**TO BE FEATURED**—Here are the 1958 Drum Majors, a n d Majorities to be featured at the half-time activities of the Ranger High School Band Friday night, twirling fire batons. From left to right are: Sue Cantwell, daughter of Mr. and Mrs. Robert L. Cantwell, who is a sophomore cornet player; Linda Black, daughter of Mrs. Callie Black, senior, in her first year as alto clarinet player; Annabeth Deffebach, co-drum major, who is a senior student, secretary of the band, and daughter of Mr. and Mrs. Vernon Deffebach; Donna Drennan, daughter of Mr. and Mrs. J. D. Drennan, a freshman alternate; Mollie Mitchell, co-drum major, daughter of Mr. and Mrs. C. E. Mitchell, a senior student who is president of the band; Linda Drennan, a junior in her third year as majorette; and Sarah Johnson, daughter of Mr. and Mrs. J. D. Johnson, a cornet player in her second year as majorette.

### Joyce Beal Elected Queen Of Homecoming

Miss Joyce Beal, daughter of Mr. and Mrs. Frank Beal of Albany, has been elected Homecoming Queen of 1958 by the vote of the students of Ranger College. Runner-up was Miss Carol Sanders, daughter of Mr. and Mrs. W. C. Sanders of Ranger. Other nominees were Miss Betsy Teinert, daughter of Mr. and Mrs. John B. Teinert of Albany, and Miss Barbara Mauldin, daughter of Mr. and Mrs. Oran B. Mauldin of Abilene. Miss Sanders, Miss Teinert, and Miss Mauldin will be attendants of Miss Beal in the presentation ceremony Saturday evening, at the halftime of the football game between Ranger College and Henderson County Junior College.

### Rangers Take On Tough Cardinals

Ex-students' events at Ranger College get underway Saturday, from 3 to 5 p.m., with open house at the Theta Tau House (Girl's Dormitory). Other highlights of homecoming will be the crowning of the Homecoming Queen, at the half-time activities of the Rangers-Henderson County Junior College Cardinals game, and the game itself. A barbecue and ice cream supper in the Student Union Building today at 6 p.m. will start off a full schedule of activities for students and faculty members.

Barbecue and ice cream supper set in the Student Union Building at the College, today at 6 p.m.  
Bon fire and pep rally for the Rangers set behind Newall Hall tonight at 8:30 p.m. Bulldog pep rally will take place in front of the Gholson Hotel tonight at 7:30 p.m.  
Cisco Junior High School Middlets will host the Ranger Pups tonight at Chesley Field (Cisco) tonight at 7:30. The Sixth grade boys were to play a game, there, at 2 p.m. today.  
Eastland plays Coleman, there, and Cisco hosts Coleman in other District 7-AA openers Friday—as the Bulldogs tangle with Winters.  
Merriman Cemetery working is set all day Saturday, with everyone invited to participate.  
R. V. (Rip) Galloway, manager of the Chamber of Commerce, urges area residents receiving a ballot, to vote for Ranger as site of the December Pecan Show. Deadline for voting is next Monday.

### President Extends Welcome To Exes for Homecoming Events

Welcome Ex-Students: This year we welcome you to our Homecoming activities with a sense of pride—pride based on the great works you are doing. The notification coming to us on students who have in the past year graduated from senior colleges, your promotions, and added success in your professions are encouraging to all of us. Congratulations to all Ex-Students of Ranger College wherever you are. We ask that you visit the campus often, especially at this time. A big welcome awaits you.  
Sincerely,  
Price R. Ashton, President.

## Campbell Ford Sales Inc. Grand Opening Friday

Grand opening of Campbell Ford Sales, Inc., is set this Friday and Saturday at which time the new 1959 Ford will be shown. Coffee will be served all day in the newly redecorated building. The Ford dealership was purchased July 17 from Virgil and Don Elliott. On hand will be the new co-owners, Charles (Art) Campbell and Morris Campbell. The Campbells have extended an invitation to the public and all their friends to attend the opening. Balloons will go to the kids and gifts will be presented to the adults during the event. Visitors will find newly painted interiors, new parts bins, many new parts for automobiles and new shop equipment. At the same time they will have a chance to view several models of the new 1959 Fords. Informal opening of the firm took place in July, following completion of the sales transaction. "Art" Campbell was associated with Leveille Motor Co. of Ranger as part owner from 1955 to 1954. In all he has been in the business for 21 years. In 1954 he sold out to H. M. Barwell and John Robinson. He moved back to Ranger in February of '57, following two years in Dallas. Morris Campbell is operator of the Morris Campbell Humble Service Station, Highway 80 east. He is a member of the Elks Club, and the Lone Cedar Country Club. Morris is married and has twin boys, Pat and Mike, age five. "Art" is married and has four children — Mrs. Estel Jolly of California, Charles D. of Fort Worth, Steven (a seven-year-old adopted grandson), and Morris. Shop foreman is L. Z. Milton, and E. W. Gryder is parts manager. Mechanics at the firm are Johnny Vaughn and Earl Sheok.

Already receiving an award at the Brussels World's Fair for styling elegance the 1959 Ford car line goes on display at Campbell Ford Sales Inc. Friday, coinciding with the grand opening of the firm.  
"The 1959 Ford car is new in concept and new in style," Hood King said. The 1959 styling theme is road taste, a result of consumer demand for more elegance and dignity in automotive styling as opposed to gaudiness or extravagance," he added.  
In addition to Ford engines that have been engineered for greater fuel economy, Ford offers quality designed construction and a new, lighter Fordomatic transmission with 105 fewer parts than in 1958, King said.  
"Every piece of body sheet metal in the 1959 Ford has been changed to reflect the post-hate of the Thunderbird—America's most successfully styled car. The Thunderbird's crisp, taut lines have given the Ford a form, simplicity and the impression of a bloomer, heavier and without the addition of bulk," he added.

### ROAMING THRU RANGER WITH RON... By Ronald Waters

ONLY have space to pick my football choices and that's all. So here we go.  
District 7-AA should see some exciting games. Altho' I have been told NOT to pick the Bulldogs over Winters, I'll be game and take them, anyway, by six points (no more).  
Will also take Coleman over Eastland by 20 points (please pardon me, Mr. A.W.E. Moore). Ballinger and Cisco clash will be something to see. Could go either way, but I'll take Cisco by 12 points.  
Have also been told NOT to pick the College to win, but what's a guy to do when it's homecoming time? (Will those exes ever forgive me?) I hope so because I'll pick Henderson Jr. College by 12 points.  
WELL — here we go again—sticking our necks out in the Southwest Conference race where anything can happen and usually does:  
It should be Texas over Arkansas by 20-14 in what seems to be the safest prediction. TCU should beat Texas A&M, only because the Aggies are "down" this season, by 21-7. And I'll take Baylor over Texas Tech 14-8, looking for a post- (Continued on Page Five)

### Chevrolets Go On Display Today At Anderson's

A complete styling transformation, along with more safety, comfort and performance, was announced today for the 1959 Chevrolet passenger car line. The cars, which will be displayed at Anderson Chevrolet Co. today, represent one of the most imaginative designs ever to come from the automobile industry. In shape, and in detail, the new styling reflects the influence of a space-conscious age. Lines sweep rearward in a virtually level plane. Tapes are flatter and visibility is dramatically increased. Appreciably lower, the overall appearance of fleetness is further conveyed by an adroitly sculptured frontal area: At the rear, horizontal wings branch out from the center of the deck in a simulation of mobility that might have been conceived on the sands of Cape Canaveral. While the unusual appearance will draw instant admiration, Chevrolet has not neglected other phases of engineering in its bid to continue the sales popularity record. (Continued on Page Two)

**CHEVROLET IS HERE**—On display today is the 1959 Chevrolet at Anderson Chevrolet Co. One angle cannot show the complete styling changes which have been made in the 1959 Chevrolet. Lower headlamps, set into the freshly styled grille, and functional air intakes accent the beauty of the front view of the Impala convertible (below). Smart and original is the bold sculptured treatment given the rear quarters and trunk deck of the Impala Sport sedan (above).

## Pupsto Defend Record Against Cisco Tonight

The undefeated and unscared upon Pups will romp into action, again, meeting the Miglets of Cisco Junior High School tonight at 7:30 on Chesley Field.  
 They will be meeting the Cisco team for the second time this season, having previously downed the Miglets 6-0. The clash will mark the third game of the season for the junior high school team.  
 Plans called for a game between the Sixth Grade boys of the two schools to play at 2 p.m. today. Average weight of the line is about 120-pounds for the Pups, and the backfield weighs about the same.  
 Starting line up for the Ranger team will be as follows: Charlie DeLos Santos, quarterback; J. B. O'Shields, fullback; Gene White, right half; Jimmie Hogan, left half; Johnny Wells, right end; Ronnie Hinds, left end; Alvonn Vasquez, right guard; Orville Davis, right tackle; Johnny Camacho, left tackle; Jerry Jones, left guard; and Mike Sanders, center.  
 Other players include Bill Perkins, David Vinson, Wayne Reed, Richard Herceck and Roy Lee McGee.  
 Poor Mr. Whitaker got dunked so often that it wasn't even funny. Some of the football players and students from the high school took part in the dunking board. They were Sammy Summers, James Henry and Earnest Stephens. They were clowning. Also getting wet were Bill Ewing and Eddie Squiers. Joe Camacho did a good job as auctioneer, and the auction brought in lots of money.  
 There were many booths where you could have lots of fun. But best of all was the counter where you could get things to eat and drink.  
 The band played and then the King and Queen were presented. Those were Mollie Mitchell and Melvin Anderson.  
 The kids will sure be lost since the Frigid Queen is closed for a vacation. Hope it will open soon.  
 The Young People of the First Baptist Church are holding a revival starting Nov. 9. This is NOT a youth revival but a revival held by the youth.  
 It starts Sunday, Nov. 9, and continues through Nov. 16. Services begin at 7 p.m. Rev. Charles Manogee will conduct the services and everyone will enjoy hearing him.  
 The next joint meeting of committees is Monday, Oct. 27, at 7 p.m.  
 Friday, Nov. 14 is Victory night. Services will be held before the Ranger and Eastland teams. The church will feed the football boys after the game. The young people will vote for the outstanding lineman and backwards trophies will be presented.  
 I was just informed that Joe Barker is getting a car Saturday. Sandy is just tickled to death.  
 Pep rally will be held at 7:30 as usual this Thursday night. Come one—come all, there is something for everyone.

## Eva Ann Paul, Buster Graham Wed In Lubbock

Marriage vows were exchanged Tuesday evening, September 30, in Lubbock by Miss Eva Ann Paul, daughter of Mrs. Edna Paul of Neosho, Missouri, and Robert Len (Buster) Graham, son of Mr. and Mrs. F. W. Graham, 408 Poch Street.  
 Rev. V. A. Miller, pastor of the First Christian Church in Lubbock, officiated for the double ring rites.  
 Mr. and Mrs. John Payne of Lubbock were honor attendants.  
 Mrs. Graham is a 1954 graduate of Neosho High School, in Neosho, Missouri. She will receive her degree in home economics in January at Texas Tech.  
 Her husband is now stationed for six months training in the Battery A 618th Armored Field Artillery Battalion Texas Army National Guard in Fort Chaffy, Arkansas.  
 Here's wishing the best of luck to everyone on the football team. I know they will bring us a victory.  
 The band is minus a drummer, since Mary Judy is not with us anymore.  
 I guess everyone has read "Roaming thru Ranger with Ron" this week. It was very nice for some reason. (My name was in it).  
 The Gordon High School went to the fair last Tuesday. They brought back many prizes.  
 It sure seems that the rain will never stop.

 listed by the company in 1958. Here are some of the 1959 mechanical highlights:  
 A new six-cylinder engine, named the Hi-Thrift because of added economy through re-design in valving and carburetion, gives up to 10 per cent more mileage, plus more usable horsepower at normal driving speeds.  
 Fundamental improvements in coil spring suspension, incorporating specialized controls. Refinements in the optional Level Air suspension to acquire softer, quieter operation.  
 Larger breaking surfaces, benefiting further by flanged drums and 27 per cent more lining area provide surer stops, longer life. Tires improved for durability and reduced in rolling resistance through newly developed cords, which run cooler, offer a softer ride and last longer.  
 A Turboglide transmission of advanced design. One of two automatic transmissions in the 1959 line, the quality of Turboglide has been raised to a new peak.  
 Easier steering and the inclusion of a second, shock-resistant universal joint. A radiator increased in cooling area. A simplified, more productive electrical system.  
 In addition to a bold, fresh design, Chevrolet bodies for 1959 excel in comfort and structural unity. An impressive increase in passenger room is exemplified by almost five inches more width in the five and one-half ft. front seat. With 20 per cent greater capacity, the trunk has been increased to 32 cubic feet. Still another example of general commodiousness can be found in station wagons. The cargo space has been lengthened to almost eight feet. Sedans have been reduced in height one inch; sport models two inches. Through lower body mount-

### Serve Cucumber With Polynesian Meat Balls

BY DOROTHY MADDOX

If you like to give meat balls a very special treatment, this Polynesian recipe, enhanced by sweet sour cucumber peels, will certainly interest you.

#### Polynesian Meat Balls

(8 servings)  
One cup soft bread crumbs, 1 teaspoon salt, 1/2 teaspoon pepper, 1/4 cup chopped onion, 1/2 cup milk, 1 tablespoon soy sauce, 1 pound ground beef, 1/4 cup sugar, 1/2 tablespoons cornstarch, 1/2 teaspoon ground ginger, 1 cup pineapple juice, 2 tablespoons vinegar, 1 tablespoon butter or margarine, 1 (8-ounce) can water chestnuts, drained and cut into 1/4-inch slices, 2 (1-pound) cans bean sprouts, 1/2 cup chopped onion, 1 cup coarsely-chopped green pepper.

These exotic meat balls dressed up with sweet sour cucumber peels make a lively, guest-pleasing entree.

#### Sweet Sour Cucumber Peels

(1 1/2 cups)  
One large cucumber, 1 teaspoon oil, 3 tablespoons sugar, 1 1/2 teaspoons cornstarch, 1/2 cup water, 2 tablespoons vinegar, 1 teaspoon soy sauce.  
Wash the cucumber and cut off ends. Peel the cucumber generously so peels have substance. Cut the peels into 2-inch sections, about 1/4-inch wide, yielding about 1 1/2 cups peels. Heat oil and saute cucumber peels in hot oil a few seconds, or until all pieces are coated with oil.

Combine sugar and cornstarch in a small saucepan. Add water, vinegar and soy sauce. Heat mixture until it comes to a boil, stirring constantly. Continue cooking for 1 minute. Pour the sweet-sour sauce over peels and chill until crisp.

### SPORTS CORNER

By DRAYTON HEADEN

Guest Written by Ronald Water's  
Wednesday morning—Drayton was receiving his physical for service in the Army, and I began to realize that he would be unable to write his column this week.

So I took the liberty of writing it for him. And I'm sure I don't know what Drayton would say this week, although I am sure it would be about the College game and Homecoming activities.

I just hope that we don't lose him to the Army for a while, because Headen is turning out to be a big asset to the College and his column is well read.

Halling from Carrollton, where Drayton played football under Coaches David Slaughter and Jim Puryear—now coaching at Ranger College—he is now serving as student trainer for the Rangers.

A student trainer is one who takes care of all the aches and

pains, the cuts and injuries of the football players. And he is doing a difficult job very well. Drayton is certainly conscientious and efficient in everything he does.

Right now—he is busily engaged in a host of Homecoming activities, too numerous to mention. But I did find out that he is a singer, leading a sing-song fest at the Col'ge tonight. And he is also singing several other numbers with Jimmie Mae Miller and James Knickerbocker of

Dallas. Knickerbocker, by the way, was recently named Student Council treasurer. He has to put up with Drayton in Newall Hall (and vice-versa) and is now acting as his assistant student trainer.

I hope that all of you at the college, and particularly the football boys, will let Drayton know that you appreciate the fine job he is doing.

New. Scalloped Russet Potatoes Have Appetizing Dill Flavor

Here's a dilly of a recipe for those ever-popular, scalloped potatoes that taste so good with oven or barbecued meats. In this new recipe, developed by the Washington State potato growers, the potato flavor is accentuated with dill, combined with grated sharp cheese and a bit of grated onion which add up to a mouth-watering treat the whole family will enjoy.

DILLY SCALLOPED POTATOES

- 1/2 medium Washington State Russet potatoes
1/2 cup butter or margarine
1/2 tps. salt
1/2 tps. pepper
1 1/2 cups milk
1 1/2 cups grated sharp cheese
3 tps. flour
3 tps. dill
2 tps. salt

Peel Washington State Russets and cut into strips as for French fries. Place in baking dish. Melt butter and blend in flour, salt, pepper, milk, cheese, onion and dill. Cook over low heat until sauce is blended. Pour over potatoes and bake covered in moderate oven (350° F.) for 40 mins. Remove cover and bake 20 mins. longer to brown. Makes 8 to 10 servings.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headache, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exercising or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many 3 men Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filter blood and waste. Get Doan's Pills today!

(Continued from Page One) sible upset here. Rice and SMU will be playing a game that could determine the Southwest Conference championship and I am reluctant to pick either team in a game that could go either way — but I'll take Southern Methodist 28-20.

Sweetwater plays Granham for a pinch win by about 28 points. Abilene should have little trouble in downing Waco by at least 14 points. And Stamford (rated

third) should run over Anson by 20 points. Barely made it on the front page today!

Bulldogs-

(Continued from Page One) to incur additional injuries. Injuries have probably hurt the Bulldogs more than any other factor this season. However, at the present time, Basham is the only starter out.

On the line, the Bulldogs will outweigh Winters a total of five pounds. Winters will be outweighed one pound by the ends and two pounds by the tackles, but hold a four-pound advantage in the guards. The Blizzards' backfield will outweigh the Bulldogs by four pounds in all.

A good crowd of football fans is expected to be on hand to see the Bulldogs charge into district play. They will see the local team seeking revenge for a chilling 14-6 setback suffered last year. Anything may happen on the football field Friday, but whatever does is certain to influence District 7-AA standings.

### Dan Lavoie Named F.H.A. Beau of 1959

By Mike Herrington  
Dan Lavoie, senior, was announced Thursday morning as the F.H.A. Beau of 1959 at Ranger High School.

Lavoie was chosen in the second runoff Wednesday, winning a majority vote from F.H.A. girls. He beat out Walter Blackwell, junior; Richard Wilhelm, sophomore; and Joe Barker, freshman, in the final vote.

Originally eight boys were nominated by the F.H.A. girls and four were eliminated prior to Wednesday's runoff. Usually three runoffs are necessary to select the Beau.

**NEW PIG-RAISING TECHNIQUE**—This is a "Pigloo," a 12-sided wooden structure developed for the isolated birth system. It takes advantage of the sow's natural nesting instinct and ability to protect the litter against disease by passing antibodies through her milk. This protection won't work as well when the young are crowded in with other animals. Private exercise and feeding pen enables the sow to walk around a bit while the pigs rest before their next meal. The advantages claimed for the new system include: cutting down disease and crushing of infant pigs, low initial cost and planned breeding of sow herds. The system was developed by Nutrena Mills, Inc., of Waukon, Iowa.

### I GIVE YOU TEXAS

By BOYCE HOUSE

Boyhood memories... My grandmother (my father's mother) died when I was quite small. I remember that she had ear-lobes that had been pierced for ear-rings and when not wearing the ear-rings, she kept a bit of straw in the holes.

My grandfather's mother (actually my step-grandfather's mother) was a little woman, who sat very quietly in a corner of the farmhouse and smoked a clay pipe. Aunt Ida (my father's sister) baked the best cookies I ever ate. She kept a 10-gallon lard-can filled with them — or, rather, she tried to; but her two children, Karl and Lucille, plus my sister Vivian and I made terrific inroads each afternoon after school. The cookies were large and flat, a yellow hue with slightly-browned edges, and they were at once firm and yielding.

When I was small, I can remember that my favorite songs were "Throw out the life-line"; "Let the lower lights be burning, send a gleam across the wave" and "We shall come rejoicing, bringing in the sheaves." (I had no idea what a "sheave" was.)

Each season, a few days before a game — say Siwash versus Clementine — you will read that Siwash's coach moans, "We haven't got a chance. We used Clementine's plays in scrimmage with Zilks, third-string quarterback as the key man, and he was unstoppable."

What I would like to know is, that being the case — why doesn't Siwash's coach use the third-string quarterback in Saturday's game and, discarding his own plays, use Clementine's?

A man who had been a college professor lost his place because of drink. He became a teacher in a country school where he inspired

one of his students with a love for literature, oratory and statesmanship. The student was William E. Borah, "the Lion of Idaho," for years one of the great members of the United States Senate. "God moves in mysterious ways—"

With the same starting line-up as in the Murry game, Dick Maxwell will go in the quarterback's slot for the No. 1 Team, George "Buz" Boyton will be in the backfield and Jerry Blakely will serve as fullback.

Another standout in the Murry game was Jack Waggoner, playing quarterback for the No. 2 Team for the first time this season. Bill Phillips looked good in the right halfback's slot.

Coach Tommy Steigler, with the Cardinals, said before the start of the season that Henderson

should win every conference game played this season. He has not changed his mind, and the big question remains: Will Ranger upset his prediction?

The 1959 Ford engines offer greater operating economy and improved engine performance in the normal driving ranges, 30 to 70 m.p.h. Ford recommends regular grade gasoline in all standard engines, which can result in a saving of up to one dollar a tank full. These benefits have been achieved in part by a slight horsepower reduction.

King said every 1959 Ford is "quality-designed," a term Ford engineers use to define the emphasis placed on quality in the basic design of the car, starting from the drawing board stage. The result is a simplified design where possible, elimination of unnecessary parts as in the case of the new transmission, and more durable parts, such as Ford's new extended-life muffler and Diamond Lustre finish, an enamel that requires no waxing for the lifetime of the car.

Supporting the "quality design" program is a "quality built" philosophy, that centers on Ford's recently dedicated Quality Control Center at Allen Park, Mich., where 1959 models were assembled on a pilot line months before introduction to be sure that each part met all engineering specifications and assembly requirements.

The 1959 Ford line includes 17 models ranging from the Custom 300's, which are six inches longer than in 1958, through the six station wagon models, to the Fairlane and Fairlan 500's. Station wagon length has been increased more than five inches; cargo area eight inches longer, and cargo space is 11 cubic feet more than in last year's models. All 1959 Fords will be on a 118-inch wheel base and will have an over-all length of 208 inches. Windshield area has been increased 280 square inches, or 29 per cent, over 1958 Ford models. With its refined engines, Ford is introducing a new version of the Fordomatic transmission. The 1959 Fordomatic, a two-speed automatic transmission, has eliminated the need for 105 parts,

such, with the use of aluminum for the transmission case and bell housing, has reduced the total Fordomatic transmission weight by 50 pounds, or 22.8 per cent.

Ford's four modern engines combine efficiency, durability and economy with the added customer savings resulting from quick and easy servicing. The full-flow oil filter, standard equipment on all 1959 engines, permits Ford to recommend an oil change only every 4,000 miles, resulting in further savings to the customer.

In Ranger College she is a freshman majoring in business administration and plans to be a secretary. She is a Rangesman and a member of the College Chorus. She belongs to the Debs and is serving as one of the office assistants.

Miss Seal is a petite blonde with light brown hair and sparkling blue eyes. Her friendly smile and winsome personality have made her one of the most popular freshman girls on the Ranger College campus this fall.

### Carbon School News

By MAXINE STACY  
Telegram School Reporter

Well—here I am with another gsh session. Since neither high school nor grade school has a football game this week I don't have any football news for this week; however, we do have a game next week. High School will play Star at Carbon. I'll have more information about that next week.

The annual staff met Tuesday morning and started plans for the 1958-59 Yearbook, "The Sandstorm." We hope to have the best yearbook that Carbon has ever had. We want to remind everyone to make his deposit. The deposit is only \$1.00. See Pat Guy, Gene Woods, Maxine Stacy, Kay McDaniel or Mr. Browder.

The faculty met Monday morning to make plans for a Halloween carnival to be held October 31.

Each class is to be represented by two candidates for the carnival king and queen.

Votes will be 1c each with the candidates of the class receiving the most money being crowned king and queen at the carnival. The carnival will be an annual affair.

Those representing each class are as follows: Zelma Hendricks and Don Underwood, senior class; Annie Mae Stephenson and Jimmy Sandlin, junior class; Mary Sibby and Billy Sandlin, sophomore class; Lavell Garret and Gary Norris, freshmen class; Claudette Guy and Jimmy Warren, eighth grade; Nita Tucker and Duane McDaniel, seventh grade; Linda Jackson and Duane Clower, sixth grade; Sharon Harbin and Kelly Wyatt, fourth grade; Deborah Jackson and Stevie Services, third grade; and Ruth O'Conner and Larry Stetfield, first and second grade.

The sophomore class has a new pupil now. She is Leta Rae Ellison from Whitney. Her father is employed with the railroad section gang. We students here at CHS want to welcome Leta Rae and we hope she likes school here.

Guess that's all for this week. See you next week!

## THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! For left is the new Thunderbird... center, the new Custom 300 Tudor Sedan... and above, the 9-passenger Country Sedan.

Styled, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars... full-flow oil filtration that lets you change oil at 4000 miles instead of the 1000 often recommended... new Tyrex cord tires for greater economy and safety... a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever... and two new economy power transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts.

NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy geared axle.

Altogether NEW in everything you can see, feel or touch!

### Royal Food—Regal Strawberry Pie

We are sure you'll enjoy cooling with preserves and we know that this is a particularly good recipe for Royal Strawberry Pie with its heavenly family appeal.

It is one of many recipes recently developed which use full and preserves as ingredients—a new concept in the dessert world.

REGAL STRAWBERRY "PIELITE" PIE

Cook one 8-ounce package Philadelphia cream cheese in 10 minutes and remove from heat. Beat 3 eggs slightly, add 1/2 cup milk and 1 1/2 cups vanilla. Slowly add to the cream mixture, stirring until well blended.

Pour into a 9-inch pastry shell which has been baked in a hot oven, 425°, for 5 minutes. Bake in a moderate oven, 350°, for 25 minutes. Cool. Spread the contents of one 12-ounce jar of pie strawberry preserves over the top and garnish with whipped cream.
