Enrollment will close April 30 or when the quotas fill. Ragsdale adds that the 4-H quota usually fills quite early.

## Schaefer enters 19th district race

Thomas E. Schaefer, of Odessa, has filed as a candidate for the seat being vacated by Representative Kent Hance.

Schaefer, 46, is a professor of management in the College of Business Administration at the University of Texas at the Permian Basin.

An economic conservative, Schaefer said business ethics are necessary in the financial, social and political life of America.

"President Reagan has brought a new integrity to the White House," he said. "He and we need a Congress in tune with his goals and standards for a better America."

# Protect trees

Castro County homeowners hoping to harvest good fruit from their trees this year need to start work now to assure healthy trees and quality yield, advises Allen Knutson, Castro County Extension Agent-Entomologist.

"The first step in producing quality fruit is to insure that the tree is in a healthy, vigorous state," Knutson said.

Various insects attack fruit trees and often the use of insecticides is the only means of control. "Cultural practices such as proper pruning, fertilizing and watering also play important roles in preventing insect damage," he noted.

"Insect losses can be reduced with a spray program and by diligently following good cultural practices, but this should begin right away for peach and apricot trees and in the next few days for apple trees" he stressed.

The most important insects which damage fruit in this area are the codling moth in apples and pears and

the peach twig borer in peaches and apricots. Other damaging insects include the peach tree borer, which attacks the base of the trunk and thrips, which attack foliage.

The first cover spray to prevent insects from damaging fruit should be applied to peach and apricot trees when 75 percent of the blossom petals have fallen, and to apple trees when 90 percent of the petals have dropped. Subsequent applications should be made every 10 days to assure undamaged fruit.

"Five or six applications will be needed for apricot and peach trees, and up to 14 applications for apples and pears. Thorough coverage of the tree is important," Knutson emphasized.

Several insecticides, including diazinon, malathion and zolone provide good control of damaging insect pests. Sevin will thin apples and shouldn't be used until 30 days after full bloom. A fungicide can also be applied with the insecticide to help prevent diseases in peaches and apricots.

Always read and follow label instructions for the pesticide you are using.

18.3 MILLION persons visited the 91 parks, fishing piers, historic sites and structures in Texas during the fiscal year which ended Aug. 31, 1983.

Services will be at 2 p.m. today (Thursday) in First Baptist Church in Clarendon with the Rev. Paul Heil, pastor, officiating. Burial will be in Rowe Cemetery in Hedley.

He was the brother of Maurine Henderson and Mildred Kyle of Dimmitt.

Mr. Simmons was born in Whitney and had been a Clarendon resident for seven years, moving from Stratford. He lived in Donley County during his childhood. He was a retired farmer and a World War II veteran. He was a member of the First Baptist Church. He married Esther Trainer in 1944 at Clovis, N.M.

Survivors include his wife; a daughter, Sue Kennan of Guyton, Okla.; a son, George Simmons of Clarendon; two sisters, Mrs. Henderson and Mrs. Kyle of Dimmitt; and three grandchildren.

## MOST COMMON, EASILY CURED CANCER

Skin cancer, the most common form of cancer in America, is the least dangerous and is slow growing. It may be easily cured in a doctor's office, says the American Cancer Society. So don't delay if you find any change in size or color of a wart or mole, or a dry scaly patch of skin, or any lump, bump or pimple that doesn't clear up in two weeks. See your doctor!

indoors each winter.

A seed club has been started with individuals asked to donate a packet of easily grown flower seeds. The seeds will be planted around town during the work day, as well as other times.

Also, the breakfast will serve as a kick-off for the other programs of this year's campaign.

Parents are encouraged to plant a tree or shrub in honor of the birth of new babies for the Tree of Life program, and families are invited to

make plantings in memory of loved ones who have died. plantings will be noted in a special book to be kept in the Tree of Life and Memorial chamber office.

## Tom Warren

...is a portrait of the Old West himself. Following in the footsteps of his father and grandfather, Tom spent his early years cowboying in the Texas Panhandle and South Plains and in eastern New Mexico.

The heritage of this western artist is portrayed in oils, watercolors, bronze sculpture, and his preferred medium — solid steel sculpture. His work in steel is sought world-wide.

To Tom, re-creating the West in art is a matter of giving this country a lasting memory of its greatest heritage. From the desert Old West to the art galleries in Texas, California, Chicago and New York, his work is cherished by serious collectors as well as those who purchase his work for their offices and homes.

To own a "Tom Warren" is a treasure. We invite you to come to our art show today and Friday, meet Tom and see his work.

## Chip Polk

... is an illustrator of people — tradesmen such as the bootmaker, the saddlemaker, the blacksmith. And he does his illustrations in a medium that is difficult to master — pencil.

The beauty in this young Plainview artist's work is in the form rather than the color. With the honesty and solid structure of monochromatic pencil lines, he captures the character of his subjects with a detail that is unlimited, and with a personal style that seems to make color unnecessary.

"I'm constantly looking for new faces," Polk says. "I'm especially interested in people whose character and heritage show in their faces. I'm fascinated by the characters I do, and I try to get all of the character into my drawings." He has done many pencil portraits of residents of our area on commission.

We invite you to visit our art show today and Friday from 9 to 3 to meet Chip Polk and see his work.

**RAMONA HEIMAN**  
... state contender in doubles.

## Nazareth team wins region

Leona Gerber and Ramona Heiman of Nazareth won the doubles competition last Thursday at the Region I tennis tournament held at South Plains College in Levelland.

Gerber, a junior, and Heiman, a sophomore, raced through the competition losing only six games in their four matches.

Their closest match was a

6-2, 6-2 decision in the finals over Tammy Miller and Kelli Williams of Borden County.

The two will represent Region I in the state tennis meet May 4 and 5 in Austin. This will be both girls' second trip to the state tournament.

Both went to state in singles last year, Gerber as the Region I winner, and Heiman as the runner-up.

Heiman reached the state finals.

In opening round play last Wednesday, Gerber and Heiman eliminated Irene Gardea and Kandace Shafer of Tornillo 6-0, 6-1. In the quarterfinals they blanked Kim Dutchover and Martha Villarreal of Fort Davis 6-0, 6-0. Their semifinal match was a quick 6-0, 6-1 win over

Sandra Parrish and Deborah Hardin of Anton.

Nazareth's LaDawn Schmucker and Renee Ramaekers won their first round match, 2-6, 6-2, 6-1 over Melissa Fields and Connie Thornton of Groom. They lost in the quarterfinals to Karen Eggleston and Sherri Bradeen of Wink 6-4, 6-3.

## Schilling wins 400 at region

Nazareth's Shari Schilling was the only Castro County girl to qualify for the state track meet last week, as she won the 400 meter dash in the Region I-A track meet held at Levelland.

Schilling, a senior, clocked a 61.04 in the finals, beating Sudan's Shawnda Masten,

who outdistanced Schilling in the district meet.

Schilling's finals time was her second best this year. She ran a 60.07 the day before in the preliminaries.

Her 61.04 in the finals, bettered Masten's 62.53 second place finish. Masten had run a 61.5 to Schilling's 61.9 in the district meet.

Schilling is the only Castro County girl who will attend the state track meet in Austin on May 4 and 5.

Hart's Lupe Mijarez placed fourth in the 3200 meter run in the Region I-AA track meet in Lubbock last Thursday. She ran a 13:01.64.

## DHS honors athletes

Most Valuable Players and the first recipient of the Danny and Sharla Vaughan Memorial Scholarship were announced at Dimmitt High School's annual Athletic Banquet Tuesday night.

Dwight McDonald, a senior who made all-state in basketball and all-district in football, was announced by Bill Birdwell as the first winner of the Vaughan Memorial Scholarship.

The scholarship was founded in honor of the young Dimmitt couple — both Dimmitt High School graduates — who were killed, along with their four-week-old son, Adam, in a truck accident in Colorado

last April 27. Vaughan had been a member of the state championship boys' basketball team of 1975 and was all an all-regional basketball player in 1976. His wife, the former Sharla Burrous, had been a twirler and all-regional band performer in DHS.

McDonald also received the Most Valuable Player award in boys' basketball.

Senior Tobbi Tischler was a quadruple winner as he received Most Valuable Player awards in basketball, golf and tennis, and was crowned as the Basketball Queen.

Roxanne Gabel was announced as this year's Foot-

ball Queen.

Other MVP winners, announced by the coaches, were Scott Nelson in football, David Barton in boys' track, Richard Saucedo and Brett Sheffy in boys' tennis, Brad Holcomb in boys' golf and Camille Summers in girls' golf.

Football coaches also named most valuable offensive and defensive players. They were Kennen Howell, offensive, and David Barton, defensive.

Fighting Heart Awards went to Brandon Cox in football, Robert Nelson in boys' basketball, Julie Reeve in girls' basketball, Molly Waggoner in girls' track, Joe Alvarez in boys' track, Tricia Touchstone in girls' tennis, and Jeff Butler in boys' tennis.

Athletic Director Kenneth Cleveland presented special awards to Ronnie Parker for serving as master of ceremonies for the annual Athletic Banquet for the past 18 years; and to Jerry Durham, middle school athletic coordinator, for his 14 years of dedication to the athletic program

## Tischler and Watkins are wed in formal ceremony

In an afternoon candle-light ceremony Saturday, Sandra Sue Tischler and Billy Dean Watkins were united in marriage. The double-ring ceremony was performed in the chapel of the University of Science and Art of Oklahoma in Chickasha, Okla., with Brother Troy Capps, pastor of Ninnekah Baptist Church, officiating.

The bride is the daughter of Delton and Sue Tischler of Dimmitt. The groom is the son of Jack and Betty Watkins of Chickasha, Okla. Centering the altar was a brass arch of candles flanked by two fifteen-point spiral candelabras. Beside each of those were placed two seven-branch brass candelabras holding white paradise candles and decorated with cascading bouquets of baby's breath and satin ribbon. The unity candle completed the setting. Pews were marked with hurricane lamps and pink and burgundy bows.

Music was provided by Diane Gantt of Chickasha. She played traditional wedding selections at the organ. Sharon Wilson of Chickasha sang "The Wedding Prayer" and the "Theme from Ice Castles."

Candles were lit during the ceremony by Jason Watkins of Chickasha, son of the groom, and Jenna Schumann of Apache, Okla.

The bride, escorted to the altar and given in marriage by her father, wore a white formal bridal gown of Chantilly and Venice lace. The net yoke and stand up collar were enhanced by a Chantilly lace ruffle over the bodice, which was adorned with dainty seed pearls. The tightly fitted net sleeves were trimmed at the wrist with Venice lace. The A-line skirt of accordian pleats fell to a cathedral-length train, with Venice lace at the hemline and Chantilly lace ruffles forming the train.

Soncia Tischler of Dimmitt, sister of the bride, was the maid of honor. Bobby Tischler of Dimmitt, also sister of the bride, served as bridesmaid. They both wore formal gowns of dusty rose, fashioned with a wide ruffle across the strapless bodice. Both carried pink and burgundy long stemmed roses.

Rick Schumann of Apache, Okla., served as best man, and Rusty Watkins of Chickasha, served as groomsmen. Ushers for the ceremony were Mike Tischler of Ringgold, brother of the bride, and Mac King of Chickasha. For the reception, held in Gary Hall Lounge, the

MRS. BILLY DEAN WATKINS

bride's table was covered with pink and white lace underlined with pink and white draped skirting, illuminated with a soft pink light beneath the table.

Centering the table was the three-tiered cake, decorated with scallops of pink ribbons caught with tiny roses and rosebuds. A cascading fountain flowing pink water rested beneath the cake and was surrounded by greenery, baby's breath and pink roses. Silver candelabra holding pink tapers flanked the cake.

On each side of the wedding table were two round tables decorated with lace and sheer pink skirting. They held the groom's cake and a coffee service. Frothy pink punch was served from a silver punch-

bowl surrounded by baby's breath and roses.

Serving at the reception were Kay DuLaney of Fort Worth, Karla Schumann of Apache, Okla., and Pamela Ratcliff of Chickasha.

Guests were registered by Martha King of Chickasha. The couple will be home Sunday at 1809 Opal Dr., Chickasha, following a honeymoon in Ixtapa, Mexico.

The bride is a 1977 graduate of Dimmitt High School and obtained her degree in business education from the University of Science and Art of Oklahoma in 1981. She is employed as the purchasing agent for Grady Memorial Hospital in Chickasha.

The groom is the Chickasha Fire Dept. training officer, and is an independent construction contractor.

FIRST, WE DO THE THUMB—Lindsey Welch, 3, is getting her fingerprints made with the aid of Dimmitt City Police Sergeant Ray Aleman as part of a preschooler identification project sponsored by the Castro County Extension Homemakers Council. The fingerprinting was done last Thursday in Dimmitt Middle School, and the parents of each child kept the fingerprint record to use in identifying the child if the child is ever kidnapped or missing. Members of the Castro County Sheriff's Dept. also helped with the fingerprinting. Welch is the daughter of Mark and Brenda Welch of Dimmitt. Teresa Nutt, CEA-HE, said that between 128 and 138 children took part in the project. Extension club members were on hand to help register the children and to help wipe off the ink from little fingers.

### Hereford church to host concert

## Adams, Jones to wed

Mr. and Mrs. J. A. Adams Jr. of Turkey announce the engagement and approaching marriage of their daughter, Mary Elaine, to Jeffery Kirt Jones, son of Mr. and Mrs. Charlie Jones of Sunny-

side, where she is majoring in general business.

A 1982 graduate of Springlake-Earth High School, the prospective groom is a sophomore at WTSU.

Grandparents of the future groom are Mr. and Mrs. Phillip Jones, and his great-grandparents are Mr. and Mrs. Charlie Jones.

## Film to be shown at Dimmitt church

"God's Prison Gang," a film featuring Al Capone's getaway driver, the last member of Bonnie and Clyde's gang and two other notorious criminals who have become Christians will be shown at First Assembly of God, S.E. 2nd and Belsher on Sunday.

The showing is scheduled to begin at 7 p.m.

The film, shot behind the walls of New York's Attica prison, is hosted by Art Linkletter. It tells the story of how the work of International Prison Ministry is accomplishing what more guards, higher prison walls and greater financial expenditures have failed to do — returning lives of crime.

Telling their stories in the 44-minute film are George Meyer, Al Capone's favorite driver; Floyd Hamilton, (Public Enemy No. 1) the last of the Bonnie and Clyde Gang; Jerry Graham, the "robber king" of California; and Ted Jefferson, convicted

of crimes from drugs and robbery to murder.

Also featured is "Chaplain Ray," whose Dallas-based International Prison Ministry has changed the lives of thousands of inmates over the past 18 years.

The Reverend Tom Mullins, pastor of First Assembly of God church, said he hopes all citizens concerned about the problem of rising crime will attend the free screening of the film.

### Ministerial Alliance

Steve Ulrey, pastor of the Hart Methodist Church, will lead the Castro County Ministerial Alliance in a study of II Corinthians, chapter 12, at the library of the First Baptist Church, on Tuesday at 10:30 a. m.

# Mixsons establish home in Dimmitt after vows

Mr. and Mrs. Terry Lynn Mixson are at home in Dimmitt following a honeymoon trip to Lubbock after their March 17 wedding.

The bride is the former Lisa Carol Davis, daughter of Mr. and Mrs. Duward Davis of Dimmitt. The groom is the son of Mr. and Mrs. J. R. Mixson of Dimmitt.

Vows were exchanged in a double-ring ceremony in the First Baptist Church of Dimmitt with Ronnie Parker officiating.

Serving as matron of honor was Sheril Hucks of Hereford. Bridesmaids were Sonya Andrews of Lubbock, Lana Kirby of Houston and Karen Davis of Lubbock.

Best man was David Mixson of Dimmitt, brother of the groom. Groomsmen were Mike Mixson of Greenville, cousin of the groom, Steve Kirkland of Mesquite, brother-in-law of the groom, and Kevin Hucks of Hereford.

DeNise Merritt of Lubbock and Carla Moore of Amarillo served as candlelighters.

Ring bearer was Eric Amhold of Hereford. Flower girl was Summer McLean of Dimmitt. Cassie McLean of Dimmitt distributed birdseed. At the registry was Jill McLean and Donna Lively, both of Dimmitt.

Ushers were Don Davis of Mesquite and Kelly Davis of Denton, both brothers of the bride.

Ronda Wise, organist, played chimes at the start of the ceremony. Pianist Kimberly Pegram accompanied soloist Chuck Braafladt as he sang "Singing Through the Years." Pegram sang "Because We're In Love" and "We've Only Just Begun." The two sang a duet of "You and I."

Given in marriage by her father, the bride wore a formal-length dress of white chiffon over crepe. The puffed sleeves of white satin lattice lace were gathered at the elbow. The same lattice

lace also graced the bodice and chapel-length train. Her feminine-style brimmed hat was covered with a white lace veil. She carried a silk arrangement of butterfly orchids and stephanotis with peach satin ribbon and a white lace overlay.

The feminine attendants wore tea-length dresses of peach chintz accented by navy cummerbunds. The attendants carried navy wicker baskets with airy silk flowers of peach and navy.

The church was decorated with seven brass candelabras adorned with peach and navy bows and greenery. Peach and navy bows also decked

the ends of the pews. At the reception in the church fellowship hall, the bride's table held brass appointments and a three-tiered, all-white cake surrounded by four heart-shaped cakes. The central cake was topped with a Precious Moments bride and groom figurine. The centerpiece was a five-branch candelabra with fresh flowers. A peach underlay with white lace overlay covered the table, and peach sash and white bows adorned the corners. Fruit punch was served, along with heart-shaped mints and nuts.

The groom's table was covered with a navy cloth and sported brass appointments. A German chocolate cake was served, along with coffee and nuts. Decorations included a bride and groom figurine surrounded by a wreath of baby's breath.

Servers at the reception included Taunia Davis of Mesquite and Kim Davis of Denton, sisters-in-law of the bride, and Elonda Kirkland of Mesquite and Cindy Edwards of Dimmitt, sisters of the groom.

The bride is a 1982 graduate of Dimmitt High School and is employed at the First State Bank of Dimmitt as a teller.

The groom graduated from DHS in 1981 and is an operator at Goodpasture in Dimmitt.

By Teeny Bowden, 647-5703

Karen Jones and Richard Laverty were married in a double-ring ceremony in the First Baptist Church of Springlake Saturday afternoon. Lee Brown was an usher. The twins, Jared and Jason, ushered the ring bearer down the aisle. A. J. Jones gave the bride away. Gale Brown directed. Sharon and Roy McGowen and Mike and Ester Jones and Lacy of Jal and all his family were here for the wedding, and the reception which followed in the fellowship hall. The rehearsal supper was also held Friday night in the fellowship hall. Lynn Brown was home from South Plains College in Levelland for the wedding and the weekend. Jim and Bonnie Swinney and his mother were here from Lubbock for the wedding and spent the day with Cliff and Naomi Brown.

E. R. and Willie Mae Sadler, Verba Sadler, Eules Waggoner, and Teeny Bowden attended the graveside rites for Mrs. Monroe Gilmer (Lora) of Saint Jo in Dimmitt Tuesday morning. She was 95. Mr. and Mrs. Gilmer and their girls, Maye, Marguerite (Rete), and Avanel bought a quarter section in the west part of the community in 1924 when the Flag ranch was sold in quarters to new settlers. They attended Sunnyside School. Rete and her husband, Walter Hodges, and sons, Billy Dale, Jackie, and Carl came back from Nacona and farmed the place a few years, in the 1940's.

Ray Joe Riley attended the 27th annual meeting of Plains Cotton Growers, Inc. in Lubbock Thursday.

Jan Leonhard was moved from ICU to a private room in Methodist Hospital last Sunday, and has continued to make progress this week. She was dismissed from the hospital Thursday and will stay with her parents, Orville and Rowena Cleavinger for awhile. The children are still with his parents.

Milburn Haydon had charge of the Wednesday night services in the absence of Dr. Strauss Atkinson who was having a painful knee seen about. He is scheduled to have surgery on the knee in Amarillo, May 7.

Dr. Atkinson was a guest Sunday of Gerald and Pat Elkins. He was a guest last Sunday of R. V. and Bess Bills.

Cecil and Nelda Curtis and R. V. and Bess Bills attended the 50th wedding anniversary of Mr. and Mrs. J. E. Shirey in Earth Sunday afternoon.

Cheryl Powell was home Friday night from Sul Ross University for the Easter break. James and Patricia Powell of Canadian joined

her at Ezell and Verba Sadlers Saturday afternoon. Gay Sadler, Melody and Karla of Hobbs spent Saturday night and Sunday with them. Patricia and Verba visited awhile Saturday night with L. B. and Teeny Bowden.

Mr. and Mrs. C. D. Pierce of Littlefield, Dr. Strauss Atkinson, Jim and Cindy Lawson, Natalie and Whitney Nicole of Olton, and Chris and his fiancée, Sherrie Austin of Olton had dinner Sunday with Gerald and Pat Elkins. The Lawsons attended the Sunday night services with them and Natalie played a piano special. She is an accomplished pianist for a nine-year-old.

Lillian Carson, and Carl Dean and Terrie Carson, Deakon and Joshua of Stanton spent the weekend in Dodge City, Kan. with Gene and Bonnie Carlson, Casie and Haley. Carl Dean and family visited Friday evening with the Lee Bradleys.

Gregg George was also home from Austin Community College Friday for Easter.

Stacy Sadler won first place with her dress in the A.C.E. state competition in Abilene this week. Sharon Bradley won third place on her essay.

J. R. and Ethel Ethridge and Lanette spent the day Sunday in Plainview with Chuck and Judy Sullivan and children.

The custom of putting toys and other presents into a stocking on Christmas Eve started in Germany and arrived in England and the U.S. in the 1800s.

## TULIA LIVESTOCK AUCTION REPORT

A total of 763 cattle and calves sold Fri., April 20 at Tulia Livestock Auction. The market was active with fairly good buyer attendance. The market was steady at best on stocker and feeder cattle, due to farmers working in the fields and lower futures market this week. Packer cows and bulls were steady, springer cows and pairs strong on young to middle age turn out cows.

home of Esta Vandiver on Saturday afternoon. Sonya Andrews and Sheril Hucks served dainty party cookies and fruit punch from a lovely table with a large spring bouquet for the centerpiece. Among the out of town guests besides the Blantons were Beth McLendon from Dallas, Kay Merritt and Becky Holmes from Midland.

Jimmy and Joyce Davis and Jayme had dinner on Saturday evening with his parents in Lubbock and enjoyed Easter Sunday with Joyce's parents and sister, Milton and Zelma and Linda, also her brother and his family, all who live in Leveland.

N. A. and Thelma Bryson, Morgan and Geneva Dennis, Irene Carpenter, and Mary Edna Hendrix drove over to Tulia on Sunday evening for the music presentation of "I Am" — a Resurrection celebration presented by the adult choir of the F. B. C. The Bryson's son, Dr. Neil Bryson was singing with the choir.

Gaston and Doris Howell of Waco, Woodrow and Libby Howell of Honolulu, Hawaii, and Gid Howell of Dimmitt visited with their nephews, Jack and Jimmie Howells, Tuesday and Wednesday. Glenda and Vic Struve, a niece of Jack and Jimmie's, drove over from Hart to visit Tuesday night with the group.

Enjoying a fish fry at the Jack Howell's Saturday were Dorothy Sargent from Hereford, Wayne Lee from Plain-

view, Rev. Jackie Lee and family, Donna, Rebecca and Jared from Hart, Don and Carolyn Moke, Trampas, Coby and Chad Davis of Dimmitt, Herb Howell from Bovina, Gaines and Crystal and Matt, all of Bethel and Inez Lee from Dimmitt. Everyone cleaned out their deep freeze, hoping for a good time and more fish this summer.

Los Ciboleros Chapter of D.A.R. will host a reception honoring D.A.R. Good Citizens and American History essay winners and their parents. The reception will be Sunday, April 29th, at 3 p.m. at the Hereford Community Center Lounge — 100 Avenue C. Sixth graders Jennifer Robin Hanners, Kristi Sims and Tonya Alexander and fifth grader Steve Vasquez are Dimmitt essay winners who will be honored.

For CUFUPU Week, Book Club members will meet Saturday morning at 9:00 at the library. Workers can attend the 8 a.m. CUFUPU breakfast and then go to the library to work on the shrubs and yard. Bring your yard tools and wear work clothes.

The Dimmitt school librarians, Maxine Myers, Ruth Cochran and Jackie Armstrong, attended the Texas Library Association Convention in Corpus Christi. They heard several speakers including children's authors. Lloyd Alexander and Barthe De Clements and enjoyed the exhibits. One night they enjoyed a moonlight boat

ride down the ship channel and out on the bay. Another night, Ruth and Maxine and the two public librarians from Dumas, Barbara Jackson and Phoebe Strother, daughter of Grace and Raleigh Strother of Dimmitt, ate at Captain Boomer's, a floating restaurant docked at the T-heads in Corpus Christi. All the librarians agree the trip and the seafood were great.

We were sorry to hear of Cliff Lewis' accident at work on April 18, but it's nice to know that he's back home and recuperating.

Some of our residents are in out of town hospitals; one of those is Mrs. Gaines (Birdie) Neill, who became ill while visiting her daughter in Corsicana. She is a patient at the Navarro Regional Hospital, 3201 W. Hwy. 22, Corsicana, Tx 75110.

Terry Ellison's mother and brother have been patients in a Lubbock hospital.

Mr. Joe Pybus, Doug's father, is still a patient at High Plains Baptist Hospital in Amarillo.

Paul Dannevik, son of Mr. and Mrs. Bill (Martha) Dannevik, is back home after his Dallas surgery.

Mrs. E.D. (Robbie) Morgan (mother of Mrs. Glynda Sims) is feeling better. Mr. C. A. Hance and Mrs. Jake (Martha) Isaacs are recuperating nicely, after their hospital stays.

Mrs. Ruth Coleman celebrated her birthday on Wed-

nesday, April 18. A special family celebration was held in Frank and Shirley Wise's home on Easter Sunday afternoon.

Mr. and Mrs. Walter White and son, James, were in town to go to church and have lunch with their family — Mr. and Mrs. Dan (Oma Dee) Heard and sons, and Mrs. Hazel McCormick. Lunch guests were Joe and Joyce Higgs, Cara, Mandy and Brian.

Shirley and Harold Stephens had family members as guests in their home on Easter Sunday. They were: John and Margaret Womack, Lester Womack, Jess and Sharon Womack and family, Cornelia Annen, Rita and Stan McDaniel and boys and Myrna Cowser and granddaughter, Camille Farris of Dalhart, came for a short visit in the afternoon.

We were saddened to hear of losses in some of our Dimmitt families: Mr. and Mrs. Rex (Dorothy) Sheffy, and Mr. and Mrs. John Lantz.

Gladys Gooding played for the New York Rangers, New York Knicks and Brooklyn Dodgers in a single season — as organist.

## More about County...

(Continued from Page 1)

Commissioners voted unanimously to send eight firefighters to schools this summer. Randy Griffith of the County Firefighters association informed commissioners that because of new requirements several firefighters needed to attend the two schools. Three will go to the Jaws School at New Braunfels. The city and the county will pay the cost.

Five firemen will be sent to the A&M Fire Fighting School. The county will pay a total of \$4,235 to send the men to the two summer schools.

In other business Monday Commissioners:

Heard reports from County Extension Agents Teresa Nutt and Seth Ralston, and tabled discussion of a petition for county road in Precinct 1.

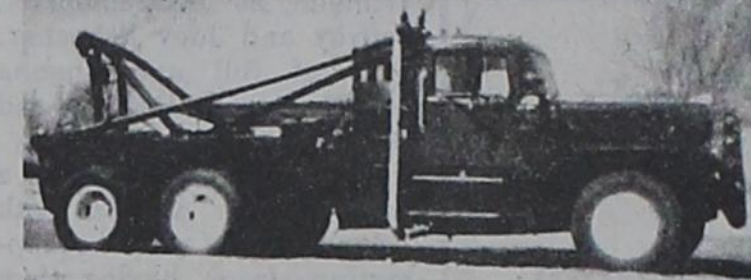

The first king and queen to be televised were King George VI and Queen Elizabeth of England when they visited the New York World's Fair in June, 1939.

## TAX EXEMPTIONS AVAILABLE THROUGH CASTRO COUNTY APPRAISAL DIST.

Phone 647-5131

204 SE 3rd, Dimmitt

### Exemptions can reduce the tax bill to qualified persons

#### Application deadlines

As previously noted, the rendition period occurs in the first stage of the tax process. This is the time during which taxpayers must assert their claims for tax relief. Several forms of tax relief are available to Texas property owners, including homestead and other exemptions, and productivity valuation is available to qualified agricultural or timber producers. Details are described later in this publication.

To be entitled to tax relief, you must file an application with the appraisal office. Your applications for homestead exemptions and productivity valuation should be filed with the chief appraiser during the rendition period—beginning January 1 and before May 1. The appraisal office may extend these deadlines for up to 60 days for good cause.

If you miss the deadlines, special provisions apply. You may file a late homestead exemption application not later than one year after the date the taxes on the homestead were paid or become delinquent, whichever is earlier. If your application is approved and your taxes have already been paid, you will receive a refund of the excess amount paid. If the tax has not been paid, your tax bill will be reduced by the amount of tax imposed on the exempted amount of value.

Late applications for productivity valuation on agricultural land may be filed anytime before the appraisal review board approves the appraisal roll. In such a case, however, the owner is liable for a penalty of 10 percent of the taxes saved that year as a result of productivity valuation received through a late application.

Once a homestead exemption has been granted to a resident homeowner by the appraisal district, a renewal application is not necessary unless the property changes ownership or the person's eligibility for the exemption changes. However, the chief appraiser may require a new application by sending the person previously allowed the exemption a written notice accompanied by the appropriate application form. The chief appraiser may also conduct a mail survey of homeowners during December and investigate the eligibility for exemption of those whose survey card is returned by the Post Office.

One of the two types of productivity valuation need not be applied for annually. Open-space ("1-d-1") valuation, once granted by the appraisal district on qualified agricultural or timber land, does not have to be applied for each year unless the land's ownership or eligibility changes. The chief appraiser, however, may require a new application by sending notice and the proper application form. Agricultural-use ("1-d") valuation must be applied for each year during the rendition period.

Homeowners and owners of agricultural land are required to notify the chief appraiser if their eligibility for exemption or special valuation ends.

#### Exemptions may reduce your tax bill

Property owners in Texas are not required to pay property taxes on their household goods, personal effects and family supplies for home or farm use. Taxpayers also enjoy several kinds of exemptions and other forms of tax relief. The first of these is the residence homestead exemption. A "residence homestead" is defined as a structure, together with the land and improvements, used for residential purposes. In other words, a residence homestead is basically a home and a yard. A mobile home—even a mobile home located on leased land—can qualify as a residence homestead. The amount of land used for residential purposes may not exceed 20 acres. The chief appraiser will determine how much land actually qualifies.

If you owned your home and used it as your principal residence on January 1 of the appropriate tax year, you may claim it as your residence homestead and receive a tax exemption on it for purposes of school taxes. You may also be entitled to certain optional exemptions if offered by the jurisdictions which tax your property.

You will still qualify for the homestead exemption even if a portion of your residence is used for other purposes—for example, if it is used in your business.

Moreover, you will not lose your exemption if you temporarily move away, provided you intend to return and do not claim a residence homestead elsewhere. For instance, if you enter a nursing home and rent your home, you will still qualify for the homestead exemption if you intend to return and if you do not claim a homestead in another jurisdiction.

Applications must be filed on official forms available from the appraisal district, and property owners should note that it is a criminal offense to file a false application.

#### General homestead exemption

**School homestead exemption:** If you qualify for a residence homestead, you will be entitled to a \$5,000 exemption off the market value of the homestead for school tax purposes. In other words, if your homestead has a market value of \$60,000, the exemption will reduce the taxable value to \$55,000. This taxable, or assessed, value is the figure to which the tax rate is applied to determine the amount of your tax liability.

If the market value of your home is \$4,000, the \$5,000 school exemption will reduce the market value to \$0. In this situation, your exemption will be \$4,000. The amount of an exemption which you receive cannot exceed the market value of your homestead.

**County homestead exemption:** If you qualify for a residence homestead, you may also be entitled to a \$3,000 exemption from the assessed value of your home from county taxes. However, this exemption can be granted only from the portion of the county tax rate levied for farm-to-market roads or flood control. Therefore, if your county does not tax for this purpose, you will not be entitled to this exemption.

**Local-option exemption:** Any taxing jurisdiction, by local option, may offer a residence homestead exemption based on a percentage of the market value of the residence homestead. This exemption is in addition to any other exemptions that are offered. If the taxing jurisdiction offers this exemption, the percentage may not exceed 40 percent of the market value of the homestead for 1982 through 1984, 30 percent for 1985 through 1987, and 20 percent for 1988 and subsequent years. If offered, this exemption may not be less than \$5,000.

#### Are you 65 or older?

If you are 65 years of age or older on January 1 of the tax year, you are entitled to an additional \$10,000 exemption off the market value of your residence homestead. This exemption applies to school taxes only and your initial application should be filed before the end of the rendition period.

You may not receive both a \$10,000 over-65 exemption off the market value of your homestead and \$10,000 disability exemption (discussed later). If you are qualified for both, you must choose one or the other.

**Tax ceiling imposed:** If you have applied and qualified for the over-65 homestead exemption, your school district tax bill cannot increase as long as the property qualifies for the exemption. While your property may increase in value through the years, the taxes which you owe in any year cannot be greater than the amount you owed in 1979 or in the first year you qualified for this exemption, whichever is later. (NOTE: Should you make improvement to your property other than normal repairs and maintenance after qualifying for a school tax ceiling, the chief appraiser must calculate a new, higher ceiling based on the value added by the improvement.)

**Tax deferral:** There is another form of tax relief available to persons who are 65 years of age or older. If you qualify for an over-65 homestead exemption, you can postpone paying the property taxes on your residence homestead. In order to postpone or defer paying your taxes in any given year, you must file an affidavit with the chief appraiser in the county where your residence homestead is located.

The taxes will become delinquent and penalty and interest will accrue, but there can be no lawsuit to collect the taxes as long as you own and occupy the homestead. If you do not file the affidavit and a delinquent tax suit is brought against you, you can assert your age and ownership of the homestead and the lawsuit will be abated.

This tax deferral applies to all taxing jurisdictions. Remember, however, that the deferred taxes are still owed and must be paid when your property is sold or when its title passes to others through gift or transfer as part of your estate.

**Local option:** In addition to receiving all other homestead exemptions, you may also receive an additional over-65 exemption of not less than \$3,000 off the market value of your residence homestead. Any jurisdiction—county, city, school district, special district—may, by a vote of its governing body, offer this additional optional exemption to property owners 65 or older. Or, 20 percent of the qualified voters of any jurisdiction may sign a petition requiring that an election on this question be held. If approved by the voters, the appropriate governing body must grant the "optional" exemption.

#### Are you disabled?

If you are disabled and qualify for the residence homestead exemption, you are entitled to receive an additional exemption of \$10,000 off the market value of your residence homestead. This exemption applies to school taxes only.

"Disabled" for purposes of this exemption means either that, because of physical or mental disability, you are unable to engage in any substantial gainful work; or that you are 55 years of age or older and blind and by reason of the blindness are unable to engage in your previous work.

If you are receiving disability benefits under the Federal Old Age, Survivors, and Disability Insurance Program administered by the Social Security Administration, you will qualify as long as you apply on time.

If you are receiving disability benefits under any other program, you will not automatically qualify. You must still meet the definition of disability stated above and apply before the end of the rendition period.

Again, you may not receive both a \$10,000 over-65 exemption off the market value of your homestead for school tax purposes and a \$10,000 disability exemption. You must choose one or the other.

Be aware that no tax freeze exists for persons receiving the \$10,000 disability exemption. Only over-65 persons receiving the \$10,000 homestead exemption for the elderly are entitled to a ceiling on their taxes.

#### Local option:

In addition to receiving all other homestead exemptions, you may also receive an additional disability exemption of not less than \$3,000 off the market value of your residence homestead. Any jurisdiction—county, city, school district, special district—may, by a vote of its governing body, offer this exemption. Or, 20 percent of the voters of any jurisdiction can sign a petition requiring that an election be held which would direct the governing body to grant the exemption. The definition of disability for this exemption is the same as that for the \$10,000 exemption.

#### Are you a disabled veteran or qualifying survivor?

Texas law also provides for a disabled veterans' or survivors' exemption. Certain disabled veterans or their survivors may be entitled to a partial exemption from property taxes. This exemption can be applied to any one property—not just a homestead—that is owned on January 1.

Depending on the percentage of your disability, you may be entitled to an exemption ranging from \$1,500 to \$3,000 off the property's assessed value. In order to qualify, you must be a Texas resident and file an application at the appraisal district office. If you applied for and received this exemption in 1983, you do not need to reapply unless your qualifications change or unless requested by the chief appraiser of the appraisal district.

You must designate only one property to receive this exemption, regardless of the number of taxing units in which you own property. Application forms are available at the appraisal district office.

You are required to present documents stating the percentage of a service-connected disability from either the Veterans' Administration or a branch of the armed services. Proof of marriage, death or age may also be required.

#### Are automobiles and other transportation vehicles taxed?

All automobiles and pickup trucks owned by an individual or family and not used to produce income are exempt from property taxes unless the governing bodies of the local taxing units in which these vehicles are located take official action to tax them. Business vehicles are not tax exempt, nor does the law provide tax exemptions for aircraft, trailers and boats.

#### Who qualifies as a farmer or rancher?

In addition to the exemptions described above, qualified farmers and ranchers or timber producers may enjoy another form of tax relief.

Two amendments to the Texas Constitution permit agricultural and open-space land to be taxed generally at its productivity value instead of market value. These provisions are effective only if applications are filed with the appraisal district office in a timely manner.

Rural acreage in many areas of Texas is increasingly in demand for housing subdivisions, shopping centers, country homesites and industrial development. For example, some ranch lands and wooded pastures in desirable locations increasingly are becoming worth far more in market value than their value for producing crops or livestock.

Therefore, recognizing that higher property taxes might exceed income from the land, Texas voters approved two changes to the State Constitution permitting agricultural valuation and open-space land valuation under certain conditions.

#### Article 8, Section 1-d

This provision in the Texas Constitution permits agricultural-use valuation of land provided certain qualifications are met. These include:

- The land must be owned by a natural person—partnerships, corporations or organizations may not qualify;
- The land must have been in agricultural use for three years prior to claiming this kind of valuation;
- The owner must apply for this designation each year and file a sworn statement about use of the land; and
- The agricultural business must be the land owner's primary occupation and source of income.

Applications for appraisal under this provision must be filed annually with the chief appraiser during the rendition period. For good cause, the chief appraiser may extend the deadline for not more than 60 days.

If you miss the application deadline, as noted earlier, you may file a late application anytime before the appraisal review board approves the appraisal records. In such a case, because of the late filing, you are liable for a penalty of 10 percent of the taxes saved that year by receiving the productivity valuation.

#### Article 8, Section 1-d-1

This provision in the Texas Constitution allows open-space valuation of agricultural and timber land. Qualified open-space agricultural land under Section 1-d-1 is valued in the same manner as agricultural land receiving productivity valuation under Section 1-d, discussed above. Qualified timber land, on the other hand, may be taxed on its productivity valuation or 1978 market value, whichever is higher.

Most farmers or ranchers who are unable to qualify under Section 1-d will qualify for open-space land valuation. The following requirements must be met:

- For agricultural land, the land must be currently devoted principally to agricultural use to the degree of intensity generally accepted in the area.
- For timber land, that land must be used with the intent to produce income and be currently and actively devoted principally to the production of timber or forest products to the degree of intensity generally accepted in the area.
- For both, the land must have been in agricultural or timber use for at least five of the last seven years.

## Nazareth

By Ursle Gerber

Holy Family services were special to everyone. So many parishioners were involved in dramatizing the Solemn Passion Play on Palm Sunday and again on Good Friday. The Easter Vigil and first Mass of Easter were most impressive with beautiful readings and hymns. Father Harold is to be commended for the timeless effort he gives to each service to make them really special.

Baptisms in Holy Family Church Saturday evening were: Jason Mark, infant son of Greg and Glenda Birkenfeld with Danny and Karen Gerber as his sponsors; Elizabeth Ann, daughter of David and Mary Olvera, with James and Irene Wilhelm as her sponsors; Jeffrey and Joey Schacher, sons of Bill and Dianna Schacher, with DeZane and Ben Schacher as sponsors.

Tinie Hoelting spent a week in San Antonio with Anna Hoelting who is recuperating from having foot surgery.

Most all families here were together Easter Sunday for dinner and family reunions. The family of Meta Stork gathered at her home for dinner and the traditional Easter egg hunt in the afternoon. Eighty-six members of her family were there.

Clarence and Odie Schulte and Max Acker spent Easter in San Antonio with Tom and Clarice Acker and their family.

Rick, Robbie and Jessica Gerber of Austin spent Easter here with their families, the Albert Gerbers and W. J. Albrachts of Hereford. Robbie flew back to Austin Sunday evening, Rick and Jessica will spend several days here with his family.

Pvt. Cecil Wilhelm is home on furlough until Saturday, after finishing three months of boot camp in San Diego.

Lavern and Ronnie Wilhelm returned Wednesday from a two week vacation. They drove to Denver and visited Ronnie's friends from when she was employed there, and stayed with Bert's sons, the Andy Wilhelm family of Henderson, Colo.

They took Amtrack to Seattle, Wash. to visit a friend, and drove to east Washington. The scenery through the Rocky Mountains was beautiful. They took Amtrack again to Oakland, Calif. to visit their Maid of Honor, Dorothy Sanatarelli, then went to Los Angeles to visit a friend,

Rose Grover in Glendale, visited a cousin, Eugene Cornett in Garden Grove, then drove to San Diego and visited Dorothy and Louise Torok.

They attended their son Cecil Wilhelm's graduation from Marine boot camp.

They drove to Port Hueneme, Calif. to visit Wade Wilhelm who is in the Navy, then Mary Kulick, Ronnie's niece, in Calabasas, Calif.

Returning by Amtrack, they got to stop at Las Vegas, Nev. and even gamble a little.

They visited Martha Schulte, and she seems to be doing good, and said she appreciated all who wrote to her but hope they understand that she can't write back.

### Junk cars are needed

A minimum of 28 junk cars will be needed by Saturday to feed the car crusher machine from Amarillo, and local citizens are encouraged to donate their old clunkers, along with old appliances as part of the 1984 Clean Up, Fix Up, Pride Up Campaign in Dimmitt, which will kick off Saturday.

The crusher will come to town today (Thursday) and stay through Saturday, crushing cars, discarded washers, dryers, dishwashers, refrigerators and other unwanted appliances, according to project chairman Chuck Braafladt. He is assisted by Jeff Robertson and C. G. Maples.

Items to be crushed will be collected on the 200 block of East Andrews, across from Don's Wrecker Service and Body Shop.

Anyone wishing to donate items to feed the crusher may call 647-2524. Each car owner must sign a release before the car can be crushed. Pick up service for the items will be available, although property owners are encouraged to deliver items themselves.

"We would also be glad for farmers to bring in old machinery or scrap metal they want to get rid of," a campaign worker said. "We'd like for them to bring the junk in to town if possible, but we can try to arrange to have it picked up if needed."

## Police calls

Law enforcement officers arrested seven this week, mostly on alcohol related charges.

Two public intoxication arrests were made, and four DWI arrests were made.

One man was arrested for violation of probation.

Police are investigating two incidents of burglary which occurred Friday. The Yolanda Medrano residence (208 Locust) was burglarized and a book of checks was taken. The home of Bud McLain (209 Locust) was burglarized on the same day. A Buck knife and \$130 in cash was taken.

Police are investigating a report of criminal mischief which occurred Friday at Granny's Restaurant. Several video machines were damaged and holes were kicked in the wall.

Ida Hobrathschk was taken to High Plains Hospital in Amarillo Sunday when the car she was driving was struck in the rear by a blue Pontiac which left the scene. Police are investigating.

One other traffic accident was reported during the week. Richard Ewing was traveling north on NE 7th Sunday when he lost control of his car and went through a fence and hit an unoccupied car pushing it into a house. No one was injured.

A 13-year-old juvenile male was taken to Plains Memorial Hospital over the weekend when he collapsed at a Dimmitt store.

Police said the evidence they have indicates that the youth collapsed due to a mixture of alcohol and marijuana.

The youth was picked up for possession of marijuana under two ounces and will be turned over to juvenile authorities.

### Crime Line offers \$800

Crime Line is offering \$800 in rewards this week for information about the week's spotlight crimes.

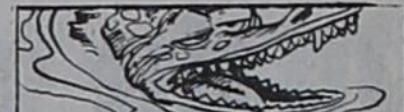

A \$200 reward is offered for information about the theft of a farm trailer loaded with hay, taken from Dan Bruton's property five miles NW of Dimmitt. The theft occurred March 25. Someone cut a barbed wire gate and removed the 20-foot trailer loaded with 119 bales of hay. The trailer and hay have been recovered, but the persons responsible have not been caught.

A \$300 reward is offered for information concerning the theft of items from a grain truck located on the James Welch farm nine miles west of Dimmitt. The date of the incident is unknown. The items removed from the 1973 Ford grain truck included: a 25-ton hydraulic lift system, control cable, 60 gallon propane tank, a set of west coast mirrors, 12 volt battery and a set of battery cables.

A \$200 reward is offered for information concerning the theft of several items stolen from a barn on the R.E. Lance farm located 2 1/2 miles south and one-half mile east of Easter. Taken was a 225 Fender welder, a Victor cutting torch with hose and gauges, and a gasoline-powered air compressor. The items were stolen April 15 or 16.

A \$100 reward is offered for information about the burglary of Falcon's Liquor store sometime in the early morning hours Saturday. The thieves gained entry by breaking out a window of a door. They took alcoholic beverages from the store.

Anyone having information about any of these crimes should call Crime Line at 647-4711.

## ASCS advises farmers to protect acre bases

Charley E. Hill, County Executive Director of the ASCS advises all farmers to file an acreage report, whether they participate in farm programs or not.

"Farmers who did not sign up for the programs could benefit by certifying their planted acres because the reported 1984 acreage will be used in establishing the 1985 base acres," Hill said.

The acreage reports are

used to determine compliance with farm programs and to document the crop acreage for establishing future crop acreage bases.

To be eligible for price support loans, target prices and other program benefits, farm program participants are required to report the actual planted acreage on a field-by-field basis.

ASCS verifies that acreage reports are accurate by randomly checking farms and also by providing aerial photographs for farmers to identify their fields. "Farmers may request pre-measurement and other producer services to be sure reports are accurate and avoid unnecessary worry over the loss of program benefits," he said the service is provided for a nominal fee and the measurements are guaranteed for the crop year.

Castro County farmers have from April 16 through May 4 to report Fall-Spring Seeded Small Grain crops. Acreage reports may be filed weekdays between 8 a.m. and 5 p.m., at the county office.

## Free cheese to be given away

Free commodities of cheese and butter will be distributed today (Thursday) beginning at 9 a.m. at the County Expo building in Dimmitt.

The distribution will continue until all the items are given away.

Paperwork has been changed to conform to stricter income guidelines, according to local Community Action director Wannie Stevens. The new requirements will be explained at the distribution, or for more information call 647-3244.

## 'Run for Life' is Saturday

The Castro County chapter of the American Cancer Society is having its second annual "Run For Life" Saturday.

There will be a 10 K (6.2 miles) run, a 5K (3.1 miles), and a one mile fun run. The races will start at the Dimmitt City Hall. There will be awards for the top three finishers in each division. The first 125 entrants will receive a "Run For Life" T-shirt.

The entry fee, by today (Thursday) is \$8. Late registration

the day of the race is \$9. A person can enter the one mile run and one other race for \$12. Entry forms and fees should be mailed to "Run For Life," 200 East Bedford, Dimmitt, Texas 79027, Attn: Roger Malone. Registrations may also be phoned to 647-3286 during the day or 647-3231 or 647-2247 in the evenings.

All proceeds from the "Run For Life" are to be donated to the American Cancer Society. This is the kick-off event. On Sunday, April 29, volunteers will cover every part of the County getting pledges and donations for the Cancer drive.

Doris Lindsey and Louise Mears are co-chairpersons for the Cancer Drive. Beth Buckley and Roger Malone are co-chairpersons for Cancer's "Run For Life."

Division in the 10K and 5K races for men are 19 and under, 20-29, 30-37, 38-44, and 45 and over. For women there is a 19 and under and an open division. In the one mile run, divisions are: Boys 12 and under; 13-15, and Men's open. Girls, 12 and under; and open.

## Robledo is honored

Marine Staff Sgt. Juan M. Robledo, son of Eusebio and Leonarda Robledo of Dimmitt was recently awarded the U.S. Marine Corps Good Conduct Medal.

The award, which signifies honest and faithful service over a three-year period, was established by the Secretary of the Navy in July 1896 to recognize good behavior and conduct in the Marine Corps.

## Artists to show works at bank

Two popular western artists will show their works today (Thursday) and Friday at the First State Bank of Dimmitt.

They are Tom Warren, painter and steel sculptor, and Chip Polk, who specializes in monochromatic pencil drawings.

Both artists will be on hand to show their works from 9 a.m. to 3 p.m. today and Friday, at the bank's invitation. Most of the works on display will be available for purchase, according to First State Bank President Bill Loyd.

Warren, who spent his early years cowboying in the Panhandle, South Plains and eastern New Mexico, paints in both oils and watercolors, and takes to the welding torch to sculpture in all metals. His favorite sculpture medium is a unique one - solid steel.

Having spent 25 years as a quarter horse breeder and cattle raiser before turning to commercial welding, Warren uses his self-taught artistic talents to capture the beauty of the desert Southwest, the cowboy and the horse.

Warren has gained a solid reputation throughout the U.S. He was chosen to illustrate "XIT: The American Cowboy," published in 1975, and the following year he was chosen to represent Texas in the cultural division at the National Bicentennial in Philadelphia. He has staged shows in New York, Chicago, Los Angeles, Dallas and Austin.

He is believed to be the only artist now sculpturing in solid steel. He did his first steel sculpture in 1939, and now his work in steel has gained a world-wide following. Each sculpture is a one-of-a-kind creation.

Skip Polk of Plainview is a rising young artist who uses pencil sketches to capture the uniqueness of such craftsmen as the saddlemaker, the bootmaker and the blacksmith.

Polk, a native of Post, had to overcome a basic obstacle to pursue his first love. Color-blindness prevented him from painting, and he made his living for many years as a radio station announcer in Lubbock. Meanwhile, he satisfied his artistic urge with pencil sketching as a hobby.

Encouraged by his wife, he joined a smaller radio station in Plainview and devoted more time to his pencil art. Within three years he completed 40 portraits on commission. He is currently doing a series on unique western craftsmen - a series that started when he became intrigued with a Plainview bootmaker who re-soled his boots for him.

"A lot of these people are unique," Polk said. "There's more there than just a picture. These are real people, characters, and that's what I try to show." In monochromatic pencil drawings, Polk explained,

the beauty is in the form rather than color.

"To me, the monochromatic pencil depicts a memory," he said. "It seems to me that we're bombarded with so many special effects these days, I wonder if we'll see a turn around back to more basic kind of art, with good solid structure."

If the two-day art show is well received, there will be more in the future at the First State Bank, Loyd said.

"When I was at Muleshoe, we had several art shows at the bank there, and they were popular there," said Loyd, who is a collector of western art.

## Former Nazareth woman has cookbook published

Eileen Gerber, a former Nazareth resident, has published a Sugar-Free Cookbook, especially for hypoglycemics and diabetics.

Gerber suffers from hypoglycemia and must avoid all sugar in her diet. Out of necessity she began experimenting with her own recipes in order to stay on her diet. The result, her own cookbook.

"The recipes took me years to finish, trying a little of this and a little of that," she said. "I did my own typing and cover and page decorations so it's all my own thing."

The cookbook contains a complete selection of recipes

for main dishes, sandwiches, snacks and desserts as well as beverages, soups and sauces, and canning recipes. There is even a section for homemade breads and cooking in large quantities.

Gerber is the daughter of Paul and Lillian Venhaus of Nazareth. She now lives in Oklahoma.

The cookbook is available locally. For information call 945-2593.

## Cancer Society announces appointment of chairmen

Doris Lindsey and Louise Mears of Dimmitt are serving as Chairpersons of the American Cancer Society's educational and fundraising Cancer Crusade in Castro County slated to begin Saturday.

In announcing the appointment Dale Wells, President of the Society's Castro County Unit said, "Under

the leadership of Lindsey and Mears, this year's Crusade should be one of our most successful campaigns ever. We fully expect to reach all of our goals and aims."

"Here in Castro County, we expect to raise \$9,100, Wells said. This money will be used to support programs in the Castro County area for

the prevention, early detection, and treatment of cancer, and to provide assistance to cancer patients.

"Another important goal is to help save lives. An army of trained volunteers will bring information on cancer risk and detection to all the residents of Castro County during the door-to-door drive," he said.

Lindsey and Mears have been recruiting and leading a large number of volunteers. All volunteers are asked to pick up their packets today, (Thursday) at 5:15 p.m. in the Aldermen's Chambers of the City Hall, where they will also receive their final instructions.

The 1984 Cancer Crusade in Castro County is part of statewide and national efforts involving more than 2,000,000 volunteers. Individuals interested in volunteering for the Cancer Crusade can contact Doris Lindsey, Louise Mears, or Jonalyn Jones in Hart, Mary Olvera in Nazareth, Katie Wright in the business community, Carletta Harkins in Easter, Dorothy Gilbreath and Mary Cluck in Sunnyside, Doris Lust and Nell Ingram in Flagg, Charlene Hunter and Randy Holmes, north of the city.
