The editor of a poultry journal received the following inquiry from a woman reader: "How long should a hen remain on the eggs?"

A little later, the editor received a second letter: "Thank you for your kind advice," it read. "The hen remained on the eggs three weeks, and there were no chickens hatched. As I didn't care for ducks, I took her off the nest and sold the eggs."

Residents of the smaller cities and towns and rural areas, as well as farmers and ranchers, grabbed a large slice of the automobile rate reductions announced this week by the Board of Insurance Commissioners than did their city cousins.

The new rates estimated to save Texas drivers a total of \$9,500,000 will apply to policies effective on and after May 1.

Attention was called to the fact that reduced insurance losses had made possible reductions totaling \$1,000,000 in automobile rates in the past two years and the indication was that rural drivers contributed greatly toward making these reductions possible.

In the Eastland County area, the following reductions will prevail: Private passenger collision rates 9.8 percent; private passenger bodily injury and property damage 6.4 percent; farm and ranch vehicles with a register gross weight not exceeding 6,000 pounds bodily injury with property damage, 16 percent.

The Ranger Volunteer Fire Department staged an exhibition of efficient fire fighting Friday night when they quenched the blaze that destroyed the trophy room at the Country Club.

Within four minutes after the first truck arrived, the flames that had already devoured most of the annex and which were already springing high into the air, threatening the remaining structure, were brought under control.

The quick action has brought much favorable comment. Mr. and Mrs. Henry Martin, caretaker at the club, expressed their gratitude shortly after the fire. They agreed that only the department's quick action saved the entire club.

Unintentionally omitted from the Chamber of Commerce list of the group who attended the meeting with the State Highway Commissioners meeting in Austin Thursday was B. H. Peacock.

JC Cindermen Grab Second At Big Spring

J. D. Hanson, Ranger Junior College sprinter and hurdler, was declared the outstanding entry in the junior college division of the American Business Club Relays at Big Spring during last weekend.

Hanson with first place efforts in the 120 yard high hurdles, 220-yard low hurdles, a second place in the 100-yard dash, and a third place in the shot put, helped his mates to second place in the junior college division.

Tarleton State at Stephenville took first place honors with a total of 40 points against Rangers 33-1-3. Others, Howard County of Big Spring, Cisco, Amarillo, Cameron, Okla. and Odessa, finished in that order.

Also for Ranger, Dan Mitchell finished second in the 120-yard high hurdles and fourth in the 220-yard low hurdles and the broad jump; the Rangers 440-yard relay team took third; Phil Stovall and Weidon Curbo tied for second in the high jump; Stovall tied for first in the pole vault; Douglas Clitscy placed fourth in the 880-yard run and the Ranger mile relay team took fourth spot.

John Wylie Annexes City Golf Crown

John Wylie, a Ranger High School senior, took his football lessons fairly well from Coach Boone Yarborough, but it was Yarborough who took the golf lessons from Wylie as Wylie soared to the City Golf championship.

Wylie thumped Yarborough 2-1 in the annual event sponsored by the Ranger Country Club.

In the second flight, Harold Barrett, assistant coach at Ranger High School, thumped John Hagaman 2-up and Jim Littlefield slipped by John Swinney 3-2 in the third flight.

The fourth flight winner was decided a week ago when "Flake" Turner nosed James Reid 2-1.

Dr. E. R. Green of Ranger has been named chairman of a Correct Posture Week Committee for this area. Dr. R. L. Shipman of Sweetwater, regional chairman, announced this week.

Burglars Take Dishes From Coffee Shop

Burglars gained entrance to the Ghulana Hotel Coffee Shop Sunday night and took an undisclosed amount of dishes, police said today.

The thieves evidently gained entrance to the cafe with a key as no doors or windows were broken and all remained locked after the burglary was discovered.

Owners of the cafe, Mr. and Mrs. Richard Jones, said that burglars had previously broken into the coffee shop and had taken an amount of groceries and supplies but that the incident was not reported to the police at the time.

Livestock Show Biggest In History

The season of the outstandingly successful 1956 Eastland County Livestock Show comes to a close tonight with a sale opening at 6 o'clock at the Sig Faircloth Auction Barn on Highway 80 east of Eastland.

The show was the biggest in the history of this affair, with such a sturging of entries totaling 406 that the judges were busy from 8:30 a.m. to 5:30 p.m.

The junior breeders and feeders competed for around \$1,800 in prize money and the adults competed for ribbons only. The show was sponsored by the Eastland County Livestock Raisers Association.

Clinton M. McCain, superintendent, said that if next year's entries run as high that some provisions will be made either to do part of the judging the first day, or sift out some of the animals.

Attendance of spectators was also near an all-time high, according to show officials.

In the fat calf, fat lamb and fat wince divisions the animals were placed according to grade. In the dairy cattle division the animals were rated on a classification basis.

Jimmy Kehoe of Armour & Co. Fort Worth, graded the fat lambs; J. Coffee of Cassidy Commission Co., Fort Worth, graded the fat barrows; Jack Bourland of Swift & Co., Fort Worth, graded the fat steers; A. D. Pettit, Santa Anna VA teacher, judged the breeding sheep and goats; T. C. Blankinship, Hamlin VA teacher, judged the breeding swine, breeding beef and dairy cattle.

Mark Kurkin, 10, son of Mr. and Mrs. W. E. Kurkin, Cisco, showed a Southdown cross from his father's own flock to the champions of the fat lamb division. His 11-year-old brother, Richard, had the champion doe of the Angora show.

This is Mark's third year to feed lambs. His first year, 1954, he had the Eastland champion lamb. The reserve fat lamb title Saturday went to Jerry Gaswell, Cisco FFA. There were 168 lambs in the division and 58 graded prime, 62 choice, 24 good and the remainder medium.

With money each of the twins earned in the Houston show "calf scramble" the pair added some of their own funds to buy two beautiful Leifers from Jay Pumphrey, Old Glory Hereford breeder. Judge Blankinship examined them carefully for several minutes before he selected Robert's heifer over Ronnie's. The boys are identical twins and their two heifers looked almost identical. Both heifers are of TR Royal Triumph breeding.

There was no competition for the reserve champion beef female title. The champion bull of the Hereford breed was shown by D. V. Rodgers of Gorman, TR Zato Heir 40, which went on to beat the champion bull of the Angus breed, belonging to Charles Rutherford.

Gorman 4-H had the reserve female. A total of 21 breeding females were entered. There were 101 entries in the fat swine division, with 42 graded prime, 35 choice, and three good.

The Rising Star FFA Chapter-owned gilt was named grand champion female of breeding swine and Rodney Stephens, Gorman 4-H, had the reserve female. A total of 21 breeding females were entered.

The Bostick twins, Robert and Ronnie, sons of Mr. and Mrs. R. C. Bostick of Nimrod, staged a highly competitive race for 1-h-e grand champion female of breeding swine and Rodney Stephens.

Yarborough Sets Platform For Governor Race

Ralph W. Yarborough of Austin, pledging to "build a structure of morality" in state government, has announced his candidacy for the Democratic nomination for governor of Texas.

Yarborough announced a platform "of progress including water conservation, drought relief, higher old age pensions, improved schools with adequate teacher pay and adequate retirement pay, adequate classroom space, a youth development program, a juvenile delinquency program" based on "broad general humanitarian principles."

Yarborough made his announcement simply to the press, in contrast to the statewide radio and television broadcasts of other gubernatorial contenders.

"Humbly I accept," Yarborough said, "the commission of duty you have given me in tens of thousands of messages... to lead the fight for the good name of Texas."

"The people of Texas want a new state government, free of entangling alliances and partnerships with the outgoing administration. Texas wants a state government free of the policies of the past and capable of independent action."

Yarborough added: "I pledge the people of Texas the restoration of honor, integrity and dignity in their state government."

Gritty, Howling Sandstorm Socks County Area

One of the worst sandstorms in years howled into this area Monday night, dropping a gritty curtain over the land, and reducing visibility greatly.

The sandstorm, lacking the severity here in which it panted other portions of West Texas, did not officially close any highways but most motorists slipped off the roads in favor of better driving conditions.

Accompanied by some wind gusts, the storm apparently brought no damage. Winds of the storm reached as high as 80 mph in some parts of West Texas, however.

The storm, which was spawned in Colorado and New Mexico raced through Texas and Oklahoma before blowing itself out Tuesday morning. The brownish, darkening haze reached this area at about 7 p.m. Moments later part of the city was blacked out. Darkness fell quickly.

Firemen, Wives To Attend Meet At Breckenridge

More than 21 persons from Ranger, including a group of Volunteer Firemen and their wives, will attend a district meeting of the North Central Texas Firemen's Association tonight at Breckenridge.

The visiting groups are to be feted with a banquet following the pumper races and a business meeting will be held after the banquet.

Jack Maen, drill captain for the pumper team, held practice here Monday night in preparation for the event.

Local Group Has 4 Reserve Champions

Led by Benny Gailey and Ed Blackwell, Ranger FFA members brought home their full share of premiums from the Eastland County Livestock Show held Saturday at Eastland.

Gailey started the show for the Ranger group by showing his Kid Buck in the Angora Goat Division to a grand championship. His five-year-old Buck won first place in the four tooth and other class. Also his young doe and old doe took second place money in their classes.

Blackwell showed his Hampshire gilt to a grand championship in the fat barrow and gilt class. He competed against 85 other outstanding fat barrows and gilts in the swine division.

Freddie Cooper showed two blue ribbon choice number one fat barrows, Jimmy Hagar showed two red ribbon choice number two barrows and Charles Tibbles showed a blue ribbon and one red ribbon barrow.

Jonell Penney Shows Two Grand Champions

Jonell Penney, local 4-H Club girl and a consistent winner every year at the Eastland County Livestock Show, again this year showed her two tooth Rambouillet ram to grand championships in the breeding sheep division Saturday.

She also showed the first place old ewe of the Rambouillet breed of sheep. Jonell's brother, Dale, showed the second place fourth tooth ewe and third place fourth tooth ewe.

Mike Herrington showed the third place young doe in the Angora goat division. Jerry Wilson showed his Holstein Heifer to a red ribbon premium.

Livestock Show Animals Go On Sale Tonight

Ranger Chamber of Commerce officials today urged businessmen and citizens here to attend the Eastland County Livestock Show sale scheduled tonight at 6 p.m. at the Sig Faircloth sales barn at Eastland.

The Chamber officials pointed out that FFA boys from Ranger will put on sale 16 fat lambs, seven fat barrows and four calves. They reminded that each year the FFA Chapter here puts in extensive work and preparation for the annual show and only through their efforts the program has reached the success that surrounds it today.

Prices that their livestock bring is the only award they get from the work and time in feeding and grooming their animals throughout the greater portion of the year prior to the livestock show.

Resident of Eastland Hurt; Another Killed

A 31-year-old Abilene man was killed and an Eastland man injured Saturday when the driver apparently lost control of a 1956 Pontiac about 13 miles north of Bronco on highway 277.

Harold Joe Curry, Abilene, was killed in the accident and B. I. Bagley from Eastland was hospitalized in Bronco with lacerations. They were traveling south, toward Bronco.

The Highway Patrol said Curry apparently lost control of the car with the vehicle overturning two or three times and catching fire. Curry was thrown from the auto. A passing truck driver pulled Bagley from the blazing auto.

Accident Burns, Mashes Olden Woman's Hand

A thumb on the left hand of Mrs. Kenie Mitchell of Olden was severely burned and mashed Monday in an accident at the Ranger Manufacturing Co.

An automatic steam press with 140 pounds of pressure closed on the Olden woman's hand. She was confined to Ranger General Hospital Monday night where her condition was termed "good" this morning.

Doctors were to make another examination of the burned hand today.

Burleson's Unit To Try to Curb Waste

By OMAR BURLESON, M.C., 17th District, Texas
WASHINGTON, D.C.—A committee of the House of Representatives recently reported that the United States Government owned property around the world valued at \$208 billion. Ordinarily, we conclude that, if an individual or a corporation can balance its books, it is solvent. Counting this \$208 billion in property, the Federal Government could easily balance its assets against the public debt. This, of course, is only theoretical.

Even supposing the Government could theoretically liquidate its holdings, its values are somewhat in question. The House administration committee, on which I have the honor to serve as chairman, is trying its best to reduce the tremendous printing bill which the government incurs each year. The printing bill of the United States has been running near \$250 million annually. There are 18 million different government forms in use. It has found that literally thousands have become obsolete, and some were out of date immediately after they were printed. Every time the Congress passes any new law, or the President issues an Executive Order, there follows hun-

Quartets Will Be One Feature Of Convention

Besides a large number of singers from about this area, at least three widely known professional quartets will be a feature of the Eastland County Singing Convention to be held in Eastland Sunday, April 8.

Committees, meeting last night in the office of Judge Jim Bogus in Eastland, chairman, stated that plans are going forward nicely on this project. They urge that those who attend "bring food, for the spread lunch at noon, and spend the day."

The convention will be held in the High School Auditorium and is set to open at 10 a. m.

Quartets will include the Stamps Quartet and the Stamps - Baxter Quartet, both of Dallas, and Robert Arnold's National Music Quartet from Fort Worth.

Exciting French Laces

THIS YEAR'S Spring 1956 Paris lace story is sensational! Lace has reached new heights in fashion. Every collection is full of it. Every chic boutique is piled high with lace-trimmed blouses, white guipure tops, lace-edged pajamas, lacey gloves, parasols and wholly feminine accessories. Here Castillo, famous couturier for the house of Lanvin, has created an elegant ball-gown of pale yellow reemboiled French lace with strapless bodice and back fullness.

Cooking's a pleasure the cool, clean modern way with an automatic

New recipes—as well as familiar dishes—are so easy to prepare with automatic electric cooking. Fast, accurate electric heat and fully automatic oven controls mean easy, enjoyable cooking.

Clean electric heat helps keep your kitchen fresh and new-looking... your utensils bright and shiny. The oven is fully insulated, and surface units cook by direct contact to help prevent heat waste and to eliminate unnecessary heat in your kitchen.

Yes, cooking IS a pleasure with a modern automatic Electric Range. See your appliance dealer soon for an automatic Electric Range that will help you live better ELECTRICALLY!

***KARFIOL (Hungarian Cauliflower with Cheese Sauce)**

1 large head cauliflower	1 tablespoon lemon juice
½ cup water	½ teaspoon salt
1 teaspoon salt	½ teaspoon pepper
3 tablespoons butter or margarine	2 egg yolks
3 tablespoons flour	½ cup grated American cheese
1½ cups milk	½ cup dry bread crumbs
2 tablespoons grated Parmesan cheese	¼ cup melted butter or margarine

Place cauliflower and one-half cup water in saucepan. Season with 1 teaspoon salt. Cover and boil 15 to 20 minutes, or until tender. Drain. To make sauce, melt 3 tablespoons butter, add flour and blend. Add milk and cook on medium heat until thick. Add Parmesan cheese, lemon juice, salt and pepper, and blend thoroughly. Beat egg yolks and gradually add several spoonfuls of sauce, then combine with remaining sauce. Divide cauliflower into florets and place in buttered 1½ quart casserole. Add sauce. Sprinkle with American cheese, then mixture of crumbs and melted butter. Bake uncovered in moderate oven (350° F.) for 30 minutes. 6 servings.

FREDDIE GAGE

Freddie Gage To Conduct Revival April 15 - 22

The spring revival begins in the First Baptist Church April 15-22, with Evangelist Freddie Gage and his Gospel Singer Jimmy Snellen of Waco.

Morning services will be held at 7 a.m. with the Brotherhood serving breakfast. The evening services will begin at 7:30 p.m. with prayer meetings being held in each Department of the Sunday School. This is one of America's most outstanding revival teams. Freddie, whom God saved from a life of sin and called to preach has had the honor of speaking in 200 Southern Baptist Churches in 7 states and has conducted 110 revivals with thousands of decisions being made for Christ.

Freddie and Jimmy were in the First Baptist Church here two years ago and there were 46 uniting with the church, by baptism and by letter. Hundreds of other decisions were made, and life for countless scores of Rangers has been Christ centered and church related, it was stated.

The revival two years ago found the auditorium packed at each service. Jimmy who conducts the musical program for this team was formerly soloist for the world famous Cowboy Band of Hardin-Simmons University in Abilene. He will thrill everyone as he sings the gospel in song and leads with the trumpet occasionally. Jimmy is a recording artist with "Word Record Company" of Waco.

Country Echoes

Mrs. Bill Tucker

We made a trip to Stephenville recently to fill an appointment with the District 8 extension agent, Miss Annie Lucy Lane. Program plans for the District 8 THDA spring meeting in Hillsboro April 23-24 were completed and are in the hands of the printer.

Eastland County delegates to the Hillsboro meeting are Mrs. M. M. Sheffield, Mrs. Cecil Hostick and Mrs. I. L. Lassiter.

Inspirational speakers have been secured plus special music by Hill County 4-H girls; also workshops for dispensing information pertaining to the association's program of work.

A banquet followed by an evening of fun and recreation with a trio of the counties in charge will conclude Monday's program.

A tour of the Itasca Textile Mill showroom has been arranged by Hill County clubwomen, after

Enjoyed a chat with Bob Perkins and explained definitely where Indian Mountain community is. Sometime, we hope he will stop by while passing. Also met Ray Norris and chatted a few moments with him. It was good to catch up on the local Farm Bureau news.

We had lunch with Mrs. John Love and Mrs. Baggett while in Eastland.

We were sorry to hear of Mrs. Ben Freeman's recent heart ailment. A lot of rest has been advised.

Mrs. Henry Iley has returned from an extended visit in Fort Worth with her daughter and new granddaughter. Jerry Iley missed getting to ride home on the school bus the other day and stopped by for a drink of water and a chat. Jerry has many interests at home which include flowers, chickens, geese, crafts of all kinds and he loves music especially. Come again, Jerry.

A completely washable jacket dress that needs no ironing is big news for little girls from Johnston of Dallas. It is made in one of the new "dip and dry" fabrics while the jacket, which is lined in the dress fabric, is orlon and wool. The tucked bodice and bouffant skirt of the dress are printed with tiny motifs.

Human Relations - World's No. 1 Problem

The months and years which lie ahead bring with them opportunity and challenges, together with an age-old problem which has plagued mankind since the dawn of civilization.

It is the problem of man's inability to achieve good human relations throughout the world. Like the pot of gold at the rainbow's end, the solution always is just over the horizon... always evading the grasp of man.

Despite man's failure to achieve the goal of worldwide good human relations, he has progressed materially and morally, socially and spiritually. Never before in the long annals of history have so many people worked so earnestly and resolutely for universal good human relations, as they are doing today.

The greatest measure of good human relations is to be found in those nations of the world where the climate of freedom exists... where the rights and liberties of man are recognized as coming from a power higher than the state.

Good human relations, whether worldwide or local, are founded upon faith in, and respect for, the rights and freedom of others... upon faith in God, ourselves and our fellow men.

Bad human relations thrive on doubt and fear, suspicion and distrust, greed and selfishness and indifference to the rights and freedoms of others.

Human relations, in some form, are with us always. They are a vital part of everything we do. They exist in the home, on the job, in business and industry, in the professions and in government.

The progress and prosperity of our nation provides abundant evidence of the high quality and character of the good human relations we long have enjoyed. No other people on earth have so much freedom, so many opportunities, so much respect for the rights of others, so many of the good things of life, as does our nation.

The personal well-being of each of us... of business and industry everywhere... of our nation and of the world, is measured by the quality and character of human relations.

The achievement of good human relations the world over is one of man's most pressing problems. Its solution would bring joy and happiness to the hearts of people everywhere... and peace to a troubled world.

Chevrolet's got three... Bel Air, "Two-Ten" and "One-Fifty." With 20 sassy-styled models to pick from, there's one just made for you!

ARE YOU A BEL AIR BUYER? The Bel Air Series brings you luxuries and conveniences you won't even begin to find in stripped-down "bargain" models of higher priced cars. Of course, you also get Chevrolet's own special brand of record-breaking performance, with horsepower ranging up to 225!

"TWO-TEN" TO YOUR TASTE? The "Two-Ten" has its own sassy new styling and colorful new contemporary interiors. Body by Fisher, of course, with safety door latches, as in all models of the three Chevrolet series. And you get the nailed-down stability and the sureness of control that make driving safer—and sweeter—in a Chevy!

"ONE-FIFTY" FILL YOUR BILL? It does if you want to own the zippiest car in its field with comforts and conveniences surprising in such a low-priced car. You can pick your power—V8 or 6. Come on in and see which one of Chevy's 20 new beauties suits you best!

America's Favorite—by a Margin of 2 Million Cars!
