Lions Club Pancake Supper Saturday

Proceeds Will Benefit March of Dimes Drive

A record number of people from the Ranger area are expected to attend the sixth annual Aunt Jemima Pancake Supper, sponsored by the Ranger Lions Club, to be held in the Ranger College Cafeteria beginning at 6:30 p.m. Saturday.

A BENEFIT basketball tournament is all set to give local fans plenty of excitement. The date is set Feb. 6-7, in the Recreation Building.

Seeing action in the tourney will be the Rangers, Independents, Intramurals (Basketball), Olden Independents, Volunteer Firemen and one other team.

Proceeds will go toward the March of Dimes, a drive that is making remarkable progress in Ranger.

WE SEE that some area newsmen don't have anything better to do than debate whether or not a columnist should use "we" or "I" in his column when referring to first-person singular.

Well, we faced that problem a long time ago and came up with a simple solution: use both "we" and "I".

Using either has its advantages and disadvantages. When I say "I," I sound just too egotistical. When we say "we," well, we sound like more than one person.

WE personally prefer to use "we." Sometimes the staff we write here is so lousy that we would like for you to think that more than one person was responsible for it!

MARCHING for the March of Dimes this evening are a large group of women. The annual Mother's March is efficiently planned to appeal to every resident in Ranger. If you are not at home, or if you are missed in the drive, donations can be made by calling firemen at 979. They will come by your house for funds.

Ranger Lions, of course, are preparing for the big sixth annual Aunt Jemima Pancake Supper, this Saturday night. Out at Ranger College Cafeteria — you can eat all the pancakes and sausage you want. This event is expected to draw a big crowd. See story on this page.

The volunteer fire department is to be commended for its activities in the local drive. They are helping considerably. Already having played a benefit game, they are now ready to aid the Mother's March tonight, and are getting ready to man the parking meters and to play another benefit basketball game.

WE (that's more than one) appreciate all contributions to this newspaper, made by local people — not because we're lazy, but because we like variety.

WE hope you've noticed that this column is running twice a week, now, having been replaced for the season by Sports Corner. The highly-readable column is written by Drayton Headen of Ranger College.

Starting today, and continuing every Thursday, is a new high school column — written by Gay Ann Daskevich. WE hope you enjoy it.

Also running strong, every Tuesday, is Covered Sugar — the delight of many — written by Mrs. Cuban (Homer) Perry.

To each of you — and to other contributors — WE give our most hearty "Thanks".

Will dig ya later! (We will).

he held in the Ranger College Cafeteria beginning at 6:30 p.m. Saturday.

All proceeds will go toward the March of Dimes, a drive which continues in the County up through Saturday, Feb. 14.

Members of the Lions Club will do the cooking for the event. J. W. Daskevich, Jr., is in charge of cooking arrangements and Sam Aills is general chairman of the project.

Manufacturing concerns over the region have contributed to the event. Furnishing the Aunt Jemima Pancake Mix is the Quaker Oats Company of Sherman.

Griffin Waffle Syrup is donated by the Griffin Manufacturing Co. of Muskogee, Okla.

Sausage has been donated through the courtesy of H. G. Adams Grocery of Ranger.

A Hammond chord organ is being furnished for the occasion by Caldwell Music Co. of Abilene. An Abilene man, connected with the firm, will also provide music.

Butter is being furnished by Mrs. Tucker's Foods of Sherman. Those buying tickets, on sale this week by members of the Lions Club and Explorer Post 16, can eat all the sausage and pancakes they want. Tickets are priced at 75c each for adults and children.

Special tickets will be available at the cafeteria for children up to six years old, at 50c each. Chairman of the ticket sales is W. J. "Sammy" Sipes.

Transportation will be furnished from in front of the Gholson Hotel to the cafeteria. Pete Brasher and Dick Henderson will be in charge.

Final plans for the event were outlined in the noon meeting, today, of the Ranger Lions Club.

Over \$200 was raised for the March of Dimes in the supper last year. It was considered a success by local Lions.

Art Campbell is in charge of the clean-up detail. Ronald Waters is publicity chairman and David Allsup is in charge of the dish-washing detail.

Firemen Will Man the Meters

All money collected from parking meters in Ranger, including fines for over-parking, will be donated to the March of Dimes campaign, it was revealed today by Les Crossley, city manager.

Crossley said that members of the Ranger Volunteer Firemen would handle the meters all day Saturday and would issue tickets for over-parking.

As in the past here, the city designates one day during which all monies derived from parking meters go toward the March of Dimes.

Winters Game Is Next

Coleman blasted Ranger's Bulldogs 72-38 in a furious basketball battle, there, Tuesday night. The Bluecats also took a 65-21 victory over the "B" Team.

The Bulldogs will take to the road, playing the Blizzards, this Friday night in Winters. At the same time, Ballinger will tangle with Coleman and Cisco will play Eastland.

As a result of Tuesday night's games, the District 7-AA standings look like this:

Team	Wins	Losses
Cisco	4	1
Coleman	4	1
Ballinger	3	2
Eastland	2	3
Winters	2	3

Little League Meeting Tonight

Officials of Ranger's Little League will meet tonight at 7:30 in the Chamber of Commerce office to discuss improvements on Little League Park.

Officers, directors and managers of the league will also review finances in the business meeting.

Plans are underway to re-wire and re-light the present baseball field. Additional funds are needed for more lights to be placed at the field, a spokesman said.

Rotarians Hear College Students

Two Ranger College students, Maxine Vandergriff and Jimmie May Miller performed before the Rotary Club, Wednesday noon.

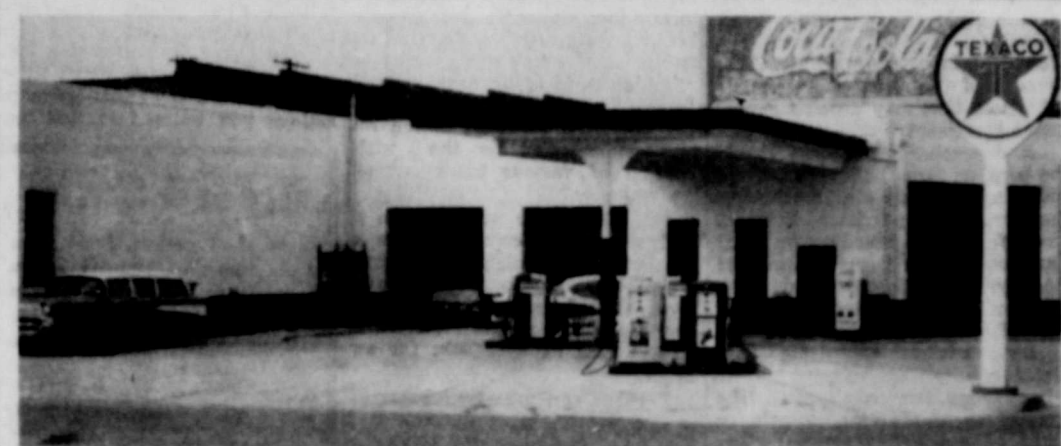

They were introduced by Roland Vaughn. Miss Vandergriff gave a rendition of "Blue Tango" on the accordion and played "My Blue Heaven" on the piano. Miss Miller sang "A Very Special Love" and "Chantee".

Rotarians decided to contribute, as a group, to the current March of Dimes project.

Ranger Rotarians will meet in the Lacasa Community, Feb. 12, for a regular meeting.

Recognized for birthdays were David Slaughter and O. G. Lanier.

Six out-of-town visitors were present.

Penn Service Station Sets Formal Opening

Formal opening of the new E. F. Penn Service Station, at the corner of Main and Commerce Streets, will be held all day Saturday.

Frank Penn, Texaco dealer, recently moved his station from 125 S. Austin to the present location. He invites all of Ranger to attend the formal opening Saturday, when free gifts will be given to those present.

Penn completely remodeled the old Texas Drug Store Building, changing the size and the shape, adding an over-head canopy and making many other changes. W. L. (Bill) Bourdeau of Ranger was the general contractor.

In the service station business here for 29 years, Penn employs four persons. Working at the

station are Arthur Camacho, Walter Blackwell, Cecil Alford and Clyde Pollard. Mrs. Penn serves as bookkeeper.

Open from 6 a.m. to 8:30 p.m. seven days a week, the service station may be open until later this Saturday. Washing and lubrication bays are built into the new station. Batteries, tires and other accessories are available.

Jack Williams was general paint contractor for the building. Neon lights and wiring were provided by Moffett Electric Co. Plumbing was done by Page Plumbing and Ranger Plumbing Co. Providing building materials was Ranger Lumber and Supply Co.

Gaye Notes

By Gaye Ann Daskevich

(Editor's Note: With this issue, the Times starts a regular weekly column written by Gaye Ann Daskevich, daughter of J. W. Daskevich, Jr. The high school senior's Gaye Notes will concern happenings at R.H.S. It will appear here every Thursday.)

Now that all those horrible mid-term tests are over and all our Moms and Dads have seen those marvelous grades, we students are just about to get back to normal at R.H.S.

But, as the old saying goes, if it's not one thing, it's fourteen others. Since the March of Dimes drive is on, the Student Council is in the process of planning a program for the benefit of this wonderful deserving campaign. Every year the Student Council plans some such program to be carried out by the student body and consequently, they have been able to make some pretty nice contributions to the drive in the last few years.

But, as the student council is not alone in its efforts to help the drive, for the last two weeks ends the Sub-Deb Club has been raising money for the drive. One Saturday they sold cakes, and the next Saturday they trapped up and down the streets selling peanuts.

This coming week will more than likely see the seniors get started on their play. There's a lot of work that has to be done to make a play a success, but judging from the interest shown by the seniors so far, there's no doubt that it will be a big success. The seniors will use the money they make from the play to help with

1947 Club Members Will Stage March

Ranger's vigorous fight against polio will continue tonight with the annual Mother's March of Dimes scheduled to get underway at 6:30 p.m.

Sponsored each year in Ranger by the 1947 Club, the event is conducted across the nation by various organizations.

The city fire alarm will signal the start of the campaign. Persons who wish to contribute to the drive are urged to turn on their porch lights. Members of the 1947 Club will stop and take donations all over Ranger.

Mrs. J. A. Bates, county chairman, urged everyone to support the drive. She said that the county goal had been set at \$1 per person, or about \$25,000. Some families in the county are not able to pay this, she indicated, urging those who have plenty to "adopt a family" and to give more toward the drive.

Volunteer firemen will be working outlying areas tonight, calling on scattered homes in Ranger. Several firemen will also be present at the "polio headquarters" in the American National Insurance Building, ready to receive donations from persons who were missed in the Mother's March. They will pick up donations from anyone calling 979 that wishes to contribute.

Those attending the Ladies' Night meeting of the Methodist Men's Club tonight at 7 will also be given a chance to contribute to the project.

Ranger's participation in the March of Dimes will also include the annual Aunt Jemima Pancake Supper, sponsored by the Lions Club, this Saturday in the Ranger College Cafeteria, beginning at 6:30 p.m.

Future plans call for a benefit basketball tournament, set Feb. 6-7 in the Recreation Building. Participating will be the Ranger College Rangers, the Ranger Independents, Olden Independents, Volunteer Firemen, Ranger College Intramurals (Basketball) and one other team. Firemen will also man the parking meters Saturday, with all funds going toward the drive. Ranger's schools will also participate in the March.

Mrs. James Townsen, chairman of the march for the 1947 Club, urges all captains and workers to turn in donations at the insurance building tonight. On hand will be J. W. Daskevich, Jr., city chairman, and a group of employees from the Commercial State Bank to keep record of the returns.

Captains and Workers

About six firemen will work the outlying areas of Ranger in tonight's Mother's March. Assignments of captains, workers and territories for the march are listed below:

Mmes. Earle Pittman and Calvin Lipkin — Highway 80 and Hunt St. — no workers.

Mmes. Marshall Jolly and Morris George — Main St. to Alice and Eastland Hill to Marston — Mmes. Thomas E. Wood, Carl Black, Marvin McGee, A. W. Warford and Lively Brown.

Mmes. W. P. Watkins and F. P. Brasher, Jr. — Mountain View to Luis and Main to Wayland Rd. — Mmes. Homer Montgomery, W. C.

Ranger Girl Is Injured In Car Accident

Two automobile accidents within the city limits Wednesday resulted in one injury and heavy property damage.

Lella Lewis, six-year-old daughter of Mr. and Mrs. Leon Lewis of Ranger, was hospitalized in Ranger General Hospital after she had been hit by a '59 Ford on Highway 80, Wednesday at 4:16 p.m.

Her condition was described as "fair" Thursday morning by the attending physician. The doctor said that she suffered bruises and lacerations on the head, arms and back.

Investigating officers said that the accident occurred when the little girl tried to cross the highway, about 150 feet from the intersection of Main and west Highway 80. She waited for one car to pass and then started to cross to the other side where her two sisters and brother were waiting.

Mrs. Lella A. Bryant of Couthshana, La., who was driving the Ford, was unable to prevent hitting the girl. Mrs. Bryant had stopped at the red light and then stepped on her brakes, skidding about six feet in an effort to prevent the accident, officers said.

Another accident occurred at the intersection of Cherry and Homer Sts. at 12:30 p.m. Wednesday. Curtis Lyn Stephens, 17, of Ranger, driving a '54 Chevrolet, collided with a '53 Chevrolet pick-up, driven by Alwyn Joe Williams, 18, Ranger.

Damages were estimated at \$250 for the '54 Chevrolet. An estimate on the '53 Chevrolet was unavailable.

Mail Dispatch Time Changed

A new time for the last mail dispatch was announced today by Mrs. Ella White, acting postmaster. Mail should be in the Post Office by 6:30 p.m., instead of 6:45 p.m., for the late dispatch, she said.

Any mail received at the Post Office box after 7 p.m. will go out on a truck.

Rangers to Open Play In Conference, Friday

Ranger College is going all out to get the biggest basketball crowd of the year at the conference-opening basketball game set between the Rangers and Henderson County Cardinals this Friday night at 8 in the Recreation Building.

College officials want a big crowd of local fans to support the Rangers when they open Texas Conference play. And to help get the group they are admitting everyone free who presents the coupon — inside today's Times — at the door.

Those who don't have a coupon will be charged regular admission prices: 50 cents for adults and 25 cents for students.

Coach Jim Puryear says he hopes to see the biggest basketball turn-out in Ranger at the game.

The Rangers have been working hard, getting into shape for the conference game. They will follow up Friday night's efforts with a Blinn Junior College battle here, Saturday at 8 p.m. Following the opening of the Spring Semester, the Rangers will take to the road, playing Blinn in a conference tilt, there, Feb. 5.

Expected to start Friday and Saturday nights for the Rangers are Bill Phillips and Bobby Sullivan at forward; Don Russell at center; Jerry Larned and Dean Faulkenberry at guard. Phillips, who is also a football star, will be seeing his first action of the season.

When the Rangers hit the court they will be seeking their first basketball win in several seasons of play. Judging by the amount of confidence and skill shown by the players — they will likely bring in a victory in one of the two games.

This week, Determination may be the deciding factor for the hopeful Rangers, and they are determined to win.

Here is the conference schedule for the rest of the season, after Saturday's game:

Date Team Site
Feb. 6—Blinn Jr. Col. Brenham
Feb. 6—Cisco Jr. Col. Here
Feb. 12—Henderson Athens
Feb. 13—Navarro Corsicana
Feb. 16—Cisco Jr. Col. Here
Feb. 19—Navarro Here

The Rangers are also slated for three tournaments. They will play in the city tournament, next month, in the Regional Tournament in Amarillo, Feb. 24-26, and in the Conference Tournament in Corsicana, March 2-3.

Good Records May Save Farmers Extra Income Tax

COLLEGE STATION—Farmers may save several dollars on income tax by keeping good records, reminds C. H. Bates, extension farm management specialist.

Small leaks are the ones that sometimes prove costliest, Bates points out. An oversight of only \$25 in expense items may cost an additional \$5 tax. So, records should include all items of expense and income that will help determine net profit or loss from the business.

To simplify filling out the tax forms, Bates recommends classifying various items in categories corresponding to the various headings used in tax forms. For recording sales, the following groups are recommended: (1) sale of livestock raised, (2) sale of produce raised, (3) other income, (4) sale of items purchased for resale and (5) sale of assets that may receive capital asset treatment.

A depreciation schedule should be kept on farm buildings (except dwelling), fences, machinery, equipment and purchased livestock used for dairy, breeding or draft purposes. These items depreciate each year and this loss is deductible for income tax purposes at the end of the year in which it occurs.

Bates advises consulting your local county agricultural agent about your tax problems. The county agent also can provide a copy of the 1959 Farmers' Tax Guide which should be helpful in your tax management this year.

IT'S THE LAW in Texas

KEEP RECORDS—SAVE TAXES

There is no time like the present to start a procedure that will aid you with next year's income tax calculations. That is to maintain a record of your income and out go. Such a record can be simple and brief but it may save you tax dollars and many hours of work in filling out tax forms.

The average man who works for a wage or salary doesn't have to concern himself about keeping books and records—at least so he thinks. His employer keeps a reliable record of his earnings and Uncle Sam looks primarily to the employer for information on his earnings and for the withholding of various taxes out of his wages.

But whether or not you run a business of your own, you have a partner who your year is claiming a substantial interest in your personal income. And the law requires that you keep books for him in case he ever asks for an accounting.

Perhaps you own your home or are paying it out in installments. It's likely that some day you may sell that house. When you do you'll want to be able to prove

whether you realized a gain or a loss on that sale. If a gain in capital resulted, it probably will add to your income tax. If a loss was suffered, it may possibly reduce your income tax.

You may have made certain capital improvements on the house while you lived in it, but unless you can show what out-of-pocket expense you incurred while making them, you may not get credit for them in your cost basis so as to prove that you had no capital gain or that you had a loss.

Or perhaps you received that little summer cottage on the lake as a gift from your father. If you ever sell it, you should be able to show Uncle Sam not only the cost of improvements you made on it while you owned it, but also what it was worth for tax purposes before Dad gave it to you.

It may be that you are receiving an annuity on an insurance policy. If so, do you know how much that policy costs you and how much of that cost you have recovered tax-free to date?

There are many kinds of transactions you enter into that may

TRADE WITH YOUR HOMETOWN MERCHANTS

AS IT LOOKS FROM HERE

OMAR BURLISON, M. C. 17th District, Texas

WASHINGTON, D. C.—Talk and Speculation in Washington centers around the Government's spending program. In the weeks and months to come we will hear a lot of talk about Government economy, but few here expect any sizeable cut in spending. Both political parties concede there is little chance of reducing spending, but seemingly each hopes to place the blame on the other for outgo in excess of income. The President has submitted a balanced budget, but it is filled with "ifs."

Members of congress want to provide everything their constituency requests, but they also favor economy. Most of us talk about economy in places far removed from our own State, and particularly our own Congressional District. When it gets down to home, our tone changes. The same is pretty much true of individuals and committees from North to South and East to West. For instance, the American Municipal Association, an organization of more than 1200 mayors and other top officials, recently meeting in Boston, Massachusetts, urged more Federal funds for urban renewal, civil defense, water pollution control, local airports, depressed areas, training public health workers and other grant-in-aid benefits from the Federal Government.

In a similar meeting in 1958 only two mayors of the larger cities of the County were of the opinion that Federal grants should be decreased. All the others were for increases. At about the same time, out of 36 of the 48 governors in a meeting, only two were of the opinion that certain taxes should be relinquished by the Federal Government to the States for the purpose of reducing grants-in-aid.

With these two forces—that is, the desire on the part of Congress to furnish more aid to local governments demanding more aid—it would not seem that Government spending would be reduced.

With national defense needs up about 60 percent of the entire \$77 billion budget, this makes the choice of what to reduce considerably slimmer. Consider the fixed expenditures of the Federal Government, such as approximately \$5 billion as interest on the Public Debt, there are not very many expenses to be reduced, even at best. This does not mean that the 60 percent for defense expenditures is sacred, but it does mean there is less chance of reducing this big bite than any other area of spending.

Probably useless information, but interesting—A survey by the Baptist Free Press, the news agency of the Southern Baptist Convention, dated January 14, 1959, reveals that the new Congress (House of Representatives and the Senate), numbering 534, is composed of numerous religious affiliations. There are 90 Methodists, the largest single religious group. Second in number are Roman Catholics with 79. Baptists are third in number, with 62. Then comes Presbyterian with 56 and Episcopalians with 51. The Church of Christ has 4 in the House, but none in the Senate. Of the 534, 79 list no religious affiliation. It in

supposed that a fairly sizeable number of these are of the Jewish faith, but not listed.

Occupations in the congress cover just about every human activity, but lawyers greatly predominate. The nature and disposition of the Congress as a whole is sometimes strange, but most times predictable. At times there will be almost complete unity on issues which have the appearance of being controversial, but at other times there are about as many opinions as there are Members on matters which seem routine in the beginning. At times it is a warm and receptive body, and at others cold and calculating. It is probably its own severest critic, and the test of a Member is not what he has done before or what he is going to do, but what he can do right now.

By and large, the 534 Members of the House of Representatives and United States Senate are dedicated men, doing what they believe to be right for their Country and the people whom they represent.

"Isaiah Speaks" Is Study Topic At WSCS Meeting

The third session of the study, "Isaiah Speaks," was taught at the WSCS meeting Monday afternoon in the First Methodist Church parsonage.

Mrs. W. A. Robinson opened the meeting with a prayer. Mrs. A. J. Ratliff, president, presided over the business meeting, at which time the following nominating committee for next year was appointed: Mmes. A. W. Brumfield, James Townzen, Arthur Deffebach, Stanley McAnelly, J. T. Roberson, and Rev. and Mrs. Lively Brown.

The worship center, which consisted of a lighted cross before an open Bible, was made by Mmes. Tom Stewart, J. T. Killingsworth and E. H. Mills.

Mrs. E. L. Danley presented the devotional on "Love," taken from the 22nd chapter of Matthew. The group sang "Love Lifted Me."

The study was taught by Rev. Brown. Parts of Isaiah were read by Mmes. J. E. Matthews, G. O. Strong, R. E. Johnson, C. E. May, James Townzen and Beverly Dudley. Mrs. Gaston Dixon and Mrs. W. A. Robinson brought newspaper clippings to illustrate some of the sins that exist today.

"Natural Crisis Under Ahab" was discussed by Mrs. H. C. Croom.

Refreshments were served to 26 members.

High-point man for the Bluecats was Charles Graves, earning 14 points. Second were James Calhoun and Bruce Wagon with 12 points each.

CARD OF THANKS

At this time there are no words to express my appreciation and thanks to my family, friends, and Dr. D. L. Mims for the loving care given my mother, Mrs. Mary L. Eudy and for the beautiful flowers sent to her during her illness and funeral.

I am so sorry I wasn't there to help nurse her and to see her put away but I have been hospitalized since a few hours after mother passed on (am still in hospital).

Especially thanks to my sister, Mrs. J. E. Pockrus, who sent flowers and ribbons from wreaths and to my sister-in-law, Mrs. J. R. Eudy of Coleman, who sent pictures of the funeral. It seems very plain in my mind what a beautiful service it must have been.

To those who loved her most, again we say, "Thanks so much." Sincerely,
 Florence and W. A. Bauman

Baptist Census Set Next Month

A religious census will be conducted by the 38 churches of the Cisco Baptist Association, Feb. 1-15. Divided into seven zones, with all the pastors of the area churches cooperating, the area includes the Lacessa range south to Lake Leon, and from Lake Daniel Road, Colony area east to the county line. Rev. Ralph E. Perkins, pastor of the First Baptist Church of Ranger, is captain of the eastern section of the association. The following churches and pastors will cooperate in the section: Second Baptist, Rev. Ed Scarborough; East Side Baptist, Rev. K. C. Edmonds; New Hope No. 3, Rev. Frank Brooks; Cheaney Baptist, Rev. Tommy Knotts; and the First Baptist Church of Ranger. In the first census of the association, an effort will be made to locate every Baptist family—not affiliated with the local program—and to locate potential members.

"We want to get a census card for each person or family in our area," said Rev. Perkins. Names and prospects will be turned in to him or to the First Baptist Church.

Avoid Late Rush at Safety Inspections

AUSTIN — The Texas Department of Public Safety warned motorists of the inconveniences of a last-minute rush at safety inspection stations before the deadline, April 15.

More than 3,000,000 of the 4,000,000 Texas motor vehicles have yet to receive their 1959 safety inspection sticker.

In urging motorists to "do their safety shopping early" and avoid the rush at the 4,400 inspection stations, the safety department warned that those who fail to do so will be subject to traffic summons after April 15. The average cost of the safety inspection since the program began six years ago is \$1.19 for needed repairs and \$1 for the inspection fee.

The inspection stations check such items as brakes, lights, horns, mirrors and windshield wipers and have found that 39 per cent of the vehicles have needed some adjustment or repair.

Col. Homer Garrison, Jr., director of the safety department, said this is an improvement over the general condition of motor vehicles six years ago when the inspection program began. At that time more than 50 per cent needed repairs.

"We hope that owners of motor vehicles will take advantage of the inspection facilities now and avoid the inconveniences of waiting in line as the April 15 deadline approaches," Colonel Garrison said. "This safety factor is important to safe driving on our streets and highways — and that is our goal."

Billy R. Bryan To Depart For Germany Feb. 3

FORT RILEY, KAN. — Army Pvt. Billy R. Bryan, whose wife, Minnie, lives in Gorman, is sched-

uled to depart from Fort Riley, Kan., for Germany, Feb. 3, with the 1st Division's 18th Infantry.

The 18th is being reassigned to the 8th Infantry Division in Sand-

hoben. Bryan, a personnel clerk in the 18th's Headquarters Company, entered the Army in July 1958 and

received basic training at Fort Riley.

A graduate of Oiden High School, the 23-year-old soldier attended Texas Technological College. He was employed by the Republic National Bank, Dallas, in civilian life. His parents, Mr. and Mrs. Truman F. Bryan, live in Kermit.

FORT WORTH FAT STOCK SHOW READY TO START FRIDAY

FORT WORTH (Sp.) — The cowboy will be king as Fort Worth hands over the reins of the town Friday for the 10 days of the Southwestern Exposition and Fat Stock Show.

Governor Dargel will open the show, Friday, with a wave of his 10-gallon hat.

Saddles, boots and hats have been brought out for the downtown parade at 2 p.m. Friday. After the parade, which will feature thousands of riders on horseback and marching band members, fans will pour out to show grounds to visit the livestock barns and attend the rodeo.

Several hundred of the nation's top cowboys will compete for \$65,000 in rodeo prize money.

The rodeo also will star Movie and TV Actor Dale Robertson, who appears as Jim Hardie on the television Western series, "Tales of Wells Fargo". He will be at afternoon and night performances.

Fort Worth is known as "Cowtown", and it lives up to its nickname at Stock Show time. Ranchers and livestock breeders from all parts of the U. S. bring in their stock to compete for about \$130,000 in awards.

Hotels and motels report that reservations are still being taken for Monday, Feb. 2, through the last day of the show, Feb. 8, but practically no vacant rooms are left for the first weekend. Cars with license plates from all parts of the nation are dotting city streets.

Riding clubs and sheriff's possees from dozens of towns in Texas and neighboring states will be in Fort Worth during the exposition to ride in rodeo grand entries. Many high school bands also will give concerts on show grounds each day.

Thousands of animals have come in early but actual livestock events begin at 8 a.m. Friday, with the sifting of lambs, barrows and steers.

Entries in the livestock, horse and poultry departments total over 9,400 — the largest figure in the 62-year history of the show. Red Angus cattle and Landrace swine will be judged for the first time in Fort Worth this year.

One of the biggest drawing cards at the exposition is the horse show, which has over 1,200 entries. The American Quarter Horse Association recognizes the Fort Worth exposition as the nation's biggest Quarter horse show. About 700 horses of this breed will be exhibited.

The Stock Show always has more "special days" honoring cities and groups than any other exposition in the country. This year, almost 100 towns, clubs and organizations will have a day.

A carnival midway will be open on show grounds to offer rides and games.

The visitor will also have an opportunity to tour the free Texas Ranch and Farm Show where the newest things for better farming, ranching and homemaking are on display.

G. A.'s Meet At Second Baptist Church Monday

The Junior and Intermediate G.A.'s of the Second Baptist Church met Monday afternoon at the regular meeting time to study the forward steps. The reviewing

council met to hear the following pass a step: Jane Ann Bradford, maiden; and Tawana Nichols, queen. The reviewing council will meet each month until April. The coronation will be in May.

The Junior G. A.'s received their honor award for the year's achievement for 1958 from the state G. A., office in Dallas. Mrs. O. J. Caraway and Mrs. Eddie Squiers are counselors for the

junior G. A.'s. Members are Anna Squiers, Jane Ann Bradford, Ellen Cozart, Linda Kay White, Kitty Goodwin, Linda Noth and Tawana Nichols.

Mrs. Ed Scarbrough is G. A. director and counselor for the Intermediate G. A.'s. Members are Sharon Sutton, Mary Fron, Sandra Tibbels, Carolyn Dempsey and Billy Jean Grice.
