

Locals Prepare for Battles With Cisco Teams

ROAMING THRU RANGER WITH RON...

CISCO is on everybody's mind this week—at the College, at the High School and all over town.

All you hear downtown, everywhere, is Cisco-Cisco-Cisco. At the college they're preparing for the big game, realizing that Cisco Junior College is capable of downing the powerful Rangers.

The Bulldogs' game will very likely determine the district champ. And it's impossible to say who wants to win the most—Cisco or Ranger. It'll be the first time in many years that Cisco has posed a real threat to district teams.

OK, READY? for my predictions? First, I foresee a Cisco split. If the college succeeds in defeating the Wranglers, the high school will fall to the Lobos.

To protect my average—I'm picking 16 games this week. In other District 7-AA contests—it looks like Winters over Eastland 20-14 and Coleman will tie Ballinger in a tilt that could go either way, 21-21.

Should stop picking the Southwest Conference, because several games always foul up my average. But here goes, anyway: Baylor should have little trouble (they will have some) in downing Texas A & M 21-6. Texas plays Rice for a game that could well determine the championship.

Survivors include the wife and nine children. Pallbearers were Kenneth Falls, Jack Donowho, Ralph Neal, T. L. Browning, Will Vinson, Frank Williams, Tommy Huling and R. D. James.

Probable Line Up

Table with columns: Position, Name, Weight, Position, Name, Weight. Rows include Lobos (Walter Hutchins, Charles Wolford, David Russell, Joe Bradford, Tommy Ford, Richard Robie, Charles Veale, Lee King, Jerry Anderson, Bert Young, Jake Basham) and Rangers (John Adams, Jackie Hammer, Weaver Callaway, Joe Tom Johnson, Wayne Brown, Gerald Darr, Johnny Bob Richardson, Dolbert Schaefer, Houston Porter, Randall Hens, Duane Hale).

Ranger Will Host the Lobos & Wranglers

Local football teams are busily preparing to come to blows with two teams from Cisco this weekend in what promises to be the most exciting battles that local fans are likely to see this season.

Ranger College Rangers will meet the Cisco Junior College Wranglers, in the second game, in what will probably be a closer game than anyone imagines. The game will get underway Saturday night at 8 in Bulldog Stadium.

Wolves—that's one who disputes, brawls, argues or debates, in short—an opponent or antagonist. Synonyms for wrangle include jar, jangle, bickering, and contest.

Farm Bureau Elects Love

Eastland County Farm Bureau members Tuesday night re-elected John Love of Ranger as president of the county organization.

Directors elected are Clyde Coates of Cisco, Mrs. Dora Caldwell of Gorman, A. W. Wright of Rising Star, T. C. Cozart of Cisco and A. T. Wende of Cisco.

Delegates to the state convention were also elected. They are John Love, Ray Norris, Mr. and Mrs. J. C. Coates, and A. P. Wende. Alternates are Mr. and Mrs. Don Kincaid and A. W. Wright.

Funds received here are used to pay expenses of the executive leaders of the district, maintain the council office in Brownwood, pay part of the salary of the district scout leader in Eastland, care for Boy Scout camps, and other items.

Ranger is situated in the Northeast District of the Comanche Trail Council— including Eastland, Breckenridge, Woodson, Stephenville, Carbon, Gorman, Desdemona and Dublin. Each town contributes money to pay the expenses of the organization.

Elmer Bankston of Ranger was reported in fair condition this afternoon, after an amputation of his right leg was performed today in Ranger General Hospital.

Bankston lost his leg this morning at Lone Star Producing Tank Shop, near the loading rack, when he was hit by a car on a train and drug about 50 feet. The accident cut off his leg just below his knee.

Officers of the Ranger Junior High School 4-H Club were elected Tuesday morning in a regular meeting of the group.

Wiley Wyman, tri-captain of the Rangers who plays the tackle position, was named as lineman of the week by Sports Writer Sam Blair in the Dallas Morning News selections, this week.

Blair just left Henderson County feeling beat. "I saw Wiley Wyman's name has been identified with tough, aggressive football for several seasons."

Half-Time Activities A football sweetheart will be presented at the half-time by tri-captains of the Rangers' football team, selected this week by players, the identity of the girl will not be revealed until Saturday night.

Also performing will be the "Bomberettes" a group of girls from Farmer's Branch (near Dallas). The girls range in age up to 15 years old.

Cisco Junior College Wranglers will have a 9-5 record before the game with the Rangers. (Almost) worse of the 6-B record held by the high school. They have scored 28 points this season, while their opponents gained 180.

SPORTS CORNER

Seems as if the Rangers made history Saturday night in winning over the Henderson County Cardinals, 18-8. This is the first time since Ranger College was established that a homecoming game has been won.

So, judging from definition alone, it'll be a jarring contest when the Rangers get out on the field to argue with the wrangling Wranglers from Cisco Junior College this Saturday night.

I was fortunate enough to see the Bulldogs play Friday night and I believe they played a real fine game. They have a good team and swell coaches.

With both Ranger teams meeting both Cisco teams this week end here's hoping everyone will give full support to the high school and the college.

Fund Drive In Progress for Church of God

A fund drive is now in progress to raise money for building a roof on the Church of God of Prophecy, now being erected at the corner of Hunt and Oak St. in Ranger.

Needed is about \$500 to construct a roof on the concrete block building. By Tuesday afternoon, a total of \$46 had been collected for the fund.

First of a series of special fall events—the "Treasure Hunt"—is being launched in today's Times, with the cooperation of 27 local merchants.

The Treasure Hunt was planned with other events by Ranger merchants as part of this year's Fall Campaign.

Facts About Your COMMUNITY CHEST

Ranger Boy Scouts will receive funds on which to operate during the coming year through the Community Chest drive now in progress.

Funds received here are used to pay expenses of the executive leaders of the district, maintain the council office in Brownwood, pay part of the salary of the district scout leader in Eastland, care for Boy Scout camps, and other items.

Ranger is situated in the Northeast District of the Comanche Trail Council— including Eastland, Breckenridge, Woodson, Stephenville, Carbon, Gorman, Desdemona and Dublin. Each town contributes money to pay the expenses of the organization.

About 70 boys are presently participating in the scouting program in Ranger, and this number is expected to increase to over 100 boys with the re-organization of Cub Pack 34.

Ranger has two troops, one post and one pack. Troop 10, sponsored by the Hall Bible Class of the First Methodist Church, contains about 27 members. Fred Bennett (Continued On Page Six.)

Bulldogs Will Challenge the Cisco Lobos

By Mike Herrington Friday night the all-important game of District 7-AA play will be dramatized on the Bulldog field.

Undeclared the Cisco Lobos will be taking on the number one challenger—the Ranger Bulldogs. The Bulldog fans have great faith in their team. But they don't want over-confidence to be a mistake. The Bulldogs are a very capable team when working together as the eleven-man body they are.

No doubt when the whistle blows at eight o'clock sharp, there will be a mad scramble of maroon and white amidst black and gold for that little bit of pigskin called "football".

Will you be there to help fire up things? Our war cry shall be "Go! Fight! Let's Win!"

Bulldogs-

(Continued on Page Four)

Jarring offense. The game will probably be the toughest for the Bulldogs this season and one of the toughest for Cisco.

The Lobos will be seeking revenge for a 39-7 setback suffered at the hands of the Bulldogs last year.

Coach Barrett will come out with a few changes in line up this week. He is starting Jake Basham, who made an impressive showing in only two full games, at the fullback's slot. Joe Bradford, who has played fullback in Basham's absence with an injury, is expected to play at right tackle. Other changes may be forthcoming.

It'll be Quarterback Lee King, Charles Wolford at right end, and Jerry Anderson at left half—unless some drastic changes come as a surprise Friday night.

Of course Cisco will start Randall Hess, right halfback, who has become the "terror of the district", leading the scoring race so far out in front that no one else even compares. Hess has accounted for 99 points in six games while the second place scorer—Pat DeBusk of Coleman—has less than half—or 44 points.

Cisco does not play a one-man team, however, as four other players are listed amongst the top scorers.

Businessmen and local fans are expected to be on hand for the bon fire and pep rally set by Little League Park Thursday night at 7:00.

Coronation-

New Pontiacs Have Nation-Wide Acceptance

Nation-wide acceptance of the new 1959 Pontiac was evidenced today as Pontiac Dealers reported sales and confirmed orders of over 20,500 cars during the first three days of sales, according to S. E. Knudsen, general manager of Pontiac Motor Division.

Knudsen termed the early customer response "unprecedented in our history" as nation-wide reports by Pontiac dealers listed 2,561 on-the-spot sales and over 18,000 orders on hand.

"Customer reaction to our new line substantiates confidence that 1959 will be a year of opportunity for Pontiac," Knudsen said. "Customer orders were 250 per-

cent more than a year ago even though dealer stocks were limited by the strike. Dealers report enthusiastic acceptance of Pontiac styling and great interest in Pontiac's revolutionary Wide Track."

'Way Back in the early 20's'- ... we started out in the abstract business in Eastland County. Then, as now, the abstract was a necessary part of every real estate transaction. We soon learned that an abstract was something more than a bundle of pages with numbers on them. Even more important today, it must not only be accurate, responsible and revealing, but it must be a quality product of completeness prepared to stand the most thorough and critical examinations.

Community Chest-Rangers-

(Continued from Page One)
is Scout Master, assisted by Allan Rushing.

About 18 members make up Troop 15, sponsored by the Brotherhood of the First Baptist Church, and Clayton Kuhlman is Scout Master, assisted by Doyle Gentry.

Explorer Post 16, sponsored by the Lions Club, contains 20 active members (and seven inactive, who are now in college.) The Post, set up for older Scouts, is led by James Townzen, advisor, assisted by Ronald Waters.

Cub Pack 34, sponsored by the First Methodist Church, is expected to have about 30 members (the number of Cubs in the pack last year). Now in process of re-organization the pack will break down into several dens. George Rushton is Cub Master.

Other Scout leaders in Ranger include H. A. Shockey, district commissioner, and Dwayne Dennis, neighborhood commissioner.

Chairmen of sponsoring committees are Archie Robinson, Troop 16; Lee Russell, Troop 15; and Morris George, Post 16. All Scout units participate in out-door activities such as camping, hiking, swimming, rowing and field trips. Projects include community aid and service.

The expansive program of the Boy Scouts set up on a merit promotion system, is too vast and complicated to outline here. But Ranger Boy Scouts can be proud to be part of the program, and Ranger can be proud of its Scouting program.

Contest Dates Announced For Bulldog Band

Contest dates for the Ranger High School Band were announced this week by Dan Whitaker, director.

Whitaker said that conflicts in schedule could be avoided by announcing the contests now. Following a district band meet in November, the Ranger band will travel to Winters for a marching contest set December 6. Twirling solos and groups will also compete.

On April 3-4, the band will participate in solo and ensemble instrumental contests to be held at McMurry College in Abilene.

An April 30 through May 2, the concert band contest is set at San Angelo.

Post 16 To Camp Out

Members of Explorer Post 16 will take a camping trip this weekend, going into Wild's Canyon. Scouters will meet at the Scout Cabin next Saturday at 9 a.m., and leave in a group—by cars and pickups—to the camp site. They are expected to return to Ranger by 9 a.m. Sunday.

(Continued from Page One)
Murry "B" team, 35-6; and Blinn, 35-0 (a team the Rangers have yet to meet).

By comparative scores, the Rangers are heavily favored, but this may mean little when determination may count a lot.

Head Coach David Slaughter said, "Ranger College hasn't beaten them in three years and they'll be tough for us." He added, "This is the game they (Cisco) wants to win."

Wranglers will be running from a single-wing formation. They use a four-six-or-seven man line on defense, and the Cisco College coaches are likely to pull anything out of the books to beat Ranger Saturday night.

A good crowd of local fans is expected to be on hand to see the game of rivals.

Bulldog Band Will Perform In Spectacle

Performing at the annual North Texas State College Homecoming this Saturday will be the 62-piece Ranger High School Band, directed by Dan Whitaker, joining about 25 other bands at half-time activities.

Whitaker said it would be a mass spectacle, with the bands entering from both ends to cover the field. They will play "Seventy Six Trombones" on one side and "Little Champ" on the other, while drum majors and majorettes are twirling.

All of the visiting bands will be free to play anytime during the NTSC - Tulsa University football game that afternoon.

About 1,400 band members will be present, including bands from DeLeon, Dublin and Denton.

Ranger Ladies Attend Meeting In Sweetwater

Mrs. H. C. Croom, 17th District vice president, and Mrs. A. H. Powell attended the fall convention of the American Legion Auxiliary in Sweetwater and Roscoe over the weekend.

A tea was held in the Bluebonnet Hotel in Sweetwater Saturday, Sunday morning, a joint meeting of the Legion and Auxiliary was held. Lunch was served at the Legion Hall in Roscoe.

At 1:30 p.m., the auxiliary business meeting was held. Mrs. Croom presented the 17th district president, Mrs. Joe Overton of Albany.

The spring convention will be held in Snyder.

Nov. 4 is set as the date of the next general election to be held in Eastland County. Voters will decide on nine state amendments at that time.

Reunion Set For AA Sunday

A reunion of all ex-patients of the Alcoholics Anonymous will be held at the Wichita Falls State Hospital this Sunday at 2:30 p.m.

Outstanding speakers will be present for the affair, according to an announcement from Cecil Guthrie, counselor. They will talk on the success and development of alcohol rehabilitation in Texas. Visitors and ex-patients are invited to attend.
