SPiritual SYNOPSIS

DISPLACED PERSONS

By Jackie Heath

Pastor, Eastside Baptist Chapel During World War II and since that period there has been much to say about displaced persons. However, we sometimes fail to see that displaced persons existed long before the foundation of our country. One of the first displaced persons was a prophet of God. In I Kings 18 and 19 we are given a picture of Elijah, first as a bold defender of the faith and then as a displaced person.

Standing on Mt. Carmel and trusting in God, Elijah defied the prophets of Baal and witnessed a great victory. But soon after he received word that Jezebel, a strict adherent to Baal worship, was seeking his life.

Jezebel's message immediately changed Elijah's outlook on life, and he sought to put as much distance between himself and the outcast ruler as possible. He seemingly forgot to pack an overnight bag and hastened with very little rest until he reached Mt. Horeb, ninety miles from Jezebel. "And he came thither unto a cave and lodged there; and behold, the word of the Lord came to him, and He said unto him, 'What doest thou here, Elijah?'"

Yes, we often criticize Elijah for his actions and never stop to realize that many times we are also displaced persons because of our attitudes and actions. Often times we are displaced because we are content to dwell in the "Land of Second Best."

God gave His best when He gave His Son; Christ gave His best when He gave Himself; the Holy Spirit gives His best when He offers salvation through Christ; Satan gives his best when he seeks to destroy man; Christianity is at its best as it presents the Gospel. A Christian who is not at his best is as a toy steam shovel striving to dig a Panama Canal. Every individual has the freedom of choice and none are forced into service, for God draws men with loving kindness (Jer. 31:3). So this question God asks, "What doest thou here in the 'Land of Second Best?'"

Again many of us are displaced because we dwell in the "Land of Cold and Indifference." How many times is it counted as a privilege in our sight to witness for Christ? After hearing the testimony of a Christian a murderer in London stated that if he believed the Gospel story of Christ he would never stop telling it even if it meant crawling over broken glass on hands and knees. Some of us find our way to the Lord's house on Sunday but merely go through a routine without worship.

Then others of us have our own ideas when asked to reverence the Lord's day, "I'll do as I please with Sunday." How little do we realize that day by day we grow spiritually, mentally, and physically inferior when we are away from God. We heed to God's call when in trouble or when we can spare ourselves, but let us never forget God is asking, "What doest thou here in the 'Land of Cold and Indifference?'"

Also we are displaced and most miserable because we dwell in the "Land of the Lost." Without Christ we are aliens and strangers, we have no hope, and we are in the world without God (Eph. 2:12). When we are lost we are going against the wishes of God, for God is "not willing that any should perish, but that all should come to repentance" (I Pet. 3:9). The distance that we have displaced ourselves cannot be measured in miles but in attitudes and actions. (Continued on Page 6)

Dr. E. A. Reiff to Be Baptist Speaker

Dr. Evan A. Reiff, president of Hardin-Simmons University, will speak at the Annual Thanksgiving Banquet in the lower auditorium of the First Baptist Church Tuesday, November 22, at 7:00 p.m.

The banquet is sponsored by the Brotherhood and the Adult Sunday school departments and their classes and the associate members who teach in other departments. It is for all adults of the church.

Dr. Reiff is well known in the Ranger area and in the state as not only a great educator and administrator, but an orator and speaker extra-ordinary. Dr. Reiff graduated from Oklahoma Baptist University, received a Ph.D. from Iowa State, and a Rhodes scholarship.

J. L. McCaleb who is preparing the program, informs that there will be a program for the evening which will include group singing led by Keith Langford, and special

Mason County Local Hunters Bag Four Bucks

Our apologies to local hunters. Apparently Ranger aimers did not need these city people to come out and kill the deer for them the first day of the season.

Probably J. J. Eachberger, a Lone Star employee here, bagged the first buck of the season. His kill was made at 7:15 a.m. the first morning the season opened. It was a seven point buck and was killed on the S. S. Walker lease in Erath County.

Other reports were accepted but so far none are official.

Down in Mason County, a hunting party of five has killed three deer. The kills were made by Joe Daskovich, Ranger, Dr. C. L. Jackson of Dallas and S. O. Montgomery of Fort Worth. Others in the group are M. W. Rindard of Breckenridge and Ray Neeley of Ranger.

Jerry Singleton bagged an 11-pointer Thursday afternoon north of Strawn, and Howard Oliver Jr. got an eight point buck Friday morning on the Well's Ranch five miles north of Ranger.

Lewis Croom of Fort Worth killed a 10 point buck Friday morning in Stephens County.

Beverlie Phariss Becomes Times Society Editor

Beverlie Phariss, daughter of Mr. and Mrs. Roy B. Crawley of Ranger and wife of Robert A. Phariss, now on duty with the army at Fort Ord, Calif., has been appointed society editor for the Ranger Times.

Her appointment became effective this week to fill the vacancy created by the resignation of Mrs. Betty Huffman.

Mrs. Phariss graduated from Ranger High School in 1953 and attended Ranger Junior College until January of 1954.

She was the college's homecoming queen last year.

Oil News County Gets New Regular Field Oiler

An Eastland County Regular Field well has been completed two miles northeast of Eastland. The new oiler is Tabor, Coleman & Carr of Midland No. 3-B Holcomb, Section 1, Block 4, H&TC Survey.

Daily potential was 50 barrels of 40 gravity oil, flowing through a 14-1/2 inch choke with 350 pounds casing and 250 pounds tubing pressures. Production is from 138 perforations at 1,480 to 1,503 feet with the casing set at 1,550 feet. Gas-oil ratio was 450-1.

Spotted in the same regular field area was Great Expectations Oil Corp., Fort Worth, No. 4 Holcomb Heirs.

Hosts Will Be First Baptists

The annual Community Thanksgiving service will be held at the First Baptist Church Sunday night at 8 p.m. Rev. Calvin Bailey, president of the Ministerial Alliance and pastor of the Second Baptist Church, has announced.

One of the highlights of this year's program will be a combined chorus composed of the choirs of the various participating churches.

Rev. Bruce Weaver, pastor of the First Baptist Church, will deliver the sermon.

Each preacher of the various churches in the city will have other parts.

L. E. Snow, pastor of the Assembly of God Church will have the opening prayer; Rev. Bailey will have charge of the offering services and James Crites, pastor of the First Christian Church will read the scripture, which is to be followed by Rev. Weaver's sermon.

Bailey Hagar, pastor of the Nazarene Church will give the benediction.

Rev. Ralph Perkins, pastor of the First Baptist Church, will preside over the service. The program is open to the public and a large crowd is expected to gather for the event this year.

Lions Club week-end party was held at the club Sunday afternoon at 2 p.m. The after dinner talk was given by a good group of people with vision. "Dreaming is all right," but it also takes action.

Lake Leon happen and it did not get water as long as a vision or a dream.

A good organ is built with ideas and tendencies. It is necessary for a person to be good for if any good for the community of him. "We all need ideas," he added, "We in the past, but must have the future."

"Show me a man stand around corners and talk of whines to be, and I'll show that is falling apart," surmised.

"It also require said," "If you are on a work," he urged, "Tells what Ranger is and we here."

Willeford also question, "What are about your part?"

Rangers End Sison Saturday

After a light workout without pads Monday, the Ranger Junior College Rangers resumed heavier drills the remainder of the week in preparation for their season finale Saturday with the Schreiner Institute Mountaineers of Kerrville at Bulldog Stadium in Ranger.

The Rangers will be shooting to end the season on the winning side. Their season record now stands even with four wins and four losses. They have lost to Tyler, Hardin-Simmons B team, San Angelo and Arlington. Their victories are over Paris, McMurry B team, Tarleton and Henderson County Junior College.

The Mountaineers, with a 2-6

record to date, are facing the second worst season in Schreiner Institute football history. The worst came in 1948, when the Cadets ended the year with a 1-9 record. The Mountaineers, however, have improved steadily all year and have turned in creditable performances in their last two outings — a 39-12 licking of Blinn Junior College and their recent 35-26 loss to San Angelo, the Pioneer Conference champions. Despite last week's loss, however, the Mountaineers outshone the Rams in every statistical department except where it counts the most — the scoring column.

Figuring comparative scores against three common conference opponents, Ranger beat Tarleton 13-6 and Arlington beat Schreiner 26-6. Arlington beat Ranger 20-6 and Schreiner 32-20 and San An-

gelos clubbed the 45-0 Cadets and barely notched a 33-26.

Last year the Rangers beat Schreiner 20-7.

The Rangers' heavy loss in the Arlington affair here Nov. 9, they lost the services of Sherman Adcock, rusher in the backfield who injured his right foot.

The Mountaineers continue work with a back which functioned against the Rams last week. They will try to keep the Rangers off balance with a combination of from quarterback and runs by Walle, a hard-running half, currently leads the individual rushing.

Saturday's Ranger's crux in avoiding the col-

Relying on a stingy and determined defense the Ranger Bulldogs brought disaster to the Eastland Maverick's offense Friday night at Eastland as they clobbered the Mavericks 28-0 to sew up the district 7-A championship and gain the right to play Albany for bi-district.

Ranger's hard charging, brutish line allowed the Mavericks only 71 yards rushing on the ground and pushed their passers hard enough that they completed only eight of 18 attempts for 108 yards.

The Bulldogs stole four of the Mavericks passes, one in the fourth period at their own 10 yard line, and picked up one fumble. The Mavericks were never able to move past the Ranger 33-yard line before halftime, site of the various participating churches.

Ranger, in the meantime picked up two touchdowns in the second quarter and added one more in each the third and fourth periods.

Never this season has the Bulldog line moved so cooperatively as they did in winning the district crown Friday night before 2,500

customers in chilly, but nearly perfect football weather.

It would be impossible to name all the defensive stalwarts, anyone could pick out Jerry Cantrell, Robert Watson, Pete Jameson, Archie Robinson, Dan Cruse, John Hagaman, Tommy Young and Gene Bagwell, for in them Eastland's ground game was broken into individual helpless units.

Just as effective was the defensive backfield who swarmed the Maverick pass receivers.

Fullback Tommy Sutton, who scored one touchdown and gained 93 yards in 22 attempts, shredded the Eastland line often, and at crucial minutes, emerged as the game's top ball carrier.

Halfback Jerry Wharton led the Bulldog scoring with two touchdowns on runs of 16 and 22 yards and four conversions for 16 points. Sutton picked up one on a five yard blast, culminating a 58-yard drive and Quarterback Paul Hinds hit Jerry Cantrell for a 39-yard pass-run play.

Jerry Wharton stole two of Eastland's passes and Hinds and Cruse picked off one each.

The Mavericks were held to 19 yards on the ground in the first half while the Bulldogs racked up 113.

Overall Ranger racked up 15 first downs to nine for Eastland and completed four of six passes for 99 yards.

The score by periods went thusly:

After a scoreless first quarter, Jerry Wharton stole the first of two Eastland passes on his own 28 yard line and raced to the Eastland 44 before he was stopped. He and his brother, David, picked up 12 yards on two plays and Sutton and Hinds collaborated for 13 more yards on two plays before Jerry carried the mail around his own left end for 16 yards and the game's first score.

Three minutes later the Bulldogs had their second touchdown after Robinson fell on an Eastland fumble at the 28 in the Maverick end of the field. After Sutton and Hinds picked up six yards on two plays Jerry again raced around his left end for 18 yards and the second tally, ending the scoring in the first half. After Ranger's touchdown and a fourth down punt by the Mavericks, Eastland made its deepest penetration in Bulldog territory, moving with two pass plays to the Ranger 33 before Cruse stole a pass.

In the third period and after an exchange of punts, the Bulldogs moved from their own 31 yard line where Eastland's kick died.

Sutton and Jerry Wharton picked up 18 yards for a first down, Hinds, Sutton and David Wharton added 12 for another first down to the Eastland 39, then Hinds uncoiled a 39 yard pass to Cantrell who raced into the end zone, practically dragging two defenders.

Again in the final period, the Bulldogs moved after an Eastland punt from their own 42 yard line. Quarterback Charles Wolford, spelling Hinds and Sutton, picked up 22 yards on two plays. Hinds again hit Cantrell with an aerial strike that carried to the Eastland 10. Jerry Wharton added five more yards before Sutton blasted his right tackle for the remaining five yards that ended the scoring for the night.

Late in the final stanza, the (Continued on Page 6)

Negotiations For Albany Tilt Scheduled Today

Representatives of Ranger and Albany High Schools will meet in Cisco Saturday at 2 p.m. to negotiate the day and site of the bi-district playoffs. G. B. Bush, superintendent of schools said this morning.

Ranger won the right to the playoffs by virtue of its 28-0 win over Eastland and Albany got by with a 0-0 tie with Haskell Friday night. Haskell had been defeated previously, however.

In 1953, when the two teams clashed for the bi-district title the game was played at Breckenridge, a neutral field.

Three Seniors Elected Bulldog Team Captains

The Bulldogs elected three seniors to serve as tri-captains for their squad the remainder of the year in a meeting Thursday night.

Elected were Bennie Robinson, Tommy Young and Johnny Swinney.

Previously the coaches had appointed two squadmen to represent the squad before each contest, and each week the chore was rotated.

The three elected will officially be the captains for the entire year.

1920 Club Meets At Club House

Mrs. J. G. Harrell of Breckenridge was the guest speaker on the 1920 Club program at the Community Club house Thursday afternoon, November 17. Mrs. Harrell spoke on "International Friendships and showed pictures that her daughter, Miss Ann Harrell, had made of places of interest in Europe. Mrs. J. T. Roberson, program leader, introduced Mrs. Harrell and presented the other out-of-town guests. Mrs. M. M. Machem, also of Breckenridge, and Mrs. Larry Crowover, daughter of the Robersons who is visiting here from San Antonio. The club room was appropriately

decorated with autumn leaves and flowers carrying out an autumn motif. After Mrs. Harrell's illustrated talk, coffee was served from an attractively appointed table, which was laid with a white Italian centerpiece and had as its centerpiece an arrangement of multi-colored chrysanthemums in a brown basket. Table appointments were silver. Mrs. R. I. Hamrick presided at the coffee service.

Sixty members and guests were present.

Texas Federated Women's Club To Observe 'Know Our America'

"Know Our America Week" will be observed by the member clubs of The Texas Federation of Women's Clubs, Mrs. L. E. Dudley, Abilene, the president of the organization announced. She further stated that Governor Allan Shivers had issued a proclamation calling on all citizens of Texas to join in the observances during the week, November 20-26, 1955, which will be themed: "Consider the Blessings of Freedom."

Mrs. Robert Wheatley, Haskell, state chairman for the Federation, who has worked closely with the Executive Council of the All-American Conference to Combat Communism made up as a cooperative enterprise of 54 national organizations, of which the General Federation of Women's Clubs' immediate past president, Mrs. Oscar A. Ahlgren, Whiting, Indiana is a member, quoted from the council's directive:

"Coming as it does during the

Thanksgiving period, this nationwide observance will be a reminder to all Americans that they must not take for granted all the liberties they enjoy.

Unfortunately, many persons forget that the blessings they receive have come down to them through the bitterness of several wars. That there has been a tendency on the part of some to shun their responsibilities as citizens and react indifferently to the vital needs of our country.

Through the cracks of this forgetfulness and indifference has seeped the menace of communism. Without the knowledge to combat it effectively, the progress of communism cannot be checked, and all of the liberties that we cherish may be seriously endangered.

The week will give all of our citizens an opportunity to re-dedicate themselves to democratic principles, to understand how our nation became strong and great, and to realize that knowledge of America will foil the thrusts of communism. All citizens should participate in this important observance to keep alive the spirit of freedom as against the tyranny of communism."

spending more time guiding the feminine hands are responsible might never have developed if "do-it-yourself" cars today might well be coming in packaged kits.

Typical is the device dry the washing or scrub the dishes. Consequently, today's 20 million feminine motorists may well take most of the credit for today's mechanical marvels that simplify driving a car.

Mechanical servants wait upon her from the moment she enters her car. As she reaches the foot pedals, a button at her fingertips sets into motion an automatic device that brings the car seat forward. Another button raises the seat to the proper level for her.

A simple motion starts the engine. The touch of a toe-tip to the accelerator puts an automatic transmission to work shifting gears.

Power Does the Work When the feminine motorist approaches the first traffic light, a light touch of her dainty toe starts giant power brakes working. Effortless power steering takes the work out of parking and turning corners.

A tap of a button at her side, and the girl in the driver's seat can automatically raise or lower any window in the car. Another flick of her fingertip tunes in soft music on the car radio.

The stage that women's place is in the home is only partially true these days. And it's probably a good thing, too. Without the women starting to go places, the car might never have been popularized in the first place.

Who knows, maybe the first horseless carriage was invented simply because women didn't want to be bothered with hitching up Old Dobbin to the shay!

A NEW NAME... for a Sound, Time-Tested Feeding Service!

We're changing our name, effective immediately. From now on, our grinding and mixing service will be known as "CHECK-R-MIX."

Take a closer look at the emblem above. You'll find it features rural America's most familiar trademark—the checkerboard. That means that Purina Mills, a leader in the Feed industry for more than 60 years, is back of this new service we're offering.

Yes, Purina plays a big part in our Check-R-Mix service. Here's how it works: We are equipped to take your grain, grind it, and accurately mix it with Purina Concentrates. Purina Research sees to it that these concentrates "balance" your grain—make it do the job better than it could before. Still your only out-of-the-pocket cost for a Check-R-Mix ration is for grinding and the concentrate.

We think you'll agree that our new Check-R-Mix Service makes a fine opportunity for poultry and livestock feeders in this community to make their grain worth more. Bring in a load of your grain. See for yourself why so many of your neighbors use our Check-R-Mix Service.

These programs on Christian Science are presented four times throughout the year.

The purposeful living and intense consecration to God can make mankind will be explained in a Christian Science services the Sunday.

Scriptural selections in the Lesson "Soul and Body" will include the following from I Peter (2:22, 23): "Seeing ye have purified your souls in obeying the truth through the Spirit unto unfeigned love of the brethren, so that ye love one another with pure heart fervently: being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever."

In "Science and Health with Keys to the Scriptures" by Mary Baker Eddy the following passage is among those read (43:19-21): "We should consecrate, not to the unknown, whom we ignorantly worship, but to the eternal builder, the everlasting Father, to the Life-giver, mortal sense cannot impart mortal belief destroy."

First Baptist Announcements

This special holiday season brings to the heart of the Christian people the glorious thought of special thanksgiving unto the Lord for all his goodness. "Discipleship and Thanksgiving" will be the theme for the eleven o'clock worship service at the First Baptist Church this Lord's day.

The many departments of the Sunday school will be bringing many gifts of thanksgiving for the children in the orphan homes and elsewhere. There is Christian joy in giving, aiding and supporting all the programs of the Heavenly Father — "who is my brother" is answered in Christian stewardship.

Our Sunday school departments are graded according to public school and age basis and all groups can find a place for Bible study each Lord's day morning. Bring the family this lovely day and "be ye thankful."

The choir will sing the special music.

The Training Union will meet at 6:30 p.m. and will conduct their regular programs and will dismiss at the usual hour.

The evening preaching hour will be postponed for the joint worship service sponsored by the Ranger Ministerial Alliance. This is an annual service in which all the people of Ranger and the area are invited to this "joint participation" in worship.

The services will be held in the First Baptist Church. The Reverend Bruce Weaver, pastor

It Was Just An Accident—

... that Columbus discovered America, or was it luck? He himself said that his journey would be hazardous and he didn't know where he was going. But he had faith that he would discover a great land and he did. Likewise, the person who buys land without an abstract is embarking on a dangerous course. Like Columbus he must have faith that he won't lose his all and plenty of luck to avoid financial disaster.

REDCHAIN DRY-CO

IS NOW HIGHLY FORTIFIED WITH PROTECTIVE LEVELS OF VITAMIN D

Increase Your Milk Profits Control Milk Fever

Calling time is a critical time for a good dairy cow. A mineral shortage results in milk fever. The mineral in the feed for the dry cow should be in balance. Even though the mineral is in balance and adequate, the cow cannot use it unless she has an adequate supply of Vitamin D.

With good cows, every pound of flesh you put on during the dry period enables the cow to produce 25 lbs. more milk during the lactation period.

The mineral requirements for individual animals vary considerably, therefore it is advisable to provide RED CHAIN STOCK MINERAL. Only Chain in Salt-Feeders.

Lt. White Is Laid To Rest At Cisco Friday

Funeral for Lt. Bobby Wayne White, 22, of Cisco, brother of Mrs. John Whitley of Eastland, who was killed in the crash of a jet training plane near Memphis, Tenn., Monday morning, was held at 3 p.m. Friday at the East Cisco Baptist Church.
The Rev. Tex Culp, pastor, and the Rev. F. C. Bradley, pastor of Denver City Baptist Church, officiated. Burial was in Oakwood Cemetery under the direction of Haxner Funeral Home.
Details of the plane crash have not been released by the Defense Department but unofficial reports said the plane crashed into a tree during a practice landing with instruments. Lt. White was en route from Dallas to his base at Cherry Point, N.C., at the time of the accident.
Lt. White was born in Cisco Sept. 27, 1932 and lived here all of his life until entering the service in 1953. He was a graduate of Cisco Junior High School and of Cisco Junior College, where he played end on the football team. He entered Naval cadet training in July, 1953, and was stationed at Pensacola, Fla. After completing his training he was assigned to the Mine Air Corps as a jet pilot stationed at Cherry Point.
Lt. White was to have been married to Miss Mary Scott, daughter of Mr. and Mrs. Fred Scott of Cisco at the First Methodist Church Dec. 10.
Survivors: his parents, Mr. and Mrs. A. W. White of Cisco; one sister, Mrs. John Whitley of Eastland, and his grandmother, Mrs. L. E. Ink of Cisco.

ions. To find ourselves in the Land of God is not to struggle over mountains and through some deep valley, but "That I thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God has raised Him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation (Rom. 10-10).

ATTEND EASTLAD-RANGER GAME FRIDAY NIGHT

Mr. and Mrs. Bill Swaney of Fort Worth attended the Eastland, Ranger game and spent the night with Bill's parents, J. and Mrs. Willard Swaney.

Golden Glamour Yams

It is the "in" season again—for entertaining that is! For most of our United States, the delightful casualness of outdoor dining is at an end for this year. No regrets for us... we can think of many things in favor of indoor meals, either for family or friends. For example, now we can use our best linens, our most delicate china and glassware—things we would never think of taking on a picnic, or even out to the back terrace!

In addition, cooler weather invites more oven cookery—and, with that in mind, we suggest you try this excellent yam recipe with its golden brown coconut topping. It will provide a glamour accompaniment for a baked ham or roast lamb!

COCONUT YAM BALLS

Combine yams, salt, butter, brown sugar, and orange rind. Shape into 6 balls. Add melted butter to coconut, mixing well. Roll yam balls in coconut. Place pineapple on ungreased baking sheet. Brush each slice with additional melted butter. Bake in moderate oven (350°F.) 10 minutes. Place a yam ball in center of each pineapple slice. Bake 10 to 15 minutes longer, or until coconut is golden brown. Makes 6 servings.

College Evening Classes Have Musical Program

A string band composed of Eddie Joe James, Dan Mitchell, Bonnie Hatfield and Billy Sizmore entertained the Ranger Junior College evening classes with popular, hillbilly and religious musical numbers Wednesday night. Vocalists were Mitchell, James and Luther Black.

Bobby Warren, president of the student council, in charge of the program, introduced Mrs. Mary Harr, student council representative, who was responsible for the program.

The next scheduled assembly will be Nov. 22 when Norman Huffman will have charge of the program.

The group scheduled a Christmas party for Dec. 1, which will be given by the student council for evening students and their guests.

C. Tex. Turkey Raisers Hold Monthly Meet

Devoting the session chiefly to a round-table discussion, the Central Texas Turkey Raisers Association met in the Cisco National Bank Thursday night.

Don Kincaid, president, presided. The annual barbecue meeting, held here recently, was reviewed and planning was begun for next year's.

The December meeting will be held the third Thursday at the same location in Cisco.

MRS. JOE CALDER IS WITH DAUGHTER

Mrs. Joe Calder left about a week ago to go to California, to be with her daughter, Mrs. C. C. Cash in Tarrance, California, who is ill. She has been in a hospital for some time and is now at her home at 1104 West 204 St., convalescing.

Peanut Output Hits Its Peak At Rising Star

Peanut marketing was at its peak in the Rising Star area this week and a total of 2,000 tons is expected to be marketed there.

Bank deposits which normally lag some two weeks behind the marketing process already were reflecting the new income. Deposits at the First State Bank had increased \$100,000 the past week. The full effect of the marketing income would not be known until two or three weeks, bank officials there said.

Government grader, R. H. Hodge, said that the total graded there through last week reached 1,150 tons.

Grade was running above the average for West Texas peanuts, Hodge said. Top grade was registered on peanuts brought in by Elmo Chambers, of the May area, that graded 74. While there have been many instances of 70 and above, the average has been running around 65. A slight improvement has been noted in late peanuts.

Both yield and grade, however, are in excess of those registered last year.

Last year only about 1,000 tons were marketed at Rising Star during the season and the grade was very poor.

CARVING MEAT CUTS

Lamb Crown Roast

A lamb crown roast is made from the rack, or rib section, of the lamb. A pork crown is made from the rib sections of two or more loins of pork. Either is carved in a similar method to that of the pork loin roast.

Slice between the ribs—use a standard carving set. Move to the side of the platter any garnish in the center which might interfere with the carving. Steady the roast by placing the fork flat, between the ribs.

Cut down between the ribs, allowing one rib to each slice. Lift the slice on the knife using the fork to steady it.
