## SANTA CLAUS SPEAKING

—By William Henschell  
in Missouri Farmer

GOOD evening, Children! Through the "mike" I'll just say this before I hike: No monkey-business goes tonight—Run off to bed, turn out the light; Don't snoop around or try to see What chance you have detecting me.

I'm pretty slick at ketching kids Who only half-way close their lids; Why, I don't even hesitate Where smarty children stay up late! Don't pull that drink-of-water stuff—You can't fool me—that's just a bluff!

Best way to do—I've always found—In all my years of going 'round, Is just play square with Santa Claus, For he has certain rules and laws Which make it necessary—Yes, That you cut out your snoopsiness!

How sweet it is when children do The things old Santa asks them to. They never have a sigh or tear If they believe in him each year. Say, sometimes, children who are good Get more than what they thought they would!

## The World's Christmas Dinner

By Wm. L. Gaston

NO ONE knows better than Santa Claus that the United States is the only country that could give a Christmas dinner to the world. This is the only country that has food enough, and the generous spirit, to feed the dinnerless poor of every nation.

Stretch a dozen tables across the continent, from ocean to ocean. Thirty-six thousand miles of tables. Slaughter the chickens and the turkeys. The English will want roast goose. We have the geese, and millions of ducks. Drive the fat porkers and the big fat hogs down to the slaughter pens. Place the big platters two feet apart. We have roasts enough to pile them all full. Kansas can furnish the wheat for the rolls and Minnesota can grind it into flour. Idaho can furnish the potatoes and California and Oregon have fruit enough for every body. Florida can join with California and pile the golden oranges on the tables for the whole crowd. The South can send up the vegetables and when the food is on the tables it will be the greatest dinner the world ever saw.

Dinner is ready! Let the people sit down or stand up as suits them best. But let them eat—everybody eat! Let the Chinese and the Russians eat. Let the underfed of every country! This old world needs a good dinner! A good dinner is the best medicine that could be poured down the old world's gullet!

When the stomachs of the world are full there will be small disposition to fight and quarrel. Jealousies and hatreds never mix with a good dinner. Men would rather eat than fight and a full Christmas table looks better than a battleship. Better dinners! More dinners! More dinners will make a better lot of people and help more than anything else to spread peace and goodwill over the earth!

So bring the nations to the Christmas dinner and if they want to stay all night we have ham and eggs enough for breakfast!

## TREE DECORATIONS

THE old fashion of decorating Christmas trees with strings of popcorn appeals to the children of ten, more than the glass balls and trinkets commonly used.

Children enjoy helping pop the corn and stringing it. Cranberries at equal distances along the strings of popcorn are attractive. Apples hanging from the tree shine brightly if they have been washed and polished with a dry cloth or a little olive oil. Tin foil cut into thin strips hanging from the tree will sparkle in any light.

If candles are used, be exceedingly careful of fire. Evergreen trees blaze up instantly and furiously if they catch fire, which they do very easily.

## FARM NOTES

Killing, curing and canning demonstrations have been underway since November 16, and six complete demonstrations have been conducted by the county farm and Home Agents at Sod House, Hart Camp, Olton, Sandhill, Pleasant Valley, and Friendship, with three more to be held between now and Christmas. Friday and Saturday, December 11 and 12, one will be conducted at Lums Chapel at the V. B. Pierce home, and December 14 and 15 East Littlefield at J. G. Glover farm. Every one interested is invited to attend.

So far seven beees and 10 hogs have been killed on demonstration by the county agent, and over two hundred people have been in attendance at those meetings.

The animals are killed the first day, and cut-up and cured and canned the second day.

Pat Campbell, Olton lumberman reports that several farmers have obtained new self feeders, which were built according to plans furnished by the county agent. Plans for self feeders, and numerous other farm buildings and equipment can be obtained any time from the county agent; Joe Foster, Sudan Lumberman, reports that several farmers in the Sudan territory are acquiring self feeders.

C. A. West, Littlefield, reports an average yield of 325 lbs lint cotton per acre, from his Acala cotton, with an average staple seed plot with a staple of 1 1-8 inches. E. E. Ivey, Sudan reports a yield of 1 bale to the acre from his Acala cotton, with an average staple length of one inch and states, I have planted cotton for 9 years at Sudan, and this has best lint, and staple of any I have ever grown. W. R. Boone, of Olton, reports 1 bale to the acre, and an average staple length of 1" to 1 1-32," and states I like the Acala cotton very much. Such are some of the results that are being sent by cotton demonstrators that grew the Acala cotton during the past year as seed blocks in order to help bring better staple to this county. 92 farmers grew cotton demonstrations this past year.

J. K. McGavock, reports, 1 1-2 tons of soybean hay per acre. Joe Burrows, reports 500 pounds of seed per acre from his 25 acres of soy beans. J. N. Cain reports 1 ton of hay per acre from his soybeans.

Bulletins for killing, curing and canning of all meats can be obtained at County Agents office.

## FUTURE FARMERS OF TEXAS MEET

The Sudan Chapter of F. F. T's conferred the degree of Texas Farmers on two members Monday December 7. Miles Lumpkin and A. B. Askew were raised to the degree of Texas Farmer because of their outstanding project work.

This is the highest degree that any local chapter can confer upon their members. In order for a boy to become eligible for the degree of Texas Farmer he must have one year in Vocational Agriculture with an outstanding project program, be able to lead a group discussion for 10 minutes, be elected to the degree by a majority vote of the chapter, and have earned from his project work and have invested or on deposit in the bank at least \$25.00.

These boys must now start to work on the Lone Star Farmer degree. This is the degree awarded each year at the Dallas Fair by Texas Association of Future Farmers. Only 2 out of each 100 Future Farmers in Texas can become Lone Star Farmer. To become eligible for this degree a Future Farmer must have two years of Vocational Agriculture, be able to lead a group discussion for 40 minutes, be an officer in his local chapter during the two-year membership, and have earned and have productively invested or on deposit \$25.00 from his farming.

—A. B. A.

## BOX SUPPER AT JANES TABERNACLE

Friday night of this week there will be a box supper at the Janes Tabernacle. The proceeds of which will go to buy decorations for the Christmas tree.

Everyone is cordially invited to come. The ladies and girls are invited to bring boxes, and the boys are urged to bring their pockets full of money.

This is a good cause and everyone should help all they can.

## THE METHODIST CHURCH

Sunday School at 9:45 every Sunday.

Rev. E. E. White, the new presiding elder of the Plainview district, will preach Sunday morning at 11:00 A. M. and hold the first Quarterly Conference at the church at 2:00 P. M. Sunday.

W. P. McMicken, Pastor.

For rent—2, three room apartments, and 1, two room apartment. Call at News Office.

## Hashed Browned Potatoes

Potatoes. Onions. Flour. Milk. Method: Heat grease in frying pan; chop together desired number of potatoes and onions; sprinkle with about two tablespoons flour; season; add a little milk and mix all together well. Put in frying pan and stir occasionally until mixture is well heated, then flatten out and brown on one side; turn over carefully and brown other side. Serve immediately.

## METHODIST NOTES

Gas has been installed at the Methodist church. This is in keeping with the modern spirit and will add greatly to the comfort, as well as to the appearances, of the church as a place of worship.

The Rev. E. E. White, the new presiding elder of the Plainview District of the M. E. Church, South, will preach Sunday morning at the Methodist church. He was, prior to coming as the new Eld( ) on this district, pastor of the First Church Lubbock for four years; then presiding elder of the Abilene district for three years. He is one of the young and progressive men of the Northwest Texas Conference. He and his wife will arrive late Saturday evening from Morton, and spend the night at the Methodist Parsonage with Rev. and Mrs. W. P. McMicken, the new pastor of the Methodist church of Sudan.

The pastors, the district stewards and lay church leaders of the churches of the Plainview district of the Methodist church, will meet at Plainview Thursday at 10:00 a. m. for the purpose of planning the work of the district for the ensuing conference year. Members and other laymen from the various pastoral charges of the district are invited to attend this meeting. A. W. Ormand is district steward and J. A. Dryden is lay church leader from Sudan church.

Regular evening service at 7:30, with sermon by the pastor. We especially invite the young people to our evening services.

## PLEASANT VALLEY H. D. CLUB MET MONDAY

The Pleasant Valley Home Demonstration club met for a special meeting Monday afternoon at the Pleasant Valley school house for the purpose of electing officers for the coming year. The following were elected: Carrie Withrow, Grace Lavigne, Mrs. E. E. Kunz, Treasurer: Mrs. C. H. ...

## STATE HEALTH OFFICERS HERE WEDNESDAY

Wednesday of this week Mr. Gunn, State Sanitarian for this district, and Miss Ayers, District health nurse, were here looking over their respective ends of the health and sanitary conditions.

Miss Ayers met with the health club at the school house discussing health habits and how to cure defects before causing a disease.

Mr. Gunn inspected the waterworks and the pit toilets, discussed sanitary conditions with the local health officer, Dr. W. H. Ford. He reports that lots of the pit type toilets have been installed but they are not in good shape or fly proof. He is urging that all that have not installed pit type toilets to do so immediately and those that have to fix them better and make them more sanitary. There is very little cost for installing one of these.

Mr. Gunn urged the city to send in monthly reports and water samples to the state laboratory. This would help in many ways as the purity of the water could be watched each month and the state could give suggestions.

Mr. Gunn said that he was here to render service and wants the co-operation of the people and says that whenever he can be of service to anyone he would be glad to help. He can be reached through the county agent at Lubbock.

Mr. Gunn is interested in getting the cows of this section, T. B. tested. He will get a state veterinary to come and test the cows if there are enough cattle owners in this territory that could get the cows together so that it could be done on a community basis, the charge would be nominal.

## COUNTY SCHOOL

TOTAL IS 5,168

AUSTIN.—Harris County has a lead of more than 10,000 over Dallas in scholastic population, according to a report issued by the State Department of education, the survey being for the 1931-1932 period. Public school students in Harris number 76,161, while Dallas has 74,912. Bexar is third with 65,576, Tarrant coming next with 46,407.

The report does not disclose the gains or losses compared to the last annual report. Counties having new oil fields, however, showed increases. While many West Texas counties continued to gain, a condition prevalent for a decade.

West Texas counties with a showing of 10,000 or above follow: El Paso, 34,083; Wichita, 17,784; Potter 10,314; Lubbock, 10,008. Just under the 10,000 mark come the counties of Taylor, 9,828; Eastland, 9,079; Tom Green, 7,839.

The scholastics of other counties in the West Texas area, those below the Tom Green figure but 3,000 or more, takes in: Brown 6,847; Wilbarger 6,546; Coleman, 6,208; Wise 5,776; Erath 5,196; Gray 5,545; Young, 5,450; Lamb, 5,168; Hale 5,078; Haskell, 4,946; Howard, 4,828; Comanche, 4, 888; Collingsworth, 4,239; Palo Pinto, 4,537; Wheeler, 4,490; Childress, 4,167; Dawson, 4,033; Stephens, 4,141; Fisher, 3,820; Hardeman, 3,806; McCulloch, 3,761; Lynn, 3,679; Callahan, 3,800; Floyd, 3,400; Dickens, 3,071; Crosby, 3,001.

Jefferson County reports its scholastics as 33,019; Cameron as 20,619 and Navarro as 17,181.

The student in all Texas pub-

## CAR OF HEAD FEED TO START FROM SUDAN MONDAY

The Methodist church of Sudan will load one half car of head feed here Monday, December 14, 1931.

The big barn at the Methodist Orphanage at Waco, Texas which was burned about a year ago, carried the years supply for the home. As a result the home has run short of supplies and it was requested that Sudan and Amherst load and ship a car of head feed to the home. The Sudan and Amherst churches decided for each to furnish a half car.

The Santa Fe railroad has consented to dead head the car—ship it without charge. The car will start from here Monday and Sudan's half will be loaded then, on Tuesday it will be finished out with the other half at Amherst.

All Methodist are especially urged to put in some feed, and donations from other denominations will also be greatly appreciated.

## GINNINGS SHOW BIG INCREASE FOR COUNTY

According to J. W. Hopping, special agent for the Department of Commerce, Washington, D. C., there has been 42,874 bales of cotton, counting round as half bales, ginned in Lamb county from the 1931 crop as compared with 23,166 bales ginned to November 14, 1930.

Zimmerman's Wonder Salve, unequaled for Eczema, Boils, Piles, Burns or any sore. Pine Oil knocks colds, croup, catarrh, asthma, indigestion, rheumatism. Sold at Rambys Pharmacy, Earth Drug and J. T. Gilbreth, Enoch.

Will trade 180 acres good, well-improved land, five miles south Sudan, for teams, tools, cows, amount of \$1,000. See J. B. Janes, Sudan. Zip

Lost—1-2 endgate to oval bed, between old Bula and Muleshoe. Leave at Bula store and collect \$1.00.

LOST—1 new cotton mattress between Sudan and Amherst, Friday night. Please return and receive reward. A. Massy, Sudan, Texas.

FOR SALE—Good restaurant equipped with fifteen stools, gas and Frigidaire, in good town with good location and doing good business. For particulars call at this office.

## BY BETTY WEBSTER Thousand Island Dressing

- 3-4 cup mayonnaise.
  - 1-2 cup cream, whipped.
  - 2 tablespoons green pepper.
  - 2 tablespoons red pepper or pimiento.
  - 1 tablespoon onion.
  - 1-4 tablespoon paprika.
  - 1 tablespoon catsup.
  - 2 tablespoons chili sauce.
  - 1 hard boiled egg.
  - A little Worcestershire sauce
- Method: Chop the vegetables; beat sauces, seasoning and egg together. Whip cream and add to mayonnaise; add chopped ingredients to mayonnaise and mix well.

lic schools total 1,549.00. The per capita apportionment of \$17.50 therefore yields to the schools \$27,121.167.

The same report shows there are more children 7 years old in school than those of any other age, the figure being 90,317. The 10-year-olds take second place, their total being 88,018.—Star-Telegram.

## New Chevrolets Now Laid Out Aid Employment Through

Above: Special Sedan  
Right: Head-on View

Chevrolet's new car for 1932 embodying silent Syncro-Mesh transmission in combination with selective free wheeling as standard equipment at no extra cost, and practically every proven automotive advance of recent years, is now displayed at dealer show-rooms throughout the country.

While remaining in the price class in which it won world leadership this year, the new 1932 models offer features heretofore reserved exclusively to the high price field, as well as a new front end mounting never before shown on any.

Called "The Great American Value for 1932," the line offers in support of this slogan a twenty per cent increase in power, faster acceleration, top speeds of 55 to 70 miles an hour, new Fisher bodies with a modern streamline styling, down-draft carburetion, counter-balanced crankshaft, stronger front seat adjustment and many other refinements over the 1931 models, which, from the standpoint of public acceptance, were the most successful in the history of the company.

Twenty standard and 20 optional models are in the new line of which the Special Sedan, pictured above, is the standard. The lower view shows the new front end and the most powerful appearing hood enclosing the improved engine.

In addition to interest centering on the cars themselves, the announcement at this time has national significance in that activity brought on by production of the new cars is expected, at conservative estimates, to add materially to the earnings of 200,000 people throughout the country just before the holiday season and before the severe winter season sets in.

The company's 31 domestic plants all are busy producing cars as fast as precision manufacturing plants will permit so that deliveries may be made with the least possible delay. More than 30,000 of the new cars already have been built for dealer show-rooms displays, and more than that quantity

The cost of producing a bushel of corn by county 4-H club members is reported to be 21 cents. Land rental was figured at 10 cents per acre, hand labor at 20 cents per hour and horse labor at 10 cents per hour.

# CLOSE OUT SALE

OPENS FRIDAY, DEC. 11TH

Do your Christmas shopping at our Closing Out Sale. Everything must be sold by the first of January. We want you to take advantage of our loss. Get one of our circulars.

Lesson for December 13

JOHN'S VISION ON PATMOS

GOLDEN TEXT—And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last; I am he that liveth, and was dead; and, behold, I am alive for evermore. Amen; and have the keys of hell and of death.  
LESSON TEXT—Revelation 1:1-20  
PRIMARY TOPIC—The Heavenly Home  
JUNIOR TOPIC—John's Vision of Heaven  
INTERMEDIATE AND SENIOR TOPIC—John Sees the Ever-living Christ  
YOUNG PEOPLE AND ADULT TOPIC—The Glorified Saviour.

We should be glad that the lesson committee has given us another lesson from the Book of Revelation, which contains Christ's last message to man.

I. The Preface (1:1-3).  
1. The title of the book (v. 1). The Revelation (unveiling) of Jesus Christ. The revelation of Jesus Christ refers to his personal appearance in glory to judge the world and to establish his kingdom. The word "apocalypse," translated "revelation," signifies according to New Testament usage the unveiling of a person (II Thess. 1:6-10; I Pet. 1:7). The theme of the book is Christ's second coming, his personal visible appearance in glory (v. 1, 7, 10).

2. To whom made known (v. 1, 2). To his servant John—"To show unto his servants things which must shortly come to pass."

3. A benediction to those who read, hear, and keep the sayings of the book (v. 3). It must be possible to understand these sayings, or the promise is meaningless.

II. The Salutation (v. 4-8).  
1. To whom (v. 4). The seven churches then existing in Asia Minor. Seven, the number of completeness, suggests a symbolism of the Church throughout her course.

2. From whom (v. 4).  
a. From him which was, and is, and is to come.  
b. From the seven spirits which are before the throne—the Holy Spirit in his seven-fold plenitude as set forth in Isaiah 11:2, also in the Gospel of John.

c. From Jesus Christ (v. 5-7). While presenting Christ as the glorious Redeemer, John's prophetic eye caught the vision of the Coming One in glory, exclaiming, "Behold, he cometh" (v. 7), the Alpha and Omega (v. 8).

III. The Vision of Glory (v. 9-18).  
1. The seven golden lamp stands (v. 12). These candlesticks are the churches (v. 20), thus presented because they are the light holders in this world's darkness.  
2. The Son of man in the midst of the candlesticks (v. 13-18). Christ in the midst of the churches indicates that they give forth light only when Christ is the central figure.

a. "Clothed with a garment down to the foot" (v. 13). This is a royal as well as a priestly robe (Isa. 22:21), and signifies his right to judge and to rule, as well as to offer sacrifice.

b. His head and hair white as wool (v. 14, cf. Dan. 7:10, 20). This has a two-fold significance—purity and eternity.

c. Eyes as a flame of fire (v. 14). This suggests his infallible knowledge.

d. Feet like burnished brass (v. 15). This indicates that he came as Judge and King, with irresistible power.

e. His voice as the sound of many waters (v. 15). His voice of judgment will be outside of man's control. All excuses will be swept aside by his resistless word.

f. Seven stars in his right hand (v. 16). According to verse twenty stars mean the messengers of the churches, perhaps pastors or representatives sent forth to comfort John in his lonely exile. The minister lies in the right hand of Jesus Christ, hears his message, and speaks it out.

g. Out of his mouth was a sharp two-edged sword (v. 16). Observe that this is a mouth sword. "The word that I have spoken, the same shall judge him" (John 12:48). "The word of God is sharper than any two-edged sword" (Heb. 4:12). The two edges indicate its double action, condemning the evil and approving the good and excellent.

h. His countenance was as the sun shining in his strength (v. 16). The effect of sunshine is healthful and joyous to some things, while it is death dealing to others. The sun shine of God's love cheers some while it hardens others. The manifestation of the glorified king will be hailed with delight by those who love him, and will create dismay in those who do not love him.

When buying bread at your grocery, call for "Mother's Bread"; Just like mother used to make.

**THE LUM'S CHAPEL H. D. CLUB**  
 On account of bad weather the Lum's Chapel H. D. Club failed to have their regular meeting on Nov. 25, so had a call meeting on Thursday, Dec. 3, with seven members present and our retiring president, Mrs. Price in the chair.  
 Roll call was answered with "The greatest joy of being a hostess." After our lesson the

club adjourned to meet on Dec. 18 with our new president, Malone. Every member tried to be present as this will be our last meeting for this year.—Reporter.

**D**EAR SANTA CLAUS:  
 "Will you please bring me for Christmas a good supply of appreciation for all the cooking and mending I do throughout the year?"  
 "Will you please bring plenty of kind words for those days when I am tired, but must keep on just the same?"  
 "Will you please bring me plenty of patience so that on days when my nerves seem "on edge" I will not take it out on my children?"  
 "Will you please bring me a pack of unselfishness so I will not make too many demands on my children and so I will not act as though their time was entirely at my disposal?"  
 "But will you also bring me a supply of willingness on their parts to help me?"  
 "Will you please bring me a collection of thoughtful deeds so that all of us may be thoughtful of each other, none of us expecting or demanding too much? Each one trying and wanting to do his share. Each one ready to praise the other? And give credit for what is done?"  
 "Will you please bring a collection of compliments so we may be ready to admire and say nice things to one another?"  
 "Please bring me what I have asked for if you possibly can, dear Santa Claus as I try to be a good mother, and I want to make our home as happy as possible."  
 "I am not a little girl, but I hope you can overlook that."  
 "Your affectionate friend,  
 "A MOTHER."

**1931**  
**Ten Years to Grow Christmas Tree**  
 It takes about ten years to grow a Christmas tree. At the end of that time it has achieved a height varying from 5 to 10 feet.

**S**UPPOSE for instance that you were walking along a country lane at night. The light is soft and golden; the snow creaks under your feet, and the twigs on the bare trees snapped when the wind touched them. You are thinking of nothing but getting home to a warm fire and a good supper, when suddenly a new light pours down from the sky. You stop and look up. This light is soft and golden; many colors grow and dissolve in it. You stand transfixed. You hear voices, a whole choir of them. Angelic and sweet the music floods the night. Gradually you discern floating figures lifted on great and shining wings. The voices swell to a rich crescendo and go ringing on through the world—"For Christ the Lord is born!"

The light fades. The music dies away. You are left alone in a country lane. It is dark and cold. You shiver a little and stumble on in a new, disturbing wonder. But the familiar lane takes on a different aspect. It is leading you not home but to a low stone building. There are voices within. You hear many people moving about. Without realizing the direction your feet are taking you find yourself stepping over the low threshold of a stable. There is the sweet scent of hay, the soft breathing of cattle. Somewhere, half hidden by a wall there is a misty light. You go on, stepping quietly and your heart begins to beat with a smothered rhythm. You advance, finding yourself confronted by a scene of great simplicity. A mother and her child a manger, the big eyes of cattle glowing in the shadows. The glory that was in the skies a little while ago seems centered above the baby's head. How would you feel? What would you do? When the vision faded, would you ever again forget the beauty and meaning of Christmas?

**When PAIN Comes**  
**WHAT** many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated and food sours. The corrective is alkali, which neutralizes the acid instantly. And the best alkali known to medical science is Phillips' Milk of Magnesia.  
 One spoonful of this harmless, tasteless alkali in water neutralizes and soothes many times that much acid, and the symptoms disappear at once. You will never use any other method when once you learn the efficiency of this. Go, get a small bottle to try.  
 Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correct excess acids. 25c and 50c a bottle any drug store.

#### PANTRY VALUED AT \$500 COST NOTHING

San Saba—"Last year I wanted to be a pantry demonstrator but was afraid it would cost too much, this year I decided to try. My pantry is almost completed and I have not been out a penny," said Mrs. L. D. Pool, Richland Springs home demonstration club woman, in making her pantry report to Miss Lorena Dry, San Saba county home agent.

My shelves are made of scrap lumber and we even pulled out nails from old lumber so as not to buy them. I raised everything that I have canned with a few exceptions and those were secured by trading what we had. For instance I needed more peaches and tomatoes so I traded work and dried beans for them. Some one offered me \$500 for the food we have stored but I would not take it. It means much more than that much money to me to know that the family will be well fed with the right kind of food all the time. I have canned more than 600 containers and enjoyed the work," Mrs. Pool stated.

According to Miss Dry's report there were 17 pantry dem-

onstrators in San Saba county and 175 cooperators. More than 115,000 tin cans, 15,000 glass jars, 40 pressure cookers and 30 automatic sealers have been bought in the county this year. It is not possible to estimate how many old jars and cans were used by the women in their work, but it is safe to say that the number was as great again as the new ones sold this year.

A 4-H pantry has cut the grocery bill from \$30 per month to \$10 for Mrs. O. C. Humph-

ries, home demonstration club woman in Nueces county.

Just because she likes to can. Mrs. Paul Braddock, home demonstration club member in Dickens county, puts up food for in excess of her food budget for the family, and gives much of the surplus away. She has more than 1000 cans of fruits and vegetables, which with meat to be cured make the family food supply worth \$425 this year.

## SMILES (an editorial)

Just as capital is a business asset to any enterprise, a smile is a social asset to any one. A smile is a social asset to anyone. A smile often serves as a passport to the most exclusive circles, for everyone responds to a sunny smile. All are striving for that individuality called "it" for a winning personality that enables one to gain many friends. The ability to smile and to be agreeable are admirable traits for any one to possess.

A smile must not be confused with a smirk. A smile is that spontaneous facial expression produced by a sunny disposition, possessed by all persons truly having a kind heart and a bountiful soul; a smirk is a fixed affected smile which has as its motive the pretention to please.

Moral: Keep smiling.

## BOYS BASKETBALL

Sudan boys played a fiery game with the boys from Bovina Friday night, winning by a score of 23-15. Unusual ability was displayed by members of both teams, with Nichols of Sudan as high point man.

On Saturday night the Sudan boys played a good game with Littlefield but were beaten by a score of 13-6. Coach All-

dredge was well pleased with the boys, however, and is expecting great things of them in other games with Littlefield.

The Sudan line-up was as follows:

Fred Locker  
Clarence Weeks  
Curry Lynch  
Eidon Nichols  
Alvin Webb.

## BASKETBALL GAMES

### SCHEDULE

Sudan High School basketball teams, both boys and girls, are going to Bovina, Saturday night to return the games that were played here last Friday. There will, in all probability, be games here Friday night, but none so far have been scheduled. Announcements will be made at school concerning the arrangements, if any are to be played.

## GIRLS' BASKETBALL

Sudan girls' basketball team played two unusually interesting games during the week-end, winning over Bovina 32-11 and over Littlefield 28-16.

The game with Bovina Friday night moved along a little faster, and the girls played a better class of basketball than they did in the game with Littlefield Saturday night. The girls displayed unusual ability in passing in both games. In the games with Littlefield, the girls won by a closer score than they did on the preceding night, though they seemed to have been exhausted by winning over Bovina.

The second team played for a few minutes in Friday night's game, but the first team played through the entire game Saturday night.

Mrs. Duckworth, the coach, has an unusual team this year, a team that Sudan should be proud of. The team has made a great start already, and, with the school backing it, it seems that the team will win more games than last year's team won.

The line-up was as follows:

First team:  
Forwards: Auda Faye Thompson, Ethel Alexander.  
Guards: Clara Dudley, Eunice Moore.  
Center: Ethel Groom, Domicelle Nutall.  
Second team:  
Forwards: Mavis Terrell, Edith Alexander.  
Guard: Evelyn Stephens.  
Centers: Sidney Gwin, Lavelle White.

## GRAMMAR SCHOOL

New pupils enrolled in the grade...

Oklahoma; Willard West, Melrose, New Mexico; J. D. Boone, Abilene; Evert and Kenneth McClatchey, Ada Ingram, and Clayton Eudaly.

The following students have returned to school from their outside work: Helen Buck, C. B. McWilliams, Mary Pagett, Martin and Josephine Neagle. Miss Clary spent last week-end in South Plains. Miss Oglesby spent the week-end in Lubbock.

## Grammar School Program

Christmas programs for the lower grades are being arranged by the individual teachers. Miss Foote and Mrs. May have stated that the High and Low 5th grades will have a joint program in the High 5th room. It is probable that a combined program will be presented in the 6th and 7th grades and in the primary departments, according to the teachers in charge.

The Low Second grade taught by Miss Mable Shaffer, plans an interesting Christmas program, with a tree or box in the room.

In Miss Shaffer's room, there is an enrollment of forty-four pupils, with forty in daily attendance. Pupils who have recently returned from their outside work are: Ruth Freeman, Odell Jones, Elnora Boyles, Gladys Beauchamp, and Zella Mae Stewart.

One pupil, Utah Blair, has recently withdrawn.

Bettie Joe Hardy is holding the spelling record in her room by making a hundred every day for the past three weeks.

Miss Shaffer, 2nd grade teacher, has issued an invitation to the parents of all her pupils to visit during recitation.

## BULLETIN BOARD

### ATTRACTS ATTENTION

There was a crowd of students around the high school bulletin board between periods all day Monday. The special feature, a list of the names of students who were falling in different subjects for the last three weeks; seemed to 'doom' several students. These students should talk with their teachers, the superintendent, or the principal, who will tell them why they are doing unsatisfactory work and how to improve their work.

This check-up was taken in order that the students who are falling may know about it, and in order that they may do some serious work during the next three weeks, so that their cards will not be graded in red at the end of the six weeks.

## SCOUT NEWS

Following seventeen members registered into the Sudan Scout Troop by: O. Barnett, Doty, Hay-Gordon, H. Klize.

Melvin King, Radney Nichols, Melvin Nichols, Clyde Robertson, Ed Roark, Joe Sarrett, Ray Tidwell, Bill Whitwell and Harry Woods.

Mr. Chesher is giving the boys a treat by permitting them to go to the show Wednesday night, free of charge. The scouts appreciate this courtesy very much. Mr. Branch, the scoutmaster, states.

## DRAMATIC CLUB

"Frank Glyn's Wife" and "He Liked Them Modern" are two new plays which the dramatic club is studying.

Katheryn Wilson and Charlie Carruth are the main characters in "Frank Glyn's Wife." The other characters are Ouida Doty, Lillian Hunt, Frances Brewster, and Katheryn McElfish.

"He Liked Them Modern" is a play of the troubles and misfortunes of a modern business man. The main character in this play are Bonita McGahey and Hubbard Harold. Minor roles are played by A. B. Askew, W. D. Caldwell, Ellen Burnham, and Myrtle McLarty.

## SENIOR SOCIAL

Mrs. F. C. Broyles is entertaining the senior class with a party at her home Thursday night, December 10. The class is very enthusiastic, especially since this is the first social that any of the classes of the high school have had this year.

Mrs. Broyles' brother, "Dub" Caldwell, a member of the senior class, is assisting her in preparations for the party.

The other classes of high school are planning socials, but have not, as yet, decided upon dates.

## COUNTY NURSE TO BE HERE WEDNESDAY

The Lamb County nurse is to be in Sudan schools, Wednesday, December 9, from 10 until 11 o'clock for the purpose of discussing health problems with the mothers. Mrs. Marvin McLarty states.

This will be the second of the twelve lessons to be discussed by the nurse. At the end of the twelve lessons, the mothers and Home Economics girls attending every meeting will receive a certificate, and the Home Economics girls will receive credit for this.

All mothers are urged to attend these meetings on every second and fourth Wednesday from 10 until 11 o'clock.

## CHRISTMAS HOLIDAYS

School will be dismissed Wednesday, December 23, for Christmas, and will be resumed Monday, December 28, Mr. Davis states.
