TOP TV-The Dinah Shore Chevy Show-Sunday-NBC-TV and the Pat Boone Chevy Showroom-weekly on ABC-TV.

Like all '59 Chevics, this Impala Sport Coupe is new right down to the tougher Tyrex cord tires it rolls on.

Walk around the car that's all-round new . . . then be our guest for a pleasure test-

here's a car with a whole new slant on driving. You see the transformation in its low-set headlights, the overhead curve of its windshield, the sheen of its Magic-Mirror finish

-a new acrylic lacquer that does away with waxing and polishing for up to three years.

But to discover all that's fresh and fine you must relax in Chevro-let's roomier Body by Fisher (up

3.3 inches in back), feel the loungelike comfort of Chevy's new interior, experience the hushed tran-quillity of its ride (choice of improved Full Coil or gentler-thanever Level Air suspension"). Once you're on the road you'll discover such basic benefits as bigger, better cooled brakes that give over 50% longer life, new easy-ratio steering and a Hi-Thrift 6 that gets up to

10 per cent more miles per gallon. And, of course, you find Safety Plate Glass all around in every Chevrolet. Stop by your dealer's and pleasure test the car that's shaped to the new American taste!
