SUDAN, LAMB COUNTY, TEXAS, THURSDAY, DECEMBER 14, 1933

NUMBER 24

Nelson Is Retained As Administrator

At a meeting of the Lamb County RFC board in Sudan, Tuesday afternoon, Mr. V. C. Nelson was retained as county RFC administrator.

This action was taken following the recommendation made by Mr. Grazier, district RFC man, who met with the board and also met with the Lamb county Commissioners court Tuesday.

Mr. Grazier told the court and the board that it was impossible to make a change at this time and to train a new man for his position. He stated further that if a change was made Lamb county would be cut off from the relief program and would not receive the benefit of the C. W. A. program which furnishes employment for 480 men.

At a special meeting of the Sudan Business Men's club Thursday at noon, Mr. Nelson stated that he had no hard feeling toward the Commissioners Court, and that perfect harmony was felt now. The main thing he wanted to see was 480 men at work.

Melvin Robertson has been named as chief assistant and bookkeeper and will assist Mr. Nelson in the RFC work. These two men will leave Saturday for Austin where they will receive special schooling in the new C. W. A. program.

The different Lamb County projects will also be presented at Austin, and it is believed that it will only be a short time until the C. W. A. program will start and Lamb County's quota of 480 men will be given employment.

A new RFC office has been rented by the Sudan Business Men's club for Mr. Nelson upon the recommendation of Mr. Grazier. The new office will be much larger and will give more room for the relief work.

An auditor has been called to Lamb County to audit all relief records, upon the request of Mr. Nelson.

The Commissioners Court appropriated money, at a meeting Monday, for the transportation of butter and pork, as well as other commodities which will be shipped to points in Lamb county in the future from Lubbock and other distributing centers. Those commodities are furnished by the federal government to distribute to those in direct need.

Mr. Nelson and other members of the Business Men's club commended Mr. Daniels for his good work as commissioner, and for his interest in helping the people of his precinct and Lamb County.

INFANT DIES

Peggy Lanell Shannon, infant daughter of Mr. and Mrs. O. L. Shannon, died Friday morning, December 8, and was buried Friday afternoon in the Sudan cemetery. Rev. Sam A. Thomas conducted the funeral services.

Peggy Lanell was born Nov. 21st, and only lived twenty-one days.

The news along with their many other friends, sympathize with Mr. and Mrs. Shannon in the loss of their first baby.

CLUB MEETS AT

MRS. BROYLES

The Sudan Home Demonstration club met with Mrs. F. C. Broyles, December 8 at three o'clock. A Christmas program was given and various games and contests were played.

A beautiful Christmas tree was used in decorating the room, and Santa Claus distributed the gifts.

Lovely refreshments of sandwiches, chocolate cake, and mints were served to the 22 present.

The next meeting will be at the home of Mrs. D. C. Lumpkin on the first Wednesday in January.

Cotton Ginned Shows Decrease

According to Warren H. Rutledge, 42,600 bales of cotton, counting round as half bales, had been ginned in Lamb county to December 1, as compared with 55,185 bales ginned to December 1, 1932.

Castro county has ginned 4,406 bales this year to December 1.

COWS TO BE CANNED BY UNEMPLOYED AT LUBBOCK; LAMB'S QUOTA IS 45.

Lamb County's allotment in the furnishing of the Federal Emergency Relief association with culling cows for relief needs, has been placed at 45 head by the government.

These cows will be bought and slaughtered at Lubbock between now and January 15, according to County Agent D. A. Adam.

They will be canned at Lubbock by the unemployed, working under the direction of the Agricultural Extension Service, and the products will be distributed throughout the state. Lubbock has been designated as one of the 18 canning points for the state.

The F. E. R. A. will have experienced cattle buyers at the various slaughtering points, where the cattle will be purchased and paid for on a basis of Fort Worth prices. County Agents will issue permits to the original owners only. Owners will be required to deliver stock to slaughtering plants on designated dates. A minimum of \$1.75 per hundred will be paid for culling cows. No commission will be charged. Buyers deserve the right to reject the right to cows of insufficient flesh, crippled or diseased animals.

Farmers who have cattle of the required quality to sell should get in touch with the County Agent at once.

TWO ARE CHARGED

J. P. and Bruce Fulcher were charged with taking \$40 from Sherman Davis last week, according to Justice of the Peace, J. M. Shuttlesworth.

The boys were taken to the Littlefield jail.

Feed Grinding—I have an up-to-date feed grinder and will grind your feed on your own farm. See me for prices. W. R. Sebring, across the track from Terry's Gin.

FOR SALE—12 Nice Bronze Tom Turkeys for sale at \$1.50 each or will trade two of them for two more. Abel F. Wilson, 6 miles south of Sudan.

LOYD CHERSHER IS ATTENDING MEETING IN DETROIT.

Lloyd Cheshier of the Cheshier Chevrolet company left Wednesday for Detroit where he will attend a meeting of the Chevrolet dealers and will also visit the General Motors proving ground.

The new Chevrolet car according to announcements will be heavier and larger and 66 major improvements have been made.

The new 1934 models will go on display here soon after Mr. Cheshier's return from Detroit.

TEXAS ROAD WORKS EMPLOYS 25,000 MEN.

Texas' \$24,250,000 NRA road-building program, swinging past the half-way mark, will approach \$15,000,000 in construction projects actually under contract by Christmas, the Texas Good Roads Association announced today from highway department figures.

More than 25,000 Texas breadwinners already have been given jobs from this highway program, according to the calculations of the United States Bureau of Public Roads—\$500 directly in the jobs and twice that number in contributory pursuits such as manufacture and transportation of materials.

Steadily gaining speed after a slow start, the state highway commission let more than \$4,000,000 per month in contracts during October and November, and expects to exceed this rate during December and January.

Officials are making strenuous efforts to have the entire program in the actual construction stage early in the new year, when Congress may appropriate more funds for public works.

Through November, the Bureau of Public Roads reported, Texas' 270 road projects ranked second in number only to Pennsylvania. Texas was fourth in total volume of road work and third in the jobs this work provided. But most of the smaller states were nearer to completion of their respective programs. Texas' program, with projects in every one of her 254 counties, is the most complicated in the nation.

LET'S BELIEVE IN SANTA

To insure that Christmas shall be merry and full of good cheer may we never cease to believe in Santa Claus!

Boles Announces For County Superintendent

F. O. Boles, who has been Principal of the Littlefield High School for the last nine years, has announced that he will be a candidate for the position of County Superintendent of Schools in the 1934 election.

Mr. Boles was reared on a Palo Pinto County farm and worked his way through college, graduating with honors with the degree of Bachelor of Arts in 1922. Since that time he has taught 12 years in Texas public schools. He has attended summer schools four terms in the University of Colorado and Texas Technological College, receiving the degree of Master of Arts from the latter institution in August 1930. His Master's degree thesis was written on the subject of school pupil transportation in the United States and his knowledge of pupil transportation problems gained from that study should be valuable to the schools of this county.

Mr. Boles is well known in Lamb County, since he has taken an active part in all school affairs of the County for the last nine years. He believes that the rural children of the County ought to have the same educational opportunities as the children who live in towns and he believes this can be accomplished without additional tax burdens. He further believes that every effort should be directed toward the securing of more State aid for schools to the extent that all expenses of schools except local building programs and permanent improvements should be taken care of by scholastic apportionment and other forms of state aid. He declares that a definite program should be planned by Lamb County with other counties in a like situation to secure from the state an allocation of funds for this county to match the permanent school funds have been accumulated. This, he says, is the most practical way to lower local taxation.

Prof. Boles will have a more detailed statement to make after January 1st.

BAPTIST CHURCH NOTES.

The weather last Sunday was fine and many people were using it for visiting or joy riding but in spite of that we had two good congregations for our services. We are glad that we do have some people that know what a Sabbath is for. The man that just ceases from his usual labor and rests is cheating himself as well as others. The greatest value of the Sabbath is found in the opportunity it offers to the weary and sin-sick soul to commune with his Maker and rest upon His promises. Sunday is a day for eating the "Bread" of Life rather than the bread of the housewife; for making preparations to cross the "Bridge" rather than to play bridge; to hunt for the "Saviour" rather than to hunt for wild ducks or geese; and a day in which to let the "Soul" mount up on Eagles wings rather than to content the body with riding along in a new car. By using the Sabbath like its Author intended we get the best out of life.

We had a fine spiritual atmosphere in both of our services Sunday. Had two additions at the morning service and one at the night service. The two daughters of Mrs. Ives joined at the morning service and Mrs. Williams at the night service. We are very happy to have them join us. We trust others are thinking of making our hearts rejoice by doing likewise. We need you and you need us.

Interest is deepening in our S. S. and B. T. S. If you don't believe it just come into the Adult department and hear some of the discussions going on there. Also the work is getting on the hearts of the people more. At the close of one of our services a very fine and competent young lady came to us and volunteered her services in one of the departments. You will agree this is unusual and bespeaks an added interest in the work. Visitors from other churches were with us Sunday. We are always glad to have them. We are trying to follow the motto of Moses: "Come thou with us and we will do thee good."

C. A. Joiner, Pastor.

SPORTS EDITOR VISITS SUDAN.

Collier Parris, Sports Editor of the Avalanche-Journal publications of Lubbock, was in Sudan Thursday afternoon donned in hunting clothes looking for ducks and geese.

What luck Mr. Parrish had we do not know, but he's quite a hunter.

DAMRON RETURNS FROM GRAND LODGE MEETING.

Henry Damron returned Friday night from Waco where he represented the Sudan Masonic Lodge at the Masonic Grand Lodge meeting there Wednesday and Thursday.

Mr. Damron reports that more than 2,000 were present representing every state in the Union and that some were there from England, although it was only a state meeting.

SUNDAY SCHOOL PARTY.

Members of the Young People's Sunday school class of the Methodist church enjoyed a social and business meeting in the church annex Monday night. The "W's" entertained.

SUGAR CURE YOUR HAMS AND BACON.

With Wright's Ham Pickle you can easily produce delicious fancy, sugar-cured meats equal to the finest on the market. Just mix the Ham Pickle with common salt and use dry pack or brine, as you prefer. It isn't a bit more trouble than the old-fashioned, unpalatable plain salt cure, but what a wonderful difference it makes in texture and taste. Smoked or Plain Flavor.

Warning! Accept no substitute for Wright's Ham Pickle and Wright's Condensed Smoke. They are the original products of their kind. Others are mere imitations—and may be dangerous.

Ramby's Pharmacy, Sudan, Texas.

Masten Buys Ray's Cafe

Mr. and Mrs. W. R. Ray, who have been operating the Ray's cafe for the past three years, have sold their restaurant to Charlie Masten, who took charge Tuesday.

Mr. and Mrs. Ray and two children left Wednesday for Alma, Arkansas, where they will make their home in the future. The many friends of Mr. and Mrs. Ray are sorry to see them leave Sudan and wish them success in their new home.

Mr. Masten is experienced in the cafe business and will strive to give the people the same good service that Mr. and Mrs. Ray did.

Pampa To Play San Angelo At Lubbock

A capacity crowd or better of West Texas football fans are expected to fill and perhaps overflow the 8,000 seating capacity Texas Tech stadium here next Saturday, December 16, when the San Angelo Bobcats and the Pampa Harvesters battle for the West Texas high school football championship and for the right to continue in the Texas Interscholastic football race.

The game will be called promptly at 2 p. m.

The winner will have only two more games to win to be declared state champions.

Due to central location, Lubbock was selected as the site for the contest and fans in several nearby cities and towns have already started sending in reservations for a good seat. A big block of choice seats in the center of the big stadium from the forty yard lines were retained for sale to West Texas fans. A thousand tickets were sent to Pampa and to San Angelo, these being on each side of this central block. Any fan that gets a seat will have a good view of the game.

Reservations may be made with the J & J Sporting Goods Store, Lubbock. Tickets are seventy-five cents general admission with bleacher seat; one dollar grand stand seat; dollar and quarter box seat. Class A football players will be admitted for twenty-five cents when accompanied by their coach.

Special round trip rail and bus rates have been secured.

The old dope bucket has sprung a leak and fans regard the game as a toss up.

In early season the San Angelo Bobcats were defeated by the Abilene Eagles, defeated 27 to 7 by Pampa last week. Since that time, however, the Bobcats have improved one hundred per cent and over in El Paso last Saturday uncorked a passing game that looked impressive while the Bowie school was sinking before a 27 to 7 attack.

It will be both Pampa's and San Angelo's first taste of championship play and both teams will be keyed to a high pitch in an effort to go on into the semi-finals.

JOHN DOE MAKES \$303 FROM COTTON PLOW-UP.

John Doe, cotton farmer, got or will get about \$727 for his cotton crop this year. Had there been no plow-up campaign he would probably have sold 5 cents per pound and received about \$424 for his crop. John Doe, average Southern cotton farmer, was helped to an extra \$303 by the plow-up campaign.

This is the way George E. Adams who is actively in charge of the new cotton campaign at Extension Service headquarters at Texas A and M College expressed the facts on the cotton situation recently issued by C. A. Cobb, chief of the Cotton Section, Agricultural Adjustment Administration.

"Had there been no summer campaign," says Mr. Cobb, "the crop would have been larger by 4,400,000 bales. We would have had about 17,500,000 bales to add to an already heavy cotton surplus. Cotton price recovery would have been impossible. As it is the price has almost doubled what it would have been."

Total income from the expected 17 1-2 million bale crop at 5 cents per pound would have been \$437,500.00. The reduced crop, estimated at 13,100,000 bales after the plow-up would bring a crop income of \$559,000 with cotton at 9 cents. Add to this the \$112,000.00 adjustment payments which growers received for cooperating in the emergency program, and the \$48,000.00 of estimated profits on cotton options taken in the campaign, and the total cotton income from the 1933 crop runs of \$749,500.00.

"This increase of \$312,000.00 in actual income from cotton, as compared with what the full crop would have brought without the adjustment campaign, constitutes final and indisputable evidence of the success of the emergency program," declares Mr. Cobb.

"Economic recovery made possible by the new cotton income is important," continues Mr. Cobb, "but even more vital is the social significance of the changed situation. Standards of living are being maintained, and institutions which build the citizenship of the future are functioning."

"If the farmers continue their fine cooperation during the new campaign which is being launched, the whole Cotton Belt can well look to the future with optimism and confidence," Mr. Cobb concludes.

11 Blocks To Be Paved In Sudan

The work on paving of eleven blocks of Sudan's streets will start in the near future, according to Mayor W. W. Carpenter, who returned recently from Austin where he presented Sudan's application for Civil Works project.

The total cost of the project has been estimated at \$18,693.00 and will require 4,930 man days to complete the work. An average daily employment of 60 men will be used in order to complete the project by February 15, 1934, which is the estimated completion date.

The relief payroll total will be \$13,968.40, total cost of material required \$1,325.00, total cost of hand tools and rent of equipment \$2,400.00, and cost of supervision \$1,000. These are all estimated figures which were used in the application but have been approved by state CWA officials.

Four separate crews of 15 men each will be worked six hours each day. The work will be supervised by Mayor Carpenter with I. G. Morrow as the superintendent in charge.

Property owners will be expected to pay for materials used in the curbs and gutters.

What blocks will be paved, has as yet not been decided but it is certain that Main Street will be paved from the corner of Higginbotham-Bartlett lumber company to the school. First, Second and Third streets will probably be paved a block each way from Main Street.

The money for this project is being furnished by the Civil Works Administration.

EMPLOYMENT IN OCTOBER SHOWS GAIN OF 237,000.

Washington.—Industrial employment in the United States increased in October for the seventh consecutive month, according to the Alexander Hamilton Institute's current report, the number being placed at 237,000 for the month. The number employed in October showed an increase of 4,559,000 over the depression's low reached last March.

MISCELLANEOUS SHOWER

Mrs. Melvin Robertson and Mrs. Jones gave a miscellaneous shower at the home of the former, Thursday afternoon at 3 o'clock, in honor of Mrs. F. B. Talbot.

This event was a complete surprise to Mrs. Talbot. While Mrs. Robert Masten played "Silent Night," little Miss Joy Adams and E. Lane Jones presented Mrs. Talbot with a basket of gifts.

Those enjoying this happy occasion were: Mesdames Watis, Covington, Findley, Kester, Ladd, Peachy, Gorden, Oglesby, Masten, Davis, Roark and Thomas.

HOLIDAY PRODUCE TRADE STRONG.

The holiday produce trade is good for Sudan Produce company, its shipments during the past few weeks indicate.

Mr. Teal, who is manager of the local produce, has shipped more than 15,000 pounds of turkeys to Lubbock and other points where they will be dressed for the Christmas market.

Produce prices have improved in anticipation of the holiday demand for this type of food.

SUDAN FOLKS ATTEND HARVEST DAY PROGRAM

Sudan was well represented at the Harvest Day Program at Plainview, Thursday. Those going from here to attend the meeting were: Rev. and Mrs. Sam A. Thomas, Mesdames Franks, Dean, Broyles, Dryden, Boyd, Robert Masten, G. Masten, and Mr. A. W. Ormand.

A meeting of the district stewards and pastors also met in connection with the program.

The entire district was represented there.

INJURED IN CAR WRECK.

Webb Watts' father was injured in a car accident near his home at Wellington Saturday, according to word received here Sunday morning by his son.

Music Recital At School Thursday

There will be a recital of the piano and expression pupils of Miss Mary Frances Akard at the high school auditorium, Thursday, December 21, at 7:30. The public is cordially invited to attend the recital, which is the first to be presented this year.

Mayor Carpenter is to be congratulated on his good work at Austin recently where he spent two days in getting the Civil Works project for Sudan approved. By consistent efforts, he was able to get \$18,693.00 for the paving project in Sudan. It will only be a short time until this work will be started and the citizens will start reaping the benefits.

Our local mayor had his project planned and application made out and approved before any other Lamb county town. Speed means a lot when it helps in starting the employment of 60 men.

INTERSCHOLASTIC LEAGUE

The Interscholastic League meets in March; the exact date has not yet been set. It is time now to begin work. Don't wait until the last minute to start. The League exists not for a few snobs but for every school. It should be used to stimulate an interest in the pupils to make use of their talent whatever it may be. The value to be derived from this work comes from the practice and training for the work. When you enter the League, remember that the contest are only a means to an end, and hence the mere fact of winning should not be taken too seriously. Sudan has ability! Let's show it!

CARNIVAL

After working for the past two weeks Sudan High School put over the best Carnival ever presented in the history of Sudan. At four bells the big shindig began with a parade. The procession was led by three small boys carrying the American flag. The seniors were first, their candidate riding on top of a car which was beautifully decorated in red and white, their class colors. They were followed by a car of loyal seniors. Then came the Juniors queen and her escort who rode horses. The sophomore queen followed; she also rode a horse. The freshman queen rode on top of a car and the grammar school queen rode horseback. The Parade was accompanied by a large number of students and teachers.

At seven o'clock, a great number of people started crowding in the building. The booths were very crowded and took in quite a lot of money.

There was a number of plays and entertainment, such as style show, negro minstrel, doll play, and tap dancers from Littlefield and Sudan.

The climax of the evening came when the procession of the queen and their escort came to the stage. The grammar school queen, Miss Vivian Covington, was dressed in white; the freshman queen, Miss Edna Coconougher, was dressed in yellow; the sophomore queen, Miss Virginia Verreen, was dressed in white; the junior queen, Miss Nina Coconougher, was dressed in black; and the senior queen and queen of the carnival, Miss Katie Wilson was dressed in blue. The escorts, John Henry Coleman, J. O. Barnett, Marvin May, and Bill Liston were dressed in dark suits. Katie was crowned queen of the carnival by her escort, Bill Liston.

About \$225 was taken in. This money will be used for library and athletic equipment.

Rings??? Yep, They're Here!!!

Our rings are here and are proud of them! Mr. Jackson surprised us last Friday by giving us our rings the last minute of the last period. And they are really beautiful. We urge the Seniors who don't have theirs to come and get them.

We Wonder Why.
1. Lena Ruth Harris hurries home from school every afternoon.
2. Bill Liston is always dreaming.
3. H. B. King spends so much time visiting school.
4. Katy Wilson never carries her own books.
5. Catherine Carruth brings candy to school everyday.
6. Juanita Hazel quit chewing gum in bookkeeping class.
7. Mr. Smith wears his new suit to school.
8. Xezvus Cockerham took a sudden interest in boys basket ball.
9. Louise West is always happy.
10. Kathryn Hunt likes sixth period study hall.
11. Red Malone spends so much time in town.

Grammar School News

First Grade: Miss Hartsell reports that they were very sorry to have June Crouch, Earline Benson, and Juanita Featherstone withdraw from school.
Second Grade: Ora Mae Johnson is a new pupil from Littlefield.
Third Grade: Miss Shuttlesworth and Miss White have charge of the P. T. A. program, Wednesday, December 29. The program consists of "The Xmas Pledge"—a play and "Pantamime"—by six girls.
Betty Ross and Ida Miller Rae are moving to Fort Smith, Arkansas. Harold Lukenga is moving to Hydro, Oklahoma.
The grammar school is getting ready for six weeks exams. The rooms are being decorated and Christmas trees are being put up. They were very proud of their candidate for queen, Vivian Covington, who won second place in the school.

JOKES

So He Did?
Student: "What would you advise me to read after graduation?"
Prof: "The 'help wanted' columns."

Neither Can Rabbits Make Both Ends Meet
Jasper: "Why is a rabbit's nose so shiny?"
Casper: "Because its powder puff is at the other end."

The class has been told by the teacher to write compositions in which they must not attempt any flights of fancy but should only tell what was really in them. The star production was turned in by a boy who wrote: I shall not attempt any flights of fancy but will rite what is really in me. In me there is my stumick, heart, lungs, liver and other innards, two sandwiches, three

doughnuts, and three apples."
Wife—Please hurry up. Haven't you ever buttoned a dress behind before?
Hubby—No, you never had a dress that buttoned before behind.

Letters To Santa Claus From His Little Friends

Sudan, Texas, Dec. 12, 1933.

Dear Santa Claus:
I am not going to ask for so much this Xmas. Please bring me a pair of moccasins, a new red purse, a nice book or 2, a new black book sachel, a doll, and some fruits and nuts.
Respt.
Charlie Rhea Crawford.
December 10, 1933

Dear Santa:
Please bring me a doll, some little dishes, a rocker and fill my stocking with eats. Bring baby sister a rubber doll and a little red chair.
Jean Rogers.
P. S. And Santa I want a little wagon.
December 10, 1933

Dearest Old Santa:
I want you to bring me a new doll. My old one is worn out, because I've had it so long and you can bring me something else too, Santa.
Johnnie Lucille Mayo.
P. S. Dear Santa: Please bring my little brother a scooter and a gun, because he hasn't got any. Santa. Tommie Wade Mayo.

Stegall School, December 11, 1933.

Dear Santa,
We hope you can come to our Christmas tree.
Please bring me a steam shovel, a racer, a little tractor, and some nice things for my school mates too. We have all tried to be good.
Jackie Holt.
Dear Santa:
I have been a pretty good

girl and I want you to bring me a little red trunk a set of silverware, and if you can a little ironing board and washing machine. You see I don't need a baby doll as I have 3 and 4 would be too many. And please remember mama and daddy. I would like for you to see all little boys and girls.
By, from
Fannie Lu Sebring.
Sudan, Texas.
Dec. 12.

Dear Santa,
I am a little boy 3 years old and I'd like for you to bring me a little train, a little washing machine, some little gloves to keep my hands warm, a little gun and belt, and lots of candy, fruits and nuts.
I love you Santa.
Tommy Dwayne Fondren.
Sudan, Texas.
December 8, 1933

Dear Santa Claus:
I am going to school now and I am in the fifth grade. I am eleven years old the first day of January and I want you to bring me a Winchester and some apples, oranges, nuts and some candy.
With love,
James Warren.

CIRCLE GIN BURNS
The Circle Gin near Oltor burned Thursday morning of last week, causing a loss of \$27,000 which was partly covered by insurance.
The gin which was completed October 15, had already ginned 2200 bales.
Origin of the fire is unknown. The 15 bales of cotton on the platform which burned was covered by insurance.
Mr. Hobbs says that \$16,000 worth of insurance was carried and that the gin will be rebuilt.

MILEUR'S HATCHERY AND FEED

CHURCH OF CHRIST.

Brother Speck will preach at the Church of Christ Sunday morning and evening. So many have ask him to speak on the "Mark of The Beast" till he has consented to do so. He spoke on the subject about one month ago, but because it was raining many did not hear him and for their requests he will speak on that subject Sunday night. Be sure and be there for there will be people from the near towns to hear whether it is the N. R. A. or what it is. A large crowd and many good singers were at the singing Tuesday night. Come and join in next Tuesday evening at 7:00.

Mrs. J. M. Hillard's son died at Hugo, Oklahoma, recently.
