SPiritual SYNOPSIS

THE COMMUNITY WHERE WE LIVE

Thomas F. Shropshire, Minister, Church of Christ

If I should go on an extended journey and return with the information that I had found a Utopia—a place where everything was perfect, I suppose it would not be difficult to enlist a vast number of people to move to such a place, provided I could convince them of the truth of my claim.

If I should find such a place and there would be a great influx of people into it, how long would the state of perfection exist? That, of course, would depend on the behavior of those who had moved in. If they realized their own responsibility with reference to maintaining such a state of perfection, it would go a long way toward keeping it a desirable place in which to reside.

But if they made no personal effort, the place would soon be corrupted by their presence.

A state of perfection is not gained nor maintained by accident. It is brought about and prevails only by design. Of course we have no hope of finding a place of absolute perfection and bliss this side of heaven itself. But this fact does not alter the principle we are trying to set forth.

There are two contrary forces in the world and it will depend on which of these two forces influence our lives as to the state of the community in which we live. On the one hand there is the force of the devil who stands for all that is corrupt, evil and bad. On the other hand there is God who stands for all that is good, holy and pure.

There are certain rules and laws used by each to accomplish their designs. If we are governed by the laws of the devil, we become his evil designs. But if we are governed by God's laws, we are implements in his hand to bring about his righteous designs.

We have access to both laws and God, our creator, has made us free moral agents to choose our own course as to which of the two laws we will live by. God, in his infinite wisdom and mercy, has arranged and revealed his laws in the scriptures so that we may know and understand what is right and may, through conformity to them, attain unto a happiness and uprightness which would otherwise be impossible.

Paul, speaking of the gospel of Christ in the first chapter of Romans, said, "For therein is the righteousness of God revealed from faith to faith: as it is written, the just shall live by faith."

Everything that man needs to do and be is contained in the scriptures for we read in Paul's second letter to Timothy, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works."

If you want to live in a perfect community, study the scriptures and strive to live as God directs therein. And if we can get enough people in the community to do that, it will make our community a lot better place in which to live.

Enrollment Lags For C-C Sales Training Course

Enrollment in the sales course scheduled by the Chamber of Commerce to start here Tuesday have lagged considerably from last year when 70 persons received certificates of completion.

As last year, the course beginning Tuesday will be conducted by E. A. Willford, retail training specialist of the Division of Extension of the University of Texas.

This particular course is designed to assist business owners and employ in better sales relations.

It is an advanced course in selling techniques for persons employed in all fields of selling—merchandise, services, or ideas. The presentation shows salesmen how to outline a well-thought-out and intelligently organized sales presentation that sells the public.

The sales training course is a part of the sales developmental program offered by the Distributive Education Department, Division of Extension, the University of Texas, in cooperation with the Texas Education Agency.

Charges for the three-day course is \$2 per person.

Ranger Guard Organizes Indoor Rifle Team

The Ranger National Guard has organized a rifle team to compete in the National Indoor Rifle Tournament that will carry state winners to a national shooting match.

Ranger's unit has won its first match by forfeit from Colorado City. The next match will either be scheduled with Co. A or Co. B of the 156th Tank Battalion of Dallas.

The state is divided into five leagues for the event. Members of each league complete their matches by certain deadlines imposed. The league winners automatically become the state champions and advance to the national tournament.

Ranger is listed in League F. The ten men composing Ranger's team are Pat Mosley, R. H. King, Byron Gailley, Jess Cole, Jimmy Arrendale, J. C. Tankersley, Jerry Page, Neal Tankersley, Cecil C. Carr, and Lynn Nicholson.

Services Held Saturday For Joe Tullos

Funeral services were conducted Saturday afternoon at 2 p. m. at the First Baptist Church for Joe Tullos of Fort Worth, who died at 4:30 p. m. Thursday, after an illness of several weeks.

Services were conducted by Rev. Ralph Perkins, pastor of the First Baptist Church. Rev. Calvin Bailey, pastor of the Second Baptist Church, assisted.

Mr. Tullos, 73, formerly of Houston, and the former Annie Bell Walters of Fort Worth, were married Jan. 18, 1932.

Survivors include his wife, two sons, Leon, Burbank, Calif., Lonnie, Fort Worth; a daughter, Mrs. C. L. Ashley, Odessa; a sister, Mrs. J. R. Davis, Waterford; two brothers, F. F. Tullos, Strawn, W. H. Tullos, Jr., Imperial, Calif.; one grand child and four step grandchildren.

Two Brothers Charged After Co. Burglary

Special Ranger A. C. Yeager, investigator for the West Texas Ranchers Association, and Deputy Sheriff Bill Reid have brought from Hamilton and lodged in the county jail two brothers charged with the theft over \$50 in connection with burglary of one of the association member's homes.

About 2½ months ago the residence of M. R. Frye, 5 miles southwest of Cisco, was looted of a variety of property, the most valuable of which was household appliances.

Most of the stolen material was sold. Nearly half of it has been recovered by the authorities, who reported that charged in the case are Clarence Fabian, 20, and Leonard Fabian, 23.

Mrs. Hagaman Talks At Legion Dinner

Mrs. Leslie Hagaman, as principal speaker at the American Legion and Auxiliary's annual turkey dinner Thursday night, paid tribute to the Gold Star Mothers, veterans and auxiliary members, before 75 guests.

Ray Williams, post commander, opened the meeting with a short welcome address and introduced Mrs. H. C. Croom, auxiliary president.

Police Fine Three Men \$50, Catch Runaway

Four persons, including a 16-year-old runaway boy have been taken into custody by the Ranger police department during the past two days.

The youthful runaway left Cleburne, his home, Wednesday, and traveled to Big Spring with another youth. The two were returning to Cleburne when picked up by police here.

The 16-year-old was kept here until his parents sent the necessary money for a bus trip home, while the second youth was allowed to return to Big Spring by his parents.

Also arrested was a Ranger man who paid a \$15.70 "drunk" fine; an Arkansas man who paid \$25 for "drunk in car"; and a Mississippi man who paid \$10 for speeding within the city.

Legion Auxiliary Names Delegates To Convention

The Ladies Auxiliary of Ranger's Carl Barnes Post of the American Legion has named four delegates to the 17th District Convention to be held at Rising Star Nov. 12 and 13.

Delegates named were Mrs. Ray Williams, Mrs. Luna Lane, Mrs. Joe Faircloth and Mrs. Bossie Sharp. Alternates are Mrs. Don Butler, Mrs. Sallie Shelton, Mrs. Gertrude Gideon, and Mrs. Howard Elwood.

2-Year Active Contracts Told By Naval Sta.

The U. S. Naval Air Station, Dallas, Texas will accept men 17 to 31 years of age for immediate two year active duty contracts under a Naval Reserve enlistment satisfying selective service obligations.

Boot training is currently being held at Great Lakes, Illinois. After completion of boot training and leave, the men are assigned duty with the fleet for the remainder of the two year active duty contract. Men released from active duty are required to remain in the Naval Reserve for four years.

Benefits while on active duty include: uniforms, travel, sports, recreation, leave, medical and dental care, dependents allowance, disability benefits, officer training programs, free \$10,000 insurance, pay and career opportunities.

This is the first offer in several years made to men in the age group 17 to 31 years for a short two year active duty contract. Men who have received a call from their local Draft Board are not eligible to apply.

Those young men interested may apply at the Recruiting Office, U. S. Naval Air Station, Dallas, Tex.

Crossley Names Seven Assistant Committeemen

Lester Crossley, chairman of the individuals committee for the "Greater Ranger" edition of the Ranger Times, today announced members of his committee chosen this week.

His committeemen will be G. B. Rush, Nicol Crawford, Holman Bagwell, W. H. Clarke, Sr., Mrs. Iris Hummel, Dr. M. E. Jolly and Dr. Grady Tice.

The group plans an organizational meeting sometime next week—"probably Monday."

SENTINELS OF THE GUARD at the Tomb of the Unknown Soldier prepare their "dress blues" for Veterans Day observances at Arlington National Cemetery. Here Private First Class Gerhard A. Fiel, Richfield Heights, N. J., left, and Private First Class Charles Tanner of Red Springs, N. C., members of the Third Infantry Regiment detailed to the coveted guard duty, are shown in their quarters under the museum in the amphitheater near the Tomb.

Xmas Prevue Planned Here

City merchants will begin their "Greater Ranger Prevue," an advanced campaign to show items that will adorn their stores, next Friday and Saturday, it has been announced.

The prevue will be shown through the pages of Thursday's edition of the Ranger Times.

Rep. Burlison Will Aid Rush Creek Project

Congressman Omar Burlison of the 17th Congressional District, was guest of honor and principal speaker at a meeting at Rising Star Thursday night, in which the Rising Star Chamber of Commerce was host to Burlison and a group of leaders from communities interested in the development of the Rush Creek Watershed Program.

Burlison was accompanied by Julian T. Langston, staff member of the House Administrative Committee.

Before introducing the congressman, Charles Rutherford, president of the Rising Star C-C, introduced Hugh O'Brien Jr., secretary of the Rush Creek Watershed Association, who read a detailed statement giving facts and figures on the program being sought for the Rush Creek area.

Burlison expressed himself as being highly in favor of flood control and soil conservation measures, and stated it would be a pleasure to work in the interest of the proposition. He complimented the association for the work already done.

Other speakers included E. J. Hughes, district soil conservationist of Brownwood, who spoke in explanation of the Rush Creek project and voiced his full support of it.

Bill Heizer, soil conservationist of Dublin, was present and spoke briefly.

About 60 people were present for the dinner, including farmers and ranchmen from all parts of the Rush Creek area, and businessmen and chamber of commerce executives from cities in the area.

Congressman Burlison visited constituents in several other Eastland County communities during his sojourn in this territory.

Carbon Man Suffers Hurts

Dick Walker of Carbon was injured Thursday morning when his car he was driving hit a phone pole near the school at Carbon.

He had a tooth knocked out and suffered bruises. He was taken to Gorman Hospital, where it was thought his injuries were not serious. The front of his car was said to be damaged considerably. The accident occurred because the sun was shining in his eyes, blinding him momentarily, friends said.

Jerry Wharton Races For 40 Points Alone

Scoring on the first play of the ball game, the Ranger Bulldogs punched across three more lightning-quick touchdowns in the first quarter as they breezed by Wylie 58-0 Friday night in Bulldog Stadium to stay in the race with Eastland for the District 7-A flag.

Right halfback Jerry Wharton, who is leading the Ranger backfield scorers, had his greatest night in his fabulous football career as he alone accounted for 40 points—six touchdowns and four conversions.

Wharton scored on runs of nine, 11, 34, 41, 44 and 75 yard runs. Three of his scores were posted in the wierd first quarter.

Pete Jameson, all district candidate at right tackle, put the Bulldogs ahead early in the first quarter when he fell on a fumble in the end zone in the first play of the contest.

Before seeing Wylie could muster its defenses, the often-ragged Ranger offense accounted for another three touchdowns and a 27-

0 lead at the end of the first period of play.

After the initial score, Jameson and Robert Watson, broke through the Wylie line to block a fourth down kick, at the Wylie 30.

Fullback Tommy Sutton lost a fumble on the Bulldog's second offensive play however, then Wylie returned the compliment via the fumble route on their second offensive maneuver, at their own 24 yard line.

After three running plays moved the ball to the Wylie 11, Quarterback Paul Hinds sent Wharton scampering around his own left end for the final yardage a n d Ranger's second score. Wharton also converted.

Following the return kickoff, Wylie again lost the ball by fumble on their end of the field at the 31-yard line. They managed only two offensive plays.

Sutton blasted for 24 yards in two carries that helped to move the Bulldogs to the Ranger 4. An offside penalty moved the ball back to the Wylie nine, before Wharton again trickled over his left tackle and into the end zone for a score. He also converted.

Again after the return kickoff Wylie managed only one offensive play before they again lost the ball on a fumble with Tibbels taking over on the Wylie 47. Sutton and Halfback Bennie Robinson collected 12 before Wharton, taking a pitchout, swept his right end for 41 yards and another score. Wharton again converted.

Early in the second frame, Wharton took a Wylie punt at his own 27 and broke through to the Wylie 46 before he was halted. After substitute quarterback, Charles Wolford, gained two, Wharton broke around his own left end and never stopped until he crossed his goal line 44-yards away. Again his extra point kick was good, and ended the first quarter scoring.

Taking the opening first half kickoff, the Bulldogs moved 52 yards in only four plays, with Wharton parking the final 34 yards into pay dirt.

Midway in the third frame, Wolford pulled the Bulldogs out of a minor hole when he raced with a keeper over his right tackle for 57 yards after Wylie had punted to the Bulldog 19.

Lee King, 120 pound halfback, and Sutton moved to the Wylie seven before King raced around his left end for another score, bringing the score to 46-0, and climaxing a sustained 81 yard march, the longest scoring drive of the night.

Three attempted pass plays lost Wylie six yards before Tommy Stevman boomed a kick from his own 31 to the Ranger 25 yard line. Wharton took possession there, bounced off two tacklers, sprinted away from three encircling defenders and outdistanced his pursuers as he raced into scoring territory.

Late in the final period, Wylie lost possession of the ball on an incomplete fourth down pass at the Ranger 41. Wolford hit King with a 27 yard aerial and then followed suit with an 18 yard heave to Jake Basham. A 15-yard clipping penalty moved the Bulldogs back to the Wylie 31. King sliced off 10 over his left tackle, Wolford bootlegged for 15 more to the six before Basham clicked for the score over his right tackle to end the scoring parade for the night.

Wylie Gridder Suffers Broken Back Friday

Bex Scott, halfback for Wylie, who was hurt in the third quarter of play at Bulldog Stadium Friday night was found to have suffered a broken back, Dr. P. M. Kuykendall said from his office at West Texas Clinic this morning.

He was paralyzed below his waist Friday night, but he could move his legs Saturday morning when traction splints were removed.

His spinal cord was not injured, it was thought, and he was to be taken to Abilene Saturday morning by ambulance.

As one businessman said here recently, "We're jobbing together to give the people of this area one of the biggest shopping festivals ever staged—and before Christmas, too."

More than enough merchants are participating in the plan where that any type of merchandise may be found at cut-prices during the prevue period and will afford enough savings that the Christmas budget can be stretched to include more items than the shopper originally planned.

REDCHAIN DRY-CO
IS NOW HIGHLY FORTIFIED WITH PROTECTIVE LEVELS OF **VITAMIN D**
Increase Your Milk Profits Control Milk Fever
Taking time is a critical time for a good dairy cow. A mineral shortage results in milk fever. The mineral in the feed for the dry cow should be in balance. Even though the mineral is in balance and adequate, the cow cannot use it unless she has an adequate supply of Vitamin D.
With good care, every pound of fresh you put on during the dry period enables the cow to produce 25 lbs. more milk during the lactation period.
The mineral requirements of individual animals vary considerably, therefore it is advisable to provide RED CHAIN STOCK MINERAL Free Chain in half-pounds.

Rev. Perkins To Be In Pulpit Sun.

The pastor of the First Baptist Church, Rev. Ralph Perkins, will be in the pulpit for both services Sunday, Nov. 13. Sermon topic for the morning services will be "Characteristics of Discipleship." Sunday evening the message will be "Faithfulness Unto the Word." Rev. Perkins has been in South Texas the past week participating in a School of Missions. He has spoken in six different churches at the request of the Evangelistic and Missions department at Dallas. They requested Rev. Perkins to speak on the Foreign Mission program in general and to specifically tell about his evangelistic crusade in Jamaica and his tour of Central American missions. Mr. Perkins states "that friends of Rev. Perkins will recall that he had over 150 professions of faith in Jamaica and several more as he worked in the interior of Guatemala with Paul Bell. Paul Bell is the missionary whose salary is being paid by the First Baptist Church here." Sunday School will meet at 9:45 with a department for each age group and an especially well equipped nursery which will be open for all services. Training Union meets at 6:30 and again there is a department for each group and the nursery open. There is a new union organized for the younger married couples. The Training Union members are making plans for the big state Training Union Convention in Abilene on November 24-26. At this time workers from this church will present the Junior programs for March, the general assembly programs for March and assist with the State contests. All young people are invited to the Youth Crusade program on Saturday night which will be under the direction of Mr. and Mrs. Carl Rambo. This couple will also be guest directors of the Junior choir at 6 p.m. on Sunday and the youth fellowship after the evening worship service. Mr. Rambo is a student in Southwestern Baptist Theological Seminary of Fort Worth.

What Is SIN?

Because the Episcopal Church doesn't urge upon its adherents abstinence from tobacco, card playing, dancing and such like, it has gained the reputation of being "liberal" about sin.

We who are Episcopalians don't agree with that idea. In fact, quite the contrary. We find that being an Episcopalian involves some rather well-defined discipline.

But, on this subject of sin, let's ask—just what is it?

The way we look at it—that is, the way it's interpreted to us—sin is defined as the error of imposing our own wills over God's will.

That interpretation both simplifies and complicates. Knowing God's will for us, we find, demands a life of prayer, a life of faith, a recognition of God's constant presence, the frequent "strengthening and refreshing" of our souls through the Holy Communion.

We recognize the fact that God has given us all things, and that sin is not in the thing itself or its use, but rather in its misuse. This must lead to the conclusion that any intemperance—overeating, for instance, is as much sin as any other abuse of God's gifts.

Wouldn't you like to know more about the teaching of the Episcopal Church? Visit the Episcopal Church near you—soon. Come and worship God with us.

Prefer to read it? Send for your copy of "What Does the Episcopal Church Stand For?" It is enjoyable reading, and there is no obligation.

It Was Just An Accident—

... that Columbus discovered America, or was it luck? He himself said that his journey would be hazardous and he didn't know where he was going. But he had faith that he would discover a great land and he did. Likewise, the person who buys land without an abstract is embarking on a dangerous course. Like Columbus he must have faith that he won't lose his all and plenty of luck to avoid financial disaster.

Sweetheart's Named At Game Friday

At halftime ceremonies during the Ranger High School - Wylie football game Friday night there was several interesting things that took place. The High School band marched on the field and formed a football, then seniors of the Bulldog team and their chosen dates, marched into the football, in couples.

Mary Hinds, senior, was presented as football sweetheart with her escorts, Benny Robinson and Pete Tibbels. Shirley Wymer presented the beautiful arm bouquet of Happiness red roses to the football sweetheart.

The Band Sweetheart was then escorted onto the field by Jerry Bob Greer, president of the band. The sweetheart was Barbara Nichols, a senior. The lovely arm bouquet of Happiness red roses were presented by Peggy Fox.

During these activities the Ranger High School Band played "Because of You."

DIRTY-BURNING TAIL-END vs **NEW GULF NO-NOX**

Gulf No-Nox Gasoline burns clean
Here's proof: Note the black deposit on plate at left, caused by the "dirty-burning tail-end" of gasoline—the part Gulf refines out in making new NO-NOX. But see how clean new NO-NOX leaves the plate at right. Now—in your own new 1956 car—see how NO-NOX can give you more miles per gallon in the short-trip, stop-and-go driving you do most.

Gulfpride Select Oil works clean
Here's why: Most conventional oils are refined only to the stage shown in A. But New Gulfpride Select is further refined by the Alchlor Process—removing up to 15% more of the carbon-formers, in B... C contains the new super-refined oil that gives you more miles per quart because it gives the toughest protective film ever developed.

REMEMBER: No gasoline alone can give you today's finest performance... no oil alone can give you today's finest protection. Get the new super-power gas-oil team...
