County March Of Dimes Campaign Extended Until February 15th Here

Light Contributions Forces Extension

Lagging contributions have forced the continuation of the Eastland County March of Dimes drive until Feb. 15, Mrs. J. A. Bates, county chairman, said here today.

Mrs. Bates said that last year's contributions far exceeded thus far in the campaign this year even though the Eastland County chapter had to borrow \$3,000 from the National Fundation during the summer to help the county with its financial burden.

The drive in Ranger has netted approximately 1,500 with the Mothers March, sponsored by the 1947 Club, the big money raiser. The road blockade Saturday resulted in collections amounting to \$224.15; the Beta Sigma Phi cake auction two weeks ago and games Saturday night netted \$153.64 and the American Legion and Auxiliary have collected \$216 from a dance they sponsored and from a cake auction.

The Ranger Lions profited about \$225 from their pancake supper Saturday night and the volunteer firemen added \$70.85 from fines and parking tickets Saturday even though they did not charge \$1 for overparking as has been the general practice previously.

Jess Cole has collected \$71 in contributions for pulling ice bound trucks up Ranger Hill during the last snow storm and he expects another \$25 soon.

With the extension of the campaign Ranger High School is planning an extensive drive all next week as directed by the student council.

Overall, the program in Ranger took a definite surge during the past week but contributions lag far behind those of last year as Mrs. Bates pointed out.

With the additional time limit, other organizations are expected to expand operations to include some benefit idea for the March of Dimes.

Not included in the total list of contributions was the Lions-Rotary basketball game played Monday night. Gate receipts have not yet been gathered and counted.

Even though Ranger has lagged some, other cities and communities in the county are much farther behind: Eastland only last Friday, four days before the end of the official time limit, organized forces by appointing a city chairman who is responsible for the success of the campaign in all towns.

However, with the extension of the time limit, they should add to the growing list of contributions.

In Cisco, Dimes chairman were planning on rounding out their activities Tuesday night with a musical jamboree and auction. Local and area talent was gathered for the musical event, and items were donated by merchants for the auction.

At Rising Star funds have been derived from a special movie, and the sale of peanuts by the Boy Scouts, a door-to-door canvas, a pancake supper sponsored by the Saturday Club, and a dimes card campaign under the direction of the American Legion Auxiliary.

The group has also planned a card of boxing matches to be presented at the high school gymnasium, Thursday, Feb. 9.

Comanche Trail Council Prepares For Scout Week

"Onward for God and My Country" is the theme adopted by the Boy Scouts of America as they celebrate their 46th anniversary, Feb. 4-12.

C. B. Scouts and Explorers are preparing to do their share in the approaching Boy Scout Week activities. Each scouting unit in the Comanche Trail Council is planning five activities to include a display of handicrafts in an up-town store window, attending Church service on Feb. 12, conducting an openhouse at the regular boys' meeting with parents and friends as guests, taking part in a community "good turn" and presenting a program before the school or civic club groups.

The traditional blue and gold banquet will feature Club Scout activities during the month. Scouts will participate in a North Texas emergency net for ham operators on Feb. 12, at 8 a.m. Lee R. Tesson of Goldthwaite is the director of this activity.

"It is expected that the entire membership of 1,964 boys in 83 units will take part in the activities," stated Rio Cox of Brownwood, council president.

Backboard control was the answer to the Ranger defeat. The Plowboys tow 6' 5" forwards pulled away with more than 75 percent of the loose balls.

The Rangers, currently occupying the league cellar with three losses, meets Decatur here Thursday night then travel to Cisco Saturday night for another non-conference contest.

ROOM FOR ONE MORE—The Army's newest helicopter—the H-34 Sikorsky—is also the biggest. It can carry 17 combat-equipped soldiers plus pilot and co-pilot, and can lift cargo-loads of approximately 5,000 pounds. The photo was made at the Army Aviation Unit Training Command, Fort SIK.

Arctic Front Wallops Area With Snow, Sleet

Snow, and freezing rain driven by strong north winds gave this area another severe taste of winter today.

It is the second severe storm in as many weeks and the most recent seem destined to hang on through Friday at least with more snow and hail accompanied with a 15-20 degree temperature predicted through Saturday morning.

Public schools and Ranger Junior College were not opened here this morning. Both G. B. Rush, superintendent of schools, and Dr. Price Ashton, president of Ranger Junior College, said that it appeared that there would be no school for the rest of the week, if present weather conditions persisted.

Highway crews began pouring sand and gravel on slick spots on hills and bridges early this morning and the operation continued through the day.

Hills on the eastern approach to Ranger on U.S. Highway 80 were particularly slick and dangerous; through traffic other than trucks had little trouble making the steep grades.

Some trucks were stalled on the stretches three or four miles out, but highway crews spread gravel and sand in their path, assisting them up the hills.

Ranger Hill was far more passable than the hill before Offield's. No trucks were stalled on Ranger Hill.

The situation is expected to grow worse tonight, however. Highways through the entire section of West Texas were extremely hazardous and will probably remain in that condition for the next two days as the temperature is not expected to rise above the freezing mark.

There were no major accidents reported in this area today, however. The mid-winter storm here began brewing late Wednesday afternoon as strong arctic winds began forcing temperatures downward after a day of light drizzle with occasional hail and sleet.

Early Thursday morning there was a lull in the rain as the intensity of a spring storm, with thunder and lightning bringing in the moisture and sub-freezing temperatures.

Precipitation was light in the West Texas area until midnight Wednesday. Rising Star reported the most moisture, .40 of an inch. Localities reporting .10 of an inch (Continued on Page Five)

Relative Of Ranger Man Dies In NY

Services for R. Kirby Shirley, 56, senior vice president and member of the board of directors of Freeprot Sulphur Co., who died in a New York hospital Tuesday, Jan. 28.

Shirley, associated with the sulphur industry 34 years, had a prominent role in the growth of the industry during the past decade.

As executive vice president of the Freeprot Co., he helped guide the development between 1950 and 1955 of four new sulphur mines in the Gulf Coast region of Louisiana and Texas.

He was a nephew of J. B. Shirley of Ranger. A native of Gainesville, Mr. Shirley worked previously with the Treasury and War Department in Washington.

He is survived by his wife, a son and two daughters, a brother and a sister.

Colleges' Girls Dorm Joins Polio Fight

The girls who live at the dormitory at Ranger Junior College and their sponsor Mrs. Frances Jamerson joined the fight against polio with a March of Dimes dance Tuesday evening in the Union building.

An evening of fun and good entertainment added almost \$7.00 to the polio fund.

MAN OVERBOARD—That will be the cry this coming summer, if many seasprites such as Norma Seward up-anchor under transparent sails. Fashioned of synthetic resin, the new-type sail was shown recently in New York City.

Down in the mountains below the Mason-Dixon line, one of the inhabitants threw himself on the ground as a rifle ball whizzed past his head. Turning around, he discovered a neighbor calmly reloading his squirrel rifle.

"Hey, Lonzo," he cried, "what are you shooting at me for? I got no quarrel with you."

"No, you ain't," Lonzo said. "But you and Jubal Suggs had a feud on, didn't you?"

"Sure," the target replied, "but old Jubal's dead."

"Well," said Lonzo, preparing to take aim, "I'm executor of the estate."

The trials of growing up. Donald Pope, 2, son of Mr. and Mrs. Bill Pope of Nimrod community had to have major surgery in a Fort Worth hospital where he was taken after swallowing a BB shot which lodged in his lung.

Donald's parents did not know that he had swallowed the shot until they discovered that he had difficulty breathing and took him to a doctor for diagnosis.

Royce Phillips, owner and manager of Phillips' Transport Co. here has, in a novel way, provided colored TV for his drivers and mechanics in their off-duty hours.

Bright and warm sunshine is fast becoming a novelty here or weather within the last two weeks would have us believe. Of course, this area, which has been shy of its share of rainfall in the last five years never complains of yet, murky weather. And it appears that we can look for more of the same through Friday at least.

Farmers in the area say that fields are moist several feet down, but we all know that more rain will be needed to put the earth in the right condition for spring planting.

An old outdated law still exists in Austin that could force male Texans failing to pay their poll tax by the now-passed deadline into three days work on their county roads. The law states however, that if the delinquent taxpayer prefers, payment of \$3 to the county road superintendent will keep him off the road gang.

Lack of enforcement has however, done everything but erase the law from the books.

The house that was destroyed by fire about two miles south of Ranger Monday afternoon belonged to Mary Coffman instead of the way stated.

It seems that fatal accidents have almost reached the epidemic stage in our country and area. They are in wide variety—accidental shootings, highway mishaps, falls—and, as our sympathy goes out to the victims and their families, there's also the hope that all of us will be extra careful, avoiding as many hazards as humanly possible. Few of the accidents have been due to actual carelessness, but, at that, it is important that all of us be on our guard against the slightest negligence.

With the recent moisture and snow in the surrounding areas, most observers feel that with a slight continuation, this immediate area could enter an economic growth—not a boom—but healthy financial rise during the coming year.

Lake Leon, which is hardly new anymore, will naturally bring in some revenue by the fact of the sports which it offers to pleasure-seeking West Texans.

Critical Corpsman Shortage Looms For Navy Group

The Navy is once again calling for enlisted personnel to apply for training as hospital corpsmen, Chief Tompkins, the local Navy recruiter, said here this week.

Tompkins said that there is a critical shortage of personnel in the hospital corpsmen rating group. Qualified volunteers will be ordered to a class A Basic Hospital Corps School. These schools are located at Bainbridge, Md.; Portsmouth, Va.; Great Lakes, Ill.; and San Diego, Calif.

Volunteers must meet these qualifications: be temperamentally suited for duty as a hospital corpsman, have normal color perception and be a high school graduate to be guaranteed hospital corps school upon enlistment.

The Navy recruiter will be at the post office here on the second and fourth Tuesdays of each month from 11:15 to 12:00 a.m.

Give Your Chicks a Super Start

Your chicks should grow up to 5.6% faster on 7.4% less feed per pound of gain than ever before on Purina Super Chick Startena

Purina scientists have done it again! They have improved even last year's wonderful formula so much that you can see the difference.

SUPER GROWTH. Several thousand chicks in many different tests have averaged 5.6% bigger than ever before on Startena. And they took 7.4% less feed per pound of gain.

SUPER SAFE. You can order Startena with a built-in coccidiosis control. It's the best control ever tested by Purina Laboratories to help you protect chicks from the worst killer of all chick diseases.

SUPER VIGOR. You can see brighter yellow shanks, perkier red combs and fast smooth feathering.

SUPER ECONOMY. It takes only 2 lbs. of Super Startena per light-breed chick, 3 lbs. per heavy. This is a real saving, because most feeds recommend 3 to 4 lbs. of starter—or more—before the chicks are ready for growing ration.

Pearl Above Price Is Treasure Of Salvation

THE Magi brought the Babe of Bethlehem gold, frankincense and myrrh. And Jesus repaid them—and all mankind—with a treasure beyond the dreams of avarice. Jesus told the rich young man who asked what he might do to inherit eternal life to sell all his goods and follow Him—"And thou shalt have treasure in heaven."

What was this treasure, which outweighed all worldly goods? Perhaps a study of the three chapters in Matthew, that tell of the ministry of Jesus, and of the "treasures of the Kingdom," will help us to understand.

Jesus compared the kingdom to treasure hid in a field, which a man sold all that he had to buy; and to a pearl of great price, which, likewise, a pearl-merchant, knowing pearls and their value, sold all that he had to buy.

Do we value the Kingdom of God in that way? Is there reason in what Jesus said? Jesus did many wonderful works, but all these He spoke of as secondary or unimportant in comparison with the Kingdom itself, which He offered to all those who would repent of their sins, and become as little children. The supreme treasure of the Kingdom is salvation. The greatest words that Jesus ever spoke were: "Son, thy sins be forgiven thee."

In our modern world we have become very polite and squeamish in avoiding talk about sin and salvation. Yet sin is the most terrible fact to be reckoned with in our lives.

And salvation is the supreme treasure which Jesus brings within our reach. What treasure we should have, and will have, if we live in the spirit of our daily prayer—"Thy Kingdom come!"

RED CHAIN GRO-MO

RED CHAIN Gro-Mo is a special feed designed for pullets, pullets bred for intense egg production, after the bird becomes an egg producer, an inherent egg-laying capacity cannot be improved. The bird can only be managed, or maintained as a layer. But as a pullet that bird can be developed to utilize to the fullest its native egg-laying ability.

RED CHAIN Gro-Mo is a 20% protein feed, which permits greater use of RED CHAIN Albeco or case. It is rich in fish and milk growth factors. Gro-Mo is fortified and perfectly balanced with vitamin and mineral needs. It provides the necessary nutrients for continued healthy growth, and the protection and development of inherent egg-laying capacity.

GRO-MO is well fortified with the necessary antibiotics to give complete protection to the Vitamin and Mineral needs of Pullets.

Methodist WSCS Has Meeting for Third Session of Bible Study

The WSCS met January 30 at the First Methodist Church. The program was in the third session of the Bible study being taught by Mrs. Bruce Weaver.

Mrs. A. W. Brazda, president, presided over a short business meeting.

Mrs. Mike Alexander gave the devotional. The main thought was "Truth" — God is truth and if one is like Christ he is truthful — for our strength is always in doing right.

Mrs. Arthur Deffebach led the group in prayer. The group sang "Open My Eyes, That I May See."

Mrs. A. J. Ratliff gave a report of the relations of St. Augustine to his mother, Monica and her teaching, who was a Roman by birth and Catholic by profession.

They lived in North Africa in the early years of his life. His father was named Patricus. St. Augustine's life made a great contribution to the spiritual world.

In absence of Mrs. Weaver, due to sickness, Rev. Weaver discussed some main points of the five classics and conducted a round table discussion from "Selections from St. Augustine."

A prayer was given as worded: Spirit of the living God, who alone can transform our life and make us ever after the image of God's perfect son, descend on us, we pray Thee. Blot out our sins, kindle us new effectuations and lead us day by day in the way of holiness for Jesus' sake.

Plans were completed for a turkey dinner to be held at the hall on Sunday noon, Feb. 12. Tickets will be sold to the public and part of the proceeds will go to the March of Dimes.

Refreshments were served to 26 members.

The Ranger Rebekah Lodge met Tuesday night at 7:30 o'clock in the IOOF hall.

The meeting was presided over by Noble Grand Mable Greer. It was reported that Mattie Cox and Irene Sides were ill and cards were sent to them.

Joseph A. Hale was elected to membership and was initiated. The penny prize was furnished by Louie Caulder and was won by Della Rushing.

The Camp Fire Girls had their weekly meeting Monday, Jan. 30. The group voted to buy Camp Fire Girls' socks with the money that the New Era Club donated to them. They also decided to sell cold drinks at the March of Dimes basketball game and gave the money to the March of Dimes.

The following new officers were elected: Jill Watkins, president; Patricia Lee Eschberger, vice president and social chairman; Mary Jane Fisher, secretary; Donna Dean Kirk, treasurer; Lucille D. Nussle, reporter; Karla Kirk, pianist; and Linda Kay Warford, scribe.

Returned from Wichita Falls Mrs. B. J. Ogden has returned from Wichita Falls where she was visiting her daughter, Mrs. M. E. Ewing, who returned with her and will spend a few days in Ranger visiting friends and relatives.

Visited over week-end Mr. and Mrs. Jimmy Cole and baby of Odessa were here visiting relatives over the week-end.

New patients in the West Texas Clinic are: Hall Walker and Jack Robinson.

J. O. Cambrough is a new medical patient in the Ranger General Hospital.

Visiting in Ranger Mrs. W. F. Ewing of Breckenridge formerly of Ranger, is visiting in the home of Mr. and Mrs. E. C. Ewing and Mr. and Mrs. Billy Ewing.

Saturday night, Feb. 4, the Youth Crusade of the First Baptist Church will go to Mangum Baptist Church for the monthly Youth Rally sponsored by the Young People of the Cisco Association. Rev. James Fleming of Eastland is president and Jackie Heath of Ranger is vice president of the youth movement. Each Saturday night, except the Association Rally, the youth of the church and their friends and visitors assemble in the lower auditorium for various types of programs. The First Baptist has sponsored a Saturday night Youth Crusade for a number of years. This gives the young people an opportunity for clean wholesome Christian entertainment. College groups from other cities bring a variety of programs. Outstanding young men and women from over this area of the state bring special numbers. One night each month is game and party night. Light refreshments are served at the close of the services.

The programs are designed for High School, Junior High and College youth. All faiths are welcome and the programs are under the supervision of the youth committee: H. A. Shockey, Glenn West, and Wilson Watson.

MERRY MODERN says: For what it costs to dry clothes electrically for 1 year... you can dry clothes for 7 years with flame-fast gas!*

Don't be fooled! Gas drying is faster, more efficient, thrifter by far! You really save and save — especially with children in the family. Clothes whiz through the wash, come fluff-dried for just a penny a load. A gas dryer steams out wrinkles, eliminates up to one-third of your usual ironing. Fewer clothes and linens bought because you need less time for washing and drying. Less storage space too. No wear and tear from outdoor line-drying, no extra laundry help necessary. And remember, only a gas dryer is fast enough to keep up with your automatic washer!

The perfect Wife-Saver partner in the automatic gas laundry is an automatic gas water heater.

Billy Graham To Have Audience With Indian Prime Minister, Nehru

By George Burnham
PALAMCOTTAH, India — Billy Graham, who will preach to over half a million people during his three-week tour of India, will have an audience with Prime Minister Nehru and President Rajendra Prasad next Saturday in Delhi.

The famed evangelist already has spoken to over 400,000 and recorded 7,000 decisions for Jesus Christ in a land where Christians are in a minority.

The tour will be concluded Feb. 8 with a rally in Calcutta.

During his talk with top men of India Billy is expected to say again as he did in talks with Churchill, President Eisenhower, Queen Elizabeth and Queen Wilhelmina, that the problems of the world are caused by human nature and not the atomic bomb. He will name sin as the cause of the world's problems and Jesus Christ as the answer. He does not pull punches when it comes to a man's position in life.

The largest crowd to hear Billy in India gathered in Kottayam. Over 100,000 sat on the spilt level hills surrounding the platform. It was reported to be the largest religious gathering in the history of the nation. On two other nights there were crowds of 75,000 and 85,000.

Kottayam is a city of only 50,000 population and most of the people walked in from the surrounding countryside. People who walked five to 10 miles said they thanked God for a full moon. The light helped them to see deadly cobras along the jungle trails. Americans wouldn't walk 10 miles to church along a paved sidewalk in broad daylight.

Visitors filled all hotels and vacant rooms. Many slept in the open. The town ran dangerously low on food and more rice had to be rushed in to feed the hungry people. Five thousand people would gather each morning in a field for prayer meetings.

Billy and his party drove Monday from Kottayam to Palamcottah, over 140 miles through fertile land dotted with palm and rubber trees. Wild monkeys scampered around the car en route. They encountered two flag-waving parades of Communist youths. Billy stopped the car and preached to them from the Bible as they gathered around him, waving hammer and sickle. One youth kept his arm raised in a token of strength, but dropped his eyes when Billy talked about Jesus Christ.

People gathered in many villages along the way to wave as Billy came by. He is now about as well known in India as his native North Carolina.

Fifty thousand are expected here for the Tuesday and Wednesday night meetings.

Meet To Help 4-H Girls Prepare For Co. Contest In March Held

A training meeting was held in Eastland Saturday for the 4-H girls of the county to help them prepare for the "County 4-H Contest" to be held in March.

Miss LaFaye Mason, Assistant Home Demonstration Agent, gave a talk on how to plan a demonstration to enter in a contest and the advantages of entering contests.

Sample demonstrations were given: Dairy Foods Demonstration, by Rose Mary Berry and Kathleen Ziehr of Cisco, who showed how to prepare a banana milkshake; Electric Demonstration by Elizabeth Fox and Patsy Fox of Olden, who demonstrated tricks in ironing and care of an iron; Vegetable Preparation by Jean Berry and Carol Hagan of Cisco who showed how to cook frozen corn.

Contests are a valuable part of 4-H Club work and all 4-H members are urged to take part in them. Girl 4-H members wishing information on the contests may contact Miss Mason, Assistant Home Demonstration Agent, at the Home Demonstration office in Eastland.

were Albany, Coleman, Eastland, Rotan, Winters and McCarney.

Moisture here in the past few days counting precipitation here until 10 a.m. this morning has amounted to about .46 of an inch.

The snow, sleet and freezing rain was not a local problem. The front spread across two-thirds of the nation Wednesday, and brought some of the season's worst snow storms in parts of the Midwest and East.

Near blizzard conditions existed in northwest Oklahoma and in the Oklahoma Panhandle.

Bone-chilling cold, with lowest temperatures ranging down to 45 degrees below zero, stung the northern Rockies and intermountain areas.

In Texas, a low pressure storm over the state, which pulled moisture up from the Gulf, caused snow over a large stretch of the midcontinent.

Zero or slightly below zero temperatures were predicted in the northern Panhandle in Texas early today and snow was expected to spread as far south as San Antonio.

Dalhart reported near-blizzard conditions, with winds 20 to 30 miles an hour whipping snow into drifts, and temperatures around 11 degrees.

Projects Set By Quarterback Club, Gorman

Gorman's Quarterback Club has set its projects for the year and elected its officers.

For president the club elected Rayford Burgess. Hamrick was elected vice-president. Speck Clark treasurer, and J. W. Ramsey, secretary.

Joe Collins, the out-going president, automatically became a member of the board of directors. The two main projects this year will be the sponsoring of the annual Peanut Festival and maintaining the Frank A. Gray Memorial Park and Swimming Pool.

Collins was appointed general chairman of the second annual Peanut Festival and Oda Monroe, park manager for the coming year.

Gene Baker and Speedy Clark were appointed to a membership drive committee.

The club voted to present Max Pierce an outstanding athletic achievement award for the four years he has been at Gorman High.

A. F. Bendy Is Taken By Death Thurs. Morning

A. F. Bendy, 54, 707 S. Hal-bryan, well-known Eastland citizen, died at Eastland Memorial Hospital at 4:25 a.m. Thursday.

Mr. Bendy had been in the hospital for treatment about ten days. Since Aug. 22, 1933, Mr. Bendy had been with Texas Electric Service Company. He was a member of the First Christian Church.

Surviving are his wife and his mother, Mrs. T. A. Bendy, 507 S. Walnut.

Hammer Funeral Home will be in charge of arrangements for the services, which had not been completed at the press hour.

Eastland Boy Nominated For AF Academy

Congressman Omar Burleson this week announced the nomination of Billy Paul Smith of Eastland for the United States Air Force Academy. Billy is the son of Mr. and Mrs. Taylor Smith, 412 S. Oaklawn, Eastland. He is now attending Texas Tech. College, Lubbock.

This nomination qualifies him to compete with the nominees of other Texas congressmen for one of the eleven openings for Texas boys in the next class to be formed at the new Academy in Colorado.

The Air Force will conduct a series of tests of all nominees and then select eleven for admission this coming summer.

Olden Defeats Scranton; May Nab Dist. Soon

Olden High School boys' basketball team defeated the Scranton team at Olden Tuesday night, 64 to 49, snaring district first place.

Undisputed right to the district title will be gained if the Olden club nabs one more game.

Next week the Olden team plays Desdemona twice and probably will win both tilts. The Tuesday night game with Desdemona, at Olden, may be the clincher for OHS.

In the Scranton engagement, the Olden girls lost, 51-41.

Hold Fast to Your Rights—
 ... when you are contracting to buy real estate and insist that the title be proved. There are two kinds of titles, only one of which is very satisfactory. The title that only affords possession rights may be sufficient for the owner who never expects to sell or encumber, but a good record title serves every purpose and protects against future costs and possible frauds. Always insist on a good record title as revealed thru an abstract of title.
