OUR SCHOOLS  
Hale - Aiken  
24

By Lucretia Fairbetter

Mention of "Hale - Aiken Committee of 24" registers State Public School Survey with 4500 teachers, some 12 hundred lay workers and several thousand members of subcommittees. It should register with the public and most of all with every school patron and all "to be" patrons.

The school survey now in progress is a part of the 2-year study of public schools authorized by the legislature.

Purpose of the survey is to get information which will assist in efforts to provide Texas children with the best in education.

Many public spirited citizens have asked of themselves, "What's Wrong with the Schools?" With lots of pride and probably a chunk of ego, I could say, looking at my own children who are now married, "Nothing's wrong with a school or the teachers that can turn out a finished product like these two."

However, I must admit that I am one of those who think all high school graduates should write legibly, read well, and have respect for public property as a minimum among many other things they must know in order to be good citizens.

Before we go further, let's remind ourselves that we are justly proud of our public schools. It is for this reason and because we are Texans we want to right what is wrong.

Blame for slow improvement cannot be placed definitely. There are too many sources. The public is not least among these.

All of the following are not faults found in one system but one or more may be found in every system:

- Required subjects too small in number.
- Inadequate equipment.
- Lack of parent cooperation.
- Big trips on buses.
- Mediocre instruction.
- Top-heavy staff schedule.
- Lack of conformity in class or school routine.

Not enough helpful supervision of teachers.

Some years ago the administration and the school board of Fort Worth found it necessary to train their teachers.

Although I had required scholastic and two years teaching experience in a country school, I was one of the "green ones" and I had plenty of company.

The training I was forced to take over a period of months while teaching, I shall always consider as one of the most fortunate things that ever happened to me. Classes were held after school hours and supervisors with regularity visited to assure themselves that the learning was being applied.

Many of these courses have since been adopted by a number of colleges. (Continued on Page Four)

Mothers Club Sees  
Fruits of Efforts

Members of the Mothers Club of Teen Town are seeing the fruition of their efforts in their work of adding additional floor space and a well-furnished kitchen. The new features at Teen Town didn't just happen. Ranger can well be proud of the youth center and of the men and women who see the center as a place where youth can enjoy clear recreation.

The directors, David Pickrell, W. N. Bourdeau, Dr. W. P. Watkins, Mrs. Leslie Hagaman, and Pete Brashier, along with other civic minded Rangerites have not only time but have donated much of the recently installed equipment.

Teen Town is included in the Community Chest, appointments and amounts received are insufficient for the center's needs.

Among present needs are cooking utensils and food services.

Tire Holder  
Perfected At  
Lone Star Plant

Employees of Lone Star's Ranger Gasoline Plant are enjoying the safety of their own invention.

Glynn Covington, West Texas safety engineer, recommended that something be built to prevent rims from flying out of large tires when operators are airing the tires.

Employees tried a chain apparatus which proved awkward and unsatisfactory.

More recently Mr. Covington came up with the cage-type idea which he passed on to Arthur Deffebach, superintendent of shop. Deffebach turned the job over to Howard Elwood, shop welder.

Elwood constructed the cage. G. A. Thomas, operator of Company filling station is proud of the safety afforded him in using the cage tire-holder.

From Lake Leon  
... Seein's  
Believ'n

Just had to see what the crowd was doing around Dago Varner early Friday morning. Dago had just come in from his home on Lake Leon.

There it was. Honest, Dago had to bring it into town on a pick-up bed. Said when he called his wife to see it, from the kitchen where she was cooking breakfast (they get up early 6:15, early fish gets the worm, early fisher gets the fish). Mrs. Varner came so near passing out he thought he would have to call J. F. K.

Seein's believ'n. Dago had caught an 8 x 20-inch bass weighing 5 pounds.

They do grow big at Lake Leon.

Teen Town members are required to check in and also to check out. On checking out they may not return to the center later in the evening. A wall clock keeps members conscious of the time of closing or of the hour their parents require them to be at home. A telephone is also available.

There are games for those who do not care to dance.

Omar Burkett Is  
Candidate For  
Representative

Omar Burkett, former state representative from this district, Saturday announced his candidacy for the post he once held.

Here is Burkett's formal statement:

In response to the wishes of friends who have always supported me and many new ones who have indicated their support in the coming campaign, I have decided to offer my services for state representative and am filing my name for a place on the ballot with the respective democratic chairmen in each county of the district.

I thank them and you for your confidence in my being capable of rendering useful service to the State at this time. If I am chosen to serve, I will not disappoint you in the matter of staying on the job and doing my very best to safeguard your interests at all times.

Nixon Funeral  
Held Here  
Saturday

Funeral services for Robert N. Nixon, 71 and a retired employee of the Ohio-Oil Company, are to be held this afternoon, Saturday at 2 o'clock in the First Methodist Church in Ranger with Rev. James E. Ellison, officiating. Mr. Nixon was a member of the Iran First Methodist Church. Interment will be in the Breckenridge Cemetery under direction of Killingsworth Funeral Home of Ranger.

The deceased passed away in Anson General Hospital Tuesday night following an illness of several months duration.

Born in Mills County April 11, 1886, he had been with the Ohio Oil for 31 years previous to his retirement. For the past seven years he had made his home in Ranger.

Survivors of the deceased are his wife; five sons Floyd of Hamilton, Robert and Fred of Iran, Nolan D. of Odessa and Wilford of Midland; one daughter Mrs. F. L. Croom of Dalhart; five sisters, Mrs. M. E. Cook of Clairette, Mrs. George Hatley of Hico, Mrs. O. A. Mitchell of Grafton, Mrs. Dave Hatley of San Antonio, and Mrs. Anza Williams of Crane. There are 11 grandchildren.

Palbearers are W. A. Gann, J. L. Bowen, A. L. Stiles, Virgil Galoway, Melvin Adams and Lane Ready.

PROFESSIONAL PERFORMANCE can be expected from the above shown Ranger College Choir. Al Lotspeich, dean of music, stated that the fine singing of this group is not due to long hours of practice but to the material he has to work with, meaning the 25 boys and girls who love to sing. Personnel of the choir has changed slightly since this picture was made.

Strawn Man  
Retires From  
Lone Star Gas Co.

Jess W. Hodgkins of Strawn, with his wife, Mary Hodgkins, is enjoying a well-earned retirement after 38 years with the Lone Star Company. For the past 30 years he has been maintenance man, connecting and disconnecting meters within 100 mile radius of home.

Coming from Oklahoma, via Fort Worth, with his father, Hodgkins tried farming and found it hard work. Yet he finds himself happy to spend years of retirement on his section of farming land. Work, though, he doesn't do much of it. He will hire the sowing done and the reaping, too, except what his stock harvests.

Mrs. Hodgkins wants to do a bit of visiting, traveling around. But Jess will have to get his fishing done. That shouldn't take long since his tanks are stocked with both his and his wife's favorite fish, channel and yellow cat.

A son of the couple, Jack Hodgkins, is associated with the Lone Star at Hamilton. A second son, Charlie Hodgkins and their daughter Opal have homes in the same block with their parents.

College Regents  
Meet Wednesday;  
Elect Officers

The Board of Regents of Ranger College met Wednesday, April 9, 1958, to certify the three newly-elected members of the board.

A record vote of 320, 318 and 316 respectively returned Carl Page, Marjorie Maddocks and Roscoe Hopper to seats on the board.

After the new members were administered the oath of office, a reorganization of the board was held.

F. P. (Pete) Brashier, Jr. was elected to serve a second term in the seat of honor as Chairman of Regents. Brashier replaced Joe Nuesse, who resigned to become City Attorney at Midland.

David Pickrell was chosen Vice Chairman of the Board, and Joe Dennis was named Secretary.

Others present at the meeting were: Morris Newham, Alvis Wood, Marjorie Maddocks, Roscoe Hopper and Dr. Price R. Ashton.

HENRY L. CAPERS  
Gorman Man  
Passes Away

Mr. Henry L. Capers, 78, and one of Gorman's most highly esteemed citizens, passed away Thursday at the Blackwell Hospital in Gorman. His illness has been of more than two months duration. Funeral services were conducted from the First Baptist Church in Gorman Friday afternoon at 2 o'clock.

Widely known in Eastland, Erath and Comanche County, Mr. and Mrs. Capers for many years operated recreation centers, including the theatre, a skating rink and Bass Lake Swimming Pool. Bass Lake with the park area surrounding it was deeded to the City of Gorman in 1948. The park was then renamed Frank Gray and dedicated to his memory.

Having no children of his own but having a great love for all children and a tender compassion for the handicapped among them, he adopted a foster son.

Frank Gray, the Foster son, was reported missing in action over the Burma hump during World War II.

A citizen with progressive foresight, he had served on the Gorman school board and in city offices.

Survivors, besides his wife, Carrie Capers, two brothers, Tom and Walter Capers of Fort Worth and two sisters, Mrs. Bea Elliott of Fort Worth and Mrs. P. C. McCulley of Abilene.

Ranger College  
Student Winner  
in Oscar Contest

The Academy award sweepstakes winners in the Majestic Theatre's contest are Jack Jernigan, 600 Polk St., Eastland, winner of six month's free pass, Jackie Kelley, 706 W. 10th, Cato, winner of four month's free pass, Mrs. Sutton Crofts, 512 W. 5th St. Cato, winner of two month's pass; Gene Edwards, Ranger College, Ranger, winner of one month's pass; and Bonnie Qualls, 403 W. 9th St. Cato, winner one month's Pass.

"Oscar" is thirty years old and still reigns as Hollywood's start of stars; it was in 1927 that the academy of motion picture arts and sciences was organized by a far-sighted group of Hollywood leaders who believe in the future and continued growth of the movies. At a meeting of the first board of governors, the idea to create a statuette as a symbol of excellence and achievement was proposed. While the discussion was going on, Cedric Gibbons, famous studio art director, sketched his conception of a figure that could become a proud, dignified symbol of the movie profession. His drawing was accepted, it was turned over to George Stanley, a Los Angeles sculptor. From the beginning, "Oscar" was born—but it was four years later before he was christened.

For the first four years, he was nameless, known merely as the "statuette". In 1931 a new employee of the Academy reported (Continued On Page Four)

Spring Show  
Gives Choir  
Top Place

Ranger College Choir is given top billing on the third annual Spring Show being staged April 17 in the College Auditorium for their performance which includes the presentation of the cantata "I Hear America Singing."

In pre-show training members have attained unusually beautiful tones in the resonance of their harmony.

Selections will include: "Hallelujah" by Will Schumann, two folk songs "I Won't Miss Katy" and "The Peasant and the Oxen" arranged by Aschenbrenner, "The Bugle Song" by Tom Scott, with Forrest Hall playing the trumpet solo, and "Roots and Leaves" from the pen of Walt Whitman and set to music by Ralph E. Williams.

The cantata concluding the show is based on poems of the time-honored writer of sonnets and lyrics, Mr. Whitman.

Walt Whitman, poet of the American people, sang of uncompromising liberty and equality, of lakes and fields of cities and country, of his love for people everywhere.

Composer George Kleinsinger, stirred by the beauty of Whitman's poems, first set "I Hear

America Singing" to music in 1939. He later expanded the compositions and welded with it other poems developing it into the cantata. Other presentations of "I Hear America Singing" have received tremendous ovation and most enthusiastic applause.

Ranger Wins  
Tennis Matches  
Over Indians

Ranger College netmen walked away with an easy victory over McMurry College Indians in their first match of the season on Thursday, April 9, in Abilene. Jody Beal and Don Szazama, Ranger College students from Albany, won the first match 6-1, 6-2, and they took the second match from McMurry netmen 6-3 and 6-2.

Ranger College will compete in Pioneer Conference Play at Tarleton State College May 5, to decide the Pioneer Conference winner.

Jody Beal, a second year man for Ranger College, will try to move into first place this year, having won the second place medal last year.

New Families  
Move Here

Ranger folk have the honor of welcoming two new families. Recently arriving in Ranger to make their home are Mr. and Mrs. L. A. Adkins. The Adkins plan to be in the cafe business. They have come to Ranger from Lubbock.

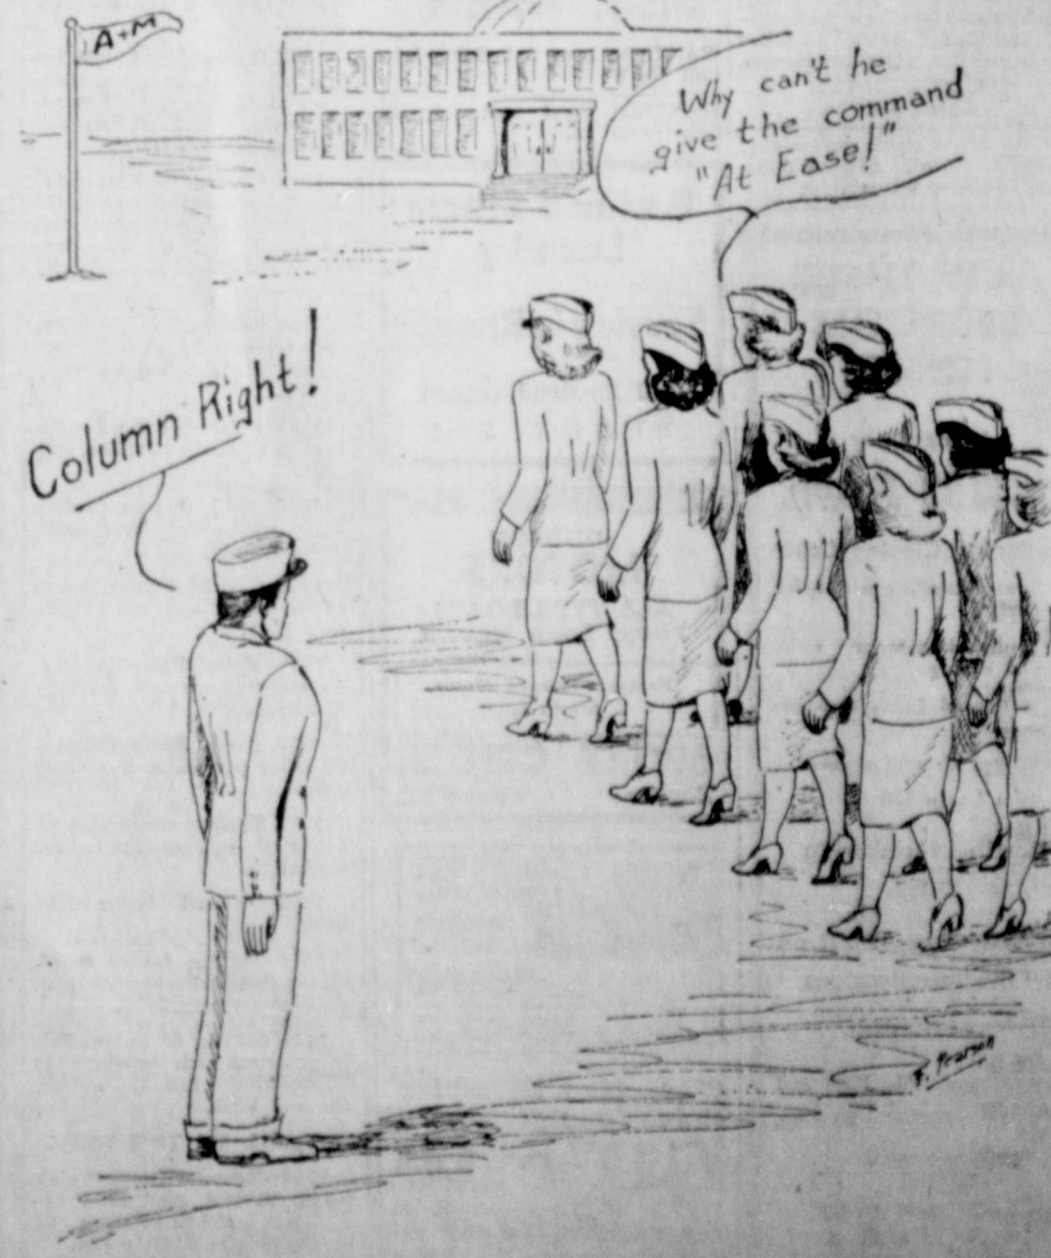

Children of the couple are Alicia Ann, 6 years and Billy Roe who is two years old.

A second couple is Mr. and Mrs. Glenn Herring who reside at 20 Terry Place. They have moved here from Brownfield. Mr. Herring is a student at Ranger College.

Ranger people will be glad to welcome these newcomers into church and community activity.

## Co-Ed Cadet Corps at A+M

NO REST FOR THE WEARY is foreseen by those who want no co-ed integration on the A & M FOR MEN ONLY campus. Could be wishful thinking. But then again sack dress styles may encourage in some young ladies a desire to develop brawn. If it's matrimony, these gals contemplate, that might be food for thought. Could be the boys don't want hurdles of courting removed.

Nimrod Woman Nominated  
As Texas Mother of Year

(Editor's Note: The following article was written by Frank X. Tolbert for the Dallas Morning News.)

Nimrod Texas, is a village of about 75 souls in Eastland County. It was named for the great hunter of the Bible. There is good hunting around Nimrod. Foxes and coons are run and there are some deer. Most of all, though, Nimrod is famous as the home of Mrs. Lillian Lucille Harrelson.

Right here, we wish to nominate Mrs. Harrelson for 1958 Texas Mother of the Year.

She is totally blind. Yet this slender, smiling, 41-year-old burnette is a successful homemaker for a husband and five children. She is a newspaper woman. She is Nimrod correspondent for the Cato News.

Each week she writes a column of Nimrod news in precise, easy-to-read longhand. She is an excellent musician. She plays the piano at the Nimrod Baptist Church. She also teaches a Sunday School class.

You would think that she could see when she's doing her house chores.

Her admiring husband, Oliver Harrelson, a heavyweight farmer, rancher and professional brand inspector, says of his wife:

"I don't know how she does it, yet she can sort out a wash without scarcely ever making a mistake. She washes and irons. She does her work by feel, sound, smell, taste and memory. She can cut up and dress a chicken as well as anyone. She can bake a wonderful pie. She could see a little five years ago and she remembers the temperature control settings on the kitchen stove."

She can handle a dial telephone without any mixups. And when there is a real news story near Nimrod she works over the telephone, both at getting the information and then relaying it to Cato. The routine news she gets at the church and at her clubs.

She plays the piano twice a week.

month at meetings of the Nimrod Neighbors Progressive Club. A braille watch enables the Nimrod correspondent to tell the time. She's never late with her copy. And the Cato Press editor says that her script is easier to read than a lot they get.

She uses a script guide to keep her lines straight when she's writing.

Mrs. Harrelson's eyes started giving her trouble when she was a girl. It gradually got worse and her right eye was removed in 1941. She became completely blind in 1953. She has never seen her youngest child, Sharon, 5.

Before she lost her sight, she took a bachelor degree from Ho-

### Christian Science

How spiritual understanding of God's law of harmony brings healing and redemption will be set forth at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is the Golden Text from Jeremiah (17:14): "Heal me, O Lord, and I shall be healed; save me and I shall be saved; for thou art my praise."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (72:9-10): "Sickness, sin, and death, being inharmonious, do not originate in God nor belong to His government."

Scriptural readings will include

the following (Psalms 33:4,5): "For the word of the Lord is right; and all his works are done in truth. He loveth righteousness and judgement; the earth is full of goodness of the Lord."

... are all paid for by the ultimate consumer. The farmer sells his bale of cotton for \$150.00 and we buy it back in cotton products for several hundred dollars. Same old cotton except the looks, design, color, wage, transportation, rent, storage, interest, commission, profit and taxes—many kinds of them. Like the bale of cotton, the abstract must bear its myriad of hidden costs but at that it is well worth the sales price for it is the basis of your title security and your protection against fraud.

## Ladies Meet for Bible Study

The ladies of the Merriman Baptist Church met Tuesday afternoon at 1:45 for their weekly Bible study. The opening prayer was led by the hostess, Mrs. Bonnie Rodgers.

Mrs. A. E. Dawson presented the devotional from the first chapter of Leviticus.

Refreshments were served to the following: Mmes. Jack Walker, C. J. Cole, G. D. Falls, A. E. Dawson, Ruby Ainsworth, J. W. Vinson and the hostess Mrs. Rodgers.

## Dutch Club Meets At King's Cafe

The Dutch Club met Wednesday morning at 8 o'clock in King's Cafe for breakfast and a short business meeting.

Mrs. Mae Weaver opened the meeting with a prayer. Mrs. Della Rushing, president, presided over a brief business meeting.

A box of food was brought for a needy family. The meeting was closed with a prayer.

The following were present: Mmes. Leona Arterburn, Maudie Ellis, Della Rushing, Virgie Edwards, Gussie Tankersly, M. A. Weaver and Eleanor Horton.

## Couple to Observe 60th Anniversary

Mr. and Mrs. Ebert Hill will celebrate their 60th wedding anniversary at their home Sunday, April 13, from 2 to 4 o'clock p.m.

## College Chorus Presents Program At Sorority Meet

The Rho Pi Chapter of Beta Sigma Phi met April 10 in the music hall of Ranger College. Miss Vivian Simmons, program leader for the day, introduced Al Lot-speich, dean of music at Ranger College.

Mrs. Lotspeich and the college chorus presented a preview of the Spring Show which will be held April 17 in the college auditorium.

They presented three songs from a cantata based on poems by Walt Whitman and set to music by Kleinsinger. One of the songs featured was "I Hear America Singing."

The group was accompanied by Mrs. Lotspeich at the piano.

Following the program, the members met in the home of Mr. H. H. Oliver for a business meeting. Miss Inez Harrell was co-hostess.

Arrangements of Easter lilies and a white styrofoam Easter rabbit was in the living room.

The meeting was opened with all members repeating the opening ritual in unison. Mrs. D. C. Arterburn, president, presided over the business meeting.

The minutes were read by the secretary. The motion was made and approved to give \$5.00 to the cancer fund. The meeting was closed by all members repeating the closing ritual in unison.

The following members were present: Mmes. Arterburn, Robert Bailey Jr., Dwayne Dennis, Barbara Campbell, Kenneth Hardy, Jack Sledge, Iris Hummel, Calvin Warren, Linda Forney, Jess White, Misses Eva and Norma Mills, Simmons, Helen Dawley, and the hostesses.

The officers and teachers of the Sunday school department of the First Baptist Church are looking forward to an increase in attendance in all departments of the Sunday school this Sunday, according to Sunday school superintendent, Rayneal Baze.

The attendance at the preaching services has been on the increase for many months. According to the pastor, "Easter service attendance was the largest in the past eight Easters."

The pastor will bring the morning message from the "Sermon on the Mount," Matthew 5:13-16. The theme will be "The Influence of Christian Leadership."

Training Union will begin at 7 p.m. with preparation already made for the continued increase in Training Union attendance.

At 8 p.m. following the worship in song and praise, the church will see pictures taken of the Baptist work in Africa.

Mr. and Mrs. Arnold Anderson of Mt. Pleasant spent several weeks in Africa last year and have a wonderful collection of picture slides. The Andersons are the parents of Mrs. Gene Legg, who with her husband and two children are serving as Southern Baptist Missionaries from Texas to Nigeria. Mr. Anderson is a first cousin to Mrs. Perkins.

Visitors and friends are always welcome at all services.

## Sunday School Class Meets With Mrs. C. C. Harris

The Grace Sunday school class of the First Baptist Church met Tuesday, April 8 at 7:30 p.m. in the home of Mrs. C. C. Harris for a social and business meeting.

Mrs. T. J. Anderson opened the meeting with a prayer, and presented the devotional on "The Spirit of Love."

Mrs. Lem Rushing, president, presided over a short business meeting. Mrs. Harris led the closing prayer.

Refreshments were served to the following: Mmes. Carl Eakin, D. C. Singleton, B. S. Yung, Aaron Stiles, Frank Hicklin, O. W. House, Lem Rushing, T. J. Anderson, Earl Horton, and the hostesses.

In the April 8 issue of the Ranger Times, the names of Mr. and Mrs. L. B. Reynolds were unintentionally left out of a list of members attending a social of the Young Married People's Class of the Nazarene church.

## Personality of the Week

The personality chosen for this week is Marvin Crawford, Jr. Known to his friends as "Buttons," he is very likeable and easy to get along with. He is the son of Mr. and Mrs. Marvin Crawford of Guthrie, Texas.

Buttons took active part in sports while in high school; he played football and basketball and was captain of both teams. He also played baseball and ran track. Other honors received while in high school were Most Popular Boy for two years and Class President for three years.

This capable young man is majoring in Business Administration at Ranger College. He is an earnest, hard-working student and is known for his self-reliance and dependability. He was chosen by the faculty to be represented on the Who's Who page in the annual and was made a member of Phi Theta Kappa, national honorary scholarship society. Buttons earned a letter in football as half-back and is a member of the "R" association.

He is a member of the Church of Christ.

After graduation at Ranger College, Buttons plans to attend Texas Technological College at Lubbock.

## Dorothy Grace Daws, Kenneth Lee Are United In Double Ring Ceremony

Miss Dorothy Grace Daws of Woodson, daughter of Mr. and Mrs. Turner T. Daws of Woodson, and Kenneth W. Lee, son of Mr. and Mrs. Jake C. Lee of Ranger, were married Saturday, April 12, in the home of the bride's parents.

Rev. Kenneth Hairgrove, pastor of the First Methodist Church at Woodson, officiated at the double ring ceremony.

The bride, given in marriage by her father, wore a gown of candlelight silk taffeta with a bodice of pique d'auge lace re-embroidered with cluster pearl detail with a wide Victorian decollete filled in with nude illusion and with taffeta wing-effect accents at the bustline.

The lace extended into the skirt in a cafe apron effect, and in back the skirt was caught in a butterfly bustle and extended into a deep train. She wore elbow length taffeta gauntlets, and a wide double circular illusion veil which extended to her waist in back and was caught to a cascade of shirred illusion with an edging of seed pearls. The bride's bouquet was a white orchid with feathered white carnations.

Mrs. Ben Daws of Denton, sister-in-law of the bride, was matron of honor. She wore a pale pink lace ruffled dress with a taffeta cummerbund. She carried a colonial bouquet of white carnations.

Other attendants were Mrs. Charlie Daws of Abilene and Miss Debra Lynn Daws and Connie Gene Buckman of Lovington, New Mexico.

Jake C. Lee of Ranger, father of the groom, served as best man. Groomsman was Benjamin B. Daws of Denton, brother of the bride.

Following a brief reception, the couple left for a short wedding trip. They are making their home in the Gholson Hotel in Ranger.

## Omar—

(Continued from Page One)  
reduction of crude oil production,  
while the State's expenses have  
greatly increased and from a healthy  
balance four years ago, we  
now face a possible deficit of  
such proportions that a new tax  
bill of \$120,000,000 to \$150,000,000  
(in addition to levies in the  
present law) is said to be required  
at the beginning of the biennium,  
commencing Sept. 1, 1959.  
This problem of financing an  
ever increasing cost of govern-  
ment without increasing taxes is  
impossible and should be seriously  
studied before any increase is  
made or new levies added.

Why not take a "look see" to  
determine if it is at all possible to  
stay within present state tax levies  
before we look around to see  
if we can find new sources of re-  
venue that will up the tax bill as  
proposed to an all-time high?

To find new sources of revenue  
now slightly taxed or untaxed at  
all, poses a problem that can be  
solved only by an economically  
minded Legislative personnel with  
the thought in mind to add no new  
tax that can be dispensed with.

My friends, to be sure, the task  
of financing our State Govern-  
ment is a tremendous  
undertaking, but for a sure if  
the stupendous sum as proposed be-  
comes a reality it will require the  
largest and most far-reaching tax  
bill ever enacted into law.

My stand on matters of econ-  
omy, taxation and expenditures  
affecting the whole people is well  
known. My knowledge of state af-  
fairs, personal acquaintance with  
many of the personnel of each  
department, bureau, council or  
commission and their duties will  
be a great benefit in determining  
departmental need for increase or  
to make an all-out effort "to  
tighten the State belt a few notch-  
es," eliminate "political expedi-  
ency" and appropriate and pro-  
vide only really necessary money  
for State services, but little, if any  
on the border line of wasteful or  
unnecessary spending.

The following matters I feel the  
people should know how I stand  
and which will benefit all the  
people. Same will have my best ef-  
forts to help make them the law  
of the land and be possible upon  
enactment of a fair tax bill as  
most of these proposals will re-  
quire no tax whatsoever.

**State Welfare Obligation**  
Provide necessary funds to give  
the Needy Aged, The Blind, De-  
pendent and Neglected Children  
and those Totally Disabled, the  
sum of \$35.00 per month state  
money, upping same from the pre-  
sent figure of \$21.00 State money  
and when matched by Federal  
Grant, a total under Federal-State  
agreement of \$68.00 per month in-  
stead of the present top of \$60.00  
per month. This small increase  
would certainly be of great help  
to recipients as just a few dollars  
means so much to each of them. I  
favor continuing the distribution  
of free surplus commodities to the

**Portion of Gasoline Tax to  
Incorporated Cities and  
Towns**

I favor some plan that will  
grant to each incorporated city  
and town, a fair part of gasoline  
tax money, according to popula-  
tion and street mileage. This  
should be fair because a large ma-  
jority of all motor vehicles are  
located in cities and towns.

**Car Registration Fees  
Re-Allocated**

I favor retaining in each coun-  
ty 25 percent of motor vehicle re-  
gistration fees which would in-  
clude the 10 percent increase in  
fees passed at the last session of  
the Legislature, be allocated to the  
four county Commissioners Court  
precincts on a population and  
road mileage basis. Present allo-  
cation of registration fees to the  
several counties to remain as is.

**Road Right-of-Way**

I favor some plan that would  
require the State, through the  
State Highway Department to re-  
imburse the several counties for  
all money spent in securing Car-  
dinal Highway Right-of-Way as well  
as Farm-to-market road right-of-  
way subsequently taken over and  
maintained by the State Highway  
Department.

**Motor Vehicle Ad Valorem  
Tax Exemption**

Exempt all motor vehicle from  
ad valorem tax levy by the State  
or any subdivision thereof. This  
should be done as cost, use and  
operation cost are taxed probably  
more than anyone necessarily the  
people have, and too, such tax levied  
on motor vehicles are not gen-  
erally observed alike, county, city  
or state-wide.

**Texas School Building Fund**

Since our schools headquarter  
in Austin and are under direct  
supervision of the Texas Educa-  
tional Agency, I believe the State, in  
all fairness, provide, set-up and  
underwrite a "Texas School  
Building Fund" having for its pur-  
pose to build much needed school  
plants free of cost to all districts  
for most of them are so heavily  
bonded they are unable to make  
further necessary improvements,  
let alone erect any new buildings  
or to make necessary repairs on  
the old ones. Leave present bond-  
ed indebtedness to be liquidated by  
each respective district. If such a  
fund is set up then the contribu-  
tion by the State to districts would  
be changed from the old formula  
of 20.80 to a more equal division  
(counting all school district plants  
which is not now done) of a 50-50  
contribution by State and district.  
As a consolidation is now being  
done to eliminate schools not able  
to "come up to state required  
standards," building new school  
buildings and not using same but  
a few years would be eliminated  
and making a great saving by not  
building. And no bonded indebt-  
ness would be involved, this pro-  
posal can be financed and includ-  
ed in an "ear marked tax bill"  
separate from any other, for the  
sole purpose of a "School Build-  
ing Fund" to build school plants,  
"State-wide," and without a Con-  
stitutional Amendment. State aid  
must come or else Federal money  
must be accepted, if the latter, we  
lose control of our schools and  
instead of "headquartering in Aus-  
tin," Washington D. C. will be the  
new headquarters, too, the Fed-  
eral Government sets their flag down  
by contributions.

## people as is now being done.

## Liquor Traffic

My stand on the liquor ques-  
tion and legalized gambling in any  
form is well known to most every-  
one, but to let the people in this  
district know my views again, on  
such for your record and informa-  
tion: I have always consistently  
opposed legislation for extending  
the boundaries of liquor and beer  
sales and re-instatement of horse  
racing or other forms of legaliz-  
ed gambling; and will continue to  
do so.

## Motor Vehicle Ad Valorem

Exempt all motor vehicle from  
ad valorem tax levy by the State  
or any subdivision thereof. This  
should be done as cost, use and  
operation cost are taxed probably  
more than anyone necessarily the  
people have, and too, such tax levied  
on motor vehicles are not gen-  
erally observed alike, county, city  
or state-wide.

## Texas School Building Fund

Since our schools headquarter  
in Austin and are under direct  
supervision of the Texas Educa-  
tional Agency, I believe the State, in  
all fairness, provide, set-up and  
underwrite a "Texas School  
Building Fund" having for its pur-  
pose to build much needed school  
plants free of cost to all districts  
for most of them are so heavily  
bonded they are unable to make  
further necessary improvements,  
let alone erect any new buildings  
or to make necessary repairs on  
the old ones. Leave present bond-  
ed indebtedness to be liquidated by  
each respective district. If such a  
fund is set up then the contribu-  
tion by the State to districts would  
be changed from the old formula  
of 20.80 to a more equal division  
(counting all school district plants  
which is not now done) of a 50-50  
contribution by State and district.  
As a consolidation is now being  
done to eliminate schools not able  
to "come up to state required  
standards," building new school  
buildings and not using same but  
a few years would be eliminated  
and making a great saving by not  
building. And no bonded indebt-  
ness would be involved, this pro-  
posal can be financed and includ-  
ed in an "ear marked tax bill"  
separate from any other, for the  
sole purpose of a "School Build-  
ing Fund" to build school plants,  
"State-wide," and without a Con-  
stitutional Amendment. State aid  
must come or else Federal money  
must be accepted, if the latter, we  
lose control of our schools and  
instead of "headquartering in Aus-  
tin," Washington D. C. will be the  
new headquarters, too, the Fed-

## Portion of Gasoline Tax to

Incorporated Cities and  
Towns

I favor some plan that will  
grant to each incorporated city  
and town, a fair part of gasoline  
tax money, according to popula-  
tion and street mileage. This  
should be fair because a large ma-  
jority of all motor vehicles are  
located in cities and towns.

## Car Registration Fees

Re-Allocated

I favor retaining in each coun-  
ty 25 percent of motor vehicle re-  
gistration fees which would in-  
clude the 10 percent increase in  
fees passed at the last session of  
the Legislature, be allocated to the  
four county Commissioners Court  
precincts on a population and  
road mileage basis. Present allo-  
cation of registration fees to the  
several counties to remain as is.

## Road Right-of-Way

I favor some plan that would  
require the State, through the  
State Highway Department to re-  
imburse the several counties for  
all money spent in securing Car-  
dinal Highway Right-of-Way as well  
as Farm-to-market road right-of-  
way subsequently taken over and  
maintained by the State Highway  
Department.

## Farm-Ranch, Rural Benefits

I shall oppose any move to cur-  
tail the construction of, limit or  
discontinue our farm-to-market  
road program and any legislation  
that has for its purpose the re-  
alignment of County Commission-  
ers precinct lines according to  
population.

Our forefathers were a wise  
group, made by necessity, but they  
worked out a plan to provide their  
present and later generation with  
proper education by setting up our  
Permanent School Fund, the pro-  
ceeds of which were invested in  
interest bearing bonds going into  
the Available School Fund to be  
used as needed to build school  
buildings, employ teachers and  
carry on an educational program.  
I am for adding to this Perma-  
nent School Fund instead of trans-  
ferring any part of it, emergency  
or not, interest on same to be used  
as our wise forebears intended,  
and I will support no measure to  
transfer any part of it I favor  
adequate funds for our extension  
service and State forestry pro-  
gram, a more expanded animal  
health program and a strong State  
law to make it illegal "to sell live  
hog cholera virus."

## Judicial Re-Districting

Press reports and many mem-  
bers of the State Bar Association  
have indicated favoring State-wide  
Judicial Re-Districting Bill. I  
believe this should not only be  
done as an economy move but to  
relieve the case load in some dis-  
tricts, making an effort to balance  
the work that relief can be pro-  
vided over-worked districts with-  
out the expense of adding the cost  
of new courts and buildings; I  
would not support or favor any  
"single shot" area change unless  
mutually agreeable to all interest-  
ed parties in any county or coun-  
ties affected.

## Teenage Question and

Juvenile Delinquency

It is my opinion that we al-  
ready have ample laws on our  
statute books to cope with this all  
important and troublesome ques-  
tion, if properly enforced. I am  
sure the major part of teenage  
crime comes from neglect of home  
ties and lack of home supervision.  
I favor amending our present  
laws of parents' duties under this  
law, reduce teenage responsibility  
age and include more drastic pen-  
alties according to the attitude of  
the offender and gravity of the  
crime; making sure of swift pun-  
ishment as facts warrant.

## In conclusion, may I state, I

am not of a vindictive nature; I  
have no enemies to punish or any-  
one special group to favor. I am  
humbly grateful to all for past  
favors in making it possible for  
me to have served you. For your  
vote and support, I pledge that I  
will honestly and faithfully stay  
on the job and serve you at all  
times in a manner I believe to be  
for the best interest of a majority  
of the people.

fine teachers, libraries with good

OUR SCHOOLS  
Hale - Aiken  
24

By Lucretia Fairbetter

Mention of "Hale - Aiken Committee of 24" registers State Public School Survey with 4500 teachers, some 12 hundred lay-workers and several thousand members of subcommittees. It should register with the public and most of all with every school patron and all "to be" patrons.

The school survey now in progress is a part of the 2-year study of public schools authorized by the legislature.

Purpose of the survey is to get information which will assist in efforts to provide Texas children with the best in education.

Many public spirited citizens have asked of themselves, "What's Wrong with the Schools?"

With lots of pride and probably a chunk of ego, I could say, looking at my own children who are now married, "Nothing's wrong with a school or the teachers that can turn out a finished product like these two."

However, I must admit that I am one of those who think all high school graduates should write legibly, read well, and have respect for public property as a minimum among many other things they must know in order to be good citizens.

Before we go further, let's remind ourselves that we are justly proud of our public schools. It is for this reason and because we are Texans we want to right what is wrong.

Blame for slow improvement cannot be placed definitely. There are too many sources. The public is not least among these.

All of the following are not faults found in one system but one or more may be found in every system:

Required subjects too small in number.  
Inadequate equipment.  
Lack of parent cooperation.  
Long trips on buses.  
Mediocre instruction.  
Top-heavy staff schedule.  
Lack of conformity in class or school routine.

Not enough helpful supervision of teachers.

Some years ago the administration and the school board of Fort Worth found it necessary to train their teachers.

Although I had required scholastics and two years teaching experience in a country school, I was one of the "green ones" and I had plenty of company.

The training I was forced to take over a period of months while teaching, I shall always consider as one of the most fortunate things that ever happened to me. Classes were held after school hours and supervisors with regularity visited to assure themselves that the learning was being applied.

Many of these courses have since been adopted by a number of colleges.

Nimrod Woman Nominated  
As Texas Mother of Year

(Editor's Note: The following article was written by Frank X. Tolbert for the Dallas Morning News.)

Nimrod Texas, a village of about 75 souls in Eastland County, it was named for the great hunter of the Bible. There is good hunting around Nimrod, foxes and coons are run and there are some deer. Most of all, though, Nimrod is famous as the home of Mrs. Lillian Lucille Harrelson.

Right here, we wish to nominate Mrs. Harrelson for 1958 Texas Mother of the Year.

She is totally blind. Yet this slender, smiling, 41-year-old brunette is a successful homemaker for a husband and five children. She is a newspaper woman. She is Nimrod correspondent for the Cico News.

Each week she writes a column of Nimrod news in precise, easy-to-read longhand. She is an excellent musician. She plays the piano at the Nimrod Baptist Church. She also teaches a Sunday School class.

Mothers Club Sees  
Fruits of Efforts

Members of the Mothers Club of Teen Town are seeing the fruition of their efforts in their work of adding additional floor space and a well-furnished kitchen. The new features at Teen Town didn't just happen. Ranger can well be proud of the youth center and of the men and women who see the center as a place where youth can enjoy clear recreation.

The directors, David Pickrell, W. N. Bourdeau, Dr. W. P. Watkins, Mrs. Leslie Hagaman, and Pete Brashier, along with other civic minded Rangerites have given not only time but have donated much of the recently installed equipment.

Teen Town is included in the Community Chest apportionments but amounts received are insufficient for the center's needs.

Among present needs are cooking utensils and food services.

Tire Holder  
Perfected At  
Lone Star Plant

Employees of Lone Star's Ranger Gasoline Plant are enjoying the safety of their own invention. Glynn Covington, West Texas safety engineer, recommended that something be built to prevent rims from flying out of large tires when operators are airing the tires.

Employees tried a chain apparatus which proved awkward and unsatisfactory.

More recently Mr. Covington came up with the cage-type idea which he passed on to Arthur Deffebach, superintendent of shop.

Deffebach turned the job over to Howard Elwood, shop welder. Elwood constructed the cage.

G. A. Thomas, operator of Company filling station is proud of the safety afforded him in using the cage tire-holder.

Just had to see what the crowd was doing around Dago Varner early Friday morning. Dago had just come in from his home on Lake Leon.

There it was. Honest, Dago had to bring it into town on a pick-up bed. Said when he called his wife to see it, from the kitchen where she was cooking breakfast (they get up early 6-15, early fish gets the worm, early fisher gets the fish) Mrs. Varner came so near passing out he thought he would have to call J. F. K.

Seein's believ'n. Dago had caught an 8 x 20-inch bass weighing 5 pounds.

I thank them and you for your confidence in my being capable of rendering useful service to the State at this time. If I am chosen to serve, I will not disappoint you in the matter of staying on the job and doing my very best to safeguard your interests at all times.

Nixon Funeral  
Held Here  
Saturday

Funeral services for Robert N. Nixon, 71 and a retired employee of the Ohio Oil Company, were held this afternoon, Saturday at 2 o'clock in the First Methodist Church in Ranger with Rev. James E. Ellison, officiating. Mr. Nixon was a member of the Iraan First Methodist Church. Interment will be in the Breckenridge Cemetery under direction of Killingsworth Funeral Home of Ranger.

The deceased passed away in Anson General Hospital Thursday night following an illness of several months duration.

Born in Mills County April 11, 1886, he had been with the Ohio Oil for 31 years previous to his retirement. For the past seven years he had made his home in Ranger.

Survivors of the deceased are his wife; five sons: Floyd of Hamilton, Robert and Fred of Iraan, Nelson D. of Odessa and Winford of Midland; one daughter Mrs. F. L. Croom of Dalhart; five sisters, Mrs. M. E. Cook of Clairette, Mrs. George Hatley of Hico, Mrs. O. A. Mitchell of Grafton, Mrs. Dave Hatley of San Antonio, and Mrs. Anza Williams of Crane. There are 11 grandchildren.

Palbearers are W. A. Gann, J. L. Bowen, A. L. Stiles, Virgil Galloway, Melvin Adams and Lane Ready.

PROFESSIONAL PERFORMANCE can be expected from the above shown Ranger College Choir. Al Lotspeich, dean of music, stated that the fine singing of this group is not due to long hours of practice but to the material he has to work with, meaning the 25 boys and girls who love to sing. Personnel of the choir has changed slightly since this picture was made.

Strawn Man  
Retires From  
Lone Star Gas Co.

Jess W. Hodgkins of Strawn, with his wife, Mary Hodgkins, is enjoying a well-earned retirement after 38 years with the Lone Star Company. For the past 30 years he has been maintenance man, connecting and disconnecting meters within 100 mile radius of home.

Coming from Oklahoma, via Fort Worth, with his father, Hodgkins tried farming and found it hard work. Yet he finds himself happy to spend years of retirement on his section of farming land. Work, though, he doesn't intend to do much of it. He will hire the sowing done and the reaping, too, except what his stock harvests.

Mrs. Hodgkins wants to do a bit of visiting, traveling around. But Jess will have to get his fishing done. That shouldn't take long since his tanks are stocked with both his and his wife's favorite fish, channel and yellow cat.

A son of the couple, Jack Hodgkins, is associated with the Lone Star at Hamilton. A second son, Charlie Hodgkins and their daughter Opal have homes in the same block with their parents.

College Regents  
Meet Wednesday;  
Elect Officers

The Board of Regents of Ranger College met Wednesday, April 9, 1958, to certify the three newly-elected members of the board.

A record vote of 320, 318 and 316 respectively returned Carl Page, Marjorie Maddocks and Roscoe Hopper to seats on the board.

After the new members were administered the oath of office, a reorganization of the board was held.

F. P. (Pete) Brashier, Jr. was elected to serve a second term in the seat of honor as Chairman of Regents. Brashier replaced Joe Nuesse, who resigned to become City Attorney at Midland.

David Pickrell was chosen Vice Chairman of the Board, and Joe Dennis was named Secretary.

Others present at the meeting were: Morris Newham, Alvin Wood, Marjorie Maddocks, Roscoe Hopper and Dr. Price R. Ashton.

Henry L. Capers  
Gorman Man  
Passes Away

Mr. Henry L. Capers, 78, and one of Gorman's most highly respected citizens, passed away Thursday at the Blackwell Hospital in Gorman. His illness has been of more than two months duration. Funeral services were conducted from the First Baptist Church in Gorman Friday afternoon at 2 o'clock.

Widely known in Eastland, Erath and Comanche County, Mr. and Mrs. Capers for many years operated recreation centers, including the theatre, a skating rink and Bass Lake Swimming Pool.

Bass Lake with the park area surrounding it was donated to the City of Gorman in 1948. The park was then renamed Frank Gray and dedicated to his memory.

Having no children of their own but having a great love for all children and a tender compassion for the handicapped among them, he adopted a foster son.

Frank Gray, the Foster son, was reported missing in action over the Burma bump during World War II.

A citizen with progressive foresight, he had served on the Gorman school board and in city offices. Survivors, besides his wife, Carrie Capers; two brothers, Tom and Walter Capers of Fort Worth and two sisters, Mrs. Bess Elliott of Fort Worth and Mrs. P. C. McCulley of Abernathy.

"Oscar" is thirty years old and still reigns as Hollywood's star of stars; it was in 1927 that the academy of motion picture arts and sciences was organized by a far-sighted group of Hollywood leaders who believe in the future and continued growth of the movies. At a meeting of the first board of governors, the idea to create a statuette as a symbol of excellence and achievement was proposed. While the discussion was going on, Cedric Gibbons, famous studio art director, sketched his conception of a figure that could become a proud, dignified symbol of the movie profession. His drawing was accepted, it was turned over to George Stanley, a Los Angeles sculptor. From the beginning, "Oscar" was born—but it was four years later before he was christened. For the first four years, he was nameless, known merely as the "statuette". In 1931 a new employee of the Academy reported

Gives Choir  
Top Place

Ranger College Choir is given top billing on the third annual Spring Show being staged April 17 in the College Auditorium for their performance which includes the presentation of the cantata "I Hear America Singing."

In pre-show training members have attained unusually beautiful tones in the resonance of their harmony.

Selections will include: "Holiday Song" by Will Schumann, two folk songs "I Won't Kiss Katy" and "The Peasant and the Oxen" arranged by Aschenbrenner, "The Bugle Song" by Tom Scott, with Forrest Hall playing the trumpet solo, and "Roots and Leaves" from the pen of Walt Whitman and set to music by Ralph E. Williams.

The cantata concluding the show is based on poems of the time-honored writer of sonnets and lyrics, Mr. Whitman.

Walt Whitman, poet of the American people, sang of uncompromising liberty and equality, of lakes and fields of cities and a country, of his love for people everywhere.

Composer George Kleinsinger, stirred by the beauty of Whitman's poems, first set "I Hear

America Singing" to music in 1939. He later expanded the compositions and welded with it other poems developing it into the cantata. Other presentations of "I Hear America Singing" have received tremendous ovation and most enthusiastic applause.

Ranger Wins  
Tennis Matches  
Over Indians

Ranger College netmen walked away with an easy victory over McMurry College Indians in their first match of the season on Thursday, April 9, in Abilene. Jody Beal and Don Sazama, Ranger College students from Albany, won the first match 6-1, 6-2, and they took the second match from McMurry netmen 6-3 and 6-2.

Ranger College will compete in Pioneer Conference Play at Tarleton State College May 2, to decide the Pioneer Conference winner.

Jody Beal, a second year man for Ranger College, will try to move into first place this year, having won the second place medal last year.

New Families  
Move Here

Ranger folk have the honor of welcoming two new families.

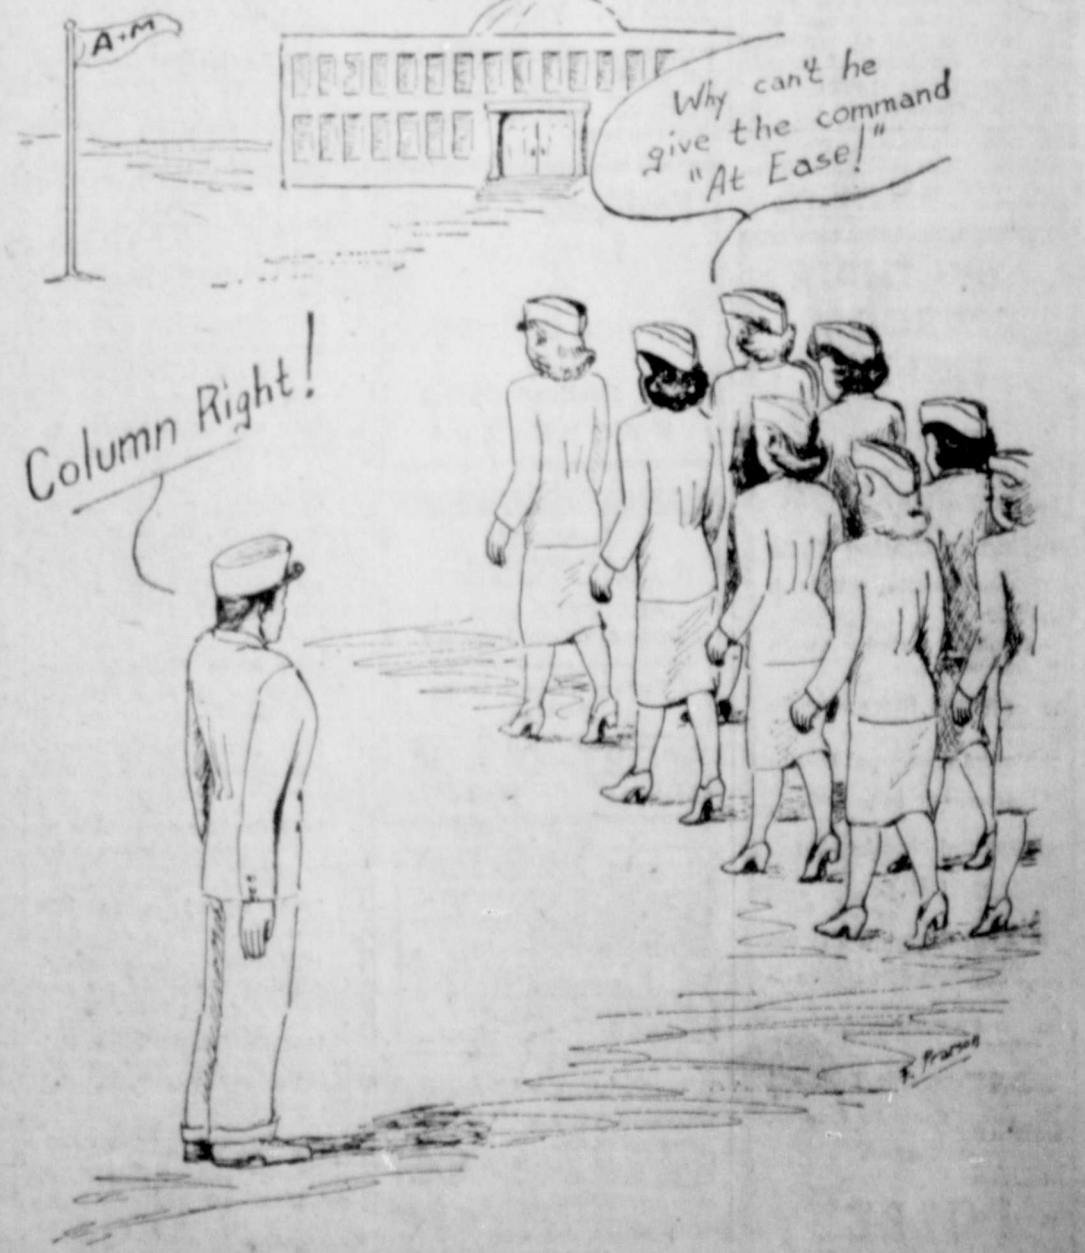

Recently arriving in Ranger to make their home are Mr. and Mrs. L. A. Adkins. The Adkins plan to be in the cafe business. They have come to Ranger from Lubbock. Children of the couple are Alicia Ann, 6 years and Billy Roe who is two years old.

A second couple is Mr. and Mrs. Glenn Herring who reside at 20 Terry Place. They have moved here from Brownfield. Mr. Herring is a student at Ranger College.

Ranger people will be glad to welcome these newcomers into church and community activity.

## Co-Ed Cadet Corps at A+M

NO REST FOR THE WEARY is foreseen by those who want no co-ed integration on the A & M FOR MEN ONLY campus. Could be wishful thinking. But then again sack dress styles may encourage in some young ladies a desire to develop brawn. If it's matrimony, these gals contemplate, that might be food for thought. Could be the boys don't want hurdles of courting removed.

## Christian Science

How spiritual understanding of God's law of harmony brings healing and redemption will be set forth at Christian Science service Sunday.

Keynoting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is the Golden Text from Jeremiah (17:14): "Heal me, O Lord, and I shall be healed; save me and I shall be saved; for thou art my praise."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (72:9-10): "Sickness, sin, and death, being inharmonious, do not originate in God nor belong to His government."

Scriptural readings will include the following (Psalms 33:4,5): "For the word of the Lord is right; and all his works are done in truth. He loveth righteousness and judgment: the earth is full of the goodness of the Lord."

Maternal grandparents are Mr. and Mrs. Nolan Stroud of Abilene. Paternal grandparents are Mr. and Mrs. W. H. Davis of Andrews.

Johnny is employed as make-up man at the Ranger Times.

## Ladies Meet for Bible Study

The ladies of the Merriman Baptist Church met Tuesday afternoon at 1:45 for their weekly Bible study. The opening prayer was led by the hostess, Mrs. Bonnie Rodgers.

Mrs. A. E. Dawson presented the devotional from the first chapter of Leviticus.

Refreshments were served to the following: Mmes. Jack Walker, C. J. Cole, G. D. Falls, A. E. Dawson, Ruby Ainsworth, J. W. Vinson and the hostess Mrs. Rodgers.

## Dutch Club Meets At King's Cafe

The Dutch Club met Wednesday morning at 8 o'clock in King's Cafe for breakfast and a short business meeting.

Mrs. Mae Weaver opened the meeting with a prayer. Mrs. Della Rushing, president, presided over a brief business meeting.

A box of food was brought for a needy family. The meeting was closed with a prayer.

The following were present: Mmes. Leona Arterburn, Maydie Ellis, Della Rushing, Virgie Edwards, Gussie Tankersly, M. A. Weaver and Eleanor Horton.

## Couple to Observe 60th Anniversary

Mr. and Mrs. Elbert Hill will celebrate their 60th wedding anniversary at their home Sunday, April 13, from 2 to 4 o'clock p.m.

## College Chorus Presents Program At Sorority Meet

The Rho Pi Chapter of Beta Sigma Phi met April 10 in the music hall of Ranger College. Miss Vivian Simmons, program leader for the day, introduced Al Lot-speich, dean of music at Ranger College.

Mr. Lotspeich and the college chorus presented a preview of the Spring Show which will be held April 17 in the college auditorium. They presented three songs from a cantata based on poems by Walt Whitman and set to music by Kleinsinger. One of the songs featured was "I Hear America Singing."

The group was accompanied by Mrs. Lotspeich at the piano.

Following the program, the members met in the home of Mr. H. H. Oliver for a business meeting. Miss Inez Harrell was co-hostess.

Arrangements of Easter lilies and a white styrofoam Easter rabbit was in the living room.

The meeting was opened with all members repeating the opening ritual in union. Mrs. D. C. Arterburn, president, presided over the business meeting.

The minutes were read by the secretary. The motion was made and approved to give \$5.00 to the cancer fund. The meeting was closed by all members repeating the closing ritual in union.

The following members were present: Mmes. Arterburn, Robert Bailey Jr., Dwayne Dennis, Barbara Campbell, Kenneth Hardy, Jack Sledge, Iris Hummel, Calvin Warren, Linda Forney, Jessa White, Misses Eva and Norma Mills, Simmons, Helen Dawley, and the hostesses.

## First Baptist Announcements

The officers and teachers of the Sunday school department of the First Baptist Church are looking forward to an increase in attendance in all departments of the Sunday school this Sunday, according to Sunday school superintendent, Rayneal Baze.

The attendance at the preaching services has been on the increase for many months. According to the pastor, "Easter service attendance was the largest in the past eight Easters."

The pastor will bring the morning message from the "Sermon on the Mount," Matthew 5:13-16. The theme will be "The Influence of Christian Leadership."

Training Union will begin at 7 p.m. with preparation already made for the continued increase in Training Union attendance.

At 8 p.m. following the worship in song and praise, the church will see pictures taken of the Baptist work in Africa.

Mr. and Mrs. Arnold Anderson of Mt. Pleasant spent several weeks in Africa last year and have a wonderful collection of picture slides. The Andersons are the parents of Mrs. Gene Legg, who with her husband and two children are serving as Southern Baptist Missionaries from Texas to Nigeria. Mr. Anderson is a first cousin to Mrs. Perkins.

Visitors and friends are always welcome at all services.

## Sunday School Class Meets With Mrs. C. C. Harris

The Grace Sunday school class of the First Baptist Church met Tuesday, April 8 at 7:30 p.m. in the home of Mrs. C. C. Harris for a social and business meeting.

Mrs. T. J. Anderson opened the meeting with a prayer, and presented the devotional on "The Spirit of Love."

Mrs. Lem Rushing, president, presided over a short business meeting. Mrs. Harris led the closing prayer.

Refreshments were served to the following: Mmes. Carl Eakin, D. C. Singleton, B. S. Young, Aaron Stiles, Frank Hicklin, O. W. House, Lem Rushing, T. J. Anderson, Earl Horton, and the hostess.

Correction

In the April 8 issue of the Ranger Times, the names of Mr. and Mrs. L. B. Reynolds were unintentionally left out of a list of members attending a social of the Young Married People's Class of the Nazarene church.

Check your coverage.

Many people carry "just a little" insurance just to ease their minds.

But insurance should really INSURE. In case of disaster, you want more than, say, a fifth enough or half enough to rebuild your house or pay off a damage suit or meet some other loss.

Many people forget that it would cost much more to replace their home and furnishings if they had a fire. Many people forget they may be sued for perhaps tens of thousands of dollars if they kill or injure someone with their car. Many people carry too little liability insurance.

Don't be half safe. Be completely safe with the right America Fore policies.

### Personality of the Week

The personality chosen for this week is Marvin Crawford, Jr. Known to his friends as "Buttons", he is very likeable and easy to get along with. He is the son of Mr. and Mrs. Marvin Crawford of Guthrie, Texas.

Buttons took active part in sports while in high school; he played football and basketball and was captain of both teams. He also played baseball and ran track. Other honors received while in high school were Most Popular Boy for two years and Class President for three years.

This capable young man is majoring in Business Administration at Ranger College. He is an earnest, hard-working student and is known for his self-reliance and dependability. He was chosen by the faculty to be represented on the Who's Who page in the annual Phi Theta Kappa, national honorary scholarship society. Buttons earned a letter in football as half-back and is a member of the "R" association.

He is a member of the Church of Christ.

After graduation at Ranger College, Buttons plans to attend Texas Technological College at Lubbock.

The assembly program arranged by Mr. David Allsup Friday, April 11, was a very enjoyable, colorful one. Entitled Spring Revue, it was provided through the courtesy of Mrs. Morris Newnam and her dance classes. A large number of guests, faculty members, and students attended.

The following program was given:

1. Dancing Violets, Jeri Jolly, Beth Hardy, Lynette Ellison, Teresa Lilly.  
2. Pink Ballerinas, Cassie Nelson, Roxie Lotspeich, Cindy Crawford.  
3. Scottish Lassies, Linda May, Dorothy Ann Oliver, Rita Theberge, Donna Hardy, Mary Ellen Wier, Nancy Newnam, Annabelle Ratliff.

After the dinner, pictures were shown of the Scottish Rite Children's Hospital in Dallas, and of the fifteenth anniversary celebration held in November.

Attending from Ranger were Mrs. Croom and Mrs. Roland Goodwin.

CARD OF THANKS

We wish to extend our appreciation and thanks to our friends for their many expressions of sympathy at the passing of our loved one.

The family of  
Mrs. Abigail White.

## Dorothy Grace Daws, Kenneth Lee Are United In Double Ring Ceremony

Miss Dorothy Grace Daws of Woodson, daughter of Mr. and Mrs. Turner T. Daws of Woodson, and Kenneth W. Lee, son of Mr. and Mrs. Jake C. Lee of Ranger, were married Saturday, April 15, in the home of the bride's parents.

Rev. Kenneth Hairgrove, pastor of the First Methodist Church at Woodson, officiated at the double ring ceremony.

The bride, given in marriage by her father, wore a gown of candlelight silk taffeta with a bodice of petit d'ange lace re-embroidered with cluster pearl detail with a wide Victorian decollete filled in with nude illusion and with taffeta wing-effect accents at the bustline.

The lace extended into the skirt in a cafe apron effect, and in back the skirt was caught in a butterfly bustle and extended into a deep train. She wore elbow length taffeta gauntlets, and a wide double circular illusion veil which extended to her waist in back and was caught to a calotte of shirred illusion with an edging of seed pearls. The bride's bouquet was a white orchid with feathered white carnations.

Mrs. Ben Daws of Denton, sister-in-law of the bride, was matron of honor.

She wore a pale pink lace ruffled dress with a taffeta cummerbund. She carried a colonial bouquet of white carnations.

Other attendants were Mrs. Charlie Daws of Abilene and Miss Debra Lynn Daws and Connie Gene Buckman of Lovington, New Mexico.

Jake C. Lee of Ranger, father of the groom, served as best man. Groomsman was Benjamin B. Daws of Denton, brother of the bride.

Following a brief reception, the couple left for a short wedding trip. They are making their home in the Gholson Hotel in Ranger.

## Things Seen and Unseen—

... are all paid for by the ultimate consumer. The farmer sells his bale of cotton for \$150.00 and we buy it back in cotton products for several hundred dollars. Same old cotton except the looks, design, color, wage, transportation, rent, storage, interest, commission, profit and taxes—many kinds of them. Like the bale of cotton, the abstract must bear its myriad of hidden costs but at that it is well worth the sales price for it is the basis of your title security and your protection against fraud.

(Continued from Page One)  
reduction of crude oil production, while the State's expenses have greatly increased and from a healthy balance four years ago, we now face a possible deficit of such proportions that a new tax bill of \$120,000,000 to \$150,000,000 (in addition to levies in the present law) is said to be required at the beginning of the biennium, commencing Sept. 1, 1959. This problem of financing an ever increasing cost of government without increasing taxes is impossible and should be seriously studied before any increase is made or new levies added.

Why not take a "look see" to determine if it is at all possible to stay within present state tax levies before we look around to see if we can find new sources of revenue that will up the tax bill as proposed to an all-time high?

To find new sources of revenue now slightly taxed or untaxed at all, poses a problem that can be solved only by an economically minded Legislative personnel with the thought in mind to add no new tax that can be dispensed with.

My friends, to be sure, the task of financing our State Government is a tremendous undertaking, but for a sure if the stupendous sum as proposed becomes a reality it will require the largest and most far-reaching tax bill ever enacted into law.

My stand on matters of economy, taxation and expenditures affecting the whole people is well known. My knowledge of state affairs, personal acquaintance with many of the personnel of each department, bureau, council or commission and their duties will be a great benefit in determining departmental need for increase or to make an all-out effort "to tighten the State belt a few notches," eliminate "political expediency" and appropriate and provide only really necessary money for State services, but little, if any, on the border line of wasteful or unnecessary spending.

The following matters I feel the people should know how I stand and which will benefit all the people. Same will have my best efforts to help make them the law of the land and be possible upon enactment of a fair tax bill as most of these proposals will require no tax what-so-ever.

**State Welfare Obligation**  
Provide necessary funds to give the Needy Aged, The Blind, Dependent and Neglected Children and those Totally Disabled, the sum of \$25.00 per month state money, upping same from the present figure of \$21.00 State money and when matched by Federal Grant, a total under Federal-State agreement of \$68.00 per month instead of the present top of \$60.00 per month. This small increase would certainly be of great help to recipients as just a few dollars means so much to each of them. I favor continuing the distribution of free surplus commodities to the

people as is now being done.

**Liquor Traffic**  
My stand on the liquor question and legalized gambling in any form is well known to most everyone, but to let all the people in this district know my views again on such for your record and information: I have always consistently opposed legislation for extending the boundaries of liquor and beer sales and re-instatement of horse racing or other forms of legalized gambling; and will continue to do so.

## Motor Vehicle Advalorem

## Tax Exemption

Exempt all motor vehicle from advalorem tax levy by the State or any subdivision thereof. This should be done as cost, use and operation-cost are taxed probably more than anyone necessity the people have, and too, such tax levied on motor vehicles are not generally observed alike, county, city or state-wide.

## Texas School Building Fund

Since our schools headquarter in Austin and are under direct supervision of the Texas Educational Agency, I believe the State, in all fairness, provide, set-up and under - write a "Texas School Building Fund" having for its purpose to build much needed school plants free of cost to all districts for most of them are so heavy burdened they are unable to make further necessary improvements, let alone erect any new buildings or to make necessary repairs on the old ones. Leave present bonded indebtedness to be liquidated by each respective district. If such a fund is set up then the contribution by the State to districts would be changed from the old formula of 20-80 to a more equal division (counting all school district plants which is not now done) of a 50-50 contribution by State and district. As a consolidation is now being done to eliminate schools not able to "come up to state required standards," building new school buildings and not using same but a few years would be eliminated and making a great saving by not building. And no bonded indebtedness would be involved, this proposal can be financed and included in an "ear marked tax bill" separate from any other, for the sole purpose of a "School Building Fund" to build school plants, "State-wide," and without a Constitutional Amendment. State aid must come or else Federal money must be accepted, if the latter, I lose control of our schools and instead of "headquartering in Austin," Washington D. C. will be the new headquarters, too, the Federal Government sets their flag down by contributions.

**Portion of Gasoline Tax to Incorporated Cities and Towns**  
I favor some plan that will grant to each incorporated city and town, a fair part of gasoline tax money, according to population and street mileage. This should be fair because a large majority of all motor vehicles are located in cities and towns.

**Car Registration Fees Re-Allocated**  
I favor retaining in each county 25 percent of motor vehicle registration fees which would include the 10 percent increase in fees passed at the last session of the Legislature, be allocated to the four county Commissioners Court precincts on a population and road mileage basis. Present allocation of registration fees to the several counties to remain as is.

**State Should Purchase All Road Right-of-Way**  
I favor some plan that would require the State, through the State Highway Department to reimburse the several counties for all money spent in securing Cardinal Highway Right-of-Way as well as Farm-to-market road right-of-way subsequently taken over and maintained by the State Highway Department.

## Farm-Ranch, Rural Benefits

I shall oppose any move to curtail the construction of, limit or discontinue our farm-to-market road program and any legislation that has for its purpose the realignment of County Commissioners precinct lines according to population.

Our forefathers were a wise group, made by necessity, but they worked out a plan to provide their present and later generation with proper education by setting up our Permanent School Fund, the proceeds of which were invested in interest bearing bonds going into the Available School Fund to be used as needed to build school buildings, employ teachers and carry on an educational program. I am for adding to this Permanent School Fund instead of transferring any part of it, emergency or not, interest on same to be used as our wise forefathers intended, and, I will support no measure to transfer any part of it. I favor adequate funds for our extension service and State forestry program, a more expanded animal health program and a strong State law to make it illegal "to sell live hog cholera virus."

## Judicial Re-Districting

Press reports and many members of the State Bar Association have indicated favoring State-wide Judicial Re-Districting Bill. I believe this should not only be done as an economy move but to relieve the case load in some districts, making an effort to balance the work that relief can be provided over-worked districts without the expense of adding the cost of new courts and buildings; I would not support or favor any "single shot" area change unless mutually agreeable to all interested parties in any county or counties affected.

## Teenage Question and Juvenile Delinquency

It is my opinion that we already have ample laws on our statute books to cope with this important and troublesome question, if properly enforced. I am sure the major part of teenage crime comes from neglect of home ties and lack of home supervision. I favor amending our present laws of parents' duties under the law, reduce teenage responsibility age and include more drastic penalties according to the attitude of the offender and gravity of the crime; making sure of swift punishment as facts warrant.

In conclusion, may I state, I am not of a vindictive nature; I have no enemies to punish or anyone special group to favor. I am humbly grateful to all for past favors in making it possible for me to have served you. For your vote and support, I pledge that I will honestly and faithfully stay on the job and serve you at all times in a manner I believe to be for the best interest of a majority of the people.

Heading the Committee Twenty-four are Representative L. DeWitt Hale of Corpus Christi and Senator A. M. Aiken Jr.

Texas are much indebted to these fine men who are so deeply concerned about public school education.

Charles H. Tennyson, Editor in Chief of the Texas Outlook, official organ of the Texas State Teachers Association, says, "Those who participate in this survey are helping to write educational history... the year 1958 will long be remembered as the year, Texas learned about their schools."

To mention some fine things available to our children: Many fine teachers, libraries with good fiction, science and the classics, free textbooks, school cafeterias, varied methods of teaching, visual aids, physical education, music, art, and progressive ideas.

Mrs. Joseph Perkins of Eastland, at an early date, will be supervising the tabulation of data learned by the 167 question survey.

A newspaper columnist was nearby (as newspaper men always are). The next day his syndicated column contained the news that the statute was affectionately dubbed "Oscar" by the Academy employees. Since then "Oscar" has never lost his lustre. He has grown in stature and significance, but his height remains 10 inches. He costs a \$100, but the winners would not sell him for a \$100,000.
