Eleven Student **Essays Chosen** For Publication

Eleven essays written by students at Ranger High School were recently accepted for publication in an anthology entitled "Young America."

Those entering the essays cepted for the anthology were David Anderson, Edward Black-well, Charles Bonney, Marie Cham-Alan Lewis, Dorothy Needham, Bennie Robinson, Dorothy Stag-

ner and Shirley Wymer. Due to space limitations the en tire group could not be reprinted here but five entries were picked (Continued on Page Four)

Times Delivery May Be Withheld **Until Sunday**

Delivery of the Sunday Times, which is usually delivered Safurday, may not be completed until Sunday morning in some cases.

Some paper boys, just like everyone else, are planning on roing to Childress for the Ranger-Stinnett quarterfinals football game Saturday. In the case of those who do, they have promised to deliver early Sunday morning in

appreciation of their reprieve. You probably won't be here to read it anyway.

HOLIDAY CHORES PILE UP-Think YOU'RE busy this Christmas season? Consider woods Sven Dubell, left. He's hip-deep in snow—and work—as heavy, early winter snows hamper harvesting of the Christmas tree crop. Sven has his job cut out for him as Santa's helper in the North Woods near Big Falls, Minn. At right, Frank Romersa, head chef at New York City's Hotel St. Moritz, really gets the bird from Thanksgiving right on through New Year's. He's shown as he prepares to carve his way through some 5000 pounds of turkeys. They're only a small portion of the birds which will pass through his kitchens during the holiday season.

"Best car manufactured in America today"

That's what Floyd Clymer, famous automobile authority, said about Chrysler in Popular Mechanics (October)

"I have tested many fine automobiles over all kinds of terrain," writes Mr. Clymer, "and in my judgment Chrysler is the best automobile manufactured in America today."

When you compare this Chrysler with the other two major cars in its price class, you will be in for an electrifying awakening. Because this is power driving as it was meant to be.

You push the "D" on the Pushbutton PowerFlite Drive and a mighty airplanetype engine whisks you away in an instant. There's a new, wonderfully easy feel-of-the-road with full-time PowerPilot Steering . . . a straight, sure, velvety sense of safety in the stops you get with PowerSmooth Brakes . . . a world of authority in the tremendous response of Chrysler's exclusive airplane-type Fire-Power V-8 engine!

Just one look at this car tells you the power's there. You see it in the flairing "PowerStyle" lines . . . in the flightswept look of its rear deck and fenders. Let us put you behind the wheel of the "PowerStyle" Chrysler for just 15 minutes this week. Compare its all-around per-formance with its two price competitors. Then you'll know why "the best car manufactured in America" is your best
