about
dimmitt
and
castro
county

by bascom nelson

ard-driving rainstorm, backp
with hail ranging from
to golf ball size, dumped
nches of moisture on Dimm
from 4:30 to 6 p.m., Thurs
afternoon just before press
Preliminary reports were
the heavy hail continued as
est as Bovina and as far east
alia. However local damage
all apparently eased up about
miles west of town. Only
s were reported in one area
of Dimmitt. Rainfall re
were that Hart received only
ce of moisture. A report from
reth was .20 of rainfall and
hail.

ile glancing through one of
exchange newspapers that ar
here every week we were
ished to see a story in one
said certain towns in Swe
were building junkyards for
ren's playgrounds.

e article went on to relate
they had found the creative
ies and soul satisfactions of
ren who played in these junk
were considerably inhaled
unkyard surroundings. Child
it seems, who play in plain
common, ordinary, garden
ty playgrounds just play and
s all.

e could have told them this.
child we took great delight
anging around the city dump
wrecking yards. This is a
t that still lingers. Something
s us with terrific curiosity
y time we pass the final rest-
places of the multitudes of
banical contrivances others
e thrown to the wayside.

re're not the only one, either.
e are a good many men in
town who keep a running in-
ory on what Bill Nichols has
his wrecking yard in south
mitt.

ny good wrecking yard can be
fulfillment of a casual desire
reate from the cast-off arti-
s of others. For instance, the
t axle of an old pickup can
a basis of an excellent low-
r-trailer. The gears out of an
gas pump can be used to make
evolving merchandise display.
searce \$10 auto part can be
chased either at half price or
the pound. Wiring, angle iron,
e, and just things in general
e found in abundance by any-
willing to do a little engineer-

o if your boy comes home with
old egg-beater in one hand and
broken car jack in the other,
t reprimand him. He may be
ing his cue from the Swedish
l is working his way toward a
eral education in the fine art
junk rehabilitation.

The wheels of progress are pon-
ous, slow and awkward, but
y usually turn. Dimmitt, for
ance, hasn't accomplished much
the past couple of years—ever
ce the City Park was complet-
in 1956.

But since last spring the wheels
e lurched around and made
siderable movement. The cur-
nt paving program, started last
l, is being brought to a close.
liminary work is being done on
\$90,000 sewer and water facility
pansion program. Only this week
y employees began throwing the
st of the asphalt pre-mix on the
rk's future tennis courts and
skatball courts. At least one new
idental addition is being read-
l and the street-sweeping ser-
ce has been improved. And a
ittle League program has been
arted.

Dimmitt may not set the world
l fire when it comes to moving
read—but we doubt if any small
wn of about the same size in
is area can stay up with us.

Despite Dimmitt's enviable re-
rd for the past ten years it's
t the only town in the county
hose wheels of progress have
red. For a small town, Hart
taking tremendous strides and
ds well to be a modern city
meday.

The movement forward of these
vo towns has good purposes.
here have not been any improve-
ents in either that have failed
o make more convenient the liv-
g of all their citizens.

Next to this column is a story
bout Mr. Edwin Ramey receiv-
g a button for 35 years of con-
sistent weather recording. We've
aid very little about his work in
the past, but it is through his ob-
servations that this newspaper and
the news media have been able
o report rainfall amounts over
the past years. His work has been
o considerable importance and he
as done it conscientiously and di-
gently. Not only the weather
ureau, but Castro County, too,
wes Mr. Ramey a vote of thanks
or his work.

Mr. Ramey has always been an
interesting person and it's our
guess that if anybody knows more
about Castro County history than
Mr. Ramey it would have to be
Mrs. Lilly Mpe Hunter, now of
Dalhart, who has written a book
on the subject.

PIN FOR LONG SERVICE—H. C. Winburn of the Amarillo Weather Bureau (left) presented Mr. Edwin (Goose) Ramey with a pin for 35 years continuous volunteer service in maintaining weather records for the Bureau for Castro County. The presentation was made Tuesday at the weekly Lions Club luncheon. —staff photo

Edwin Ramey Completes 35 Years As County's Volunteer Weatherman

Mr. Edwin (Goose) Ramey was presented with a lapel pin Tuesday for his thirty-five years service as a volunteer observer for the US Weather Bureau.

Betty Sue Woodburn Studies In Europe

Betty Sue Woodburn, daughter of Mrs. J. L. Moore of Dimmitt and beauty operator at Fern's Beauty Salon, left Friday for New York where she boarded a plane for London, England. She will study hair styling under two hair stylists, one at Paris, France and another at London, England. She will also go to Spain, Italy, and Holland on a sightseeing tour. She expects to return to Dimmitt June 6 and will resume her duties of operator at Fern's Beauty Salon. Miss Woodburn is a '58 graduate of Dimmitt High School and of Isbelle's Beauty School of Lubbock.

records, however, since 1911 when he decided he wanted them for his own information.

He has turned the position over to Howard Cook, who will be the official Castro County weatherman in the future. According to Mr. Ramey, Mr. Cook will also be able to give high and low temperatures for different periods from equipment supplied him by the weather bureau. This is in addition to the regular rainfall tabulations.

After making the award to Mr. Ramey, Mr. Winburn went on to cite the important role played by volunteer workers in managing the weather affairs of the country. They are people who watch and record rainfall, temperatures and other weather aspects and also who watch for tornadoes and severe storms.

RECEIVES SEARS GILTS—The above 4-H boys were awarded Sears Gilts Saturday morning at the Fair Grounds. The boys will turn the best gilts in the litters from these pigs back into the program for future participants. Shown with their pigs are (left to right) Rodger Dale Lancaster, Ronnie Sheppard, Ronnie Lynn Hutcheson (whose pig was from a late litter and not ready for delivery), Keith Johnson, Thomas Fowler, Dan Petty, Clint Summers, and Richard Connell. —staff photo

THIRTY SECOND YEAR DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, MAY 21, 1959 10 PAGES—NUMBER 30

Little League Team Formation Set For Saturday Afternoon at Ball Park

Little League Baseball will get under way Saturday at 1 p.m. at the Dimmitt Ball Park.

Boys wishing to play in the Little League this summer should be at the ball park at 1 so that the coaches may make their play-

er list. The tryouts will last three or four hours.

Coaches will turn in their list of players to C. D. Klemm, the Players Agent, and he will hold the auction for the purchase of players.

The boys will be notified which team they will be on and when and where to report for practice.

Livestock Survey To be Taken by Post Office

Postmaster Tom Bice announced today that Rural Mail Carriers will begin distributing June 1, 1958 Livestock Survey Cards to patrons on their routes about May 21.

This mid-year livestock survey is the first of three which the Post Office and U.S. Agriculture Departments cooperatively make each year. The June 1 survey provides basic information to the Texas Crop and Livestock Reporting Service in Austin for estimating 1959 calf crop; what the spring pig crop actually numbered and a preview of farrowing intentions for the fall season. Also, poultrymen will get information on number of chickens raised during the spring. Those chickens will be the coming fall and winter's laying flock.

To be sure our community is well represented in this survey, Postmaster Bice urges each patron receiving a card to fill it out and return to his mail box.

Rural mail carriers working on this project are Route One, Jess Ford; Route Two, E. L. Carpenter; Route Four, R. L. Hance; and Route Five, Jess Ford.

Big Square to Host Business Men and Farmer's Dinner

A Farmer-Businessman's dinner will be held at Big Square at the Community building Tuesday night, May 26 at 8 p.m., according to an announcement by Edd C. McLeroy, chairman of the Chamber of Commerce Banquet Committee. The dinner will be served by ladies of the Big Square Community Club. It is open to all businessmen in Dimmitt and tickets may be obtained at the Chamber of Commerce office. Previous businessman-farmer dinners have been held at Arney and Nazareth this year. They are usually well attended and have attained considerable popularity in and around Dimmitt.

THIS SPECTACULAR FIRE broke out just before noon Monday in the home of Mr. and Mrs. John Leinen at 206 West Halsell in North Dimmitt. The Dimmitt Volunteer Fire Department had the fire under control in less than 45 minutes after the alarm was turned in and a nearby home was not seriously threatened despite strong winds from the west. The Leinen family lost virtually all their possessions and while the west half of the house was left standing there was little left to salvage. The house belonged to Mr. C. E. Ramsey of Dimmitt. He had recently purchased it from Mrs. W. M. Webb who had lived there for many years with her late husband, Mrs. A. I. McGowan and Mrs. J. B. Moore took up a collection for the Leinens and their five children immediately after the fire. The amount collected until Wednesday was \$271.68. Both Mr. and Mrs. Leinen were out of town when the fire occurred. He is employed by Page Construction Company. —staff photo

Sports Courts at Park Receive Asphalt Coat

Asphalt premix is being applied by employees of the City of Dimmitt this week to the City Park basketball, volleyball and tennis courts. Tentative plans call for the courts to be ready for use by June 1. The new modern courts are part of the City's continuing program of park improvements.

Norma Battles Named to State Science Course

Miss Norma Dean Battles, a senior next year in Dimmitt High School, has been selected to participate in the Summer Science Training Program at Texas Woman's University in Denton from June 3 to August 19.

NORMA DEAN BATTLES

Miss Battles, the daughter of Mr. and Mrs. R. E. Battles north of Dimmitt, was selected on the basis of her aptitude in science and mathematics. In a letter this month to Miss Battles, Mr. Robert W. Higgins, director of the Summer Science Training Program, said: "It might interest you to know that you were chosen from 370 applicants, all of whom had extremely good records and were highly recommended. Your selection then, constitutes a distinct honor and we offer our hearty congratulations."

Mr. Raymond King Guest Speaker at Church Here Sunday

Mr. Raymond King, Lay Evangelist from Lubbock, will be a guest speaker for Sunday Services, May 24, in the Lee Street Baptist Church. He will preach for three services, early morning worship, 8:45; morning worship, 11:00 and evening worship at 7:00 p.m.

Mr. King was an evangelist for the church's Brotherhood Revival which was held in April.

He will be speaking in the absence of the pastor, Murry Brewer who will participate in the Baccalaureate services at Wayland Baptist College in Plainview.

Everyone is invited to attend the services.

New Nazareth Legion Building

The above building, in west Nazareth, will house the Nazareth American Legion Post. Of modern concrete block construction, the new building was dedicated May 9.

Cancer Society Elects Officers

The Castro County Unit of the American Cancer Society met Thursday evening in the Community Room of the First State Bank for the purpose of giving a report of the years work and the election of a new Board of Directors and officers for the coming year.

Nazareth Legion Selects Delegates To Boys and Girls State at Austin

LEROY HOELTING

DIANNA HOELTING

Dianna Hoelting and Leroy Hoelting were selected as the Nazareth High School Girls and Boys State Representatives.

This program is set up for boys and girls who have just completed their Junior year in High School and who meet the required qualifications, some are leadership, honesty and character.

This 1959 session of Boys State will be held on campus of the University of Texas in Austin, June 7th through the 13th. Girls State will be held on the campus of the State School of the Blind, in Austin, June 10th through the 19th.

The purpose of Girls and Boys State is to educate our youth in the duties, privileges, rights and responsibilities of American citizenship. For a period of time the citizens organize their own city, county and state governments.

Miss Hoelting is the daughter of Mr. and Mrs. Frank Hoelting and Leroy is the son of Mr. and Mrs. Greg Hoelting.

ARNEY NEWS

Mr. and Mrs. J. C. Gardner and daughter, Elaine of Dimmitt visited with the W. E. McFarland Sunday evening and attended church at Arney.
 To Boyd and Hollis Payne and Rebecca Martinez visited Sunday in the home of Mr. and Mrs. Harry Edmonds.
 Mr. and Mrs. A. W. Currie and daughter and family, Mr. and Mrs. J. D. Kitchen of House, New Mexico met in Hereford Saturday to attend the horse show.
 Mrs. Kenneth Shelton and children spent Friday night in Chappin with her parents, Mr. and Mrs. Floyd Tomlinson. Mark Mrs. Williams' young son, remained

to spend the week end with his grandparents.
 A stork shower honoring Mrs. Herschel Harrison was given in the home of Mrs. Duizer Thornton Tuesday afternoon.
 The honoree was presented a corsage made of pink and blue baby size. Corsages for the hostesses were made of spring flowers.
 Mrs. Walter Via and Mrs. Duizer Thornton were in charge of the games. Following the playing of the games, the gifts were presented to Mrs. Harrison. Mrs. Mansford Coatsman and Mrs. C. G. Harrison assisted in opening the gifts.
 The serving table was covered with a blue cloth over laid with a lace table cloth. The centerpiece carried out the stork shower motif.

with tiny egg shell cradles holding tiny baby dolls and a tiny stork, hanging from branches of a silver sprayed miniature tree. The guests served themselves from plates of pink and blue tinted cakes, nuts and mints and lemonade.
 Hostesses were Mrs. Duizer Thornton, Mrs. Florida Vaughan, Mrs. Walter Via, Mrs. Charles Cole, Mrs. Steve Cole and Mrs. Bonnie Barrett.
 Sunday Mrs. Tito Cordova returned with her husband to Booker Oklahoma where he has work. She expects to return home the latter part of this week.
 Mr. and Mrs. C. G. Harrison of Silverton visited the Herschel Harrison last Tuesday.
 Mr. and Mrs. Sammy Cotes spent Sunday in Hereford with his family. Mr. and Mrs. Grady Cotes.

Alman First Class and Mrs. Alvin Goats and children, Dean and Beulah from Abilene, Alaska spent Friday night with his cousin and family. Mr. and Mrs. Kenneth Shelton. The family was enroute to Arkansas for a month's visit with her family.
 Mr. and Mrs. Leo Witkowski left last Saturday to go to Lorado where they are attending a convention of the Knights of Columbus. They expect to return on Friday. Meanwhile, Mrs. Pat Craddock, Mrs. Witkowski's sister, and Mike from Plainview are here staying with the Witkowski children.
 Mr. and Mrs. Dannie Scott and daughter, Debra, spent the week end in Lubbock visiting relatives.
 Miss Mary Jean Boyd, bride-elect of Hollis C. Payne, was honored with a tea shower Saturday afternoon in the home of Mrs. W. E. McFarland.
 The honoree was presented a corsage of red carnations. Receiving the guests were the honoree and Mrs. McFarland.
 The bride-elect's chosen colors of blue and white were carried out in the beautifully appointed table. The tea table was laid with a white damask cloth and the centerpiece featured an arrangement of drift blue iris and loral swaths. The white napkins carried a design of wedding bells in silver and were lettered "Jo and Hollis" in silver. They white mints in the shape of wedding bells were served from a crystal bowl. Crystal and silver appointments completed the arrangement of the tea table.
 Mrs. Kenneth Shelton served the individual white cakes which were lightly decorated in blue and topped with tiny white twin wedding bells. Mrs. Harry Edmonds poured the punch.
 The shower gifts were placed on a large table as each guest arrived. The table carried an ar-

range of Marasconi daisies and pink roses in a crystal epergne. Following the playing of games, Miss Boyd opened her gifts assisted by Miss Rebecca Martinez and Mrs. Herbert Ray.
 Hostesses were the ladies in the Arney Baptist Church.
 Mrs. Kenneth Ebb and Children shopped in Dimmitt Saturday afternoon and visited with Mrs. W. M. Kempe.
 Mrs. Loyd Fowler honored her daughter, Barbara with a small party Sunday evening on her fourteenth birthday. Cake and coold were served the guests. Patsy Neil and Viola Mae Southerland remained to spend the night with Barbara.
 Mr. and Mrs. Richmond Hale and children of Canyon visited with Mr. and Mrs. Kenneth Bibb Saturday evening.
 Leonda and Lana Beth Thornton returned home with Mrs. Bonnie Barrett from church Sunday. After lunch the girls were taken to the Truly Coles to spend the afternoon with Sherry and Marilyn.
 Mr. and Mrs. A. L. Lincock of Petersburg came Sunday morning and attended church with her regular and family. Mr. and Mrs. Kenneth Williams and spent the day with them.
 Mr. and Mrs. A. W. Currie went to Snyder on Mother's Day to visit her son and family. Mr. and Mrs. Vernon R. Duff, Mrs. Ralph Richards, Mrs. Currie's daughter and family, came over from their home in Bronte to spend the day with her mother also.
 Mrs. W. E. McFarland, Rebecca Martinez, Elana and Suzanne Cordova attended a piano recital of Mrs. H. E. Hershey's pupils in Dimmitt Monday evening. Elaine Gardner was among those students presented in the recital.

"Just Tho't U'd Like To Know"
 DELAYED FROM LAST WEEK
 Were you one of the lucky ones who grew up on a farm? If not, you missed half the fun of growing up.
 Have you ever passed by a big barn and wonder just how it is arranged inside? I have, and I still do.
 I'm speaking of those large barns with a big hay loft, some grain bins, a gear or harness room, etc. The "combing" kind of a barn.
 I particularly liked to explore the hay loft of a barn. And it was a great "climbing" and "climbing" hide-away place, especially if there was a knot hole or two in the top and a single missing or any place for the sun to beam through and for you to look out of at the sky... or better, yet, one in the side where you could have a peep-hole towards for enemies approaching.
 There were usually some rafters to walk on. They were mostly two by fours... sometimes, but rarely, two by sixes. Quite an art to walk them without holding...

AND YOU GET ALL THESE BUILT-IN DIVIDENDS, TOO...

... you just can't beat **ELECTRIC COOKING!**

Those who enjoy the flavor of fine foods cooked electrically just won't cook any other way. Vegetables are cooked in covered pans using just half a cup of water. Result: healthful vitamins and minerals are "locked in" and food tastes good. Roasts retain natural flavorful juices and shrinkage is less than 15% — and that means money saved.

SEE YOUR REDDY KILWATT **ELECTRIC APPLIANCE DEALER**

way up there... high off the bottom.
 And then there were the beloved grain bins to play in sports had to sneak to play in them, however, as my Dad wasn't too happy about our jumping off the sides down into the grain, for some reason or the other.
 I remember one time in particular when a girl friend of mine and I were playing in the bins and we heard my Dad coming. The only exit was the little door, high off the ground, where he scooped the grain through. Out we scrambled, but we were afraid to jump. So we just held onto the bottom of the door facing. Well... what should come along but this nice, big friendly (?) black, fuzzy trantula: "Wow!!! Were we petrified!" That thing just ambled across my tingers as nice as you please. I nearly died. I have never held a very kind feeling toward those critters, even at a distance... but to have one touch me, well... I couldn't even hold it!
 And, to top it all off, we didn't

Just The UJ Like To Know

I have been wondering how the youngsters of my generation ever lived to be grown! We didn't have the penicillin, acromiastin, chloramphenicol, or even the vitamins of today. The most I remember about medicine was that we took little pink or white powders, calomel, I think (and how the last few would choke a feller) a dose of Castoria, Castor Oil or Mineral Oil. We didn't try to disguise the taste, either, in those days. Or if we got a skinned knee we got a dab of monkey blood (mercurochrome) on it, or maybe, we might get a nice "rag" band-aid. We very seldom had the service of a doctor. If we did, he'd just give us some more powders or Castor Oil.

And how did we keep from contracting all sorts of diseases when we would go swimming in "old swimming holes" full of tad-poles and leeches? And whatever kept us from taking pneumonia when we would get out and just let our clothes dry on us? But didn't we have fun? I remember making (and tasting) mud-pies. I often used real grass in them... just like mother did. And we would make soda-pop with some berry juice and water. However, I don't remember ever drinking it. It just didn't taste good. As some of the berries we used were considered poison.

And I'll never forget the work we'd expend carrying water for a half a mile or so just to see what we could drown out of a hole in the ground (skunks and all... I remember the wonderful feeling several of us got when we drowned out a badger. Big fellow, too. He didn't come all the way out, but just far enough to get his foot caught in a trap we had set in the hole. We pulled and pulled on that string, but he'd just dig his claws in a little deeper and we couldn't budge him until my cousin, who was a little older than I, hit on the idea that maybe our Model T would have a little more power. He went up to the house and daddy came back with him so he could do the driving. We hooked a chain on the car and on the trap, and sure enough, we hit him out.

We kept him overnight, or rather part of the night... in the car. However, when we went out to check on him the next morning, he was gone. Daddy never admitted it but he certainly didn't deny it.

Margaret Odom To Graduate From Wayland College

Margaret Odom, Dimmitt, is among 58 candidates for graduation at Wayland Baptist College commencement exercises May 25.

Commencement ceremonies begin May 24 with the baccalaureate services being held at 10:50 a.m. at First Baptist Church. Miss Odom and her family will be honored guests at 4 p.m. at the reception given by President and Mrs. A. Hope Owen at their home on campus.

Graduation exercises will be held at 8 p.m. May 25 with Richard M. Morehead, Austin correspondent of the Dallas Morning News, as commencement speaker. Both he and Rev. Howard Scott, Hereford, who will deliver the baccalaureate sermon, will have honorary degrees conferred on them.

Daughter of Mr. and Mrs. D. H. Odom, Dimmitt, Margaret has been a member of National Champion Hutchinson Flying Queens Basketball team and was captain this year as well as being chosen to the All-American team. She served as president of her residence hall and has been a member of Wayland Science Club.

Miss Odom is among 58 candidates from nine states and two foreign countries who will be graduated this spring in Wayland's Golden Anniversary Class. This is the eleventh graduating class since the West Texas school became a four year, degree granting institution.

GARDEN CLUB INSTALLS OFFICERS—The Dimmitt Garden Club installed new officers Tuesday in the Ti-Rawl Dining Room. From left to right they are Mrs. Buster Cooper, vice-president; Mrs. Frank Mears, Jr., secretary-treasurer; Mrs. W.H. Curtis, president; Mrs. Eugene Morton, historian; Mrs. Sid Sheffy, reporter; and Mrs. Raymond Wilson, parliamentarian. The arrangement being held by Mrs. Curtis signifies a wheel as an unbroken circle with spokes representing each officer leading outward. Officers were installed by Mrs. Pearl Sheffy. —staff photo

LeNora Jo Poe to Graduate From NTSC

LeNora Jo Poe of Dimmitt is one of more than 550 seniors who have applied for bachelor's degrees at North Texas State College this semester.

Baccalaureate services will be held at 11 a.m. May 31 in the main auditorium. Dr. Noel Keith, professor of religion at Texas Christian University, will be the speaker. Commencement exercises are scheduled at 8 p.m. the same day at Fouts Field.

Miss Poe, a 1953 graduate of Dimmitt High School, is a candidate for the bachelor of science degree in secondary education. She is the daughter of Mr. and Mrs. Paul C. Poe, now of Aztec, New Mexico.

Rebekahs Have Deputy President As Guest Thursday

The Dimmitt Rebekah Lodge No. 54 had as their guest Thursday night, May 14th The District Deputy President, Mrs. Lydia Hopson of Hereford. This was her Official Visit to the Dimmitt Lodge. Also attending with her from Hereford were three other ladies from the Hereford Lodge. Jennie Burch, Noble Grand, had charge of the meeting. Other officers filling chairs were: Vice-Grand, Ocie McCormack, Warden Nell Copeland, conductor, June Hamilton, Chaplain, Polly Bell, Recording Secretary, Cordye Birdwell, Financial Secretary, Doris Word, Treasurer, Mayme

Birdwell, Guardians, Willie May Reynolds, Sarah Blackwell, Past Noble Grand, Gail Nelson, Lodge Deputy, Jaunita Bruegel Supports to Noble Grand and Vice-Grand, Connie Ivey, Rebecca Ewing, Charity Moore, Wilda Hawkins.

A delicious Salad Supper was enjoyed by members and guests. If you are a Rebekah, you have a cordial invitation to attend.

GAS LIGHTS

AROUND THE PATIO

BY THE STEPS

ALONG THE DRIVEWAY

Time hallowed... timeless... timely! Gas Lights, sweeping the country with their mellow glow, are all of these. They bring back the charm of the vanished era that bore their name. Yet they reappear, not as period pieces, but as handsomely functional accessories for any home. And their versatility makes them timely, indeed, as people do more and more outdoor living, by night as well as by day. Gas Lights do not attract bugs... they welcome guests, warn away trespassers. Wherever the moon is not enough, a Gas Light belongs! Get details from Pioneer Natural Gas Company, tomorrow.

This summer, enjoy sumptuous outdoor dinners with a GAS PATIO ENJOYER. Features tantalizing electrical flavor with none of the heat of charcoal! Cooks faster than charcoal, too, and is so simple to operate that even the children can be assistant chefs. Ask about it.

2 Full Years to Pay
6 MODELS, PRICED FROM \$49.50 - INSTALLED
* UP TO 50 FEET OF GAS LINE INCLUDED IN NORMAL INSTALLATION. WHERE BORING UNDER CONCRETE IS REQUIRED, THE COST IS \$1.00 PER FOOT. TUBING REQUIREMENTS IN EXCESS OF 50 FEET \$25 PER FOOT.

GET READY FOR BIGGER CROPS IN 1959 with DOW 82 AMMONIA

This year farm operators see conclusive proof that use of ammonia produces substantially bigger crops. In areas where weather prevented application of Nitrogen, yields are down. Where Nitrogen was used, who had check plots report highest returns on their investment in fertilizer.

Get ready for next year's big crop. After milo harvest, ammonia. Milo stalks and roots provide the ideal organic material for fertilizer work best for you. Dow's 82% Nitrogen speeds decomposition of turned-under stalks; improves soil fertility. Dow 82 resists leaching the ground, ready for use. Spring plantings get a healthier, quicker developing vigorous root systems that help prevent blowing soil.
