## New Year's Resolution

I resolve to start the New Year right and go on a cash basis. I know the Bank and Local Merchants will not give much credit anyway.

I know the 'M' System keeps prices down in Sudan and I resolve to give them my support throughout the coming year because if 'M' System were not in Sudan the Grocery Prices would be prohibitive.

Signed,

All People who believe in paying their own bills.

A Merry Xmas to All..

The Snooper! Christmas is here at last! One waits and waits and finally it comes. Everyone is talking about where to go, what to do, and what to give. Just yesterday I heard a boy say, "I wonder if she"ll like it.

She ought to; it cost a whole And then there are the senlors. Santa Claus brought them their rings only yesterday. All they do in class now is to set and look at their dainty hands-but you know the thrill comes only once in a

Students were disappoined about not having school Thursday and Friday of last In fact, that's the reason the Snooper doesn't

know much gossip this week. But here's is Merry Christmas for everyone! Happy New Year!
