

In front of a grocery store, a well-known art connoisseur noticed a dirty little kitten lapping milk from a saucer that he realized was a rare piece of pottery. He dashed into the store and bought the kitten for \$5. "For that sum," had told the proprietor, "I'm sure you won't mind throwing in the saucer. The kitten looked so happy eating from it."

Cold, icy winter weather with possible scattered light rain to-day and early tonight has been forecast for the Eastland County area.

Weathermen said there is a chance for rain in the county area and predicted low temperatures of 20 to 25 degrees Tuesday night. Temperatures are not

Now that the Insurance Com-

mission has decided to audit each insurance companys' records, the question of which particular C.P.A. will conduct the audit.

The Texas Observer has reported, "Fladger F. Tannery of Dallas, president of the state C.P.A. society, pledged the full cooperation of the state's certified public accountants.

accountants.
"Tanner said that companies would be permitted to choose their own C.P.A.'s—but that was swiftby refuted by commission chair-men J. Byron Saunders who said that statement was unfortunate, that the commission would assign the auditors, and that companies who object to the commission's choice would be assigned commis-ion-employed auditors. "Saunders brave words appar-

entily were not long-lasting, howevel Monday Frank Wilcox announced for the C.P.A. society
that the commission had agreed
that "insurance companies must
be allowed to select their own
auditors from those able and willing. Wilcox said this proposal had
shocked the commissioners last shicked the commissioners last week in Austin but had prevailed after the society insisted on the essential requirement of indepen-dence of auditors.
