Almost 3 million hens now are producing eggs in cages in the South and Southwest-and 90% of them eat Purina Cage Layens. There is only one reason-these cage operators are making more money the Purina Way. They make more money because the get more eggs per bag of feed than on other rations they have tried. Let us show you what other cage owners are doing on Purina. Drop in or give w

THANKS FOLKS, WE GOT ELECTED -

... and it's a nice tribute to be favored with the confidence and good-will of one's neighbors and friends. Getting elected, however, may apply to business as well as politics. I doubt if we could get very far in a political race, but when it comes to making quality abstracts a host of customers far and near have for more than 33 years favored us and near have for more than 33 years favored us with a vote of confidence, and still do. And for that we are deeply grateful.

HOT SUMMER when I do the most for you!

To keep you cool and comfortable, I work more hours per day operating your room air conditioners, evaporative coolers and elec-

I work harder operating your electric refrige erator to protect your perishables and supply extra quantities of ice cubes, cold drinks and frozen desserts.

There is more washing and ironing to be done, supplying the crisp, clean clothes your family needs during wilting summer weather.

Because there are more and bigger lobe for me to do during extremely hot dry weather. most electric service bills are higher during such periods. But it's now . . . when you're able to stay cool and comfortable in spite of the heat ... that you can really appreciate the value of my services. I'm your greatest aid to summertime comfort and year-around better fiving.
