A Small City with Big Industry - A Bright Spot for New Industry

RANGER TIMES, TUESDAY, OCTOBER 8, 1957

By NORMAN WRIGHT

If you think we didn't get a wheelbarrow full of mail Monday morning from Eastland, you should have been around here to see it.

Virgil Moore (that's a cuss word, friends) carefully clipped one of the columns we had writen about the Eastland-Ranger football game and then he went into the Doc Davis drug store at Eastland and bought a big borse capsule. He rolled the column up and put it in the whole thing to us. Said he figur-ed it would be easier for us to take that way than having to

For some reason or other, though, he never made it to the post office, preferring, no doubt, to go back and think up

omething dirtier. Maybe that fellow who wrote us an anonymous letter at the beginning of football season and cussed out because we intimated Bulldogs wouldn't win all their ball games this season, knows now what we were talking about.

You just can't win 'em all, and sometimes when you least expect to win you come march-ing home with a victory, and when you least expect to lose somebody sneaks up and clob-

ed Friday night it has been re-played more than a hundred times in both towns by the post-game quarterbacks and all kinds of "IFS" have been brought up and discussed. None of that is going change the score, but it seems

one of the big "IFS" has been IF Wharton had not slipped and fell on two or three different occasions when he was long gone for the promised land clear air and a few goal stripes. He slipped and fell more times Friday night than during all the At one time Coach Barrett went out to inspect his cleats to see if the things were still on his

However, we haven't heard a single alibi from anybody, even Villa Hidalgo, Michoacan, Mexico, though it is hard to lose any kind though it is hard to lose any kind and came to this country in 1918. of a game by one point, and more He had lived in Ranger for the especially a game where every past 10 years.

thing but the final score was in favor of the losing team.

The Eastland Telegram is making much over the fact that Coach Barrett had protested one phase of the game where he thought his team got only three downs instead of four.

The mixup involved a penalty in one series. If the penalty oc-curred before the whistle blew, Rarret would have had another down coming. If the penalty occur-(Continued On Fage Four)

#### Tom Hulin Calls **Another Meet** Of Country Club

Tom Hulin, president of the Ranger Country Club, has called another meeting of the members for next Thursday night at 7:00 o'clock at the Club House.

Hulin said he called a meeting for last Thursday night and no-body showed up. He said he was calling another one and this time he meant business because there

Hulin said he wanted to see every member of the club there Thursday night without fail.

#### P-TA DAY AT STATE FAIR

261.55

\$912.70

Thursday, Oct. 10, has been set aside as P-TA Day at the State Fair of Texas in Dallas, at which time P-TA members from all over the state are invited to attend a special program to be held in the Hall of State from 10 until 11 a.m.

Mrs. W. D. de Grassi, State President of the Texas Congress, will preside at the special program. Dr. W. T. White, Supt., of the Dallas School District, will give the invocation, and Mrs. Frank Dowd, President Dallas City Council, and Mrs. Paul Harvey, President Dallas County Council, will extend greetings.

The program will conclude at 11 a.m. for coffee in the Woman's Building, and many special courtesies have been arranged throughout the day for P-TA members attending the Fair next

#### Parents! Your Junior Fire Marshals want you on their team!

Your school age youngster will soon be coming home with a Home Inspection Report to make out. It's part of a Pil Prevention Week campaign to make our homes safer. And you'll have an opportunity to take part with your child in a worthwhile community project, the Junior Fire Marshal

As your local Hartford Agency, we are happy to cooperate with the Hartford Fire Insurance Company in sponsoring Junior Fire Marshal activities here. More than three million boys and girls throughout the nation are participating this year. And the program has the unreserved endorsement of teachers, fire officials and civic organizations.

Won't you join the children - and us - to help make our community a safer one to live in?

World's Most Powerful Outboard For 1958

Just announced, the Mercury Mark 78 rated at "over 60 horsepower" shows its muscles pulling the 1800-pound water skiing elephant in the Sunshine Springs Water Circus at Sarasota, Fla. World's most powerful outboard for family cruising, water skiing and boat riding for 1958, it heads the line of 6 to 60-plus horsepower motors of the Kiekhaefer Corporation of Fond du Lac, Wis. The powerful 66-cubic inch motor is operated by a unique remote safety control which

It is hoped that most of the drive can be completed this week, but Crossley said it would have to

go on this year until the \$4,840 was raised, if it took all winter.

May said, "Teachers here and throughout the country will be

supplied with study units for fire prevention instruction, and honor rolls to keep a record of children who complete their home reports.

In addition, each school reporting a satisfactory record of home re-

port completion will receive a ovely blue and gold Achievement

Another new item this year is series of calendar fire preven-

tion posters for schools. A poster for each month of the school year, May explained, calls attention to seasonal fire hazards.

#### That's what I like about my ELECTRIC range!

Your kitchen utensils will reflect the cleanliness of your modern electric range. Pots and pans stay bright and newlooking without scouring. Why? Because electric heat itself is clean ... as clean as electric light ... and is transferred to utensil bottoms by direct contact for maximum cleanliness and efficiency. With clean electric heat, your kitchen walls, curtains and woodwork stay color-fresh with much less cleaning and care. See your electric range dealer soon. Find out how CLEAN cooking can be. COOK BETTER ... ELECTRICALLY!
