

City Mail Delivery Dependant Upon Patron Interest

THIS PONY AND SADDLE will be given away August 18 at the Dimmitt Rodeo performance by the Dimmitt Rodeo Association. Chances on the animal can be bought at \$1.00 each from any Dimmitt Rodeo Association member.

Officials Maintain Return of Questionnaires is Necessary

Survey determining city mail delivery advisability is currently being completed in Dimmitt. Deadline for submitting filled out questionnaires to post office officials is Saturday noon.

Seventy percent of the questionnaires must be returned to the post office before the survey is completed. Postmaster Ernest L. Davis emphasized that it is important for post office patrons to return the questionnaire whether it is filled out or not in order to wind up the investigation.

If sufficient interest is not shown in city mail delivery by Dimmitt citizens it will be several years before another survey is conducted.

It is important for unmarked ballots to be returned as well as marked ones, because the decision is affected by the total number of ballots returned. To date the percentage returned is not sufficient to indicate a healthy interest in the survey even through approval is indicated by ballots returned. Out of 850 questionnaires placed

in mail boxes only 388 have been returned to post office officials. Ninety four percent of the votes submitted up to date have been for city mail delivery service.

Decision of the post office department in the door-to-door delivery service is based on whether city residents desire and need the service.

City delivery service would mean that mail of all classes could be delivered to residence and business firms within the city limits where the streets are paved and the area is at least 50 percent developed.

In other words all homes within the city limits would be eligible for city delivery service. Increased postal rates would be on letters mailed in Dimmitt for local delivery. Price increase on local letters would be from three cents to four cents.

Post office inspectors indicated that Dimmitt is large enough to require two mail carriers. Mail will not be delivered on Sundays and holidays unless it is of special

delivery class.

"Congestion will be greatly alleviated at the post office if city mail delivery is adopted," Davis said. "However, this alleviation will have no effect on the possibility of Dimmitt gaining a new post office building." Davis said that he has been notified that new post office planning will be in progress here by June, 1963.

Outcome of the local post office investigation will be disclosed in two or three weeks the postmaster said.

If proposed plan of city mail delivery service is adopted the actual delivery will begin before the first of the year according to reports from post office officials.

Davis was informed by the post office department that the United States Post Office in Dimmitt can become a First Class Post Office as soon as adjusted gross receipts reach the \$40,000.00 mark. At present, adjusted gross receipts from June 24, 1961 to June 22, 1962 in Dimmitt was \$34,781.00.

HEAVILY DAMAGED CAR AND GARAGE resulted Tuesday morning as a 1960 Ford driven by Lillie Jones slid out of control as she attempted to dodge a vehicle legally crossing the lane of traffic. The accident occurred on Highway 86 at the Jack Summers home. Investigating officer W. W. Jones estimated total damage at about \$1,000. Examination of the skid marks, which were over 200 feet indicated that the Jones automobile was traveling at excessive speed, officers said.

CofC Sets Policy On City Holidays

Castro County Chamber of Commerce decided Friday at a board meeting to set a definite policy for city merchants closing in observance of national holidays.

Local Chamber of Commerce manager, Eddie Coltharp said the following holidays should be observed by local firms: New Years, Christmas, Thanksgiving, Labor Day, and July 4.

Memorial Day is the only national holiday local merchants are not asked to observe by closing the stores.

"Posters are presently being prepared for distribution in city firms to display the holidays the store will be closed," Coltharp said.

May 23 - - - Last day classwork-31 days
May 24 - - - Commencement 8:00 p.m.-90 days

Prisoners Try Burning Dimmitt City Jail

Two Mexican men, Johnny Fin-tuez 18 and Raymond Garcia, 19 arrested Saturday night for drunk and disorderly conduct plead guilty to the charges of attempting to burn the city jail and fighting an officer according to City Marshal W. W. Jones.

Jones said he returned to the jail about 12:30 a.m. for a routine check on prisoners and found the jail full of smoke and the two prisoners unconscious from breathing the fumes.

Jail was unharmed by the attempted fire but a mattress and some quilts were burned according to the officer's reports.

City Marshal Promises Vigilance In Checking on Parking Violations

"Parking violations in Dimmitt are getting entirely out of hand," City Marshal W.W. Jones said. "Two hour parking signs are ignored completely by most Dimmitt people," Jones added, "and we are going to crack down on them."

Jones said that violation of the two hour parking signs are certainly not the only violations which occur in Dimmitt. "People just stop the cars side by side, blocking two lanes of traffic on any city street and proceed to talk and jam traffic up without the least consideration for the other fellow," the

Marshal explained. Some people even have the nerve to stop for a conversation under the traffic light when it is green, Jones pointed out.

Jones said downtown alleys are blocked all too frequently by inconsiderate persons parking vehicles in them.

Jones said local officers are going to carry out measures which they think will be effective in controlling the city parking problem. "We have to do something to correct these hazards before someone gets killed," Jones concluded.

Funeral Services Conducted For Mrs. Cantrell

Funeral services for Mrs. Rosa Eunice Cantrell were conducted in the Bedford Street Church of Christ Saturday under the direction of Dennis Funeral Home with the local minister Marion McKinney officiating.

Death occurred Thursday in Amarillo resulting from a heart attack. Mrs. Cantrell was born February 8, 1898 in Cook County Texas and was 64 years of age at the time of her death.

Mrs. Cantrell who moved to Dimmitt in August, 1959 from Bowie, is survived by her husband J. O. Cantrell, Dimmitt; one daughter, Mrs. H.M. Morrison, Dimmitt; three grandchildren; and two brothers, W.A. Lemons, Temple City, California; and H.N. Lemons, Riverside, California.

Farmers Urged to Participate in Growing Grain Sorghum Marketing

"Demand in foreign countries for feed grains produced in the United States is growing daily. Grain sorghum farmers will not, however, share fully in this new demand unless they step up efforts for recognition of their product in the market places, in tax and duty discussions and in foreign trade policy sessions," said Bill Nelson, Executive Vice President of the Grain Sorghum Producers Association, headquartered in Amarillo. Nelson recently spent a month in Europe analyzing the situation and participating in a World Feed Grain Conference in Rome, Italy.

Nelson, however, pointed to the great strides which have already been made in the direction of increased foreign markets for area grain sorghums, which leaped from near none in 1955 when promotion programs were started, to 1/4 of the national crop now. There still, he said, remain many restrictive duties, outdated license practices and

lack of nutritive understanding about grain sorghum in many countries. England, for instance, has a 10 per cent ad valorem tax on sorghum which isn't levied on corn from the U.S. or other areas. As a result, the day he was at the Liverpool Grain Exchange, "milo" was quoted as a dollar a ton higher than corn, in spite of the considerably lower price to sorghum producers here as compared to corn.

As a result, U.S. milo going into England plunged from a record 394,000 tons in 1960 to a low of 42,000 tons in 1961. Both U.S. corn and Argentine milo imports increased during that period in England. Probably the most spectacular result from local farmer efforts through the Grain Sorghum Producers Association has been in Japan. Feed Grain Council director, Bill Hattori in Tokyo, reports Japan as moving from zero imports of milo when promotional work was started three years ago, to an expected 500,000 ton level in 1962.

Public Notices

Dimmitt Cub Scouts have scheduled a Pine Wood Racing Derby for 4 p.m. Saturday. Scouts and families are asked to bring a basket supper for the occasion. Cold drinks will be furnished by scout authorities.

Cub Scouts will race soap box derby cars they have constructed. There will be a Chicken-fry Friday at 8:00 p.m. July 13 at the Flagg Community building. Bring fried Chicken, a vegetable and dessert. Drinks will be furnished. Everyone is invited.

Pioneer Gives Its Side of the Story In Irrigation Gas Rate Controversy

(ED NOTE: The following letter to Mr. David Burgess who is president of the Plains Irrigation Gas Users Association was written by C. I. Wall, Pioneer Natural Gas representative in reply to a letter from Mr. Burgess who was proposing a reduction in gas rates that would still allow the company a 7.2 return base on "fair value." A story concerned with these proposals appeared in the June 14 issue of the Castro County News.)

Mr. David Burgess, President Plains Irrigation Gas Users Association P.O. Box 473 Tullia, Texas
Dear Mr. Burgess:

Acknowledgment is made of your letter dated June 8, 1962 and received by us on June 13, 1962 wherein you propose that the rates charged for irrigation gas service by Pioneer be reduced in the high consumption brackets and incorporated in a five-year contract.

You state in your letter that the proposed rates would provide a return of 7.2 per cent on "fair value." We do not agree. Our rate consultants have made a test of the rates proposed in your letter. They found that the rates proposed by you fall far short of providing this rate of return on the fair value of facilities realistically and properly al-

located to irrigation service. Previously, Mr. S.C. McIntosh, who recently retired as Director of the Public Utilities Division of the Railroad Commission of Texas, had advised that the allocation of facilities and expense to irrigation service should be considerably more than the amounts used by you in arriving at the rate of return quoted in your letter.

It is evident that the real benefit of your proposed rates would be only to large users. The last two brackets of the proposed rates are below the cost to us of a large volume of gas we purchase for irrigation service and the sale of such gas would result in a direct loss that would, of necessity, be borne by smaller irrigation users.

You also state in your letter that the Railroad Commission has never allowed more than a 6.5 per cent return on fair value. As you know, this rate of return has been applied to domestic and commercial service. The Railroad Commission has never determined a rate of return applicable to irrigation service but it most certainly would be commensurate with the risks involved and one that would provide sufficient return to attract adequate capital for expansion and improvement of service. To quote Mr. McIntosh, "A business supplying in each year an indeter-

minate and greatly fluctuating demand and supplying such demand for a number of years which cannot be determined due to the probable partial or complete exhaustion of a natural resource and possible future economic changes in competitive positions is subject to greater risks than normal utility service and in my opinion is entitled to a higher Rate of Return."

Through the years Pioneer has worked closely with the farmers in our service area in a sincere effort to furnish them a more economical fuel than was otherwise available. All requests for the extension of our facilities have been thoroughly investigated and honored, if at all reasonable. The job of supplying and delivering gas for irrigation service, which often has a very radical change in demand from one day to the next, requires extreme flexibility of facilities and operations—very much different from the handling of domestic and commercial service. The risks involved in the wide fluctuation in requirements from year to year are borne by Pioneer since there is not the compensatory annual minimum which is often charged by others. It is only reasonable and right that the earnings from irrigation should be sufficient to cover the risks incurred.

I have hoped that representatives of Pioneer and the Directors of your Association could sit down together and work out our common problems as was done with many of our irrigation customers in providing gas service to their wells, and, as is being done today, to provide service to wells and areas not presently served.

Your representatives have stated to us that our rates are too high for irrigation service and are too low in the cities we serve. As I stated to you and your Directors, it has been and will continue to be our policy to provide dependable gas service to our customers at reasonable rates and we are confident that our present rates for irrigation service and to other customers are fair and reasonable.

Last Rites For Juan Reyes Held In Dimmitt Church

Funeral Mass was conducted Friday in the Immaculate Conception Catholic Church in Dimmitt for Juan Reyes, 45 by Rev. Raphael Chen pastor of the church.

Reyes was born July 1, 1917 in Old Mexico and is survived by his mother Mrs. Martina Reyes, two brothers and ten sisters.

Burial was in Castro Memorial Gardens under the direction of Dennis Funeral Home.

OPEN HEART SURGERY will be performed Monday on R. H. (Red) Ewing (left foreground). Needed in the replacement of two damaged valves are about twenty pints of blood given Monday by the fifteen men in the photo and by other men not shown. Those who contributed to the blood donations are: Merton Powell (left next to Ewing), Jerry Turk, Luther Follis,

Edward Ewing, (left to right second row) Leonard Dempsey, H. N. Ewing, Robert Yates, David Behrends, Alton Bates, Houston Ewing, Dale Carmichael, (left to right third row) Don Scarborough, David Adams, Dewayne Adams, and Blake Adams. Not shown are Clarence Behrends, Hereford, Billy Williams, Hereford, Jim McCabe, Hereford. Ewing is entering St. Paul Hospital, Dallas, Wednesday for pre-surgery preparation.

ONE HUNDRED DOLLARS presented to Elbert Smith (center) president of Bethel Community by Earl Brock (left) and Charles Hottel (right) is for 1961-1962 outstanding community improvement in District one, the area which includes communities throughout the panhandle. Community improvement program is sponsored by electric utility companies of Texas represented by Earl Brock and by the Agricultural Extension Service represented by County Agent Charles Hottel. —Cowen staff photo

Lightning Kills Laborer On Springlake Farm

Ricardo S. Robles, farm laborer on the Ronald Cleavinger farm near Springlake was struck and killed by lightning Tuesday.

Lightning which killed Robles also struck his wife Francisca, who was knocked to the ground and not seriously injured.

Teenage daughters of the couple, Maria Elena and Norma Jean were working in the field a short distance away.

CALIFORNIA VISITORS

Mr. and Mrs. L. D. Rosser and family from Eureka California visited over the week-end with her sisters Mrs. M.F. McRee and Mrs. Marvin Mundell and family.

Swisher County Rodeo Set for July 14-16-17

Swisher County Picnic and Annual Rodeo July 14-16-17 in Tulia will be highlighted Tuesday July 17 beginning at 7 a.m. with a fly-breakfast, Little League All Star baseball game, Sky Divers performance, barbeque, fiddler's contest, beard contest and parade.

Nightly there will be a rodeo dance from 9-1 p.m. Music for the dance will be presented by Jimmy Mackey and his Western Swing Band at the Swisher County Fair Barns.

Both the Dimmitt Junior and Senior riding clubs will ride in the parade in Tulia.

HOME ON LEAVE

Raymond Lynn West is on a 30 day leave from the Yorktown ship anchored at Long Beach California. He is home visiting his parents and friends. West will return July 23.

Miss Hazel Rogers and Curtis Green Exchange Vows in Evening Ceremony

Mr. and Mrs. Curtis Palmer Green are at home at 915 E. 36th St. in Lubbock after their marriage at 8 p.m. Saturday June 30, in the First Methodist Church of Dimmitt.

The Rev. Hugh Blaylock, pastor of the church, officiated at a double ring ceremony.

The former Miss Hazel Maurine Rogers is the daughter of Mr. and Mrs. R.D. Rogers, and the bridegroom is the son of Mr. and Mrs. J. Logan Green, Sudan.

Given in marriage by her father, the bride wore a gown of French lace over delustered satin. The fitted bodice featured a scalloped Sabrina neckline and long tapered sleeves. A panel of lace accented the front of the full-length skirt which flowed into a chapel train. A fingertip length veil of illusion fell from a headpiece of lace and satin.

The bridal gown was designed by the bride and fashioned by her mother.

The bride carried a bouquet of white roses and stephanotis atop a white Bible highlighted by two talisman roses which were presented to the mothers of the couple at the beginning and conclusion of the ceremony.

An aunt of the bride attended her as matron of honor. She is Mrs. T.J. Wooten of Lubbock. Other attendants were Miss Lynda Barlow, Mrs. Jerry Noble, sister of the bride, both of Lubbock and Mrs. Lee Jones of Dimmitt. A junior bridesmaid was Rhonda Wooten Lubbock, cousin of the bride.

The attendants wore dresses of apricot batiste with fitted bodices and bouffant skirts. Tangerine and white embroidered batiste bolero jackets completed the dresses. Matching headpiece of apricot tulle were worn, and each added a single strand of pearls and white gloves. Single long-stemmed talisman roses were carried.

J. C. Snitker, Enochs, brother-in-law of the bridegroom was best man. Groomsman were Steve Green Lubbock; Jimmie Green, Canyon; brother of the bridegroom and Will Speck, Lubbock brother-in-law of the bridegroom. A junior groomsman was Tom Martin, Dimmitt. Ushers were James Rogers brother of the bride, and Billy Jack Warren, both of Lubbock.

Candlelighters were Janie McDermitt, Lubbock, and Linda Gibson, Lubbock, cousin of the bride. Mrs. Keith Howard accompanied Mrs. Bobby Kaerwer of Lubbock in wedding solos.

A reception was given in the Fellowship Hall of the Church. For travel, the bride chose a two-piece apricot suit with white accessories.

The bride is a graduate of Dimmitt High School and attended Draughon's Business College and Texas Tech. She is now a receptionist at the Texas Highway Department.

The bridegroom is a graduate of Bula High School and is a senior horticulture major at Tech. He completed a tour of duty with the U. S. Army in April.

He is currently employed by the Pioneer Natural Gas Company.

Seventy Enter Swisher County Beauty Contest

Seventy high school age girls have entered the Miss Swisher County contest set for 8 p.m. Thursday in the Tulia High School auditorium under the sponsorship of the Tulia Literary Arts Club.

Each girl represents a Swisher County merchant.

Judges for the parade of evening gowned beauties will include Ruth Brent, KGNC-TV personality, and Roberta Rose, a former Conover model, both of Amarillo. Ralph Wayne of Plainview, former KFDA TV newscaster, will be master of ceremonies. Entertainment will be provided by local talent.

Winner of the title will lead the annual Picnic Celebration parade July 17 and participate in other special activities.

A kiddie revue has been arranged by the club for 4 p.m. Thursday in the auditorium with the winners being crowned little Mr. and Miss Swisher County. Pre-School age boys and girls in the county are invited to enter. The tiny tots selected will also ride in the Picnic parade.

Admission prices for each program are 50 cents for adults and

Local Family Tours Europe

Fred Bruegel, local farmer and owner of Bruegel & Sons Elevator and his family left Monday from Hereford on the train to New York City where they will board the S.S. United States Thursday for an extended tour of Europe.

Bruegel, his wife Jaunita and two children, Sandra and Michael are accompanied on the three-month's vacation by Wynema Fulfer, daughter of Mrs. Bradley Fulfer, Dimmitt.

Time prior to their departure for Europe will be spent in New York City sightseeing. Bruegels and Miss Fulfer are scheduled to arrive in Laharve, France July 17. From Laharve they will proceed to Paris where they will stay in the Astor Hotel.

Bruegels have not yet made a definite schedule of tours following the Paris stay. However, they have planned to see 13 different European countries. Also on the agenda are visits with Bruegel's relatives in Germany.

Transportation in Europe will be done by the use of Eurorail Tickets which enable tourists to travel pre-paid on any train, steamship, or ferry throughout Europe.

The Dimmitt group plans to return to the United States possibly on a foreign liner by September 23.

Air Conditioning experts agree... WATER cooling is BEST!

Youngsters learn mighty early about the cooling effect of water when the weather's hot. And air conditioning engineers know that water cooling is far more efficient than air cooling. The reason is simple . . . 85° water can absorb more heat from your home than 100° air.

That's why ARKLA-SERVEL Sun Valley's GAS air conditioners are WATER cooled! Water cooling, plus Sun Valley's "no moving parts" principle, gives you two big advantages unavailable with other air conditioners. One, a Sun Valley gives you CONSTANT EFFICIENCY, while air cooled units lose as much as 15% efficiency. Two, Sun Valley operating COSTS REMAIN CONSTANT, while air cooled equipment operating costs rise as much as 23%.

KING-SIZED FILTER
Sun Valley's double filtering capacity STOPS ALL HOUSEHOLD ODORS! It even tames cigar and fish odors, giving your home Spring-like freshness all year long.

NO MOVING PARTS
... in the heating or cooling cycles of the Sun Valley . . . nothing to wear out or break down! Sun Valley is year-around comfort for the mortgage life of your home!

CONSTANT EFFICIENCY
Sun Valley has no comfort-robbing friction to run up your operating costs. It doesn't cost a penny more to operate the Sun Valley for an hour when it's 115° than it does when the temperature is 90°.

SUN VALLEY ALL-YEAR AIR CONDITIONER

We Reserve The Right To Limit Quantities

LETTERS TO THE EDITOR

Dear Sir,

Through you, we would like to thank the Dimmitt community who housed and entertained us Traveling American Field Service exchange students with such friendliness and warm hospitality just two weeks ago.

For all of us I think the street dance was a great novelty, but for most of us the best memories are reserved for the horse riding the next afternoon. But there were other things too that meant a lot to us; being invited to accompany our hosts to church, and being offered the use of the high school swimming pool, and being allowed to use the American Legion hall that night.

We have almost reached our last stop in the United States, and are looking back over our trip right across the country. It is people who are important in the American Field Service, and the contacts we

have made during our trip, in communities like Dimmitt, are the things that make this program the success it is.

We would all love to return to the United States some day, but, even more, we would love to reciprocate to you wonderful people in our own countries abroad.

Thank you from all of us.

Sincerely,
Penelope Gering

Bedford Smith Recounts 39 yrs. In Ministry

Minister Bedford W. Smith of the First Christian Church here, preached his first sermon thirty-nine years ago Sunday, July 15th, in his home town of Mabank, Texas, one year after his graduation from High School there in June of 1922. His Sunday sermon at the Christian Church on this July 15th at the 10:50 a.m. service will be based on the same Scripture from which he prepared his first message after he had trained one year in Bible College of the Bible at TCU. After two years of student preaching at Azle, Glen Rose and Brazos, Texas, and supplying occasionally at other points, Mr. Smith served full-time churches at Smithville and Uvalde, Texas before returning to Ft. Worth to be the second minister of what is now Polytechnic Christian Church there while attending the Bible College again. Later after a ministry with various West Texas Christian churches, he returned again to study at the Bible College of Phillips University where he earned the A.B. Degree.

From a ministry with First Christian Church in Sweetwater, Texas, Minister Smith entered the Chaplaincy in 1942 during World War II and served in the South Pacific, earning five bronze battle stars from the U.S. and Philippine Republic. After his return home he completed a three year B.D. graduate degree at Phillips while serving Texas Churches at Clarendon, Shamrock and Memphis, Texas. In addition to the First Christian Church here which he organized in February of 1960 and serves as its minister, he is Chaplain of both the VFW and American Legion, and is the Boy Scout Committee Chairman for the Lions Club of which he is an active member. The church located on Western Circle while yet small has made good gains, and owns its present property clear of all indebtedness.

Bible School attendance has consistently averaged more than the church membership. Improvements in the property are made with a fair degree of regularity. His Sunday sermons will be entitled "Escape From the Corruption of the World" at the 10:50 a.m. hour. At the 6:00 p.m. service he will present a message on "Remember the Words of the Holy Prophets." Both messages are from 2 Peter and except for sermons on John's Revelation to come later, they complete a series on all sixty-six books of the Bible. On

Wednesday evening at the Family Hour, 7:45-8:45 p.m. the minister is leading in a verse by verse discussion of Revelation, now in chapter two. The Bible School is at 9:45 a.m. and open to all, with a special invitation to any unchurched in Dimmitt or its vicinity, stated Minister Smith as he begins his thirty-ninth year in the Christian ministry, including his student ministries.

accessories were white. They carried cascade arrangements of white glads.

Flocks of the flower girl and ring bearer were fashioned similarly to those of the attendants. They wore white accessories and white carnations in their hair.

Darless Goolsby of Dimmitt attended bridegroom as best man. Groomsman was Jack Thompson also of Dimmitt.

Candlelighters were Mrs. Ben Holcomb of Lubbock and Jim Murff of Roby, Texas.

Ushers were Stanley Nelson, Mack Thompson, Kenneth Frye, and Bruce Odum all of Dimmitt.

Guests were entertained at a reception immediately following the ceremony in the fellowship hall of the First Baptist Church. In the houseparty were Miss Diane Burton of Kress, cousin of the bride, Miss Geanne Gandy of Tahoka, and Miss Carlene O'Briant, sister of the groom, who registered the guests.

For travel the bride chose a suit of powder blue silk shantung with matching pill box hat and gloves. Her accessories were white and for a corsage she wore a white orchid from her bridal bouquet.

Mrs. O'Briant is a graduate of Dimmitt High School and attended Texas Tech. Mr. O'Briant also graduated from Dimmitt High School and is engaged in ranching in Vian, Oklahoma.

After a wedding trip to points in New Mexico the couple will be at home in Vian.

Candlelight Ceremony Solemnized For Miss Kay Carpenter, Leeroy O'Briant

In a candlelight ceremony at the First Baptist Church Friday evening June 29, Miss Marilyn Kay Carpenter became the bride of Louis Leeroy O'Briant.

Parents of the couple are Mr. and Mrs. J. O. Carpenter of Rt. 4 Dimmitt and Mr. and Mrs. Nolan O'Briant of Rt. 1 Vian, Oklahoma.

Rev. M.A. Smith, pastor of the First Baptist Church performed the double ring ceremony. Vows were exchanged before an altar framed by an arch which was entwined by emerald greenery, coral gladioli and satin bows. Baskets of coral gladioli, spiral and branched candelabra bearing coral tapers and satin bows were placed on either side of the arch.

Father of the bride, J.O. Carpenter, gave his daughter in marriage. She was attired in a formal gown of embroidered silk organza and slipper satin. The molded bodice featured long sleeves which tapered to points over her hands with a modified scalloped sabrina neckline. The three tiered skirt of silk organza formed a chapel train and was fashioned with a satin overskirt accented with a satin rose, seeded with pearls. Her shoulder-length veil of illusion fell from a pill box organza, seeded with pearls. The bride's dress and hat were original designs by her mother, Mr. J.O. Carpenter. She wore

the traditional blue garter, a gift from a friend, Miss Charlene Vaughan, for something blue. For something borrowed she carried a white Bible belonging to her sister. Both of her sisters carried the Bible at their weddings. For something old she carried a handkerchief belonging to her grandmother who is now deceased.

A crescent arrangement of stephanotis, white glads and calla lilies centered with a white orchid and enhanced with tulle and white satin streamers which the bride carried on a white Bible, completed her wedding attire.

Miss Mona Dell Hunter played traditional organ wedding music and accompanied Carl Preston of Denver, Colo., and Bryce Dowell of Dimmitt in appropriate selections.

Bridal attendants were Mrs. Carl Preston of Denver, Colorado and Mrs. Bryce Dowell of Dimmitt, both sisters of the bride.

Flower girl was Melony Dowell of Dimmitt in appropriate selections.

Flower girl was Melony Dowell of Dimmitt and LaNette Autry was ring bearer, also of Dimmitt.

The matrons of honor wore street length sheath dresses of picardy, fashioned with petaled overskirts of silk organza. They wore matching hats with short veils and their

Push-Button War On Johnson Grass

ORTHO C-56 Johnson Grass Control is right on target. Soaking through the waxy coatings of the leaves and shooting to the root, it turns plants brown while you're in the field.

With the new Ortho gravity hand sprayer, just a press of your thumb gives you the easiest control of Johnson Grass you've ever had. And because of the applicator's deadly aim, there's much less risk of injury to cotton.

C-56 increases tremendously the penetration of kerosene or oil, both into young shoots and older plants of Johnson Grass... even under adverse weather conditions. And it will not sterilize the soil.

So don't wage a losing battle with Johnson Grass. Just press the button and knock it out—with C-56 and the Ortho gravity hand sprayer.

Bethel First in District Community Program

Winner of the 1961-1962 District One Unified Community Improvement Program of Texas was Bethel Community located west of Dimmitt.

Albert Smith, president of Bethel Community, was presented with a \$100 check Friday night by Earl Brook, local representative of Texas Utilities and by Charles Hottel, county agent and local representative of Texas Agricultural Extension Service. Electric utility companies of Texas and Agricultural Extension Services sponsor the annual program designed to promote better and more efficient Community improvement projects.

Bethel Community entered the improvement program in April 1961 and completed activities in March 1962 with about twenty community-wide accomplishments. Repair work done on the community building includes painting, heating system repair, new door locks, new water system, new seat-

Your huddled masses yearning to breathe free,
The wretched refuse of your teeming shore,
Send these, the homeless, tempest-tossed to me;
I lift my lamp beside the golden door."

Do you remember the words of Col. Travis, in the letter he wrote for help when the little band in the Alamo was besieged by Santa Anna's soldiery? I think Col. Travis was eloquent in the language of Americanism, when he penned these words: The enemy has demanded a surrender at discretion, otherwise, garrison are to be put to the sword, if the fort is taken—I have answered the demand with a cannon shot, & our flag still waves proudly from the walls—I shall never surrender or retreat. Then I call on you in the name of Liberty, of patriotism & everything dear to the American Character, to come to our aid, with all despatch."

Today, we look to our own leaders and to all responsible people to work for settlement of world problems without world war. But our celebration of Independence Day should serve as a reminder to the world that we treasure what we have, and plan to hold on to it—as we have in the past—at all costs. All of this heritage is a part of Americanism, too.

I think the dream is best expressed to me by Walter Lippman, who wrote: "America has always been not only a country, but a dream. There has always been a general and unquestioned belief that here on this soil there would be demonstrated to mankind the blessings of freedom: as the shackles and servitudes of the past were put away, there would arise a great and glorious society."

Fellow Texan, it's our task to add to that great and glorious society.

Olton Girl Is Shower Honoree Here

Miss Ellen Jones, Olton, bride elect of Don Gregory was honoree at a tea and shower in the home of Mrs. Goodwin Miller Tuesday. Mrs. Miller greeted the guests and presented them to Mrs. Jack Gregory and Mrs. Eual Jones.

Guests were registered by Mrs. Jack R. Miller. Cookies and fruit punch was served by Mrs. Earl Harrison from a table covered with crystal appointments.

Centerpiece was covered in white embroidered linen with crystal appointments.

Co-hostess were Mesdames Marion McKinney, H. H. Carlile, Ward Golden, Woodrow Killingsworth, Mary Rice, Homer Newton, D. Neu mayer, J.W. Birdwell, Ivor Bagwell, Earl Harrison, Jack R. Miller Truvis Campbell and Carlos Calvert.

Out of town guests were Mrs. A. O. Gregory, Mrs. Ava Gibson, Mrs. Owen, Paula Owen, Carla Granbery all of Olton. Also Mrs. Larry Marshal, La Mesa, and Miss Terry Wheeler, Abeline were present.

MOVES TO AMARILLO

Rt. N. Tulla, now lives at 4009 Mon- Mrs. Charles Hack formerly of roe in Amarillo, Texas.

Mrs. Buster Cooper Speaks to Milady Garden Club

Mrs. Buster Cooper was guest speaker and instructor at workshop day of Milady Garden Club meeting Tuesday afternoon.

Fundamentals of flower arranging pointing out proper balance, color, contrast and forms were given in her discussions.

Mrs. Cooper also gave individual instruction to aid in making flower arrangements for the annual flower show.

New officers for the coming year were elected as follows; Alice Gambelin, president; Mona Merritt, vice-president; Judy Mobley, secretary; Ruth Jackson and Betty Dennis, reporters; and Ina Cleavinger, parliamentarian. Officers will be installed at an August luncheon.

Following the meeting guests were served coffee and cookies by the hostesses Ina Cleavinger, Mary Smith and Jolene Shropshire.

ing facilities and the checking of possible fire hazards.

Farmers in the Bethel Community who participated in county-wide civil defense programs also carried out an effective effort in conservation of tail and lake water. These new projects are reported to have injected a feeling of interest in planned educational programs in the community during the monthly community meetings.

Monthly meetings in Bethel Community are designed and planned so as to educate members of the community in civil defense programs, water conservation, soil conservation, and general improvement of the welfare of community residents.

New community improvement program for the coming year is organized with two divisions. Division one is for communities which have not been first place winners in any community improvement contest. Division two is for communities which previously participated in the improvement program and have once won first place.

Division one communities will be judged on their efforts in getting

VISITS IN MISSOURI

Miss Norma Elliott and Miss Nola Stout visited the Lake of the Ozarks, Missouri a few days last week. They also visited in Ava, Missouri with Miss Elliott's father, Mr. J. W. Elliott. Returning with them for a short visit were Miss Elliott's nieces, Marsha and Sue Myers of Springfield, Missouri.

ENTERTAINS IN HOME

Mr. and Mrs. M. F. McRee had as dinner guests in their home Sunday her mother Mrs. Laura Weems, her uncle and aunt Edgar West of Levelland; her sister Mr. and Mrs. L. D. Rosser and family, California; Mr. and Mrs. Marvin Mundell, Leta and Glenn; Mr. and Mrs. Frank Carrell and Trena, Oklahoma; Mr. and Mrs. Calvin Crutchfield and children, Amarillo; Mr. and Mrs. Harold Durbin and girls; and Mrs. R. C. West, Lynn and Sheila.

Shower at Sunnyside For Mrs. Chad Moore

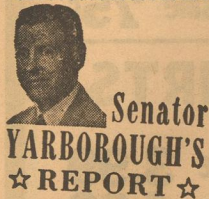

Mrs. Chad Moore will be honored with a bridal shower on July 19 at 3 p.m. at the Sunnyside Community building. All friends are invited to attend.

Glenda Whitley - Irvin Ott Engagement Revealed
Mr. and Mrs. James Kelley, Earth announce the engagement and approaching marriage of their daughter Glenda Whitley to Mr. Rayburn Ott, son of M. and Mrs. Irvin Ott, Big Square.
Date of the marriage will be announced in the near future.

Mrs. Cavin Webb Shower Honoree Friday
Mrs. Dee Neumayer was host in her home Friday during a shower from Mrs. Cavin Lee Webb, Amarillo.
Refreshment table was covered with pink and accented with pink glads.

Mrs. Bob Killough registered the 48 guests. Assisting pink hostesses were Mesdames Homer Newton, Jack Powers, P. P. Robb, Jack Cowser, Bob Killough, Earl Morgan, Ethel Womack, Howard Hershey and Kay Roberts.

Senator YARBOROUGH'S REPORT

Dear Fellow Texan:

Since July is the time that we observe the anniversary of our Independence Day, I think it's well that we stop and think of our heritage as Americans. In a decade when men expect to ride a satellite to the moon, it is not often that we get to slow down and look back on the things that make up Americanism—the heritage we share so proudly.

When we try to write out a definition, it proves a difficult task and it is even harder to do it in a few words. All I know is that our fellowmen have fought and died for it without question. They didn't need a definition in exact

words; they felt it in their hearts and spirits.

Maybe Abe Lincoln was getting close to the heart of it when he said "That this nation, under God, shall have a new birth of freedom, and that government of the people, by the people, for the people, shall not perish from the earth."

In the world today, we can find government where the only individual who has rights is the dictator who rules. We can find military rule, where might makes right. We can find Communism, the narcotic that puts freedom to sleep under a blanket of falsehoods. We can find Socialism, where government is father, big brother, and superintendent in charge of everything.

Which of them can match the American record for respect for individual rights and dignity? Which can show the brotherhood demonstrated by our own country in lending a hand to lift up the under-developed nations of the world? Which can claim more religious freedom? Or put more food on the table? None of them can and none ever will.

Do you remember the words on our own Statue of Liberty in New York Harbor?

"Give me your tired, your poor,

Joe Land who recently completed basic training in San Diego is spending this week in the home of Mr. and Mrs. Charles A. Land Dimmitt, his brother and family and in the home of Mr. and Mrs. Melvin Barton. Mrs. Barton is Lands sister.

Funeral Services for Father of Glenn Render Held in Eldorado, Okla.

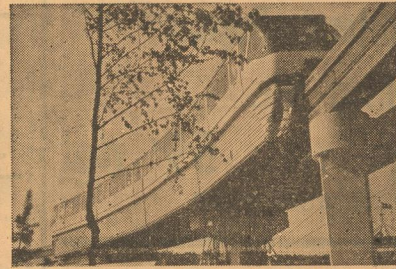

Funeral services for J. O. Render were held July 5 in Eldorado, Oklahoma. Mr. Render who was 77 years of age died in a Quana hospital of leukemia on July 3. He is survived by his wife, a daughter and one son, Glenn Render of Dimmitt.

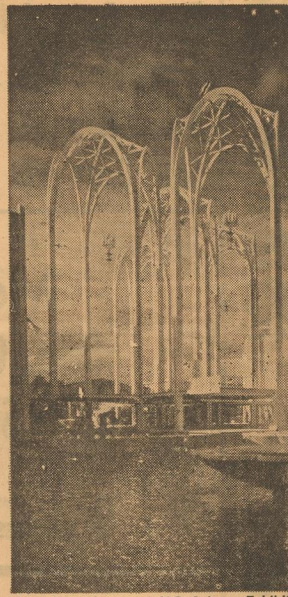

Towering Space Needle symbolizes future.

Natural Gas Pavilion contains exhibits by gas industry.

Visitors are whisked from downtown Seattle by monorail.

Graceful arches mark U.S. Science Exhibit.

It's Fair In Seattle

The 600-foot Space Needle topped by a 40-foot natural gas flame. The Coliseum with its preview of the next century. The United States Science Exhibit featuring a simulated trip through space. A monorail to speed visitors to and from the Fairgrounds. Displays from all around the world.

These are a few of the exciting features of the World's Fair in Seattle to last through October 21. When you are at the Fair, take a few days to see the majestic mountains, beautiful lakes, magnificent

rivers, and unexcelled coastline as well as the vast interior of the Pacific Northwest — Washington, Oregon, and Idaho.

El Paso Natural Gas Company is proud to serve this prosperous, growing area and is proud of the key role that gas is playing in supplying energy to the industries and homes of the Pacific Northwest. Natural gas' prominent place in the Pacific Northwest is dramatized by its part in the Fair: here gas is used to heat and cool the buildings, to cook the more than 20 million meals that will be served, and serves as a symbol of progress in the huge flare atop the Space Needle.

For literature on the World's Fair write El Paso Natural Gas Company, 2107 Northern Life Tower, Seattle, Washington.

EL PASO NATURAL GAS COMPANY

Through its pipelines, El Paso Natural supplies wholesale gas service to retail natural gas distributors in 11 western states: ARIZONA • CALIFORNIA • COLORADO • IDAHO • NEVADA • NEW MEXICO • OREGON • TEXAS • UTAH • WASHINGTON • WYOMING

CARDS OF THANKS

Words cannot express our thanks for the many kindnesses shown during the recent loss of our loved one, for the food brought and served, for the flowers and for friends who came just to be with us. May God bless each and every one of you.

The H.M. Morrison family and J.O. Cantrell

Thank you Dr. Lee, all the nurses and Johnnie Powell and Joe Wall for the blood you gave.

Mr. and Mrs. George Hudson

We wish to express our sincere appreciation for the many gifts, and deeds of kindness extended to us in our recent bereavement in loss of our aunt, Mrs. Idris Gibbs whose interment was in Castro Memorial Gardens. May God bless each and everyone of you is our prayer.

Mr. and Mrs. Marvin Mundell and Family.

Car Accident Takes 3 Lives North of Dimmitt

Three deaths occurred as a result of an auto accident Monday evening 13 miles north of Dimmitt on Highway 385. Dead are Mrs. Hugh Musick, Mrs. Tony Bartos and Terry Musick, 6 Mrs. Bartos was dead on arrival at the hospital Mrs. Musick died shortly after arrival at the Dimmitt hospital and Terry who was in critical condition died from his injuries on Wednesday.

Kenneth Musick, 12, was the only member of the family group who escaped death when the car driven by his mother, went out of control owing to a blown-out front tire. The car swerved and hit the trunk of a large tree.

Mrs. Musick and Mrs. Bartos were sisters and they were traveling from Waco to Amarillo to meet Mrs. Musick's husband who had gone there to attend the funeral of his brother, Ed Musick.

Strother, Janis Mooney, Phoebe Strother, Carol Arnold, and Mrs. James Slough. —Cowan staff photo

NEWS FROM FRIO

Speakers for Sunday evening service at Frio Baptist Church were Carl Miller who spoke on "Racial Discrimination" and Jimmy Barber, who spoke on "Ye are the Light of the World." T. L. Sparkman, Jr. spoke briefly following them to the youth of the church. Rev. and Mrs. B. H. Baldwin, accompanied by Mrs. Earl Spring-her and Mrs. O.G. Hill both of Hereford left after church Sunday morning for Austin. They expect to attend a series of educational programs on "Alcoholism" at the University this week. The Baldwins will be visiting their son and daughter-in-law, Mr. and Mrs. Godfrey Baldwin.

Mr. and Mrs. James Dobbs and LeAnn, Mr. and Mrs. Weldon Stephan and Jill took Sunday dinner with the O.C. Millers in Hereford. Mrs. Billie Jean Green and son Gene of Atlanta, Texas visited the first of last week with the Buck Stringers. They took her to Amarillo Wednesday evening to meet the train to go home.

Richard and Robert Williams visited their cousin, Jimmy Don, Franklin at the home of his parents the Aubry Franklins at Abernathy last week.

Recent dinner guests of the Henry Dobbs were Mr. and Mrs. David Yandell, Mrs. Lloyd Shultz and Miss Ruth Wagoner.

Word has been received here that Mr. and Mrs. Danny McLallen, formerly of Hereford and now of Belton are announcing the birth of a son who has been named Benjamin Travis. They have a five year old daughter, Lauanne, who was visiting her grandparents the S.B. McLallens of Dallas for a few days.

Mrs. Lella Taylor of Throckmorton is visiting her daughter Mrs. H.M. Mobley. Last week another daughter Mrs. Claude Price and her daughter, Mrs. Davis and Diane were here one day to visit Mrs. Taylor and the local Mobley relatives. On the holiday Mrs. Mobley and Mrs. Taylor, Mrs. Floyd Cole and family, Mrs. Don Mobley and Craig took dinner with the D.C. Millers in Hereford.

Mrs. Jimmy Yandell and children Garman and John of Caracas, Venezuela were visiting the David Yandells during the week-end. Mrs. A.N. Yandell of Seminole also came to visit Yandells for a while and in the home of her daughter, Mrs. Joe Autry.

Mr. and Mrs. Jack Rogers and Laura returned Sunday from vacation camping trip with Jacks family the Joe Rogers of Hereford. They went to Colorado, camping in a Government forest reserve, near Durango for several days.

Mr. and Mrs. Bill Struve, Kita and Kerry spent last week vacationing in the New Mexico mountains.

The Frio Jolly Wokers 4H Clubs were honored by the home Makers club with picnic at Dameron Park Tuesday afternoon at 5:30. Mrs. E.

NEWS FROM FRIO

F. Vogler was hostess. The girls went swimming in late afternoon before the picnic. Those attending were Mrs. Glenn Gripp, Dean and Gayle, Mrs. James Dobbs and LeAnn, Mrs. Don Adams, Dianne and Kenneth and a niece, Teresa Barnes, Mrs. Floyd Cole, Jana, Cheryl, Beverly, Mrs. Frank Robbins, Carol, Genie, Patty, and Jerry, Mrs. Jack Rogers and Laura, Mrs. Vogler and Mary Ann.

Mr. and Mrs. Glenn Gripp, Monte Dean and Gayle visited her mother Mrs. Tait Moring at Stevenville last week end.

Visiting the Floyd Cole home Sunday evening were Mr. and Mrs. D. N. Gamblin and girls of Sunray. They had been to Hart to visit Mrs. Gamblin relatives.

The Alvin Shultzes of Roscoe were visiting his brother, Lloyd Shultz during the week-end.

Walter Rogers' WASHINGTON NEWSLETTER

SUBSIDIES

A review of history would reveal that the government has been engaged in the subsidy-granting business for a long, long time. In the early days of this country, between 1827 and 1866, the government granted 6,340,339 acres of public land to private interests for the purpose of encouraging canal building and river improvement; and, in addition thereto, granted free certain rights-of-way. The rights-of-way, of course, were most valuable. The government at that time also made contributions by direct appropriations, stock subscriptions, and loans to private canal companies. Between 1850 and 1871 some 183 million acres of Federal and State lands were granted to railroads. Millions upon millions of dollars have been assigned by the Federal government to ocean and air mail subsidies to foster the development of transportation in the same manner as railroads and waterways had been supported in earlier years. The first mail subsidy was paid more than 100 years ago, in 1845. Millions of dollars have been used to subsidize the building of ships on American way. In fact, only a few years ago \$40 million was paid in the nature of a subsidy to help construct the private luxury liner, the USS United States that plies between this country and Europe. The total cost of that ship was \$76,800,000. Hence, the government subsidy was more than the money invested by the private corporation. In the early days the subsidy mechanism was intended to be employed for the purpose of expanding transportation, encouraging foreign trade, fostering domestic industrial development, and so forth. However, since the turn of the century, subsidies and subsidy-like programs have multiplied to such an extent that their impact is felt by virtually all elements in the nation's economic structure. Probably the most publicized and widely advertised of government programs seems to be the agriculture program. However, it would be very well for those who

one-tough and arduous because it involved money in the amount of \$500 million paid out by Americans each year for imported sugar. My father once told me that if you want to see the real color of a man's eyes, start fooling with his pocketbook. The truth of this statement was certainly proven in the sugar battle. For more than ten years we have been fighting this battle in an effort to get more sugar produced by our own farmers. The going was slow and frustrating, because it is not easy to fight that kind of money. Nevertheless, our efforts were never relaxed and each year we made a little headway. Actually, we have won a victory this year in that we have finally broken the rigid limitation that had been placed on domestic producers. Although we did not obtain the amount of sugar to which the American farmers are entitled, we did gain enough to open the door and make it possible for private enterprise to move in and build some more sugar mills in this country. If these people meant country. If these people meant they said to me and others during this fight over the years. They building a mill in the Panhandle. My vote was cast against the sugar bill in its final form because, although we did gain ground as pointed out, we did not get all that we were entitled to and I shall continue my fight until that time comes. It would seem that the boys who really got the "sugar" were the lobbyists for the foreign countries. It seems that some \$500,000 has been paid out in lobbying fees by foreign countries for participating in the American domestic sugar market. The whole situation reminded me of a story being told at the time Jack Dempsey was defending his title against the South American Louis Firpo, "the Bull of the Pampas." Tex Richter one of the great promoters of history, was handling the bout. There was much conjecture as to who might win. Mae West, who was then in her prime as a movie actress, was asked at a news conference, "Who do you think will win the Dempsey-Firpo fight?" She replied "Tex Richter."

Joe Land Completes Basic Naval Training

Joe Land, son of Mr. and Mrs. C. N. Land, Star Rt. Hereford, finished Basic Naval Training in San Diego recently. After two weeks furlough Land will report for duty in Philadelphia July 16 where he will attend Naval school for two months instruction as a Boatswain's Mate. Following Naval School he will be assigned to an aircraft Carrier. Land is a brother of Mrs. Melvin Barton of Dimmitt.
