Personality Of The Week

By Wanda Payne

The winning personality at Ranger College this week is that of Kenny Wells, nineteen-year-old son of Mr. and Mrs. J. C. Wells of Sudan, Texas. A sophomore at Ranger College, he is majoring in engineering.

He is a 1957 graduate of Sudan High School, lettering three years in football and two years in track. A popular student, he was also class favorite his junior year.

Kenny has been an outstanding student. He was a 1957 letterman as halfback for the Rangers. He was also a member in 1957 of Phi Theta Kappa, a national honorary scholarship society, and is Vice-president of the fraternity this year. This handsome young man was selected as Mr. Ranger College last year and was featured with the Homecoming Queen in "The Ranger," the college yearbook.

Kenny is noted on the campus

for his pleasant smile; his agreeableness and friendliness have won him many friends. He is a sincere, hard-working student, one of whom Ranger College is proud. He will no doubt take the leadership in student activities on the campus this year.

Mrs. James P. Morris, Dean of Women, and Miss Mattie Jo Bentley, sophomore cheerleader, were guests of the Eastland Rotary Club at their weekly luncheon Monday, Sept. 29. Miss Bentley has been given a scholarship to Ranger College by the Eastland Rotary Club, and both she and Mrs. Morris expressed appreciation for the scholarship at the luncheon.

The sophomore girls at the college this year have settled down to a work and study routine after varied summer activities. Paula Angus, Wanda Payne, Jonell Penney, Carolyn Weaver, Mattie Jo Bentley, Barbara Rodgers, and Barbara Mauldin attended summer school at Ranger College. In addition Paula Angus, worked at the City Hall, Jonell Penney worked at the swimming pool; Carolyn Weaver worked at Tommie's Grocery and Campbell's Service Station; Mattie Jo Bentley was employed in Earl Bender's office in Eastland; Barbara Rodgers worked at Duke and Ayres, and Barbara Mauldin worked as receptionist for Dr. Marshall Jolly.

Sherry Baker had a most interesting summer working for the Southern Baptist Sunday School Board, as one of the invincibles. Her work took her to various parts of Texas.

Deanne Hazard worked for the Southwestern Bell Telephone Co.

Patsy Jackson spent the summer at her home in Carbon and visited in Midland.

Wanda Payne spent part of the summer with her sister in Odessa.

Carolyn Weaver spent her vacation in Galveston.

Soil Conservation Voting Set Tuesday

A very important Soil Conservation District Supervisor election will be held Oct. 7, 1958 at 7:00 p.m. in the Texas Electric Conference room in Eastland. A conservation film, about 25 minutes in length, will be shown prior to the election. Coffee and doughnuts will be served to the group.

The election will be for the purpose of electing a supervisor for Sub-Division 5 of the Upper Leon Soil Conservation District. Sub-division 5 of the district includes that portion of Eastland County in the Upper Leon SCD lying north and east of the M.K.T. railroad which runs from Gorman, to Cisco, and extending to the Wichita Falls and Southern railroad on the east which runs from Ranger to Decatur.

This SCD was organized by interested landowners on Dec. 14, 1949 under the provisions of State Law. It is a sub-division of State government and is directed by the local people through an elected governing body of five landowners known as the "Board of Supervisors." Term of office of a supervisor is for five years which means that an election is held each year in one of the five sub-divisions of the district. In this way the Board is composed of four men and the newly elected supervisor. Last year, B. B. Hickman of Rising Star, representing sub-division 4 was elected supervisor. F. M. Spur-

TAXI ASSISTS TAXI—Unlike a fish out of water, this big Navy PBM Seamount gets a terrestrial taxi ride from a newly developed beaching vehicle at the Martin Company's Baltimore seaplane. Top photo shows the device ushered into the water. The Seamount, center photo, heads for the floating taxi whose hydraulic pads will grasp the plane's hull. On land, bottom photo, the PBM, nestled in the beaching vehicle's cradle, taxis under its own power.

pounds per man. Team No. 2 has a heavier line, weighing 1,359 pounds, with an average of 194-pounds per man.

In the changing pattern of the Rangers' offense, Conches Slaughter and Jim Puryear, have worked with both teams this past week. The results have been an almost completely different line up and possibly better balanced teams.

Jim Clark, one of the team captains, will see action for the first time this season in the slot position on the No. 1 team. Clark was injured in workouts earlier.

Quarterback Team No. 1 will be Dick Maxwell, while Jack Waggoner is switching to that spot for the No. 2 team, after playing halfback.

What may follow is expected to be confusing to Murry, but effective.

first down and materialized into another trolley. This time it was Ernest Stephen, playing fullback, who went over for the six points from the one-yard line. The kick by Wolford was good, again, and the score stood at 14-0.

Doug Pendleton, right half, returned the ball 70 yards on the 25-yard line and King to Wolford and finally brought the Bulldogs to the Dublin 25-yard line. A field goal was attempted by Wolford, but it was blocked by a host of Lions.

Ranger began a passing attack, picking up two fast first downs and lots of yardage, as they marched down the field.

The drive gained momentum with the beautiful 60-yard pass from King to Wolford and finally brought the Bulldogs to the Dublin 25-yard line. A field goal was attempted by Wolford, but it was blocked by a host of Lions.

With a few minutes remaining in the ball game, the "B" team went into action with Edward Mendez in the quarterback slot. They gained eight yards in four plays and the ball went back over to the Lions.

With time running out, Pettjohn made a 35-yard run followed by an eight-yard dash. But the drive failed, due to lack of time.

The game was scouted by McClellan.

Keeping statistics for Ranger were Bobby Fron, Melvin DeVolfe and J. B. O'Shields.
