

ROAMING THRU RANGER WITH RON...

By Ronald Waters

MERRY CHRISTMAS! Dallas and Fort Worth have their Christmas lights and decorations up on their main streets, and Santa arrived in Dallas last Saturday.

Look for Christmas to get rushed a little more each year, and decorations may go up as early as July sometime.

Merchants are preparing for what promises to be one of the busiest Christmas seasons in years as the area seems to be more prosperous than usual.

If you don't have the Yule spirit yet, it's probably due to the unseasonably warm weather which prevailed up to Monday.

RANGER'S BAND has done a fine job on the football field all season, and I think they have an outstanding and capable young director—Dan Whitaker.

Whitaker has a "polished" band, a fine marching group with outstanding musicians. He has worked hard and planned carefully to help produce one of the finest bands in this area.

The band looked especially impressive at half-time activities of the Coleman and Eastland games. They formed the background for the crowning and kissing of the football sweetheart—Gay Ann Daskevich—Friday night.

As a former band member I know that the band is often overlooked, especially during football season, and few people realize how hard it works to gain such little recognition or appreciation.

All this debate, in year's past, about what day Thanksgiving arrives has finally been settled, according to word received here.

It's the day that Texas A & M plays Texas University each season!

PARDON ME but I must comment on the football upsets. My average for the season was hurt by the astonishing upsets this weekend in the Southwest Conference.

Texas A & M surprised Rice with a 28-21 victory, and Arkansas continued on the comeback trail with a 13-6 win over highly regarded SMU.

Also missed the Tulsa-Tech game, won by Tulsa 9-7, and the Ranger College game with Blinn, a 0-0 deadlock. Gained a half point on the latter to give me six and one-half games correct out of ten. This brings my season average down from 73 to 72 percent, with 71 and one-half games out of 99 picked correctly.

DAVID WEBB, son of Mr. and Mrs. R. F. Webb, was the winner of last week's (Nov. 11) Mystery Farm contest. David will get two free tickets to the Majestic Theatre in Eastland for correctly identifying the John T. Robertson farm on Eastland Hill.

More guesses are needed each week on Tuesdays Mystery Farms.

HOPE YOU MISSED my column Tuesday. It got crowded out as more and more news kept coming in. Don't know when we've had a more crowded front page.

By the time you read this probably over 100 deer will have been shot in the area. Early reports indicate that hunters are having a very successful season.

D. C. Arterburn had sold 100 residential hunting licenses by Tuesday, and H. H. Vaughn had sold 397. Exemptions are given to hunters under 16 and over 65. Both Vaughn and Arterburn who are deputy license dealers will re-order. They reported this is the biggest rush in years.

Please be sure to wear brightly colored clothing, because with this many hunters—something could get shot besides a deer!

ALMOST TIME to stop my weekly predictions. But, just for fun, here's how I see this week's games:

Cisco over Granbury, 39-6 (to win bi-district).
Stamford over Perryton, 21-14 (Continued On Page Six.)

SPORTS CORNER

By DRAYTON HEADEN

The football team at Ranger College felt a little disappointment about the game last Thursday with Blinn Junior College. The Rangers played a fine ball club and a tough one.

Several things went against the Rangers. The long ride seemed to take a lot out of them. Then the worst thing of all happened—it rained throughout the entire game. Most of the time it was only a slight drizzle. At other times, however, it was much heavier and made the ball much harder to handle.

As usual, despite the rain, the Rangers had a good passing game. Quarterback Dick Maxwell hit his favorite targets—James Pope and Jim Clark—for nice gains.

Without taking anything from our fine running backfield, I think the best performance was turned in by Fullback Jerry Blakely.

We were very lucky, injury-wise. Only one player was taken from the game with injuries. Center Doug Arnold had to be sidelined with an injured knee. He was replaced by Wayne Grayley who, by the way, did a fine job.

The players injured who will miss the last game of the season are Willie Wynn, Doug Roark, Don Giesendorf and Jack Waggoner.

As a summary of the past season for the Rangers I would like to say that I believe that we are the most improved team in Texas. I realize that we are not perfect, but all in all I think we've had a good season. We are all hoping to have a better one next year.

Many thanks to all who have supported us during the season.

Rangers Are After Upset Of Texarkana Bulldogs

By Ronald Waters

New is the time for an upset. That's what the Ranger College Rangers will have in mind when they travel to Texarkana for the last game of the season set Saturday night.

And the Rangers just might be capable of pulling one of the biggest upsets of the season—if it weren't for the crippled players that have greatly handicapped the team. As it is they can still upset the No. 2 team in the South, because anything is possible in football.

Texarkana College is tied with Tyler and Kilgore for first place standings in the East Texas Conference (with a 2-1 record), and stands in second place in the season standings, with an 8-1 record.

They lost only to Kilgore, by a score of 19-14.

Among the junior college standings, on a nation-wide basis, Texarkana is rated eighth and Tyler is fourth. Tyler earlier beat the Rangers 36-6. New Mexico Military Institute, which took the Rangers to a 47-21 beating, is rated third in the Williamson ratings.

National junior college ratings, however, place Blinn (Iowa) in first, Tyler in second, New Mexico Military in third and Texarkana in fourth. Ranger College has played three of these top four teams.

In final Texas Conference standings, the Rangers took second place with a 2-1-1 record. Henderson County and Navarro are tied for first place. (Ranger beat Henderson 18-8, but lost to Navarro 26-6). No more conference games remain on the schedule.

Here are the final conference standings with the near-final season standings:

Team	W	L	T
Henderson County	3	1	0
Navarro	3	1	0
Ranger	2	1	1
Blinn	1	2	1
Cisco	0	4	0

Team	W	L	T
Henderson County	5	4	0
Navarro	5	5	0
Ranger	4	4	1
Blinn	1	5	2
Cisco	0	9	0

The Rangers are returning to the two-unit system, "all patched up," with seven players injured. Doug Arnold, center on Team No. 1, received a knee injury early in the Blinn game.

Dick Maxwell, inflicted with the virus, is still expected to quarterback for Team No. 1 to be made up of sophomores. Jerry Blakely, also inflicted with the virus, will probably play halfback for the No. 2 Team to be made up of freshmen.

Line-up changes include Marvin Crawford at left end for Team No. 1; Jerry Fancher at left guard; Jerry Cantrell at center; and Leo Savell and Kenny Wells at right half.

Changes on the No. 2 team place Howard Finon at right tackle; James Stanford at left guard; Blakely at left half; Bill Phillips and Doug Davis at right half; and James Pene and Charles Duggan at the fullback slot.

Representatives were also present from Cisco, Breckenridge, Stephenville and Dublin.

Following the program, introduced by Rev. E. E. Mulliner of Cisco, committee reports for the year were heard.

Frank Sayre of Eastland gave the health and safety committee report. Arthur Deffebach said, in the advancement committee report, that 283 awards had been presented to Cubs during the year, with 379 arrow points. He also pointed out that 142 advancements in scouting had been made with 249 merit badges earned and "our Eagle Scout ranks achieved. Explorers gained 35 individual awards during the year, earning 13 merit badges and two teaching.

(Continued On Page Six.)

Coach David Slaughter said "We have to play way over our heads to win." He believes that Tyler and Texarkana have the best two junior college teams in the nation. (Texarkana upset Tyler 9-7 earlier).

His comment on the Blinn Junior College game, last week, was: "It made me sick. The boys played a good ball game and they

played as hard as they could, but the whole game was played in the rain." Slaughter believes the Rangers could have beat Blinn on a more level.

As it is, the Rangers already have the best season they've had in five years. And if they bring home a win from Texarkana—it may go down as the best season ever.

Ed Williamson will be in charge of releasing the turkeys, assisted by most of the members of the fire department.

First two will be released from the South side of the 160 block of Main St. (in the vicinity of J. C. Penney Co.) at 2 p.m.

At 2:30 p.m. turkeys will be released from the North side of the 200 block of Main St. (in the vicinity of Duke & Ayres).

Turkeys, at 3 p.m., will be released from the south side of the 300 block of Main St.

At 3:30 p.m. two more turkeys will be released from the North Side of the 300 block (in the vicinity of the City Hall).

Last two turkeys will be given away from the South side of the 400 block of Main St. at 4 p.m., in the vicinity of Montgomery Ward's retail store.

The turkey give-away event was planned by merchants, earlier, as a special event coming before Thanksgiving, Nov. 27.

Teen Town will be open tonight from 7:30 to 10 for junior high school students and from 7:30 to 11 Friday night for high school students.

Six collection boxes were placed on poles in the middle of six blocks in downtown Ranger Wednesday afternoon for depositing over-parking fines.

City Manager Les Crossley said that the collection boxes are in use at Cisco, Breckenridge, Eastland, and widely spread over the state. They make it convenient for parking violators to pay fines, he said.

Tickets will be issued in envelope size, Crossley indicated. Fines, usually consisting of 25c, may be placed in the envelopes and dropped in any of the six boxes.

Two collection boxes were placed on both sides of the 100 and 200 blocks of Main St. One is placed in front of Montgomery Ward's and another in front of Adams Grocery.

Reports also indicate that mice are running all over Ranger and inflicting many homes. Some no sooner get their mouse traps set than they have to be re-set, because many mice are quickly caught.

Don't ever underestimate the power of a woman hunter!

18 Entries Received In Pecan Show

A total of 18 pecan entries in the Sixth Annual Eastland County Pecan Show had been received at the Ranger Chamber of Commerce office at last report.

I. E. Talley of Olden entered a Burkett variety.

Ranger entries have included the three varieties—Mahan, Burkett and Native—entered by Ray Todd. Mrs. T. M. Hamilton brought in Burkett and Mahan varieties; Mrs. E. L. McMillen, with one variety; and John T. Robertson, Burkett and Slaughter varieties.

Cindy Fox of Route 2, Olden, and Laveria Rodgers of Route 8, Gorman, are the latest entries in the Eastland County Pecan Show contest. Laveria will be representing the Grandview Community.

King, Veale Placed On All-District

All-district football players were selected and honorable mention players named by District 7-AA coaches in a Coleman meeting Wednesday night.

Each of the six schools in the district were given two votes on players, with the head coach and assistants participating. Selections were made by coaches on the basis of how the boys on other teams played against their own team.

Making the selections were Coaches Harold Barrett and O. C. Warden of Ranger; Carrol Shelton and Jon Tate of Eastland; and head coaches and assistants from all other schools.

Cisco dominated the selections, placing six players on the first team, two boys on the second team and five on the honorable mention list.

Ballinger placed two boys on the first team, two on the second team and four honorable mentions. The Bluecats came in second in the district.

Ranger, tied for third in district standings, only placed two players on the first team.

Coleman, tied for third place, placed three players on the second team, with four honorable mentions.

Eastland, tied for fourth place in the district, made an impression. (Continued On Page Six.)

Basketball Workouts Are Underway Here

Football is on its way out on the local scene and basketball is on its way in.

A total of 16 high school basketball players reported for workouts Monday, including two returning lettermen. They were issued suits at that time.

Coach Boone Yarborough expects more players to come out for practice. He said that his group looks "green," but that workouts are going fairly well.

First game is set with Dublin, there, next Tuesday night.

Workouts are underway at the junior high school, with 12 boys out under the direction of Coach Frank Bevers. A junior high schedule will be announced at a later date.

Ranger College will go into basketball practice next Monday, following the final football game, with at least 12 players expected to report. Returning on the team are Dean Faulkenberry and Bobby Sullivan, both lettermen.

Coaches David Slaughter and Jim Puryear have both coached

basketball and football. Slaughter coached at Knox City and Carrollton and Puryear at Carrollton. Slaughter lettered in basketball three years at East Texas State College. Puryear played high school basketball.

At the present time there are 12 scheduled games on the college schedule, and about three or four more are expected to be scheduled.

Returning junior high school basketball players are J. B. O'Shields, Charlie DeLoe Santos, Gene White, Jerry Jones, Jimmy Hogan and Johnny Wells—all eighth graders. Seventh grade players are Howard Parsons, Johnny Camacho, Bill Perkins, Ronnie Hinds and Douglas Browning.

High School players include the following seniors: Tommy Warford, (a returning letterman) and Walter Hutchins—both seniors. Juniors are Jerry Anderson (returning letterman), Charles White and Jerry Wilson.

Sophomores include Dean

Over 100 Attend Annual Scout Meet

Over 100 persons attended the annual district meeting of the four-county Northeast District of the Comanche Trail Council, held in Eastland Tuesday night, at which time the 1959 Boy Scout Commissioners, members at large and institutional representatives were installed.

Unit leaders were presented with plaques for bringing in six or more new members during the current Round-Up Campaign of the Boy Scouts.

A total of 14 persons from Ranger and about 20 persons from Eastland attended the meeting. Recognized were Den Mothers, Cub Masters, Scoutmaster

and Explorer Advisors.

Attending the meeting from Ranger were: Mr. and Mrs. Morris George, Mr. and Mrs. James Townzen, Mr. and Mrs. Arthur Deffebach, Mr. and Mrs. Fred Bennett, Mr. and Mrs. Allen Rushing, H. A. and Marjorie Shockey, James Buggus and Ronald Waters.

Representatives were also present from Cisco, Breckenridge, Stephenville and Dublin.

Following the program, introduced by Rev. E. E. Mulliner of Cisco and presented by a girl's trio from Cisco, committee reports for the year were heard.

Frank Sayre of Eastland gave the health and safety committee report. Arthur Deffebach said, in the advancement committee report, that 283 awards had been presented to Cubs during the year, with 379 arrow points. Are You in Orbit Now?
 . . . is another way of asking, are you on the right track? The way we vote reflects our thinking and the way we think reflects our whole character. And by this standard, what a confused and careless people we sometimes appear to be! For example, the person who loses his abstract is careless, and the one who buys real estate without an abstract what about his thinking? The moral is, stay in orbit and out of trouble!

Letters to the Editor...

Dear Ron:
 I have been reading your column for some time now and as usual I have enjoyed it no end (I didn't specify). There is one thing that I believe appears too often, perhaps it isn't really often—it may be that there is not enough of your worthwhile predictions. By this I mean there is too much "football". I feel—as I am sure others feel—that football should be run under a sports column, and not in a roving reporters column. I miss your clever

remarks on happenings in and around Ranger. Would sincerely like to see you return to this format.
 Seeing the mystery farm is interesting in many ways. For some time you were featuring cuts of Ranger's various business establishments. Once you even ran an aerial photo of Ranger (I still have mine) these are interesting, but I see where they have almost been eliminated.
 Let's see some cuts of Downtown Ranger, street scenes (everyone enjoys seeing a familiar place or face).
 Would like to see more of the above mentioned in the Ranger Times, your column in it's old format would be well appreciated by all I am sure. This is meant to be constructive criticism—not destructive. So, lets have more of RON.

Special Holiday Assignments Will Be In Effect

Major Wilson E. Speir, Regional Commander, Region 4 of the Texas Department of Public Safety announced today that special holiday traffic assignments will be in effect during the Thanksgiving Holiday Week-end in an effort to hold down motor vehicle traffic accidents and to facilitate the movement of traffic on our rural highways during the Thanksgiving holiday period.

In order to utilize the manpower and equipment of the Department of Public Safety all personnel of the License and Weight, and Motor Vehicle Inspection Services will be assigned traffic duties to augment the manpower of the Highway Patrol during Thanksgiving week-end.

All holiday leaves and days off duty have been cancelled and all personnel will work during the peak hours of traffic. Radar will be pressed into use extensively in an attempt to control speed.

Major Speir said, "We want our motorists to be aware of the holiday hazards, and solicit and cooperation of all in making this holiday one of Thanksgiving and not one of tragedy."

Patrolmen of all the enforcement services of the Department will be especially watchful for speed violations and suspects of DWI, the two factors that contribute to most accidents.

BARRELSFUL OF LIFT—Add to items in lift-by-the-bootstraps department the Army's Doak-16 VTOL (vertical takeoff and land) plane shown, above, at Torrance, Calif. The barrel-like gadget on the side of the plane contains the portside propeller. An identical unit is on the opposite side of the fuselage. In their present position, propellers lift the plane off the ground. Once altitude is gained, housings are rotated to face forward, and plane proceeds in horizontal flight.

I GIVE YOU TEXAS

By BOYCE HOUSE

Most of the men (in spring and summer, anyway) go hatless.

There are no fat policemen—or else they are assigned to the suburbs.

The East and West do meet: two Chinese ladies wearing American blouses and skirts—the skirts silk.

Across the street from Madison Square Garden, a man sneezed and another (probably a Pole) looked around, thinking someone had called his name.

During four days in New York City, I had exactly one conversation. It was when the curtain fell at the end of the first act of "Li'l Abner." For the sake of future historians, the entire conversation is set down:

Man (seated next to House, rising): Pardon me.

House, (rising): Certainly.

The signs of Times Square are one of the chief wonders of the metropolis. There was a painting seven stories high showing Dracula and his bride. Across the way was the advertisement of another movie, "The Vikings", featuring a

ship 270 feet long, which is nearly four times as long as an actual Viking vessel was, and the 50-foot sail was of actual canvas.

The electric signs are impressive, especially, of course, at night. A huge Johnny Walker strides along; a man blows a puff of cigarette smoke every 15 seconds; "Time" has a screen which silhouettes (in motion) of fashion models, a bull-fight and a cowboy riding a bucking horse; news items are spelled out in electric lights on an endless belt; and a waterfall cascades 50,000 gallons a minute.

And there are many signs with big letters and designs in every conceivable color—and changing colors—blinking on an off, advertising anything you can think of. I recalled Gilbert Chesterton's remark when the brilliant English author visited New York for the first time and, beholding Times Square at night, exclaimed, "What a wonderful sight to a man who could not read!"

The subway is a rush and a roar through the dark walls of a tunnel. The aisles are crowded; the cars sway and they lung to a stop, how anyone could read, converse, take a nap or think aboard the subway—it is said that people do—is beyond my understanding. It seems to me to be transportation stripped of all accessories and trimmings.

The buses, however, were really a bargain. I boarded one on Fifth Avenue at 25th Street and traveled to 155th, which was even more than 140 blocks because of a jog; and there was a procession of scenery—shops, churches, apartment houses, miles of Central Park—a glimpse of pleasure-boaters; statues; a memorial to Arthur Brisbane, the editor; and the kaleidoscope of Harlem—all of this for 15 cents!

Who, having seen it, can ever forget the park-pavilion, or whatever it is, in the heart of Radio City—a waterfall and a pool, brightly-colored parasols under which people gaily dine, the spot enclosed by skyscrapers costing rattling-how-many-millions a day yet there is serenity-peace-beauty.

St. Patrick's Cathedral, close by, is an architectural wonder in its massiveness and its tall, graceful spires.

Then there is the huge Public Library with its stone lions on guard and above the portals, as one of the three founders, the name of Samuel J. Tilden, the man who was elected but defrauded of the presidency.

And the Fifth Avenue stores with fabrics, gems, handicraft, pictures, raiment from the ends of the earth—and the Empire State Building and its companions of the incomparable skyline—and the

Leaves Can Boost Garden And Flowers

College Station—Leaves which are now falling and cluttering yards and gardens can give a boost to next year's flower or vegetable garden if properly handled, says Bill Bennett, extension soil chemist.

Burning the leaves may be easier but the extra time required to put them in a compost pile will return big dividends, explains Bennett. The compost can be used next year to increase soil organic matter or for mulching flowers, shrubs or vegetables.

Making a compost pile is a simple operation, points out the chemist. Scrap lumber or a few feet of net wire and four posts will take care of the enclosure. Then start with a six inch layer of leaves. For every four square feet of enclosure, dissolve a cup of commercial fertilizer, such as 8-8-8 or 6-2-6, in water and sprinkle the solution over the layer of leaves. In areas where soils are acid, Bennett suggests adding a cup of lime to the fertilizer.

New Caramel Chips Make A Party Pie

Frankly fancy is this elegant Caramel Pie—yet "easy as pie" to make. The reason? Those just-on-the-market Caramel Chips that have added a new dimension to home cooking. For now, at last, it is possible to have the delicate flavor of caramel without the ticklish split-second timing needed to prepare caramel in the old-fashioned way. This rich caramel-flavored filling served in a coconut crust is a "conversation piece" sure to redound to the credit of the most particular hostess.

French Silk Caramel Pie

$\frac{1}{2}$ cup butter
1 cup (6 ounces) caramel chips, melted and cooled
Dash of salt
 $\frac{1}{4}$ teaspoon nutmeg

1 teaspoon vanilla
2 eggs
Quick Coconut Crust Pie Shell, cooled

Cream butter. Add melted caramel chips, salt, nutmeg, and vanilla. Blend well. Add eggs, one at a time, beating 5 minutes after each. Pour into pie shell. Chill. Garnish with whipped cream and sprinkle with nutmeg.

To Make Quick Coconut Crust Pie Shell: Combine 2 tablespoons soft butter and $\frac{1}{4}$ cups (about) tender thin flaked coconut. Press evenly into lightly buttered 8- or 9-inch pie pan. Bake in slow oven (300 F.) 15 to 20 minutes, or until golden brown. Cool.

STOCK MARKET REPORTS

By Ted Gouldy

Net returns in six standard Corn Belt feeding programs ranged from \$39.00 to \$111.00 per head last season. These were the highest returns for several years, and were much above average.

Highest profits were in short-feeding of heavy steers for March-May sale. A heavy-steer program is always highly speculative. When sales are made at near peak prices, profits can be high indeed. This was true last spring. Later in 1958, when spring-purchased cattle were sold on the lower-priced late-summer market, profits in short-feeding were much smaller.

Noteworthy in profit patterns last year was the favorable showing for feeding of good yearling steers for April-June sale. This program returned \$70.00 profit per head. In many years recently this, the most traditional of all Corn Belt programs, has been one of the less profitable. Last season saw it regain status, temporarily at least.

Long-feeding of steer calves, on the other hand, was one of the least profitable last year. In most years since World War II it has been among the best. The decline in slaughter prices last summer

cut into long-feeding profits. Imports of cattle into the United States in 1958 will total more than a million head. This will exceed the previous record of 764,000 in 1939.

From January to September, 406,000 cattle were imported from Canada and 328,000 from Mexico. Last year's totals, according to inspection data, were 393,000 from Canada and 343,000 from Mexico. (Official Census data differ only slightly from these records based on inspection by USDA.)

Imports of beef and veal averaged about three times last year's rate for January-September. Pork imports were up 30 percent.

WEEKEND VISITORS
Weekend visitors in the home of Mr. and Mrs. C. W. Blacklock were his sisters, Mrs. J. R. Bagwell of Lubbock, and Mrs. N. G. Parr of Raymondville, Texas; and his brother and wife, Mr. and Mrs. Ben Blacklock of Munday, Texas.

VISIT IN OKLAHOMA
Mr. and Mrs. E. F. Arterburn and Mrs. Herbert Rapp visited in Oklahoma last week.

They visited his mother, Mrs. H. C. Arterburn, and his sister, Pauline, in Kiowa, Oklahoma; Mr. and Mrs. M. B. Ellison in Stewart, Oklahoma; and Mrs. Dan McDonald in Calvin, Oklahoma.

ON HUNTING TRIP
Carl Black is in Rock Springs on a hunting trip.

WMU Circle Meets With Mrs. Coleman

Mrs. Ida Coleman was hostess to one circle of the WMU of the Second Baptist Church Monday afternoon at 3 p.m. Mrs. E. C. Ward, circle chairman, presided over a business meeting. A name for the circle was discussed and will be selected before the next meeting.

Plans were made for the Sunbeams, which are sponsored by this circle.

Mrs. Coleman gave the devotional. Mrs. R. B. Needham, program chairman, presented the program on "Baptist Missionary Beginnings in North America." The following had parts on the program: Mmes. Ward, Coleman, and Charlie Beck.

Mrs. Delbert Cozart, prayer chairman, concluded the program. Refreshments of coffee, cake, and cocoa were served to the following: Mmes. Ward, Cozart, Callie Ainsworth, Needham, Beck, Mae Rodgers, May Burden, and Coleman.

The next meeting, on December 15, will be in the home of Mrs. Cozart.

Blue Bird Group Meets Tuesday

The Bluebirdet Blue Birds of Hodges Oak Park School met Tuesday, Nov. 18, at the school library.

Sylvia Camacho was elected reporter. Following the business meeting, year books were made.

Refreshments were served to the following: Janice Black Jane Bradford, Sylvia Camacho, Joyce Falls, Jane Johnson, Suzanne Rourke, Sandra Parsons, Rita Theberge, Kay Wilhelm, and the leader, Mrs. Roland Goodwin.

VISIT IN RANGER
Mr. and Mrs. Tom Hardy of Fort Worth visited in the home of Mr. and Mrs. Kenneth Hardy, Mr. and Mrs. Ben Yung, and Mr. and Mrs. Luther Kirkpatrick over the weekend.

Mrs. Perrin Is Hostess to Eva Kimbler Circle

Mrs. Flora Perrin was hostess to the Eva Kimbler Circle of the Second Baptist WMU Monday afternoon at 3 p.m. Mrs. Perrin led the opening prayer.

Mrs. Roland Goodwin, program chairman, presented the program on "Baptist Missionaries in North America." The following members took parts on the program: Mmes. Myrtle Rodgers, Betty Bush, Ed Scarbrough, Perrin, Walter Mitchell, and Goodwin. Mrs. Bush closed the program with a prayer.

The circle chairman, Mrs. R. B. Wymer, presided over a short business meeting. This circle sponsors the Intermediate G.A.'s, and as a yearly project, the members voted to sponsor the G.A.'s to camp this summer.

The minutes were read and approved. A project was planned for this month.

Each member's waistline was measured, and for every inch, a penny was contributed to the Lottie Moon Christmas offering.

Mrs. Scarbrough led the closing prayer.

Refreshments of cake and coffee were served to the following: Mmes. Bush, Goodwin, Mitchell, Wymer, Scarbrough, Everett Noth, Luther Moody, Rodgers, Marcus Matthews, and the hostess, Mrs. Perrin.

The next meeting will be held December 15 in the home of Mrs. Scarbrough.

the rank of Eagle.

Jodie Baker of Breckenridge, a member at large, made the leadership training committee report.

Cyrus Frost Jr. of Eastland made reports for the organization and extension committee and the finance committee. He pointed out that two new Boy Scout units had been gained during the year, and that the current membership drive was seeking 300 more units, an average of six boys per unit.

Frost indicated that the council is composed of 52 units made up of 984 Boy Scouts. Operational costs were about \$30,000 a year, he said, raised through the United Fund, Community Chest and special drives.

Baker presented M. G. Cartwright, scoutmaster of Troop 103 of Eastland with a Scouters Key award for six years service. Rev. Mulliner was presented with a 15-year service pin.

Plaques for gaining members were presented by Baker to Fred Bennett, Scoutmaster of Troop 10 in Ranger; James Townsen, Explorer Post Advisor of Post 16 in Ranger; and Cartwright. C. A. Facks from Stephenville, Breckenridge, and Dublin also received awards, along with Troop 30 of Dublin.

H. A. Shockey, commissioner from Ranger, made the nominating committee report. Officers were installed by Fermin Smith of Brownwood.

Installed as members of the commissioner staff were Duaine Dennis and Shockey of Ranger; Hank Sims of Eastland; and others.

Installed as members at large were W. A. Robinson, Deffenbach, Shockey, John A. Bates, Roscoe Hopper and W. F. Creager of Ranger; Frank Sayre and Grady Pipkin and Arthur Murrell of Eastland; and others.

Named as institutional representatives from Eastland were Charles Freyschlag, Homer Smith and James W. Reid. Institutional representatives from Ranger are James H. Ellison, Rev. Lively Brown, R. V. Robinson and Morris George. Institutional representative from Gorman is Thurman Jay. Ronald Servey is the representative from Carbon.

Dr. E. J. Howell, president of Tarleton State College at Stephenville, was the principal speaker of the evening.

General Medaris is the first commander of America's new Missile Command. He has been a member of the Armed Services since 1918, when he enlisted in the U.S. Marine Corps at the age of 16. Prior to that he worked as a newspaper boy in Springfield, Ohio—and supplemented this with another job, turning gas street lamps on and off along his newspaper route!

A salute to America's newspaper boys

from a former member of their ranks—Major General John B. Medaris, Commanding General, U. S. Army Ordnance Missile Command

"You're a mighty important young man. First, because you keep us supplied with one of the most vital needs of our day: news of the world. We know we can depend on you for that. Second, because you are one of America's future leaders. And we already have evidence of your ability to 'sell America' in the way you and your fellow carriers have helped sell Savings Stamps and Bonds ever since 1941. Today thousands of carriers are in-

vesting part of their weekly earnings in Stamps and Bonds—saving for the future.

This is more important today than ever. Every U.S. Savings Bond or Stamp sold helps strengthen America's Peace Power, by providing money to keep our country strong, to advance science and education, and to keep our economy healthy.

So—in honor of Newspaperboy Day, 1958, I salute you. You and your circulation managers are doing a great job. Keep up the good work!"

their support of the Bulldogs. They did a nice job as cheerleaders.

Lee King and Charles Venable were awarded trophies by the young people of the First Baptist Church for best lineman and back in district play.

This is the last week for buying annuals, so hurry and get yours now!

Year pins are also on sale for \$5.00, available from Molly Mitchell or one of the Seniors.

Deer season is open now, so I guess all the deer deer will be hiding. That means that four-legged deer, not the two-legged deer. There already have been several deer (not deer) shot in these parts.

Thanksgiving Holidays start Nov. 27 and continue until through Nov. 28. That's next week.

Happy Holidays to everyone! The Bulldogs gave the Mavericks a bad time Friday. We know the Bulldogs can do anything they set their minds to do. Football Sweetheart is Guy Ann Daskovich, a senior at old RMS.

The band gave an outstanding show, altho' they had to stomp around in the mud. They are working hard now for the marching contest which is to be held in December.

M. W. sure had a close call. She almost didn't make it in time to ask B. Y. to the FHA banquet which will be held in January.

There is a rush around for dates for the FHA banquet.

S. J., K. H. and J. W. are having a scramble over who is taking E. N. to the FHA banquet. Wonder who will win?

I would like to say "Thank You" to Barbara Crabb, Norma Gayle Emfinger, Sandy Vinson, Gay Ann and Nancy Warren for
