On your mark...

Attention runners! Saturday is the day for the annual Harvest Days Run, which kicks off Castro County's Harvest Days celebration.

Runners entering by Friday will pay a \$6 fee, and runners waiting until the day of the race will be charged \$7.

Three races will be featured including the 10K (6.2 miles), the 5K (3.1 miles) and the One Mile Fun Run or Walk.

Check in and late registration will be at city hall on the southeast corner of the courthouse square in Dimmitt.

Late registration will be from 7 to 8:15 a.m. The one mile race begins at 8:30 and the 5K and 10K races begin at 9 a.m.

Trophies will be awarded to the overall male and female winners in each race and the top three finishers in each division. The first 150 entrants will receive a "Harvest Days" T-shirt. Trophies also will be awarded to the oldest competitors in the one mile Fun Run or Walk.

To enter the race call 647-3286 day or 647-3231 evenings.

The races will be run on paved roads and streets and the course is fast, looped, and has a few hills. Mile markers have been set at each mile and water stations will be set up at the one mile, three mile and five mile marks.

All proceeds from the event will be donated to Kids, Inc. of Dimmitt.

Other Harvest Days activities begin next Thursday (Sept. 15) and will last through the weekend.

DIMMITT FIREMEN work frantically to control a fire at Dimmitt Thriftway Friday afternoon. The fire was restricted to the back loading dock of the store and damage was estimated at from \$5,000 to \$6,000. Store owner Walt Hansen said the fire probably was caused by a cigarette or sparks from the

incinerator. The fire started about 2:50 p.m., and Dimmitt firemen had it under control in a short time. The store was closed Friday afternoon due to a power shortage caused by the fire. No food products were damaged.

'Opry' will help Tracy Hatla grow

A stage full of talented people will perform in Dimmitt Saturday night to help Tracy Hatla grow.

Tracy, 14-year-old adopted son of Glenn and Dianne Hatla, underwent brain surgery last December for removal of a benign tumor. It was a

rough experience for a 14-year-old boy, but he bounced back in time to sell his project animals at the Junior Fat Stock Show in February.

Now Tracy faces another problem. The tumor affected his pituitary gland — the pea-size gland at the base of the brain that triggers growth.

Tracy's pituitary now produces no growth hormone. He's 4-11 now, and will never be more than five feet tall unless he has a series of growth hormone shots.

The shots are very expensive — almost \$40 each — and he has to have three a week for the next three years. That comes to \$112 a week, \$672 every six weeks, almost \$6,000 a year, almost \$18,000 for the three-year series.

To help Tracy grow, the Dimmitt Lions Club will sponsor a benefit performance of the Easter Opry Saturday night at 8 in the Dimmitt High School auditorium.

There'll be no admission charge, other than voluntary donations to the Tracy Hatla Medical Fund. The Lions Club already has given \$600 to help Tracy get started on his growth-hormone series; he got his first shot last Wednesday.

Performers donating their talents for the show will be soloists Zelda Ellison, Robert Cox, Annette Dawson, Joyce Alred, Darla Stone, Holly Hodges, Chuck Danley and Tom Manel; the Calvary Gospel Group; and musicians Ed Gallagher (piano and banjo), Lewis Porch (drums), Roger Hodges (lead guitar), Jerry Hod-

'Ladies Day' planned Sept. 16

NHS BAND—The Nazareth High School band, under direction of Bernie Tackitt, marched at the annual Labor Day Picnic at Nazareth Monday. Drum major is CeCe Kern.

Friday, Sept. 16 will be "Ladies Day" during Harvest Days festivities, and three special programs have been prepared for area ladies.

At 10 a.m. the program "Self Motivation-Goal Setting" will be presented by Deborah Tardy of Hereford.

Tardy is owner-manager of Success Unlimited and is a distributor of self motivational material.

At 12 noon, a "Nutritious Snacks" program will be presented by Joy Gibson of Energas in Amarillo. She will discuss easy to prepare snacks which adults and children can make. She will also present ideas for party snacks.

"Color Me Beautiful" will be presented at 2 p.m. Jimmie Glenn, fashion coordinator for Charisma Fashion in Canyon, will discuss planning wardrobes and how to keep from making fashion mistakes.

The three programs will be held at the County Expo Building and there will be no charge for admission. The public is invited to attend.

Fair exhibits and arts and crafts booths will be open for viewing from 9 a.m. to 8 p.m. Sept. 16, at the Expo building.

Kicking off the Harvest Days activities will be the Harvest Days Run Saturday. Then next Thursday, Sept. 15, Castro County Fair exhibit entries must be registered from 3 to 6 p.m. Entries will be judged that evening and on display throughout Harvest Days. For more information call the County Extension Office at 647-4115.

Many activities are planned for Saturday (Sept. 17), including the Bed Race set for 5 p.m.

More entries are needed for this event. "We've had a lot of people ask about the bed race, but not many commitments," said Chamber of Commerce manager Delores Heller.

It will cost a team \$5 to enter the bed race. A \$100 cash prize will be awarded to the fastest team, and \$25

City buys 'umbrella'

The Dimmitt Board of Aldermen voted Tuesday night to accept a \$3 million umbrella policy for the city's liability coverage at a yearly premium of \$1,577.

Ronnie Parker of the Brown and Parker Insurance Agency of Dimmitt told the board that there could possibly be an additional \$200 charge if the underwriting company has to share part of the policy with another company—called "spreading the risk."

The board reserved the right to reject the policy after examining it at the next meeting.

Also, the board voted to postpone until the next meeting any action on a proposal by Mayor R. L. Fleming to place more stringent requirements on free use of the lights at the Kids, Inc. baseball parks in Dimmitt.

"When something is free, there will be some who will abuse it," Fleming said, adding that

there have been instances of the lights being left on overnight.

Aldermen felt that it would be more fair to allow representatives of the Kids, Inc. board a chance to have some input on the issue.

The Mayor's Council on the Beautification of Dimmitt was allotted \$250 to begin operations, with more funds promised at the next yearly budget session.

The council said they plan to use the funds to purchase flower boxes or planter-barrels for use around the square. Future expenditures would include a tractor with shredder for maintaining vacant lots, etc. around town.

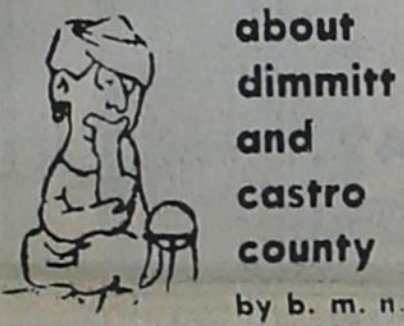

The council also suggested a levy on commercial property in the city of 50 cents per month to go toward beautification, with the levy collected through the water department.

The aldermen postponed any action on that part of

COUNTY'S FIRST LOAD OF CORN—Philip Haberer (left), who farms near Dodd, weighed the county's first load of grain in at 3:30 p.m. Friday at Dimmitt Agri Industries Inc. Haberer and Ron Miller, general superintendent at

Dimmitt Agri, inspect the load. Bushel weight was 52.2 and moisture was 26.6. The county's other elevators are expecting their first loads sometime this week or next.

Progress and improvements are wonderful. We should strive for and expect new and different methods of doing things. Technology, today's variety, is accomplishing the seemingly impossible. It's all being accomplished with little things called chips, or that's what some little doodads in our compugraphic typesetting machines are called. They sort of look like and are about the size of a star-back tick. I assume they are in all of this fantastic electronic equipment that has become necessary for our good health and well-being. They do make miracles happen right before your eyes. It's uncanny, and I doubt if we could have made it much longer without those little chips. I know for sure that the astronauts couldn't have returned to earth from space, and hit that narrow landing strip in the desert without the help of those little tick-shaped chips. Some of the benefits of this electronic gadgetry

WOW...WE HAVE A FOOTBALL TEAM. And that's the name of that tune.

I know I speak for the team and coaching staff as well as the booster club in thanking all the fans who supported the Cats at the Floydada game.

To the question, "What do we do with the money we raise?" There are many items which are needed by the athletic departments but are either not included in their budgets or the amount budgeted falls short of the costs: i.e., charter buses, various weight room equipment, yard line markers, video equipment, all sports banquet, development of game films, a knee exercise unit, pictures of varsity players displayed around town. . . just to name a few items.

Now I do not intend to imply that the booster club is solely responsible for the above items but we have donated thousands of dollars to the school who disperse the money as they see fit. SO AGAIN I URGE YOU TO JOIN THE BOOSTER CLUB...

SEE YOU AT THE PLAINS GAME FRIDAY AT 8 P.M. Remember we have the game film every Tuesday at 7 p.m. at the DHS cafeteria. The film is narrated by Coach Griffin.

Coordinating Council of Palo Duro Presbytery will meet Friday at 2 p.m. at the Presbytery Office in Lubbock. It will close before noon on Saturday.

Junior and Senior Highs of Area II (7-12 grades) will have a Ya'll Come Picnic, Saturday in the Levelland City Park.

Sunday in the church calendar is Lord's Day Observance. In Dimmitt it is a Day of Prayer for Rain.

Our church is responsible for the service at South Hills Manor on Sunday at 9 a.m.

There is a Sunday Church School class for everyone every Sunday at 10 a.m. The Adult Bible class will meet at the home of Mrs. Emily Clingsmith. All other classes will meet at the church.

"On Wisdom," will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God at 11 a.m.

James D. Camp will be ordained and installed as pastor of the Covenant Presbyterian Church in Amarillo Sunday at 5 p.m.

The Session will meet Monday at 7 p.m.

"The Mystery of God's Kingdom," a study of Mark 4:1-32, will be Wednesday at 7 p.m. as part of the Mid-week Bible Study and Praise Service.

HOME HEALTH AGENCY of Texas recently announced the addition to their staff of Shelly Rice RN (left) and Rhonda Killough LVN. Both are long time Dimmitt residents and have worked at Plains Memorial Hospital. Through the Home Health Agency, Rice

and Killough will be visiting home bound patients in the Castro County area. They may be contacted through your physician or directly. They also will conduct monthly blood pressure clinics, at the Senior Citizens Center, which will be open to the public.

Sales taxes down from last year

State Comptroller Bob Bullock in August sent checks totaling \$103 million in local sales tax payments to 974 cities that levy the one-percent sales tax.

Based on sales made in June and reported by the end of July, the totals for cities in Castro County are up from the payments received in July, but totals for the year to date compared with the same period in 1982 continue to decline.

Dimmitt's August payment of \$16,906.51 was lower than the \$18,889.61 received in August of 1982. The 1983 total to date for Dimmitt is \$87,302.71, compared with the \$95,240.24 to date received in 1982, a decrease of 8.33 percent.

Hart's sales tax rebate for August of 1983 was \$1,431.15, while in August of 1982 it was \$1,902.89. Total for 1983 to date is \$9,676.14, while in 1982 the total was \$10,397.59, a decrease of 6.94 percent.

Also showing a decrease — 2.47 percent — from 1982's year-to-date total compared with 1983's total is Nazareth, with a total of

\$9,446.74 in 1983 and \$9,686.21 in 1982. Nazareth's August payment for 1983 was \$1,644.35, while in 1982 it was \$1,502.81.

On the Go

With Mary Edna Hendrix, 647-3343

We were saddened to learn of the tragic death of Shannon Vaughan, who was killed in an automobile accident in Richardson Friday night, Sept. 2. Shannon was the daughter of David and Sue Vaughan of Richardson (former Dimmitt residents). She was the granddaughter of Mary Edna Hendrix and Charles and Betty Vaughan and a niece of Gary and Sherri Baldrige, all of Dimmitt. Shannon also had a brother, Brent, of the home. Our deepest sympathy is extended to all the family.

Let's everyone attend the Easter Opry this Saturday night, Sept. 10, at 8 in the Dimmitt High School auditorium. All proceeds will go to the Tracy Hatla Medical Fund. Admission is by donation only. The event will be sponsored by the Dimmitt Lions Club.

On Wednesday afternoon, Aug. 31, Sam (Buck) Raper was honored with a retirement party at the City Hall, hosted by the City of Dimmitt.

In appreciation of 28 years of loyal service, he was presented with an engraved gold watch.

Attending the party was the guest of honor (Buck) Sam Raper, his wife Pearl and son, Sam Jr. Bobby, another son was unable to attend. Other guests were the City aldermen and their wives, county workers and a few close friends. They served decorated cake and homemade ice cream.

Buck and family plan to remain in Dimmitt and just work around the place and help Sam Jr. with his yard service.

"Congratulations" Buck on a job well done. I know you will be missed!

George Clark and family of Littlefield spent Saturday in the Sam Raper home. They are keeping their grandson Charley Burnham, son of Mr. and Mrs. Charles Burnham II, who are in Washington, D.C. where their four-year-old daughter Natasha was flown to Walter Reed Hospital suffering from leukemia. Her condition is reported as critical.

The Thursday Bridge Club met at the Senior Citizens Center for a day of bridge and lunch. Josie Bradford won high score and Retta Cluck won second. Others playing were Ferne Dickey, Faun Welker, Johnnie Vannoy, Oleda Schumacher and Ruth Skinner.

Jeff Isaacs was home for the Labor Day weekend visiting his parents, Jake and Martha Isaacs, and

grandparents C. A. and Leada Hance. Jeff is a student at Amarillo College.

Our deepest sympathy goes to the Es Noble families. Mr. Noble was a resident of Castro County for 73 years.

Wilma Jo and Rex Williams from Magnolia, Ark. were here for the funeral of her father, Mr. Ester Noble. They stayed over for a few days visiting friends and relatives. They attended services at the First Baptist Church Sunday morning.

Becky and Sonya Andrews were home to visit their mother Brenda over the weekend. They are both students at Texas Tech.

Dorothy Brewer from Shawnee, Okla. has been visiting her cousins, Maurine Henderson and Nita Kyle.

A reception honoring Dorothy Cook on the evening before her retirement was held Thursday, Sept. 1 in the home of Jim and Floyce George.

Dorothy has served the past 21 years as a postal clerk in the post office in Dimmitt. Refreshments of sandwiches, dips and chips were served. A beautiful cake of red, white and blue, with the eagle emblem of the USPS was made by Rebecca May.

Those attending were postal clerks, Gene Broadstreet, Sue Tischler, Donna Schilling and City carriers Shorty Barlow, Art Cano, Richard Rangel, Moises Murrillo was unable to attend, Rural Carriers, Catherine Huseman, Angie Acker and hostess Floyce George. Charlie Hill was in the hospital in Amarillo so he and Beverly could not be present.

Postmaster Bill Sava was out of town due to the serious illness of his dad, but was represented at the party by his wife Jacque. Spectral guests were Dorothy's daughter, Delores Heller and Jerry and their children Craig, Coby and Mitzi.

Maxine Myers and Ruth Cochran spent the day shopping in Amarillo, Saturday and then went on to spend the weekend with Maxine's mother, in Carey.

Tommie and Homer Nisbett, Louise Mears, Irene Carpenter, Mary Edna Hendrix and Oleta Gollehon had a special treat last Thursday when Ruben and Edna May and Otis Ford from Wheeler came up to renew friendships that began on a bus trip to Branson, Mo. last October.

The Dimmitt Ding-a-

lings first entertained them at Tommie and Homer's for a delicious chocolate cake and ice cream. Then after a lot of remembering, they all went to K-Bobs for more food. Then they all went to Louise Mears' for more visiting and some more cake (there went the diets).

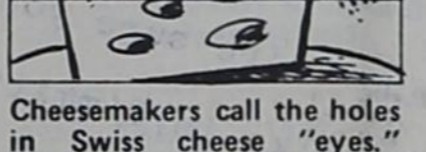

Oleta Gollehon had weekend guests when her daughter, son-in-law and grandson Kathy and John Poer from Plano and Ron Rankin from Amarillo came for a three-day visit. They also visited other relatives while in town.

If you have news and cannot reach Mary Edna, call Wanda Murdock at 647-2437. Wanda is helping with the column because Mary Edna has been out of town due to the tragic death of her granddaughter in Richardson in an auto accident.

Tedd and Jean Robb hosted a Robb family reunion over the weekend. Present were Mr. and Mrs.

J. R. Petersen and Mr. and Mrs. Berle Robb, all of Lorenzo; Angie King, a student at Texas Tech in Lubbock, and granddaughter of the Petersens; Mrs. T. J. Robb and Mr. and Mrs. C. W. Huckabay of Tulia; Mr. and Mrs. Tom Robb and sons, Cary and Keith of Florence, Colo.; Mr. and Mrs. Don Robb and Mr. and Mrs. Richard Robb and son Brad of Idalou; Mr. and Mrs. Larry Robb of Nazareth; Cheryl and Jan Robb of Amarillo; Lonnie Robb from Clarendon Junior College; Sheryl McLain of Hart and Mrs. P. P. Robb. They are already making plans for their reunion next year.

ST. JOHN'S CATHOLIC CHURCH — Hart
Very Rev. Harold L. Waldow, Pastor
Sunday Mass 11:30 a.m.

How wonderful it is to take a walk in the woods after the hectic pace of our modern living. The soft rustling of the leaves seem to bring a peaceful contentment to our racing hearts. The warm splashes of sunlight against the rich green foliage awaken our eyes to a vibrant beauty not often seen in the city. The towering trees blend into a majestic cathedral dedicated to the wondrous glory of God's creation.

As we find peace in a quiet walk so will we come to know peace and satisfaction in attending the service in God's house. Go to your church this Sunday and receive the blessings that only God's word can give you.

Quiet Walk

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long preserve and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Rotary members attend meeting

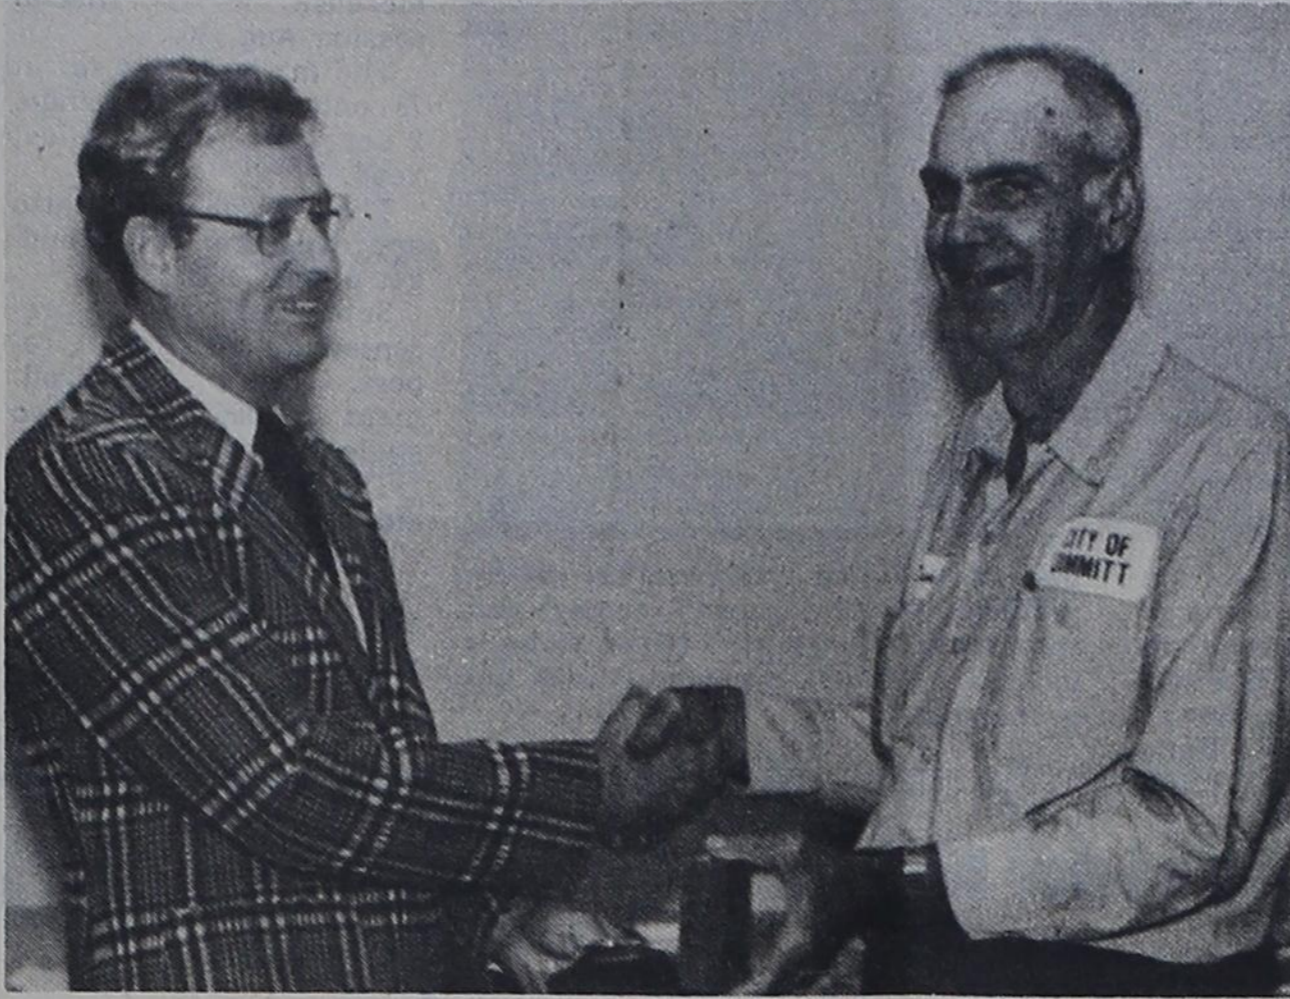

Five Rotary Club members attended the Rotary Intercity meeting last Wednesday at the Lubbock Civic Center.

Those attending were: President David Schaefer, Jerry Heller, Doug Pybus, Ed Freeman and Bob West.

Dr. Carlos Canseco,

president of Rotary for 1984-85, was the featured speaker at the event. Joel Birkenfeld spoke at Rotary's noon meeting Friday. He talked about the Free Enterprise System.

Twenty members and seven visitors were present.

SAM 'BUCK' RAPER (left), one of Dimmitt's best-known city employees, receives an engraved gold watch from City Alderman Wayne Collins during a retirement reception in Raper's honor last Wednesday at city hall. Raper has been with the city 28 years.

'Buck' Raper retires; 28-year city employee

Sam "Buck" Raper, one of the best-known of all City of Dimmitt employees, retired last Wednesday after 28 years of "doing everything."

His fellow city workers gave him a retirement party with cake and homemade ice cream, and presented him with an engraved gold wristwatch.

"We're going to miss him," City Manager Paul Catoe said. "He's one of the most loyal employees we've had, and he can never be replaced. You just don't find people like Buck anywhere."

Administrative Supervisor Jo Hamilton echoed Catoe's sentiments. "He can't be replaced — ever," she said. "He's been loyal and honest — the best kind of person to work with."

For years, Raper has been the local "underground expert" — knowing where all the water mains and sewer pipes were — not only for the city, but for the utility companies and the TV Cable Co. You just didn't dig a trench in an alley or near a street without checking with Buck first.

Many of those underground pipes Raper installed himself. During his 28 years with the city, he also installed, repaired, read and changed out water meters, made sewer taps, did street work and maintained the city park.

"I just did it all," he said.

"Doing it all" was his job when he first started with the city in August 1955. When he first went to work, it increased the city's total work force to five persons. The others were Glenn Smith, water superintendent; E. B. Noble, city manager; Esther McLain, secretary; and Albert Stephens, Raper's co-worker in city maintenance. Today, the city has 30 employees.

Raised at Earth and Sunnyside, Raper served with the coastal artillery in the Aleutian Islands during World War II. After the war, he worked seven years with Paul Poe, plumber, then for the First Baptist Church and the Dimmitt Independent School District before joining the city in 1955.

He and his wife, Pearl, have two sons — Sammy of Dimmitt and Bobby of Texarkana — and three grandchildren. They don't have any immediate plans, but they hope to get to Chicago this winter to visit one of his old Army buddies.

What will he miss the most about his daily

routine, now that he's retired?

"I'll sure miss the gals in the office," he said.

They've already warned him not to go too far away — someone may need to locate an underground pipe or line.

"I told them that if they need me they can call me," he said.

Order mums by Sept. 14

The Dimmitt High School Student Council is selling mums in preparation for Homecoming Sept. 23.

The flowers will be delivered the morning of Sept. 23. Contact any student council member to place an order.

Annual field day set at Lubbock

The latest research on cotton and grape varieties, drought tolerant crops, and weed control will be featured stops for the 74th annual field day of the Texas Agricultural Experiment Station for Lubbock and Halfway. The event begins at 1 p.m. Tuesday at the research site, just north of Lubbock International Airport.

Castro County producers will find the program particularly applicable, said Menzies McWilliams, County Extension Agent.

Research efforts at the Lubbock and Halfway station focus especially upon needs of producers in Castro County and throughout the High Plains of Texas, McWilliams said.

The annual field day alternates between the TAES locations at Lubbock and Halfway. Field tours will be conducted throughout the afternoon, with tractor-drawn trailers shuttling visitors to key research plots.

The field day is a cooperative presentation of TAES, the Texas Agricultural Extension Service, the High Plains Research Foundation, United States Department of Agriculture-Agricultural Research Service, and the National Weather Service.

The stops will highlight new techniques and products for weed control,

The add-on heat pump is an efficient air conditioner that cools your home when it's hot. But that's not all.

In cold weather, the add-on heat pump works with your present furnace to help heat your home.

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments.

Southwestern Public Service Company would like you to know about another option, a more efficient alternative: the electric add-on heat pump. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system.

It works with whatever kind of furnace you have, to improve the

performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30°. That's about 80% of our area's normal heating season.

As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust.

Call us to see what your savings could be.

The plaque which Mrs. Killough received was in memory of her husband, Sam, a co-founder of the CCL7 Club, "for his work and participation in the Club (and) more importantly, in the county and statewide MDA drives." This year's local telethon was dedicated to Killough's memory.

Local MDA telethon raises \$2,604

Castro County citizens raised approximately \$2,604 in pledges and special events during the Eighteenth Annual Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association. In the Panhandle area a total of \$308,000 went up on the toteboard and nationally over \$30,691,627 was pledged. Hosted again by Jerry Lewis, MDA National Chairman for over 30 years, the 22½-hour entertainment marathon featured some of the most popular personalities in show business, including stars of TV, film, stage and the concert world — all of whom contributed

their talents to help in the fight against some 40 neuromuscular diseases. Ed McMahon served as Lewis' anchorman for the eleventh straight year, backed up by Casey Kasem and other celebrity co-hosts. KFDA-TV, Channel 10 carried the local portion of the show which began at 8 p.m. Sunday night and went off the air at 6:30 p.m. Monday. The Dimmitt pledge center

was located at the Castro County Expo Building under the direction of coordinator Anthony Kirby. Proceeds from the Telethon help fund over 500 individual research pro-

jects throughout the U.S. and abroad; 10-university-based research centers; more than 240 free diagnostic and treatment clinics; summer camping programs; and professional and public education.

VFW sets calf fry

The VFW post in Dimmitt will host a calf fry and dance Saturday, with proceeds to go to cancer aid and research. The calf fry (with all the trimmings) begins at 6 p.m. Cost will be \$5 for adults and \$3 for children under 12. The Chris Miller Band will play for a dance following the meal. Cost will be \$6 per couple, and the dance will last from 9 p.m. until 1 a.m.

Floydada jinx continues in exciting opener

By DON NELSON
The Floydada jinx continues.

The 1983 Bobcats were just gleams in their mothers' eyes the last time Dimmitt beat Floydada in football, back in the mid-1960s.

Coach Gene Griffin's team almost changed all that Friday night in an exciting season opener that was oh, so close and could have gone either way down to the final 1:40. But it went Floydada's way again as the speedy Whirlwinds rode an interception and a pair of crucial Dimmitt fumbles to a 20-13 victory.

The season opener featured lots of miscues. But there was also an exciting lot of football, highlighted by Dimmitt's passing game and Floydada's running attack.

The Whirlwinds' superior speed was a major factor. On offense, bespectacled quarterback Mark Hatley, big I-back John Foley and fullback Michael Saens reeled off long runs. And on defense, the speedy trio consistently ran down any Dimmitt runner who broke into the open, and Saens grabbed a deflected Dimmitt pass and raced 55 yards for a TD in the fourth to give Floydada its final victory margin.

After that stunning interception, through, the tenacious Bobcats roared back — as they had done throughout the second half — and were driving for the possible winning touchdown, only to fumble their last chance away at the Floydada 7-yard line with 1:40 left.

Only two touchdowns came from sustained drives — one by each team. One of Dimmitt's TDs and two of Floydada's came after turnovers. Also, each team saw drives die via the fumble and interception deep in enemy territory.

Floydada's passing game was almost nonexistent (1 of 9). The Whirlwinds caught more of Dimmitt's passes (three) than they did their own.

Dimmitt, though, showed a definite threat with its passing attack as sophomore quarterback Woody Glass and receivers Dwight McDonald, Brad Holcomb and David Barton served notice that the Bobcats will be dangerous via the airplanes this year. Glass completed five of 16 passes for 128 yards.

The game was less than four minutes old when

Floydada recovered a Dimmitt fumble on the Bobcat 10 and scored the first TD, with Foley going the distance. Alvin Cooper kicked the extra point to give the Whirlwinds a quick and easy 7-0 lead.

The rest of the first half was scoreless but still exciting, with both teams putting together good drives.

At halftime, the coaches spoke and the players obviously listened. On the fifth play of the third quarter, Saens broke through the inside and raced 45 yards for Floydada's second touchdown. The point-after kick was true, giving the Whirlwinds a 14-0 lead with 2:22 gone in the third.

But if the Whirlwinds came out smokin' after halftime, the Bobcat offense came out blazin'.

After Brandon Cox returned the kickoff to the Dimmitt 47, the Bobcats swept 63 yards in five plays for their first TD. Glass hit Holcomb at the Floydada 45 and the senior end raced down the sideline to the 21. Mike Love added 17 yards on a nifty reverse for a first down at the 4. Then Barton burst over right tackle for the TD just 1:37 after Floydada had scored. Bobby Nino's extra-point kick was perfect, revising the score to 7-14, and the Cats were back in the game.

The Cats stalled out at the 5-yard line late in the third, but on the first play of the fourth, Cox intercepted a Whirlwind pass at the Floydada 27 to give Dimmitt another shot.

After three running plays punched the ball to the 15, the line gave Glass enough time to build a campfire before he lofted a pass over the middle to Holcomb for a first-and-goal at the 2. From there, Barton went in standing up with 9:59 left, and it was a new game at 14-13.

Rather than use Nino's talented toe for a tie, the Bobcats opted for a two-point pass play on a fake kick. But the pass was a little high, leaving the Bobcats trailing by a point.

With 2:17 left, Saens made his game-turning interception and runback. Facing third and nine at the Dimmitt 46, Glass hurled a seemingly perfect pass to Barton on a buttonhook pattern at the Floydada 45. But just as Barton touched the ball, an alert Whirlwind defender clouted him from behind,

popping the ball into the air. Saens happened to be in the neighborhood and grabbed it, then raced around and through the on-field crowd for a 55-yard touchdown runback, crossing the goal line with 2:09 remaining in the game. The Bobcats blocked the extra-point kick to stay within seven points at 13-20.

The fans had barely gotten seated when it was time to stand up again. On a spiffy kickoff return play, Joe Alvarez almost raced to glory before being knocked out of bounds at the Floydada 46. Then after a long pass to McDonald fell barely incomplete at the 10-yard line, Glass eluded the charging Whirlwind linemen and fired a long pass downfield to Barton, who caught it running backward for a first-and-goal at the Floydada 7 with 1:43 remaining.

But then disaster struck. A misunderstanding on the handoff call left the ball lying on the ground, and a Floydada lineman fell on it to kill Dimmitt's last chance. The Whirlwinds ran out the clock to preserve their 20-13 victory.

"Two of their touchdowns were a direct result of our turnovers — that's two-thirds of their points," Coach Griffin commented. "And realistically, I feel we should have scored three more times than we did. . . . We looked exactly like what we are, which is a very young football team. For 18 of our 24 kids, this was their first varsity game."

"But overall, we were real pleased with the kids' effort," he said. "We felt we should have won the game. It's just that we made a lot of mistakes that a young team is going to make. We're very optimistic about the future."

Swifts grab 14-8 win over LCH

By ANNE BIRKENFELD

A stingy Nazareth defense picked off five Lubbock Christian High School passes Friday night in Lubbock, as the Swifts held off a late fourth-quarter drive and defeated the Eagles 14-8 in the season opener.

Chris Gerber rushed 22 times for 94 yards and a touchdown to lead the Nazareth defense attack.

The Swift defense allowed LCHS only 93 yards on offense, and limited the Eagles to eight first downs. Nazareth's offense put together an impressive 263 total yards — 214 yards rushing and 49 passing.

The Eagles took the ball after the opening kickoff and threw it straight into the waiting hands of Johnny Schmucker.

The Swifts took over on the Eagle 48 yard line with Schmucker at the helm. Three plays later, Chris Gerber took the handoff from Schmucker and ran 32 yards for the first score of the game. Schmucker added the PAT to give the Swifts a quick 7-0 lead with only 1:43 gone in the first quarter.

After trading punts with the Swifts, the Eagles got the ball back and began moving it down the field. The drive didn't last long, however, as the Nazareth defense forced a fumble on the Eagles' 46-yard line.

The Swifts had the ball in great field position and it looked like they would score again, but on third and four from the 41, Chris Gerber fumbled and the Eagles regained possession.

The Nazareth offense seemed to stall for a short time, but the defense didn't as Ricky Backus and Sidney Gerber each picked off errant LCHS passes in the second quarter. The NHS offense got going after the third interception and moved the ball downfield. Schmucker found Eric Wilhelm across the middle for a 10-yard scoring toss. Schmucker was also successful with the PAT and the Swifts extended their lead to 14-0 with 28 seconds left in the half.

The Swifts opened the second half by moving the ball down to the LCHS 35-yard line, but were stopped short by a stubborn Eagle defense.

The Eagles gained only a yard before they were forced to punt it away. The 40-yard punt gave the Swifts the ball on their own 14. They drove to the Eagle 25, but could get no farther.

In the fourth quarter, the Eagles pushed steadily downfield. On first and goal from the 4-yard line, Dan Bristo rushed across the goal line to put the Eagles on the scoreboard. The two-point try failed, and the score remained 14-6 in favor of the Swifts.

The Swifts received the kickoff, but didn't keep the ball very long as they coughed it up on the 46-yard line.

That almost proved to be a grievous mistake as the Eagles again drove all the way to the Nazareth 5. However, with 2:13 left in the game, Eric Wilhelm

intercepted a pass at the goal line. It became the most controversial play of the game, because officials ruled it an interception, but then changed their minds. They discussed it for five minutes before they again ruled it an interception — much to the delight of Nazareth fans.

The game wasn't over after the interception, though. The Eagle defense pushed through and captured quarterback Johnny Schmucker in the end zone for a safety, narrowing the margin to 14-8. The Swifts punted the ball away and the Eagles took it on the 50-yard line and tried to pass. That didn't work out the way LCHS planned it, however, as Chris Gerber snatched the pass out of the air with 21 seconds left.

Nazareth ran out the clock and settled for a 14-8 victory over the Eagles.

NHS Head Coach Ken Cole said he was pleased with the way his team played.

"We played well most of the night. We made a few small errors that cost us some points, but that's normal this early in the season."

"I thought Johnny Schmucker and Francis Kern played extremely well in the game," Cole remarked.

Nazareth will play its first home game of the season Friday night against Groom. According to Cole, the Swifts measure up to the Tigers in size.

"They have a 250-pound tackle who should be pretty good," said Cole.

"They also have 11 returning seniors, so they have plenty of experience."

Longhorns fall to Anton

The Anton Bulldogs used the "big play" to beat the Hart Longhorns, 25-6, in both teams' opening game Friday night at Anton.

The Bulldogs used a halfback pass to get on the scoreboard first. Robert Mathis found split

end Jerry Goen behind the Hart secondary for the score. After an unsuccessful point-after kick, Anton led 6-0 with 2:25 left in the first period.

Anton went to the airways again to score in the second quarter when quarterback Wayne Willi-

ams hit Mathis with an 18-yard screen pass. Again, the point after was no good and the home team now led 12-0 with only 3:33 remaining in the half.

It was time for the Horns to crank up their new offense, and that's just

what they did. Behind the elusive running of quarterback Omar Longoria and tailback Arthur Finch, Hart moved from its own 20 to the Bulldogs' 27-yard line. Facing third and short, Longoria hit wide receiver Robert Gonzales for the Longhorns' first score. Although the try for two points was no good, Hart had narrowed the lead to 12-6 at halftime.

The third quarter was a defensive standoff until the Bulldogs scored on a fourth-and-25 desperation pass from quarterback Williams to wide receiver Goen. Steve Griggs added the point after to hike Anton's lead to 19-6 with 4:11 remaining in the third. Hart made several good defensive stands.

Anton's defense seemed to get tougher, too, as the game wore on. The Longhorns were allowed only three first downs in the second half as the much bigger Bulldog defense dug in. The Dogs closed out the scoring with quarterback Wayne Williams sneaking over from the 1-yard line with 6:28 left in the contest. The try for two points failed, leaving the final count 25-6 in favor of the Bulldogs.

Even though the Longhorns never gave up, the Bulldogs just proved to be too much for the smaller Hart team. Anton had only one turnover, compared with five for the Longhorns, and as Hart Coach Mark Stroebel later commented, "It was the big plays and the turnovers which made the difference."

Offensively for the Horns, Linemen Darrell Ethridge and Arnie Garza were cited as having a good game, as were backs Omar Longoria (11 carries for 51 yards) and Arthur Finch (22 carries for 72 yards).

Defensively for Hart, Darrell Ethridge (17 tackles), Robert Martinez (15 tackles), and Robert Gonzales were complimented on their play.

Hart will entertain the Lorenzo Hornets Friday at 8 p.m.

Cowboys coming

The Plains Cowboys will ride into town Friday to test the turf at Bobcat Stadium and the disposition of Coach Gene Griffin's mavericks.

The Cowboys may be a little saddle-sore when they get here. If they take the Smoker's Road cutoff south of town to the stadium, they can cut their trip to 123 miles.

That long, long trail is the reason why there should be plenty of seats available in the east stands for the Bobcats' home opener. It's also why this second meeting between the two teams will be the last.

Both the Bobcats and Cowboys will be looking for their first win. In their opener last week, the Cowboys took a 42-6 whipping from the highly regarded Farwell Steers.

"But Plains has a good football team," Coach Griffin reported. "They had some hard luck against Farwell. They're not very big, but they're very quick. They run the option well and throw the ball well. We're certainly going to have to be ready to play."

The Cowboys of District 5-AA have a good football tradition. Coached by former Dimmitt assistant Larry McMinn, they went undefeated two years ago until the state quarterfinals, finishing the season with a 12-1 record. Last year they had a 6-4 season, including a 21-0 loss to Dimmitt.

"They run a split-back veer — the same as Farwell ran against us" (in a pre-season scrimmage that ended in a deadlock), Griffin said. "Their quarterback-safety, Tracy Murphree, is outstanding. Another kid we're pretty impressed with is John Baum, their running back."

Running back-linebacker Mark Bruegel, who is recuperating from knee surgery, has been working out this week "and has looked real good," Griffin reported. The speedy senior may see some action on defense, "but I doubt that we'll play him any on offense — it's just not worth the risk," the coach said. Kickoff time is 8 p.m. Friday at Bobcat Stadium.

JV Bobcats lose 14-0 to Floydada

Dimmitt's JV football team fell victim to the Floydada Whirlwind, 14-0, last Thursday in both teams' season openers.

The Whirlwind scored in the first and final stanzas, making good a two point conversion after the second touchdown.

Mr. Hilburn was superintendent here during the period when federal aid to local education became national policy, and initiated many of the titled programs that are commonplace now. During his tenure as superintendent, the bond election was passed that enabled the North Elementary School to be remodeled and enlarged into the present Dimmitt Middle School. The same bond election also authorized some expansion at Dimmitt High School, although several proposals in the multiple-choice bond election — a new DHS media center, new gymnasium, new football stadium — failed.

Couple wed Aug. 19, living in Fort Worth

Mr. and Mrs. Jerry Don Schaeffer are at home in Fort Worth after a honeymoon trip to Ruidoso, N.M. following their Aug. 19 wedding. The ceremony was held in the Robert Carr Chapel on the campus of Texas Christian University in Fort Worth, with Howard Baker, area director of Young Life Ministries, officiating.

The bride is the former Kathryn Bea Smith, daughter of Mr. and Mrs. Robert D. Smith of Fort Worth. The groom is the son of Mr. and Mrs. Stanley Schaeffer of Dimmitt.

Maid of honor was Kathy Cochran of Brentwater, England. David Schaeffer, brother of the groom, served as best man.

Bridesmaids were Cory Schellhouse of Fort Worth and Donna Prilliman of Miami, Fla. Serving as groomsmen were Stanley Byrnes of Dimmitt, brother-in-law of the groom, and Steve Myatt, also of Dimmitt.

Ushers were Kent Smith of Fort Worth, brother of the bride, Tommy Davis and Ken Webb, both of Fort Worth, and Gary Nutt of Dimmitt as head usher.

Organ music was provided by Dr. Emmett

Smith, professor of organ music at TCU's Brite College of Divinity. Featured soloist was Merrie Merrill, who sang "The Wedding Song" accompanied by guitarist Steve Fowler. The bride's aunt, Mrs. Loma Lykins, sang "The Lord's Prayer," and was joined by Mrs. Christie William in a duet of "Take My Life."

Given in marriage by her father, the bride wore a formal-length gown of Chantilly lace fashioned in Victorian style. The fitted bodice of tulle over lace and Shiffi lace was accented by a high collar, an embroidered lace ruffle and leg o' mutton sleeves trimmed in satin ribbons. The softly tapered skirt was detailed by three tiers of embroidered lace ruffles which flowed into a cathedral-length train. Her waist-length veil of tulle and lace was attached to a Juliet wreath of white flowers and satin ribbons. Her bouquet was a nosegay of white rosebuds, white carnations, stephanotis and baby's breath. White satin and lace streamers on the bouquet matched the detailed accent of her gown.

As something old, the bride wore a ruby ring which had belonged to her great-grandmother. For something new she chose a Belgian lace handkerchief, a gift from her maid of honor. Her garter was something blue. A silver sixpence commemorating the coronation of Queen Elizabeth and Prince Phillip was placed in her shoe.

The feminine attendants wore full-length peach taffeta gowns highlighted by an off-the-shoulder double ruffled flounce. The fitted bodices featured a full bow in the back. Their bouquets were nose-gays of peach carnations, baby blue daisies, stephanotis and baby's breath.

Erin and Eilyn Moore of Flagstaff, Ariz., nieces of the bride, invited guests to register at the wedding and reception. Rala Byrnes and Shanna Schaeffer, nieces of the groom, handed out rice bags.

The reception was held at the Ridglea Country Club. The registry table used there was covered with a hand-crocheted cloth made by the bride's grandmother.

The three-tiered, all white wedding cake was served from a table draped with white lace. Two silver candelabras belonging to the bride's maternal grandmother were entwined with peach and blue ribbons and needlepoint ivy. The top tier of the wedding cake was adorned with two china wedding bells with the bride's and groom's names and the date of the wedding. The bells were a gift from the bride's mother.

The groom's table was covered with a hand-crocheted table cloth. The brass appointments were entwined with navy and rust ribbons.

The bride is a senior English and education major at TCU, where she is a member of the Chi Omega sorority.

The groom is a 1978 graduate of Dimmitt High School and a 1981 graduate of West Texas State University. He is currently a third year student at Southwestern Baptist Theological Seminary. He is employed as an urban director of Young Life, and also works at Ridglea YMCA.

The rehearsal dinner was hosted by the groom's parents at the Fort Worth club. A bridesmaids luncheon was hosted by Kathy Cochran and her aunt, Mrs. Bea Moore of Flagstaff, Ariz.

OVER 125,000 students have participated in AFS since 1947.

MRS. CHARLES CHAD BLACK
... nee Tammy Jean Heck

Blacks establish home in Amarillo

Mr. and Mrs. Charles Chad Black are now at home in Amarillo following their Aug. 19 wedding and a honeymoon trip to New Mexico.

The bride is the former Tammy Jean Heck, daughter of Charles and Ann Heck of Nazareth. The groom is the son of Charles and Wanda Black of Hart.

The couple exchanged vows in a double-ring ceremony in the Holy Family Catholic Church of Nazareth with Father Harold Waldow, pastor, officiating, assisted by Deacon Jerome Brockman.

Matron of honor was Dolores Braddock of Amarillo, sister of the bride. Bridesmaids were Beverly Heck of Galveston, sister of the bride, and Carla Moore of Dimmitt, cousin of the bride. Each wore a floor-length gown of yellow dotted swiss and carried a bouquet of silk yellow roses and white miniature daisies backed by a white lace fan.

Best man was Benny McLain of Hart. Groomsmen were Daniel Higgins and Ricky Rowland, both of Hart. They all wore navy blue tuxedos with white pleated shirts. The groom wore a white tuxedo of the same style.

Ushers were Glen Black of Hart, cousin of the groom, and Dewayne Heck of Sunray, brother of the bride. Lectors were Charles and Colleen Heck of San Jose, Calif., brother and sister-in-law of the bride.

Singing and guitar music were provided by Greg and Glenda Birkenfeld of Nazareth, while organ music was provided by Mary Lynn Olvera, also of Nazareth. Guests were registered by Patti Schacher of Lubbock.

Escorted by her father, the bride wore a gown of white chiffon, styled with a Queen Anne neckline outlined with re-embroidered lace and sprinkled with pearls. The leg o' mutton sleeves were trimmed with lace motifs. Re-embroidered lace trimmed the skirt that was edged with a wide, scalloped band of ruffles. She carried a bouquet of silk yellow roses made by the groom's mother. Entwined in the bouquet was a wooden rosary made by

the bride, and the wedding rings of the fathers of the bride and groom.

In keeping with tradition, for something old the bride wore her mother's wedding veil. Something new was the wedding dress, while something borrowed was a diamond necklace which belonged to the groom's mother. Something blue was her garter. The bride also had a sixpence in each shoe. The coins were minted in the years of the couple's births.

A banquet reception followed the ceremony at the American Legion Hall in Nazareth. The bride's cake, decorated by the bride's sister, Beverly Heck, as a gift, was formed of three tiers decorated with a basket-weave design and topped with a blown glass ornament. The groom's cake was chocolate and was decorated as a brass bell.

The bride is a 1983 graduate of Nazareth High School and is employed with United Supermarkets in Amarillo.

The groom is a 1981 graduate of Hart High School and is currently attending Amarillo College.

LAST DAY OF WORK for retiring Second Clerk Dorothy Cook of the United States Post Office in Dimmitt was Friday. Having worked as a distribution clerk with the post office since Nov. 1, 1958, with a two-year break from 1962-64, Cook says she has seen several changes in the local office. Having a time clock and not working Sundays have been the best changes, while switching to computerized calculators has been the most difficult, according to Cook. Her co-workers honored her with a retirement party last Thursday. "I'll really miss my fellow employees," Cook said.

More about Dimmitt ...

(Continued from Page 1)

could be left off so far as I am concerned. Like everybody else in the world, the management here at the News was told that we were in dire need of new telephones. We were told that if we kept on using those old phones that everybody here at the News office was in imminent danger of contracting herpes, or bangs disease, or whatever it is that's contagious over a telephone.

Now the type of health insurance you get by buying new telephones comes rather high, but we bought four of the things, not that we were afraid, but it doesn't hurt to take precautions. We were promised that a technician from a scientific institution would drop in to give us lessons in the operation of these new inventions. So far we have had to use the old trial and error system. Everyone else seems to have caught on pretty well but I am having problems while trying to get in communication with someone outside. There are several things that you have to remember, and that's another thing that I am not good at anymore. With our old phones I could put the receiver to my ear and the dial tone would be there, most of the time, then if I could remember who it was I wanted to call, and if I hadn't forgotten the number, I would be in business. That was all the efficiency I needed. But now we have those telephones with chips that do things for you and to you.

We have two phone lines and four phones. Anyone of those phones will work off of either one of those lines provided you push a button. There is a bank of buttons on each phone in addition to the ones with numerals. You push the right button and you will get a dial tone, but if you happen to push the wrong button it may be the one that will cause your voice to blare out through amplifiers in all of the other phones in the office. That gets everybody's attention.

When everything is working right and someone dials one of our numbers a horn blows. Now that is progress. Everybody should have a horn-tootin' phone. Since we have had these new phones I haven't heard anyone say "the phone rang." Instead when one of them toots everybody jumps. Those chips sure know how to get your attention. When I am sitting at my desk trying to decide which bills to pay and that very modern phone toots, I know for sure I am driving in the wrong lane.

Progress is wonderful. I wonder why it has been so long getting here.

The word radar is an acronym for RADIO Detecting And Ranging.

ges (rhythm guitar) and Chuck Danley (bass).

The Easter Opry, a production of Soundstage One of Hereford, has been one of the most popular shows in this area for years. The show features amateur and professional musicians from throughout the area.

Perhaps no one will enjoy the show more than Tracy. Despite the big load of problems he's had to shoulder, he has "a very good outlook," his mother said.

"Tracy has had such a hard time — he's just been sick all his life," his mother said, "and yet he's usually pretty jolly. If we can do anything to help him, we want to do it, because we love him so much."

Simpson wins third

Sheryl Simpson, representing the Castro County 4-H program, placed third in the recent Texas 4-H agricultural Program Judging contest in the dairy division.

The program judging contest is often referred to as the "record book" contest because students are required to submit a year-long record of their involvement in 4-H programs.

Students are asked to summarize their experience within a single 4-H area of expertise, along with other 4-H program experiences and 4-H leadership and citizenship experiences.

Open to students 14 and older, the competition is first judged on the district level, where the first place finishers advance to state. State winners receive a trip to the National 4-H Congress in Chicago, and runners-up may be eligible to attend if those ahead of them are unable to attend.

TAKE CARE

Sailors, farmers, construction workers — and bathing beauties — should take care to avoid over-exposure to the sun. It's a leading cause of skin cancer, according to the American Cancer Society.

Mr. and Mrs. Cavitt at home in Plainview

Mr. and Mrs. Ricky Glen Cavitt are at home in Plainview after a wedding trip to San Antonio following their Aug. 20 wedding in the First Baptist Church of Hart.

The bride is the former Teresa Elaine Mapp, daughter of Mr. and Mrs. Vernon E. Mapp of Hart. The groom is the son of Mr. and Mrs. Glen Cavitt of Seminole.

The evening candlelight nuptials were read by Rev. James Perkey, uncle of the bride and pastor of Main Street Baptist Church in Elk City, Okla. Jana Mapp of Plainview attended her sister as maid of honor. Brides-

maids were Mary Kaye Mapp, sister of the bride, Suzahn Rowland, and Raine Moore of Hemet, Calif. Kale Hicks of Abilene, cousin of the groom, was the flower girl.

Best man was Wade Cavitt of Hobbs, N.M., brother of the groom. Groomsmen were Danny Wrenn of Seminole, David Stone of Lubbock, and Shane Cavitt of Seminole, brother of the groom.

Ushers were Bobby King of Seminole and Greg Barton of Moore, Okla. Candles were lighted by Brad Hicks of Abilene, cousin of the groom. Wedding music was

presented by Mrs. Weldon Davis, organist; Mrs. Carl Rambo, pianist; Kevin McDonald of Petroleum, Ind., soloist; and Mr. and Mrs. Preston Upshaw. Escorted to the altar by her father, the bride was attired in a formal-length gown of ivory taffeta trimmed with Chantilly lace. The gown featured a sweetheart neckline and tucking at the bodice. Elbow-length puffed sleeves were also tucked at the shoulders, with a wide lace ruffle accented with ribbon and silk roses falling from beneath the sleeves. The full skirt, flowing from a fitted basque waistline, draped over the double-tiered lace hem, adorned with silk roses and satin bows, to form a chapel-length train in back. An ivory wreath of silk roses matching her dress anchored the two-tiered veil of ivory netting. She carried a bouquet of yellow orchids, lily-of-the-valley, baby's breath, small yellow flowers and greenery.

In keeping with tradition, for something old she carried a handkerchief belonging to her grandmother Mapp. Something new was her gown and veil. Something borrowed was a strand of pearls from the groom's mother, and a gold bracelet and diamond earrings belonging to Mrs. Warren Lemons of Plainview. Her garter was something blue. She also wore pennies in her shoe minted in the years the couple were born.

The feminine attendants all wore identical gowns fashioned like the bride's in a bright daffodil yellow taffeta. Each carried an ivory lace fan adorned with yellow daffodils, baby's breath, greenery and yellow and ivory ribbon.

Vows were exchanged as the couple stood before a brass archway accented with greenery and flanked by twin brass candelabras that were decorated with yellow gladiolas, greenery and yellow ribbons and bows. The altar rails were adorned with yellow tapers covered by hurricane lamps accented with greenery.

The foyer of the church featured a wall hanging with the bridal bouquet flowers and a picture of the bride. The registry table was laid with a candlelight ivory cloth and featured a yellow floral arrangement. Mrs. Tony Bratcher of Eric, Okla., cousin of the bride, registered the guests.
