

See What We Mean?

By RAY SWINDELL

**THE TEXAS Safety Association**, Inc. came up with something that we would like to pass on to you. We found it of interest.

**HAS to do with New Year's resolutions.** So many people make so many resolutions each year and then break so many of them. Resolutions are like laws: made to be broken.

**SO IF you are worried about making and keeping New Year's resolutions, don't be.**

**THE SET of resolutions** the Texas Safety Association has set up are very unique. If you follow them, you will not live long enough to break a single one.

**DON'T stop at stop signs,** they are for the other cars.

**ALWAYS ride bumper to bumper,** you're insured.

**HAVE one for the road before you start,** you can't drive a n y worse.

**THINK about something else while driving,** you drive by instinct anyway.

**DRIVE faster in bad weather,** you will skid better, and the fast skid will probably head you back in the right direction.

**DRIVE with your lights on,** the other drivers are half asleep anyway.

**NEVER yield the right of way to a pedestrian,** they can jump sideways and you can't.

**LAY on your side of the road** if there is danger of getting hit, otherwise let the other fellow look out for you.

**BE COURTEOUS,** blow your horn so everyone can get out of your way, and always insist on the right of way, and someday you'll get it with soft music, slow marching and flowers you won't be able to smell.

We received a letter from Boyce House several days ago and he commented that he thought the Times was looking fine. He said that we were getting "out an interesting and attractive paper."

And we are certainly thankful.

But, we would like to add, that we are merely a tool, in a manner of speaking, for the citizens of Ranger. It is your newspaper and you help make it what it is.

We would like to remind you again that, should you have any news of interest to the people of Ranger, you might give us a call. We would appreciate it.

Boyce continued in his letter that he was a former editor of the Times during the boom days and he presented this writer with a couple of stories that might be of interest to the readers of the Times.

ANOTHER interesting item came through the mails a day or so ago that we believe will be of interest to a score of people here.

IT IS from the U. S. Press Association.

In all the current commotion over higher education, our crying need for double-dome scientists we haven't got, we think it's high time somebody gave a thought to the kids—hundreds of thousands of them—across the nation—who do not go to college, and who will not be going to college, no matter what the inducements.

These are the youngsters who must shoulder responsibilities at a tender age, who must prepare themselves quickly to "help out" at home; the girls who want to be secretaries, the boys who want to be accountants but who may have to get their education via the night school route; still others who are frily net students, but require special grooming to prepare for the battle of life at a modest level. For these, a Government program that would force them into college would be both heartless and futile—just as it is tragic today to see young people in our colleges who are there because their parents insist upon it and can pay the bills.

And let us recognize, too, that no group of our citizenry contributes more to the nation's economic and civil welfare, to keeping the wheels turning in business and industry (Continued on Page Four)

## Two Bulldogs Are All-State

One Ranger Bulldog grider was given first team honors and one second team honors in the Class AA all-state selections made recently by the Texas Sportswriters Association.

### Fort Worth Group To Visit City To Plug Stock Show

Ranger will be visited/Thursday, Jan. 16, by a busload of leading Fort Worth business and professional men who will extend an invitation to this area to the Southwestern Exposition and Fat Stock Show, which will be held in Fort Worth Jan. 24 through Feb. 2.

The trip is sponsored by the Downtown Lions Club of Fort Worth. The visiting group will arrive here at 9 a.m. and will be met by Ranger City officials, businessmen and Chamber of Commerce representatives.

While in Ranger, the visitors will give away four tickets to the Fort Worth Stock Show Rodeo. Winners will be determined by a drawing held at the bus. Ticket distribution will take place immediately after the bus arrives.

Residents are urged to come out to help add sparkle to the ticket award and to welcome the boosters.

The Fort Worth visitors will be accompanied by the Sinclair Sisters, three girls who have appeared on radio and TV stations throughout the Southwest. They will provide music during the 20 minute Ranger stop.

The 1958 stock show will open with a parade through downtown Fort Worth. Gail Davis, television's Annie Oakley, will be featured in both matinee and night rodeo performances each day.

Thousands of head of livestock and more than 1,000 horses will be judged during the 10-day show. Prize money for winning horses, livestock and for top rodeo contestants will total almost \$200,000.

David Wharton, starting full-back for the Bulldogs, was selected for the number one team. He collected 40 points out of a possible 100 for the honor.

The 160-pound senior was recently tagged as the most valuable back in this area by the Abilene Reporter-News.

Charles Wolford, junior end, was picked for the second team. The 155-pound lad has another year to play for the Bulldogs.

It was a remarkable showing for a team picked to finish at the bottom of the District 7AA loop and surprised the experts by winning the district, bi-district, only to drop out in regional playoffs.

Only other lad to make the first team from District 7AA was Gaylon Woodard, Coleman guard. No other district players, other than Wolford, made the second team.

However, four district players were given honorable mention in the annual selections. They are Delbert Wiley, Ballinger tackle; Dale Byerly, Coleman back; Jerry Chandler, Ballinger back; and Jim Nogris, Coleman back.

McCahey, the team that defeated the Bulldogs in the regional round, placed one man on the first team. He was Jerry Brown, 180-pound back.

### WEATHER

A thin layer of ice greeted Ranger residents as the temperature dropped to a cool 28 degrees Thursday morning but not a record for still young 1958. The U. S. Weather Bureau says that it will be partly cloudy with no important temperature changes today and Wednesday. High Tuesday, 50, low Tuesday night 30, and high Wednesday in the 50s.

### Chamber of Commerce Series...

## Civic Group Slates Active '58 Program

**EDITOR'S NOTE:** This is the second in a series of articles dealing with the various committees set up by the Ranger Chamber of Commerce. The chamber has 14 committees all working together for the benefit of Ranger and the citizens of Ranger. It is hoped that through these articles, the people of Ranger will have a better understanding of the chamber of commerce and its functions. The articles were written with the cooperation of Wilson Guest, president of the chamber, and Rip Galloway, chamber manager.

The Civic Committee of the Ranger Chamber of Commerce works with the various clubs, or-

ganizations, and the city commission to make Ranger a more attractive town in which to live.

One project of primary importance that the committee has taken on for 1958 is trying to get each club and organization in Ranger to sponsor a project of a civic nature during the year.

Wilson Guest, president of the Chamber of Commerce, pointed out that the chamber officers and the various committees cannot do the job alone. The committees appointed for chamber activities will work with the citizens and clubs

### Let God Have His Way

America is a nation of strengths. Its industrial might gives her people the highest living standard in the world. Its powerful defenses safeguard her heritage of independence and freedom.

America is a nation of shining ideals. It has held proudly in trust "the preservation of the sacred fire of liberty," as George Washington called it. It has always been a nation "under God," as the Pledge of Allegiance states.

America is a nation of growing spiritual strength. In its early years, hardly more than a tenth of its citizens were connected with religious groups. Since then we have put on much spiritual armor. Today 60 percent of America's population are Church and Synagogue members; however, only 30 percent of the total population of Ranger attend the worship services of the local churches.

A French visitor to our shores in 1830, Alexis de Tocqueville, expressed his amazement at the power religion exerted upon the life of the nation. He found in America that the spirit of religion and the spirit of freedom "were intimately united and that they reigned in common over the same country."

Thus did the French writer discern the source of our strong freedoms—our recognition of our dependence upon God. In our own day President Eisenhower has called for "a frank acknowledgment of our faith that He can supply that additional strength which, for these trying times, is so sorely needed."

During the period January to Easter, Americans are urged to do just that. The period is set aside as the National Church Attendance Crusade. During this period a nationwide program, backed by a vast advertising campaign, emphasizes the importance of religion in personal, family, community and national life.

Let this be our opportunity to help keep ourselves and our nation spiritually strong. Take to heart the Crusade theme, "Let God Have His Way."

### Seen This Girl? Missing Two Years...

## Mother Searches For Lost Child

A Ranger mother who has seven children at home she must support from a Social Security check each month is searching for her 16-year-old daughter she has not seen in two years.

The mother, Mrs. Geneva McCain, has not seen her daughter since she left Sweetwater in June, 1956, to join her husband, Carl Stanley, in Cisco.

The 16-year-old girl, Mary, left Cisco shortly after arriving there and was reported in Kermit. Her mother wrote several letters to her in Kermit. All but one of the letters were returned.

The family has been living in Ranger since June, 1957. The father was killed in a car wreck as he was returning from a fishing trip at San Angelo.

Any information of her whereabouts may be delivered to Mrs. McCain. She resides at 511 Melvin Street in Ranger.

The girl is about five feet, five inches in height, has brown hair and blue eyes. She is slender and light complexioned.

## Rangers In Action

### Two Games Set This Week

Ranger College's winless Rangers have a full schedule of basketball activity on docket this week with games carded for Thursday and Saturday nights.

The junior college engagement, headed by Roy Barrett, have been defeated five times this year in five outings.

Thursday night the Rangers host the Midwestern University freshmen in an attempt to break into the win column.

And Saturday night, Barrett's crew open conference play when they host the Tarleton College five.

Winless in five outings thus far this year, the Rangers have an eight-game conference schedule. They will meet each member of the Pioneer Conference twice.

Two non-conference games remain on the schedule after this week's action. The Rangers will travel to Midwestern for a return engagement and there is a contest with Cisco there on January 14.

Probable starters for the Rangers in Thursday night's battle will be Bobby Sullivan at center, James Holt and Keith Hodo at forwards, and George Boynton and Lawrence Clayton at the guards.

Only Hodo and Boynton have seen previous action with the Rangers. The remaining three are all freshmen.

The Ranger schedule: Jan. 9 Midwestern University freshmen here; Jan. 11 Tarleton College here; Jan. 13 Cameron College there; Jan. 14 Cisco College there; Jan. 17 Midwestern there.

Ag Workers to Discuss Range Practices Tonight

The regular monthly meeting of the Eastland County Agricultural Workers will be held tonight and "Range Practices" will be the subject discussed.

The meeting will be held in the Texas Electric Co. conference room in Eastland beginning at 7:30.

E. E. McAlister, head of the Eastland Soil Conservation unit, has charge of the program. He will be assisted by Lou Yariett, an extension department specialist in the field.

The group was organized so that ag workers could meet to discuss "interesting and informative subjects," according to Ben McKinis, secretary of the organization. McKinis urged everyone interested in agricultural activities to plan to attend the meeting.

### Egg Grading Meet

A one-day egg grading school got underway in Eastland this morning at 9 a.m. and will continue until 4 this afternoon.

The meeting is being held in the Texas Electric building and officials of the State Department of Agriculture are explaining the new State egg grading law.

## Bulldogs Open Play With Winters Tonight

The Ranger Bulldogs, with a not-to-perfect pre-season record posted, place their bid for a spot on the District 7AA standings tonight when they tangle with Winters in Winters in the opening district contest for the two teams.

Sporting a 1-4 win-loss record in non-district games, Harold Barrett's boys will be meeting a team rated to finish at the top or near the top of the five-team loop.

Sportswriters and coaches of this area gave Winters the number two slot and Ranger number five in pre-season guessing.

In the Olden Tournament, Seranton edged the Bulldogs 57-56 in the first round, and in the consolation round, Abilene Christian high school downed the local crew 51-38 to knock them from the tournament.

Last year the Bulldogs finished the season in the third position. Barrett said that Winters has an expert team and should give his boys considerable competition.

Starters for the local crew will be David Wharton, Wayne Jewers, Jerry Underwood, Lee King, and Walter Hutchins.

## Masonic Officers Take Their Oaths

New officers of the Cisco Commandery No. 47, Knights of Templar, were installed in public ceremonies at the Masonic Hall in Cisco Monday night.

Litt Perry of Abilene, state Grand Sword Bearer, was the installing officer.

New officers installed were Frank M. Hicklin of Ranger, commander; E. L. Laird, Cisco, generalissimo; Marshall Penn of Cisco, captain general; Aubrey C. Van Hoy, senior warden; John W. Moore of Breckenridge, junior warden; George D. Boyd of Cisco, prelate; Haywood Cabaness of Cisco, treasurer; and R. E. Grantham of Cisco, recorder and in-

structor K. T. of Texas.

New appointive officers are A. J. Buckman of Breckenridge, standard bearer; Joe Britain of Cisco, sword bearer; Edward A. Hatten of Eastland, warden; and John S. Stockard of Cisco, sentinel.

The service was open to the public. Wives of members were present.

J. L. Martin of Abilene assisted in the program.

Tye Residence Destroyed By Fire Tuesday

Fire completely destroyed the residence of F. C. Tye at 212 Mesquite early Tuesday morning.

Fire Chief Charlie Isbell said that no one was at home when he and city firemen were called to the scene at 1:15 a.m. Tuesday.

The fire chief said the house was a total loss.

Included in the loss were furniture and clothing belonging to Tye.

Isbell did not make an estimate of the loss but indicated it was high.

## Ministerial Group Benefits Ranger

Ranger can be proud of one organization that is a benefit to the citizens even though indirectly.

The organization is the Ranger Ministerial Alliance.

Composed of the ministers of the Ranger churches, the alliance works in a united effort to bring the churches closer together. In so doing, it will benefit the citizens of the community.

Recently the alliance is joining in and sponsoring the National Church Attendance Crusade which

is in progress. The crusade will extend from January until Easter.

Under ordinary circumstances, the alliance meets only once each month but during the national crusade, the pastors will meet each Monday morning to determine the number in attendance at each respective church.

Ten pastors representing 10 Ranger churches are members of the local organization. The churches are: Second Baptist, First Baptist, Eastside Baptist, First Methodist, First Christian, St. Rita's, Assembly of God, Church of God, Nazarene, and the Episcopical Church.

Rev. Ed Scarborough, pastor of the Second Baptist Church, is the president of the organization. Other officers are: Rev. J. C. Atkins, pastor of the Church of God, vice president; and Rev. Ralph Perkins, pastor of the First Baptist Church, secretary.

The weekly meetings are held at different churches.

One important function of the alliance is furnishing a fund for transits. Gas, food, and a place to sleep are furnished people passing through Ranger who are unable to pay for these things.

Officers of the organization are elected each year.

The alliance has many other functions that will be discussed later in articles appearing throughout the crusade.

### TAX MAN SAM SEZ

Now is a good time to prepare your income tax return for 1957.

If you are not going to prepare your tax return before January 15 and you made income of more than \$100 outside of your salary on which tax was withheld during the last quarter of the year, you may be required to file an estimated tax return, that is, in case you haven't made one last April 15.

There are a lot of folks who have income tax nightmares from January 1 until April 15. These same folks often find that when they figure their tax at 11:00 p.m. on April 15, that they have a refund coming instead of owing additional tax.

The sooner you figure your tax, the sooner you can dream of more pleasant things.

### My Neighbors

"Don't just stand there! Hurry back and buy \$15 more groceries before creeping inflation makes them cost \$17!"

### First Baby Born Here In Hospital

Mr. and Mrs. Paul Gene Schaefer of Cisco are the proud parents of the first baby born in Ranger General Hospital in 1958.

The baby, a 9 pound 5 ounce boy, was born at 8:30 p.m., January 5.

Dr. W. P. Watkins made the delivery. The Schaefers reside at 1006 West Fifth in Cisco.

TO PERFORM HERE—The Southwestern Singers, nationally famous singers from the Southwestern Baptist Seminary in Fort Worth, will appear in Ranger January 16 at the First Baptist Church. Under the direction of Paul Green,

the singers were organized in 1944 and have continued to gain fame throughout the nation. The group will sing from the great masters, contemporary music, spirituals, and other religious pieces.

This new formula is a unique combination of medicines that acts directly on the cause of these troubles through a woman's sympathetic nervous system to relieve the awful tense feelings and physical distress. This amazing formula is now sold at drug stores, under the name of "Lydia Pinkham's Tablets." Easy-to-take, contain blood-building iron, so don't let change-of-life rob middle age of joy. Start taking Pinkham's Tablets today. See how fast you can feel your happy self again—without troublesome shots!

**IF YOU PREFER A LIQUID** all druggists, today, also have the famous Lydia E. Pinkham's Vegetable Compound.

## "Sandwich In" A Canned Meat

The canned meat shelf offers many a fine sandwich filling. Popular meats ready-to-use include: luncheon meat, Vienna sausage, ham and devil ham. These meats in cans may also be ground and mixed with mayonnaise and chopped crisp vegetables for sandwich spreads. Or a choice may be made from one of the ready prepared and seasoned deviled and potted spreads.

Here are recipes for sandwich spreads calling for deviled ham and luncheon meat.

**Luncheon Meat Spread**  
 1 can (12 ounces) luncheon meat  
 1 cup finely diced celery  
 3/4 cup pickle relish  
 Grind luncheon meat; add celery and pickle relish. Combine mayonnaise and lemon juice; add to luncheon meat mixture. YIELD: Enough for 8 sandwiches.

**Ham N' Egg Spread**  
 1 can (4 1/2 ounces) deviled ham  
 1 hard cooked egg, chopped  
 Combine all ingredients; mix well. YIELD: Enough for 4 sand-wiches.

**Vienna Sausage Pizzas**  
 8 English muffins  
 1/2 cup (1 stick) butter, melted  
 2 cans (8 ounces each) tomato sauce  
 3/4 pound American or Mozzarella cheese  
 Grated Parmesan cheese  
 Oregano  
 2 cans (4 ounces each) Vienna sausage

Cut English muffins in half; brush with approximately 3 tablespoons butter. Toast until golden brown. Spread each muffin with a tablespoon of tomato sauce. Cover with slices of American or Mozzarella cheese. Sprinkle with grated Parmesan cheese and oregano. Spoon a teaspoon of melted butter on each pizza before putting in oven. Top with Vienna sausage. Bake in moderately hot oven, (400° F.) for 15 minutes. YIELD: 16 Party Pizzas.

## Second Baptist Training Union Group Has Party

The Junior Training Union Group No. 1 of the Second Baptist Church had a watch party New Year's Eve in the home of the sponsor, Mrs. Marcus Mathews.

Games were played, and refreshments were served to the following: Tawana Nichols, Kitty Goodwin, Kay Hill, Donald Bunton, Martin Walton, Terry Sutton, Billy Mathews, Mrs. Anna Mae Robinson, Marcus Mathews, and the sponsor, Mrs. Mathews.

## CARD OF THANKS

We wish to express our heartfelt thanks to everyone who gave so much in expressions of sympathy and kindness during the illness and death of our loved one, Philip Falls. May God bless all of you in our prayer.

## Teen Town Council Sets New Rules At Meeting

By GAYE DASKEVICH

The new year at Teen Town seems quite promising. The Teen Town Council held a meeting recently at Teen Town to revise the rules set up last year by the board of directors. Teen Town had outgrown some of the original rules and the council felt the need to draw up a new set of laws that would more fully appeal to the present organization of Teen Town.

Teen Town was really busy during the holiday season. The members were shown a wonderful time at the Christmas party, and Teen Town was kept open on the regular schedule during the holidays. Many visitors from quite a number of places dropped by to pay us a visit. We members were awfully glad to have these visitors and we hope to have them back sometime real soon.

This past year was a year Teen Town and its members will never forget. During 1957, the main building of Teen Town was finished and the new annex, not yet completed, was added. We had many new assets added to the building. Among these were the air

**Tart Cherry Sauce Tons Dessert Sweets**

If we say "cherries" and you think of "pie," you'd score one hundred percent. But we'd give you an extra gold star if you thought of pound cake, bavarian cream, custard or ice cream with cherry topping.

What gold star would be for knowing that canned tart red cherries blended into a smooth sauce can add the "spice and everything nice" to a humdrum week-night dessert for the family, or the spark of glamour to a snack for unexpected company.

A special favorite with company is both inexpensive and easy to make. Just layer the tart red cherry sauce between layers of thick vanilla pudding into tall parfait glasses. Top with more of the cherries.

As for the sauce, it's made by simply adding sugar and cornstarch to the cherry liquid from a pound can of water-pack cherries in a saucepan, heating, then combined with cherries and a spoonful of brandy flavoring.

The sauce can be stored in the refrigerator for weeks. If it clouds over, due to the thickening agent, simply heat and it's ready to serve, warm and clear.

**Red Cherry Sauce**

1 can (1 pound) red sour pitted cherries (water pack)  
 1/2 cup sugar  
 1 tablespoon cornstarch  
 1/4 teaspoon salt

1/2 teaspoon cinnamon  
 1/2 cup water  
 1/2 teaspoon grated lemon rind  
 1/2 teaspoon brandy flavoring  
 optional  
 1/4 teaspoon red food coloring

Drain cherries, reserving liquid. Combine sugar, cornstarch, salt and cinnamon in a saucepan. Stir in cherry liquid and water. Cook, stirring constantly, until mixture comes to a boil; boil 1/2 minute. Remove from heat; add grated lemon rind, brandy flavoring, red food coloring and cherries. Serve warm or cooled. YIELD: 2 1/2 cups.

**Gorman Gatherings**  
 By Mrs. R. E. Boucher

Mr. and Mrs. Jack Benny Shelly and son of Chula Vista, Calif., are visiting his parents, Mr. and Mrs. T. O. Skelley. Mrs. Mark Burrows of Fort Worth spent Christmas with her sister and family, Mr. and Mrs. W. L. Andrews.

Mr. and Mrs. Gene Marshall of Fort Worth were guests in the home of her parents, Mr. and Mrs. W. L. Andrews, for Christmas. Mrs. Marshall returned to Fort Worth to do some packing to move. Marshall left Thursday for San Francisco, Calif., to assume his duties with Revenue Depart-

ment. He has been transferred from the Fort Worth office to the San Francisco office.

Joe Cook of Abilene and Mr. and Mrs. George Norwood, Christine and Betty of Brownwood were guests in the homes of W. G. Baker and Mr. and Mrs. L. R. Rankin over the weekend.

Mrs. V. W. Day spent the holidays in Lubbock and Plainview with her sisters.

**OLDEN HIGH SCHOOL**  
 By Elizabeth Fox

We here at Olden, resumed our classes Jan. 2. Several signs that Santa had been here were shown but classes were the same.

Still talking about Christmas, high school was given a Christmas party at the Homemaking Cottage the day school was out. All of the girls spent about two weeks planning and preparing for the party. The Freshmen and Sophomore girls decorated the windows in holiday designs with glass stencils. The Junior and Senior girls made the refreshments of cookies, candies, and punch. In the far corner of the building was a beautifully decorated tree surrounded by stockings filled with goodies. Gifts were passed out and games were played. Altogether everyone had a wonderful time.

See What-

(Continued from Page 1)
Industry and our Government functioning at the national, state and local levels than these business school careerists. Without them, we should be in a bad way—8 u t quick! In fact, we can think of nothing more chaotic and general insufferable than a world of double-domes.

Actually, so far as we can see, any institution to which high school graduates go in further preparation to deal with the world, whether a university or a business school, is in simple fact a college—and should be so established in the public mind. It is encouraging, therefore, to note that this attitude is beginning to evolve. While it is not practical for youngsters of the

Horatio Alger persuasion to devote time and money to football—the primrose path to acclaim—there is such a thing as school spirit in these specialized educational facilities.

In many business schools there are social functions and alumni organizations that keep memories green and contacts alive. More and more of these schools, we learn from E. R. Moore in Chicago, now conduct formal and impressive graduation exercises—complete with perorations, prayers and patriotism and even to caps and gowns. In fact, the Moore people have gotten out a booklet of business schools that spells out just how appropriate commencement exercises are arranged and conducted.

There is, in other words, growing recognition of the fact that it makes just as much sense to live for good old Spivis Commercial as to die for dear old Harvard Law.

SINCE 1884

... it has been our privilege to render a service to this community as showment builders.

Olden Wins Own Tournament

Olden's Hornets copped their own tournament championship Monday night, scoring a decisive 60-52 victory over the Eastland Mavericks in the final round of play. Huckaby was winner of the girls division, coming through as expected to bowl over Olden 74-61 in the finals.

In winning the tourney, Olden beat Abilene Christian High School 66-63, and Scranton 57-56. ACHS won consolation honors with a 77-64 win over Putnam, and Rising Star's girls downed the Eastland girls, 28-14, in the girls consolation finals.

The championship boys game saw the two finalists, each who had previously beaten the other by two point margins, tied at the end of the first quarter, 11-all, and at halftime, 25-25. Olden's Eddie Munn held tight in the first two periods by Otis Green, got the

range in the third quarter, however, and paced Olden to a 20-point period and a lead they never gave up. Munn personally got 11 of the points after being freed of Green's guarding via the five-foul route.

The Mavs successfully double-teamed Munn in the final stanza and managed to outscore the Hornets 19-15, but the damage was done. The game was marred by 55 fouls called by hawk-eyed officials. Thirty-two fouls were called against the Mavs and 23 against Olden. Eastland lost four starters by the foul route and two other Eastland players were handicapped with four fouls. Olden lost three men by the same route, however.

Huckaby Wins
Huckaby's girls were held to a 34-34 tie at halftime by Olden, but they moved away in the final half to wrap up the title. Olden's Wilma Edwards and Huckaby's Loquinta Pack had a scoring race, with Miss Pack winning with 43 points to Miss Edwards' 34. At halftime Wilma had 25 points and Loquinta 24.

Elizabeth Fox played one of her best games of the year, pushing 23 points through the hoop for Olden, and Linda Pack got 21 for the champions.

Huckaby led 17-14 at the end of the first quarter, the game was tied at halftime and the winners built up a 58-47 margin by the end of three periods.

Both teams saw their guards outclashed by some outstanding work by the forwards of the opposing teams.

ACHS Easy Winner
Abilene Christian High, the pre-tourney favorite to win the trophy, had a fairly easy time with Putnam, although they were forced to score a lot to do it. Jack Francisco paced the winners with 22 points, but every player on the Abilene team pushed through at least five points in a great display of balance. Jim McCrown got 19 points for the losers.

Eastland Loses

Rising Star's girls jumped out front of the Eastland girls in the first period of play and it was the Wildcats all the way. Rising Star led 8-2 at the end of the first quarter and 15-7 at halftime. The Mavettes narrowed the margin to 19-13 at the end of the third quarter, but Rising Star pulled away in the final period.

Martha Duggan was high pointer for the victors, getting nine points. Brenda Evans had eight for Eastland.

Olden - Scranton
The Olden - Scranton boys semifinals game was perhaps the best game of the tournament. It was a nip and tuck affair all the way, with the Hornets coming out on top with a 60-59 count. Munn had 37 points in the game and Hilliard got 16. Leroy Blackwell and Morgan Flemming each got 17 for the losers.

Eastland - Carbon
Eastland won the Carbon game the same way they lost the Olden tilt. The Mavs were far behind going into the final quarter, but Carbon lost three starters, and that combined with a full court press gave Eastland a 50-47 win.

Two Oil Tries Are Staked In Eastland County

Two oil tries have been staked in the county.

The No. 1 Anderson and McCrea is a wildcat try being drilled by Paramount Oil Co., Inc. of Abilene. Location is 2240 feet from the north line and 1104 feet from the west line of Section 115, Block 3, H&T Survey, two miles southeast of Nimrod on an 87-acre lease. Proposed depth is 2900 feet with rotary.

G. W. Daniels No. 3 is being drilled by Lone Star Producing Co. of Dallas two miles northeast of Cisco on a 143 acre lease. Proposed depth is 3564 with cable tools.

John T. King Buried Tuesday In Eastland

Funeral services for John Thomas King were held Monday at 2 p.m. at the Hamner Funeral Home chapel with Otta Johnson, Church of Christ minister, officiating.

Mr. King died at his home, 705 West Main, Saturday. He was born at Eddy Dec. 29, 1865. He was 94. Interment was in Eastland Cemetery under direction of Hamner Funeral Home. Pallbearers were Amon Anderson, Marvin Brock, Lee Whorton, Jim Hart, Charles Lucas and Eddie Smith. Survivors include two sons, Roy of Carrizozo, N. M. and Carl of Putnam, Okla.; and a daughter, Mrs. Earline Whorton of Eastland.

Charles Kinder Completes Army Training Course

FORT GORDON, GA. — Pvt. Charles L. Kinder, whose wife, Jo Ann, lives in Ranger, recently was graduated from the ten-week power equipment maintenance course at the Army's Southeastern Signal School, Fort Gordon, Ga.

The course trained him in the installation, operation and service of motor-driven power equipment. Kinder, son of Mr. and Mrs. Charles M. Kinder, Route 4, Murphy, N. C., entered the Army last July and completed basic training at Fort Carson, Colo.

The 22-year-old soldier attended New Albany High School and worked for the Kinder Construction Co. in Marion before entering the Army.

Death Takes Mrs. Huff In Abilene Monday

Mrs. Sallie Huff, mother of Mrs. Johnnie Aaron of Eastland, passed away Monday afternoon at Saint Ann's Hospital in Abilene where she has been a patient for the past three weeks.

Funeral services are tentatively set for Thursday morning at 10 a.m. at Elliott's Chapel of Memories in Abilene.

HAPPY NEW YEAR!

EARL BENDER & COMPANY

Eastland, (Abstracts since 1923) Texas

Science Develops New Tablet:

Relieves Painful Monthly Cramps. For 3 out of 4 Women Tested! Gives Greater Relief Than Aspirin!

New promise of relief from tortures of monthly cramps, nervous tension is found in an amazing new tablet! Developed especially to relieve this female discomfort, it offers greater relief than aspirin! For 3 out of 4 tested by doctors, pain and cramps were stopped or strikingly relieved. Even on the first day, many had no nagging headaches, no backaches or other functional distress! The new tablet contains a unique combination of medicines. That's why it offers so much more relief than plain aspirin. Acts on the cause of distress to calm uterine contractions. Also works through a woman's sympathetic nervous system. Called 'Lydia Pinkham's Tablets,' they're sold at all drug-stores. Easy to take, contain blood-building iron. So don't suffer needlessly. Take Pinkham's Tablets yourself. See if you don't escape much irritability and discomfort—before and during your period! all druggists, today, also have the famous Lydia E. Pinkham's Vegetable Compound.

IF YOU PREFER A LIQUID

Home Comfort News

PUBLISHED IN THE INTEREST OF BETTER LIVING, ELECTRICALLY

Only AIR and ELECTRICITY used to heat in winter, cool in summer, with the ALL-ELECTRIC HEAT PUMP

Provides Year-round Home-wide Indoor Climate Control with One Setting of a Thermostat

Completely automatic home-wide comfort is available now with the All-Electric Heat Pump that "comfort conditions" your home the year around, using only air and electricity. The same unit that heats your home also cools it. In addition, it removes excess humidity, filters out dust and pollen, completely conditions the air throughout your home. Because it uses only air and electricity in its operation, the Heat Pump provides maximum cleanliness.

SWITCHES AUTOMATICALLY FROM HEATING TO COOLING OR BACK AGAIN, AS NEEDED

During changeable weather, the Heat Pump switches automatically from heating to cooling or back again, as required for your comfort, even within the same hour. There's nothing to remember. You just set the thermostat once and enjoy perfect year-around indoor climate ... automatically.

HOW THE HEAT PUMP OPERATES

Heat Pump operation involves the basic scientific principle that indoor heating or cooling is a matter of transferring heat from one place to another.

In winter, the Heat Pump extracts heat units from outside air—even in freezing weather—and pumps warm air into your home. In summer, the Heat Pump automatically reverses itself and operates as a refrigerated air conditioner. It extracts heat from indoor air and pumps it outside.

For additional information about the Heat Pump, come by our office or write us. We'll be glad to answer your questions and provide other assistance—at no obligation.
