## Dimmitt Public Schools Ready To Open New Term Monday

## Fine Rains Visit County Placing Land In Splendid Condition

### GREAT YEAR IS IN PROSPECT HERE Dimmitt Faculty Members Who Will Teach Local Students

### MOISTURE HERE AMOUNTED TO .7

ALL CITY SCHOOLS TO OPEN MONDAY. STUDENTS REGISTER FRIDAY

School bells will again ring a joyous call to students Monday morning for the opening of the 1935-1936 school term of the Dimmitt Public Schools.

Optimism and enthusiasm is being displayed this year more than in several years over the approaching term as practically an entirely new faculty in the high school makes preparations for one of the best years in the history of the local school. Opening plans have been worked out and a definite progressive program for the year has been outlined to give the students and the community an improved and better affiliated standing. With one of the outstanding school plants in the entire Panhandle it is the desire of the faculty and school board to develop an educational institution which will be second to none in this section.

Seniors and juniors registered for work this morning and afternoon. The freshmen and sophomores will be registered Friday. The office will not be open for registration Saturday, but those who failed to register for enrollment this week will be given ample opportunity on Monday. All grade school enrollment will be held Monday morning beginning at 9 o'clock.

Superintendent H. P. Clemons cordially invites all parents of the students to visit the schools and become acquainted with the faculty members and the routine of the school.

#### School Calendar

Friday, Aug. 30, 10:00 a. m. freshman and sophomore enrollment.

Saturday, Aug. 31, 10:00 a. m. general faculty meeting.

Monday, Sept. 1, 9:00 a. m. grade school enrollment and textbooks issued to both grade and high school students.

Monday, Sept. 1, 11:00 a. m. general assembly in high school auditorium.

Boys' athletics will be stressed this year, under the capable direction of Coach Howard Batchelder and the full co-operation of students and parents is requested in giving Dimmitt a strong, winning football team. New equipment has been purchased and prospects are particularly bright for an outstanding eleven.

#### HART YOUTH DIES OF BLOOD POISONING AT LUBBOCK WED.

Dan, ten year old son of Mr. and Mrs. V. E. Bearden, succumbed to blood-poisoning Wednesday morning at a Lubbock sanitarium. The lad was injured several days ago when his foot was caught in a combine on which he was working. He was taken to Plainview where medical treatment was administered before being rushed to Lubbock after blood-poisoning set up.

Funeral services were held here today and interment made in the local cemetery.

The News joins with the entire county in extending its sympathy to the bereaved family.

Mr. Merle Baggett of Vernon is visiting relatives in Dimmitt.

Misses Joe and Norma Cowset and Thelma Jones spent Sunday in Tulsa.

Miss Ferrol Cox of Henrietta is visiting her sisters, Mrs. Chas. McLean and Miss Mayme Cox.

### Castro County Remains Dry In Spite Of Wet State Majority

#### ELECTION HELD GOOD INTEREST

#### CASTRO COUNTY 2-1 DRY DIS- PITE REPORTS TO CON- TRARY IN SUNDAY PAPER

In spite of the results as printed in the Amarillo Sunday News-Globe which reported Castro County as favoring the repeal of the Prohibition Amendment in Saturday's election, the result of the contest really turned out to be approximately two to one against the repeal, the exact vote being 197 votes favoring the amendment and 385 against any change to the present status.

Under the new regime it is likely that no particular change will be felt within Castro county, as it is the opinion of attorneys that local option will remain in force in the counties that indicated their preference to remain dry, although the state as a whole favored the repeal by some 55,000 ballots.

Considerable interest was manifested in the election Saturday as approximately one-third of the voters of the county cast their ballots in the election.

The results of the election in the county on the various amendments are given below:

The Old-Age Pension Amendment carried with a vote of 450 "for" and 157 "against".

Amendment 2, providing that the Legislature provide for the temporary commitment of mentally

#### TRAIN ARRIVES AT 10:20 AM UNDER NEW SCHEDULE NOW

Effective Monday of this week the Fort Worth & Denver train which now runs only on Monday, Wednesday and Friday, arrives in Dimmitt at 10:20 A.M. and departs for Plainview at 11:20 A.M.

The old schedule called for the arrival at 10:50 A.M. and departure at 11:50 A.M.

Cleve Tate and daughter, Miss Johnny Beth spent Thursday in Amarillo.

Mrs. Clinton Cox returned Saturday after spending a week in Plainview.

A. H. Hutchings made a business trip to Shamrock this week.

ill persons without necessity of a jury trial carried by a vote of 300 to 183.

Amendment 4 providing that amendments may be proposed at special sessions of the Legislature under certain conditions was rejected by a vote of 257 to 175.

Amendment 5, authorizing the courts to place defendants on probation was refused by a vote of 254 to 175.

The amendment to abolish the Fee System in counties of more than 20,000 population was sustained by local voters in a close decision 236 to 211.

The amendment to permit the use of Free Text Books to every child of scholastic age attending any school within this state was defeated by the narrow margin of seven votes, 286 to 279.

### 16 CREDITS FOR DHS GRADUATION

#### REQUIREMENTS FOR GRADUATION ARE SET FORTH BY SUPERINTENDENT

Sixteen units are required for high school graduation, fifteen of these must be solid subjects. The sixteenth unit can be made through what has been known as extra-curricula activities; football, basket ball, track, piano, voice, band, declamation, debate and other interscholastic league events.

The following subjects are required of all students for graduation: algebra I, plane geometry, general science or home economics, American history, civics, four years of English. This leaves seven and one-half units for each student to pick from a list of twelve subjects that are in reality electives, al-

### Castro Rural Schools To Open At Twelve Schools Monday

#### PRAIRIE CHICKEN HUNTING SEASON SEPT. 1 TO SEPT. 4

The County Clerk's office notified The News that the dates for Prairie Chicken season were from Sunday, September 1 to Wednesday, September 4, inclusive.

All hunters of this wild life will please make note of this announcement concerning the open season in the county.

#### CLEO SCHOOL STUDENTS TO ATTEND SCHOOL IN DIMMITT

The Cleo School will send all of its grades to Dimmitt this school year. A new bus of the latest type has been purchased by the school board of that progressive community to transport the students to and from Dimmitt in comfort and safety. The new bus is expected daily but in the event it is not delivered before the start of school, September 2, the board has made arrangements to transport the pupils until the new bus arrives.

Mr. and Mrs. Hulin of Lubbock, parents of Mrs. Lester Cooper arrived Tuesday for a visit in the home of Mr. and Mrs. Cooper.

gebra II, advanced arithmetic & trigonometry, ancient history, modern history, economics, speech, biology, physics, home economics II and III, bookkeeping, shorthand, and typewriting.

It is very probable that trigonometry will not be offered this year. The advanced arithmetic will be offered the last semester if enough students want it to suffice a class.

#### RURAL SCHOOLS BEGIN MONDAY

#### TWELVE RURAL SCHOOLS TO OPERATE IN CASTRO THIS YEAR SAYS CO. SUPT.

(By Percy Estes, County Judge)

There are fifteen rural schools in Castro County. Twelve of which will operate this school year of 1935-1936. Both Cleo and Mulky will send their entire scholastics to Dimmitt and Wise will transfer to Hart. All schools are standardized, five of which are independent districts.

There are thirty-four teachers employed in the county schools, with a total of 883 scholastics.

All schools, with the exception of one or two, will open for work September 2nd.

Nazareth District No. 4 has five teachers with 164 scholastics. The teachers are Sister M. Loretta, Principal; Sister M. Germaine, Sister Victoria; Sister Carmelita and Sister Charitas. They teach eleven grades and are working toward affiliation this next year.

Blueridge District No. 5 has only one teacher, Miss Lucille Hogue, and a scholastic total of 29. Miss Hogue teaches seven grades.

Arney No. 6 has two teachers, Miss Maurine Creed and Miss Alayne Creager, who teach from the first through the ninth grade, inclusive. Arney has 37 scholastics. Flag No. 7 has three teachers with 78 scholastics. These teachers, Earl Jones, Principal; Miss

CASTRO COUNTY RECEIVES BEST RAIN OF SEASON. WILL BENEFIT PLANTING

The most persistent drought in years was definitely broken in Castro County early Thursday morning when a drenching rain swept across from the northeast to bring precipitation varying from one-half to an inch and one-half throughout the county.

Very little wind accompanied the rain and little was lost as the fast drying ground drank the moisture. This was the best rain this section has received in several months and its general character will add a great deal to the benefit.

Row crops and gardens will receive a wonderful increased yield while the wheat lands of the county has been placed in excellent shape to receive the wheat planters. Drills will be put in operation just as quickly as the ground is dry enough to permit their use.

The extent of the rain over the local area included some twenty-five miles East, South to Plainview and North and West to the county lines.

Everyone is feeling pepped up and business conditions generally will feel the improvement immediately.

Catherine Oxford and the primary teacher teach the first eight grades sending the ninth, tenth and eleventh grades to Dimmitt. The primary teacher is yet to be employed.

Frio No. 10 has one teacher, Miss Koma Hyatt, who will teach seven grades. The eighth, ninth, and tenth are being sent to Hereford. Frio has 33 scholastics.

Easter No. 13 has two teachers, Miss Louise McClure, principal; and Miss Olene Ramey, who teach nine grades with 24 scholastics.

Rance No. 12 has employed Miss Celestine McDaniels who will teach seven grades. There are 26 scholastics. Rance has recently bonded and is contemplating erecting a new school building.

Bethel District No. 14 has employed two teachers, Miss Ethel Womble, principal; and Miss Helen Estes, primary teacher. They have 35 scholastics and teach nine grades Bethel has moved the school house and added an auditorium. The work will be completed in time for school to start.

Big Square No. 15 has ninety scholastics. The teachers are Geo. Graham, principal; Miss Roberta Allison and Miss Dora Bell. They teach seven grades and send the High School to Lazbuddy.

Hart No. C-1 has six teachers and 118 scholastics. H. G. Robinson, Superintendent; Frank Jones who formerly taught at Jumbo, Manual Training; Mrs. Heard, primary and three other teachers whose names are not known at the present time. Hart plans to affiliate all their high school work this year.

Jumbo No. C-2 has four teachers who teach eleven grades. Mr. Wilmuth, principal. Miss Thelma Holley, home economics; Miss Mildred Holley, primary and Mr. Myers, manual training. They have 58 scholastics.

Sunnyside No. C-18 faculty consists of Mr. F. Gallman, principal; Mrs. F. Gallman, Miss Opal Cross and Miss Eutha Barnett. They teach seven grades with 114 scholastics. Miss Lella Graham drives the bus which brings the high school into Dimmitt for instruction.

**DIMMITT SCHOOLS ON EVE OF GREAT YEAR**

Like many businesses and institutions which had made little progress for some time a re-organization was affected and an era of progress and prosperity was enjoyed most immediately. A change has been made in the personnel and direction of this little city's most important and its greatest institution . . . our public schools.

Faced with the task of selecting a capable faculty the Dimmitt School Board members have spent long steady hours in unselfish labor with only a united thought uppermost in their minds . . . that of giving the patrons of Dimmitt High School the best educational plant in the Panhandle.

We firmly believe this has been accomplished and that the Dimmitt public schools are on the eve of a great era of educational progress and expansion. A "new deal", as it were, is going to reward those fine gentlemen who compose the school board for the wonderful but thankless job of directing the destiny of the most important asset of the local community. A splendid man, fired with the true ambition and foresight of a learned educator has been placed at the helm of the good ship "Education". As Superintendent he has charted an interesting but difficult course to the ports, "Progress" and "Achievement". While the course is beset with innumerable snares and shoals of difficulties and disappointments, we feel safe within the hands of a courageous navigator who is capably assisted by a crew of splendid men and women.

Perhaps some of the less optimistic will point out that the skipper and the majority of the crew who will guide this great ship with its precious cargo of young life are new and inexperienced with the problems of the local field. We grant those their contention is true, in a sense, but we hasten to point out that each of the faculty crew have proven themselves capable in their former positions and passed the test with flying colors before the board members. They are fully trained to handle their posts of duty and their enthusiasm can be taken as an indication of the way in which they will handle their tasks. They have accepted the task and even though the course is new and beset with difficulties they have signed to assist the Superintendent in bringing the cargo of this community to a safe and successful port of advanced learning. At the same time work will be done on the local school ship to further improve the educational facilities of the local community.

The physical conditions all indicate a happy and peaceful voyage during the coming term. It is then up to us . . . you and I, to provide the proper co-operation and backing plus the co-ordinated assistance of the student body to expand and develop in this . . . Dimmitt's greatest educational era.

The News takes this opportunity to bid welcome to the new corps of faculty members. Dimmitt is happy and proud to have you . . . may you find your task pleasant and our city warm with appreciation and friendship. To the old members nothing more needs be said than . . . we are glad to have you with us again.

To the student body . . . we say . . . the success of the school year depends largely upon your co-operation with the educational program. You have possibly the best plant in the Panhandle . . . now give your teachers the best in you and Dimmitt's school year will be a great success. Forward, Dimmitt!

**WAS HER SUICIDE JUSTIFIED?**

The death of Mrs. Charlotte Perkins Gilman, who ended her life with chloroform, will undoubtedly do what she hoped, attract attention to suicide and cause much discussion.

Here was a woman, who had undoubtedly been a leader of her sex, having once been picked among the "twelve greatest women" of this country. In failing health for several years and facing certain slow death from cancer, Mrs. Gilman left a suicide note worth reading. She thus explained the motives behind her act:

"No grief, pain, misfortune, or 'broken heart' is excuse for cutting off one's life while any power of service remains.

"But when all usefulness is over, when one is assured of an unavoidable and imminent death it is the simplest of human rights to choose a quick and easy death in place of a slow and horrible one.

"The time is approaching when we shall consider it abhorrent to our civilization to allow a human being to lie in prolonged agony which we should mercifully end in any other creature.

"Believing this choice to be of social service in

promoting wiser views on this question, I have preferred chloroform to cancer."

Of course, there will be loud protests from many quarters and there is a hesitancy on the part of anybody in endorsing self-destruction. Even so, one who reads the message left by the woman cannot but note its simple brevity, its logical calmness and the satisfying ease with which she went into the Great Beyond.

**WILL ROGERS GOES**

The American public generally was stunned by the news of the tragic death of Will Rogers. Millions of people in this country read his daily comment on public affairs, in which humor and philosophy were mixed, saw him in motion pictures and heard him over radio programs. To these people Will Rogers was not considered a stranger but his friendliness and good nature had brought him close to their hearts. He was a remarkable man, deserving much praise for the splendid career which he made for himself.

TINA MAE WRIGHT

One of the most versatile young ladies ever to attend Dimmitt High School was Miss Tina Mae Wright who graduated with the class of 1935.

Miss Wright, daughter of Mr. and Mrs. E. B. Wright, began her splendid record in the early grades and was valedictorian of her class which graduated from the seventh grade. Was secretary of her Freshman, Junior and Senior classes, and won Salutatorian honors in her graduation year.

Not only did Miss Tina Mae rank high scholastically but also shone brilliantly in athletics. She was a member of the basketball squad her entire high school period playing on the teams which captured the State championships three times. For her work she was awarded three gold miniature basket balls as an all-star guard.

In other events she was winner of the county tennis singles title two years and of the county essay writing last year.

Miss Wright expects to enter Texas Tech this year.

## Board Expects Great Year

By W. E. KIRKPATRICK, Pres.

We, members of the school board feel that we have a wonderful corps of teachers employed and it is with pride and gratitude that we are able to open our school doors next Monday morning.

This school year will begin with great expectations, for we have splendid buildings and equipment, and as stated above, teachers in whom we have confidence are able to put over their work, and greatness of all—a student body—unexcelled anywhere.

Let us express our thanks to not only pupils of our school but to the patrons for your splendid cooperation in the past and we only ask that same spirit of co-operation in our coming school year.

Since the inception in America of free public schools it has been the aim of the American people not only to safeguard this institution, but to be alert to raise our standards with the progress of time, in order that our boys and girls might be able to enter the walks of life with self reliance.

May we all look forward and work for a greater school year during 1935-'36.

Mr. and Mrs. Cecil Hyatt spent the week end with Mrs. Hyatt's parents, Mr. and Mrs. W. O. Thompson, of Friona.

Mrs. Henry Stalcup and Mrs. Dilmond Neumayer spent Tuesday with Mr. and Mrs. Vernon McCulloh of Lubbock.

## EQUIPMENT IS IN SPLENDID SHAPE

EQUIPMENT AND BUILDINGS ARE IN SPLENDID SHAPE FOR GREAT SCHOOL TERM

Superintendent H. P. Clemons announces that all textbooks furnished by the state department of Education have been received also book covers, teachers registers and report blanks are available. Students will not encounter any trouble or be delayed in enrolling. The Board has been very busy the last several weeks in regular and called meetings establishing policies for the new school year and it is believed that everything is in splendid shape for a good beginning for the 1935-1936 school year.

Carl Baker and Paul Hembre are busy cleaning the buildings and grounds and repairing all the equipment. One of the outstanding improvements being made is new tables for the study hall. Arm chairs and desks are being resanded and revarnished where needed. This will add much beauty and comfort to the class rooms. The gymnasium floor will be sanded and varnished before the opening of the basketball season. A new floor for the entrance of the grade building is under construction. It is hoped that new window shades can be provided for the grade building. The budget allows for supplies and library for each grade. A plan to furnish more primary chairs and tables for the first grade is being considered. Exhibit boards in each room at the grade building will be provided in the near future.

## SCHOOL ATTENDANCE IMPORTANT

With the fine school spirit of this community and the exceedingly large number who have shown their willingness to support a program of education there is every reason to believe a promising school year is in the making. If we are to get the best advantages from this school year it will be necessary for every person concerned to begin with a genuine interest and a definite objective.

A definite objective or goal is always far ahead and should be thus to the end of our lives. He who overtakes his goal becoming satisfied with himself, then, has met with a great misfortune since progress stops here. "A satisfied flower is one whose petals are about to fall."

Educators and laymen alike through the ages have accepted the philosophy that school is a preparation for life. In the beginning of the Twentieth century John Dewey modernized this theory when he said, "School is not only a preparation for life but is life itself. No longer do we think of school as a place only to learn facts and 'crum' for examinations, a tiresome task that seems to the student to never end but rather we like to think of school as a place where accomplishments can be made, where work and play go hand in hand and joy is found in both."

More than one and one-half millions students are enumerated on the scholastic rolls in Texas, of this number approximately two hundred and fifty thousand will not enter the public schools this year and when reports are completed at the end of the year, the average daily attendance will show scarcely more than one million students for the school year 1935-'36. This one fourth to one half million students who should be in school are chiefly those who have been forced to drop school for various reasons and at the beginning of the next school year found that their classmates had gone to a higher grade. If you are not one of those who has lost a year through sickness or some other misfortune do not let that change your plans and ruin your chances at high school graduation, but resolve to enter school with the beginning of this school year and with the proper courage and determination on your part such obstacles can be overcome within a few short years.

## FOOTBALL PROSPECTS ARE GOOD

### "NEW DEAL" DECLARED FOR FOOTBALL. COACH SAYS PROSPECTS ARE GOOD

By Howard Batchelder, Coach

Football season is here again. Cool weather is just around the proverbial corner, bringing with it enthusiasm on the part of players and coach who are looking forward to a successful football year for Dimmitt High School.

Preliminary practice was called Monday and some score of prospective gridiron stars met at the high school gymnasium to get acquainted with Mr. Clemons, new Superintendent of Schools, and Mr. Howard Batchelder, Principal and athletic coach.

Superintendent Clemons spoke to the boys on the subject of co-operation between teammates as well as co-operation between athletes and the faculty as necessary for a successful school year in the various branches of athletics and a high standard of attainment in school subjects. Superintendent Clemons promised his whole-hearted support to the team and expressed his belief in the ability of the players good reputation to put forth every effort to make a winning team. Coach Batchelder talked to the squad for a few minutes on the subject, "The Difference Between a Winning and a Losing Team", in which he stressed the necessity of team work, sacrifice, a thorough knowledge of fundamentals, the value of proper conditioning, and the necessity of a real desire to play on the part of each and every candidate for a position on the team.

The aspirants checked out uniforms and spent an hour on the field practicing sprints, exercising leg muscles, and getting the feel of the ball. It is hoped that more boys will be out for practice before the end of the week. Many are undoubtedly waiting until school starts next Monday before coming out for practice. Part of those who would like to play are working at present and will be ready to join the squad next week. These first few days are of great value as far as practice is concerned for muscles are in poor condition and need gradual strengthening before hard scrimmaging.

suit thirty or thirty-five players. New pants, jerseys and shoulder pads have been ordered and will be here some time this week. What is needed now are players to fill this new equipment—players who are willing to give a little spare time, apply themselves to training, make a letter in football, and give Dimmitt a reputation for putting out a high school football team of hustling, hard-hitting, sportsmanlike players.

Come on fellows, whether you weigh 110 or 310 get in and do your best. Its your team, your school and your town—now make the most of it.

## LOCAL YOUTHS RETURN FROM PLEASANT TRIP

LeDell Lanham, Lee Fuller and Edwn Kimbell spent an enjoyable four-day trip to Abilene and vicinity. Traveling in a T-model the trip was no record breaker but was sure and negotiated with out any trouble.

The party left Dimmitt at three o'clock Thursday morning and the journey ended at the Grande Lodge in the city of Abilene. Friday was spent attending to business and pleasure. The business at McMurray College and the pleasure in a swimming pool. Camp was made in the State Park near Abilene Lake. Saturday morning found the boys hiking to the power plant where the city secures its water from the lake. After returning a grand time was had with speed boat rides on the lake.

Saturday afternoon and Sunday were spent on the return trip, each reporting a swell time and very tired.

Mrs. Cleve Tate and Mrs. Ellen Carter attended the Cowboy's Reunion of the T-Anchor Ranch near Canyon last week.

Miss Dorothy Blanton, Homer Blanton and Harold Blanton were Amarillo visitors Tuesday.

Ray Sheffey and son transacted business in Clovis Tuesday.

I am prepared to teach expression to children at my home.

If interested, please call on me as soon as possible before school starts.
