

Chamber Sets Annual Banquet Date Here

Dr. L. D. Haskew, vice-president of the University of Texas, will be principal speaker at the Ranger Chamber of Commerce's annual banquet Nov. 3, Charles Milliken, president has announced.

The banquet will begin at 7 p.m. on the scheduled date at the Recreation Building.

Tickets for the affair will soon go on sale but no charge has yet been decided.

Theme of the event this year will be "Industrial Appreciation." Each of the local industries are being urged to furnish a display for the banquet room. Also, persons who have hobbies or make products with their hands have been asked to call Buck Wallace or the Chamber of Commerce to arrange for displays of their skills.

Committees appointed for the banquet are:

Program Committee: B. A. Tunnell, chairman, Fred Baumgardner, Al Lotspeich.

Arrangements Committee: Buck Wallace, chairman, G. H. Rush, Morris Newnam, Emmett Korff, Dave Pickrell, Frank Deaton.

Ticket Sales Committee: W. F. Creager, chairman, Wilson Guest, Calvin Lipkin, A. N. Larson, James W. Ratliff, Dr. M. E. Jolly, J. L. McCaleb, T. C. Wylie.

Reception Committee: Dr. Price Ashton, chairman, J. A. Bates, Dr. W. P. Watkins, J. F. Killingsworth.

Decorations Committee: Mrs. H. J. Coady, chairman, Mrs. Betty Wolford, Mrs. R. V. Mathena.

City Council Appoints Five C-C Directors

Five new directors of the Chamber of Commerce were appointed at this week's meeting of the city commissioners.

Appointed to serve were T. J. Anderson, T. C. Wylie, Dr. M. E. Jolly, Frank Deaton and J. L. McCaleb.

The appointments are for a three-year period and become effective Nov. 1.

Replaced on the board of directors were Morris Newnam, James Ratliff, Buck Wallace, A. L. Larson and Dave Pickrell.

Officers for the new year will be elected at the Nov. 1 meeting and their election will become effective Dec. 1. Officers this year are Charles Milliken, president; Dr. W. P. Watkins, vice president; and R. V. Galloway, manager.

Former Eastland Countian Dies Following Attack

E. A. (Emmett) Carruth, 60, of Kellerville, Texas, brother of Mrs. W. B. Crabtree, 337 Ray St., Ranger, and former resident of Olden, died after suffering a heart attack Thursday afternoon near Kellerville.

Mr. Carruth was a pumper on the Kellerville lease at the time of his death. He lived in Olden until 1943 when he moved to Kellerville.

Mr. Carruth was a member of the Magic City Baptist Church and belonged to the Odd Fellows in Kellerville.

He is survived by his wife, two daughters, Mrs. Doreen Nail of Odessa, Mrs. Laverne Hollowell of Fort Stockton; a brother, Stanley Carruth of California and seven grandchildren.

Funeral arrangements are pending.

Olden Begins Basketball Play Tuesday Night

Olden High School, whose athletic program is built around a hardwood court, will open its basketball season Tuesday night with Luan.

The 23-B Conference defending champions from last season have planned a 22 game schedule and a tournament for high school, junior high and girls' basketball teams throughout the area.

Ranger is to participate in the first day tournament Dec. 7, 8, and 10.

Under the guidance of Coach Bill (Hank) Green, who directed the Olden boys to 28 wins and only seven losses and the girls to 24 wins and 10 losses, Olden has consistently carried a decisive edge over their opponents.

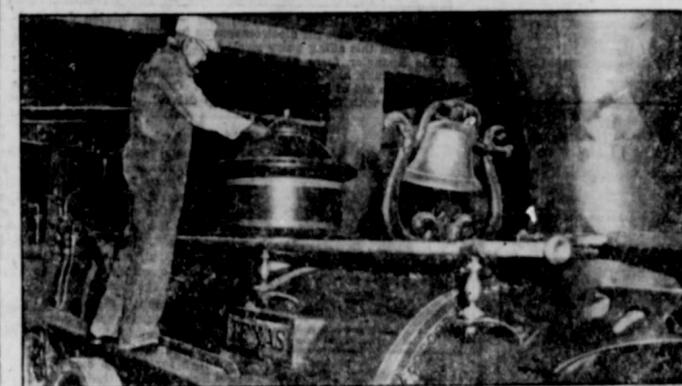

Both the Olden boys' and girls' advanced to the regional finals in 1955, but both were nipped by Ackerly who took the championship.

Green, a 6-8 graduate of Hardin-Simmons University at Abilene was seriously hurt by graduation last summer. He has two strong district players returning to the stable in Jimmy Coling (Continued on Page 3)

36TH YEAR RANGER, TEXAS, SUNDAY, OCTOBER 16, 1955 PRICE FIVE CENTS

Elaborate Plans Made For College Homecoming Nov. 5

ALL STEAMED UP OVER THE MOVIES—Retired engineer W. B. Adamson, 74, inspects the historic balloon-stacker "Texas" on display in the Atlanta, Ga., museum, and pronounces the famous Confederate locomotive ready to roll at the drop of a script. Movie moguls may use her when they re-enact Texas' famous Civil War pursuit of the Union Army's "General," now on display at Chattanooga, Tenn., which is also believed to be operational. Patriotic organizations have urged that the top ancient locomotives be used in close-ups to replace replicas built to recreate the stirring rail race for a forthcoming film.

Dance, Floor Show To Climax Festivities

Elaborate plans for homecoming at Ranger Junior College Nov. 5 were made recently at a meeting of the ex-students association.

One of the college's largest homecoming events is expected for this year's annual affair, with more floats, colors and pageantry than in previous occasions.

More than 23 floats alone will be entered from the college to mingle with those designed by business people within this city.

Festivities will begin at 3 p.m. on the date set aside for the homecoming program with registration and visitation at the Union Building.

The Dixie Land Swing Band will present a concert beginning at 4 p.m. which will be followed by a twirling exhibition, pep rally and ex-students meeting in that order. Main purpose of the ex-students meeting will be the selection of officers for the next year.

A free barbecue will be given at 4:45 in the school cafeteria and the special train from Arlington will arrive at 5:45.

The parade will begin at 6 o'clock and the Ranger-Arlington football game will be whistled off at 8 p.m.

The annual homecoming dance, complete with a floor show and drawing for door prizes, will be held at the City Recreation Building following the football game.

Committeemen for the various functions during the celebration were approved in the recent meeting of the ex-student officers. Appointed were: invitation and publicity, Mrs. R. L. Hamrick and Mrs. Adena Tice; registration and visitation, Mrs. Roscoe Hopper, and Mrs. J. P. Morris; ex-students meeting, Shelby Parnell, president; barbecue, Wesley Walker, chairman; Wilson Guest, finance chairman; food committee, Morris Newnam, Walker, Pete Brasher and Dr. Grady Tice.

Also, parade marshals, Dean Fred Baumgardner, D. C. Arterburn and Joe Dennis; homecoming dance, music, Al Lotspeich, drawing for door prizes, Parnell, floor show, Lotspeich, decorations, Vivan Simmons, Judson Hardy, Mrs. Betty Wolford, Mary Jo Duck and Colonel Don Brasher.

College organizations already planning floats for the parade are Phi Theta Kappa, Chorus, Art Class, Peregrinity, Debs, Engineers, Physical Education class, Girl's Dorm, Stage Band and Rangeans, Student Council, Brockbridge and Albany Branches, Masquers, Science and Business departments, Ranger Evening Branch, Agriculture Department, Boy's Dorns, International Club, Rope and Spur and the Freshman

Montgomery Ward will be open until 8 p.m. each Thursday night from now until Christmas, it was announced here this week.

Also, coffee and doughnuts will be served customers next Thursday night, the first night of the new schedule.

Door prizes will be given at 7:30 p.m. Those signing a guest book will be eligible for the prizes.

FTUP—Less than two inches long, today's miniature flash bulb is the smokeless, nearly noiseless offspring of the flash powder gun with its noise and commotion of yesteryear. Its more immediate ancestor, the flash bulb about the size of a 150-watt light bulb, was first introduced in the United States in 1953.

Chest Donations Swell Coffers Past \$2880

Contributions to the Community Chest campaign have shown a gain of more than \$800 since the first financial report was issued last week after the drive commenced October 4.

The total now stands at \$2,882.75.

Mrs. Hershel Angus, secretary of the campaign said that two group captains and the high school had completed and returned their cards.

She added, however, that very few reports have come into her office indicating that other team captains were progressing with their campaign.

Completion of the Chest drive will not be attained as early as officers anticipated. They planned to bring the campaign to successful close within a week or ten days after the event officially begin.

Officers and directors of the organization this year have asked for a total of \$7,500 to be distributed over eight asking agencies.

Wards Plans New Christmas Store Schedule

Montgomery Ward will be open until 8 p.m. each Thursday night from now until Christmas, it was announced here this week.

Also, coffee and doughnuts will be served customers next Thursday night, the first night of the new schedule.

Door prizes will be given at 7:30 p.m. Those signing a guest book will be eligible for the prizes.

Blue Chips Down As Bulldogs Open 7-A Action Here Friday

Non-district football games for Ranger have all come to an end and from here on out the winners pick up the blue chips.

The Bulldogs and all the rest of 7-A clubs start playing for keeps and those that have the most chips Nov. 18 starts the advance up the long road to the state high school finals.

"Ranger, with its 2-1-1 record (wins, losses and ties), sets its second place in conference standings before district play opens for the Bulldogs next week.

Cross Plains, the team picked to fight out the conference battle with the Bulldogs, is perched atop the six team district list with a 3-1-1 record, a game ahead of Ranger.

Of course, Eastland fans, who think that the Mavericks have had a perfect season anytime they beat Ranger, are crying for revenge on the Bulldogs who more or less consistently beat salt in old wounds.

An Eastland sport's writer said recently, "The Mavericks ought to beat everything on the schedule with the exception of Ranger. The Bulldogs are rated among the top teams in the state in Class A football and the very things look now, nothing short of the same kind of miracle that parted the Red Sea could give the Mavericks a victory over them."

Wylie officially opened district play last week with a 19-12 victory over Gorman. Gorman however, is still trying for their second victory. Their only win, as compared with three losses opened (Continued on Page 2)

But stranger things have happened and a lot can take place between now and November 18 when the Mavs and Dogs clash. Ranger might come over being thinking it's all in the bag then get caught birdwatching.

Such is the case of any team who has been picked to cinch a district flag before the season gets underway. They leave a highly coveted mark for the lower rated teams to sight in.

Other teams in the district have matched few clubs as potent, especially those in the 2-A calibre, with the possible exception of Eastland. Even with their comparatively light schedule, the 7-A members have not fared well at all.

Wylie officially opened district play last week with a 19-12 victory over Gorman. Gorman however, is still trying for their second victory. Their only win, as compared with three losses opened (Continued on Page 2)

Five Itinerant Laborers Guest Of City Police

Five "ball-pickers," bound for Muleshoe for the cotton harvest, had their trip abruptly, if not rudely, interrupted here Thursday by city police who arrested them for drunkenness.

The five, who listed their addresses as Arlington, Fort Worth, listed twice, Arlington, Bay City and Chicago are currently working out fines assessed against them as they remain guests of the city.

Also, Thursday afternoon, driving while intoxicated charges were leveled against a California man arrested here and an Andrews man paid a \$25 fine after spending the night in the jail Thursday on "arunk in car" charges.

Pups Strangle Mavs 33-0 In "B" Tilt

Off to a sluggish, 6-0 halftime lead the Ranger "B" team bounced back strong in the final frame to overpower the Eastland "B" team 33-0 at Bulldog Stadium Thursday night.

Even though getting off to the slow start, the pups added another tally on their first offensive play in the second half to take definite control of the contest.

Lee King, who scored two touchdowns on runs of 22 and 68 yards, Quarterback Charles Wolford, Halfback Jake Basham and Fullback Gerald Shockey efficiently did most of the ball-lugging chores for the Pups while Robert Watson, Gene Bagwell and Claude Koenig were defensive stalwarts.

Wolford completed the longest run of the night after Ranger took an Eastland fourth down punt and had the ball moved deep into Ranger territory, on the 9, by a clipping penalty.

On his first effort, Wolford on a keeper, raced around his own left end, tight walked the chalk line and raced into the end zone 91 yards away from the line of scrimmage. Key blocks threw the quarterback loose on the 30, and two other good blocks by Wylie and King cleared him at mid field.

It was also Wolford's second score of the night. He had scored earlier in the third quarter on a 31-yard quarterback sneak run.

Eastland's offense was thrown completely off balance in the second frame and only their shifty quarterback with a variation of passing and running was able to move with any consistency or consistency against the Pups.

Ranger's final tally was posted late in the fourth period when Basham plunged over the goal line only two yards out. His score was set up on one of the most sparkling pass-runs plays of the contest that carried 32 yards to the Eastland two.

John Wylie, running two steps in front of two Eastland defenders, took Wolford's toss over his head on his fingertips as he galloped straight ahead.

Wolford had 15 points for the night with his two touchdowns runs and three extra points.

Ranger completed three of six the "pkins" were mighty slim. (Continued on Page Four)

SPIRITUAL SYNOPSIS

"THE DOCTRINE OF SIN"

By Rev. Ralph E. Perkins

Pastor First Baptist Church The Holy scripture tells us, "But any one is tempted to do evil when he is allured by his own desires and enticed by bait. Then evil desire conceives and gives birth to sin. When sin is completed it brings forth death." James 1:14, 15 (RSV)

Sin is the transgression of God's law. Sin is the failure to do what one knows ought to be done. Sin is following the doubtful course. Sin is insincerity. Sin is missing the mark. Sin is unbelief. Sin is both a process and a state. Sin is both passive and active.

The Work of Sin Sin is terrible because it is in opposition to the highest form of existence and produces the worst perversion of life. Sin is rebellion against the Highest Being. Sin unrestrained would produce chaos throughout the universe. It treats either indifferently or violently the highest expression of love. It may destroy in a moment an eternity of good.

Sin Debases It reduces whatever it touches from a higher to a lower state of worth, dignity, purity, value, quality, and station. Its fearful work in human personality is ever evident. It takes something away from and impoverishes every personality it touches.

The presence of good in a community or in an individual always brings up values, but the presence of evil always lowers them.

Sin Defiles It tramples, corrupts, debauches, tarnishes, soils, taints, and betrays. Sin does not respect. It treats nothing as sacred or holy or pure. It violates without impunity. It disintegrates, it divides, it sets the personality at war. It shames, it humiliates. It leaves the conscience smitten and the will weakened. It dulls appreciation; it incapacitates. Sin not only leaves the individual debased but unclean.

Sin Deprives It vitates; it perverts; it ruins and renders helpless. Depravity does not carry the idea of one being as evil as possible. It means that one is wholly disqualified with reference to a certain end or purpose. The Holy Scripture tells us: "That all have sinned and fall short of the glory of God." Again, "If we say we have no sin, we deceive ourselves and the truth is not in us."

Sin Damns It condemns; it sentences; it ruins; it dooms. In other words it brings death. Some one said, "Sin blinds, blinds, and grinds man." Paul said, The wages of sin is death, but the gift of God is eternal life through Christ Jesus."

The Conviction for Sin The lost consciousness of sin has paralleled a lost consciousness of God. False measures far us when we are conscious of perfect scales. The Holy Spirit of God has been sent to convict the world of Sin, Righteousness, and of Judgment. A perfect norm of righteousness is found only in Christ Jesus refers many times to the sin of Unbelief.

Sin will cause people to do such unnatural, such unexpected, such horrible and terrible things. No wonder God hates it and in its very incipient form.

We have seen the work of sin and the conviction of sin, now let us look at...

The Deliverance From Sin 1. There is a blessed deliverance, thank God, from sin's ditches and horrible pollutions.

The blood of Christ is the only deliverance. The Holy Spirit furnished the only moving dynamism (Continued on Page Four)

Five College Students Vie For Homecoming Queen

Five girl students at Ranger Junior College, including one Ranger girl, were nominated for Homecoming Queen this week.

Nominatees were Mary Ann Wallace of Ranger, Betty Lou Wilson of Vernon, Nancy Hamilton of Moran, Beverly Cary of Vernon and Betty Brockman of Woodson.

All are sophomore students except Miss Brockman who is a freshman this year.

Voting will be by secret ballot Tuesday and Wednesday, October 18-19 and the girl elected will be presented as homecoming queen in pre-game ceremonies prior to the Ranger-Arlington football game, Nov. 5.

The returning Christ will completely destroy the works of the devil.

Dear soul do not try to side step the sin question. It will not

IT'S THE LAW

On September 24, 1755 was born a man who contributed more than any other single individual to the preservation of many of the freedoms which we today enjoy as American citizens. He was John Marshall, the fourth (and often referred to as the greatest) Chief Justice of the United States. To him we are largely indebted for the fact that we have a "government of law and not of men." Because of his role in strengthening our constitutional form of government, September 1955 has been designated as "John Marshall Bicentennial Month," and nationwide ceremonies will commemorate his work throughout the Fall of this year.

The Supreme Court of the United States has come to play its role as head of one of the three great branches of our national government by methods that are different from those used by the other two branches. Since it has only "the judicial power," the Court can act and speak only as a decider of some of the "cases and controversies" that litigants choose to bring before courts. And since its primary work of reviewing decisions of lower courts, it can usually decide only some of the points in the cases that reach it.

Yet within this frame work of judicial method the Supreme Court has come to perform functions of the highest importance in our scheme of government. The Court is an umpire of our complex federal system, resolving questions of the geographic location of powers between nation and states. It is likewise an umpire within the national government, resolving questions of the organic location of powers between Congress, the Executive and the Judiciary.

It is also a defender of individual rights and privileges, defining that impinge on liberty and equality. And it is a watchman over the mechanics and methods by which many government policies are carried out, bringing order and facility into administrative processes.

While these great functions of the Court have been evolved over the years and under many of its noted judges, it was John Marshall's role in developing them that made him "the Great Chief Justice."

One of Marshall's most brilliant decisions was written in 1803 in the case of "Marbury vs. Secretary of State Madison." Although not the first, this is a landmark case on the power of a court to hold and act of a legislature unconstitutional. The issue was whether a new federal administration could refuse to deliver jud-

However, the Crappie do seem to be biting a little better, even though the catches are relatively small as compared against earlier strings posted this season.

Ed Freeman took a 4 1/2 pound Blue Cat from a trotline baited with Perch Tuesday and another unofficial rumor had an unidentified fisherman taking a three pound, two ounce Crappie the same day.

No one could vouch for the authenticity of the report, however, so what would possibly be the record Crappie catch in the new lake will have to go unrecorded until official notification is made.

WHEN YOU BUILD OR REMODEL...

INSIST ON Modern Wiring FOR MODERN ELECTRICAL LIVING

The comfort and livability of your home depend to a large extent upon your wiring.

If your home has sufficient outlets and switches, properly placed, and an ample number of circuits, you will be able to make full use of the many conveniences of modern electrical living, now and in the future.

By planning wisely when building or remodeling, you will keep your home electrically modern and avoid troublesome wiring changes later. Your electrical contractor, architect or builder will help you plan modern wiring for your home.

MODERN WIRING MEANS:

- 1 Enough electric outlets and switches, properly located, to assure maximum convenience and flexibility in the use of your electric service.
- 2 Enough circuits of large enough wire to carry electricity at 6 power to all of your fans and appliances.

Mrs. Sheppard Burial Friday At Gunsight

Mrs. Mary E. Shepard, 75, a resident of the Gunsight community for the past 27 years, who died Wednesday in a Breckenridge rest home following a lengthy illness was buried at Gunsight Friday.

Mrs. Shepard was born in Kentucky December 13, 1879, and moved to Texas several years later. In 1928 she was married to Jack Shepard in Eastland. Immediately following their marriage they moved to Gunsight and had made their home there since that time.

Funeral services were at 4 p.m. Friday at the Gunsight Church with Dr. H. M. Ward, pastor of the Cisco First Baptist Church, officiating. Burial was in the Gunsight Cemetery under the direction of Hamner Funeral Home.

Survivors are her husband; a stepdaughter, Mrs. Jack Vending of Anaheim, California, and a stepson, Max Shepard, of Baytown. Pallbearers will be Wesley Henson, J. A. Baggett, Herschel Boles, Henry Perry, Clyde Perry and a n d Ray Boles.

Ranger; Bob Presley, Eastland; Johnnie Aaron, Eastland. The report for the nominating committee was made by County Agricultural Agent J. M. Cooper.

Judge Long served as master-of-ceremonies. The entertainment feature was music by a DeLeon string band.

The livestock association and the Sheriff's posse have installed barbecue equipment and the preparation of the tasty meats for the affair was a big deal. Many ranchers made a day of it and got in a lot of visiting as they watched the barbecuers at their craft.

Travis Wheat of Eastland, a retiring officer of the association who checked on the crowd, stated that 305 supper tickets were received at the door, and that it was regarded as a good turnout.

Church of Christ Schedule Is Set

SYNOPSIS-

(Continued From Page One) go down. Men have tried to explain it away, but its consequences have continued.

Its tragedies, heartaches, restlessness, and disintegration stubbornly persist.

Sin has brought only a temporary and false peace to the human heart. The last state of the sinful one has always been worse than the first. You cannot successfully cover nor eliminate sin. Any sin is too much for you. It creates a problem that only God through Christ Jesus can remedy.

Mr. W. T. Sleeper in his songs brings a good explanation: "Out of my bondage, sorrow and night, Jesus, I come, Jesus I come; Into thy freedom, gladness and light, Jesus I come to Thee; Out of my sickness, into thy health, Jesus I come to Thee; Out of my want and into thy wealth, Jesus I come to thee."

Out of my sin and into thyself, Jesus I come to thee."

Revival Begins Sunday At First Baptist

"With each department of the First Baptist Sunday school and Training Union prepared for the first day of the Revival and with the full support of the Deacons and the Brotherhood there should be a great day in the services this Lord's day," was the statement made by Rev. Ralph Perkins.

Dr. Myers will preach both services Sunday and throughout the week. Remember that the Nursery Department will be open to care for the little ones at all these services.

"Pray for the revival and attend each opportunity you have. Regardless of your faith you can support and pray for this revival meeting. We want you to attend the services," concluded Rev. Perkins.

Training Union meets at 6:30 p.m. The attendance the past few Sunday nights has run to over 144 and 154.

An invitation is expected to all Rangesites to visit the morning services during the week when breakfast will be served at 7 a.m., with the benediction at 7:50 a.m.

"You will find the services at 7:30 each evening to be inspira-

tional and spiritual when Mr. Rod Latta leads the congregation and choir in the good old gospel hymns," Rev. Perkins continued. "Don't forget to bring your family to the Sunday school and Training Union this Lord's day and then stay for the preaching services."

Young P-TA Has Good Attendance Tuesday Evening

Young School P-TA had an excellent attendance for their night meeting Tuesday, Oct. 11. Mr. Jeffries' 6th grade class presented a musical and patriotic program after which Mrs. J. L. Smith presented Thomas L. Shropshire who spoke on "The Home - The Basis of a Democratic Nation". During the business session, presided over by Mrs. M. W. Herweck, the group voted to pay car expenses for members to attend the State P-TA convention in Fort Worth Nov. 16, 17 and 18. Plans were made for free eye examinations to be given the 3rd, 4th, 5th and 6th grade pupils. These are not examinations to fit glasses, but to find any children who may have a slight problem. Recommendations will be sent parents to have their children's eyes checked by their own eye specialist if a problem appears to exist. Mrs. Homer Weisen and Mrs. Max Anderson will be in charge of this program. Mrs. W. L. Pugh, membership chairman reported a total of 147 paid memberships, with Mrs. Coodly's 2nd and 3rd grade room winning the \$5 prize for the highest percentage of memberships. Mrs. J. M. Pork, Applesauce Is Perfect Combo

There will be record supplies of pork at market this autumn, with 8 per cent more than last year. Along with the fine supplies of pork is the advent of National Apple Week, Oct. 27 - Nov. 2. Doesn't that suggest dinners your family will enjoy?

What more famous food partnership than pork and applesauce? The tank of pork, the juicy richness of pork, were made for each other. Now is the time to gather ye apples while ye may, and make a spicy pot of applesauce. The fragrance of applesauce cooking in the kitchen rivals French perfume, where the hennecoming man is concerned. And home-made applesauce is a favorite with every member of the family whether served as a side dish or as dessert.

Is it cinnamon or nutmeg that spices your favorite applesauce, or do you favor allspice? Is it just a grating of lemon peel that seems the best foil for apple for your family? Or is it a sprinkle of cinnamon candies during cooking that will tint the applesauce a fascinating pink?

Other Favorites
With Apples
It isn't just roast pork that depends on apple for its partner. Who would care to miss sausage links or sausage patties and fried green apple rings now that autumn

is here? Pork chops, sliced apples, and sweet potatoes are the basic ingredients of a wonderful baked dish. Spareribs cooked with sliced apples and sauerkraut make a delicious combination. In fact, there is scarcely a pork dish where apples are not pertinent.

AIR-

(Continued From Page One) Wells.

McAfee, who was born at Irman, entered the Air Force in January 1954, shortly after he was graduated from Gordon High School.

In addition to his parents, he is survived by a sister, Dorothy McAfee, a student at Abilene Christian College, and a brother, Thomas McAfee of Mineral Wells.

McAfee was a cousin to J. H. Boggus and George L. Minnick, both of Ranger and the grandson of Mr. and Mrs. J. W. Minnick of Gordon.

The British post office will not renew its prewar "drunk" service because of manpower shortage, according to a recent announcement. Formerly, someone who had imbibed too freely could call for a messenger who would take him home—for a fee of about 10 cents per mile, plus travel expenses.

HONEST! IT FIT LAST YEAR!—Breckenridge Boys Choir member, Harry Ledbetter, left, attempts to convince two fellow choir members, Dickie Carey, center, and Jimmy Derrick, that the "too-small" vestment he is modeling was a fit during the 1954-55 season.

Breckenridge Boy's Choir Begins Rehearsals For Fourth Season

With the coming of fall, there is a feeling of expectancy and a sense of a new beginning in Breckenridge. King Football reigns once more, school is under way again, and high on the list of important happenings is the start of a new year for the Breckenridge Boys Choir.

Going into its fourth year, the choir, under the direction of Mrs. Ben J. Dean Jr., has begun rehearsals for the new season, and in a short time will be prepared to present to the people of this area a variety of programs ranging from serious religious music to light comedy numbers.

Fortunately, the supply of vestments owned by the choir is as flexible as is the membership of the choir itself. As the larger boys "graduate", their vestments go to other boys who have grown into them, thus leaving the smaller sizes for younger boys. Only members of the Principal Choir wear vestments, and there is always one waiting for the boys who enter the group from the middle choir.

The Breckenridge Boys Choir is the American counterpart of the old European boys choirs. The difference lies in the fact that those choirs were supported and controlled by either the church or the state, or both, and they depended greatly on the wealth of the royalty of the countries in which they existed. The Breckenridge choir is a free and democratic organization, typically American, comprised of boys of all faiths, supported by the people of Breckenridge, and not dependent on a few for its success. All boys of the city, who have unchanged voices and who are at least seven years of age, are welcome to become members of the choir.

An incorporated, non-profit organization, the choir is self-supporting except for patron contributors who pay into a scholarship fund, which guarantees a place in the choir for any boy who wishes to belong to the group, no matter what his financial ability.

Assisting Mrs. Dean with the

three choirs this year is Miss Janice Rogers, a teacher in the Breckenridge Junior High School, and director of the glee club. Miss Rogers is a graduate of TSCW and has had wide experience as a choral director.

The purpose of the Boys Choir is to enrich the lives of the boys as well as that of the entire community, and to be of service to the people of nearby towns. For that reason, a limited number of out-of-town engagements are filled each season as well as several radio and television appearances.

Some invitations have already been received by the choir for the coming season. The Board of Directors of the group likes to space the programs so as not to work a hardship on the boys as far as their other activities are concerned, and to give them as much free time as possible. Therefore anyone wishing to schedule a program by the choir should contact Mrs. Dean as soon as possible so that a schedule for trips can be completed.

Sabanno Will Be Songfest Scene In Jan.

The next quarterly meeting of the Eastland County Singing Convention will be held at Sabanno on the second Sunday in January, President Henry Carter announced.

A big day was enjoyed by the members and guests of the singing convention at its quarterly singing held at Mountain Top church in the Long Branch community last Sunday.

A capacity crowd attended and participated in the all-day program.

At noon a big community dinner was spread.

Water Project On Rush Creek Is Promoted

A cooperative effort among communities located on the Rush Creek watershed was given impetus at a dinner in the dining room of the Rising Star American Legion hall when the Chamber of Commerce there was host to representatives from Soda Springs, Sidney, Fairview, Amity, Rising Star and other communities.

Outcome of the meeting was a request to officials of soil conservation districts in the area to prepare some definite information on the benefits to be obtained in the way of flood control increased income and so forth that may be expected from the construction of conservation structures and attendant soil saving practices on the Rush Creek watershed, which figures will be prepared in the form of a brief on the basis of an application for approval of the water-

shed development project to be presented to the Department of Agriculture at Washington.

The figures were requested to be ready in time for a dinner November 10, when the Rising Star chamber will again be host to representatives of watershed communities with Congressman Omar Burleson as the guest of honor. Mr. Burleson will be asked to use his best efforts to assist the association in securing approval of the project.

\$1.00 A TIRE DOWN

...AND YOU'LL BE TIRE SAFE FOR FALL DRIVING!

Firestone De Luxe CHAMPIONS

You Can Get This Tire Either With a Tube or Tubeless

We're Trading High. WHAT A DEAL WE CAN GIVE YOU. Come In TODAY!

Firestone De Luxe Champions Give You the Extra Non-Skid Protection You Need on Wet, Slippery Pavements

- BLOWOUT PROTECTION**
There's no tube to pinch or explode! Inside this tire there's a Safety-Liner, which slows air loss, and reinforces the tire in the event it should be injured... instead of a dangerous blowout you get a harmless slow leak. You drive relaxed, with greater peace of mind.
- PUNCTURE PROTECTION**
If a nail, or any sharp object should penetrate this tire, the Safety-Liner grips it and slows the air loss... no sudden flat tires, no need to change flats on the road, instead the Firestone De Luxe Champion Tubeless enables you to drive to the nearest service station.
- SILENT-RIDE SAFETY-GRIP TREAD**
SKID PROTECTION... Newly designed silent tread has 70% more angles and skid-protecting edges.
QUIETER RUNNING... Won't squeal even on sharpest turns. No hum or whine because tread elements overlap to prevent rhythmic vibration.
- SAFETY-TENSIONED CORD-DIPPING**
Firestone's new cord treating process combines the famous Firestone Gum-Dipping process with Safety-Tensioning, a new process which takes the stretch out of tire cords, prevents dangerous tread cracking. The result is greater blowout protection and longer tire life.

ONLY FIRESTONE GIVES YOU THESE GREAT SAFETY AND MAXIMUM TRACTION FEATURES
