

THEY ARE USE TO WINNING—Some of the members of the Eastland County Sheriff's Posse are pictured above in a formation that has become familiar to them. The formation is the one they form each time they are to be presented with a winning trophy. So far this year, they have brought home four first place trophies, three second place honors and one third place award. The group has become known throughout this area for their performances in parades. The Posse is now planning an Eastland County rodeo, and hopes are to make it an annual event. (Staff Photo.)

## Sheriff's Posse Finds Trophy Winning Is Easy

Winning trophies has become a hobby with the Eastland County Sheriff's Posse. Since the beginning of the year, the local riders group has brought home eight awards out of eight contests entered. They have won four first place trophies, finished second three times and third once. The group, with 84 members, is now ranked as one of the outstanding groups of riders in the entire state. They dress all alike, with big Texas-style hats, grey western shirts, blue jeans and western ties. Mounted they are an impressive group, for each wears a cap bearing the words "Eastland County Sheriff's Posse" and the word "Eastland" is prominent on each horse. Bill Hoffman is captain of the

Posse. Clint McCain is assistant captain, Clint McCain is lieutenant, H. B. MacMoy is secretary and Bernard Hanna treasurer. This year the group has won first place honors in the Stephens County parade, the Texas Cowboy Reunion Grand Parade at Stanford, the Cisco Fiesta parade and the Coleman Rodeo parade. The Coleman trophy is the most impressive. It is more than two feet tall. Second place honors came at Baird, Comanche and Weatherford. The third place trophy was won at the Palo Pinto County Rodeo parade. The purpose of the Sheriff's Posse, an outline in the by-laws of the organization, is "to foster interest among its members of keeping alive the true traditions

of the Old West, a sacred heritage of all Texans. To promote good fellowship, good sportsmanship and a greater interest both socially and civically in their community. To assist the high sheriff, upon his request, to quell a riot, a disturbance or any emergency deemed necessary by the Sheriff in calling upon this Posse to assist in the protection of his jurisdiction." Members of the Board of Directors of the organization are Hoffman, McCain, Hanna, MacMoy, Sig Faircloth, Henry Fry, J. Wally Bigg, F. Marian, Chuck Smith and Boyd Hilley. The organization hopes to build a rodeo grounds and present an annual Eastland County Rodeo. In addition, the group hopes to have a number of cutting horse shows each year.

## Conservatives Name Delegates To Convention

Eastland County conservatives were in full command Saturday when the Democratic County Convention was held in the Eastland County courthouse. Delegates from the six larger precincts in the county, and a scattering of other precincts, elected eight delegates to the state convention and eight alternates. Delegates will be Jack W. Frost, Mrs. Steve Potts and Billy C. Frost, all of Eastland; Dr. E. E. Eddie Jr., R. E. Grantham and Karl Armstrong, all of Cisco; A. P. Thomas Jr., Ranger; and L. E. Clark, Desdemona. Alternates are Dr. J. C. Whittington, Eastland; George Irvine, Bart J. Frazier, Mrs. E. E. Eddie, Jr. and J. E. T. Peters, all of Cisco; Howard Wade, Desdemona; G. M. Walker, Romney; and G. A. Dunn Jr., Rising Star. The group voted only to vote as a unit.

## Comanche Co-op Annual Meet Set Aug. 16-17

One of the summer's liveliest attractions will invade Comanche Aug. 16-17 for two big shows—a special big top show from 6 to 10 p.m., Aug. 16 for townspeople of the area and an all-day show Aug. 17 expressly for rural people. It's the annual electric fair sponsored by Comanche county electric cooperative, association in connection with the co-op's annual membership meeting which will be held during the day of Aug. 17. An electrical exposition to line the midway will feature news for homemakers and farmers—displays of the latest developments in farm and home electrical equipment by the nation's leading manufacturers. Comanche county manager W. J. (Bill) Parks is urging co-op members particularly to attend the all-day, all-free affair Aug. 17 and attend the business session arranged for their information and participation. And for the co-op, he hopes their Comanche neighbors can make the night show, set especially at this time of day for their convenience. Business to be attended to includes presentation of yearly reports of president and manager and election of three directors for 3-year terms. Awarding of door prizes will round out annual meeting day's activities Aug. 17.

## Cheaney Organizes Community Club At Monday Meeting

By ED JOHNSON  
Ranger Times Editor  
With more than 60 in attendance, Cheaney residents met Monday night at Cheaney Church of Christ with John Love as temporary chairman. The meeting was for the purpose of determining whether a community progressive club would be organized. J. M. Cooper, Eastland county agent, was principal speaker of the evening. In attendance was a delega-

tion of the Nimrod Good Neighbor club, Bill Pope, president. Pope outlined the work of such an organization and told of the projects which helped his club to win second place in its district. In addition to these and other Nimrod speakers, several others also made short statements including Rip Galloway of the Ranger Chamber of Commerce. Other Rangerites making talks included Morris Newnam and John Tib-

hels. C. L. Boase, assistant county agent, was also present. CLUB ORGANIZED  
It was decided by those present to invite Salem and Alameda to join Cheaney in the first project. An motion by Jim Hart, seconded by Mrs. John Love, it was voted unanimously to organize the club. It was decided that a contest would be held by the members to choose a name and a committee is to be appointed to judge the entries. OFFICERS ELECTED

## THURBER'S MINE TO BE RE-OPENED?

Thurber's mine, Thurber, 16 miles east of Ranger, may reopen in the future. Some 75 years ago, the mine was discovered and put in operation then in 1920 the operations ceased. The Texas Pacific Coal & Oil Co. has been running core tests in the mine to determine the depth of the vein. It is estimated that some 160 million tons of coal remain in the mine. O. E. Mitchell, Fort Worth, company official, is reported to have stated "there is a possibility that the Thurber mine will be re-opened." Some 2000 persons were employed in mining operations at the time of discontinuance in 1920, it is said.

## Drunken Teenagers; Fighting Negroes; Speeders Arrested

Ranger police were kept busy over the weekend with a total of 15 arrests. Saturday night was "big haul night." A total of 13 arrests being made that date. Six teenage youths, four from Baird and two of Abilene were arrested Saturday night by Patrolmen Don Butler and Joe Faircloth. The boys, three 15-year-olds, two 16 years of age and one 19-year old were charged with drunkenness and possession of beer. A quantity of beer was seized by officers at the time of the arrest. The 19-year-old youth was fined \$15.70. Chief W. G. Pounds lectured the youths and released them, they were ordered to report the arrests to their parents. The Baird group had been arrested previously in Ranger. Two negroes were charged with being drunk and fighting, both were fined \$15.70. Patrolmen Faircloth and Butler making the arrests. Three drunks, one an alleged narcotic addict, were arrested by officers, two by Patrolman Butler and one by Policemen Faircloth and Butler. One drunk, from Paducah, Ky., was ordered to leave Ranger. Patrolmen Butler arrested two speeders Saturday night, one from St. Paul, Minn., the other from Dallas. Both posted \$10 bonds and were released. Sunday local officers arrested two more speeders, one from Ranger the other from Florida. Both posted \$10 bonds.

## Major-Majorette Selected Monday At Ranger High

Selection of the 1956-57 drum major and majorettes of Ranger High school band was made Monday morning at the school. Bill Creager, was selected as drum major. Majorettes are Jimmie Mae Miller, Carolyn Weaver and Gail Rapp. Alternates are Glenda Webb, Dorothy Eppley and Linda Black. During the football season Majorettes will alternate as "majorette of the week." Each girl, in her turn will have charge of the maneuvers for performance at the game. Judges for the selection were Howard Gill, band director of Eastland High School, Faye Redwine, Cisco, a TCU majorette and Dan Whitaker, Ranger band director.

## RANGER PONY LEAGUE SCHEDULES TWO GAMES, MEET BRECKENRIDGE TONIGHT

## Bass, Crappie, Channel Cat Bite At Leon

After about a three weeks lull reports of nice catches are coming in from Lake Leon. The water is in good condition and bass, crappie and channel cat are contributing to nice strings being reported. From Frank & Earle's Lodge comes the report that J. M. Glesson and Bob Kimbrough of Fort Worth and Fey Funderburk of Ranger caught two 2-pound bass, two channel cat and 18 crappie weighing up to two pounds on minnows. Dale Bishop of Cross Plains caught one bass weighing 3 1/2 pounds on perch on a trot line, and four nice channel cat. J. B. Howard and M. F. Green of Hamlin reported a mixed string of bass and crappie on minnows. H. C. Edwards of Ranger caught 14 nice crappie weighing up to one pound on minnows. From Chock-A-Block dock comes a report that Bob Suits of Olden caught three bass, two weighing 1 1/2 pounds and one weighing three pounds.

## Yarborough To Make Bid For Pappy's Votes

Ralph Yarborough will seek to gain the votes that gave W. Lee O'Daniel the lead in the first Democratic primary in Eastland County when he makes a whirl through the county today. Yarborough, who finished third in this county with just 1131 votes, will be after the 2172 votes given Pappy in July. His opponent, Price Daniel, received 1895 votes. Two years ago, when Yarborough and Allen Shivers fought it out in the second primary, Yarborough got 2940 votes to Shivers' 3062. It could be that closer again this August. Yarborough plans to visit Eastland, Ranger and Cisco. It will be his first visit here since 1954. Exact time of the candidate's visit here was unannounced.

## WAF Band To Lead HOT Fair Opening Parade

WACO — The famous WAF band — the only women's band of the Air Force — will lead the opening day parade of the Heart O' Texas fair. The unit is said also to be the largest women's band in the United States. It is in great demand for parades and other occasions. Buggies, wagons and ox-carts will be welcome as well as horses and riders, emphasized Dr. H. P. Connally, Jr., parade marshal. Any band is invited to take part. The procession, through downtown Waco business section, will start at 10:30 a.m., Saturday, Sept. 29.

## County Ranks Tops In Turkey Breeding

Eastland County ranked as the sixth leading county in the state in the number of turkey hens kept for breeding and was listed 65th in the United States, the latest census taken by the U.S. Department of Commerce reveals. The census was taken in 1954 and listed the county as having 6667 hens kept for breeding. Bill Arliver, of Kincaid Feed and Turkey Hatchery in Eastland, said that 1954 was the year this county really started. Today, he estimated that the county has some 22,600 breeding hens. He said that would be a conservative estimate. If the county does have that number, and unless the other five counties in the state have shown a big increase, Eastland County would now be the leading county in the state. Coleman County ranked 24th in the nation with 15,974 birds in 1954. The number would place the county in the number 12 spot in the nation. Turkey hens kept on United States farms for breeding numbered 2,277,823 in 1954, with 1,248,230, or 54.8 percent, in 100 counties, including Eastland, according to the 1954 census. Rockingham County, Virginia, was the leading county in number of turkey hens kept for breeding with 87,393 — 3.8 percent of the U.S. total. Among the top 100 counties in number of turkey hens kept for breeding, 18 each were in California and Minnesota, 10 in Texas and eight in Oregon. Leading Texas counties, by number of birds listed, are the ranking nationwide follows: Coleman, 15,974; 24th; Bosque, 10,724; 84th; Ellis, 8829; 41th; Haskell, 7861; 49th; Blanco, 7606; 57th; Eastland, 6667; 65th; Erath, 5942; 75th; Robertson, 5121; 86th; DeWitt, 4747; 94th; and Travis, 4545; 98th. ## HITS and MISSES

By ED JOHNSON

The National Rifle and Pistol matches at Camp Perry, Ohio, Aug. 17-Sept. 8, will probably be the outstanding shooting event in 20 years.

Smallbore rifle, high power rifle and pistol champions will be determined. Muzzle-loading rifle and pistol enthusiasts will have two full days of matches.

The National Rifle Assn., will conduct two special schools of basic rifle marksmanship for juniors and tyros.

The 1956 national matches will be three great weeks of shooting for more than 2000 persons from all over the nation.

Habit is a cable. We weave a thread of it every day and at last we cannot break it.

Mrs. Maxine Teale, Fairfield, Iowa, offers the following recipe for preserving children:

1 large grassy field  
 3 small dogs  
 Narrow strip of brook with pebbles  
 Hot sun  
 Flowers  
 Deep blue sky  
 Mix children with dogs and empty into the field, stirring continuously. Sprinkle field with flowers, pour brook gently over the pebbles.

Cover all with a deep blue sky and bake in hot sun. When children are well browned they may be removed. Will be found right for setting away to cool in bath tub.

Don't let your pride get inflated—it may have to swallow it some day.

Babe Zaharias, the one-time indestructible woman athlete is waging a fight against cancer at John Sealy hospital. The grand woman knows that there can be no draws in this battle—the one the Babe must win—or lose.

I have had the privilege of interviewing Mrs. Zaharias on four different occasions and somewhere back along the line have several "pics" of this queen of the athletes. Babe was never conceited, never on the egotistical side of the fence. She always cooperated with the press wholeheartedly and—at times—vigorously.

Win or lose there will never be another woman athlete to compare with the once 160-pound, smiling Jane-of-all-trades athlete, who for 24 of her 42 years has been headline copy for sports writers.

To Mildred Ella Didrikson Zaharias—good luck, Babe, keep your chin up, and keep fighting the good fight. Plenty of us are pulling for you.

# Plenty of Zip at a pip of a price

(It's a great time to buy a Buick!)

SERIOUSLY—where else can you get so much snap and ginger at such a peach of a price? Where else can you get a big, high-powered, steady-riding hardtop like this '56 Buick Riviera—at a figure that's pretty close to what they're asking for similar models of the well-known smaller cars? Nowhere else that we know of—which is one big reason why Buick outsells all other cars in America except two of those smaller cars. BUT RIGHT ALONG with low price is something else behind Buick's big success: Buick is a lot more automobile for the money. It gives you more room and luxury—more zip and power thrill—fine handling and sure-footed stability. And it gives you something you can get in no other car—today's advanced new Variable Pitch Dynaflo.\* It's the only transmission in the world with the cruising thrift and the switch-pitch safety-surge taken from the modern plane's propeller. So WHY WAIT any longer—when the time to take action is now, so you can start enjoying all the golden months of summer and fall in a new '56 Buick? Now—when Buick prices are as low as—perhaps lower than—they'll ever be again. Now—when your present car is at its peak of worth—and when today's high volume '56 Buick sales permit us to make you an even better trade-in allowance. Come see us—and look into the car that puts you years ahead right now. Come see us today—and discover the dilly of a deal that will make you wonder why on earth you waited as long as you did. \*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Tom Velasco and Patricia Marie Clark Are Married In Decatur

Mr. and Mrs. Thomas Edward Velasco will make their home in Fort Worth following their wedding Saturday in the Assumption of Blessed Virgin Mary Catholic Church in Decatur.

The former Patricia Marie Clark, the bride is the daughter of Mr. and Mrs. Matt Clark of Decatur. Velasco is the grandson of Mr. and Mrs. Jesse E. Pitman, Sr. of Olden.

Rev. C. Glogowski officiated and Miss Della Flusche of Decatur provided organ music.

Mrs. Herman Blahak was matron of honor and Miss Anne Grace Fette of Muenster was maid of honor. Mrs. Leon Head of Decatur was bridesmatron. Linda Shaw of Decatur was flower girl and James Earl Pitman of Tulsa, Okla., was ringbearer. Best man was Herman Blahak and groomsmen were Richard Boreland and Colonel Don Brasher, both of Eastland, Dan Clark of Decatur, brother of the bride, and Johnny Lancaster of Dallas were ushers.

Feminine attendants were attired in identical dresses of turquoise taffeta with matching picture hats and carried nosegays of white marigolds.

The bride, given in marriage by her father, wore a gown of white Chantilly lace and nylon net over satin, designed with a carpet length skirt of layers of ruffles. The fitted bodice was accented with a scalloped V-neckline and her illusion veil was caught to a pillbox hat encrusted with seed pearls. She carried a white rosary and a bouquet of white daisies centered with gardenias.

A reception was held in the church rectory with Meses Richard Hellickson and Joe Galloway and Meses Flusche and Sharon Kay Pitman of Tulsa in the house-party.

For their honeymoon, Mrs. Velasco wore a navy raw silk shantung dress with navy and white accessories. They will reside at 2225 Hemphill.

Mrs. Velasco will be an August graduate of St. Joseph School of Nursing and Mr. Velasco attended Texas Technological College in Lubbock. He is a graduate of Eastland High School.

Out-of-town guests were Mr. and Mrs. Jesse E. Pitman Sr., of Olden; Mr. and Mrs. Jesse Pitman Jr. of Tulsa; Mrs. Eli Taylor of Davis, Okla.

New patients in the West Texas clinic are: Coy Bardsley, Mr. J. E. Heater of Desdemona and the baby son of Mr. and Mrs. C. D. Fonville.

New patients in the Ranger General hospital are: Elnora Harrison, surgical; J. R. Lynch, Gordon, medical; Vern Peterson, Ranger, medical; Mrs. Joe Howle, Eastland, medical; Mrs. Al Lotspeich, Ranger, medical; Mrs. J. M. Howard, Fort Worth, surgical.

Mrs. Virgie Higdon is in Pampa with her daughter-in-law, Mrs. Buster Higdon, who had an operation Monday morning. Mrs. Higdon plans to be there for a week or more.

Mrs. F. C. Long and Clayton had as weekend guests Mr. and Mrs. Rex Outlaw of Dallas.

Mrs. Tucker Is Re-elected HD Camp Chairman

Approximately 60 club women attended the 7th annual 4-county Home Demonstration encampment at Lake Cisco Thursday and Friday, July 26-27.

Mrs. Bill Tucker presided and gave the invocation at the opening session. Mrs. John Poague, Comanche county, acted as secretary.

Roll call was answered by county groups. Each lady gave her name and club and county.

Home demonstration agents present were Mrs. Velma Slaughter, Brown County; Miss Sandra Kirkland, agent in training in Brown county; Mrs. Minnie M. Hart, HD agent and Miss Charlene Eckert, assistant agent, Eastland county; and Mrs. Lucy May Burrus, Mills county.

Women selected Lake Cisco for the 1957 encampment and Mrs. Bill Tucker was re-elected camp chairman, and Mrs. Tom McArthur from Mills county was elected secretary-treasurer.

A craft session was engaged in each day, giving each person an opportunity to work with cork and straw lace projects while at camp. Place mats, and hot plate mats were popular choices in the cork. These were attractive in hand painted designs in colors.

Hand bags and hats and hot plate mats were made of the straw lace, and were equally as popular as a craft.

A book review, "The Cliff's Edge" by Marie Hackett, was the

highlight of the Thursday afternoon session. This was reviewed by a former member of the Pleasant Hill club, Mrs. Ernest Reich, who gave a vivid portrayal of a true story of mental illness, in the life of Marie Hackett and her soldier husband, Paul Hackett.

All counties had a part on the Thursday night recreation program of games, stunts, singing and contests. A talent program by Robert and Ronnie Bostick and Christine and Carl Stroebel with song-guitar numbers, and violin and accordion numbers were given a big round of applause.

Mills County women were in charge of the devotional as the closing number of the night's program. All adjourned to enjoy a watermelon slicing, and then lights out.

Friday morning highlight was a film "Skywatch" and an address by Sergeant Jay R. Hyde, from the Dallas Filter Center, who spoke on the importance of the Ground Observer Corps as a part of the civilian can play in Civil Defense, by volunteer service once each month.

Camp was broken following the lunch and each person returned home feeling that camp had been

a worthwhile affair, and those who failed to attend missed a rare treat in the way of a vacation.

Progress OUR NATION often is referred to as a land of plenty, which it is. But it was not always a land of plenty. For many years, it was a rugged wilderness with all of its vast resources lying dormant in the good earth. Our nation became a land of plenty because it was a land where people were free to dream and envision, free to explore and create. The people of this country never have been willing to let well enough alone. They have believed that we should not be content with things as they are... not if creative and constructive ideas could produce improvements. That is one of the basic reasons why we live today in a land of prosperity and plenty... in a land where more people enjoy more of the good things of life than anywhere else on earth. A willingness to let well enough alone has enslaved the lives of millions of people in Asia and Africa, and in many other parts of the world. These people live today just as their forefathers did centuries ago... primitive and poverty-stricken... despite the rich resources of their land. Such is the fate of people who persist in believing that you should let well enough alone. This comfortable belief, if persisted in, stifles the progress of any business. The people of this country never have subscribed to it. They have insisted upon creating new and better ways of working and living. They have persisted, also, in creating new methods and practices... new tools and machines. So, we live today in the richest land on earth with the highest living standard ever known, chiefly because we have not been content to let well enough alone. It is the belief of the people of our railroad that we never should be content with things as they are... not if it is practical to do something constructive and progressive about them. Whenever and wherever new methods and practices, or new tools and equipment, can be used to produce better and more efficient services, they have been adopted. That is the progressive policy of our railroad... a policy which reflects our unwillingness to let well enough alone. W. G. VOLLMER President TEXAS AND PACIFIC RAILWAY

feed Purina Cage Layena

Almost 3 million hens now are producing eggs in cages in the South and Southwest—and 90% of them eat Purina Cage Layena.

There is only one reason—these cage operators are making more money the Purina Way. They make more money because they get more eggs per bag of feed than on other rations they have tried. Let us show you what other cage owners are doing on Purina. Drop in or give us a call.

GET FREE SURPLUS PROPERTY FOR YOUR COMMUNITY

The greatest giveaway in history is now on with the federal government giving away, in the next few years, more than \$100 million worth of surplus property to qualified groups and organizations.

The property ranges from used typewriters and hand instruments to obsolete airplanes and completely equipped hospitals. And, it is being given away by the government with virtually no strings attached, no red tape, and no legal gobbledygook, according to an article in the Better Homes & Gardens magazine.

The philosophy behind the law that made the donations possible is that property purchased with taxpayers' money should revert to the taxpayers when the government has no further use for it.

Eligible applicants include all types of schools, medical institutions, and other groups such as the Boy Scouts, Girl Scouts, Camp Fire Girls, and Civil Air Patrol units, the article says.

Nearly every state now has special surplus property agents who work directly with the government looking for the type of property requested by groups within their state, says the magazine.

Drop In Spring Pig Crop Indicates Reduction In Sows To Farrows

A drop of eight percent in the nation's spring pig crop and an indicated reduction of seven percent in the number of sows to farrow this fall promise some relief for swine prices, says John G. McHaney, Extension economist. Figures on Texas production closely follow the national trend, he adds.

Commercial slaughter of hogs during the first four months of 1956 averaged about 16 percent above the same months of last year but after mid-summer the slaughter rate is expected to drop to last year's level and then later below it.

As a result of the announced decrease in spring pig numbers and the indicated drop in fall farrowings and fewer hogs going to market, McHaney says prices should average at least as high this fall as last and should not drop to the low level of prices paid producers late in 1955.

Despite the indicated reduction in hog numbers, the specialist points out that total production of meat for 1956 is expected to be three percent above 1955 and meat consumption per person will average about 162 1/2 pounds compared with 161 pounds last year. Prices paid for hogs will re-

spond to the reduction in supply, says the economist. If the seven percent reduction in the fall pig crop occurs and general economic activities continue at the present rate, the price in the spring of 1957 should average above last spring's prices by more than seven percent.

Lowest prices at the present time should not be reason for the efficient hog producer to curtail production. Hogs should be sold when their weight reaches the 200 to 220 pound level. Producers should guard against producing over-fat hogs.

The case of the irate wife -

ONCE there was a husband who was definitely in the doghouse. When he came home from work, his wife was no place in sight. But on the table, there were some scraps of paper. Closer inspection proved that the scraps were the remains of his U. S. Savings Bonds.

What happened next between husband and wife is not known, but here's what the record does show. The husband sent the scraps of Bonds to the Treasury Department. And new Bonds were issued without charge to replace his original ones. So all ended happily.

Everything usually does end well when you put your money in Bonds. Here's why. You just can't lose a U. S. Savings Bond. No matter whether it's misplaced, stolen, or destroyed, the Treasury Department will replace it. Savings Bonds are not only safer than cash, but one of the best investments you can make. You can be sure of the principal, sure of the returns (an average 3% interest when held to maturity)—and sure of the future when you invest regularly in Savings Bonds. So start investing in safe and sure Savings Bonds today! For the big things in your life, be ready with U. S. Savings Bonds.

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and
